Venusaur: Relax. Any Pokemon that tries this attraction out doesn't run into a tree. They just have to swing out into the required distance.

Nico: Oh good.

Me: Sorry about that. We have a member of the team known for crashing into trees and it's funny.

Lola: Yeah he cracks us up.

Luan: Yeah.

Venusaur: I see.

Luan and Pikachu got ready.

Venusaur: Ready?

Luan: Ready!

Pikachu 2: Ready!

Laney: Ready! GO!

Luan swung on the vine and did a Tarzan Yell.

GEORGE GEORGE GEORGE OF THE JUNGLE! STRONG AS HE CAN BE!

Luan: (TARZAN YELL)

Bonsly: What are you expecting? There are no trees in the way.

Me: I know but Luan loves the song.

Luan won!

Luan: YEAH!

Laney: LUAN WINS!

Xenia: YEAH!

Lola: That was fun!

Me: That was awesome guys!

Nico: Ooh! This one is gonna be fiery.

Eli: Yep. That one is in the Lava Zone.

Lola: Wow! I would like that one.

We were off to the Lava Zone.

---

We arrived at the Lava Zone and it was a volcano field with lava lakes and pools and it was extremely hot.

Nico: Here we are!

Me: Whew! The Lava Zone! This one is gonna be infernal and hot.

Xenia: Yeah.

Lola: Whew! I like it.

Sunset Shimmer: Me too. This is my kind of place.

Varie: Yeah it's awesome.

Maria: Who do we call in for this one first?

Lincoln: Vicky Volcanus. She wanted an archenemy.

Nico: Cool!

Me: Or volcanically hot in this case.

Maria: Okay then.

Maria called her in and in a volcano erupting came Vicky Volcanus!

Vicky Volcanus: I'm here guys.

Me: Awesome.

Nico: There she is!

Vicky Volcanus jumped down and we saw ANOTHER ALCHEMY BEAST - SALAMANDRA THE STEEL!

Me: Whoa!

Vicky Volcanus: So my archenemy is going to be Alchemy Beast - Salamandra the Steel! I like that.

Another Salamandra the Steel: (In a girls voice) But it's awesome that I am my gene-slammer for.

Lincoln: That voice.

She reverted back and was a girl with red hair, red eyes and had the kanji for fire in the middle of her forehead and she had red angel wings and had red clothes and had a fire sword in her hands and she had the kanji for Steel on her right arm.

Lincoln: Selene Salamandra!

Selene Salamandra: Awesome to see you again Lincoln and my goodness you grew so much.

Lincoln: I haven't seen you since you 17. Selene is the gene-slammer of Alchemy Beast - Salamandra the Steel and she also hates Chandler with a vengeance.

Me: Uh oh. What did Chandler do to warrant your hatred towards him?

Selene Salamandra: He tried to stab Lincoln in the cafeteria with a knife and I got him suspended from school for a year and sent him to juvie for 12 months.

We gasped!

Lana: I remember that!

Lola: That jerk! But he is not like that anymore.

Me: No kidding. Chandler was a heartless bully back then. What a freak!

Nico: Chase Young poisoned him with his evil.

Anna Anyanova: He sure did. We found out that Chase Young made him into a monster.

Lola: Yeah.

Me: By the way are the rest of the Anothers friendly or hostile?

Selene Salamandra: Friendly and they are really amazing.

Lola: This is gonna be good.

Qin: Yeah.

Vicky Volcanus: Sorry we have to do this.

Selene Salamandra: No worries.

Girl Jordan: First lets separate you.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep
Down beneath the earth you go
Go holoré fast to sleep
O holoré lay thee low
Holoél dark in the Deep
Down beneath the earth you go
Go holoré fast to sleep
Fast to sleep
Fast to sleep
Dark holoré in the Deep
Rise again holoré now
Spring abundant holoél
Render green the dying bough
Raise the rock where Yurgen fell
Raise the rock
Raise the rock
Raise the rock
Raise the rock
Raise the rock
Raise the rock
Raise the rock
Raise the rock

Spring abundant holoél

She glowed and was separated from her Another.

Xenia: Nice!

Bianca Vexxos: Sorry we have to fight like this. (LOUD FART!) Oops sorry. I have a condition.

But, Inuyasha's not going to stand for that, and just like with the fight against Naraku who came back last year in Spain due to Evolt, Inuyasha's going to transform and slay those seven barbarians and send them to The Black Gates forever.

Lincoln: Whoa, we're here in Japan, and I know what we're going to do here, not only am I going to rescue the seven girls here, but we also got bad news: The Band of Seven, Bankotsu, Renkotsu, Jakotsu, Suikotsu, Ginkotsu, Mukotsu, and Kyokotsu are back, and they're on the rampage again.

Inuyasha: Oh, not those barbarians again. They're really starting to annoy us big time.

Kagome: Ugh, I thought we got rid of them long ago, but they refuse to give up once again!

Me: It looks like it, now they're really going to get it big time!

Nico: You got that right. I may have missed out on your rescue yesterday when you guys kicked the asses of Top Dollar and his goons, Lincoln, but this is one rescue I'm so not missing out on.

May: Same here, we'll deal with those murderous thrill-seeking barbarians and send them straight to The Black Gates for good.

Captain Planet: It's hard to believe Bankotsu and his men not only kill demons, but also, humans as well, who would even do such a thing?

Lincoln: Seven people who have a completely absolute disregard of all life, which is why I'm looking forward to killing them once more, and making sure they never come back.

Suddenly, we saw a very beautiful and super sexy girl with short brown hair and dark blue hairband, dark blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful white angel wings, she's dressed in a white coat with a coat of arms on it, white short-sleeved shirt, necklace with pearls and dark blue gem for the pendant, black pants, white bridal gloves, black knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with knights, swords, magic, dragons, and angels on the coattails and on the back is Sacred Noble Knight of King Artorigus, in her right hand is The Sword of Justice, and with her are the seven girls.

Brown-Haired Girl: I hope I'm not too late, and I got the girls away from those barbarians before they could kill them.

Lincoln: No, you're not, Michaela Artorgius, you're just in time. In fact, we were just about to head after those barbarians.

?: You shall all perish for what you did in killing us, Team Loud Phoenix Storm!

We then saw our targets, The Band of Seven, Bankotsu, Renkotsu, Jakotsu, Suikotsu, Ginkotsu, Mukotsu, and Kyokotsu, and they were out for blood.

Sylvester: If it isn't our favorite bloodthirsty barbarian group from 16th Century Japan.

Sylvester unholstered his Sylvester's Blood-Soaked Vampiric Demon Darkness Greatsword of The Dracul and transformed into Super Angel-Cat-Vampire-Acme Dark Knight-Harmony Universal Eternal Celestial Xelnaga Darkness Looney Tune Feline Demonic Darkness Vampire Cat Angel of Divine Darkness Looney Tune

Feline Demonic Darkness Vampire Cat Justice and Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Death.

Inuyasha: Bankotsu, you and the others just made a huge mistake coming back from the dead and coming here to the modern day world to go on your rampage once again. Now, I'm through playing with you seven.

Suddenly, Inuyasha's gold eyes turned neon gold, and he was surrounded by a red and white energy aura with stars, demon blood, blue fire, ghosts, spirits, and dog demons, he unholstered his massive Tessaiga's Demon Slayer Greatsword of Dog Demon Justice from his back, and as he approached The Band of Seven, he left red and white energy, stars, demon blood, blue fire, ghosts, spirits, and dog demons with every step.

Inuyasha: Just like with Naraku, you, Renkotsu, Jakotsu, Suikotsu, Ginkotsu, Mukotsu, and Kyokotsu are a massive pain in the tail, Bankotsu. Honestly, no matter how many times we keep stopping you, you refuse to quit. All you seven ever care about is killing humans and demons indiscriminately and because of it, so much blood has been spilled and you seven have left nothing but pain and suffering in your wake. Well, that ends here and now, this time, you seven going to be put down for good, and this time, you psychos are never ever coming back.

Suddenly, Inuyasha was surrounded by a massive vortex of red and white energy with stars, blue fire, ghosts, spirits, and demon blood surrounding the vortex, there are dog demons running around the vortex, and in the vortex is a gold phoenix with blood red eyes glaring at Bankotsu, Renkotsu, Jakotsu, Suikotsu, Ginkotsu, Mukotsu, and Kyokotsu: the red eyes of eternal death. Then, as the vortex faded, Inuyasha emerged, but he was changed forever.

Inuyasha grew from 7'5" to 8'3" in height, his abnormally massive and powerful upper and lower body muscles grew much bigger for his new body and he still retained his eight-pack abs, he has red highlights in the bangs of his long thick mane of waist-length silver-white hair, he has neon gold eyes with slit like pupils and a red and white energy aura with stars, ghosts, spirits, blue fire, demon blood, dog hanyou, and angels surrounding him, he has a dog hanyou and blood red crescent moon emblazoned on his forehead and Third Eye with gold iris, he has on silver dog earrings with golden gems for eyes and holding the Spirit Fire, Demon Blood, and Eternity Kanjis in its paws, he has on his Crystal Necklace of The Buddha with red gems on the gold flame links and white crystal links and a white dog demon-shaped Element of Harmony and on the bottom of the Element of Harmony is a dog hanyou with gold gems for eyes and holding the Spirit Fire, Demon Blood, and Eternity Kanjis in its paws for the pendant, he has on a white long-sleeved shirt with red phoenix, red pants, black knee-high leather boots, red long-sleeved trenchcoat made from The Robe of the Fire-Rat, and long white long-sleeved trenchcoat with blue fire, ghosts, spirits, stars, demon blood, and dog demons on the coattails and on the back is a dog demon surrounded by spirits and stars. Suddenly, Inuyasha felt a sharp pain on his now wider and more muscular back, and then, his massive silver-white angel wings with blood red tips on the feathers grew much bigger for his new body, he has on a Ring of The Phoenix with red gem and heart-shaped gem embedded in it on his right ring finger and Blue Lantern Ring on his left ring finger and Stone of Gelel embedded in his left hand, and his claws were also ready.

Suddenly, Inuyasha's massive Tessaiga's Demon Slayer Greatsword of Dog Demon Justice and all the greatswords and swords began merging together and were surrounded by a kaleidoscope of red and white energy, stars, ghosts, demon blood, spirits, and dog demons, and when it emerged, it was transformed into Inuyasha's Dog Hanyou Tessaiga Demon Slayer Fang Greatsword of Dog Hanyou Justice, it's a brand-new massive greatsword with embedded colored gems and a gold dragon etched on the 7'5" massive, wide, curved, over-sized blade that looks like a dog's fang, large patch of white dog's fur for the crossguard, longer midnight black handle, four large white dog heads with gold gems for eyes and on the bottom of the white dog heads is a large white dog head with gold gem in its mouth for the pommel, he has on his new large gold Bracers of the Champions of The Universe with blood red gems on his wrists and Dragon Ball Bracelet on the left gold Bracer, his new large gold Belt of Elemental Bravery with a golden dog demon head with gold gems for eyes and a blood red gem in its open mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on his right hip and Eater of Sins revolver holstered on his left hip. There's a red kanji below the dog demon that said, "Inuyasha, Brave Demon Slayer of Feudal Japan, Loving Son of Izayoi and Tōga, Wielder of The Yokai Sword Tessaiga, Loving Half-Brother of Sesshōmaru, Loving Husband of Kagome Higurashi, Son-In-Law of the Higurashi Family, Loving Father of Moroha, Loving Uncle of Towa and Setsuna, Loving Future Father and Brother-In-Law of Lincoln Loud, Member of The Demon Slayer Consolidate, Archenemy of Vortex, Destroyer of Naraku and Many Enemies from Feudal Japan, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Spirits, Blue Fire, Demon Blood, and Dog Hanyou"

We were amazed by Inuyasha's Super Angel-Dog Hanyou-Yokai Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Kagome saw him, she had an atomic red blush on her face, hearts in her eyes, steam whistling out of her ears, and blood dripping from her nose. But, when The Band of Seven saw it, their rage went completely through the roof, and they ran after Inuyasha to kill him, but Inuyasha fired a powerful barrage of red and white energy blasts with stars, demon blood, blue fire, spirits, ghosts, dog hanyou, and angels, and they hit The Band of Seven and burned them badly, and Inuyasha fired a powerful Wind Scar with his new greatsword and it hit them and left scars on them.

Moroha: No way, now Dad has transformed into his Super Angel-Dog Hanyou-Yokai Harmony United Friendship Universal Eternal Celestial Xelnaga form, so awesome!

Lincoln: That's so awesome, Moroha, and I just saw on the upgraded kanji on the back of your dad's long white long-sleeved trenchcoat that said, "Loving Future Son-In-Law and Brother-In-Law of Lincoln Loud".

Me: Does make sense though, since you're going to marry Moroha, Inuyasha and Kagome's daughter and Towa and Setsuna, who are Sesshōmaru's daughters in the future, Lincoln.

Inuyasha: (Divine Echoing Godly Voice of The Hanyou Spirit Demon Blood Fire Dog Hanyou Angel and Divine Demon Blood Yokai Spirit Firestorm Dog Hanyou Hope) Let's use a combo on these jerks, Lincoln.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You got it, Inuyasha.

Lincoln and Inuyasha channeled red and white and rainbow energy and elemental forces into their massive greatswords.

Lincoln and Inuyasha: ELEMENTAL WIND SCAR BACKLASH WAVE!

Lincoln and Inuyasha fired two powerful waves of energy and winds which hit The Band of Seven and they not only sent them back, but it also gave them some very nasty bleeding scars and it infuriated them greatly.

Inuyasha: (Divine Echoing Godly Voice of The Hanyou Spirit Demon Blood Fire Dog Hanyou Angel and Divine Demon Blood Yokai Spirit Firestorm Dog Hanyou Hope) Didn't like that, huh? Well, you're not going to like this one. BLADES OF BLOOD!

Inuyasha fired blades of hardened blood from swings of his massive greatsword which injured The Band of Seven even more.

Inuyasha: (Divine Echoing Godly Voice of The Hanyou Spirit Demon Blood Fire Dog Hanyou Angel and Divine Demon Blood Yokai Spirit

Firestorm Dog Hanyou Hope) Now, Lincoln!

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Got it! And now, you and The Band of Seven die here, Bankotsu!

Lincoln readied his claws on the fingers of his left hand.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Dokkasō!

Lincoln scratched and stabbed Bankotsu, Renkotsu, Jakotsu, Suikotsu, Ginkotsu, Mukotsu right in the chest, and Kyokotsu, and his poison-laced claws combined with his absorption ability caused the bodies of The Band of Seven to break down and Lincoln absorbed them and he assimilated their immense strength, immense durability and endurance, enhanced speed, enhanced agility and reflexes, and immense stamina.

Sesshomaru: Interesting, Lincoln used Dokkasō and combined with his absorption ability, the bodies of those barbarians quickly broke down even more allowing for a more faster absorption rate.

Then, his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds had absorbed the weapons of The Band of Seven: Bankotsu's Banryū, Jakotsu's Jakotsutō, Ginkotsu's hosts of weapons, Kyōkotsu's flail, Renkotsu's fire weapons, and Suikotsu's Tiger Claws, and he banished the spirits of The Band of Seven to The Black Gates forever. We cheered wildly as we holster our weapons and power down, and Inuyasha's new body, clothes, weapons, jewelry, and massive silver-white angel wings are permanent. Then, Kagome went up to

Inuyasha and they shared a romantic kiss, and we cheered for them.

Inuyasha: Now, we're finally rid of The Band of Seven once and for all.

Nico: You got that right, and Lincoln's massive greatsword wound up absorbing all of their weapons as well.

Lincoln: Yep, and all of the powers and abilities of their weapons have also been assimilated into my massive greatsword just like with the Tessaiga.

Inuyasha: We'd seen it before many times, and now, you used it on The Band of Seven's weapons. Next time, I think we should leave the taking of fallen enemies' weapons to you.

Kagome: Correction: it'll be left to him and you, Inuyasha.

Nico: Smart move, consider it a bonding between you two.

Moroha: That's right, Lincoln's going to marry me, Towa, and Setsuna, and it'll also be quite a perfect opportunity for you guys to bond even more, Dad.

Inuyasha: (Realizing what just happened) Wait a second, did you and your Mom…?

Lori: You literally did, you all came up with a plan and pulled one over on Lincoln and your Dad.

Lincoln: How did you learn how to come up with a plan like that?

Nicole: Oh boy, she spent so much time with you, she developed the same plan-making process as you, Lincoln.

Ronnie Anne: Along with the rest of his harem as well, and I'm also a natural plan-maker as well when it came to helping Mom, Bobby, and the rest of the family. But, I have to agree with Moroha, along with the rest of us, you two are going to be related in the near future, so no time like the present to do some Father-In-Law and Son-In-Law Bonding.

Lincoln: (Whistles) I certainly didn't see that one coming, looks like you all have pulled one over on The Man With A Plan.

Girl Jordan: Well, we learned from watching you, and we decided to put it into practice.

Lincoln: Yeah, that's true. (To Michaela Artorgius) And it's so good to see you again, Michaela Artorgius.

Michaela Artorgius: You too, Linky, it's been a long time.

Lincoln went up to Michaela Artorgius and he hugged her, and Michaela Artorgius is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much stronger and muscular he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces soon went even deeper when they saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms and short stubble on his jawline, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Michaela Artorgius: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height and became a man, but you're still the same kind boy from long ago. Plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Michaela Artorgius, Gene-Slammer of Sacred Noble Knight of King Artorigus and little sister of Melanie Artorgius she's my Guardian Angel from Michigan and she's a very powerful wielder of magic and a very powerful swordswoman. She's also a member of The Royal Woods Knights of The Michigan Table, and she trained me constantly in the art of swordsmanship and magic, and I became a very powerful swordsman and magic wielder, and she also taught me much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those I love and hold dear to my heart, and never to let those with such malice and evil in their black hearts get away with their crimes.

Melanie Artorgius: All of us trained Lincoln constantly in the art of swordsmanship and magic, and he became a very powerful swordsman and magic wielder, and we also taught him much about the Code of Chivalry and really instilled in him what it means to be a true hero, to fight with both courage and honor, to protect those he loves and holds dear to his heart, and never to let those with such malice and evil in their black hearts get away with their crimes.

Nico: Like a true knight.

Lincoln: And here's this bit of news: Michaela Artorgius is also a direct descendant of King Arthur of Camelot.

Eli: That's incredible.

Lincoln: Yep, and I made her a white coat with the coat of arms of The Royal Woods Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed me on the lips after their training, and Michaela Artorgius hates Lynn with a very blazing passion. One day, Michaela and I along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, we heard a loud belch and the alarm triggered, and we saw who it was that had triggered the alarm: it was Lynn, and she brought with her an army of thugs to attack them. Michaela and I went out there along with the rest of us, and she'd slain them with her greatsword, The Sword of Justice, and it drove Lynn into a blood-crazed fury, but before she could unleash her wrath on us, we fired chains of light magic which bound and tied her up. I called Luna, who showed up along with Leni, Luna, Laney, Lucy, Lana, Lily, and the parents, and when we told them of what Lynn did, they were furious.

Joan Delenney: Lincoln was disgusted that Lynn was at it again, but in the end, her plan failed and Lynn eventually got grounded for eighteen weeks and Michaela Artorgius and Lincoln casted a spell to make sure she didn't try to come after them for revenge after she got sent to Aunt Ruth's because messing with the descendant of King Arthur and member of The Royal Woods Knights of The Michigan Table will have dire and disastrous consequences.

Nico: For shame, Lynn!

Inuyasha: Blame her dark side for it, she was such a bullheaded, stubborn jackass.

Lincoln: My words exactly, and now that you're here, Michaela.

Lincoln went up to and hugged Michaela Artorgius in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Michaela Artorgius: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Michaela Artorgius' neck with white gems on the gold lightning bolts and white crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Michaela Artorgius: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Michaela Artorgius.

Michaela Artorgius had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them, then, we went up to the seven girls, and when Lincoln saw who they were, they immediately recognized them. The seven girls are Marci from DOTA: Dragon's Blood and Alice Erzan, Cature Halfilng, Fray Ringgit, Lolo Eduard, Rachel Halfling, and Rumines from 3Ping Lovers!.

Lincoln: Oh wow, it's Marci from DOTA: Dragon's Blood and Alice Erzan, Cature Halfilng, Fray Ringgit, Lolo Eduard, Rachel Halfling, and Rumines from 3Ping Lovers!.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Marci: Yes, we're okay, thanks to you.

Then, when Marci and the other six girls saw who it was that saved them from The Band of Seven, their faces turned atomic red upon seeing the 17-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil,

Marci: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made six clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Marci: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Marci, Alice Erzan, Cature Halfilng, Fray Ringgit, Lolo Eduard, Rachel Halfling, and Rumines with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team was shocked to find out the villains we went were our old enemies, The Band of Seven, Bankotsu, Renkotsu, Jakotsu, Suikotsu, Ginkotsu, Mukotsu, and Kyokotsu are back, and they were on the rampage again.

But, when Lincoln showed what happened such as Inuyasha transforming into his United Friendship Universal Eternal Celestial Xelnaga form and all of us kicking the crap out of those bloodthirsty evil barbarians and Lincoln finishing them off by absorbing them and his massive greatsword absorbing the weapons of The Band of Seven and sending their souls to The Black Gates forever, everyone cheered and hugged us and Lincoln's harem kissed him all over, and he had steam whistling out his ears. Lincoln and Michaela Artorgius have a lot of catching up to do, now that she's back in town.

Maria: That's the end of The Band of Seven, and those bloodthirsty fuckers better stay dead for good this time!

Lincoln: If I find out that Luna Enoch was behind this, that vampire's going to be worse than dead when I get through with her.

Eli: She was indeed behind it, Lincoln, The Force told me.

Lincoln: I should've known. Someone better get a stake made of oak and drenched in holy water 'cause I'm gonna drive it right into that vampire's black heart!

Kagome: Why do I have the feeling she's just awoken the beast?!

Inuyasha: I hate creatures and humans who kill for fun. Lincoln's no doubt going to use the Vampiric Life Drain on her after she gets weakened badly.

Me: Like he's done to so many villains in the past few fights.

Nico: Hey, they get him angry, and that's what's going to happen.

---

After finally getting rid of The Band of Seven and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Michaela Artorgius saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Michaela Artorgius: My God, I was right that Lincoln's really grown into a 17-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Michaela, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Michaela Artorgius: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Michaela Artorgius: Oh man, I knew it was only a matter of time before he told everyone that story.

Me: Yep. So, Michaela, what other memories did you have with Lincoln?

Michaela Artorgius: Oh man, I was hoping you'd ask that. Well, there was this one time, Lincoln and I went to Lake Huron with the rest of The Royal Woods Knights of The Michigan Table for a time of rest and relaxation along with doing some more training and working out. But, then, we heard a loud belch in the air and we caught the stench of unwashed feet and B.O. along with limburger cheese and chum in the air, and we knew who it belonged to: none other than Lincoln's overly competitive, super aggressive, belching, farting, rude, disgusting older sister, Lynn, and one of the enemies of our order, and she was still out for blood even after we defeated her, and she was ranting like crazy that all she now wanted was our heads on a pike and then she'd kill everyone in her path. Lincoln had enough of Lynn's super violent and disgusting behavior and he called her out on it, he called her a violent, out of control, miserable, disgusting gross pig who had destroyed the bonds she had with her family, and for what, to be Number One in everything and kill anyone who got in her way. Then, he revealed he had on a microphone which was hidden in his hair and it recorded everything that Lynn said, and when she saw it, her face went pale and she had shock on her face when the rest of her family showed up after hearing the video and they were pissed at Lynn big time. Lynn, realizing she was made a fool out of, belched with extreme wrath and rage and she ran after us on all fours to kill us, but Lincoln and I fired chains of holy light which bound Lynn and we also put a muzzle on her, and then, she was put in Vanzilla and dragged back to The Loud House to face her doom: grounded for twenty-one weeks and she was thrown in a cage in her room with a straitjacket and muzzle to shut her big fat mouth.

Me: Oh man, I remembered that day all too well, and Lincoln did quite an awesome job with hiding a microphone in his hair along with a camera.

Lincoln: Lynn never saw it coming, and in the end, she got caught big time with her threat, and she got punished big time.

Joan Delenney: Indeed she did.

Inuyasha: Lynn, sometimes, that dark side of yours is insensitive, boorish, rude, disgusting, and has plain lousy table manners! If I was there, I'd give that pig the beatdown of her life and rip her in two.

Nico: 'Fraid that was taken by J.D. when he first encountered that pig during Packing Day years ago.

Lincoln: And me when she attacked me and Miyuki.

We got a shower, and then, Lincoln, Violet Steslicki, Donna Soohoo, Brynn Larson, Maria Garcia, Carla Delgado, and Debbie Gabler, the rest of his harem, and his kids are heading to Toad's Midway Madness for a day of fun. Plus, we found out Violet Steslicki, Donna Soohoo, Brynn Larson, Maria Garcia, Carla Delgado, and Debbie Gabler had feelings for Lincoln and he also had feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood and life energy, which made him go insane with anger, until Lincoln fired energy blasts at that mutant and more gold and jewels and treasures came out of that moron, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Skullhead Wolf: Wow, so this is Toad's Midway Madness, awesome!

Lincoln: It sure is, Skullhead Wolf, and it's perfect for our family day before we head out for Flurry Heart's big day to kill Nascour and send him to The Black Gates. Shall we?

Lincoln, his harem, and his kids had fun on all the rides and they even had fun winning some prizes in the games there, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Violet Steslicki, Donna Soohoo, Brynn Larson, Maria Garcia, Carla Delgado, Debbie Gabler, and the rest of his harem and they hugged them in their abnormally massive and powerful muscular arms, and Violet Steslicki, Donna Soohoo, Brynn Larson, Maria Garcia, Carla Delgado, Debbie Gabler, and the rest of his harem placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Nico: Whoa, looks like someone really had an awesome time at Toad's Midway Madness, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Violet Steslicki, Donna Soohoo, Brynn

Larson, Maria Garcia, Carla Delgado, and Debbie Gabler with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: And now, Violet Steslicki, Donna Soohoo, Brynn Larson, Maria Garcia, Carla Delgado, Debbie Gabler are now in Linky's harem.

Sully: Wow, it's really been a long while since any of our old friends have joined Lincoln's harem.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that good-for-nothing hairy mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for herself.

Rarity: And trying to kill Violet Steslicki, Donna Soohoo, Brynn Larson, Maria Garcia, Carla Delgado, Debbie Gabler, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and he should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that three butt-cheeked mutant cheapskate has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you fat hairy mutant cheapskate!

Nico: Even after we kicked Flip's miserable hide, that moron still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Pablo, Anderson, Billy McLean, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks! Oh, Lincoln, I have a huge mission for you and Inuyasha.

Lincoln: A mission for us, this should be good.

---

After Lincoln's date at Toad's Midway Madness, Lincoln and Inuyasha are heading to Pentagram City to kill Stella Ars Goetia. The word of Andrealphus being killed yesterday by Sherlock Hound has finally caused Stella Ars Goetia's anger reached its boiling point, and now, her sanity has been destroyed forever: now she was out for one thing, revenge on us and the death of all humanity on Earth. But, the shadow of death was finally coming for her, the portal opened and Lincoln and Inuyasha stepped out of the portal along with Sherlock Hound.

Lincoln: Ah, so this is Pentagram City.

Inuyasha: It sure is a place of eternal damnation alright. I don't even know how Sherlock Hound was able to adjust to this place.

Lincoln: He'd gotten used to it ever since his first recruitment mission.

Sherlock Hound: (British Accent) Indeed, and not only are we going to destroy Stella Ars Goetia, but this is also a recruitment mission as well for The Masters of Evil. We're to recruit Verosika Mayday's bodyguard, Vortex, into The Masters of Evil, and he'll be your archenemy, Inuyasha.

Inuyasha: So, my archenemy is that tough hellhound who protects Verosika Mayday. Okay, then, this should be good.

Lincoln: I knew you'd approve. Now, let's find Stella Ars Goetia and kill her once and for all.

Sherlock Hound, Inuyasha, and Lincoln travelled to the mansion of Stolas Ars Goetia, there, they were met by Paimon, king of the Ars Goetia and father of Stolas along with Verosika Mayday's hellhound bodyguard, Vortex.

Sherlock Hound: (British Accent) Paimon, king of The Ars Goetia hierarchy and father of Stolas and Vortex, bodyguard of Verosika Mayday, I suppose you both know why we're here.

Paimon: No doubt, it's to kill my former daughter-in-law. Is my son and Octavia…?

Lincoln: They're okay, but last year, we found out that Stella had put out hits on all of us and it also included your son and granddaughter when we ran into Striker.

Paimon: (Sighs) I always knew there was something off about her.

Vortex: So, you all are going to kill her. I'm cool with that, I never liked her anyways.

Sherlock Hound: (British Accent) Now, then, I believe we should head in to deal with her once and for all.

Sherlock Hound, Inuyasha, Lincoln, Paimon, and Vortex turned into black mist and slipped into Stolas' mansion unnoticed and quietly while Stella was still meeting with her hellhound mercenaries and she was still wanting Stolas' head on a pike along with all our heads. Suddenly, all of Stella's hellhound mercenaries were being slain one by one, but no one was in the room with them, and oceans of blood were being spilled.

Stella Ars Goetia: What in the nine rings of Hell is going on?! Who is doing this?! I demand that the head of the plebian be brought right now!

Suddenly, dark shadows began to darken the mansion, and the blood of the spilled mercenaries had begun to form a threatening message saying: Stella Ars Goetia, we have come for you, the time of your punishment is at hand! Then, a figure appeared from the darkness, it was Sherlock Hound, Inuyasha, Lincoln, Paimon, and Vortex. When Stella saw them, she was beyond enraged!

Stella Ars Goetia: YOU!?

Sherlock Hound: (British Accent) Don't act so surprised though, Stella, this day has been a long time coming. You and your brother were both warned about not going after Stolas and Octavia.

Lincoln: But last year, that all changed when we ran into Striker in The Sensei Fire Realm, and to find out you put out a hit on all of us, you and your brother both have crossed a line from which there is now no return, and now, the only thing awaiting you is death just like what happened to your brother.

Paimon: I never should've welcomed you as my daughter-in-law, my son and granddaughter are better off without you in their lives, wretch!

Stella Ars Goetia: I'll kill you, Stolas, Octavia, and all of Team Loud Phoenix Storm along with every miserable human in the world! No one defies me and lives!

Sherlock Hound: (British Accent) Never again will we allow you to live a single second further.

Suddenly, Sherlock Hound's blood red eyes turned neon blood red and he was surrounded by a black and blood red energy aura with blood red nebulae, stars, demons, and demonic darkness surrounding him, he unholstered his massive Sparda's Eternal Angelic Demonic Fang Greatsword of The Demon Hound from his back, and as he approached Stella Ars Goetia, he left black and blood red energy, blood red nebulae, stars, demons, and demonic darkness with every step.

Sherlock Hound: (British Accent) I must say, I'm not exactly surprised to see that you've lost your last grip on sanity, but to tell you the truth, you've had this coming for a long time. I warned you many times never to go after Stolas and Octavia, but you refused to listen, but what really crossed the line was when you sent Striker to kill us last year. We can't be killed ever, we're immortal and invincible, but you, you're not. Prepare yourself, Stella Ars Goetia, this is the end for you and your crazed desires for death and destruction.

Suddenly, Sherlock Hound was surrounded by a massive vortex of black and blood red energy with red nebulae, stars, and darkness surrounding the vortex, there were shadow demons running around the vortex, and inside the massive vortex was a blood red phoenix with blood red eyes glaring at Stella Ars Goetia: the red eyes of eternal death. Then, as the vortex faded, Sherlock Hound emerged, but he was changed forever.

Sherlock Hound grew from 7'5" to 8'3" in height, his abnormally massive and powerful upper and lower body muscles grew a bit bigger and he still has his eight-pack abs, he has blood red highlights in the bangs of his long hair, he has neon blood red eyes and a blood red and black energy aura with blood red and black nebulae, stars, darkness, and demons surrounding him, he has a demonic dragon emblazoned on his forehead and Third Eye with demon red iris, he has on demonic dragon earrings with blood red gems for eyes and holding the Dark and Eternity Kanjis in its claws, he still has on the amulet with embedded large blood red gem but inside the gem is a black dragon-shaped Element of Harmony and on the bottom of the amulet is a demonic dragon with blood red gems for eyes and it's holding the Dark and Eternity Kanjis in its claws for the pendant, he has on Sparda's monocle over his left eye, long purple Victorian coat with purple cuffs and red embroideries on the cuffs and coattails, white gloves, white cravat, black buttoned waistcoat with red embroideries, white linen cloth over the coat with gold ring and small gold skull with blue gem on its cranium, purple pants, knee-high black boots with blue gems and white linen cloth on the boots, and on the back of the long purple coat is a demonic dragon surrounded by darkness. Suddenly, Sherlock Hound felt a sharp pain on his now wider and more muscular back, and then, his massive midnight black angel wings with blood red tips on the midnight black feathers, grew much bigger for his new body, he has on a Ring of The Phoenix with blood red gem and heart-shaped gem embedded in it on his right ring finger and Indigo Lantern Ring on his left ring finger and Stone of Gelel embedded in his left white glove-covered hand.

Suddenly, Sherlock Hound's massive Sparda's Eternal Angelic Demonic Fang Greatsword of The Demon Hound and all the greatswords and swords he'd gotten began merging together, and they're surrounded by a kaleidoscope of black and blood red energy, demonic darkness, and when it finally emerged, it was transformed into Sherlock Hound's Demonic Sparda's Eternal Angelic Demonic

Fang Greatsword of The Demon Hound, it's a brand-new massive greatsword with embedded blood red gems and blood red demon dragon etched on the 7'5" massive, wide, double-edged midnight black blade with a substance resembling hardened lava on the blade, large midnight black demon wolf heads with blood red gems for eyes for the crossguard, large white angelic faces built into both sides of the hilt with blood red gems embedded in its forehead, longer midnight black handle, four large midnight black demon wolf heads with blood red gems for eyes and on the bottom is a midnight black demon wolf head with large blood red gem in its mouth on the bottom of the black demon wolf heads for the pommel, he has on his new large gold Bracers of the Champions of The Universe with blood red gems on his wrists which were hidden in the large cuffs of his long long-sleeved purple coat and Dragon, his new large gold Belt of Elemental Bravery with large black wolf head with blood red gems for eyes and a large blood red gem in its open mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and black spellbook and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony holstered on his right hip and Eater of Sins revolver holstered on his left hip, along with Luce and Ombra. There's a blood red kanji below the demonic dragon that said, "Sherlock Hound, Famous Private Detective of 19th Century London, Famous Hero of England, Champion and Emissary of Sparda, Constant Ruiner of Professor Moriarty's Schemes, Friend to Many, Trusted Ally of Inspector Lestrade, Partner and Trusted Companion of Dr. Watson, Solver of Complex Mysteries, Master of Chemistry and Physics, Skilled Violin Player, Brother of Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, and Ravus Nox Fleuret, Archenemy of Ardyn Izunia, Destroyer of Mundus and The Nifelheim Empire, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Destroyer of Mundus' Dark Ambitions and Avenger of Eva's Death, and Master of The Stars, Red Nebulae, Darkness, Blood, and Demons"

Lincoln, Inuyasha, Paimon, and Vortex were amazed by Sherlock Hound's Super Angel-Demon Hound-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Stella Goetia saw it, she went absolutely berserk with rage and she ran right at Sherlock Hound to kill him, but Sherlock Hound fired a powerful barrage of black and blood red energy blasts with blood red and black nebulae, stars, darkness, blood, and demons at Stella Ars Goetia, and they exploded as they hit her, and she got hit badly by the attack, and it drove Stella Ars Goetia even more berserk than ever.

Devil May Cry OST: Legendary Battle Devil Emperor Mundus (In The Sky)

Sherlock Hound: (Divine Echoing Godly Voice of The Blood-Soaked Demonic Darkness Demon Hound Angel and Divine Blood-Soaked Demonic Darkness Demon Hound Angel Compassion) (Demonic Voice and British Accent) Look at you, you claim to be someone of royalty, but now, when I look at you, all I see is nothing more than a petty child who always throws a temper tantrum whenever she doesn't get what she wants and you look for any excuse to torment and torture your ex-husband, no wonder Octavia now hates you completely, and now, we'll see to it that you die here and now.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope.

The sclera of Inuyasha's eyes turned red and his eyes turned from gold to violet.

Inuyasha: Now, then, I hope you're ready to die.

Lincoln, Sherlock Hound, and Inuyasha went Stella Ars Goetia, and they charged at her with superfast speed that she was unable to see it for herself, and then.

SLASH! SLASH! SLASH!

Sherlock Hound, Lincoln, and Inuyasha appeared right behind her with their massive greatswords stretched out, and they had Stella's blood on it, and she looked down to see that Sherlock Hound, Lincoln, and Inuyasha had cut her stomach open and her guts were spilled out along with her blood, and she had scratches on her body and face from Inuyasha and Lincoln's claws. Lincoln holstered his massive greatsword and powered down and Sherlock Hound holstered his massive greatsword and powered down, and Sherlock Hound's new body, clothes, weapons, jewelry, Third Eye, and massive midnight black angel wings are permanent..

Stella Ars Goetia: I-Impossible… , how… can you… Plebeians… kill me?! I… am… of… royal blood!

Sherlock Hound: (British Accent) Because, you badly underestimated your opponent.

Lincoln: And due to the arrogance you had, you lost the battle before it could begin. Farewell and good riddance, Stella Ars Goetia.

Sherlock Hound, Lincoln, Inuyasha, Paimon, and Vortex walked away to a portal that led back home that he opened up as Stella Ars Goetia fell to the floor and died, and her spirit was sent to The Black Gates forever.

Me: I take it the mission went well.

Sherlock Hound: (British Accent) Yes, Stella Ars Goetia is finally dead and her spirit was banished to The Black Gates forever.

Lincoln: Plus, we recruited Vortex to The Masters of Evil and Paimon Ars Goetia to our side.

Loona: Nice. Hope you guys made that bitch suffer.

Inuyasha: Lincoln and I clawed her eyes out and left scratches on her body, and we also sliced open her stomach and spilled her guts and blood on the floor, so yeah, she suffered.

---

Later we were watching TV and Masai Den came in.

Masao Den: Do you guys wanna go on patrol with me?

Me: Sure Masao.

Laney: Lets go.

Qin: Yeah.

We went down to the planet and headed into the city.

Ash: Shinnosuke must be the next one we're facing

Me: Yep. All we have is the Battle Fever J and Zenkaiger Hitotsuki next.

Nico: Whoa this will be awesome.

Lola: Yep.

Xenia: Yeah.

Masao Den: Boy this will be epic.

Camie: It sure will.

Ash: That's what I'm saying. Shinnosuke is probably the one for Battle Fever J

Pikachu: Pika.

Me: That's right he is. And that's the only one he has left before he is cured.

Nico: Then we'll help him.

Qin: Yep.

Nico: He has to be around here somewhere.

Me: I hope he's not at a bar somewhere getting drunk as his desire.

Qin: That would be weird.

Xenia: Yeah.

We then found him in the park sitting on a bench mumbling to himself.

Me: Shinnosuke?

Shinnosuke: Hey guys.

Xenia: Are you okay?

Shinnosuke: Thinking about Tamaki.

Tamaki: I'm right here Shinnosuke.

Shinnosuke Tomari: I still think it's weird that we share the first name

Me: Even though you both share the same first name you are in no way biologically related.

Shinnosuke Tomari: I know.

Shinnosuke: I miss the way things were before this whole mess began. I just want things to be right with Tamaki. But I let my greed and selfishness get the better of me.

Me: Come on Shinnosuke, you made a mistake. But if anyone is to blame for your actions it's the Noto Council. They made you that way.

Sononi: Yeah my former brethren did that to you.

Shinnosuke: No. They didn't cause my friction with Tamaki. I did. Why, Tamaki? WHY CAN'T THINGS GO BACK TO HOW THEY WERE BEFORE?!

Me: Shinnosuke time heals all wounds.

Shinnosuke: NOT FOR ME! I WANT MY LIFE WITH TAMAKI BACK!

With that, he was surrounded by an energy circle with the Battle Fever logo and turned into Sekaiki from episode 49 of Donbrothers!

---

In his early appearance, Shinnousuke is flirting with Sononi at a part of the city, when his girlfriend Tamaki caught him cheating on her. He runs away and Tamaki is upset and chases him until she trips and then she cries for the heartbreak he caused her

Tamaki entered the Donbro Cafe along with her boyfriend, Shinnosuke. However, Shinnosuke is quickly flirted by Haruka and Sononi, which caused her to be mad at him and ran off while Shinnosuke tries to go after her. Outside, Shinnosuke chased after Tamaki and tries to make amends with her but her desires for someone to look at and pay attention to her, causes her to turn into the Changeman Hitotsuki, Dengekiki. This also caused Shinnosuke to turn into a Battle Fever J Hitotsuki, Sekaiki.

Sekaiki and Dengekiki then start attacking when The Donbrothers arrived to stop them. While the Donbrothers fight the two Hitotsuki, the Noto Generals clash. Tsuyoshi, angered at the affection occurring all around him, angrily attacks Shinnosuke, only for him to be absorbed by Tamaki. Taro fights Tamaki in exchange, only for him to be absorbed by Shinnosuke

---

We gasped!

Me: Sekaiki the Battle Fever J Hitotsuki! I knew it!

Qin: WHOA! This is gonna be brutal!

Lola :Yeah!

Me: And I remember this guy! Shinnosuke was pissed that he couldn't get Tamaki back and he turned into this!

Xenia: Geez!

Me: Shinnosuke! You helped Tamaki get back to her senses and she became a member of the Donbrothers! You should be proud of her for that.

Sekaiki: I am proud of her. But I want her back with me forever!

Masao Den: Not like this! Fever!

He spun around, turning into Battle Japan.

Me: Shinnosuke, you don't have to be away from Tamaki ever again. Now you BOTH can be Donbrothers!

I fired a wave of light and separated Sekaiki from him!

Shinnosuke: (GROANS) What hit me?

Me: That!

He saw Sekaiki!

Shinnosuke: Oh man!

Me: But it's not too late for you.

I gave him a Donbrothers Gun and gear.

Tamaki: Now it's your turn Shinnosuke.

Shinnosuke: Lets take him down together!

Me: That's the spirit!

Me, Nico, Lyra and the Donbrothers: AVATAR CHANGE!

We transformed!

Sonoi: Absolute Integrity and Perfection Personified! SONOI! ソノイ

Sononi: A beautiful Rose has its thorns… Looking to know love! SONONI! ソノニ

Sonoza: When my interest is caught, nothing gets in the way! SONOZA! ソノザ

All 3: The 3 assembled! The Noto Trio!

Shinnosuke: This is awesome! Thanks!

Tamaki: Now we both can be together.

Lola: Yep.

Me: Lets get him!

I fired waves of energy and blasted Sekaiki all over the place.

By generating yellow energy with his hands, Sekaiki absorbed nearby civilians

I snapped my fingers and teleported them back.

Qin: Nice try!

Me: Now feel the power of BATTLE FEVER BRAZIL!

I flared up the power of Brazil and fired waves of soccer balls and they hit Sekaiki and exploded all over!

Me: Okay then! I love a good dance! BATTLE FEVER IRELAND!

I flared up the power of Ireland!

(THE DAWNING BY RIVERDANCE PLAYS)

I was dancing as Celtic energy swirled around me and I was really doing well.

I was punching and kicking Sekaiki as I was dancing and I was blasting him all over the place too!

I was really letting him have it!

I then punched him down with a powerful punch!

Me: YEAH!

Everyone cheered for me!

Qin: WOOHOO!

Laney: That was awesome dancing!

Natilee: (Irish Accent) That was absolutely superb lad!

Poromon: I want to dance too!

Nico: Go for it Poromon!

Me: All right! BATTLE FEVER SCOTLAND!

I flared up the power of Scotland!

Scotsman: (Scottish Accent) Aye! This calls for some music from me native land now!

He pulled out his bagpipes and started playing Jig.

Me, Lincoln and the Loud's and Lucille were dancing to the song and so was Poromon and then we kicked pulverized Sekaiki all over the place!

Nico: ALL RIGHT!

Qin: That was awesome!

Lucille Loud: (Scottish Accent) Aye that was most fun now!

Woody Woodpecker: (Scottish Accent) That was so fun lads!

Qin: Yeah it was!

Admiral Natalie Troy: This calls for some sailor music!

Sekaiki: You're not dancing me off the stage!

Shinichi: I'm sure we will. Avatar Change!

He turned into the Blue Kiramager!

(DRUNKEN SAILOR BY THE IRISH ROVERS PLAYS)

Qin: OH YEAH!

Xenia: YEAH!

Lola: OH YEAH!

Me: Now here is my favorite! Every time I hear this song I always get hungry for pizza. BATTLE FEVER ITALY!

I flared up the power of Italy!

(TARANTELLA NAPOLETANA PLAYS)

I danced to Italian Music and pizzas swirled around me and I fired waves of energy and blasted him all over the place with scalding hot pizzas.

When it was done I did a standing ovation as he was knocked down!

Me: YEAH!

EVeryone cheered wildly!

Delizia: (Italian Accent) FANTASTICO!

Francesca Giordano: (Italian Accent) That-a was most-a magnificent!

Lynn: I hope those weren't the pizzas I made yesterday!

Nico: No those were illusion pizzas that felt real.

Lynn: (LAUGHS) Good and that was cool!

Qin: It sure was.

But then the sky suddenly got so dark.

Me: Whoa! LOOK!

We saw a total solar eclipse!

Nico: A Total Solar Eclipse! Cool!

Then as the sun was completely blocked out we saw a figure come out and it was LUNALA!

Nico: WHOA! Lunala!

Me: Wow! The legendary Moon Pokemon!

Camie: So awesome!

Lunala: (In a girls voice) I saw all your dancing! Awesome job guys!

Nico: Tsuki Serenade! Awesome!

Qin: Awesome!

Lunala: Yep. We can catch up later. I want to get some shots in.

She fired a powerful beam of blue energy and it hit Sekaiki and blasted him down.

Ernie threw a bag of nickels at him… and it hit him in the groin.

Me: (Winces) OOH! OUCH!

Crumplezone: Nice!

Ernie: I was honestly aiming for his chest.

Nico: That was funny!

Qin: Yeah!

Me: You know Ernie you should have done that to Peter before we gave him the Black Gates.

Ernie: That would be funny.

Xenia: Yeah.

Lola: Yeah!

Lunala fired a blast of energy and it hit Sekaiki in the chest and blasted him down.

Ernie: But after everything he caused, doing that to him would've been light.

Me: You could have just hit him with something heavier like an anchor.

Ernie: True.

Qin: Shall we finish this guy off?

Taro: With pleasure!

Me, Nico, Lyra, the Donbrothers and the Knights of the Friendship Table: SOLAR SYSTEM OF FRIENDSHIP!

We formed a Solar System and fired a wave of energy and it hit Sekaiki and he exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead! I caught the gear for the Battle Fever J rangers!

Me: YEAH! Sekaiki you have failed this city!

Donbrothers: DEMON ELIMINATION COMPLETE! ALL'S WELL THAT ENDS WELL!

Nico: YEAH!

Lunala: That was so fun!

She reverted back and Tsuki was a girl with blue hair and had blue eyes and she had a blue moon in the middle of her forehead and she had blue moon angel wings and had blue clothes and had a blue moon sword.

Tsuki Serenade: That was awesome and fun!

Lola: Yeah it was!

Highbrow: What's your favorite memory of Nico?

Tsuki Serenade: My favorite is when me and Nico were under the moonlight by the ocean and I demonstrated my power called the song of the siren and I summoned mermaids to us and they were amazed. We had an awesome talk with them and it was awesome.

Nico: That's right.

Qin: I remember seeing that. That was so cool.

Qin: That sure is awesome.

Allie Wilde: Wow that is so awesome.

Nico: No kidding.

Nico and Tsuki hugged.

Nico: I've really missed you.

Tsuki Serenade: Me too Nico. Me too.

Nico: Now it's time for us to get ready. Flurry Heart's big mission is today.

Cadance: I'm so excited for you Flurry.

Flurry Heart: Me too mom. This is gonna be so awesome.

Lola: It sure is.

RD Lana: Guys, Michael said we have to meet him, Rui, and Wes at the front of Dr. Kaminko's house.

Nico: Why?

RD Lana: They need to pick up Jovi there.

Nico: Okay. Lets head back to the estate and get ready.

We went and did so.

We got our stuff ready and more.

The Previous group came.

Rojo: Can me, Merman, Juggernaut, Titania, Whiger, Hank Scorpio, Tala, Zzzax, Evil-Lyn and Aqueduct go with you guys?

Nico: Yes you all can come with us.

Qin: This is gonna be so fun and awesome.

Lola: Yeah it sure is.

Xenia: Looking forward to it.

Leozack: Boss, which Gene slammers do you think you'll meet next?

Nico: We already met gene-slammers for the Ultra Beasts on Flurry Heart's Ambassador Mission. So next up will be Necrozma, Magearna and Marshadow.

Qin: Ooh! That will be awesome.

Xenia: Yep.

Lola: Cool.

Then Nico's Shen Gong Wu detector started beeping.

Nico: Shen Gong Wu just found.

He looked at what it was and it was the Mantis Flip Coin.

Nico: Mantis Flip Coin! Whoa!

Camie: Awesome! What does that one do?

Me: You flip it like a regular coin and then grab on to it and it flips oy into the air like a somersault.

Omi: (Tibetan Accent) That is correct.

Nico: And scans show that it's located in Phoenix.

Qin: Neat!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Luna Enoch, one of the members of The Ghostrick Destroyers, and she's heading here to kill The Ghostrick Guardian Angels. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and we got news, Raven: as we guessed it, Luna Enoch, one of The Ghostrick Destroyers is heading here to kill you all.

Dina Mabrouk: (Egyptian Accent) Just as we expected, but we'll be ready for her, and she'll suffer the same punishment back in the castle of The Michigan Supernatural Defense Force after we get rid of Nascour and send him to The Black Gates.

Crash Bandicoot: That blood-sucking fanatical religious zealot's already a dead vampire walking once she shows her ugly face.

Inuyasha: Don't forget what she also did in bringing back The Band of Seven this morning, she's got a lot to answer for that one.

Nico: You got that right. Alright, gang, let's go, it's time to help Michael and Rui bring an end to The Cipher Organization once and for all.

Lincoln: And send that pathetic monster, Nascour, to The Black Gates where he rightfully belongs, and once we get done with

Nascour and The Cipher Organization, you're next, Luna Enoch.

Dina Mabrouk: (Egyptian Accent) You better be ready to die, Luna Enoch, because you deserve no such mercy from any of us for trying to kill us seven years ago, nor do you even deserve to live a single second further, you religious fanatic and zealous heretical demon!

Lincoln put up a rainbow energy field around The World Tree Estate and we headed to Arizona to help Michael and Rui put an end to The Cipher Organization and send that monster, Nascour, to The Black Gates for good, and once we got done with that monster and his organization, Lincoln, Dina Mabrouk, Flurry Heart, and Crash Bandicoot are going to destroy Luna Enoch of The Ghostrick Destroyers and make her pay for her crimes.

We were off to Phoenix, Arizona.

## PHOENIX, ARIZONA

We arrived.

Me: We're here.

Flurry Heart: Wow! Awesome seeing this place again.

Qin: Yep.

We landed.

Juggernaut: Hey, guys!

Michael: Hey you all made it!

Wes: Awesome timing.

Me: Like we would miss this.

Camie: Nope.

Varie: Yep.

Michael: We're off to Dr. Kaminko's house to pick Jovi up.

Rui: Yeah.

Qin: We'll follow you guys there.

Rui: Okay.

Nico: Lets go.

We were off to Dr. Kaminko's house.

We arrived and went into the lab.

Me: Whoa.

Nico: This looks like a mad scientist's lab.

Michael: Relax. Dr. Kaminko might be odd. But he's not a bad guy.

Rui: Yeah Dr. Kaminko is a really nice scientist.

May: Boy he sure does it all in here.

Qin: No kidding.

Rin Nohara: Just as long as it's not anything like Orochimaru.

Qin: Yeah.

Chobin: You all must be yet more burglars! Why are there so many burglars? Chobin will put you straight! Don't you move!

Nico: You must be Chobin.

Chobin: Yes! Chobin am I! And Chobin is the number-one assistant to Dr. Kaminko! Chobin is still the only assistant, so Chobin has to be the number-one assistant!

Nico: Chobin, we're Team Loud Phoenix Storm. We're here to pick Jovi up.

Me: That's right.

Chobin: Chobin will not be fooled by your lies. Consider yourself lucky that Chobin did not bring the Robo Groudon out here!

Chobin sent out Sunflora, Gyarados, Jumpluff, and Tropius.

Me: Sunflora, Gyarados, Jumpluff and Tropius. Awesome choices.

Nico: Guess we're doing this the hard way.

May: Any Shadow Pokemon among them?

Michael: (laughs) Chobin never uses Shadow Pokemon. This is something he usually does whenever I visit. But it DOES give my Pokemon a good warmup.

Nico: So I see. Then time for the legendary Pokemon to come. DIALGA, PALKIA, GIRATINA!

He summoned the legendary Pokemon of Time, Space and Dimensions!

Nico: What do you think of my awesome Pokemon?

Gyarados' response? It used Hyper Beam on Dialga.

But the Hyper Beam had no effect on a powerful legendary Pokemon Like Dialga.

Nico: Attack!

They fired waves of energy and blasted down all 4 Pokemon.

Chobin: I don't believe it! You really ARE Team Loud Phoenix Storm!

Nico: That's what we were trying to tell you.

Chobin: I'm so sorry.

Nico: It's all right and I assure you we are not burglars.

Me: Nope. We're the most powerful force in the entire universe.

Rui: It's true Chobin.

May: Boy this reminds me of when Ash met my brother Max.

Max: Boy I remember that May. I was a really arrogant guy.

Chobin: Chobin apologizes. Chobin wishes you spoke right away.

Nico: No worries. Is Jovi here?

Jovi: I'm right here.

Jovi came out.

Jovi: It's awesome to meet you Team Loud Phoenix Storm.

Qin: Same here to you Jovi.

Xenia: Yeah.

Flurry Heart: It's my big day mission today.

Chobin: Wait. You are going to Citadark Isle?

Nico: Yep. To take down Cipher.

Me: Yep. Our target is Nascour and we're going to make sure he pays big time for his crimes.

Chobin: Chobin wishes to go with you too! You are taking the Robo Kyogre, yes? That is the creation of Dr. Kaminko. So, it is only fair if Chobin goes with you all with its' fellow Robo Pokemon, Robo Groudon.

Me: You got it.

Flurry Heart: I'm going after Shadow Mewtwo. I want to catch that one. I am the princess of light and I will make sure he is purified.

Nico: Yep.

Qin: We're going to put an end to this madness forever.

Chobin: Give Chobin a moment to prepare the Robo Groudon.

Nico: Okay.

Me: Oh right we owe you guys big time for helping out against the Amoeba Boys in the world of Powerpuff Girls Z.

Rui: It was no problem.

Michael: Those guys were absolutely pathetic.

Me: Well they aren't called the most pathetic of all the Powerpuff Girls enemies for nothing. They can't do ANYTHING right.

Xenia: Yeah no kidding.

Michael: I used Muk because of it being similar to the Amoeba Boys.

Me: That was awesome and clever.

Flurry Heart: It sure was.

Me: But just like their prime universe counterparts they are very pathetic.

Michael: I can see why. Oh we heard about Burns and Crocker biting the dust. Awesome job!

Lola: Thanks guys.

Camie: That was awesome.

Rui: Also are Both versions of HIM gone too?

Me: Yep. They are now a completely forgotten memory. The Apocalyptic Future they caused and were going to cause has been averted and prevented.

Michael: That is awesome!

Qin: YEp.

Chobin: The Robo Groudon is ready.

Michael: Let's go to the Pokemon HQ Lab then.

Nico: All right then. Lets go!

We were off to Pokemon HQ.

We arrived and we were in the lab of Professor Krane.

RD Sam Sharp: Hi, Professor Krane!

Professor Krane: Team Loud Phoenix Storm! Welcome!

Xenia: Glad to be here.

Me: Awesome to see you again professor.

Professor Krane: Same here and congratulations of defeating Burns and Crocker and HIM too.

Me: Boy news sure spread fast like wildfire didn't it?

Professor Krane: It sure did.

Xenia: That was so awesome.

Camie: Yep.

Hank Scorpio: You guys also don't have to worry about Dark Eddy either.

Nico: Yep. Eddy blasted him through his heart and chest and my curse banished him to the Black Gates.

Eddy: And I used the line from Terminator.

Qin: That was so cool.

Luan: Yeah it was!

Camie: That was awesome.

Viceroy: Michael, I think Stewie has a new invention for your Flareon.

Michael: Really?

Stewie: It's something that can enable Flareon to shift between its' evolutions.

Michael: Interesting.

He put a collar on it.

Stewie: This is my Eevee Evolution collar. It turns an Eevee into any of its evolutions.

Qin: Cool!

Flareon turned into Vaporeon, then Jolteon, then Leafeon, Then Espeon.

Xenia: Awesome!

Espeon turned into Eevee.

Zzzax: It works!

Nico: It sure does!

Qin: Well done Stewie.

Stewie: Thank you.

Rui: That is so cool.

Nico: Yep. William's Eevee can do that too.

Lola: Yep.

Xenia: So awesome.

(DANCE OF THE SUGAR PLUM FAIRY PLAYS)

Poromon came out in a fairy costume with 4 bottles of beer.

Poromon: (to Michael and his friends) Hello there! I'm the beer fairy! Come to give you guys 4 bottles of beer!

Fellbat: Yeah, this is one of the many fun things the mascots like doing.

Nico: Yep.

Rui: Oh Poromon is so cute dressed like that.

Qin: He sure is.

Rui: But Poromon we don't drink.

Michael: Yeah we are too young.

Me: But you're never too young for this.

I pulled out my cooler and gave them bottles of root beer.

Rui: Root beer! Awesome.

Xenia: Yep.

Poromon did puppy eyes.

Aqueduct: What about you, Eevee?

Eevee: (Shakes head for no)

Nico: Poromon don't do the puppy dog eyes like that.

Lola: Yeah.

Michael: So, what's it like in Gotham Royal York?

Terrence: It's got lots of Pokemon too. And other cool stuff!

Me: Wes and Rui have been there before and it's a really cool place. Loaded with cool stuff.

Horsea: And lots of not so cool stuff too. LIKE THE BLOOD AND HONEY MOVIE! (shows trailer close to Michael's face) LOOK AT IT!

Michael: WHAT THE!?

Me: Oh for fucks sake!

UCH! ROUNDY SPINNY THING MAGISWORD!

I calmed the mascots down.

Rui: I've heard about the Blood and Honey Movie. Never will I ever see that movie.

Xenia: Me neither.

Me: It's a dark version of Winnie the Pooh. He and Piglet went feral and turned into psychotic killers and went on a killing spree.

Then Princess Luna, Ellie Martin and Blossom Z went to a trash can and hurled their guts out.

Michael: Do I even want to know what happened to the rset of Pooh's friends?

Evil Lyn: Rabbit, Owl, Kanga, Roo, Tigger, and Gopher are unclear. But Eeyore…

Me: You don't want to know what went down. Hence why Princess Luna, Blossom and Ellie are hurling.

Qin: Yeah.

Lola: Yep.

Michael: You need to beat the crap out of whoever made this!

Skarr: No asking us to give them the Black Gates?

Michael: The Black Gates would be too quick!

Me: Whoa whoa whoa! Michael no! The movie is not real. Also we would never do that to innocent people.

Nico: That's right! As much as we want to beat the living crap out of the people who did that movie, they are innocent people and we

NEVER go after the innocent people.

Xenia: That's right.

Michael: You're right.

Edies then came.

Michael: Eldes. Thanks for coming.

Eldes: (smiles) It was my pleasure, Michael.

Tala: You must be Eldes. One of Greevil's sons.

Eldes: And the only one to get my father to give up the Cipher crusade. Unfortunately, Nascour has continued it.

Me: That's why we're here. To destroy Nascour.

Xenia: That's right.

Camie: We'e going to make sure he pays big time.

Eldes: I will help as well. However, I only have my Flygon and Ninjask.

Eret: Those can do nicely.

Me: Awesome.

Nico: We'll need all the help of all the Pokemon out there including Arceus.

Qin: Good idea.

Me: Oh by the way have you seen a strange Chinese coin here?

Rui: Oh that?

She pointed to the Mantis Flip Coin! It was on a table.

Me: There it is! The Mantis Flip Coin.

I went over and picked it up.

Me: Perfect.

Rui: Is that important?

Me: Yes it is.

Whiger: Where'd you find it?

Rui: Buried under a rock in Sedona.

Qin: Wow.

Nico: Thanks for finding it for us.

Lola: Yeah.

Michael: How's Jackie?

Bubble Man: She's doing fine.

Me: Yep.

Michael: Great.

---

Michaela Artorgius: Oh man, I knew it was only a matter of time before he told everyone that story.

Me: Yep. So, Michaela, what other memories did you have with Lincoln?

Michaela Artorgius: Oh man, I was hoping you'd ask that. Well, there was this one time, Lincoln and I went to Lake Huron with the rest of The Royal Woods Knights of The Michigan Table for a time of rest and relaxation along with doing some more training and working out. But, then, we heard a loud belch in the air and we caught the stench of unwashed feet and B.O. along with limburger cheese and chum in the air, and we knew who it belonged to: none other than Lincoln's overly competitive, super aggressive, belching, farting, rude, disgusting older sister, Lynn, and one of the enemies of our order, and she was still out for blood even after we defeated her, and she was ranting like crazy that all she now wanted was our heads on a pike and then she'd kill everyone in her path. Lincoln had enough of Lynn's super violent and disgusting behavior and he called her out on it, he called her a violent, out of control, miserable, disgusting gross pig who had destroyed the bonds she had with her family, and for what, to be Number One in everything and kill anyone who got in her way. Then, he revealed he had on a microphone which was hidden in his hair and it recorded everything that Lynn said, and when she saw it, her face went pale and she had shock on her face when the rest of her family showed up after hearing the video and they were pissed at Lynn big time. Lynn, realizing she was made a fool out of, belched with extreme wrath and rage and she ran after us on all fours to kill us, but Lincoln and I fired chains of holy light which bound Lynn and we also put a muzzle on her, and then, she was put in Vanzilla and dragged back to The Loud House to face her doom: grounded for twenty-one weeks and she was thrown in a cage in her room with a straitjacket and muzzle to shut her big fat mouth.

Me: Oh man, I remembered that day all too well, and Lincoln did quite an awesome job with hiding a microphone in his hair along with a camera.

Lincoln: Lynn never saw it coming, and in the end, she got caught big time with her threat, and she got punished big time.

Joan Delenney: Indeed she did.

Inuyasha: Lynn, sometimes, that dark side of yours is insensitive, boorish, rude, disgusting, and has plain lousy table manners! If I was there, I'd give that pig the beatdown of her life and rip her in two.

Nico: 'Fraid that was taken by J.D. when he first encountered that pig during Packing Day years ago.

Lincoln: And me when she attacked me and Miyuki.

We arrived at Citadark Isle

Nico: Here we are. Citadark Isle.

Me: Scary place. Looks like a true volcanic fortress island from hell.

Xenia: Yeah.

Flurry Heart: No kidding.

Xenia: But it's fitting for him.

We went to the entrance and we saw ARDOS!

Michael: Ardos. I should've known you were still lurking around.

Ardos: I told you, boy. Cipher will never die.

Eldes: Are you even listening to yourself? Cipher has fallen two times so far. Are you that delusional that you're willing to join Nascour over our father?!

Ardos: I'll do whatever it takes to ensure Cipher's survival. Even if it means crushing all that stands in my way!

Ardos sent out Kingdra, Alakazam, Heracross, Sawk, and Throh.

Nico: Kingdra, Alakazam, Heracross, Sawk, and Throh

Rui: (gasps) The Sawk and Throh are Shadow Pokemon!

?: Nothing we can't handle!

Julie Carolina: I know that voice!

Out came Sarge, Carolina and the Red and Blue Teams!

Sarge: We'll hold them off! You guys stop Cipher!

Me: Thanks Sarge!

Flurry Heart: First this! SNAG BALLS!

She fired 2 Snag Balls and caught the Sawk and Throh!

Ardos: NO!

We went into the lair.

Julie Carolina: Let me help you guys!

Ardos: (Cipher Peons appear) You all are not going anywhere! Take them!

Gonzap: (smirks) Ya boys heard him! Take em!

Half of the Peons started punching the others. Ardos looked back at them in shock.

Ardos: What are you doing?!

The half that started fighting took off their helmets, revealing that they were Snagum members.

Biden: (to Gonzap) Boss, you and Wakin go with the others to fight Nascour! We'll hold them off!

Eldes: (to the Reds and Blues) Let me help you fight Ardos as well.

Sarge: Thanks!

They went and helped out.

We went in. Wera Vann came in.

Nico: Thanks for coming, Wera Vann.

Wera Vann: No problem Nico.

Qin: This is gonna get brutal.

Wera Vann: I have a plan.

Me: Lets hear it.

Wera Vann: Michael, you, Wes, Rui, and Missy go with me to confront Nascour first. We need to snag the Shadow Mewtwo before the true battle begins.

Nico: That's brilliant.

Xenia: Yeah.

Later they went in and stood before NASCOUR!

Nascour: Ah, Wes. How long has it been since we last saw each other? And you brought your girlfriend, your successor, Wera Vann, and the girl that can turn into a Mewtwo.

Wes: Damn straight.

Rui: This time, Nascour, you'll pay for what you've done!

Michael: We won't let you get away for all those Pokemon that are suffering because of you!

Nascour: Hmph. So stubborn. It reminds me why you 3 were the thorn in Cipher's side… although, Team Loud Phoenix Storm may be on the verge of claiming that title. I had no idea that mere children would pursue me this long.

Missy: We're special people. The ties between us and our Pokemon along with each other have allowed us to overcome all the trials that were thrown at us.

Wera Vann: And they've even brought out the best in people.

Nascour: Lovrina, Venus, Snattle, Ein, Dakim, Gorigan, and the Hexagon Brothers. Team Loud Phoenix Storm alone has helped you fools turn my subordinates against me.

Michael: Don't forget the ONBS kids did a lot of help for him.

Wes: And Snagum. Heh. Never though I'd respect them for anything again. Funny how things work out.

Rui: And now, they have the three of us supporting them!

Nascour: True. I see Swartz should have finished them when the first chance arrived. However, my Shadow Pokemon plan isn't finished yet. The final act is about to unfold. And since you fools have the guts to approach me, I think you've earned the right to know what I have planned.

Michael: We already know. The creation of a Shadow Pokemon immune to purification.

Nascour: That was the first step. Next, I plan to create an army of Shadow Pokemon that work independently on my orders alone. Even more greater than what Evice and Greevil planned to do. When this second step is done, I will take over the world without having to rely on bothersome people. (dome opens up) And now… Let me introduce you to my faithful servant. The one that shall become the central figure in my Shadow Pokemon army. Come forth, XD002!

A dark cloud entered into the dome. Wes and Michael's eyes widened as they saw a black colored Mewtwo appear.

Rui: W-what is that thing?!

Nascour: Code name XD002… Now freed of all adjustments, I present to you Shadow Mewtwo! This Mewtwo is the second of the Shadow Pokemon that cannot be purified.

Rui: Th-that dark aura… it's worse then any of the other Shadow Pokemon… it feels like… I'm staring straight into the abyss…

Michael: Rui? Are you okay?

Rui: Ah… my… my legs feel weak…

Nascour: Now, let us celebrate the completion of my Shadow Pokemon plan in advance! Fall prey to Shadow Mewtwo!

Michael: We'll see about that!

Nascour: Mewtwo is a legendary Pokemon. And as the ultimate Shadow Pokemon, it has become even more powerful.

Michael: That may be… but you're not the only one with legendary Pokemon. Go, Lugia!

Wes: And Ho Oh!

Michael's Lugia and Wes' Ho Oh came out.

Nascour: Ah, the one who was called XD001 and its' counterpart. But like I said, mine is modified to be superior. You stand no chance.

Missy: (clothes get tight) They're not doing this alone!

She turned into MEWTWO HERSELF!

Missy: You will not get away with this.

She used her psychic powers and smashed the Shadow Mewtwo all over. Lugia and Ho-Oh blasted Shadow Mewtwo all over.

Despite Lugia and Ho Oh's best efforts, Shadow Mewtwo defeated them easily. Even Missy in her Mewtwo form stood no chance against it as she kneeled on the ground. And she reverted back and her clothes were back on.

Nascour: So, what now, Wes? What other Pokemon do you and Michael have to fall pry to Shadow Mewtwo?

Wes: None. We have no other Pokemon that stand a chance against that thing. I won't hurt them in a losing battle.

Michael: Even our strongest Legendaries can't match it.

Nascour: (laughs) How blunt. But also, true.

Rui: Wes, Michael, we have to do something! Are you two truly… giving up? After all we've done?

Wes: (throws a Pokeball into the shoulder pad of the Snag Machine) Give up? Why? We've already won. (Pokeball appears in his hand. Go! Snagball!

He threw it at Shadow Mewtwo. But the Pokemon batted it away with a psychic blast. It hit the ground hard in pieces.

Nascour: (laughs) Was that your best attempt at a snag?"

Missy: (smirks) No. That was a distraction.

Nascour: What?

Wera Vann: Do the entrance now, guys!

Then the spirits of all the Pokemon came and they swirled around him and then converged and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above them and a Phoenix Cry was heard and fireballs blasted the Shadow Mewtwo all over.

Then we landed.

Me: Nascour prepare to die!

Flurry Heart: Go! Snagball!

Flurry Heart threw the Masterball he received from Krane. As Mewtwo turned its head, it opened up and a hand snatched up Mewtwo, pulling it into the ball. It closed and hit the ground.

Nascour: What?! No! Mewtwo, break free!

The Masterball vibrated.

Flurry Heart: It can't! That's a Masterball! It has a 100% catch rate! Curtesy of one Professor Krane!

It vibrated again.

Wes: I knew we could never beat Shadow Mewtwo in a fight. We just needed to get your attention long enough to let her get her Snag Machine ready.

Three vibrations.

Click

Flurry Heart: Gotcha!

Nascour: No! Mewtwo!

Flurry Heart: Are you guys alright?"

Michael: Yeah. But next time try not to keep us hanging.

Flurry Heart: Heh, heh… sorry. Ed had to go to the bathroom.

Rui: B… better late than never. But was this really your plan from the beginning, guys? You could have told me…

Michael: It was honestly Nico's idea. After all, the whole thing started when I met Flurry Heart. I know how capable she is.

Flurry Heart: Thanks. Really. I'm honored with all the faith you have in me…

Michael: That's what friends are for, right?

Nico: Yeah.

Nascour screamed in rage as he punched the ground.

Nascour: How dare you, child! How dare you snag my Shadow Mewtwo! My one loyal subject!

Girl Jordan: You probably should've made it more difficult to capture.

Nascour: (to Girl Jordan) Shut your mouth. You are just to blame for this!

Girl Jordan: What did I do?!

Nascour: It was your argument with Chan back in 2021 that led to the creation of these so called Ambassador Missions! Otherwise, my plans wouldn't have been foiled! That makes you partially responsible for me losing my most powerful servant! There's nothing left! But I will personally see to the total destruction of your Pokemon! (takes out 6 Pokeballs) Fall!

Nascour sent out Gallade, Magmortar, Rhyperior, Virizion, Cobalion, and Terrakion.

Me: WHOA! Gallade, Magmortar, Rhyperior, Virizion, Cobalion, and Terrakion!

Rui: (gasps) All 6 of them are Shadow Pokemon!

Nascour: That's not all I have! Craterites!

An army of Craterites appeared.

Me: Craterites! Now we're talking!

Xenia: Yeah!

I fired waves of lightning and blasted many of the Craterites all over.

Xenia: YEAH!

Then the Craterites jumped Michael and friends.

Michael and his friends lay defeated at the hands of the Craterites.

Nascour: (smirks evilly) I guess I don't need Shadow Mewtwo to kill you fools after all. Just my remaining 6 Shadow Pokemon will do!

I punched Nascour in his face!

Me: You just love hearing yourself talk don't you!

Poromon: (pecks a Craterite) Only 3 of those are Legendary! The other 3 are normal!

Poliwag: (slaps a Craterite with his tail) We have to do something!

Flurry Heart got an idea.

Flurry Heart: (to everyone watching) Everyone out there! Lend Michael and his friends your strength! They get stronger with your support! When I give the signal, share your energy with Michael and his friends! Okay? Ready… go!

Everyone in the audience began sharing their energy with Michael and his friends. And soon, Michael found the strength to get up.

Michael: Your Shadow Mewtwo already got snagged, Nascour. These 6 will be no problem! Jolteon, Thunderbolt!

Jolteon used Thunderbolt on a Craterite, destroying it.

Nascour: WHAT!?

Michael: Thanks for the help, guys!

Rui: I can't believe so many people are cheering for us.

Wes: Especially me, considering that Michael came after me.

Gonzap: It feels good being part of the good guys. Never did like Nascour anyway.

Wakin: Neither did I, Boss.

Chobin: Enough talking. Chobin is ready to dispose of Nascour now.

Me: Lets all kill him!

Flurry Heart: Let me transform with you guys!

Andros: Right, Flurry Heart!

In Space Rangers: Let's rocket! (3-3-5)

They transformed!

Fusion Fighters: Digi Fuse!

Data Squad: DNA Charge!

Tai: Time to Digivolve!

Tamers: DIGIMODIFY! DIGIVOLUTION ACTIVATE!

Hiiro: (Before activating his cartridge device by pressing the black button) Skill Level 2

Taddle Quest Gashat: Taddle Quest!

Taiga: (Activating his Gashat) Tactics Number Two.

Bang Bang Shooting Gashat: Bang Bang Shooting!

Kiriya: (Activating his Gashat) Zero Gear

Bakusou Bike Gashat: Bakusou Bike!

Kuroto: (Activating his Gashat) Grade Zero.

Proto Mighty Action X Origin Gashat: Mighty Action X!

Emu: (Activating his Gashat) Let's do this!

Mighty Action X Gashat: Mighty Action X!

After activating their Gashats, each of the five riders picks up the green and pink boxes and place them on their waists, revealing them to be drivers of some kind.

Hiiro, Taiga, Kiriya, and Kuroto: Henshin!

Emu: Dai Henshin!

With their battle cry invoked, each Rider inserts their Gashats into their belts, closer to the right side.

Gamer Driver (All): Gashat! Let's Game! Metcha Game! Mutcha Game! What's Your Name?! I'm a Kamen Rider!

As the Gashats are inserted, each Rider pulls back the pink part of the Gamer Driver, revealing a screen displaying their suit in low poly form as well as a 90's looking side display reading "Gamer Driver".

Gamer Driver (All) Gacchan! Level UP!

Gamer Driver (Emu): Mighty Jump! Mighty Kick! Mighty, Mighty Action, X!

Gamer Driver (Hiiro): Taddle Meguru! Taddle Meguru! Taddle Quest!

Gamer Driver (Taiga): Ba-Ba-Bang! Bang-Ba-Bang! Bang Bang Shooting!

Gamer Driver (Kiriya): Bakusou, Dokusou, Gekisou, Bosou, Bakusou Bike!

Gamer Driver (Kuroto): Mighty Jump! Mighty Kick! Mighty Action, X!

As these sounds stop, the Riders are finally in full suit. Emu in a pink and green suit resembling some sort of athletic suit, Hiiro in a light blue suit mirroring a medieval knight, Taiga in a dark blue and neon green suit with green hair over one eye, Kiriya in a yellow and pink suit with a helmet resembling the front of motorcycle just not as pointy, and Kuroto in a suit almost identical to Ex-Aid's, only purple and black.

Poppy: Henshin!

With that, Poppy places her Gashat into a slot on the Bugvisor Zwei before pressing a red button next to it

Bugvisor Zwei (Poppy): Gashat! Buggle UP! Dreaming Girl! Wow! Koi no Simulation! Otome wa itsumo Tokimeki Crisis!

As all of this happens, Poppy is surrounded by a primarily yellow and pink armor made to resemble a cross between a school girl and a magical girl with pink hair for the helmet, and blue eyes.

Parado: (Pulls out a Gamer Driver and another Gashat Gear Dual, this time blue and labelled with "Perfect Puzzle" and "Knockout Fighter") Time to get my heart dancing! (Places the Gamer Driver on his waist and places the Gashat Gear Dual in the slot before opening the pink cover) Max Dai Henshin!

Gamer Driver (Parado): Dual Gashat! (As the pink cover is opened) Gacchan! Mazaru UP! Akai Kobushi Tsuyosa! Aoi Puzzle Rensa! Aka to Ao no Kousa! Perfect Knock-Out!

With this action, Paradp is surrounded by red and blue armor with gold lining resembling a Chinese warrior, finished off with heterochromatic eyes: one red and one blue

Parado: Time to clear this battle…

Emu: With Full-Party Co-op Play!

Wes sent out Sudowoodo, Espeon, Umbreon, Meganium, Entei, Suicune, and Raikou. Alongside Jolteon, Michael sent out Delcatty, Lunatone, Primeape, Hypno, Farfetch'd, Altaria, Starmie, Solrock, Poliwrath, and Mr. Mime.

Nascour: (laughs evilly) Ha! This is the best you can offer?! Your Ho Oh and Lugia couldn't defeat me! What makes you think inferior Pokemon can?!

Michael: They're not inferior! Eevee and I have been in this together from the very start. We fought, laughed, cried, and learned together… And together we took down any opponent that stood in our way! We forged a bond stronger than any modification you could have made to any Pokemon!

Wes: Well said. You shut off a Pokemon's heart. But the heart is their greatest strength. It's what connects it to it's trainer. Without that bond. your Shadow Pokemon are just that. Shadows of the great beings they once were.

Nascour: Don't make laugh! My Shadow Pokemon plan is perfect! And I'll prove it by whipping your pets from existence!

Rui: We will stop you. We won't give up after coming this far!

Troy: Well said, Rui!

Tsukasa: And don't forget about our own Pokemon

We all summoned our own Pokemon!

Kamen Ride: Saber!

Kamen Ride: Blades!

Kamen Ride: Espada!

Kamen Ride: Buster!

Kamen Ride: Kenzan!

Kamen Ride: Slash!

She summoned Fireor, Firefly (Ted Carson), Octopus Imagin, Lego Loki, Magma Gloom and Burnis!

Nico: YEAH!

Flurry Heart: Alright, that's it, I've had it up to hear with you to last an eternity, Nascour.

Suddenly, Flurry Heart's light opal eyes turned neon light opal and she was surrounded by a light cerise to grayish violet and light arctic blue energy aura with hearts, crystals, crystal hearts, magic, and Alicorns, she unholstered her massive Flurry Heart's Crystal Heart Alicorn Greatsword of Magical Equestrian Love and Crystal Heart Justice from her back, and as she approached Nascour, she left light cerise to grayish violet and light arctic blue energy, hearts, crystals, crystal hearts, magic, and Alicorns with every step.

Flurry Heart: I will never ever forgive you, Nascour, you enjoyed causing nothing more than pain and suffering to too many innocent people and all for your own sick twisted amusement and desires for world domination, you're just as bad as King Sombra: black-hearted, evil, remorseless, and with an indifference to all life on Earth. And that is inexcusable, as the daughter of Princess Cadence and Shining Armor and Princess of The Crystal Empire and Light, I hereby sentence you to death.

Suddenly, Flurry Heart was surrounded by a massive vortex of light cerise to grayish violet and light arctic blue energy with hearts, crystals, crystal hearts, and magic surrounding the vortex, there's an Alicorn flying around the vortex, and in the vortex is a crystal blue phoenix with red eyes glaring at Nascour: the red eyes of eternal death. Then, as the vortex faded, Flurry Heart emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Flurry Heart grew to 7'4" in height, she has the body of a goddess, she has cerulean blue highlights in the bangs of her long flowing light cerise to grayish violet hair with light arctic blue streaks, she has neon light opal eyes and a light cerise to grayish violet and light arctic blue energy aura with hearts, crystals, crystal hearts, magic, and Alicorns surrounding her, she has an Alicorn with the Crystal Heart on its horn emblazoned on her forehead and Third Eye with cerulean blue iris, she has on Alicorn earrings with purple gems for eyes and the Crystal, Heart, and Eternity Kanjis in its hooves on her ears, she has on her Crystal Necklace of the Buddha with purple gems embedded on the gold heart links and cerulean blue crystals and her Element of Harmony in the center and on the bottom of the Element of Harmony is an Alicorn with purple gems for eyes and holding the Crystal, Heart, and Eternity Kanjis in its hooves for the pendant. Flurry Heart has on a sleeveless cerulean blue dress, blue shoes, and sleeveless long white trenchcoat with crystals on the coattails, and on the back is an Alicorn surrounded by crystals and right on top of its horn is the Crystal Heart. Suddenly, Flurry Heart felt a sharp pain on her back, and then, her massive light magenta gray with tinges of pale, light grayish fuchsia angel wings with light cerise to grayish violet and light arctic blue tips on the large feathers grew much bigger for her new body and her light cerise to grayish violet and light arctic blue curled tail also grew longer. Flurry Heart has on her Ring of the Phoenix with large light opal gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger, and she has her cutie mark on her right shoulder and Stone of Gelel embedded in her left hand.

Suddenly, Flurry Heart's massive Flurry Heart's Crystal Heart Alicorn Greatsword of Magical Equestrian Love and Crystal Heart Justice and all the greatswords and swords she'd gotten began merging together, and they're surrounded by a kaleidoscope of light cerise to grayish violet and light arctic blued energy, hearts, crystals, crystal hearts, magic, and Alicorns, and when it emerged, it's transformed into Flurry Heart's Crystal Heart Empire Alicorn Greatsword of Magical Equestrian Love and Crystal Heart Justice, it's a brand-new large greatsword with embedded light purple gems and her cutie mark and the Crystal Heart etched on the 7'4" massive, wide, double-edged golden blade, large white Alicorn heads for the crossguard, large light arctic blue gem embedded in the rainguard, longer midnight black handle, four large white Alicorn heads with golden yellow gems for eyes and a large purple gem on the bottom of the white Alicorn heads for the pommel, she has on her new large gold cuff Bracelets of The Champions of The Universe with purple gems on her wrists, her Belt of Elemental Bravery with an Alicorn for the belt buckle and white gems for the eyes and a large purple gem in its collar for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a gold kanji below the Alicorn that said, "Flurry Heart, Alicorn Princess of Love, Princess of The Crystal Empire, Loving Granddaughter of Princess Amore, Loving Niece of Princess Celestia and Princess Luna, Loving Daughter of Princess Cadence and Shining Armor, Amazing and Loving Aunt of Twilight Sparkle and Lincoln Loud, Archenemy of Wera Vann, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Destroyer of The Doomsday 23, Defender of Equestria, Ponyville, and Canterlot, Member of The Knights of The Friendship Table, Loving Sister of Michael and Rui, and Master of The Crystal Heart, Crystal Magic, and Love"

We were amazed by Flurry Heart's Super Angel-Alicorn-Harmony Celestial Eternal Xelnaga transformation, but when Nascour saw it, he fell into a demonic rage and fired a blast of darkness at her to kill her, but Flurry Heart fired a magic blast from her horn and it destroyed the dark energy blast, and she fired a powerful barrage of light cerise to grayish violet and light arctic blue energy blasts, hearts, crystals, crystal hearts, magic, and Alicorns at Nascour, and they exploded with incredible power as it hit him, and the positive energy burned him badly, and this really pissed off Nascour now.

Michael: Whoa, so that is…?!

Flurry Heart: (Divine Echoing Cosmic Voice of The Loving Crystal Heart Alicorn Angel and Divine Equestrian Crystal Heart Eternal Love Alicorn Justice) This is my Phase 1 transformation, Michael, to defeat Nascour. My Phase 2 transformation is coming up soon, and against an old enemy of The Ghostrick Gene-Slammers.

Lincoln explained to them about The Ghostrick Destroyers and they were horrified by their crimes.

Rui: That's just awful.

Me: And they're also twenty-two of the most vicious, evil, and sadistic vampires from Transylvania.

Nico: They hate all humans and want nothing more than to destroy them all, along with The Ghostrick Gene-Slammers, they say they're doing this in the name of God.

Lincoln: When in reality, they're merely being driven by bloodlust and a desire for destruction, plus, they've committed too many blasphemies against God, so there was only one punishment for them: death.

Raven Ghostrick: So far, we've killed Ophelia Lazarus, Eloise Kieran, Maeve Kearne, Aurelia Kieran, Olivia Erasmus, Isabella Ezdemir, Sophia Fayez, Alice Gaspare, Carla Gobara, Scottie Ingrumangel, and now, Flurry Heart, Dina, and Lincoln are going to kill the next member of The Ghostrick Destroyers: Luna Enoch.

Nico: COOL!

Qin: WOW!

Emu: Yeah!

Andros: ASTRO MEGABLAST!

They fired a massive wave of energy and the blasts all hit the Shadow Mewtwo Robot and he exploded!

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was down and defeated! Nascour was about to get up.

Flurry Heart then drew the judgement Kanji on his forehead.

Flurry Heart: As the Princess of Light and future ruler of the Crystal

Empire, I hereby sentence you to death by the Black Gates! May you be judged by all those you hurt!

She used the black gates!

Flurry Heart just used the Black Gates on Nascour. But even as he was fading, he still had one last trick to play.

Nascour: (chuckles evilly) Computer, activate XD003. Passcode… Evice! (fades away)

Lola: Is that a new Shadow Pokemon?

Nico: (eyes widen) No. It's a self destruct sequence. The whole isle's gonna blow in 10 minutes!

Me: LETS GET OUTTA HERE!

Church fires a shot from his sniper rifle at Ardos and Sarge fires a short-ranged burst of bullets from his shotgun at Ardos and blasted him down and they tied him up

Julie Carolina: What do you guys wanna do now?

Just then, we ran out near them.

Nico: Guys, the place is gonna blow. We gotta get outta here!

Church: What about Ardos and the rest?

Nico snapped my fingers and Ardos and the rest of the Cipher Peons were teleported safely to jail.

We got out of there fast and then just as we reached the mainland…

**SUPER UNBELIEVABLY MASSIVE AND POWERFUL FIERY EXPLOSION OF UNIMAGINABLE AND INCREDIBLE POWER OF NOVA PROPORTIONS!**

The explosion was so massive, so powerful, so strong and devastating that it shook the entire planet to an incredible level! The blast could be seen for miles and it was equal to 50 gigatons of TNT!

When the smoke cleared, the crater in the ocean was filling up with water.

Me: Unbelievable!

Nico: WHOA! Thank goodness that wasn't on land!

Xenia: Yeah!

Greevil: Well done, everyone.

Michael: Greevil?

Nico: So you were the true leader of Cipher before?

Greevil: Indeed I was. But my son Eldes convinced me to stand down. And for good reason. I lost sight of what was important. I got carried away by that whole Grand Master nonsense. It isn't possible to take over the world by producing powerful Pokemon. (to Flurry Heart) Just look at you. Like Wes and Michael, your pure heart won out over not just XD002 but all the other Cipher Admins as as well. I was in the wrong. Just like Nascour was.

Flurry Heart: I know. Thank you for your words.

Nico: Is it over for real now?

Eldes: Yes. Thanks to your courage, we were finally able to wake up from our nightmare. Thank you. You'll have nothing to fear from us ever.

Nico: Thank you. (smiles) We should battle each other one day.

Eldes: (smiles back) Agreed. The next time we battle, it won't be as mortal enemies. I will look forward to it.

Michael: Good riddance forever, Nascour.

Eli: Your days of trying to take over the world are over, you twisted son of a bitch.

Nico: That's for sure. Alright, awesome job, gang, we're rid of

Nascour and the Cipher Organization once and for all!

Lincoln: Now, there's only one last thing to do, and one last loose end to tie up: Luna Enoch of the Ghostrick Destroyers.

?: YOU FILTHY GHOSTRICK SCUM! YOU SHALL ALL BE DESTROYED IN THE NAME OF GOD!

Dina Mabrouk: (Egyptian Accent) (Growls) I should've known there was no mistaking that voice from anywhere. Get out here right now, Luna Enoch, before things get really ugly!

A girl with black hair, red hairband, red eyes, and dressed in a black coat, white bridal gloves, white shirt, necklace with red gem pendant, black pants, and black knee-high boots with butterfly buckles came out, and it was none other than Luna Enoch, religious zealot and fanatical so-called vampire hunter of The Ghostrick Destroyers who was exposed as a murderous demon and heretic, and one of the twenty-two human-despising vampires from Transylvania.

Dina Mabrouk: (Egyptian Accent) Luna Enoch, I should've known you'd show up here! Lincoln warned you all to never to show your faces again after he kicked you all out of Royal Woods seven years ago.

Luna Enoch: We will never stop, all of you shall be destroyed in the name of God!

Me: You really are a delusional religious fanatic!

Nico: And an infinite-times fucked up one for that matter!

Lincoln: I did say they were absolutely insane and driven only by religious delusions, and for that, I blame their parents for that one. But, the jig's up, Luna, Ophelia already exposed her true self, and that's being one of the twenty-two human-despising vampires from Transylvania.

Dina Mabrouk: (Egyptian Accent) Indeed, and it's high-time we bring this delusional vampire down for good.

Suddenly, Flurry Heart's light opal eyes turned neon light opal and she was surrounded by a light cerise to grayish violet and light arctic blue energy aura with hearts, crystals, crystal hearts, magic, and Alicorns, she unholstered her massive Flurry Heart's Crystal Heart Empire Alicorn Greatsword of Magical Equestrian Love and Crystal Heart Justice from her back, and as she approached Luna Enoch, she left light cerise to grayish violet and light arctic blue energy, hearts, crystals, crystal hearts, magic, and Alicorns with every step.

Flurry Heart: You are indeed everything Raven, The Ghostrick Gene-Slammers, and Lincoln have said you are: irredeemable, unrepentant, remorseless, sadistic, and having a disregard for the lives of humanity. You claim that you were doing this in the name of God, but even I can sense a lie when I see it, you weren't doing this in the name of God, you were doing this because of your hatred for all of humanity, and that is an inexcusable crime that I cannot overlook. Luna Enoch, your crimes against mankind and the world can never be forgiven, as the daughter of Princess Cadence and Shining Armor and Princess of The Crystal Empire, I hereby sentence you to death.

Suddenly, Flurry Heart was surrounded by a massive vortex of light cerise to grayish violet and light arctic blue energy with hearts, crystals, crystal hearts, and magic surrounding the vortex, there's an Alicorn flying around the vortex, and in the vortex is a crystal blue phoenix with red eyes glaring at Luna Enoch: the red eyes of eternal death. Then, as the vortex faded, Flurry Heart emerged, but she was changed forever.

Flurry Heart grew from 7'4" to 7'5" in height, she has the body of a goddess, she has cerulean blue highlights in the bangs of her long flowing light cerise to grayish violet hair with light arctic blue streaks, she has neon light opal eyes and a light cerise to grayish violet and light arctic blue energy aura with hearts, crystals, crystal hearts, magic, and Alicorns surrounding her, she has an Alicorn with the Crystal Heart on its horn emblazoned on her forehead and Third Eye with cerulean blue iris, she has on Alicorn earrings with purple gems for eyes and the Crystal, Heart, and Eternity Kanjis in its hooves on her ears, she has on her Crystal Necklace of the Buddha with purple gems embedded on the gold heart links and cerulean blue crystals and her Element of Harmony in the center and on the bottom of the Element of Harmony is an Alicorn with purple gems for eyes and holding the Crystal, Heart, and Eternity Kanjis in its hooves for the pendant. Flurry Heart has on a sleeveless cerulean blue dress, blue shoes, and sleeveless long white trenchcoat with crystals on the coattails, and on the back is an Alicorn surrounded by crystals and right on top of its horn is the Crystal Heart. Suddenly, Flurry Heart felt a sharp pain on her back, and then, her massive light magenta gray with tinges of pale, light grayish fuchsia angel wings with light cerise to grayish violet and light arctic blue tips on the large feathers grew much bigger for her new body and her light cerise to grayish violet and light arctic blue curled tail also grew longer. Flurry Heart has on her Ring of the Phoenix with large light opal gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger, and she has her cutie mark on her right shoulder and Stone of Gelel embedded in her left hand.

Suddenly, Flurry Heart's massive Flurry Heart's Crystal Heart Empire Alicorn Greatsword of Magical Equestrian Love and Crystal Heart Justice and all the greatswords and swords she'd gotten began merging together, and they're surrounded by a kaleidoscope of light cerise to grayish violet and light arctic blued energy, hearts, crystals, crystal hearts, magic, and Alicorns, and when it emerged, it's transformed into Flurry Heart's Crystal Heart Empire Alicorn

There's a gold kanji below the Alicorn that said, "Flurry Heart, Alicorn Princess of Love, Princess of The Crystal Empire, Loving Granddaughter of Princess Amore, Loving Niece of Princess Celestia and Princess Luna, Loving Daughter of Princess Cadence and Shining Armor, Amazing and Loving Aunt of Twilight Sparkle and Lincoln Loud, Archenemy of Wera Vann, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Destroyer of The Doomsday 23, Defender of Equestria, Ponyville, and Canterlot, Member of The Knights of The Friendship Table, Loving Sister of Michael and Rui, and Master of The Crystal Heart, Crystal Magic, and Love"

We were amazed by Flurry Heart's Super Angel-Alicorn-Crystal Heart Princess-Harmony Celestial Eternal Xelnaga transformation, but when Luna Enoch saw it, she fell into a demonic rage and ran at her with a knife to kill her, but Flurry Heart fired a magic blast from her horn and blocked her attack, but Flurry Heart fired a magic blast from her horn and it destroyed the dark energy blast, and she fired a powerful barrage of light cerise to grayish violet and light arctic blue energy blasts, hearts, crystals, crystal hearts, magic, and Alicorns at Luna Enoch, and they exploded with incredible power as it hit her, and the positive energy burned that delusional vampire badly, and this really pissed her off now as we saw her red eyes turn blood red and her fangs grew longer.

Michael: Whoa, so that is…?!

Flurry Heart: (Divine Godly Cosmic Voice of The Loving Crystal Heart Princess Alicorn Angel and Divine Equestrian Crystal Heart Eternal Love Crystal Princess Alicorn Justice) Yes, this is my Phase 2 transformation, Michael and Rui. And now, it's your turn to transform, Dina.

Dina Mabrouk: (Egyptian Accent) Indeed. This time, you're not getting out of this, Luna, today's the day you die here and now!

Suddenly, Dina Mabrouk's yellow eyes turned neon yellow and she was surrounded by a black and yellow energy aura with stars, darkness, light, shadows, mummies, and angels, she unholstered her massive Ghostrick Mummy's Egyptian Mummy Darkness Archangel Greatsword of Egyptian Darkness Mummy Angel Justice from her back, and as she approached Luna Enoch, she left black and blood red energy, stars, darkness, light, shadows, mirrors, ghosts, and angels with every step.

Dina Mabrouk: (Egyptian Accent) I can already see that time hasn't changed you, you're still the same religious fanatic and zealous so-called vampire hunter who was exposed as a murderous demon and heretic seven years ago along with being one of the twenty-two human-despising vampires from Transylvania. We thought we wouldn't have to deal with you ever again after Lincoln chased you all out of Royal Woods, but as always, you refused to learn your lesson, and you had the nerve to come back after you were explicitly warned. You now have nowhere to run to, Luna Enoch, and now, you shall pay the price for your misdeeds with your own blood.

Suddenly, Dina Mabrouk as surrounded by a massive vortex of black and yellow energy with stars, light, darkness, and shadows surrounding the vortex, there are mummies, angels, and Ghostrick Mummy flying around the vortex, and in the vortex is a red phoenix with blood red eyes glaring at Luna Enoch: the red eyes of eternal death. Then, as the vortex faded, Dina Mabrouk emerged, but she was changed forever.

We were amazed by Dina Mabrouk's Super Angel-Ghostrick Mummy-Mummy-Harmony Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Luna Enoch saw it, she fell into an even more darker and more insane rage and ran at Dina Mabrouk with a knife, this time to stab her in the heart to kill her, but Dina Mabrouk fired a powerful barrage of black and yellow energy blasts, stars, darkness, light, mummies, and angels at the insane vampire hunter and delusional vampire and they exploded with incredible power as they hit her, and this really pissed her off.

Me: Whoa!

Nico: Oh man, Dina's transformed, and now, there's nowhere for that delusional vampire to hide.

Lincoln: No villain's ever been safe, not even from The Mummy Angel of Michigan, and what she had done in casting curses on the villains was literally that powerful, and now, Luna Enoch's going to pay the price for her crimes.

Dina Mabrouk: (Divine Godly Cosmic Voice of The Egyptian Darkness Light Egyptian Mummy Angel Ghostrick Mummy Angel and Divine Egyptian Darkness Light Egyptian Mummy Angel Ghostrick Mummy Love) (British Accent) And pay, she will. Now, let's rip her to shreds, Linky.

Crash Bandicoot: Don't start without me, guys.

Crash Bandicoot unholstered his massive Crash Bandicoot's Skylands Ten Elemental Wolf Draconic Bandicoot Greatsword of Ten Elemental Skylands Justice and Ten Eternal Elemental Skylanders True Bravery from his back and he transformed into Super Angel-Bandicoot-Dragon-Elemental Skylander-Harmony United Friendship Universal Eternal Celestial Xelnaga Ten Elemental Knight Elemental Skylander Draconic Bandicoot Angel of Divine Ten Element Skylands True Hero Knight Draconic Bandicoot Angel Justice and Divine Ten Element Skylands True Hero Knight Draconic Bandicoot Angel Bravery.

Crash Bandicoot: (Divine Echoing Godly Voice of The Ten Skylanders Elemental Draconic Bandicoot Angel and Divine Godly Universal Ten Skylanders Elemental Draconic Bandicoot Angel Bravery) You now have nowhere to run to, you blood-crazed delusional bat.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of

Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Flurry Heart, Dina Mabrouk, and Crash Bandicoot.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) I warned you of the consequences should you and the rest of The Ghostrick Destroyers dare to show up again, Luna Enoch, now it's time we put you down for good!

Dina Mabrouk, Lincoln, Flurry Heart, and Crash Bandicoot went after Luna Enoch, and they fired extremely powerful blasts of rainbow energy, black and yellow energy, light cerise to grayish violet and light arctic blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and

Mermaids at Luna Enoch and they exploded with incredible power as they hit her.

Then, they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and firing energy slashes from his claws and he, Flurry Heart, Dina Mabrouk, and Crash Bandicoot also attacked her with punches, kicks, and karate chops, along with elemental blasts, and this was really driving Luna Enoch mad.

Luna Enoch: You… YOU! (Red Eyes turning Blood Red with slit pupils and vampire fangs grew) I WILL KILL YOU!

Luna Enoch's vampiric nature came out, and now, she was out for blood. Luna Enoch ran at Lincoln, Dina Mabrouk, Flurry Heart, and Crash Bandicoot, and she tried to attack them, but they dodge her attacks, and then, Lincoln drove his massive greatsword into Luna Enoch's stomach, and he began sucking out her vast dark powers, immense strength, and vampiric abilities, and he made them his own. Then, he removed his massive greatsword from her stomach.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, for the grand finale.

Lincoln put Luna Enoch in a brutal bearhug, so she couldn't escape, and then, he began absorbing her into his body as her body was being broken down by the acid released by Lincoln's acidic cells and absorbed into his body, and then, he drained Luna Enoch's soul of her life energy as we saw his rainbow energy fire aura and protective rainbow aura with mythological animals and elemental forces flare up and he was gaining a massive power boost. Then, as soon as he was done absorbing Luna Enoch into his body and then draining her soul of her life energy, an energy card with Luna Enoch's drained soul appeared in his left hand. We cheered wildly for what Dina Mabrouk, Lincoln, Flurry Heart, and Crash Bandicoot did as they holstered their weapons and powered down, and Flurry

Heart's new body, clothes, weapons, jewelry, Third Eye, longer light cerise to grayish violet and light arctic blue curled tail, and massive light magentaish gray with tinges of pale, light grayish fuchsia angel wings with purple tips are permanent and Dina Mabrouk's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, and massive black angel wings are permanent.

Dina Mabrouk: (Egyptian Accent) That's one down and fourteen of these monsters to go, and we're now pissing them off greatly. Thank you for helping us get rid of that religious fanatic and zealous heretical vampire, Linky, you too, Crash and Flurry Heart.

Lincoln: (Smiles Warmly) You're welcome, Dina.

Crash Bandicoot: She did need to pay for what she did, and I'm always happy to help.

Flurry Heart: Same here

Crash Bandicoot and Flurry Heart went back to us, and suddenly, Dina Mabrouk wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Dina Mabrouk's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Ghostrick Mummy flying in the air, and we saw a herd of Buffalo and many animals running across the field as mummies from the sands and flew behind them and we cheered wildly. Then, Lincoln and Dina Mabrouk absorbed the elemental forces and they came back to us as the display vanished.

Nico: Whoa, oh man, now that's what I call a truly awesome fight, Lincoln, Dina, Flurry Heart, Crash, you showed that showed that vampire no mercy whatsoever, and sent her to her death.

Lincoln: She didn't deserve any mercy, I warned them never to show their faces again, but those fools never learn.

Me: And you used The Pillar Men's absorption on her, nice one.

Lincoln: And after I absorbed her body, I drained her soul of all its' life energy, now for the second part of her punishment.

Lincoln sent the soul of Luna Enoch in a cage and he put the curse on her that gave her back her life energy, but once that happened, suction tubes came out and were attached onto her, and then, the suction tubes activated, and Luna Enoch's life energy was being sucked out of her again: she was condemned to that punishment until all of The Ghostrick Destroyers are killed, and it flowed into Lincoln and The Michigan Supernatural Defense Force as they gained a massive power boost.

Nico: (Snickers) That Room of Tortured Souls is definitely a top-notch prison for some of Michigan's most dangerous thugs and criminals.

Lincoln: And the curse I put on them has continued to work for seven years, that way, they can suffer for all eternity of regaining their life energy only to have it drained out of them again and flowing into us. But, if any of them get a little out of hand, I put in a counter curse, should any of them get a little out of hand or try to escape, the counter curse will activate and the life energy they regain from the curse will not only be drained out of them forever, but they'll be sent to The Black Gates forever with help from our stone gargoyles and stone vampire bats perched outside the castle.

Ravenna Amaranth: And Lincoln also put up a new curse: once all the members of The Ghostrick Destroyers are destroyed and sent to The Prison of Tortured Souls and all their life energy has been drained, they will be sent to The Black Gates forever.

Me: Cool!

Nico: So, you'll keep them imprisoned inside the castle's prison until that day comes, nice one. So, Lincoln, which Noble Knight Gene-Slammer are you meeting tomorrow?

Lincoln: Ooh, I've got just the one: we'll be meeting the Gene-Slammer of Ignoble Knight of Black Laundsallyn.

Melanie Artorgius: (Gasps) Awesome, and there's only one person who'd be Gene-Slammed into Ignoble Knight of Black Laundsallyn: Selene Lancelot, and you guys will love meeting her, Selene Lancelot is Lincoln's Guardian Angel from Michigan and she's a very powerful wielder of dark magic and a very powerful swordswoman, and a member of The Royal Woods Knights of The Michigan Table. She trained Lincoln both in the art of swordsmanship and dark magic, and he became a very powerful swordswoman, and she also taught him much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those he loves and holds dear to his heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Selene Lancelot is also a direct descendant of Lancelot.

We gasped.

Me: The traitor of King Arthur's Court in the Arthurian Legend, and the Duel Monster, Ignoble Knight of Black Laundsallyn is a Dark Attribute Duel Monster, so it makes sense.

Katara Chevalierflamboyant: (French Accent) Lincoln made her a black coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Selene Lancelot hates Lisa with a very blazing passion. One day, Selene and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Lisa, and she'd brought with her an army of thugs she hired along with her army of rebuilt robots. Selene Lancelot and Lincoln went out there along with the rest of us, and she'd slain them with her greatsword, The Sword of Malice. It drove Lisa into a blood-crazed fury, but before she could unleash her wrath on us, Lincoln and Selene fired chains of dark magic which bound Lynn and tied her up. Lincoln called Luna, who showed up along with Leni, Luna, Laney, Lucy, Lana, Lily, and the parents, and when we told them of what Lisa did, they were furious.

Nico: Should've known Lisa would do something like this.

Lincoln: I know, I was disgusted that Lisa would do this, but in the end, her plan failed, and Lisa got grounded for eighteen weeks and Selene Lancelot and I casted a spell to make sure she couldn't try to come after us for revenge after she got put in her cage.

Me: Yeah, messing with the descendant of Lancelot and one of the members of The Royal Woods Knights of The Michigan Table will have disastrous consequences.

Nico: Lisa really hated that her greatest "plan" was foiled once again, and she got into even more serious trouble.

Lincoln: She didn't listen to any of our warnings in the past, and look at what happened. And now, for tomorrow, we're going to face off against Charlotte Eliodoro.

Makoto Haruki: (Japanese Accent) Yes, which means you and I will be facing her, Linky.

Crash Bandicoot: And I'll be joining in as well.

Ravenna Amaranth: That's right.

Manta Bayarsh: Looks like Cipher's done for good this time.

Dumbelltron: I hope they won't be back for a 4th time.

Me: Yeah me too.

Marionette Shadow: (to the Reds and Blues) You guys helped too.

Church: We sure did.

Me: We owe you guys big time.

Michael: See you guys on June 7.

Church: We're looking forward to it.

Michael and Church high fived each other.

Electropede: Let's celebrate!

Eagun: First, I would like to share some news.

Black Knight Ghost: What's that?

Eagun: In a few days, I will be reopening Orre Colosseum.

Me: Cool!

Qin: Yeah!

Flurry Heart: That will be awesome. I'll participate too.

Lovrina: Count me in! This time, me and Venus aren't going to lose!

Venus: No, we won't!

Nico: Yeah! But great job today everyone! Cipher's name is now mud and a forgotten memory.

Xenia: That is for sure.

Cadance: Flurry Heart?

Flurry Heart: Yeah mom?

Cadance hugged Flurry Heart and so did Shining Armor and Twilight Sparkle.

Cadance: We're so proud of you sweetheart.

Shining Armor: Our little girl is now an amazing force of good.

Twilight Sparkle: Boy she sure is.

Qin: We're so proud of her.

Xenia: Yeah.

Chobin: A rematch with Michael is very much desired! Chobin will not lose again! The new Robo Groudon is supreme!

Snattle: I haven't given up on my dream of becoming Oree's governor. Improving my skills against the greatest of it's trainers is the first step.

Ein: With me helping you.

Dakim: Bring em on. The mighty Dakim will crush the competition!

Gorigan: Don't forget me!

Gonzap: You think we're gonna miss out on this? This is Snagum's time to show Orre what it can do!

Wes: Is that so?

Gonzap: You know, Wes? I think it's high time I admitted it… you were right about Cipher. Never should have joined up with them.

Eldes: I will participate as well. Especially with Ardos finally locked up

Nico: I guess we're gonna have that rematch after all.

Me: We sure are.

Michael: Let's go, guys! Onto the next adventure!

Eli: YEAH!

Nico: (To the viewers) Pokemon are awesome friends and partners and they are great powers to be reckoned with. Hope you all liked this one.

Eli: I know we did.

Me: Yep.

We went to celebrate at Lynn's Table and we had a great victory party and then we got Michael and Friends all settled in and we enjoyed the rest of the day and went to sleep.

THE END

We were dressed in our swim clothes and more.

Me: Boy the Beach Zone is so beautiful.

Qin: It sure is!

Nico: It's so awesome and beautiful.

Lola: Yeah it sure is.

Luna: Boy this is so rockin dudes.

Lana: It sure is.

Zuria: I'll say! The ocean is so beautiful.

Camie: IT sure is.

Ino Yamanaka: I think it's so beautiful out here.

Sakura Haruno: It sure is. I love the fun in the sun.

Hinata: Me too. It's so awesome.

Tenten: It sure is.

Naruto: You guys aren't kidding. I think it's so awesome here.

Me: You said it bro.

Eli: That is for sure.

Xenia: Wow! It's so awesome out here.

Thetis: I agree too.

Nico: Thetis, I want to thank you, Ice Demon, and your teams for coming.

Thetis: No problem Nico. It's so awesome that we're with you.

Me: And I invited Sakura, Naruto and the girls because they have a day off today so they want to have some fun.

Nico: That's understandable.

Lola: Yep.

We were doing our favorite things at the beach. We were building sandcastles, surfing, swimming, sunbathing, digging for buried treasure and collecting seashells and more.

Nico: Britney, are you glad I gave Prime Slappy his just desserts?

Britney Crosby: I sure am. You did the world an awesome favor by doing so.

Lola: Boy that dummy was awful. No offense Luan but Slappy makes Mr. Coconuts look like an angel.

Luan: None taken Lola. But yeah I know what you mean.

Eddy: I always hated Slappy.

Qin: Me too. That dummy makes me scared shitless. Not nearly as scary as the Executioner from A Night In Terror Tower.

Xenia: Yeah that was creepy.

Me: Yeah but Nico is not afraid of Slappy anymore.

Xenia: Yeah no kidding.

Nico: And that's a good thing.

Me: I know.

Britney Crosby: I'm glad Slappy is gone.

Eddy: Me too.

Nico: Movie Slappy I'm fine with. But Prime Slappy is in for a nasty surorise if he returns and tries to possess me again.

Me: The Black Gates.

Nico: Yep. After a nasty surprise I have in store for him. No spoilers.

Me: I have a feeling it will be awesome.

Konan: But the monsters of the Goosebumps books are all scary and amazing to face.

Xenia: They sure are.

Rei Miyamoto: Yeah it will be awesome.

Xenia: Yep.

Me: Boy yesterday was so awesome.

Camie: It sure was.

Twilight Sparkle: I agree. Flurry Heart did an amazing job yesterday.

Nico: She sure did. She even snagged Shadow Mewtwo.

Me: You should be very proud of her Twilight.

Twilight Sparkle: I'm really proud of my niece.

Xenia: We all are proud of her.

Me: She and her mom did great.

Nico: You should have seen the celebration that took place in the Crystal Empire for them.

Lola: Yeah it was an awesome party. They had cake, soda, punch and pizza and rock candy. It lasted till midnight.

Lana: That must've been an awesome party.

Camie: Yeah.

Nico: That is so awesome. But now the world is free of the Cipher Organization and Nascour.

Qin: It sure is. But the explosion from when the base exploded was incredible!

Lola: I honestly thought XD003 was gonna be a new Shadow Pokemon.

Me: I never expected it to be a self-destruct.

Camie: Me neither.

Xenia: Yeah.

Fu: That was still an awesome mission.

Me: Yeah and as a bonus victory we caught lots of awesome Pokemon.

Manaphy: We sure did.

Poliwag: That was so awesome and cool.

Horsea: It sure was.

Qin: The strongest of all being Mewtwo.

Lola: Yeah that was awesome.

Girl Jordan: And worst is that Nascour had the audacity to blame me for it! THE NERVE! I did all this!?

Me: No Nascour is wrong G.J. The Ambassador Missions were all Nico's idea. He made this.

Nico: Yeah it's true.

Qin: Yep.

Nico: The trick now is to purify Shadow Mewtwo. Michael said that with Shadow Lugia, all nine sets of the Purify Chamber have to be at Maximum Tempo.

Me: That is gonna be an awesome challenge. Finding Shadow Pokemon and purifying them.

Xenia: It sure is. But I like it.

Lola: Yep.

Leeli: I still love fun challenges like that though.

Nico: Yep.

Girl Jordan: Or Jen Scotts XXXVIII can purify it easily.

Nico: That's right she sure can.

Qin: I agree there.

Himiko: That is true.

Nico: But still we did a great job. Flurry Heart especially.

Qin: Yep.

Then Nico's Shen Gong Wu detector went off.

Nico: Uh oh.

He saw the next Shen Gong Wu and it was the Serpent's Tail.

Nico: The Serpent's Tail.

Qin: Whoa.

Camie: What does that one do?

Me: It has the power to make you Intangible and it also can bring the dead spirits back to life when combined with the Reversing Mirror.

Nico: Yep. But where is it?

Eli: No idea. (Sees something) Wait.

Eli went over and dug around in the sand and then he found it! The Serpent's Tail!

Eli: Here it is!

Nico: Good work Eli!

Eli brought it over.

Pikachu 2: Relaxing on the beach isn't the only thing we should do. We also have to clean the beach.

Rarity: Now that we can do darlings.

Eli: Indeed.

Varie: That's one of the reasons we had one of the clean the planet during one of the most charitable weeks we hand.

Xenia: That is so cool.

Qin: Yeah that was awesome.

Fu: That was so fun.

Camie: Yep.

Nico: Lets get to work then.

Lily: Lets do it!

Lily put on work gloves and ran fast with amazing speed and filled up all the trash cans and bags with garbage on the beach.

Poromon: Let me help!

Lily: Sure Poromon.

Varie and the Neptune Crusaders dove underwater and got the trash out of the water and brought it over and put it in the trash.

Poromon: Good job guys!

Varie: Thanks Poromon.

Poromon brought over numerous cans and put them in the recycling bins.

Qin: Boy look at all this garbage.

Pikachu 2: Yeah we eat a lot and do a lot.

Piplup: Don't look at us! The first time, we did our part in cleaning the beach

Me: I know guys. We did this before so we're used to it.

Piplup: Oh.

Lincoln: It was part of a project me and my class did 4 years ago.

Earth: That was so fun.

Me: And extremely charitable.

Camie: Wow.

We were cleaning up the beach perfectly.

Pipp Petals: Oh my Glitter! That is so perfect and clean.

Lola: Yeah!

Applejack: YEEHAW! It sure is.

Lily: Any attractions here?

Pikachu 2: Actually yes there are. There's Pelipper's Circle Circuit and Gyarados's Aqua Dash.

Me: Cool!

Lily: The Aqua Dash sounds fun!

Qin: Yeah!

Camie: It sure does.

Pelipper came and it was telling Luna the rules.

Pelipper: You need to go through rings to reach a specific amount of points.

Luna: How much is the points I need?

Pelipper: 50 to qualify. 150 for first place.

Nico: That's easy.

Luna: Yeah. Lets do it dudes!

Laney spun around and she was in her referee outfit.

Laney: Okay Luna! Ready?

Luna: Ready dudes!

Laney: On your mark… Get Set…

She was ready for this.

Laney: GO!

Luna ran fast on the water and was going through the rings.

Poromon: Go, Luna!

Lola: YEAH!

Luna then passed through the final ring!

Laney: PERFECT SCORE OF 10,000! LUNA WINS!

Xenia: AWESOME!

Lola: YEAH!

Nico: Way to go Luna!

Xenia: I'll say!

Lily: I'll do Gyarados's Aqua Dash.

Me: Okay then.

Then Gyarados came.

Qin: WHOA!

Xenia: Oh boy.

Gyarados: You have to cross the finish line in a specific amount of times while avoiding the Carvanha and Sharpedo. The aquatic mascots can join in too.

Lily: Cool!

Poliwag: Bring it on!

Manaphy: This will be fun.

Horsea: What is the specific amount of time we have?

Gyarados: 1 minute 25 seconds.

Me: Whoa! But challenging.

Lily: Lets do it!

They got ready.

Laney: RACERS TAKE YOUR MARKS!

They got ready!

Laney: GET SET…

They were ready for action!

Laney: AND GO!

ZOOM!

They were off! They were swimming fast through the water and avoiding the Carvanha and Sharpedo.

Manaphy was close to Lily.

They were both neck and neck as they were getting close to the finish line!

Manaphy: I will win!

Lily: No way!

Lily then crossed the finish line!

Lily: YEAH!

Laney: LILY WINS!

We cheered!

Qin: AWESOME!

Lola: OH YEAH!

Nico: Nice job Lily!

Manaphy: Nice race, Lily!

Lily: Thanks!

Manaphy: That was fun!

Qin: It sure was!

May: That was a lot of fun.

Nico: Eli, sense for Swartz's creations.

Eli: Already found them. We have The Yoshi's Island Guys, Evil Ocean (Adventure Time), LeFou, Nokrea, Coldsnap and Ice Demon.

Qin: Whoa!

Lola: This will be interesting.

Brynja: (Icelandic Accent) So it's me.

Emam Reynolds: And me.

Himiko: Me.

Ibara: And me.

Britney Crosby: And me and Thetis next.

Qin: Cool!

Nico: Who's first?

Eli: Actually the Anothers minus Ice Demon are all one person. They are Lincoln's guardian angel for… (SENSES INCREDIBLE ENERGY) WHOA!

Qin: What is it Eli?

Eli: This is one of the strongest Guardian Angels I've ever seen. She is the gene-slammer for all 1,400+ Digimon!

Nico: WHOA!

Me: WHOA! That is amazing!

Xenia: Yeah!

Lola: Boy the Digimon we know are going to flip hearing this!

Then The Another Yoshi's Island Guys, Evil Ocean (Adventure Time), LeFou, Nokrea and Coldsnap came.

Nico: WHOA!

Qin: This is amazing.

Poromon: Hello!

Another Evil Ocean: (In a girls voice) Awesome you're all here.

Lincoln: (GASP) Camille Izumi!

They merged and reverted back and she was a girl with blue hair and had blue eyes and blue clothes and had rainbow angel wings and she had the symbols of the Crests on her arm and she had the sword of EmperorGreymon in her hand and she had the symbols of the 10 elements of the Legendary Warriors on her Skirt.

Camille Izumi: Awesome to see you again Lincoln and wow! You grew from that little boy I remember all those years ago.

Lincoln: I know. Also I haven't seen you since you were 17. Camille is Izzy's cousin and she is also the gene-slammer of all 1,400+ Digimon kinds. Also she has an intense burning hatred toward Scoots.

Me: Uh oh. What did that maniacal old goat on a scooter do to you that warranted her hatred?

Camille Izumi: Hired a bunch of girls to rape Lincoln.

WE GASPED!

Qin: Oh man!

Lola: That spineless goat!

Poromon: Were the girls all willing participants?

Lincoln: They were all Leni's friends. You know those girls that Leni knows that had that fashion show with the Manotard.

Me: Oh I remember them! They had a lot of hearts in their eyes for Lincoln.

Nico: Really?

Me: Long story. It was during the Ear Bud Fiasco.

Lily: I actually know all of Leni's friends and they are really nice girls and have hots for Lincoln.

Lola: Now that Lincoln is always available on the market he can have them in his harem.

Lincoln: I sure can.

Xenia: Yep.

Lincoln: Yep.

Camille Izumi: That is true.

Nico: So they weren't interested in Scoots hiring them?

Lincoln: Nope they turned down Scoots' offer. That really infuriated her.

Qin: Good.

Camille Izumi: That is good they did.

Lola: Yeah no kidding. But Scoots is gone.

Camille Izumi: I heard. Good riddance.

Me: Yep. Is the Another Ice Demon friendly or hostile?

Camille Izumi: Friendly and she is a great friend that Nico knows. And she is also the gene-slammer of Necrozma.

Me: Whoa! So the next gene-slammer is also an Another.

Xenia: Crazy!

Lola: Yeah!

Ibara: Sorry we have to fight like this.

Girl Jordan: First lets separate you.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

She glowed and was separated from the anothers and the girls fired waves of energy and elements and destroyed the Anothers and I caught the Wonder Ride Books!

Qin: YEAH!

Me: YEAH!

Then we felt a cold blast.

Me: BRR!

Nico: She's here!

We saw a dark figure and it was ANOTHER ICE DEMON!

Qin: Whoa! This one is cold.

Lola: Yep.

Another Ice Demon: (In a girls voice) This is cold.

Nico: Arlene Necrozma!? Whoa!

She reverted back and turned into a Necrozma.

Then she reverted back and was a girl with black hair and blue eyes and had ice angel wings and she had blue and black clothes and had the kanji for Twilight in the middle of her forehead.

Nico: Awesome to see you again Arlene.

Arlene Necrozma: Same here Nico.

Nico: Arlene and I went to science class together and she used her ice powers to freeze bullies into ice cubes and get them expelled.

Arlene Necrozma: Awesome memories.

Kaito: (gets out Build gear) Did Swartz promise you anything?

Zocks: (gets out Ex Aid gear) Because we can grant it instead.

Kaito got a Build Sword and Zocks got an Ex-Aid Sword.

Arlene Necrozma: No he didn't. I froze him in a block of ice before he could say anything.

Qin: Geez.

Me: Nice.

Qin: Yeah.

Nico: Sorry we have to fight like this.

Lincoln: Maybe we can do this instead!

Lincoln fired a wave of energy and separated the Another!

Me: Awesome Lincoln!

Sougo: (gets out Build Ridewatch) Now, you can help us!

(Right-hand Ridewatch's announcement)! Armor Time! (RabbitTank-esque rock music) Best Match! Build!

Geiz: (gets out Brave Ridewatch) We were getting worried for a second.

(Right-hand Ridewatch's announcement)! Armor Time! (Dramatic fantasy music) Level Up! Brave!

Sougo got BuildArmor while Geiz got BraveArmor

Nico: Time for you to chill! (ACTIVATES ICE DEMON AND COLDSNAP'S RIDEWATCHES)

He fired waves of ice and smashed the Another down.

May: And this one! (ACTIVATES PIECEMEAL AND WHALES RIDEWATCHES)

She fired lasers and smashed the Another down.

Maria: This will bash you! (ACTIVATES ANTI-JORGEN AND BASHMASTER'S RIDEWATCHES)

She fired waves of magic and ice and smashed the Another all over.

Arlene Necrozma fired waves of energy.

Britney Crosby: This will be fun! (ACTIVATES COLDSNAP'S RIDEWATCH)

She fired waves of ice and smashed the Another!

Then Magneto. Libra Zodiarts, Baboon (Skunk Fu), Mantis Deadman, Magnet Man EXE and Magne came.

Nico: Nice team Magneto!

Xenia: Awesome!

Magneto: Thanks guys.

Me: Yeah!

Arlene Necrozma: Now here is the closer.

She fired a wave of energy and it hit Another Ice Demon and he exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the ridewatch and purified it.

Arlene Necrozma: That was so awesome!

Britney Crosby: Any favorite memories of Nico?

Arlene Necrozma: When me and Nico ate a giant cookies and cream sundae and we ended up getting a really nasty brain freeze that we literally turned into ice cubes.

Nico: Still a good sundae.

Xenia: Nice.

Nico and Arlene hugged.

Nico: I've really missed you.

Arlene Necrozma: Sane here.

We later went back home.

Lincoln: Ah, we're here in Budapest, and I know what we're going to do here, not only am I going to rescue the three girls here, but we're going to destroy Felix Asmodeus, the dangerous and powerful vampire who was turned centuries ago by the Valerious' family's hated enemy, Dracula, and Felix still desires nothing more than to kill Selene, Wendy, and Sheena Valerious and have his revenge for the death of Dracula.

Selene Valerious: (Transylvanian Accent) I always knew that vampire wouldn't stay away forever, now that he knows I'm back, he still won't stop until we're all dead.

Me: There's only one thing awaiting that vampire.

Nico: Getting turned into Lincoln's next victim as he absorbs him.

Lincoln: Exactly. But, we got to watch it, he's just as dangerous as the vampire who turned him so many centuries ago.

Ripster: You got that right.

Suddenly, we saw a very beautiful and super sexy girl with long

black hair and purple hairband, purple eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful black angel wings, she's dressed in a black coat with a coat of arms on it, white short-sleeved shirt, necklace with pearls and purple gem for the pendant, black pants, white bridal gloves, black knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with knights, swords, magic, dragons, darkness, and angels on the coattails and on the back is Ignoble Knight of Black Laundsallyn, in her right hand is The Sword of Malice, and with her are the three girls.

Black-Haired Girl: I hope I'm not too late, and I got the girls away before that bloodthirsty vampire from Hell could kill them.

Lincoln: No, you're not, Selene Lancelot, you're just in time. In fact, we were just about to head after those barbarians.

?: You wretched Valerious shall all pay for what you did in killing my lord, Dracula!

We then saw our target: a young man with black hair, pale skin, blood red eyes, fangs, and dressed in black clothes heading right for us, and he was out for blood: it was Felix Asmodeus.

Sylvester: If it isn't our favorite bloodthirsty vampire from Transylvania.

Then, Lincoln drove his massive greatsword into Felix Asmodeus' stomach, and he began sucking out his vast dark powers, immense strength, and vampiric abilities, and he made them his own. Then, he removed his massive greatsword from his stomach.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, for the grand finale.

Lincoln put Felix Asmodeus in a brutal bearhug, so she couldn't escape, and then, he began absorbing her into his body as his body was being broken down by the acid released by Lincoln's acidic cells and absorbed into his body, and then, he drained Felix Asmodeus' soul of his life energy as we saw his rainbow energy fire aura and protective rainbow aura with mythological animals and elemental forces flare up and he was gaining a massive power boost. Then, as soon as he was done absorbing Felix Asmodeus into his body and then draining his soul of his life energy, an energy card with Felix Asmodeus' drained soul appeared in his left hand and he banished that vampire straight to The Black Gates forever. We cheered as we holstered our weapons and powered down.

Lincoln: That's one less dangerous vampire running loose in Budapest, and an end to the revenge of the Valerious family's hated enemy. (To Selene Lancelot) And it's so good to see you again, Selene Lancelot.

Selene Lancelot: You too, Linky, it's been a long time.

Lincoln went up to Selene Lancelot and he hugged her, and Selene Lancelot is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much stronger and muscular he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces soon went even deeper when they saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms and short stubble on his jawline, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Selene Lancelot: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height and became a man, but you're still the same kind boy from long ago. Plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Selene Lancelot, Gene-Slammer of Ignoble Knight of Black Laundsallyn, she's my Guardian Angel from Michigan and she's a very powerful wielder of dark magic and a very powerful swordswoman. She's also a member of The Royal Woods Knights of The Michigan Table, and she trained me constantly in the art of swordsmanship and dark magic, and I became a very powerful swordsman and magic wielder, and she also taught me much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those I love and hold dear to my heart, and never to let those with such malice and evil in their black hearts get away with their crimes.

Melanie Artorgius: All of us trained Lincoln constantly in the art of swordsmanship and magic, and he became a very powerful swordsman and magic wielder, and we also taught him much about the Code of Chivalry and really instilled in him what it means to be a true hero, to fight with both courage and honor, to protect those he loves and holds dear to his heart, and never to let those with such malice and evil in their black hearts get away with their crimes.

Nico: Like a true knight.

Lincoln: And here's this bit of news: Selene Lancelot is also a direct descendant of Lancelot.

We gasped.

Me: Lancelot, the traitor of King Arthur's Court in the Arthurian Legend.

Melanie Artorgius: You certainly didn't expect that, but he was once a member of The Knights of the Round Table, but Selene's not like him at all. Lincoln made her a black coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Selene Lancelot hates Lisa with a very blazing passion. One day, Selene and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Lisa, and she'd brought with her an army of thugs she hired along with her army of rebuilt robots. Selene Lancelot and Lincoln went out there along with the rest of us, and she'd slain them with her greatsword, The Sword of Malice. It drove Lisa into a blood-crazed fury, but before she could unleash her wrath on us, Lincoln and Selene fired chains of dark magic which bound Lynn and tied her up. Lincoln called Luna, who showed up along with Leni, Luna, Laney, Lucy, Lana, Lily, and the parents, and when we told them of what Lisa did, they were furious.

Joan Delenney: Lincoln was disgusted that Lisa would do this, but in the end, her plan failed, and Lisa got grounded for eighteen weeks and Selene Lancelot and Lincoln casted a spell to make sure she couldn't try to come after them for revenge after she got put in her cage, because messing with the descendant of Lancelot and one of the members of The Royal Woods Knights of The Michigan Table will have dire and disastrous consequences.

Nico: Jeez, Lisa was literally out for blood that day.

Lincoln: That's an understatement, Nico, but you're right about that. And we've kept track of how many times Lisa's tried to kill me and my Guardian Angels many times over.

Anna Anyanova: Damn that dark side of Chase Young, he was nothing more than a monster from Hell from the very beginning.

Lincoln: He sure was, but in the end, we brought an end to that 1,500-year-old immortal monster for good and when J.D. destroyed him again, this time in The Simulator, the last traces of his soul left Lori, Lynn, Lola, Lisa, and Luan forever, and he truly became nothing more than a forgotten memory. And now that you're here, Selene.

Lincoln went up to and hugged Selene Lancelot in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Selene Lancelot: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Selene Lancelot's neck with purple gems on the gold lightning bolts and purple crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Selene Lancelot: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which

means you're now part of my harem and my many future wives, Selene Lancelot.

Selene Lancelot had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them, then, we went up to the three girls, and when Lincoln saw who they were, they immediately recognized them. The three girls are Jun Yazaki, Mai Kirino, and Tomoe Amatsu from Aishite Nightingale.

Lincoln: Oh wow, it's Jun Yazaki, Mai Kirino, and Tomoe Amatsu from Aishite Nightingale.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Jun Yazaki: Yes, we're okay, thanks to you.

Then, when Jun Yazaki and the other two girls saw who it was that saved them from Felix Asmodeus, their faces turned atomic red upon seeing the 17-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Emissary of The Cosmos and The Heavens, Ambassador of Harmony, Friendship, Purity, Hope, Courage, and Love, and God of Friendship, Hope, Love, Courage, and Justice Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Fearsome Defender of His Many Guardian Angels, and Destroyer of The House of

Jun Yazaki: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made two clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Jun Yazaki: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Jun Yazaki, Mai Kirino, and Tomoe Amatsu with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team was shocked to find out the villain we went was Felix Asmodeus, the dangerous and powerful vampire who was turned centuries ago by the Valerious family's hated enemy, Dracula, and still desired nothing more than to kill Selene, Wendy, and Sheena Valerious and have his revenge for the death of Dracula.

But, when Lincoln showed what we did in beating that vampire down and Lincoln driving his massive greatsword into Felix Asmodeus' stomach and sucking out his vast dark powers, immense strength, and vampiric abilities, and he made them his own, and then, bear-hugging him and absorbing him into his body and draining his soul's life energy and sending his spirit to The Black Gates forever, everyone cheered and hugged us and Lincoln's harem kissed him all over, and he had steam whistling out his ears. Lincoln and Selene Lancelot have a lot of catching up to do, now that she's back in town.

Maria: That's another vampire put down and the revenge of the Valerious family's hated enemy has been brought to an end.

Lincoln: And this time, for good.

Nico: Now, Dracula's revenge against the Valerious family has finally been brought to an end.

Me: You got that right.

---

After finally getting rid of Felix Asmodeus and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Selene Lancelot saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Selene Lancelot: My God, I was right that Lincoln's really grown into a 17-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Selene, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Selene Lancelot: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Selene Lancelot: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Selene, what other memories did you have with Lincoln?

Selene Lancelot: Oh man, I was hoping you'd ask that. Well, there was this one time, Lincoln and I went to Lake Superior with the rest of The Royal Woods Knights of The Michigan Table for a time of rest and relaxation along with doing some more training and working out. But, then, we heard the all-too familiar sound of deranged laughter and the deranged scream of revenge against Lincoln, and we all saw who it was: it was that deranged, fucked-up, vengeance-obsessed, basket case, demonic evil monster, Jack Delenney, Joan's ex-little brother, he broke out of Westfinster Prison again, and he still wanted to kill Lincoln and Joan, but Lincoln and I fired chains of dark magic which bound that crazed lunatic and we also put a muzzle on him. Then, Lincoln called the cops and Jack Delenney was taken back to Westfinster Prison, and when Lincoln and all of us told them of what that deranged madman tried to do to him and Joan, they pressed charges on him and he got another Life Sentence added to the multitude of Life Sentences he'd acquired.

Me: Oh man, I remembered that day all too well.

Nico: That bastard, doesn't he even know when to quit!?

Lincoln: He doesn't, Nico. Jack Delenney wanted to kill me and Joan too many times, but he got put down by us too many times to count and sent back to prison.

Joan Delenney: No matter how many times we've had to beat him to a bloody stain, Jack refused to quit until we were dead. But, he finally paid the price for his foul misdeeds when he broke out of jail once again to try and get revenge on us once again, and he was eventually killed by your curse and sent to The Black Gates by God's Judgement.

We got a shower, and then, Lincoln, Helena Simms, Kimberly Kelly, Amber Stone, and Julia Hastings are heading to Waikiki Beach, Hawaii. Plus, today's also Lincoln's 18th birthday, so the girls are also going to make sure he's kept occupied while we decorate the World Tree Estate for his birthday.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Helena Simms, Kimberly Kelly, Amber Stone, and Julia Hastings are dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Helena Simms, Kimberly Kelly, Amber Stone, and Julia Hastings had feelings for Lincoln when Sam, Clover, and Alex introduced them to him, and he also had feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood and life energy, which made him go insane with anger, until Lincoln fired energy blasts at that mutant and more gold and jewels and treasures came out of that moron, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Helena Simms: Wow, Waikiki Beach, Hawaii, this is really awesome!

Lincoln: It sure is, Helena, and it's perfect for our first date. Shall we?

Lincoln, Helena Simms, Kimberly Kelly, Amber Stone, and Julia Hastings dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Helena Simms, Kimberly Kelly, Amber Stone, and Julia Hastings got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Helena Simms, Kimberly Kelly, Amber Stone, and Julia Hastings and they hugged them in their abnormally massive and powerful muscular arms, and Helena Simms, Kimberly Kelly, Amber Stone, and Julia Hastings placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. Then, they got the message to bring Lincoln back home, we were ready.

---

While Lincoln and the girls were coming back home, back at The World Tree Estate, we had finished up decorating the whole place for Lincoln's birthday, and we really went all out for him.

Me: Nice work, gang, Lincoln's going to be so surprised when he and his dates come back.

Lori: He literally will be. Our little brother's turning eighteen, this is truly the cornerstone for the Loud Family: he's finally reached adulthood.

Nico: He sure has. This is literally going to be so awesome!

Luna: Plus, you should see what we got planned for June 5th A.K.A. Lincoln Loud Day, dude!

Me: To all of us, it's a full day dedicated to Lincoln for everything that he's done for everyone around him.

Nico: That's really awesome!

Just then, Poromon and the other Mascots saw Lincoln.

Poromon: Guys, Lincoln's back!

Me: And not a moment too soon!

Nico: Places everyone! Our guest of honor has arrived!

We turned out the lights, and we hid in our hiding places. Then, Lincoln and the girls came back only to see the lights were out.

Lincoln: Hey, why are the lights out?

Then, as soon as Lincoln turned on the light, suddenly, cannons fired and sprayed confetti in the air and orange and white balloons flew up into the air, and then, a massive orange and white banner had unfurled with balloons coming out and written on the banner in rainbow letters were the words, "HAPPY BIRTHDAY, LINCOLN LOUD!"

Then, we jumped out of our hiding places and surprised Lincoln.

Everyone: SURPRISE! HAPPY BIRTHDAY, LINCOLN!

Lincoln: (Really Surprised) (GASPS) WOW! You guys remembered, and you did all this for me?!

Nico: Yep, we went all out for your birthday today, and who could've guessed your birthday is also on Memorial Day.

Me: That really is something.

Lincoln: The family knew that all too well. Thanks, guys.

Just then, The Masters of Evil have arrived.

Vypra: We're here, and happy birthday, Lincoln.

Lincoln: Thanks, Vypra. Alright, what are we doing standing around for? LET'S PARTY!

We immediately got the party started, and then, we started giving out our presents to Lincoln: I got him an awesome spellbook full of powerful elemental spells along with daggers of different elements and I downloaded Ben's most powerful aliens into his orange-themed Omnitrix, Nico also got him an awesome greatsword that he forged himself and it was imbued with the powers of The Seven Shadow Dragons and it merged with his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds, and Eli got him an awesome Star Wars bracelet and it was imbued with the powers of The Light and Dark Sides of The Force.

Lincoln: Wow, these gifts you guys got me are really awesome!

Nico: For me, it took a while to create that bad boy, but it was worth it.

Eli: And I had help from the Jedi with creating that bracelet.

Me: Oh, I had help from Nicole with my gifts to you.

Nicole: And they were really worth it for you.

Lori got him an awesome Swiss Army Watch with 150,000 functions Lisa made, but it had his favorite colors: orange and white.

Lincoln: Wow, a Swiss Army Watch with my favorite colors, awesome! Thanks, Lori!

Lori: I knew you'd love it, Linky. (Hugs Lincoln and he hugs her back)

Leni made for him a weighted gold version of He-Man's harness with colored gems on the gold straps that represent his sisters and parents and on the back it had a kanji that said, Lincoln Loud, Truly Loving Gold-Hearted Brother, Son, Grandson, and Father リンカーン・ラウド、真に愛する黄金の心の兄弟、息子、孫、そして父. Then, it merged with his orange version of He-Man's harness.

Lincoln: Aw, thanks Leni.

Leni: You're welcome, Linky. (Hugs Lincoln and he hugs her back)

Luna got him an awesome beautiful flute which merged with his Flute of Ogma and it also enhanced the abilities of summoning crystal clusters and summoning his Guardian Angels.

Lincoln: Whoa, thanks, Luna.

Luna: Knew you'd love it, dude, and when you use it to perform your Final Smash from the updated Super Smash Bros. Ultimate, the angels of justice are bound to take flight and smash evildoers into the ground!

Luan got him a jokebook and in its pages are some super awesome and super hilarious jokes aimed at insulting the jerks.

Lincoln: (LAUGHS) Oh man, that's hilarious!

Luan: When you use those on the jerks, oh man, are you going to make them cry like babies!

Lynn got him some weighted training bracers which had merged with his large gold Bracers of The Champions of The Universe.

Lincoln: Thanks, Lynn.

Lynn: You're welcome, Lincoln, and those weighted bracers will also give you an even more intense work-out when you do your work-outs and also battle.

Lucy got him a large grimoire and in it are some even more powerful curses that he can use on villains.

Lincoln: Wow, this is awesome! Thanks, Lucy.

Lucy Loud: You're welcome, Lincoln.

Laney got him a specially made silver whistle that can summon his white horse to battle.

Lincoln: Awesome whistle, Laney. Thanks!

Laney: It took quite a while to craft this beauty, but it speaks for itself, Lincoln.

Lana got Lincoln an awesome belt known which merged with his large gold Belt of Elemental Bravery. Then, the belt activated and it turned Lincoln's massive white angel wings with aurora and orange tips into massive and beautiful elemental angel wings with aurora and rainbow tips, and we saw his rainbow aura flare up as he gained a massive power boost. We were amazed.

Lincoln: Whoa, what is this, Lana?!

Lana: It's my brand-new and special Wings of Wicked Elements belt, when you activate it, it turns your massive white angel wings with aurora and orange tips into massive and beautiful elemental angel wings with aurora and rainbow tips, and you can use all kinds of elemental attacks and it also gave you a massive power boost.

Me: That's… so… AWESOME!

Nico: No fooling, oh man, with that baby activated, the villains are literally in a shit ton of trouble!

Lola gave Lincoln a pair of crystal bracelets with crystals of many shimmering colors.

Lincoln: Wow, these are so awesome!

Lola: Try them on, and see what happens.

The crystal bracelets merged with his large gold Bracers of The Champions of The Universe, and then, suddenly, Lincoln was enveloped in rainbow crystal, and then, he got an awesome suit of DIAMOND HARD RAINBOW CRYSTAL!

Lincoln: WHOA! It's just like The Diamond Armor of Camelot you got Nico for his birthday!

Lola: What you have on is called The Diamond Armor of Eden.

Nicole: Lola and I found it, and it's also perfect for you, Lincoln.

Rarity: It sure is, darling.

Nicole: That armor is completely indestructible and it's 100,000,000,000,000,000 times harder than regular diamonds, and like with The Diamond Armor of Camelot for Nico, not even our most powerful weapons can destroy it, and it was also blessed by God.

Lincoln: So awesome!

Lincoln willed the armor back and it turned back into crystal bracelets.

Lisa got Lincoln an atomic blaster and it was imbued with the elemental forces of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions.

Lincoln: Whoa, awesome blaster, Lisa.

Lisa: I suggest you try it out on our resident jerks, elder brother.

Lincoln aimed the new blaster Lisa got him, he took aim at the jerks, and he fired powerful blasts of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions which hit the jerks and exploded as more gold, jewels, gems, and many currencies exploded out of them, and the jerks screamed and ranted in anger.

Nico: (WHISTLES) Man, that's powerful!

Me: Awesome.

Lincoln holstered it, and Lily got him an awesome photo album and inside it are the photos taken of his many rescues and dates with his harem.

Lincoln: This is awesome! Thanks, Lily.

Lily: You're welcome, and you can add more photos to the album, big bro.

Jason Scott Lee: And we also got you a little something as well, Lincoln.

Jason then gave Lincoln an awesome UNIVERSAL POWER RANGERS AND KAMEN RIDER BELT! And that new belt also merged with his large gold Belt of Elemental Bravery!

Nico: Oh, awesome! Now, you also have the powers of 47 plus years of Power Rangers and 52 years of Kamen Riders in you, Lincoln.

Me: Along with what you did in feeding on the blood of the Embodiments of The Kamen Rider Kiva and Saber teams.

Fire Lori: We also got you a little something as well.

Fire Lori gave Lincoln an awesome UNIVERSAL L-EMENETALS BELT! And that new belt also merged with his large gold Belt of Elemental Bravery!

Air Lincoln: Now, you also have our imbued powers as well added to your elemental powers as well!

Lincoln: Awesome!

?: I also have a gift to give you as well, Lincoln.

Suddenly, we saw a very beautiful and super sexy girl with long midnight black hair and blood red hairband, blood red eyes, fangs, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful white angel wings, she's dressed in a black coat, white short-sleeved shirt, necklace with pearls and blood red gem for the pendant, black pants, white bridal gloves, black knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with vampires, rabbits, and angels on the coattails and on the back is Bunnicula, in her right hand is a vampiric greatsword.

Lincoln: (GASPS) Marianne Bunnicula! WHOA!

Marianne Bunnicula: That's right, and it's so good to see you again.

Me: Wait, did you say, your last name is Bunnicula?!

Lincoln: She did. Guys, this is Marianne Bunnicula, Gene-Slammer of Bunnicula, The Vampire Rabbit, she's my Guardian Angel from New Orleans and a true lover of The Supernatural and The Occult. She's a goth girl and vampire with the powers of darkness and the dark arts at her command and when she got Gene-Slammed into Bunnicula, she also has all of the powers of the vampire rabbit as well, and she's more than once gotten caught up in the supernatural mischief that Bunnicula causes and she, Harold, and Bunnicula have also more than once scared the living daylights right out of Chester, and she is also one super hilarious supernatural mischief maker who's friends with many of the local monsters who know Bunnicula.

Chester: I can't even forget how many times she'd scared the daylights out of me when she was in The Orlock Apartments!

Lincoln: But, she's also quite serious when it comes to defending the human world from the dark supernatural threats. She moved to Royal Woods from The Orlock Apartments in New Orleans, and when she and I first met, it was love at first sight. She also hated Lori, Lynn, Lola, Lisa, and Luan with a brutal passion, and she's more than once used her talents with the dark arts and darkness to cause a whole mess of trouble for them, and she'd also scared the living daylights out of them in the same way that Bunnicula scared Chester.

Me: Oh man, so all that supernatural mischief I'd seen at the house was…

Lincoln: It was Marianne causing trouble on Lori, Lynn, Lola, Lisa, and Luan, and now that you're here, Marianne.

Lincoln went up to and hugged Marianne Bunnicula in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Marianne Bunnicula: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Marianne Bunnicula's neck with blood red gems on the gold lightning bolts and blood red crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Marianne Bunnicula: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives,

Marianne Bunnicula.

Marianne Bunnicula had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. His harem also got him some awesome gifts ranging from greatswords to spellbooks and bracelets.

Lincoln: Wow, this is really awesome, thanks!

Anna Anyanova: We knew you'd love them.

Lynn Sr. came in with the cake and an awesome buffet!

Lincoln: WHOA! Dad, you really went all out with the buffet! You spent all day in the kitchen for this!

Lynn Sr.: I sure did, Champ. Though I also made some Shadow Clones for that task.

Rita: I saw the whole thing, but still, this is all for…

Suddenly, Rita and Lynn Sr. were hugged by Lincoln, and they knew it as a sign of thank you and that he loves them, and they hugged him back. Lincoln then blew out the candles and we ate the food and the cake.

Lincoln: (EXTREMELY LOUD AND MASSIVE MEGA BELCH)

Nico: (Stunned) Lincoln… !

The force of that belch was so extremely loud and massively powerful, it shattered the eardrums of the jerks!

Me: (WHISTLES) That extremely loud and massive mega belch Lincoln let out shattered the eardrums of the jerks!

Lynn: Remind me never to get into an eating contest with you, you'd blow away the competition with that kind of belch.

---

Later we were in the simulator for another awesome Super Mario Galaxy adventure.

Nico: You guys are gonna love this next one!

Lincoln: What is it?

Nico: We're going to Sweet Sweet Galaxy next.

Everyone was excited about that one!

Nico: Yeah!

Lincoln: Oh wow!

Nico: Yep. Lincoln and Linka are coming with me.

Lincoln: Cool!

Linka: Awesome!

Nico: Lets head in.

They went into the Simulator and Nicole activated it and they were in the Sweet Sweet Galaxy!

Lincoln: WHOA!

Nico: Take a look, guys. Desserts as far as the eye can see!

Linka and Lincoln were drooling.

Lincoln: This is my kind of galaxy!

Linka: Me too!

Nico: (LAUGHS) It sure is awesome!

Me: (On the radio) Mission control to Nico you are clear for launch. Over.

Nico: Copy that mission control.

They got into the launch star and then..

WHOOSH!

They were off! They landed at the galaxy.

Nicole: (On the radio) Okay Nico in this galaxy you just have to get to the Power Star on that Mint Chocolate Cake at the end.

Nico: That's easy.

Lincoln: It sure is.

Nico: But we can still snack on all this dessert!

Me: Dig in guys!

They got to eating and had a lot of cake and ice cream and more!

Then a Magearna came!

Me: Cool a Magearna!

Eli: Awesome!

Magearna: (In a girls voice) Mind if I have some too?

Nico: Fern Flammel? Whoa!

Magearna: Awesome to see you again Nico.

Nico: Same here.

Nico: Can you revert back after we get the Power Star?

Magearna: I was going to anyway.

Nico: Okay.

Lincoln: But this is awesome.

Linka: It sure is!

Lincoln: Lets get to the star.

They got to the path.

Nico: I see Goombas up ahead!

There were Goombas along the path.

Qin: Whoa boy.

Lincoln: Lets get them!

Lincoln and Linka fired waves of lightning and blasted the Goombas left and right.

Nico: (gets out Chillyfish and Ice Demon's Ridewatches) You just had to intrude while I was enjoying myself, didn't you?!

Nico activated them and fired waves of ice and froze the Goombas into ice blocks and pushed them over the edge.

Lincoln: Take that!

Linka: Yeah!

They went for the star and more Goombas came.

Nico: You go this time, Fern.

Magearna: You got it!

She fired waves of lightning and blasted the Goomas all over!

Lincoln: Yeah!

Nico fired more blasts of energy and the Goombas were cleared away!

Linka: Oh yeah!

Lincoln: Lets get the star!

Nico: Let's see if there are anymore Goombas.

Lincoln looked around and saw none.

Lincoln: All clear.

Linka: Yep. All clear.

Nico: Good. Go for it guys.

Lincoln and Linka went and got the star.

YOU GOT A STAR!

Fern reverted back and was a girl with yellow hair and had green eyes and silver clothes.

Fern Flammel: That was so fun!

Linka: Yeah!

They high five!

Lincoln: What's your favorite memory of Nico?

Fern Flammel: When me and Nico were in auto mechanics class and we built an awesome prototype futuristic hovercar. It was cool.

She showed a picture of it and it looked like a car from the year 4,000.

Lincoln: (WHISTLE) That is spiffy! You guys did a great job!

Nico: Thanks.

Linka: That is cool.

Fern Flammel: Yep. It's a solar, wind and hydrogen powered hover car. Gets over 5,000 miles per gallon and on a single charge it can go for 1 whole year with zero pollution. I showed what we did to my parents and we made an awesome fortune on it. All thanks to you Nico.

Nico: Aww thanks Fern.

Nico and Fern hugged.

Nico: I've missed you.

Fern Flammel: Me too Nico. Me too.

* * *

Later we were flying over to Japan and it was to meet Kikyo Inuyasha's parents. Nico was holding onto me and shaking like a leaf as we were flying to Kikyo's house.

Kari Kamiya: It'll be an honor to meet fellow people from Japan

Gatomon: And another day of Nico being frightened.

Me: Yeah but it'll be awesome for you and your brother to meet Kikyo's family.

Kikyo Inuyasha: You guys are going to love meeting my mom and dad and Nicole I believe you know them too.

Nicole: I sure do. Takeshi and Yuriko Inuyasha are 2 colleagues of mine and they are geologists. They specialize in rock and mineral studies.

Nico: Wow! Nicole I didn't know you knew Kikyo's parents.

Nicole: You never asked about that.

Nico: Oh.

We arrived at Kikyo's home.

Kikyo Inuyasha: We're here guys.

We were shocked to see that it was an amazing and awesome multi-billion dollar mansion and it was as big as the Morbucks estate from before!

Me: WHOA!

Eli: Wow! Kikyo your house is amazing!

Lola: Boy it sure is!

Rice Fitzgerald: Boy I'll say! It's incredible!

Qin: No kidding!

Rarity: Oh I wouldn't mind having this kind of an amazing mansion.

Camie: It's beautiful.

We walked through the garden and it was amazingly beautiful and the coy pond was beautiful and so were the fish.

Laney: Oh wow!

Madison Taylor: Boy this is just as amazing as my mansion too.

Nico: It sure is an awesome home.

Kikyo Inuyasha: Yeah my family is filthy rich. But they don't let money go to their heads.

Xenia: It's an amazing home.

We saw Mr and Mrs. Inuyasha working on their garden.

Agumon began playing a funeral song.

Tai Kamiya: Agumon!

Agumon: Sorry.

Kikyo Inuyasha: Hello mom and dad.

Takeshi: Kikyo! Welcome home.

Yuriko: It's great to have you home.

Kikyo Inuyasha: Sorry I worried you guys. I have some guests with me.

They saw us.

Takeshi: Team Loud Phoenix Storm! It's an honor to have you here and Nicole it's good to see you.

Nicole: You too Takeshi.

Me: It's a pleasure to meet you too Mr. and Mrs. Inuyasha.

Kikyo Inuyasha: We have some things to talk about.

They saw Nico shaking like a leaf.

Nico: He he hello Mr. and Mrs. Inuyasha.

Takeshi: Nico its been a long time. How have you been?

Me: He's really nervous. That's why we are here.

Juran: Where are your best guns?

BLANG!

I bashed Juran on the head.

Juran: OUCH!

Nico: Do you want me to die?!

Me: Nico is afraid that you are going to blow his brains out with a shotgun because he is here to get your approval to have Kikyo in his harem.

Takeshi: Ah yes I heard about Nico's amazing harem and how he loves all his family. Also goodness no! We would never do that to someone that loves our daughter and has helped her out all over.

Nico: Really?

Yuriko: Yeah we love you Nico. And we would never hurt you.

Nico: (Relieved) (Faints)

FWOMP!

Emerging Scorponok: Wait. I see ripped clothes on the floor. Did that mean you first transformed here?

Kikyo Inuyasha: Yeah. My mom and dad know all about me becoming a gene-slammer and it was thanks to them that I was able to change back and forth at will.

Lola: Wow.

Laney used Smelling Salts on Nico and then he woke up. Felt like he got hit in the face with a sledgehammer.

Nico: WHOA! Sorry I fainted like that.

Kikyo Inuyasha: No worries.

Kikyo helped him up.

Maria: I hope when you first reverted back, you punched any nearby perverts.

Kikyo Inuyasha: Oh I did. I came out with my sword and slashed his arm off.

She pointed to a blood stain on the wall and a disembodied skeletal arm on the floor.

Me: YIKES!

Qin: Boy whoever did that really must've REALLY pissed you off.

Kikyo Inuyasha: Yeah my family has a very FIERCE Anti-Pervert statute. Whenever someone looks at any one of us naked, we slash off their arms hence why we have swords with us at all times.

Nico: Geez!

Takeshi: Yes but we only use these swords on perverts.

Nico: Good.

Me: Jiraiya-sensei would be terrified of you guys.

We laughed!

Naruto: (LAUGHS) Yeah Pervy Sage would not like that.

Nicole: No kidding. You guys would be awesome additions to the Anti-Pervert Patrol.

Nicole pulled out a business card for it and gave it to them.

Nicole: I formed the Anti-Pervert Patrol to enforce the dignity and safety of women and whenever perverts peek into women's hot springs or look at girls naked out in public they get a NASTY beating courtesy of me or my patrol members.

Yuriko: That is really interesting and cool.

Nicole: It sure is. And the pay is good too.

Yuriko: Awesome.

Stewie: (angrily) You should've been there when Quagmire… had his way with several women! It was the day Sunny Starscout joined us.

Sunny Starscout: Yeah that was awful.

Velma Dinkley: That was back when I was still scared of clowns.

Me: Long story.

Qin: Yeah.

Nico: Have we even gotten to comforting his victims?

Nicole: Yeah we have. Ino has been working hard with the A.P.P.'s Anti-Quagmire Consortium to bring therapy to all of Quagmire's victims.

Yuriko: How many women has this Quagmire got?

Nicole: Staggering. We counted that throughout the course of his life leading up to when we destroyed Quahog that he raped over 10,000 women.

Nico: HOLY CRAP!

Cleveland: Looking back in all honesty, I don't know what we were thinking being friends with him.

Yuriko: Hey, you didn't know.

Joe Swanson: That's not the worst part. The worst part is when he beat Brian up!

Yuriko: WHAT!?

Nico: Yeah.

Laney: And he said this to him.

Laney pulled out a recorder and played it.

Glenn Quagmire: (On the Recorder) You are the worst person I know. You constantly hit on your best friend's wife, the man pays for your food and rescued you from certain death, and this is how you repay him? And to add insult to injury, you defecate all over his yard. And you're such a sponge. You pay for nothing, you always say "Oh, I'll get you later," but later never comes. And what really bothers me, is you pretend you're this deep guy who loves women for their souls when all you do is date bimbos. Yeah, I date women for their bodies, but at least I'm honest about it. I don't buy them a copy of "Catcher in the Rye" and then lecture them with some seventh grade interpretation of how Holden Caulfield is some profound intellectual. He wasn't! He was a spoiled brat! And that's why you like him so much, he's you! God, you're pretentious! And you delude yourself by thinking you're some great writer even though you're terrible. You know, I should've known Cheryl Tiegs didn't write me that note. She would've known there's no "a" in the word "definite." And I think what I hate most about you is your textbook liberal agenda, how we should "legalize pot, man," how big business is crushing the underclass, how homelessness is the biggest tragedy in America. Well, what have you done to help? I work down at the soup kitchen, Brian. Never seen you down there! You wanna help? Grab a ladle! And by the way, driving a Prius doesn't make you Jesus Christ! Oh, wait! You don't believe in Jesus Christ or any religion for that matter, because "religion is for idiots!" Well, who the hell are you to talk down to anyone? You failed college twice, which isn't nearly as bad as your failure as a father! How's that son of yours you never see? But you know what? I could forgive all of that, all of it, if you weren't such a bore! That's the worst of it, Brian. You're just a big, sad, alcoholic bore!

When it was done their jaws dropped.

Stewie: I should've been there!

Brian: Stewie it's all right. Quagmire is gone. I'm happy he's gone.

Qin: Yeah.

Lola: Thank goodness.

Yuriko: I'm sorry you had to go through all that with him.

Brian: It's all right.

Maria: You don't mind if we hang out here for a while, do you?

Yuriko: Sure.

Qin: Thanks.

We hung out for a bit.

Takeshi: Thank you all for looking out for our daughter.

Qin: It was our pleasure.

Xenia: Yeah she is a great help to the team.

Nico: Where DID you first revert back anyway?

Kikyo Inuyasha: It was right here in the garden. Right where we are talking.

Nico: Oh man.

Qin: Yikes.

Lola: Yeah.

?: That must've hurt a lot.

A Marshadow appeared.

Me: Hey a Marshadow.

Bonnie Terrez: Oh it's really cute.

Lucy Loud: It sure is.

Marshadow: (In a girls voice) I do look cute like this.

Nico: Riley Viola? Whoa.

She reverted back and Riley was a girl with black hair and had black clothes and had purple eyes and had fingerless gloves and she had the kanji for shadow in the middle of her forehead.

Riley Viola: Awesome to see you again Nico.

Nico: You too.

Brittney: You are perfect for the Goths of Darkness.

Riley Viola: Thanks Brittney.

Fortress Maximus: What is your favorite memory of Nico?

Riley Viola: When me and Nico did a haunted house for Halloween and we scared numerous kids with my awesome shadows and knowledge of horror movies. My scariest illusion was when me and Nico did all the monsters for the movie The Thing.

Me: Whoa! That is very coincidental. I used the same thing in a maze to scare the living shit out of those jerks Hawk and Hank.

Riley Viola: Did you really?

Me: I sure did. Look.

I showed a video of what happened in chapter 15.

Laney: All right Stinkers. Lets see what scares you… [The Lights turn off]

Hank: "What's that?"

[Luna is playing on her organ]

Luna:

"When darkness falls on the house of Loud

Around every corner, new terror abounds

You don't want to lose your head! Ha ha ha!"

You can run, but you can't hide

They know that you taste better alive

I don't think that they've been fed

In a long, long time

Every corner, every floor

Watch out, they ain't herbivores

Ghastly ghouls out for blood

Sorry, bud

You got tricked

You got tricked

You got punked and pranked with a spooky twist

Before you wet your pants, better get out quick

Tricked, tricked, tricked

You got… tricked

Beware of fangs and bloody fur

A Loud House chainsaw massacre

There's no chance that you'll get out

Ghosts writing your eulogy

Heads are rolling literally

So, who needs their mommy now?

Spilling guts on the floor

Clean up on aisle four

Why you running off so soon?

Sorry dude

You got tricked

You got tricked

You got punked and pranked with a spooky twist

Before you wet your pants, better get out quick

Tricked, tricked, tricked

You got… tricked

[During the montage, the Loud Sisters scare the stinkers with everything they throw at them. Luan brings Mr. Coconuts to life, Lisa and Lily act rabid, Lori acts like she's been feasting on Rita, Lynn turns on her chainsaw, Lola appears like a corpse, Lana acts as her ghost, Leni walks around blindly under her dress with Geo rolling in his ball with the fake head still on, Laney was stirring a monster filled pot and cackled like a real witch,

Varie was in her dark side mermaid form and she terrified the stinkers by snarling and hissing and spraying the stinkers with water that smelled really horrible, I unveiled my surprise. I had my eyes covered by my hair and I start to change. I become a hideously gruesome and horrific monstrosity loaded with blood, guts, body parts, tentacles and more. I was a fusion of every single horrific monster from the movie THE THING! The monsters were from the 1982 and 2011 movies and the 2002 Video Game. Lightning flashed behind the monstrosity and flames from the Netherworld flickered around it and it scared the stinkers so bad that it made them soil their pants 3 times,

and everything else in the maze terrifies them to the point where the sounds of their screams catches the attention of the other kids on the block and their screams also catch the attention of a nearby police car, and the stinkers run into Lucy who is blocking the exit]

Lucy: "The crimes you have committed this night shan't go unpunished. You reap what you sow."

[She slashes a rope with her scythe, dumping a bucket of fake blood on them, making them scream]

Hank: "Blood!"

Hawk: "I'm gonna puke!"

Hank: "If you're gonna puke, I'm gonna puke!"

[As they run out screaming, Lucy gives a small smile of satisfaction]

Hank: [nauseous] "We're not… coming back here… again…"

[He and Hawk run off and a police car drives up and the officers come out]

Luna: [finishing her song] " You got… tricked. "

Officer Stacy: You two are under arrest.

When it was done everyone and even Riley Viola was amazed!

Riley Viola: WHOA! That was awesome!

Nico: That sure was.

Sakura Knudson: Whoa! Bro that was so cool! You really scared those jerks!

Lola: One of the best he ever did.

Xenia: That was so awesome.

Kate Lloyd: It sure was.

Me: I thought that was the most fun I ever did back then.

Varie: Me too.

Nico: Yeah.

Nico and Riley hugged.

Nico: I've missed you.

Riley Viola: Me too Nico.

We later came and were watching TV.

Flurry Heart came back.

Spring Man: (to Flurry Heart) How goes purifying Shadow Mewtwo?

Flurry Heart: Really well. I just purified an Articuno, Zapdos, Moltres, as well as a Gyarados, Lapras, Blastoise and Seaking.

Qin: COOL!

Me: Off to a great start Flurry Heart.

Nico: You sure are.

Cadance: That's my girl.

Lola: Yep.

The previous group then came.

White Lightning: Can me, Pterodactyl Ghost, Ice Demon, 10,000

Volt Ghost, Cheese Monster, BlackWarGreymon, Manta Bayarsh, Dumbelltron, Marionette Shadow, Electropede and Black Knight Ghost go with you guys?

Nico: Yes you all can come with us.

Cheese Monster: And Happy Birthday Lincoln.

Lincoln: Thanks Cheese Monster.

Nico: (Drools) I hope you gave Lincoln some cheese for his birthday.

We laughed!

Qin: Nico sure loves his cheese.

Lola: Yeah he sure does.

Camie: Who or what is Apocalymon?

Me: He's the Digimon of the Apocalypse. The Digidestined were totally overwhelmed by him.

I went over his history.

---

Apocalymon is the main antagonist as well as the final antagonist in Digimon Adventure, as well as the posthomous overarching antagonist of Digimon Adventure Tri. He was created by deceased Digimon during a reconfiguration and he was able to breach through the fire wall.

Digimon Adventure

Separated from the rest of the Digital World and forced to watch moments unfold, Apocalymon grew to despise the Digimon who were allowed to exist and intended to destroy the entire Digital World. As a result, Apocalymon began to influence events such as the reign of the Dark Masters and other evil Digimon that the DigiDestined defeated.

Upon Piedmon's defeat, with Spiral Mountain's last scraps of stolen land returned to the Digital World, Apocalymon destroyed the framework and castle of the mountain, drawing the Digidestined and their Digimon into a void where the mountain once stood.

Apocalymon reveals himself and he even self mutilated to show both his warped ideals and resolve. From there, using the attacks of many of DigiDestined's previous enemies, Apocalymon dedigivolves the Digimon and destroys the Crests before deleting the DigiDestined and their partners. However, still possessing the Crest power, the Digidestined return to existence with their Digimon as they manage to defeat Apocalymon, destroying all his claws and the humanoid part of him. However, Apocalymon uses his last resort attack Total Annihilation to destroy himself and everyone else. But the DigiDestined's refusal to give up enables their Digivices to create a barrier around Apocalymon to contend the blast, though a fragment of Apocalymon survived and incorporated itself into the Digi-Egg that would hatch years later into Meicoomon.

---

When I was done everyone that hadn't heard about him was shocked and horrified!

Qin: WHOA!

Nico: Yeah.

Pterodactyl Ghost: Shouldn't be a problem. We've beaten guys as tough as him

Nico: Not like this Pterodactyl Ghost. Tai and his friends told me all about him years ago. Apocalymon is NO LAUGHING MATTER! The crimes he did are completely incomprehensible. Apocalymon totally overwhelmed the Digmon with the copied attacks of the Digimon that they defeated, then he reverse digivolved their Digimon, destroyed the Digidestined crests and then banished them to the Data World. But in the end the Digidestined came back stronger than ever and they beat him with an amazing strategy. Then he tried to do a terribly drastic maneuver. He blew himself up and tried to take BOTH our worlds with him in a terrible supernova explosion capable of obliterating an entire dimension!

WE GASPED IN SHEER SHOCK AND UTTER HORROR AND DISBELIEF!

Pterodactyl Ghost: Okay I take that back!

Qin: HE'S THAT STRONG!?

Lola: Oh crap!

Me: And Apocalymon possesses that much power and he can obliterate an entire dimension!?

Eli: That is bad!

Buddy Line: Okay, so he won't be a pushover. But we can still beat him!

Me: Tai how did you and the Digidestined beat him before?

Tai: That was a really awesome battle.

He went over what happened.

* * *

The DigiDestined fall into darkness before stopping in midair. Gennai then contacts them and tells them of an ancient evil that the original DigiDestined defeated, and that a similar evil has returned and created the Dark Masters. The connection is broken and Apocalymon appears. He reveals that he was created from the pain and suffering that is caused when Digimon attempt to digivolve, but ended up disappearing. He says he hates the DigiDestined for being able to be happy when he is forced to be miserable and attacks them using abilities of the enemies that they've defeated in the past, such as the Dark Masters, Devimon, and Myotismon. Apocalymon then uses "Reverse Digivolve" to return all the Digimon to Rookie level (with the exception of Gatomon). When the Digimon attempt to digivolve again, Apocalymon destroys the DigiDestined kids' Crests.

The kids begin to lose confidence, and Apocalymon uses that fear against them to trap them and their Digimon in a binary prison in the world of data. The kids begin to lose hope, but their Digimon encourage them, reminding them of all the apparently unbeatable odds they overcame. They all realize that they've grown up and become stronger, better people, and the symbols of their Crests begin to glow over their hearts. They realize that they never needed the Crests and that they had the power inside them all along. Their Digimon all digivolve to their highest levels. They are then capable of reassembling themselves before Apocalymon, who reacts in shock and disbelief that they escaped the Data World, and prepare for the final battle.

This episode begins with the last few scenes of the previous episode including the segment of Crests, Digivolutions, and returning to Apocalymon, who is in shock and disbelief that the Digi-Destined were able to escape the Data World and return to the Digital World, and worse, enable their Digimon to Digivolve when he had destroyed their Tags and Crests. The team attacks him with all their might, with WarGreymon and MetalGarurumon going for his humanoid body, while the Ultimate Digimon destroy the arms of the core. Seeing he is about to be defeated, Apocalymon, in one last ditch effort, begins to detonate his body to "restart" the Digital World, using his suicidal kamikaze Total Annihilation attack. The DigiDestined begin to doubt that they can win, but their Digivices begin to glow and shoot out lasers that create a box around Apocalymon, preventing his eruption from destroying anyone but himself. With Apocalymon defeated, the DigiDestined prepare to spend the rest of their summer in the Digital World, after taking a group shot with all of their Digimon allies. However, Gennai informs them that they either had to leave immediately, or remain in the Digital World forever, now that they have two hours left before the Digital Gate closes, due to time between the Digital World and Earth having now become synchronized. After saying their goodbyes to their partners-with Kari giving Gatomon her whistle and saying that she is sure that they will meet again-except Mimi, because Palmon hides, so she doesn't have to say goodbye, the kids depart for home, with Mimi upset because of Palmon, but as the trolley-the same one from the Seadramon attack-begins to leave, Palmon, after some persuasion by the Gekomon, comes out and says her goodbye to Mimi while running alongside the trolley. The other

Digimon soon join her and send off their friends, and the DigiDestined ride into the eclipse. To end the series, Tai states that even though this adventure is over for now, the gate can't stay closed forever. He's sure that this won't be the last time they see the Digimon.

---

When it was done we were amazed yet saddened that the Digidestined had no choice to leave or they would be stuck in the Digital World forever.

Xenia: WHOA! So you had no other choice but to leave or be stuck in the Digital World forever.

Camie: That is hard.

Lola: Yeah.

Me: (GETS AN IDEA) HEY! I just got an idea.

Nico: What is it?

Me: I know just how we can defeat Apocalymon.

Ice Demon: Tell us on the way

Nico: Yeah.

Me: Okay.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Charlotte Eliodoro, one of the members of The Ghostrick Destroyers, and she's heading here to kill The Ghostrick Guardian Angels. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln,

everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and we got news, Raven: as we guessed it, Charlotte Eliodoro, one of The Ghostrick Destroyers is heading here to kill you all.

Makoto Haruki: (Japanese Accent) Just as we expected, but we'll be ready for her, and she'll suffer the same punishment back in the castle of The Michigan Supernatural Defense Force after we separate Rainbow The Clown from Mr. Mime and restore his colors and the colors to Townsville.

Crash Bandicoot: That blood-sucking fanatical religious zealot's already a dead vampire walking once she shows her ugly face, and I hope you use the attacks of the Digimon on that zealous vampire.

Nico: Now, that I'd like to see. Alright, gang, let's go, we're heading to The Digital World to deal with Apocalymon once and for all!

Lincoln: That monster's going to pay for every last one of his crimes against the entire universe. You wait, Apocalymon, your existence shall soon be brought to a permanent end, and once we get done destroying you for good, you're next, Charlotte Eliodoro.

Makoto Haruki: (Japanese Accent) You better be ready to die, Charlotte Eliodoro, because you deserve no such mercy from any of us for trying to kill us seven years ago, nor do you even deserve to live a single second further, you religious fanatic and zealous heretical demon, after we deal with Apocalymon!

Lincoln put up a rainbow energy field around The World Tree Estate and we headed to The Digital World to destroy Apocalymon and send that destructive omnicidal monster to The Black Gates for good, and once we got done with that monster, Lincoln, Makoto Haruki, and Crash Bandicoot are going to destroy Charlotte Eliodoro of The Ghostrick Destroyers and make her pay for her crimes.

We were off to File Island in Lake Huron.

---

We arrived at File Island.

Xenia: Good old File Island.

Molly Hale: Shouldn't we be headed to the Digital World?

Nico: File Island is now part of Earth and now the Digital World is part of the Earth now.

Molly Hale: Oh. That makes sense.

Nico: But we're going to be ready for him.

10,000 Volt Ghost: I still think we can destroy Apocalymon.

Nico: Yes we can.

Me: Yep. And I have a plan.

Xenia: What is it?

I showed a multiverse map.

Me: My plan is this. I was monitoring the multiverse and I found a universe where everyone is born pure evil. Hence that black ball there.

I pointed to it.

Nico: Whoa!

Qin: I would not want to visit that.

Lola: Me neither.

Me: Yeah. My plan is this. When we defeat Apocalymon, the blasts from our techniques, final smashes and combos will be infused with Black Gates energy and then he will try and do what he did before and he will try and blow himself up. That's when I will send him to that universe.

Nico: I get it! Send him to that universe and banish both him and the Evil Universe to the Black Gates forever.

Me: Bingo.

Meta Knight: WarGreymon should be used to fight him.

Agumon: That we can do.

Nico: Awesome idea.

Qin: Yep.

Lola: Yeah!

Nico: We'll be ready for him though.

Xenia: Yeah we sure will be ready. Hard to imagine that he was defeated by the Original Digidestined years ago.

BlackWarGreymon: I'll face him as well.

Nico: Good idea.

Me: We're going to need all the Mega Digimon we can muster for this one.

Zhuqiaomon: Count us in.

Azulongmon: I agree.

Ebonwumon: (Irish Accent) It will be fun for us to face him lads.

Baihumon: It sure will be good.

Future Maria: How bad is this evil universe?

Nico: They have nothing cute.

Me: And they all hate EVERYTHING good and cute.

Future Maria: Yep. It needs to go.

Me: Yep. In fact according to this, the evil universe is one where we don't exist and haven't left our mark on it.

Xenia: Whoa.

Qin: Yikes.

Manta Bayarsh: Apocalymon has no idea how powerful we are

Tai: No we have gotten stronger since our last encounter.

Qin: Yeah you guys have all gotten stronger since then. But so have we over the years.

Lola: Yep that's right.

Camie: This is gonna be good.

Lana: It sure will be.

June: He must be strong as Aku

Nico: Actually from the way Tai and his friends described him he makes Aku look like a saint. He is pure evil to the Nth degree. But he is not NEARLY as strong as Aku was.

Samurai Jack: Yes Aku was a nasty problem.

Laney: Big difference.

Dumbbelltron: His name is Apocalymon. That speaks a lot of how evil he is

Me: He's the Digimon of the Apocalypse.

Xenia: Yeah the End of Everything.

Qin: Yep. And he possesses enough power to wipe out an entire dimension.

Kari Kamiya: That's right. He was that dangerous and strong.

Camille Izumi: I heard about everything that happened when you guys faced him before. That was really intense for you right cousin?

Izzy Izumi: It sure was cousin. But it was a good battle.

Camille Izumi: It sure was. Well done cousin.

Dusk Wars Mandarin: It's a very good thing you joined us today.

Camille Izumi: It sure is. And with the powers of 1,400+ Digimon in me, it will be an epic fight.

Xenia: It sure will.

Varie: Looking forward to this.

Nico: Same here.

Then we heard something and it sound like ominous voices.

Me: Hear that?

Marionette Shadow: I heard dead people.

Nico: He's close. I sense it.

Laney: LOOK!

We saw a figure in the sky and it looked like a puzzle box and then it morphed and then out came claws on Helix Chains and then we saw a figure on it! It was APOCALYMON!

Me: There he is!

Xenia: Apocalymon!

Apocalymon: I AM THE ULTIMATE EVIL, COMPLETE WITH HOT AND COLD RUNNING WATER.

Nico: Entrance time!

We went at him.

He was looking at Earth.

Apocalymon: So this world will be destroyed.

Then the spirits of all 1,400+ Digimon came and they swirled around him and then they converged and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and then a phoenix cry was heard and we came out.

Me: Apocalymon!

Xenia: WHOA!

Apocalymon: ARE YOU REPULSED BY MY APPEARANCE? DON'T BE AFRAID TO HURT MY FEELINGS. THEY'RE ALREADY HURT. YOU SEE, I WAS CREATED FROM ALL THAT WAS LOST DURING THE DIGIVOLVING PROCESS.

I then went SUPER ANGEL EBONWU UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA COSMIC ELEMENTAL WOLF MOON PHOENIX!

Me: (Divine Echoing Godly Voice) **Now it's time for you to pay for your crimes!**

Xenia: Yeah!

Apocalymon: DO YOU THINK IT'S FAIR THAT I SHOULD HAVE TO LIVE WITH ALL THIS AGONY? WHY SHOULD YOU GET TO LAUGH WHILE I AM FORCED TO CRY? WHY DO YOU GET TO TASTE THE BEST THAT LIFE HAS TO OFFER, WHILE ALL I DO IS CHOKE ON ITS LEFTOVERS?! ANSWER ME THIS! WHY DO ALL OF YOU GET THE PIZZA, WHILE I GET THE CRUSTS?!

Nico: Sheesh buddy get a life!

Chaor: Got some nerve bringing Pizza into this!

Nico: Yeah!

Apocalymon: Been a long time Digidestined!

Tai: We haven't forgotten you!

Me: **Soon you will be forgotten!**

Apocalymon: I WILL RULE THE WORLD AND PLUNGE IT INTO DARKNESS, SO I DON'T HAVE TO BE ALONE ANYMORE IN MY MISERY. AHAHAHAHAHAH… WAIT A MINUTE! WHAT AM I LAUGHING AT!? I'M SUPPOSED TO BE DEPRESSED!

Me: **Sheesh you are pathetic. But here is something to start us off. KAAAAAAAAA MEEEEEEEEE HAAAAAAAAAAA MEEEEEEEEEE HAAAAAAAAAAAAAAAAAAAAAA!**

Apocalymon: (ECHOING) RIVER OF POWER!

He turned one of his claws into MetalSeadramon's head and it fired an energy blast and my blast overpowered it and destroyed the claw!

Nico: Nice shot!

Xenia: Take this!

She fired an energy arrow and blasted 2 claws!

Lola: YEAH!

Electropede: You're right. You're supposed to be depressed. And here's something to add to that!

He fired a blast of lightning and it hit more claws and destroyed them and then it hit the main body and blasted him all over.

Qin: YEAH!

Zhuqiaomon: Take this one! (ECHOING) BLAZING HELIX!

He fired a flaming helix blast from his wings and it hit the rest of the claws and destroyed them.

Lola: Take that!

Apocalymon growled!

Apocalymon: Lets end this! (Echoing) VIRUS GRENADES!

He Fired Datamon's Virus Grenades from every opening and I formed a force field and protected us.

RD Lori: Is that literally the best you got?!

Me: Yeah you have no more claws.

Apocalymon: I'm just getting started here.

Nico: What a coincidence. So are we.

Nico formed a small orange energy ball on his finger and then he held it up and it grew big!

Nico: Try and stop this one.

Nico fired a SUPERNOVA BALL! It hit Apocalymon and exploded!

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It was a massive fiery explosion. But when the smoke cleared he was mangled up.

Qin: Nice one!

Black Knight Ghost: What else you got?!

He growled ferociously!

Me: Sheesh! Gifted speaker.

BlackWarGreymon: Top this then! (ECHOING) TERRA DESTROYER!

He formed a huge red energy ball and threw it and it hit Apocalymon and exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It was a massive fiery explosion!

Qin: YEAH!

Lola: Take that!

Then See-More, Mr. Mittens, Red Ghost, Madame Masque, Grodd, Scorpion, Doc Ock, Zavok, Fireor and Whirlin came.

Nico: See-More, Mr. Mittens, Red Ghost, Madame Masque, Grodd, Scorpion, Doc Ock, Zavok, Fireor and Whirlin.

See More: Geez, Apocalymon looks powerful.

Mr. Mittens: But then again, so are you guys.

Red Ghost: He doesn't stand a chance.

Me: Nope. We are too strong.

Madame Masque: (to Nico) We heard you went to the Beach Zone.

Nico: We sure did.

Grodd: Did you have a nice time?

Nico: We sure did.

Qin: It was so fun.

Lola: Yeah.

?: That was awesome.

A figure came out and it was MADIMOT from episode 9 of Samurai!

---

Madimot was one of the Nighloks. He stated that he is "the baddest of the bad". He used a shield and whip in battle. His ability was to shoot energy blasts that could put people and Zords under his control and make them do his bidding.

In the ninth episode, Madimot arrived at Master Xandred's Junk and volunteered to fight the Samurai Rangers. He refused Deker's help and went to battle the Power Rangers alone. He also showed Dayu and Octoroo that he possessed the lost TigerZord.

Madimot arrived at the human world in the forest and encountered the Rangers. He used his ability and fired energy at Mike, but Kevin jumped in the way and fell under the Nighlok's control. When Kevin attacked Jayden, the team retreated.

Then Madimot and Kevin attacked the construction site and again encountered the Rangers. Jayden dueled Kevin, while the other Rangers and Deker watched. Jayden used an attack that freed his friend from the Nighlok's power. Madimot then summoned the TigerZord and ordered him to attack the Rangers. Jayden used his Lion FoldingZord to battle the TigerZord and succeeded in freeing the corrupted Zord. Madimot then battled the other Rangers and was defeated and destroyed by the heroes.

---

He returned as a Mega-Monster, but was destroyed again by the new Tiger Drill Megazord.

Kevin: Madimot!

Madimot: Nice to see you again Blue Ranger.

Me: I remember you! You used your Mind Control powers to control Kevin and you made him attack his fellow Rangers.

Madimot: That's right. Good memory.

Me: Yeah.

Kevin: You better not be thinking of controlling me again!

Madimot: Nah. I know that's impossible now. So I controlled someone else.

Out came a Vilemon.

Me: A Vilemon!

Apocalymon: THAT'S MY MINION! GIVE HIM BACK NOW!

Madimot: You snooze you lose jerkwad!

Johnny 2X4: Plank says to go blow it out your nose Apocalymon! (LAUGHS)

We laughed!

Xenia: Good one Johnny!

Lola: Yeah!

We got the battles underway.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really

strong, and really powerful man.

Selene Lancelot: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Selene, what other memories did you have with Lincoln?

Selene Lancelot: Oh man, I was hoping you'd ask that. Well, there was this one time, Lincoln and I went to Lake Superior with the rest of The Royal Woods Knights of The Michigan Table for a time of rest and relaxation along with doing some more training and working out. But, then, we heard the all-too familiar sound of deranged laughter and the deranged scream of revenge against Lincoln, and we all saw who it was: it was that deranged, fucked-up, vengeance-obsessed, basket case, demonic evil monster, Jack Delenney, Joan's ex-little brother, he broke out of Westfinster Prison again, and he still wanted to kill Lincoln and Joan, but Lincoln and I fired chains of dark magic which bound that crazed lunatic and we also put a muzzle on him. Then, Lincoln called the cops and Jack Delenney was taken back to Westfinster Prison, and when Lincoln and all of us told them of what that deranged madman tried to do to him and Joan, they pressed charges on him and he got another Life Sentence added to the multitude of Life Sentences he'd acquired.

Me: Oh man, I remembered that day all too well.

Nico: That bastard, doesn't he even know when to quit!?

Lincoln: He doesn't, Nico. Jack Delenney wanted to kill me and Joan too many times, but he got put down by us too many times to count and sent back to prison.

Joan Delenney: No matter how many times we've had to beat him to a bloody stain, Jack refused to quit until we were dead. But, he finally paid the price for his foul misdeeds when he broke out of jail once again to try and get revenge on us once again, and he was eventually killed by your curse and sent to The Black Gates by God's Judgement.

FLASHBACK ENDS

Madame Masque: Boy Joan's brother is nothing but trouble!

Makoto Haruki: (Japanese Accent) (Growls) I should've known there was no mistaking that voice from anywhere. Get out here right now, Charlotte Eliodoro, before things get really ugly!

A girl with black hair, red hairband, red eyes, and dressed in a black coat, white bridal gloves, white shirt, necklace with red gem pendant, black pants, and black knee-high boots with butterfly buckles came out, and it was none other than Charlotte Eliodoro, religious zealot and fanatical so-called vampire hunter of The Ghostrick Destroyers who was exposed as a murderous demon and heretic, and one of the twenty-two human-despising vampires from Transylvania.

Makoto Haruki: (Japanese Accent) Charlotte Eliodoro, I should've known you'd show up here! Lincoln warned you all to never to show your faces again after he kicked you all out of Royal Woods seven years ago.

Charlotte Eliodoro: We will never stop, all of you shall be destroyed in the name of God!

Me: You really are a delusional religious fanatic!

Nico: And an infinite-times fucked up one for that matter!

Lincoln: I did say they were absolutely insane and driven only by religious delusions, and for that, I blame their parents for that one. But, the jig's up, Charlotte, Ophelia already exposed her true self, and that's being one of the twenty-two human-despising vampires from Transylvania.

Makoto Haruki: (Japanese Accent) Indeed, and it's high-time we bring this delusional vampire down for good.

Suddenly, Makoto Haruki's orange eyes turned neon yellow and she was surrounded by a black and orange energy aura with stars, darkness, light, shadows, cats, and angels, she unholstered her massive Ghostrick Nekomusume's Japanese Nekomusume Darkness Archangel Greatsword of Japanese Darkness Nekomusume Angel Justice from her back, and as she approached Charlotte Eliodoro, she left black and orange energy, stars, darkness, light, shadows, cats, and angels with every step.

Makoto Haruki: (Japanese Accent) Accent) I can already see that time hasn't changed you, you're still the same religious fanatic and zealous so-called vampire hunter who was exposed as a murderous demon and heretic seven years ago along with being one of the twenty-two human-despising vampires from Transylvania. We thought we wouldn't have to deal with you ever again after Lincoln chased you all out of Royal Woods, but as always, you refused to learn your lesson, and you had the nerve to come back after you were explicitly warned. You now have nowhere to run to, Charlotte Eliodoro, and now, you shall pay the price for your misdeeds with your own blood.

Suddenly, Makoto Haruki as surrounded by a massive vortex of black and orange energy with stars, light, darkness, and shadows surrounding the vortex, there are cats, angels, and Ghostrick Nekomusume flying around the vortex, and in the vortex is an orange phoenix with blood red eyes glaring at Charlotte Eliodoro: the red eyes of eternal death. Then, as the vortex faded, Makoto Haruki emerged, but she was changed forever.

Suddenly, Makoto Haruki's massive Ghostrick Nekomusume's Japanese Nekomusume Darkness Archangel Greatsword of Japanese Darkness Nekomusume Angel Justice and all the other greatswords and swords she'd gotten began merging together and they're surrounded by a kaleidoscope of black and orange energy, stars, darkness, light, shadows, cats, and angels, and when it emerged, it was transformed into Makoto Haruki's Ghostrick Nekomusume Japanese Darkness Archangel Greatsword of Japanese Darkness Nekomusume Angel Justice, it's a brand-new massive greatsword with embedded purple gems and Ghostrick Nekomusume etched on the 7'4" massive, wide, double-edged black blade, large cat heads for the crossguard, large white angelic faces built into both sides of the hilt with large orange gems embedded in their foreheads, longer midnight black handle, four large cat heads and below the cat heads is a large white angel head with purple gems for eyes and an orange gem in its mouth for the pommel, she has on her new brand-new large gold cuff Bracers of the Champions of The Universe with orange gems on her wrists and Dragon Ball Bracelet on her left large gold cuff Bracer, new large gold Belt of

Makoto Haruki has transformed into SUPER ANGEL-GHOSTRICK NEKOMUSUME-NEKOMUSUME-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA JAPANESE MUMMY DARKNESS LIGHT GHOSTRICK NEKOMUSUME ANGEL OF DIVINE JAPANESE DARKNESS LIGHT NEKOMUSUME ANGEL JUSTICE AND DIVINE JAPANESE DARKNESS LIGHT NEKOMUSUME ANGEL LOVE!

We were amazed by Makoto Haruki's Super Angel-Ghostrick Nekomusume-Nekomusume-Harmony Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Charlotte Eliodoro saw it, she fell into an even more darker and more insane rage and ran at Makoto Haruki with a knife, this time to stab her in the heart to kill her, but Makoto Haruki fired a powerful barrage of black and orange energy blasts, stars, darkness, light, cats, and angels at the insane vampire hunter and delusional vampire and they exploded with incredible power as they hit her, and this really pissed her off.

Me: Whoa!

Nico: Oh man, Makoto's transformed, and now, there's nowhere for that delusional vampire to hide.

Lincoln: No villain's ever been safe, not even from The Nekomusume Angel of Michigan, and what she had done in casting curses on the villains was literally that powerful, and now, Charlotte Eliodoro's going to pay the price for her crimes.

Makoto Haruki: (Divine Godly Cosmic Voice of The Japanese Darkness Light Japanese Nekomusume Angel Ghostrick Nekomusume Angel and Divine Japanese Darkness Light Japanese Nekomusume Angel Ghostrick Nekomusume Love) (British Accent) And pay, she will. Now, let's rip her to shreds, Linky.

Crash Bandicoot: Don't start without me, guys.

Crash Bandicoot unholstered his massive Crash Bandicoot's Skylands Ten Elemental Wolf Draconic Bandicoot Greatsword of Ten Elemental Skylands Justice and Ten Eternal Elemental Skylanders True Bravery from his back and he transformed into Super Angel-Bandicoot-Dragon-Elemental Skylander-Harmony United Friendship Universal Eternal Celestial Xelnaga Ten Elemental Knight Elemental Skylander Draconic Bandicoot Angel of Divine Ten Element Skylands True Hero Knight Draconic Bandicoot Angel Justice and Divine Ten Element Skylands True Hero Knight Draconic Bandicoot Angel Bravery.

Crash Bandicoot: (Divine Echoing Godly Voice of The Ten Skylanders Elemental Draconic Bandicoot Angel and Divine Godly Universal Ten Skylanders Elemental Draconic Bandicoot Angel Bravery) You now have nowhere to run to, you blood-crazed delusional bat.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Makoto Haruki and Crash Bandicoot.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) I warned you of the consequences should you and the rest of The Ghostrick Destroyers dare to show up again, Charlotte Eliodoro, now it's time we put you down for good!

Makoto Haruki, Lincoln, and Crash Bandicoot went after Charlotte Eliodoro, and they fired extremely powerful blasts of rainbow energy, black and orange energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Charlotte Eliodoro and they exploded with incredible power as they hit her.

Then, they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and firing energy slashes from his claws and he, Charlotte Eliodoro, and Crash Bandicoot also attacked her with punches, kicks, and karate chops, along with elemental blasts, and this was really driving Charlotte Eliodoro mad.

Charlotte Eliodoro: You… YOU! (Red Eyes turning Blood Red with slit pupils and vampire fangs grew) I WILL KILL YOU!

Charlotte Eliodoro's vampiric nature came out, and now, she was out for blood. Charlotte Eliodoro ran at Lincoln, Makoto Haruki, and Crash Bandicoot, and she tried to attack them, but they dodge her attacks, and then, Lincoln drove his massive greatsword into Charlotte Eliodoro's stomach, and he began sucking out her vast dark powers, immense strength, and vampiric abilities, and he made them his own. Then, he removed his massive greatsword from her stomach.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, for the grand finale.

Lincoln put Charlotte Eliodoro in a brutal bearhug, so she couldn't escape, and then, he began absorbing her into his body as her body was being broken down by the acid released by Lincoln's acidic cells and absorbed into his body, and then, he drained Charlotte

Eliodoro's soul of her life energy as we saw his rainbow energy fire aura and protective rainbow aura with mythological animals and elemental forces flare up and he was gaining a massive power boost. Then, as soon as he was done absorbing Charlotte Eliodoro into his body and then draining her soul of her life energy, an energy card with Charlotte Eliodoro's drained soul appeared in his left hand. We cheered wildly for what Makoto Haruki, Lincoln, and Crash Bandicoot did as they holstered their weapons and powered down, and Makoto Haruki's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long orange wolf tails, and massive black angel wings are permanent.

Makoto Haruki: (Japanese Accent) That's one down and thirteen of these monsters to go, and we're now pissing them off greatly. Thank you for helping us get rid of that religious fanatic and zealous heretical vampire, Linky, you too, Crash.

Lincoln: (Smiles Warmly) You're welcome, Makoto.

Crash Bandicoot: She did need to pay for what she did, and I'm always happy to help.

Crash Bandicoot went back to us, and suddenly, Makoto Haruki wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Makoto Haruki's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Ghostrick Nekomusume flying in the air, and we saw a herd of Buffalo and many animals running across the field as cats gathered around them and we cheered wildly. Then, Lincoln and Makoto Haruki absorbed the elemental forces and they came back to us as the display vanished.

Nico: Whoa, oh man, now that's what I call a truly awesome fight, Lincoln, Makoto, Crash, you showed that showed that vampire no mercy whatsoever, and sent her to her death.

Lincoln: She didn't deserve any mercy, I warned them never to show their faces again, but those fools never learn.

Me: And you used The Pillar Men's absorption on her, nice one.

Lincoln: And after I absorbed her body, I drained her soul of all its' life energy, now for the second part of her punishment.

Lincoln sent the soul of Charlotte Eliodoro in a cage and he put the curse on her that gave her back her life energy, but once that happened, suction tubes came out and were attached onto her, and then, the suction tubes activated, and Charlotte Eliodoro's life energy was being sucked out of her again: she was condemned to that punishment until all of The Ghostrick Destroyers are killed, and it flowed into Lincoln and The Michigan Supernatural Defense Force as they gained a massive power boost.

Nico: (Snickers) That Room of Tortured Souls is definitely a top-notch prison for some of Michigan's most dangerous thugs and criminals.

Lincoln: And the curse I put on them has continued to work for seven years, that way, they can suffer for all eternity of regaining their life energy only to have it drained out of them again and flowing into us. But, if any of them get a little out of hand, I put in a counter curse, should any of them get a little out of hand or try to escape, the counter curse will activate and the life energy they regain from the curse will not only be drained out of them forever, but they'll be sent to The Black Gates forever with help from our stone gargoyles and stone vampire bats perched outside the castle.

Ravenna Amaranth: And Lincoln also put up a new curse: once all the members of The Ghostrick Destroyers are destroyed and sent to The Prison of Tortured Souls and all their life energy has been drained, they will be sent to The Black Gates forever.

Me: Cool!

Nico: So, you'll keep them imprisoned inside the castle's prison until that day comes, nice one. So, Lincoln, which Noble Knight Gene-Slammer are you meeting tomorrow?

Lincoln: Ooh, I've got just the one: we'll be meeting the Gene-Slammer of Noble Knight Borz.

Melanie Artorgius: (Gasps) Awesome, and there's only one person who'd be Gene-Slammed into Noble Knight Borz, Jamie Bors, and you guys will love meeting her, Jamie Bors is Lincoln's Guardian Angel from Michigan and she's a very powerful wielder of magic and a very powerful swordswoman, and a member of The Royal Woods Knights of The Michigan Table. She trained Lincoln both in the art of swordsmanship and in magic, and he became a very powerful swordswoman, and she also taught him much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those he loves and holds dear to his heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Jamie Bors is also a direct descendant of Bors the Younger of Camelot.

We gasped.

Me: Bors the Younger, one of the best Knights of the Round Table and who also participated in the achievement of the Holy Grail.

Katara Chevalierflamboyant: (French Accent) That's right, plus, Lincoln made her a blue coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Jamie Bors hates Luan with a very blazing passion. One day, Jamie and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Luan, and she'd brought with her an army of thugs she hired. Jamie Bors and Lincoln went out there along with the rest of us, and she'd slain them with her greatsword, The Ultra OmniKnight Blade. It drove Luan into a blood-crazed fury, but before she could unleash her wrath on us, Lincoln and Jamie fired chains of light magic which bound Luan and tied her up. Lincoln called Luna, who showed up along with Leni, Luna, Laney, Lucy, Lana, Lily, and the parents, and when we told them of what Luan did, they were furious.

Nico: Should've known Luan would do something like this.

Lincoln: I know, I was disgusted that Luan would do this, but in the end, their plan failed, and Luan got grounded for eighteen weeks and Jamie Bors and I casted a spell to make sure she couldn't try to come after us for revenge after she got thrown in her cage

Me: Yeah, messing with the descendant of Bors the Younger and one of the members of The Royal Woods Knights of The Michigan Table will have disastrous consequences.

Nico: Luan really hated that her greatest "plan" was foiled once again, and she got into even more serious trouble.

Lincoln: She didn't listen to any of our warnings in the past, and look at what happened. And now, for tomorrow, we're going to face off against Emma Eleazar.

Morrigan Dabria: Yes, which means you and I will be facing her, Linky.

Crash Bandicoot: And I'll be joining in as well.

Ravenna Amaranth: That's right.

Nico: And now Apocalymon is gone.

Scorpion: That's it for that jerk.

Doctor Octopus: That universe probably wasn't good for anyone.

Zavok: Now, it's a forgotten memory too.

Tai: Does it matter?

Matt: Apocalymon is finally destroyed.

Fireor: Of course he is.

Whirlin: This calls for a celebration!

Me: I agree!

Nico: Yeah! Great job today everyone! And as a bonus victory we destroyed Universe Skull.

Lola: Universe Skull?

Me: The name of the evil universe. I made it up.

Lola: Oh.

Nico: That was awesome though. Great job J.D.! And Great job everyone.

Me: Thanks.

Tai: (To the viewers) This was an awesome adventures and we hope you all liked it.

Xenia: We all did.

Me: Yep.

We went to Lynn's Table and had a great meal and then we went back home and enjoyed the rest of the day and went to sleep.

THE END

Qin: Brr it's cold!

Venus: No kidding!

Lola: Yeah it sure is cold!

Vinyl Scratch: Boy it's freezing!

Lola: I know!

Me: I sure is cold here.

Lana: I know! Isn't it great?

Kate Lloyd: It sure is cold. But I think it's fun.

Xenia: Yeah.

Nico: Hawkgirl, I want to thank you, Magneto, and your teams for coming.

Hawkgirl: It's my pleasure Nico. It's awesome.

Laney: It sure is awesome.

Angel (X-Men): It sure is fun to be with you guys for this.

Nico: Angel, I prefer your normal look then the Archangel form of your Yost counterpart

Angel (X-Men): I'm honored that you think that Nico. I actually like the normal look myself.

Nico: Good. I'm glad too.

Me: Warren you are a great hero too and you have done so much for all kinds of people and not just the X-Men.

Angel (X-Men): I know and it's always a constant struggle. But it's fun.

Lola: It sure is.

Nico: Angel, the Prime Apocalypse is still out there. Promise that you won't make any sort of deal with him no matter what

Angel (X-Men): You have my word Nico. I will never do so with him.

Me: Apocalypse will pay for his crimes.

Lola: Big time.

Qin: Yeah no kidding.

Lana: Yeah.

Nico: But yesterday's mission was awesome.

Camie: It sure was. We got rid of Apocalymon and destroyed an entire universe ruled by evil.

Qin: We sure did.

Nico: (laughs) It's funny how you brought that up after we just finished discussing about Apocalypse!

Me: Yeah it sure is and he was the Digimon of the Apocalypse.

Qin: Yeah and the Apocalypse is the End of The World and Apocalypse is said to be the Very First Mutant.

Lola: That's right.

Nico: Yeah. But that was still an epic battle.

Lily: It sure was. He turned out to be easier than we thought.

Nico: Not even a Digimon as powerful as Apocalymon was strong enough to defeat us.

Xenia: That is for sure.

Hawkgirl: I agree there.

Nico: And we got rid of an evil universe.

Me: We sure did. I went to King Kai and he told me all about what it was like there and to my shock and horror, it was a universe where there was not one person that was good. Only evil reigned. King Kai was glad that a universe like that was completely wiped out.

Camie: Thank goodness.

Nico: No kidding. At least it will never terrorize anyone.

Lola: Yeah no kidding.

Nico: And Apocalymon had the nerve to bring pizza into our fight!

Me: I know! How pathetic.

Xenia: Yeah what a drama queen.

Laney: No kidding. What a jerk.

Varie: Yeah.

Nico: Either Way he got what was coming to him.

Eli: He sure did.

Camie: And we saved the entire universe from doom.

Eddy: J.D.'s plan worked perfectly.

Pikachu 2: Later, me and Piplup are going to check out this place called Wish Park that we've been hearing about.

Me: That will be interesting to see.

Lola: Yeah.

Qin: It sure will.

Laney: Looking forward to that one.

Camie: Same here.

Piplup: We'll be going to the Cove Area for that. You guys should come there for the main mission.

Nico: That's what we're going to do for it. Awesome.

Qin: Yeah. This will be awesome to see.

Tsuyu: It sure will.

Sirius: Looking forward to it.

Ibara: Same here.

Poromon: Let's make snowmen!

Eli: Like how Elsa and Anna do.

Qin: Yeah!

Eli: Yep.

Me: Like this.

I used my ice powers and made an awesome snowman.

Nico: Cool!

Lana: I made an igloo.

Lana made an awesome ice igloo.

Poliwag made a snowman… that had 2 heads and several arms!

Nico: A Snow Mutant.

Poliwag: Yep.

Nico: Awesome.

May: I think it's cool.

SPLAT!

A snowball hit May in the back of her head.

May: HEY!

I whistled innocently.

Manaphy: J.D. did it, Mama.

Me: (Sarcastically) Thanks a Lot Manaphy!

May: Why you little!?

May then made a huge snowball as big as her head and threw it at me and I substituted with Maria and it hit her square in the face!

KRASPLAT!

SMASH!

It knocked her down.

May: Oh no!

Then I came back with a huge Fitness Ball Size snowball and I was lifting it up with my super strength and I threw it and it smashed May down and buried her in snow!

Piplup threw a snowball at me.

SPLAT!

It hit Nico in the back of the head.

Nico: HEY!

Me: Piplup did it.

Nico: Why you?!

Nico grabbed a snowball and threw it and he hit Piplup.

SPLAT!

Piplup was smashed down.

Qin: Yeah!

We laughed!

Qin: (LAUGHS) Funny and fun!

Camie: Yeah!

Me: Hey Luan watch this.

I then snuck up behind Nico and poured snow down his pants!

Me: FROSTBUTT!

Nico: YEOWCH! COLD COLD COLD COLD COLD COLD COLD COLD!

Nico was dancing around like a sissy girl.

Nico: HEY!

Me: (LAUGHS) Sorry Nico. I learned that one from Luan when we were showing Lisa the fun of snow days.

Lisa Loud: (LAUGHS) Yes I do remember that one and it was most enjoyable to see.

Nico: Oh!

Camie: That is funny.

Lola: That was a fun day for us.

Anna Anyanova: (LAUGHS) That is funny and cool.

Rainbow Dash: It sure is awesome. J.D. think fast!

She threw snowballs at me and I used Rarity's jewel shield and blocked them.

Me: Nice try R.D.

Nico: Anytime you guys want to try out the attraction here, let me know

Qin: Okay.

Me: We're ready. What is the attraction and who wants to volunteer for it?

Piplup: It's Empoleon's Snow Slide.

Lana: Cool! I'll do that one!

Me: Sliding like a snowslide like a penguin. That will be awesome.

Nico: It sure will.

Laney: Go for it Lana.

Lana: All right.

Empoleon appeared.

Empoleon: This will be fun for you.

Lana: I'm ready.

Empoleon: You need to slide to the finish line at the required time.

Me: What is the required time?

Empoleon: Under 2 minutes to qualify. First place is under 1 minute.

Lana: Easy.

Me: Go for it.

Laney: Here we go.

Empoleon: Ready?

Lana: I sure am.

Empoleon: AND GO!

(SUPER MARIO RAINBOW RIDE THEME PLAYS)

They ran and Lana and Empoleon slid down the slide and they were having a fun slide! They went through pipes, loops and more.

Lola: GO LANA!

Qin: Wow!

Then Lana crossed the finish line first!

We cheered!

Qin: YEAH!

She won in 45 seconds.

Lincoln: Nice job, Lana!

Me: YEAH!

Qin: That was fun!

Lola: Yeah it was!

Lana: Thanks guys.

Empoleon: Also, be wary of Wish Park. I've heard rumors that it might not be friendly

Me: Thanks for the warning.

Eli: I sense that something is going on there.

Qin: We better be ready for it.

Lola: Yeah.

Camie: Yeah.

Nico: Now for the Anothers.

Sakura Knudson: Wonder who they… (WINCES)

Sakura Knudson's mark for Libra glowed. Those marked by the constellations of Sagittarius, Aries, Leo, Pisces, Cancer, Virgo, Scorpius, Capricorn, Aquarius, Gemini and Taurus glowed too!

Nico: Your marks are glowing.

Eli: We have Anothers for the Zodiarts of Libra, Sagittarius, Aries, Leo, Pisces, Cancer, Virgo, Scorpius, Capricorn, Aquarius, Gemini and Taurus.

Me: Whoa! All 12 Signs of the Celestial Zodiac.

Lola: This is a first.

Nico: I hope some of them are single people.

Eli: No they aren't.

Me: And it would take too long here. I do not want to stay here for that. We would freeze.

Nico: You're right.

Lily: Yeah I'm shivering!

Laney: And my nose drippings are turning into Icicles!

Nico: Okay okay you made your point.

Eli: I sense that they are all one person and its are one of Lincoln's Guardian Angels.

Lola: Cool!

Nico: That's what I meant.

Me: Oh. Sorry.

Nico: No worries. Who do we call in for them?

Me: Some of them are already here. Angel, Tetsuo Daishinshi, Olivia Houou, Brittney Knudson, Hanabi & Aries, Aqua Eridanus, Ryo Ogami, Ren Akamichi, Nudge, Songbird, Meilin and Hikari Yukimura. Flare Prominence will get the Gemini Zodiarts.

Qin: Cool!

Lola: Wow!

Angel: Call whoever's not here.

Nico: Hanabi & Aries, Aqua Orimoto, Nudge, Songbird, Meilin, Hikari Yukimura and Flare Prominence are not here.

Maria: All right then. I'll tell them to bundle up for this.

Nico: Okay.

Maria called them in and in swirls of magic, water, fireworks and feathers and light and fire they came in.

Flare Prominence: We're here guys.

Hikari Yukimura: And we're ready.

Lola: Awesome.

Nico: And just in time!

We saw the 12 ANOTHERS OF THE ZODIARTS OF THE ZODIAC!

Me: Whoa!

Qin: This is gonna be rough.

Another Sagittarius Zodiarts: (In a girls voice) IT'S FREEZING HERE!

Lincoln: That voice!

They all merged together and she reverted back and was a girl with blue hair and had a rainbow diamond in the middle of her forehead and she had pink clothes and had rainbow diamonds of each color along her arm and she had rainbow angel wings and had a jewel blade sword.

Lincoln: Jewel Gemknight!

Jewel Gemknight: Awesome to see you again Lincoln and man you grew into an awesome young man.

Lincoln: I know and I haven't seen you since you were 17.

Jewel Gemknight: I know.

Lincoln: Jewel is the gene-slammer of the Gemknights monsters and she is a master of the rainbow and the jewels. Also she is one of my guardian angels and she absolutely loathes and despises Chandler for everything he did and an even worse revelation.

Me: Uh oh. What did he do that warranted your hatred?

Jewel Gemknight: Blew up 4 schools.

We gasped!

Jewel Gemknight: Yeah. But luckily he was too stupid to realize that it was a Saturday when it happened.

Me: Chandler always was a stupid one before his dark side got separated from him.

Nico: Need a jacket?

Jewel Gemknight: I would like that.

Eli gave her one.

Me: Is the Another Magneto friendly or hostile?

Jewel Gemknight: Friendly and she has amazing magnetic powers.

Me: Neat!

Olivia Houou: Sorry we have to do this.

Girl Jordan: But first lets separate you from the Anothers.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

She glowed and was separated from all the Anothers.

Brittney: Lets get them!

They fired waves of energy and elements and blasted the Another Zodiarts and they exploded!

MASSIVE FIERY EXPLOSIONS!

I caught the Wonder Ride Books and Zodiart Switches.

Nico: Nice!

Lola: Yeah!

Me: Now for Another Magneto.

Maria: First backup. (TURNS DIAL) JELLYFISH FORCE 6!

She summoned Chillyfish, Tiki Tak Tribe, Jellyfish, Toawart, Wiki Tiki and Thunder Kang!

Nico: Just the team for this climate

Chillyfish: It sure is.

Qin: Yeah!

Chillyfish: Poliwag, that snowman looks hideous

Poliwag: HEY!

Poliwag saw that it was ugly.

Poliwag: Oh. Yeah you're right.

Chillyfish: I am? Wow.

Nico: Look!

We saw a figure and it was ANOTHER MAGNETO!

Qin: Another Magneto!

Xenia: This is gonna be brutal.

Lola: Yeah.

Another Magneto: (In a girls voice) But this will be fun.

Me: That voice!

She reverted back and was a girl with red hair and blue eyes and had blue and red clothes and on her gloves on her hands were the letters N and S for north and south and she had red angel wings.

Me: (GASP) Laura Polaris!

Laura Polaris: Awesome to see you again J.D.

Me: Same here. Laura is the gene-slammers of the Magnet Warriors and like Magneto she has Magnetic Powers too.

Nico: WHOA! That is cool!

Qin: The Magnetic Warriors are amazing.

Lola: Yeah.

Kaito: (gets out Boukenger gear) Did Swartz promise you anything?

Zocks: (gets out Magiranger gear) Because we can grant it instead.

Kaito got a Drive Lace and Zocks got a Magi Staff.

Laura Polaris: Just to help people like Charles Xavier and people like him and stand up for the rights of mutants.

Me: Wow! We already did the second part for you. Now everyone doesn't hate mutants anymore.

Xenia: That's right. Mutants and everyone now live together in peace.

Lola: It's true.

Laura Polaris: I'm glad and happy for that.

Camie: We all are.

Flare Prominence: We sure are.

Laura Polaris: I'm glad.

Me: Sorry we have to fight like this.

Laura Polaris: No worries.

Sougo: (gets out Operation Overdrive Ridewatch) You sure you're not a mutant?

Geiz: (gets out Mystic Force Ridewatch) If so, there's nothing to be ashamed of.

Sougo got OperatonOverdriveRedArmor and Geiz got MysticForceRedArmor

Laura Polaris: Actually to tell you the truth I was born a mutant. But my powers didn't come in until I was seven. J.D. stood up for me and got me accepted into humanity.

Me: I never gave up on Laura like I never did with all mutants. They are people too and even though they all have unique and amazing abilities they are still people and deserve to be treated as such.

Nico patted my back.

Nico: That is for sure there.

Me: Thanks.

Laura Polaris: And I'm proud too. Lets do it.

She turned into Another Magneto!

Nico: Time to Magnetize! (ACTIVATES MAGNETO AND LIBRA ZODIARTS RIDEWATCHES)

He fired waves of energy and smashed her all over.

May: These animals will hurt! (ACTIVATES BABBOON AND MANTIS DEADMAN'S RIDEWATCHES)

She fired waves of energy and smashed her all over the place.

Maria: And these too. (ACTIVATES MAGNET MAN EXE AND MAGNE'S RIDEWATCHES)

She fired a wave of energy and blasted her all over.

Angel (X-Men): I'm honored that you want to help all mutants out. (ACTIVATES LIBRA ZODIARTS RIDEWATCH)

He fired waves of energy and blasted her all over.

Then Dr. Polaris, Yost Magneto, Universe 666 Cronus, Hate Master, Vector and Mad Apple came.

Nico: Nice team Dr. Polaris.

Dr. Polaris: Thanks Nico.

Lincoln: Cool! So Jessica is coming with us.

Qin: Yep.

Suddenly our auras flared up from intense hatred coming from Hate Master!

Me: WHOA! Hate Master I think that's going to happen every time you come near us.

Hate Master: Sorry about that! I am hatred incarnate you know.

Magneto: Awesome seeing you again my Yost Self.

Yost Magneto: A pleasure as always, my Prime counterpart.

Another Magneto: 2 Magnetos!?

Me: One comes from Another Dimension. We call that the Yost Universe. It's a very strange but awesome story.

Another Magneto: Oh wow!

Me: Yep.

THUNDERCLAP! THUNDERCLAP THUNDERCLAP! THUNDERCLAP!

We saw lightning striking in the Aurora above us.

Me: Wow!

THUNDERCLAP! THUNDERCLAP! THUNDERCLAP!

Qin: That is cool!

Me: Aurora Borealis Lightning!? That is amazing!

Then lightning struck in front of us and then out came a Zeraora!

Me: Cool a Zeraora!

Qin: Wow!

Nico: Sorry if it's cold!

Zeraora: (In a girls voice) No worries Nico.

Nico: Gia Orpheus!? Whoa!

Qin: Awesome!

She reverted back and was a girl with blond hair and she had blue eyes and had a lightning bolt shaped scar over her right eye and she had blue and yellow clothes and had blue angel wings and she had a lightning sword in her hands.

Gia Orpheus: Good to see you again Nico and you two Qin. I got this.

She fired a wave of lightning and smashed down Another Magneto and I caught the ridewatch and purified it and brought over Laura Polaris.

Nico: Yeah!

Qin: That was awesome!

Gia Orpheus: It sure was!

Me: Oh man what happened here? (Points to my eye for her scar)

Gia Orpheus: Oh my mom dropped a chandelier and it broke and I tripped and slashed my face and got this scar back when I was 8.

Me: Ooh! Ouch!

Eli: Yikes!

Laney: That must've really hurt!

Me: You're lucky you didn't lose that eye.

Xenia: Yeah.

Angel: What's your favorite memory of Nico?

Gia Orpheus: When me and Nico were over in Greece and we were there to learn all about the Gods of Olympus. There I found a strange fruit and ate it. It's how I got my powers.

Me: That fruit was Ambrosia, the fruit of the Gods. Legends say that if you eat it you get all their power including immortality.

Qin: Yeah.

Gia Orpheus: Whoa! So that's it! Amazing!

Me: Yeah that is amazing.

Lola: It sure is.

Carol: Callisto, the mortal enemy of Xena ate Ambrosia and got their power. But it was only temporary.

Nico: Yeah.

Me: But according to legend, the effects last permanently on those that are pure of heart.

Xenia: Wow!

Gia Orpheus: Wow! I didn't know.

Nico: Yeah.

Nico and Gia hugged.

Nico: I've missed you.

Gia Orpheus: Same here Nico. Same here.

Me: Lets get home and warm up with hot cocoa.

Nico: Good idea.

We went home and did so

Lincoln: Ah, we're here in London, England, and I know what we're going to do here, not only am I going to rescue the three girls here, but we're going to destroy Kirinmaru.

Moroha: Kirinmaru's here?! Ugh, I should've known that creep would show up.

Towa: Either way, we need to destroy him here and now.

Setsuna: That's right, we can't let Kirinmaru get away with what he's done.

Sebastian Mendez: What was he even hoping to achieve, wiping out all half-demon hybrids so that he won't be killed?! That's just sick!

Lincoln: There's only one thing awaiting a sicko like that: getting killed by all of us and getting sent to The Black Gates forever.

Max Ride: You got that right, now let's find that demon and destroy him once and for all.

Suddenly, we saw a very beautiful and super sexy girl with brown hair and dark blue hairband, purple eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful white angel wings, she's dressed in a dark blue coat with a coat of arms on it, white short-sleeved shirt, necklace with pearls and dark blue gem for the pendant, black pants, white bridal gloves, black knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with knights, swords, magic, dragons, light, and angels on the coattails and on the back is Noble Knight Borz, in her right hand is The Ultra OmniKnight Blade, and with her are the three girls.

Brown-Haired Girl: I hope I'm not too late, and I got the girls away before that bloodthirsty demon before he could kill them.

Lincoln: No, you're not, Jamie Bors, you're just in time. In fact, we were just about to head after that scumbag.

?: You wretched half-demons shall all pay for what you did in killing me and for what you did to Lord Naraku!

We then saw our target, Kirinmaru, and boy, was he pissed off big time!

Sylvester: If it isn't our favorite bloodthirsty demon from 16th Century Japan.

Then, Lincoln drove his massive greatsword into Kirinmaru's stomach, and he began sucking out his vast dark and demonic powers, immense strength, speed, agility and reflexes, stamina, durability, superhuman regeneration factor, demonic magic, and demonic abilities, and he made them his own. Then, Lincoln proceeded to slice Kirinmaru into a million pieces with a Wind Scar he fired from his massive greatsword and the demon was shredded apart and his soul was sent to The Black Gates for good. We cheered as we holstered our weapons and powered down.

Lincoln: That's another of Inuyasha's old enemies brought down for good, and he's never ever coming back. (To Jamie Bors) And it's so good to see you again, Jamie Bors.

Jamie Bors: You too, Linky, it's been a long time.

Lincoln went up to Jamie Bors and he hugged her, and Jamie Bors is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much stronger and muscular he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces soon went even deeper when they saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms and short stubble on his jawline, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Jamie Bors: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height and became a man, but you're still the same kind boy from long ago. Plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Jamie Bors, Gene-Slammer of Noble Knight Borz, she's my Guardian Angel from Michigan and she's a very powerful wielder of magic and a very powerful swordswoman, and a member of The Royal Woods Knights of The Michigan Table. She trained me both in the art of swordsmanship and in light magic, and I became a very powerful swordsman, and she also taught me much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those I love and hold dear to my heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Jamie Bors is also a direct descendant of Bors the Younger of Camelot, one of the best Knights of the Round Table and who also participated in the achievement of the Holy Grail.

Me: As we'd figured yesterday.

Lincoln: Yep, and I also made her a blue coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed me on the lips after their training, and Jamie Bors hates Luan with a very blazing passion. One day, Jamie and I along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Luan, and she'd brought with her an army of thugs she hired. Jamie Bors and I went out there along with the rest of us, and she'd slain them with her greatsword, The Ultra OmniKnight Blade. It drove Luan into a blood-crazed fury, but before she could unleash her wrath on us, Jamie and I fired chains of light magic which bound Luan and tied her up. Lincoln called Luna, who showed up along with Leni, Luna, Laney, Lucy, Lana, Lily, and the parents, and when we told them of what Luan did, they were furious.

Joan Delenney: Yeah, Lincoln was disgusted that Luan would do this, but in the end, their plan failed, and Luan got grounded for eighteen weeks and Jamie Bors and Lincoln casted a spell to make sure she couldn't try to come after us for revenge after she got thrown in her cage because messing with the descendant of Bors the Younger and one of the members of The Royal Woods Knights of The Michigan Table will have dire and disastrous consequences.

Nico: Yeesh, Luan, that dark side of yours is absolutely crazy with a capital C!

Me: That's not even a word I'd use to describe Dark Luan.

Lincoln: No, it fit Dark Luan perfectly, we all saw what she was capable of with those crazy pranks of hers, and what happens when April 1st arrives.

Inuyasha: I may love a good prank, but not to those extremes, that could've gotten Luan sent to the nuthouse for life!

Kagome: Or get her sent to prison. Those lethal pranks of hers could've killed someone.

Lincoln: That's why many of my Guardian Angels who've hated Luan always found someway to put an end to her pranking mayhem before it spiraled out of control.

Luna: Do you even know how many times many of us had gotten hit by her pranks, one too many, dude, and one of her worst pranks was putting pudding in my boots.

Eli: Ew!

Nico: Gross!

Lincoln: The second was getting trapped in gelatin. Luan was lucky we were able to eat the gelatin and free ourselves, and now that you're here, Jamie.

Lincoln went up to and hugged Jamie Bors in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Jamie Bors: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Jamie Bors' neck with dark blue gems on the gold lightning bolts and dark blue crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Jamie Bors: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Jamie Bors.

Jamie Bors had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them, then, we went up to the three girls, and when Lincoln saw who they were, they immediately recognized them. The three girls are Maguna Do Senchurii, Mikage Touko, and Rulu Pureuri from Apokeritosu.

Lincoln: Oh wow, it's Maguna Do Senchurii, Mikage Touko, and Rulu Pureuri from Apokeritosu.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Maguna Do Senchurii: Yes, we're okay, thanks to you.

Then, when Maguna Do Senchurii and the other two girls saw who it was that saved them from Kirinmaru, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and

Maguna Do Senchurii: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made two clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Maguna Do Senchurii: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Maguna Do Senchurii, Mikage Touko, and Rulu Pureuri with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team was shocked to find out the villain we went was Kirinmaru.

But, when Lincoln showed what we all did in beating that demon down and Lincoln driving his massive greatsword into Felix Asmodeus' stomach and sucking out his vast dark and demonic powers, immense strength, agility and reflexes, endurance, stamina, durability, demonic magic, and abilities, and he made them his own, and then, slicing him to ribbons with a Wind Scar that killed him and sent his spirit to The Black Gates forever, everyone cheered and hugged us and Lincoln's harem kissed him all over, and he had steam whistling out his ears. Lincoln and Jamie Bors have a lot of catching up to do, now that she's back in town.

Maria: Wow, that's another enemy from the past of Inuyasha and his friends put down.

Drakus: I hope that's the last of them.

But, we got struck with the feeling that Drakus just jinxed us, and Sebastian kicked Drakus so hard, he sent him flying into the ceiling.

Drakus: Hey, what'd I do?!

Nico: You just jinxed us by what you just said, Drakus!

Lincoln flew up and grabbed Drakus' legs and pulled him down.

Lincoln: Sorry, Drakus, but you asked for it.

Eli: You did open your big mouth and say those words.

Me: Next time, I'm gonna put the Beads of Suppression on you.

Inuyasha: Now that I'd like to see.

* * *

After finally getting rid of Kirinmaru and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Jamie Bors saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Jamie Bors: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Jamie, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Jamie Bors: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Jamie Bors: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Jamie, what other memories did you have with Lincoln?

Jamie Bors: Oh man, I was hoping you'd ask that. Well, there was this one time, Lincoln and I went to Lake Michigan with the rest of The Royal Woods Knights of The Michigan Table for a time of rest and relaxation along with doing some more training and working out. But, then, we heard the sound of five shrieks in the air, and we saw who it was that let out those shrieks: it was Lori, Lynn, Lola, Lisa, and Luan, and they were really out for blood again, but Lincoln and I flew at them and we beat them all down and tied them up with chains of light. Then, Lincoln took out five Beads of Subjugation from his pocket and put them on Lori, Lynn, Lola, Lisa, and Luan.

Inuyasha: Please, tell me that whenever he tells them to sit, they suffer the very same thing I did.

Lincoln: Yep.

Lincoln and Jamie showed Inuyasha and all of us a clip of all the times Lincoln said the word sit, and when that happened, the Beads of Subjugation glowed and that amplified the gravity to the point of making them faceplant on the ground instantly. We busted out laughing.

Kagome: (Laughs) Yep, that's exactly what'd happened to Inuyasha whenever I said that word.

Me: But, for this, Lincoln used light magic on his hand-made Beads of Subjugation, since the dark sides of Lori, Lynn, Lola, Lisa, and Luan were beings of darkness.

Inuyasha: True, light magic has a nasty effect on dark beings.

Shippō: How did you even create the Beads of Subjugation on your own?

?: I think we can answer that.

Suddenly, we saw two girls come in: the first is a very beautiful and super sexy girl with long midnight black hair and purple hairband, purple eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful black angel wings, she's dressed in a black sleeveless crop top, necklace with pearls and purple gem for the pendant, black stockings, white bridal gloves, black knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with darkness and angels on the coattails and on the back is Arcana Force EX The Dark Ruler, in her right hand is a dark greatsword.

And the second is a very beautiful and super sexy girl with long white hair and purple hairband, purple eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful black angel wings, she's dressed in a white sleeveless crop top, necklace with pearls and red gem for the pendant, white stockings, white bridal gloves, black knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with light and angels on the coattails and on the back is Arcana Force EX The Light Ruler, in her right hand is a light greatsword.

Lincoln: (GASPS) Callie Callaghan, Gene-Slammer of Arcana Force EX The Light Ruler and Adrienne Candelaria, Gene-Slammer of Arcana Force EX The Dark Ruler!

Callie Callaghan: That's right, and it's so good to see you again, Lincoln.

Adrienne Candelaria: Yeah, and whoa! You've really grown into quite the man! And in case you guys are about to ask, yes, we're Lincoln's Guardian Angels and the last two of The Arcana Force Gene-Slammers.

Me: Wow!

Nico: Impressive!

Lincoln: And you guys are going to love hearing their stories. Callie Callaghan is my Guardian Angel from Michigan and she's a powerful master of light and a powerful psychic and mindwalker. She has the power to see into the future and she has incredibly powerful psychic powers as well as the powers of light at her command, and she has the purified version of the powers of The Light of Destruction but she uses that power for good. She'd used her powers to save me from the dangerous demonic wrath of Lori, Lynn, Lola, Lisa, Luan, and his many enemies, and to show my thanks for saving me from their wrath, I took her to the beach in Lake Huron, and we kissed as the sun was setting. And although she hates Lori, Lynn, Lola, Lisa, Luan, and his many enemies with a passion, there's only one person that Claire absolutely hates: Sartorius.

Jaden: What did he try to do to her?

Lincoln: Long ago, he infected her with the powers of The Light of Destruction in the hope of trying to turn her into another slave of The Light of Destruction, but bad news for him, Claire's psychic powers were far too powerful, and she purified the powers of The Light of Destruction that Sartorius infected her with, and as a result, she'd gained the purified version of the powers of The Light of Destruction that became known as The Light of Justice and she became a powerful force of Holy Justice, and she swore one day that she'd make Sartorius pay for all of his crimes.

Me: If Sartorius dares to come back, he'll suffer our wrath!

Lincoln: You bet he will, and Adrienne Candelaria is my Guardian Angel from Michigan and she's a powerful master of darkness and a powerful psychic and mindwalker. She has the power to see into the future and she has incredibly powerful psychic powers as well as the powers of darkness at her command, and she has the powers of The Gentle Darkness. She'd used her powers to save me from the dangerous demonic wrath of Lori, Lynn, Lola, Lisa, Luan, and his many enemies, and to show my thanks for saving me from their wrath, I took her to the beach in Lake Huron, and we kissed as the sun was setting. Though she hates Lori, Lynn, Lola, Lisa, Luan, and my many enemies with a passion, there's only one person that Claire absolutely hates: Sartorius. She'd heard of what Sartorius tried to do to Claire, but that failed miserably and she became a very powerful wielder of the purified version of the powers of The Light of Destruction known as The Light of Justice, and she'd sworn one day to make Sartorius pay for all his crimes, and that spark of justice had suddenly caused her to be imbued with the powers of The Gentle Darkness, and she became an even more powerful force of Darkness Justice.

Nico: We went into battle with Sartorius and The Society of Light two years ago when they came back and it was after we'd dealt with

Dartz' minions, we defeated them all, and after the war against The Royal Defenders, we destroyed Sartorius and The Light of Destruction and sent them to Oblivion for good.

Lincoln: But, if Sartorius dares to come back again for more, he will be in for a nastier surprise when he sees us again.

Me: You got that right.

We got a shower, and then, Lincoln, Cupid Dunk, Cupid Fore, Cupid Pitch, Cupid Serve, Cupid Volley, and Arcee (Transformers Rise of the Beasts) are heading to Emerald Coast.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Cupid Dunk, Cupid Fore, Cupid Pitch, Cupid Serve, Cupid Volley, and Arcee (Transformers Rise of the Beasts) are dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Cupid Dunk, Cupid Fore, Cupid Pitch, Cupid Serve, Cupid Volley, and Arcee (Transformers Rise of the Beasts) had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood and life energy, which made him go insane with anger, until Lincoln fired energy blasts at that mutant and more gold and jewels and treasures came out of that moron, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Cupid Dunk: Wow, so this is Emerald Coast, this is really awesome!

Lincoln: It sure is, Cupid Dunk, and it's perfect for our first date. Shall we?

Lincoln, Cupid Dunk, Cupid Fore, Cupid Pitch, Cupid Serve, Cupid

Volley, and Arcee (Transformers Rise of the Beasts) dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Cupid Dunk, Cupid Fore, Cupid Pitch, Cupid Serve, Cupid Volley, and Arcee (Transformers Rise of the Beasts) got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Cupid Dunk, Cupid Fore, Cupid Pitch, Cupid Serve, Cupid Volley, and Arcee (Transformers Rise of the Beasts) and they hugged them in their abnormally massive and powerful muscular arms, and Cupid Dunk, Cupid Fore, Cupid Pitch, Cupid Serve, Cupid Volley, and Arcee (Transformers Rise of the Beasts) placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like someone really had a good time at Emerald Coast, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Cupid Dunk, Cupid Fore, Cupid Pitch, Cupid Serve, Cupid Volley, and Arcee (Transformers Rise of the Beasts) with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: And now, Cupid Dunk, Cupid Fore, Cupid Pitch, Cupid Serve, Cupid Volley, and Arcee (Transformers Rise of the Beasts) are in Linky's harem.

Jenna: Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that good-for-nothing hairy mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for herself.

Rarity: And trying to kill Cupid Dunk, Cupid Fore, Cupid Pitch, Cupid Serve, Cupid Volley, and Arcee (Transformers Rise of the Beasts), now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and he should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that three butt-cheeked mutant cheapskate has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you fat hairy mutant cheapskate!

Nico: Even after we kicked Flip's miserable hide, that moron still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Pablo, Anderson, Billy McLean, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: That mutant's getting me that close to scratching his eyes out. Lincoln, can you create some Beads of Subjugation to put on the jerks at Lynn's Table?

Lincoln snapped his fingers, and then, Beads of Subjugation appeared on the necks of the jerks still chained up at Lynn's Table.

Inuyasha: Now, there's usually a command associated with them, and since they love running their big fat mouths at us, I think I know just the command. (YELLS AT THE TOP OF HIS LUNGS AT THE JERKS) SHUT YOUR HALF-WIT PIE HOLES, YOU JACKASSES!

Suddenly, the Beads of Subjugation on the jerks' necks glowed and the amplified gravity forced the jerks to faceplant on the ground, and we laughed hysterically.

Me: Okay, now that's awesome!

Nico: Way too hilarious!

Lincoln: I made sure the Beads respond to that command Inuyasha gave, and we can make them faceplant in anything we throw at them: pie on the ground, elephant poop, paint, anything we can think of.

Sebastian Mendez: Can we make one for Drakus in case he gets out of line again?

Drakus: What was that?!

Sebastian Mendez: You heard me right.

Drakus glared at Sebastian with murderous intent, but bad move: Sebastian leg-swept him off the ground and Drakus landed on his butt.

Eli: Oh for fuck's sake, do I have discipline you two nannygoats?

Sebastian: (Eyes glaring at Eli) Don't even think about it.

Eli ran behind me.

Me: Yikes!

Nico: They say that if looks could kill, someone would be dead. Just one glare and he sent Eli hiding behind you! Man, is he really tough.

Lincoln: Dealing with hardship because of Dark Sebastian and Dark Chase Young, that really made him a tough guy, and if you get on his bad side, someone's going to have their butt kicked.

Me: Big time!

---

Later we were watching TV. But then suddenly…

CRASH! POW BIFF CRACK WHAM SMASH!

Dru Pickles: I WILL KILL YOU STU!

Nico: Uh oh!

We went to Stu's room and saw Stu and Drew Pickles fighting and Drew was punching Stu's brains out!

Nico: Uch!

Me: Tommy said that they still fight like babies.

I went over and grabbed them.

Me: Pardon me you two but I must discipline the nannygoats!

BLANG!

I bashed their heads together!

Stu and Drew: OUCH!

Nico: Nice one. Now what the hell are you two fighting about this time!?

Stu: Drew said that my inventions are nothing but total junk! So I told him that his business is the one that's junk and that he should go bankrupt! Then he attacked me and was going to kill me!

Me: You two act like babies. But Drew you need to grow up! This is Stu's work. Why can't you just accept what your brother does!?

Drew: Because he thinks making things will be better than buying them!

Stu: There You go putting down my inventions!

Drew: You're putting words in my mouth!

Stu: I'll put my fist in your mouth!

Me: KNOCK IT OFF YOU TWO! And I thought I was the one that needed anger management therapy.

Nico: Geez you two why can't you two agree to disagree?

Me: Yeah! Drew leave Stu to do his own thing and Stu you just let Drew do his thing. That fair?

Drew: Oh you're right. Sorry.

Me: I want a sincere apology.

Drew: Okay okay. Stu I'm sorry. I just don't like it when you show your opinion to be better than mine.

Stu: It's okay bro.

Me: Good.

With that Drew decided to leave Stu to his advances.

Later we went back to the couch to watch TV.

Me: So far things have been uneventful on the news.

Nico: Yep.

Kaito came.

Kaito: You guys wanna go out on patrol with me?

Chanthavy Samneang: (Cambodian Accent) We sure would.

Me: Sure Kaito.

Zarya: This will be fun.

Zocks: And we'll kick some butt too if need be.

Lola: But this might be the last Hitotsuki we'll face.

Me: I know. It was fun while it lasted. But it was still awesome.

Xenia: It sure was.

We went down to the planet and went into the city.

Taro: J.D. what was your favorite out of all the Hitotsuki that we faced?

Me: Oh gosh that's a tough one. But I liked all of them. The most explosive one being the Dynaman Hitotsuki.

Nico: Boy that was epic! That was fiery and awesome.

Xenia: It sure was!

Lola: I liked the Zyuohger Hitotsuki. That was awesome.

Rarity: Mine was the Kiramager Hitotsuki. That was amazing darlings.

Juru: That was awesome Rarity.

Lyra Heartstrings: It sure was. And all the Hitotsuki we faced were all amazing to face. They helped me prepare for the Big Day mission I had as well as my Ambassador Missions.

Me: That was so awesome.

Alana Vongphachanh: (Laos Accent) The last Hitotsuki can run. But he can't hide.

Qin: Which Hitotsuki is left?

Me: Zenkaiger. I have a feeling we're going to finish the Hitotsukis with a bang.

Camie: Me too.

Zarya: I'm looking forward to this one.

Nico: I liked the Gokaiger one.

Lola: That was an awesome one!

Qin: Yeah!

Me: That one demonstrated over 30+ Years of Rangers.

Troy: That was so awesome.

Laney: It sure was. My favorite was the Gaoranger Hitotsuki.

Me: Now that one was fun. We used Animal Crystals for the M.O.E. to help us with that one.

Sonoi: That was awesome seeing those in action.

Laney: It sure was.

Me: Too bad we can't invite the King Ohger Rangers to help us out with their Hitotsuki. I called Gira and invited them to come help us with their Hitotsuki but unfortunately they are much too busy with their adventures.

Nico: That sucks.

Maria: Good thing Vypra and the others got Ohsamaki for free.

Me: That's true. Still it would have been fun to battle that one.

Xenia: Yeah.

Ruby Salazar: The most infuriating one was battling the Denziman Hitotsuki.

Sapphire Salazar: The nerve of Noriko! She robbed us of our restaurant!

Qin: I know but that was still an awesome battle though.

Me: Look on the bright side though girls. You have your restaurant back and it's now partnered up with Lynn's Table.

Ruby Salazar: That's right. Thank you guys.

Nico: Anytime.

Me: It was still very fun though.

Qin: It sure was.

Secchan recaps on the final episodes and Kikai Sentai Zenkaiger vs. Kiramager vs. Senpaiger, the Zenkaigers return to Zenkaitopia. They enter the Candy Cafe Colorful, and meet Yatsude Goshikida and Mitsuko Goshikida making kashiwa mochi. They assume it's probably for a party or a new item on the menu and try to dig in but their stopped by Yatsude, who smacks their hands. They say that they need to hold back so that they can feed the Kashiwa Mochi King, leaving the Zenkaigers confused except Magine as she already some of the kashiwa mochi. Yatsude and Mitsuko hurry in a rush to clean Magine and that's when the KW enforcers arrive to collect the batch of kashiwa mochi. They notice Magine ate some of them and declares they will be killed. This starts a ruckus in the shop and the battle is taken outside. Kaito felt a disturbance before leaving the shop, he looks around and sees his location different, but he forgets about it to go look for his friends.

Kaito catches up and they all see that people are being forced to make kashiwa mochi for the Kashiwa Mochi King. Soon the soldiers are ordered to attention and Zocks and the walk in a royal attire, singing his debut music. Flint makes them swear fealty to the pirates by using kashiwa mochi. The Zenkaigers realize people are addicted to kashiwa mochi and that Kashiwa Mochi World has probably returned again but he claims to be a different one that worked for Dr. Iokal. He said his plan was to enarmor the world with kashiwa mochi. The World claims that the World Pirates are definitely a different bunch of people because after getting addicted to the kashiwa mochi, they stole a good chunk of it, threatening whoever they wanted to get kashiwa mochi. The Zenkaigers then turn their attention to the World and transform to fight him. Zocks notices and fights the Zenkaigers, making them retreat. They take a stop only to run into Isao Goshikida, who reclaims his role as Hakaizer and attacks his son and friends, this forces them to run again, now having the entire town hunt after them.

Secchan opens a gate and they escape, going to meet Stacy. Stacy says that they need to turn the public against Zocks and while the Zenkaigers had a little doubt since he used to a villain, Kaito believes that Stacy is doing it for good and says they should face them head on. The Zenkaigers split to different worlds and get kachiwa moshi, next step of the plan was to give it to the people, which they succeed in and turn the public around. They soon become widely known and it reaches Zocks' attention as the mochi tastes way different. Zocks finds Juran and they battle, the other Zenkaigers arrive except Kaito join the fight. Kaito looks for Kashiwa Mochi World on Zocks' ship onlt to run into Hakaizer. He tries to transform but fails the first time, Stacy arrives and helps to fight Hakizer. Kaito finds the World and battles him.

Haruka narrates that a year as passed since Taro's disappearance and now they fight under Jiro, they fight against Minoru Ono who has became Ohsamaiki for the second time by using Formation A and beating him. Meanwhile, with Taro, he delivers mail but finds the door open and is met with a meal, telling him to eat it. As he starts to eat, a hologram of Kaito tells him that he will soon retrieve his memories. Taro remembers everything and returns to Cafe Donbura, where he meets Don Murasame and Kaito, Taro asks for his companions. Jiro arrives and asks Taro to come with him, leading him to mansion that he owns. Jiro tries to discourage Taro by saying that they no longer have a bond with him, he then gets mad at a maid for not having the exact hairstyle as Rumi. Taro runs into all of the Donbrothers, congratulating them on their lives with Haruka as best-selling manga artist, Tsubasa and Sononi owning a resturant, Shinichi making a school, and Tsuyoshi becoming a CEO but as soon as Taro asks about how the Donbrothers are doing, they always say that it's something they want to talk about.

Taro meets Sonoi at a oden shop and explains that he got kicked out of the team because he lost a battle to Jiro, when Jiro wanted to battle based on formations. Next day, the Donbrothers meet up and say they wish to resign from the Donbrothers. Sonoza berates them for quitting but that's when Minoru Ono arrives as Kikaiki and attacks everyone. Taro arrives and fights but is slain by Kikaiki. They tried to wait for a little bit since it's not the first time Taro has faked death but he is actually gone this time and funeral is held for him. The Donbrothers fight again but lose to Kikaiki. Sonoi arrives and gives back the power he had taken from Taro when he was revived. Taro is revived and helps join the fight aganist Kikaiki and the Donbrothers realize that they need to fight for themselves and their happiness. They push Kikaiki to a quarry and fight him there.

The Donbrothers meet the Zenkaigers in the quarry as they were beaten down by Zocks, Isao and Stacy arrive but Isao shoots them down, with the Donbrothers arriving to help. Vroon tells Taro that the World is on Zocks' ship and joins the battle with Kaito, taking outside. Kaito recognizes him and the battle starts with the Donbrothers turning into the Dynamen and beat the World with Super Dynamite, destroying the addiction to kashiwa mochi. Kikaiki arrives and helps the World by trading some of his power, and they beat down the Sentai teams. Just as the monsters are about to finish the job, the Donbrothers' Kaito shoots them down and announces himself as a true hero before going back to the sidelines. The teams declare teamwork and they transform and roll call. They begin to fight until Donbrothers' Kaito hands them a new gear, the VS (Victory Super) Gear as they finish off the battle with Taro becoming Don Zenkai Momotaro and Zenkaiger's Kaito becoming GolDon Zenkaizer.

The Zenkaigers are in their world, celebrating by eating food. Stacy points out Zocks broke his promise and Zocks apologizes for actions and thanks them for saving him. Though, Kaito says he'll need to apologize to every single person. Gaon considers giving leftovers and Juran agrees by saying that they should hand it to the Donbrothers and that they'll go on a world apology tour. Minuro arrives to his mom in the hospital, who finds out his mother had just fallen asleep and promises he'll live life seriously. Jiro, who's next door, injured from his battle with Sonoi during the final battle is given food from a woman who looks like Rumi but is mistaken and is fed some food. Tsubasa and Sononi place up wanted posters and go back to a life on the run and the rest of the Donbrothers return to their lives before Taro's disappearance. Sonoza meets Sonoi in the oden shop but Sonoi doesn't respond, leaving his fate unknown. Meanwhile, Taro meets with his companions, except Jiro and they tell him that they've given up their Jiro-given lives. Taro takes this as time to train them again like in the earlier episodes and attacks them before the movie closes.

Xenia: Awesome!

Nico: Metal vs metal!

Melmetal: (In a girls voice) You got that right Nico!

Nico: Allie Metallica!? Whoa!

Me: Wow!

Melmetal slashed Kikaiki all over!

Me: Yeah! Take that!

I teleported and slashed Kikaiki all over!

Qin: WHOA! Awesome!

Me: Now lets finish him guys!

Taro: Let's make this one to remember!

Me: You don't have to tell me twice.

Me, Nico, Lyra, Donbrothers, Knights of the Friendship Table and Zenkaigers: SUPER SOLAR SYSTEM OF LEGACY FRIENDSHIP!

We formed a powerful Solar System of friendship and fired it and then it hit Kikaiki and he exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Kikaiki was dead and I caught the gear!

Me: YEAH! Kikaiki you have failed this city!

Donbrothers: DEMON ELIMINATION COMPLETE! ALL'S WELL THAT ENDS WELL!

Xenia: YEAH!

We cheered wildly!

Nico: That was EPIC!

Lola: It sure was!

We saw Minoru back to normal.

Me: You need a serious new hobby.

Minoru vanished.

Me: Back to Japan for him.

Qin: Yep.

Lola: That was so awesome!

Melmetal reverted back and she was a girl with blond hair and blue eyes and had blue clothes.

Allie Metallica: That was still so awesome.

Me: It sure was. Wow!

My data eyes turned on and analyzed her and I saw that she was a T-1000 Robot that was made of Mimetic Polyalloy and she had a human heart and had emotions and a soul and a good caring nature.

Me: Wow! You are a T-1000 with a heart but you weren't programmed for anything.

Allie Metallica: No I wasn't. Yes I am a SKYNET robot but I wasn't programmed for anything. Just to be a normal and good person.

Me: Wow. But you have all the capabilities of a hero too.

Nico: Yep.

Allie Metallica: Yeah that's right.

Optimus: What's your favorite memory of Nico?

Allie Metallica: When me and Nico infiltrated a hospital for the criminally insane and I was disguised as a security guard and we killed a monster there. It was Amanda Flores.

Me: Whoa! I've heard of her. She was a terrible serial killer and she was insane to the core. She killed 50 people because she thought that it was an order from Archangel Michael.

Qin: What a whacko.

Nico: Yep.

Lola: Yeah.

Nico: Yep.

Nico and Allie hugged.

Nico: I've really missed you.

Allie Metallica: Me too Nico. Me too.

Me: That is so cool that one of your friends is a T-1000 robot Nico.

Nico: Yep.

Taro: Rejoice, my companions! All the Hitotsuki are in the Masters of Evil!

Woz: HEY! I was going to say that too.

Taro: Sorry Woz.

Nico: It's all right Taro. You both can say it.

Woz: Thank you Lord Nico.

Woz and Taro: REJOICE GOOD COMPANIONS! ALL THE HITOTSUKI ARE NOW IN THE MASTERS OF EVIL!

We cheered.

Nico: That is for sure!

Lola: That was so fun!

Me: It sure was! Taro we practically lived through ALL of your adventures facing the Hitotsuki.

Sonoi: That was so awesome!

Numbuh 274 came!

Numbuh 274: Guys, I just got a call from Pikachu 2! He said that Wish Park was a trap!

Nico: What?!

Eli: Oh man!

Numbuh 274: He found out that several Pokémon were being brainwashed into staying there! He and an Oshawatt got away. But Piplup couldn't!

Me: We got to get over there fast!

Qin: Right!

Then the Previous group came.

Scorpion: Can me, See-More, Mr. Mittens, Red Ghost, Madame Masque, Grodd, Doc Ock, Zavok, Fireor and Whirlin go with you guys?

Nico: Yes you all can come with.

Mr. Mittens: We saw the battle you guys had with Kikaiki and that was so awesome!

Qin: It sure was!

Me: It was really epic!

See-More: Boy it sure was! Awesome job using the gears of the rangers.

Me: Thanks. That was so fun.

Lola: Yeah.

Red Ghost: (Russian Accent) And Poromon your Donbrother Ranger form is awesome. Seadramon is going to get a laugh out of it.

Poromon: Thanks! I know he will.

We laughed!

Me: Yeah.

Barath Beyond: Nico, which Gene Slammers do you think you'll meet next?

Nico: Rillaboom, Cinderace and Inteleon next.

Me: Cool we start the Galar Pokemon now.

Xenia: Wow!

Camie: About time.

Lola: We went through them so fast.

Nico: We sure did.

Suddenly, Lincoln's deep sapphire eyes, his Crest of Miracles on his massive right pec, and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we're going to confront today: it was none other than Cofagrigus, the Coffin Pokémon, and the Coffin Pokemon is causing trouble in The Cake Zone. When we saw it, we knew it meant trouble.

Nico: Lincoln, what's wrong?

Lincoln: Nico, everyone, we've got trouble. I just had a vision and I saw who we're going to confront today: it's Cofagrigus, the Coffin Pokémon, and the Coffin Pokemon is causing trouble in The Cake Zone.

We gasped.

Me: Whoa, so Cofagrigus is causing trouble in The Cake Zone and it's also the start of a huge series of adventures we'll be having in PokePark from May 30th to June 6th.

Nico: Awesome.

Eli: So, we won't be dealing with any Pokemon villains.

Me: Nope.

Lincoln: Just some Pokemon causing trouble, and we're so going to catch them.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Emma Eleazar, one of the members of The Ghostrick Destroyers, and she's heading here to kill The Ghostrick Guardian Angels. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and we got news, Raven: as we guessed it, Emma Eleazar, one of The Ghostrick Destroyers is heading here to kill you all.

Morrigan Dabria: Just as we expected, but we'll be ready for her, and she'll suffer the very same punishment back in the castle of The Michigan Supernatural Defense Force after we take care of Cofagrigus.

Crash Bandicoot: That blood-sucking fanatical religious zealot's already a dead vampire walking once she shows her ugly face.

Nico: You got that right. Alright, gang, let's go, we're heading to The Cake Zone in PokePark to battle Cofagrigus.

Lincoln: We're so going to enjoy taking that Coffin Pokemon down, and once we get done taking him down and putting him in a Pokeball, you're next, Emma Eleazar.

Morrigan Dabria: You better be ready to die, Emma Eleazar, because you deserve no such mercy from any of us for trying to kill us seven years ago, nor do you even deserve to live a single second further, you religious fanatic and zealous heretical demon, after we deal with Cofagrigus.

Lincoln put up a rainbow energy field around The World Tree Estate and we headed to The Cake Zone in PokePark to battle Cofagrigus, and once we got done taking down Cofagrigus, Lincoln, Morrigan Dabria, and Crash Bandicoot are going to destroy Emma Eleazar of The Ghostrick Destroyers and make her pay for her crimes.

We were off to the Cove Area first of PokePark.

---

We arrived in the Cove Area and it was beautiful.

Me: Wow!

Xenia: So this is the Cove Area.

Qin: Wow!

Nicole: Reminds me of Delfino Plaza from Super Mario Sunshine.

Mr. Mittens: Reminds me of the Beach Zone.

Nico: It sure does. Reminds me of both Delfino Plaza and the Beach Zone.

Me: It sure does. So awesome.

We saw Pikachu 2 and Oshawatt.

Pikachu 2: Guys!

We saw them.

Me: Pikachu, and Oshawatt. Thank goodness you're okay.

Ground Man: (to Oshawatt) Nice to meet you, Oshawatt.

Oshawatt: Same here.

Dawn: Aww you are so cute.

Qin: He sure is.

Me: Boy thank goodness Paul isn't here or he would wreck this place.

Nico: No kidding there.

Lola: Yeah.

Camie: Yeah no lie.

Pikachu 2: But we need your help guys. Piplup is…

Me: I know. We got your message.

Oshawatt: Samurott sent me to investigate this case with Pikachu. (sighs) But I guess you guys want to help as well

Madame Masque: Try and stop us.

Me: Now now. But yeah we are here to help.

Nico: We sure are.

Oshawatt: Thanks.

Lori: This is literally amazing that all the Pokemon can speak here.

Meowth: Boy no kidding. I'm glad that I am among fellow Pokemon that can talk.

Pikachu 2: Wow! A Meowth that talks?

Me: He taught himself how to talk.

Pikachu 2: Wow!

Me: Yeah.

Pikachu 2: We had some difficulty with the bridge. But we solved that problem. Now, we have to find Krokorok and Sandile so they can tell us how to get to the Wish Park Portal.

Retrax: They have to be here somewhere.

Me: We'll find them. But what is this Wish Park?

Pikachu 2: It's a strange place.

He told us about it.

---

Wish Park (Japanese: ウィッシュパーク Wish Park) is a location in PokéPark 2: Wonders Beyond. It is a mysterious Park that can only be accessed through a portal created when the player has collected enough friends. It is made up of four zones that connect to the Wish Castle. Each Zone houses an Attraction.

---

Me: Hmm.

Qin: Strange.

Lola: Yeah.

Sandile and Krokorok came.

Me: There they are.

Sandile: Hey! Oshawatt! Pikachu! Back from Wish Park, eh? And you brought friends as well!

Zavok: Tell us how to open the Wish Park Portal. Now.

Sandile: I don't know nuttin bout no portal, poster, Coaster, or whatever.

We glared at them.

Krokorok: Hold up, Sandile. These lugs' eyes say they won't take no for an answer, see. We'll just have to teach em a lesson about leavin us alone. All right, youse lugs. Time for a battle! If yas win, we'll tell you what's happenin, got it?

Oshawatt: Pikachu, leave this to me and the others. You and Lincoln's lightning won't have any effect on these two.

Lincoln: We know other elements other than lightning FYI.

Xenia: And we're not afraid to use it either.

Lola: Now if I were you two I would start talking.

Camie: Right now.

Krokorok: Like I said, only if you defeat us in battle.

Poliwag: Shouldn't be a problem.

Me: For 2 ground Pokemon? No problem. I'll volunteer.

Nico: Really?

Me: Yep. And I got just the Pokemon for this. SOLGALEO, LUNALA!

Out came The Sun and Moon Pokemon, SOLGALEO and LUNALA!

Sandile charged at Lunala.

But Lunala was quick and fired a Moonlight blast and knocked him down.

Nico: That was pathetic.

Me: Yep.

Krokorok went underground.

Solgaleo was expecting this. Then Krokorok popped out in front of him and Solgaleo swatted him away.

Oshawatt: Razor Shell!

He bashed them both with it.

Solgaleo and Lunala fired waves of sun fire and moonlight and blasted them both down and they fainted.

Nico: Sandile and Krokorok are unable to battle! Winner J.D.!

Qin: YEAH!

Me: Take that!

Krokorok: Ya's toughter then yas look. I guess I gotta spill the whole bag of tricks

Sandile. Boss! If yas tells em, we're never gonna get the berries we was promised!

Krokorok: When ya lose a battle, yas gotta admit it. Graceful like. There was this gal, see. Gothita. She asked us to take the Cove Area's Pokemon to Wish Park. Said we'd gets lotsa Berries if we did her that favor. Well, we can't say no ta Berries, so we took the job, see. But when the Pokemon we took over there didn't come back.

Pikachu 2: How do we open the portal?

Krokorok: By standing in front of Poster Portal and wishing for it to open. It'll be easier with more Pokemon. And if they're your friends.

Megamind: How bout you two be our friends then? You two aren't bad fighters.

Me: Yeah you are great.

Sandile: We would like that.

Krokorok: Very much.

Me: Cool.

Krokorok: I gots some spare Shades if any of yous wants them.

Whirlin: Any volunteers?

Lisa Loud: I will gladly use them.

Krokorok: Okay then.

He gave the shades to Lisa.

Thetis: Let's see who we have in the Cove Area. Timburr, Patrat, Minccino, Wingull, Axew, Fraxure, Pidove, Tranquill, Maractus, Alomomola, Frillish, Drilbur, Petilil, Meowth, Misdreavous, Musharna, Audino, Raichu, Purrloin, Corpish, and Trubbish.

Lola: Wow lots of awesome Pokemon.

Nico: They sure are.

Camie: So cool.

Varie: All kinds of awesome Pokemon that are amazing.

Fireor: Let's head to the portal in Seasong Beach.

Nico: You don't have to tell me twice.

We went and did so.

Seasong Beach is amazing.

Deadpool: To open this portal, we must combine our own power with the power of all our friends.

RD Lola: Hear that, everyone? Gather around here!

Me: Right.

We gathered around.

Nico: Concentrate.

We concentrated and flared our power with our friends and then the Portal Opened up!

Doctor Octopus: Everyone ready?

Nico: Lets head in.

We went into the portal.

We arrived in Wish Park.

Nico: So this is Wish Park?

Deadpool: Specfically, the Cake Zone.

Qin: Wow!

Me: Looks like a carnival.

Xenia: It sure does.

Lola: Wow!

Nicole: What an awesome place.

Gothita came.

Gothita: Oh my! How did you manage to open the portal by yourselves? Well, nevermind. I'm sure I know why you came back. You couldn't get enough of Cofagrigus' delicious cake. (we glare at her) What? What's wrong? Why are you making such scary faces?

Alan: We're here for the missing Pokemon. And we're not leaving without them. So give them back.

Gothita: Give everyone back? That is a wish I can't grant. If you insist, then I must… run away! That's cute, right? (runs away)

Ann: (sighs) Ignore her for now. The only way to free the Pokemon here is to confront Cofagrigus!

Nico: In that case we shall.

Qin: Yep.

Finn: Hey Nico. What time is it?

Nico: Entrance time?

Finn: ENTRANCE TIME!

We went at the temple of Cofagrigus.

Cofagrifus was grumpling. Then the spirits of pokemon came and then they swirled around him and then converged and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and then a phoenix cry was heard and we came out.

Cofagrigus: Team Loud Phoenix Storm!?

Qin: That's right.

Cofagrigus: You? Coming here on your own? You truly are fools.

Grodd: You're the only fool here. Now, return everyone to normal.

Cofagrigus: We have a better idea. How about some cake?

Oshawatt: You must be nuts if you think-

Mary: Okay! (eats one)

Oshawatt: Mary, no! If you eat that, you'll be brainwashed too!

But the cake wasn't affecting her.

Nico: It's all right Oshawatt. Our powers make us impervious to anything that brainwashes or anything that gets us hypnotized.

Jean Bison: Now that you know how powerful we are, how about returning everyone to normal?

Cofagrigus: We fear that is impossible, even with our awesome power. Only the Wish Bell has the power to announce the end of playtime. But we shall not let anyone get close to that bell and end this merry time. If you want to ring the Bell, you must clear our attraction. The Cake Contraption!

Me: The Cake Contraption eh? What do we got to do for that one? Bake cakes?

Cofagrigus: It's simple. Aim and shoot at cake ingredients, and make a lot of delicious cake!

Oshawatt: Pikachu, let me be one of the people to handle this. These Pokemon are from the Cove Area like I am.

Pikachu 2: Okay.

Me: Go for it.

Mary: This is my kind of challenge.

Cofagrigus: It sure is.

Eli: This will be fun.

Cofagrigus: Would anyone else like to volunteer?

Laney: I will.

Cofagrigus: All right then.

Qin: This will be interesting.

Red Ghost: Good luck, guys!

Laney: Thanks.

Then..

GO!

They shot ingredients all over and made awesome cakes and then with a total of 400,534 points, Laney and Oshawatt won!

We cheered!

Cofagrigus: How can this be? How were you all able to conquer our Attraction? Very well. The real battle begins now!

Ulmar: Then why don't we cut the chit chat and do this?!

Nico: That's right!

Eli: Yeah!

See More: Pikachu, you and Oshawatt handle Cofagrigus and his Yamask buddies!

Maria: I'll summon Ice Demon's team to help you! (TURNS DIAL) ICE DEMON 6!

She summoned Ice Demon, Coldsnap, Piecemeal, Whales (Heros 108), Anti-Jorgen and Bashmaster!

Qin: Oh yeah!

Lola: This will be fun!

Xenia: It sure will!

Nico: Six Gum Gang, Gator Ghoul, Pied Piper, Griffin, Iceage, SkullMeramon, Mortal Kombat Scorpion, Count Spankulot, Seadramon and The Rowdyruff Boys.

Nico: Did any of you guys eat the cake here?

Goof: No, we didn't!

Wilbur: We saw what happened to the others.

Dixie: We weren't gonna risk it!

Nico: Good. Have the cake we made.

Gator Ghoul: Is it safe?

Nico: We infused it with our powers. So, yes.

Pied Piper: Good.

Me: Yeah.

Griffin: We heard you went to the Iceberg Zone.

Nico: We sure did.

Iceage: I would've wanted to go there!

Me: It was perfect for you.

Qin: Yep.

Beezara came.

Me: Beezara. Up for another round I see.

Beezara: Yep I sure am.

Me: Cool cool.

Beezara: So, all you have to do to free the Pokemon here is to ring the Bell?

William: Sounds about right.

Nico: Easy peasy cider squeezy.

Lola: Yeah.

Beezara: That is easy.

We got the usual battles underway.

?: YOU FILTHY GHOSTRICK SCUM! YOU SHALL ALL BE DESTROYED IN THE NAME OF GOD!

Morrigan Dabria: (Growls) I should've known there was no mistaking that voice from anywhere. Get out here right now, Emma Eleazar, before things get really ugly!

A girl with black hair, red hairband, red eyes, and dressed in a black coat, white bridal gloves, white shirt, necklace with red gem pendant, black pants, and black knee-high boots with butterfly buckles came out, and it was none other than Emma Eleazar, religious zealot and fanatical so-called vampire hunter of The Ghostrick Destroyers who was exposed as a murderous demon and heretic, and one of the twenty-two human-despising vampires from Transylvania.

Morrigan Dabria: Emma Eleazar, I should've known you'd show up here! Lincoln warned you all to never to show your faces again after he kicked you all out of Royal Woods seven years ago.

Emma Eleazar: We will never stop, all of you shall be destroyed in the name of God!

Me: You really are a delusional religious fanatic!

Nico: And an infinite-times fucked up one for that matter!

Lincoln: I did say they were absolutely insane and driven only by religious delusions, and for that, I blame their parents for that one. But, the jig's up, Emma, Ophelia already exposed her true self, and that's being one of the twenty-two human-despising vampires from Transylvania.

Morrigan Dabria: Indeed, and it's high-time we bring this delusional vampire down for good.

Suddenly, Morrigan Dabria's red eyes turned neon red and she was surrounded by a black and red energy aura with stars, darkness, light, shadows, skeletons, and angels, she unholstered her massive Ghostrick Skeleton's Grim Reaper Darkness Archangel Greatsword of Deathly Darkness Grim Reaper Angel Justice from her back, and as she approached Emma Eleazar, she left black and red energy, stars, darkness, light, shadows, skeletons, and angels with every step.

Morrigan Dabria: I can already see that time hasn't changed you, you're still the same religious fanatic and zealous so-called vampire hunter who was exposed as a murderous demon and heretic seven years ago along with being one of the twenty-two human-despising vampires from Transylvania. We thought we wouldn't have to deal with you ever again after Lincoln chased you all out of Royal Woods, but as always, you refused to learn your lesson, and you had the nerve to come back after you were explicitly warned. You now have nowhere to run to, Emma Eleazar, and now, you shall pay the price for your misdeeds with your own blood.

Suddenly, Morrigan Dabria as surrounded by a massive vortex of black and red energy with stars, light, darkness, and shadows surrounding the vortex, there are skeletons, angels, and Ghostrick Skeleton flying around the vortex, and in the vortex is an red phoenix with blood red eyes glaring at Emma Eleazar: the red eyes of eternal death. Then, as the vortex faded, Morrigan Dabria emerged, but she was changed forever.

Suddenly, Morrigan Dabria's massive Ghostrick Skeleton's Deathly Grim Reaper Darkness Archangel Greatsword of Deathly Darkness Grim Reaper Angel Justice, her scythe, and all the other greatswords and swords she'd gotten began merging together and they're surrounded by a kaleidoscope of black and red energy, stars, darkness, light, shadows, skeletons, skulls, and angels, and when it emerged, it was transformed into Morrigan Dabria's Ghostrick Skeleton Deathly Darkness Grim Reaper Darkness Archangel Greatsword of Deathly Darkness Grim Reaper Angel Justice, it's a brand-new massive greatsword with embedded red gems and Ghostrick Skeleton etched on the 7'4" massive, wide, double-edged black blade, large black skulls for the crossguard, large white angelic faces built into both sides of the hilt with large red gems embedded in their foreheads, longer midnight black handle, four large black skulls and below the skulls is a large white angel head with red gems for eyes and a red gem in its mouth for the pommel, she has on her new brand-new large gold cuff Bracers of the Champions of The Universe with red gems on her wrists and Dragon Ball Bracelet on her left large gold cuff Bracer, new large gold Belt of Elemental Bravery with a gold version of Ghostrick Skeleton's head with red gems for eyes and a large red gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. Morrigan Dabria has transformed into SUPER ANGEL-GHOSTRICK SKELETON-GRIM REAPER-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA DEATHLY GRIM REAPER DARKNESS LIGHT GHOSTRICK SKELETON ANGEL OF DIVINE DEATHLY GRIM REAPER DARKNESS LIGHT GHOSTRICK SKELETON ANGEL JUSTICE AND DIVINE DEATHLY GRIM REAPER DARKNESS LIGHT GHOSTRICK SKELETON ANGEL LOVE!

We were amazed by Morrigan Dabria's Super Angel-Ghostrick Skeleton-Grim Reaper-Harmony Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Emma Eleazar saw it, she fell into an even more darker and more insane rage and ran at Morrigan Dabria with a knife, this time to stab her in the heart to kill her, but Morrigan Dabria fired a powerful barrage of black and red energy blasts, stars, darkness, light, skeletons, skulls, and angels at the insane vampire hunter and delusional vampire and they exploded with incredible power as they hit her, and this really pissed her off.

Me: Whoa!

Nico: Oh man, Morrigan's transformed, and now, there's nowhere for that delusional vampire to hide.

Lincoln: No villain's ever been safe, not even from The Grim Reaper of Michigan, and what she had done in casting curses on the villains was literally that powerful, and now, Emma Eleazar's going to pay the price for her crimes.

Morrigan Dabria: (Divine Godly Cosmic Voice of The Deathly Darkness Light Deathly Grim Reaper Angel Ghostrick Skeleton Angel and Divine Deathly Darkness Light Deathly Grim Reaper Angel Ghostrick Skeleton Love) And pay, she will. Now, let's rip her to shreds, Linky.

Crash Bandicoot: Don't start without me, guys.

Crash Bandicoot unholstered his massive Crash Bandicoot's Skylands Ten Elemental Wolf Draconic Bandicoot Greatsword of Ten Elemental Skylands Justice and Ten Eternal Elemental Skylanders True Bravery from his back and he transformed into Super Angel-Bandicoot-Dragon-Elemental Skylander-Harmony United Friendship Universal Eternal Celestial Xelnaga Ten Elemental Knight Elemental Skylander Draconic Bandicoot Angel of Divine Ten Element Skylands True Hero Knight Draconic Bandicoot Angel Justice and Divine Ten Element Skylands True Hero Knight Draconic Bandicoot Angel Bravery.

Crash Bandicoot: (Divine Echoing Godly Voice of The Ten Skylanders Elemental Draconic Bandicoot Angel and Divine Godly Universal Ten Skylanders Elemental Draconic Bandicoot Angel Bravery) You now have nowhere to run to, you blood-crazed delusional bat.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Morrigan Dabria and Crash Bandicoot.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) I warned you of the consequences should you and the rest of The Ghostrick Destroyers dare to show up again, Emma Eleazar, now it's time we put you down for good!

Morrigan Dabria, Lincoln, and Crash Bandicoot went after Emma Eleazar, and they fired extremely powerful blasts of rainbow energy, black and red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Emma Eleazar and they exploded with incredible power as they hit her.

Then, they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and firing energy slashes from his claws and he, Morrigan Dabria, and Crash Bandicoot also attacked her with punches, kicks, and karate chops, along with elemental blasts, and this was really driving Emma Eleazar mad.

Emma Eleazar: You… YOU! (Red Eyes turning Blood Red with slit pupils and vampire fangs grew) I WILL KILL YOU!

Emma Elazar's vampiric nature came out, and now, she was out for blood. Emma Eleazar ran at Lincoln, Morrigan Dabria, and Crash Bandicoot, and she tried to attack them, but they dodge her attacks, and then, Lincoln drove his massive greatsword into Emma Eleazar's stomach, and he began sucking out her vast dark powers, immense strength, and vampiric abilities, and he made them his own. Then, he removed his massive greatsword from her stomach.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, for the grand finale.

Lincoln put Emma Elazar in a brutal bearhug, so she couldn't escape, and then, he began absorbing her into his body as her body was being broken down by the acid released by Lincoln's acidic cells and absorbed into his body, and then, he drained Emma Eleazar's soul of her life energy as we saw his rainbow energy fire aura and protective rainbow aura with mythological animals and elemental forces flare up and he was gaining a massive power boost. Then, as soon as he was done absorbing Emma Eleazar into his body and then draining her soul of her life energy, an energy card with Emma Eleazar's drained soul appeared in his left hand. We cheered wildly for what Morrigan Dabria, Lincoln, and Crash Bandicoot did as they holstered their weapons and powered down, and Morrigan Dabria's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, and massive black angel wings are permanent.

Morrigan Dabria: That's one down and thirteen of these monsters to go, and we're now pissing them off greatly. Thank you for helping us get rid of that religious fanatic and zealous heretical vampire, Linky, you too, Crash.

Lincoln: (Smiles Warmly) You're welcome, Morrigan.

Crash Bandicoot: She did need to pay for what she did, and I'm always happy to help.

Crash Bandicoot went back to us, and suddenly, Morrigan Dabria wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Morrigan Dabria's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Ghostrick Skeleton flying in the air, and we saw a herd of Buffalo and many animals running across the field as skeletons rose from the grave and gathered around them and we cheered wildly. Then, Lincoln and Morrigan Dabria absorbed the elemental forces and they came back to us as the display vanished.

Nico: Whoa, oh man, now that's what I call a truly awesome fight, Lincoln, Morrigan, Crash, you showed that showed that vampire no mercy whatsoever, and sent her to her death.

Lincoln: She didn't deserve any mercy, I warned them never to show their faces again, but those fools never learn.

Me: And you used The Pillar Men's absorption on her, nice one.

Lincoln: And after I absorbed her body, I drained her soul of all its' life energy, now for the second part of her punishment.

Lincoln sent the soul of Emma Eleazar in a cage and he put the curse on her that gave her back her life energy, but once that happened, suction tubes came out and were attached onto her, and then, the suction tubes activated, and Emma Eleazar's life energy was being sucked out of her again: she was condemned to that punishment until all of The Ghostrick Destroyers are killed, and it flowed into Lincoln and The Michigan Supernatural Defense Force as they gained a massive power boost.

Nico: (Snickers) That Room of Tortured Souls is definitely a top-notch prison for some of Michigan's most dangerous thugs and criminals.

Lincoln: And the curse I put on them has continued to work for seven years, that way, they can suffer for all eternity of regaining their life energy only to have it drained out of them again and flowing into us. But, if any of them get a little out of hand, I put in a counter curse, should any of them get a little out of hand or try to escape, the counter curse will activate and the life energy they regain from the curse will not only be drained out of them forever, but they'll be sent to The Black Gates forever with help from our stone gargoyles and stone vampire bats perched outside the castle.

Ravenna Amaranth: And Lincoln also put up a new curse: once all the members of The Ghostrick Destroyers are destroyed and sent to The Prison of Tortured Souls and all their life energy has been drained, they will be sent to The Black Gates forever.

Me: Cool!

Nico: So, you'll keep them imprisoned inside the castle's prison until that day comes, nice one. So, Lincoln, which Noble Knight Gene-Slammer are you meeting tomorrow?

Lincoln: Ooh, I've got just the one: we'll be meeting the Gene-Slammer of Noble Knight Drystan.

Melanie Artorgius: (Gasps) Awesome, and there's only one person who'd be Gene-Slammed into Noble Knight Drystan, Maria Tristian, and you guys will love meeting her, Maria Tristian is Lincoln's Guardian Angel from Michigan and she's a very powerful wielder of magic and a very powerful swordswoman, and a member of The Royal Woods Knights of The Michigan Table. She trained Lincoln both in the art of swordsmanship and in magic, and he became a very powerful swordsman, and she also taught him much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those he loves and holds dear to his heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Maria Tristian is also a direct descendant of Tristian of Camelot.

We gasped.

Me: Tristian, one of the skilled Knights of the Round Table and he's also a friend of Lancelot.

Katara Chevalierflamboyant: (French Accent) That's right, plus, Lincoln made her a purple coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Maria Tristian hates Flip with a very blazing passion. One day, Maria and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Flip, and he'd brought with him an army of thugs he hired. Maria Tristian and Lincoln went out there along with the rest of us, and she'd slain them with her greatsword. It drove Flip into a blood-crazed fury, but before he could unleash his wrath on us, Lincoln and Maria fired chains of light magic which bound Flip and tied him up. Lincoln called Luna, who showed up along with Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lily, and the parents, and when we told them of what Flip did, they were furious.

Nico: Should've known that mutant would do something like this.

Lincoln: I know, I wasn't surprised that mutant would do this because of his many attempts to kill me, but in the end, his plan failed, and Flip got sent back to prison again, and Maria and I casted a spell to make sure he couldn't try to come after us for revenge after he got thrown back in jail.

Me: Yeah, messing with the descendant of Tristan of Camelot and one of the members of The Royal Woods Knights of The Michigan Table will have disastrous consequences.

Nico: That mutant really hated that his greatest "plan" was foiled once again, and he got into even more serious trouble.

Lincoln: That mutant seriously doesn't even know when to quit. And now, for tomorrow, we're going to face off against Ella Edwardson.

Lydia Anahita: Yes, which means you and I will be facing her, Linky.

Crash Bandicoot: And I'll be joining in as well.

Ravenna Amaranth: That's right.

Suddenly, we also saw the shattered remains of Drakus' shock collar, and Drakus was standing with his back facing us, Sebastian ran up to the collar's remains.

Me: The shock collar must've been broken during the fight against Cofagrigus.

Sebastian Mendez: (Picks up the collar's remains) What the? Uh, Drakus?

Drakus turned to face us, and he had a vengeful grin on his face and glared at Sebastian, and then, he belched out green tentacles from his mouth and his massive dragon wings spread out and his tail was lashing on the ground: he was freed from that shock collar Sebastian put on him to discipline him and keep him restrained.

Me: Oh shit, Drakus is free!

Nico: And you're in big trouble!

Sebastian saw it and he screamed and ran while Drakus chased after him and he was planning on beating the tar out of him until Bunnicula showed up and roared and tentacles came out of his mouth and it grabbed Drakus and sent him flying into a tree and he got dazed and knocked out.

Sebastian: I'll make a stronger shock collar to restrain him.

Sebastian put a stronger shock collar on Drakus.

Cofagrigus: Oh no. Our master will be furious with us!

Ice Demon: Then, don't stay with your master then.

Cofagrigus: Huh?

Ice Demon: You have the right qualities to be in the Masters of Evil. We don't have much Pokemon there.

Cofagrigus: Really?

Ice Demon: Yes. But first, let us ring the Wish Bell.

Oshawatt went and did so and then…

BONG!

We freed the Pokemon.

Oshawatt: We returned everyone from the Cove Area to normal. But no Piplup.

Cofagrigus: (sheepishly) About that. After you two left, he went stumbling into another Zone.

Nico: Another Zone here?!

Cofagrigus: Hey, Wish Park is beyond your imagination. It has 3 other zones besides this one. Plus the Wish Palace, where the master resides. Yes, you might have rung the Cake Zone's bell. But to get to the Wish Palace, you must clear the other 3 Attractions.

?: Conspiring with the enemy, Cofagrigus?

A Gothorita teleported in.

Gothorita: You must be the troublemakers Gothia was talking about.

Nico: We aim to please!

Me: That's right.

Gothorita: You may have taken the Cove Area's Pokemon from us. But Pokemon from all over the Pokepark are gathering here in Wish Park. We will make sure every Pokemon is captivated by Wish Park. We will create a world where the good times never end. This is our master's plan and we won't let anyone interfere. But you can have Cofagrigus. We have no more use for him. (teleports away)

Lincoln: She got away!

Nico: Let her go. The important thing is that the Cove Area's Pokemon are safe.

Me: That's for sure.

SkullMeramon: Well, we freed the Cove Area Pokemon

Mortal Kombat Scorpion: But no Piplup.

Count Spankulot: Whoever is behind this is very bad!

Seadramon: But we'll find him.

Brick: Our battle against Wish Park has just begun!

Nico: Yep. Great job though guys.

Eli: (To the viewers) But whoever this master is we wiill stop him. Hope you all liked this one.

Nico: We all did.

We went back home for now. This was fun.

We enjoyed the rest of the day and went to sleep.

See you next time.

# PokePark Part 2

The Arbor Zone and Dance Zone

---

At breakfast, I was having pancakes and reading for any updated info on Queen Opaline and I discovered something. It said that her full name is Queen Opaline Arcana.

Me: Queen Opaline Arcana. Wow.

I looked through the info and found a SHOCKING Discovery!

Prior the events of the series, Opaline was once an alicorn filly, and was around since the filly years of the royal pony sisters, Princess Celestia and Princess Luna. When Opaline waved to them, Celestia and Luna turned away from her, causing Opaline to descend into madness. She is revealed to be an Elemental alicorn, and is able to control fire with her kind of magic.

I gasped!

Me: WHOA! So Opaline actually wanted to be friends with Princess Celestia and Luna and they just brushed and it caused her to descend into madness!? I better go talk to the Princesses about this.

I finished my breakfast and headed to the castle in Canterlot.

I walked through the doors of the throne room and saw Princess Celestia signing papers and Twilight Sparkle, Sunset Shimmer, Moondancer, Flurry Heart and Princess Luna were with her.

Princess Celestia: Oh J.D. hello.

Me: Morning Princess Celestia. Sorry to come in like this when you're in the middle of something important. But I have something I would like to ask. I found out some interesting info about Queen Opaline and it says that you and Princess Luna met her eons ago when you two were fillies. Is that true?

Princess Celestia: Yes it is and I remember seeing her with Luna.

Princess Luna: I do too. But we just.

They gasped!

Me: Uh oh. Was it something I said?

Princess Celestia: I can't believe this! WE were the cause of Opaline going mad!

Me: What?

Twilight Sparkle: Princess how can that be?

Princess Celestia: We should explain. Back all those years ago we were brash and didn't care much about friendship. Like you Twilight we only wanted what was best for everyone but not friendship.

Twilight Sparkle: You didn't really care much about friendship either?

Sunset Shimmer: Wow! That is crazy.

Moondancer: Just like me, Sunset and Twilight.

Princess Celestia: Yes. But we were so caught up in our studies that we just shrugged her off. Star Swirl was teaching us so much that we just ignored her and we MADE her this way.

Me: Princesses you had no idea. There was darkness in her heart from the very beginning and you had no idea that all this would happen because of her.

Princess Luna: If we had just given her a chance then she wouldn't have become so evil.

Me: It's not your fault princesses. Like Twilight, Sunset Shimmer and Moondancer you learned from your mistakes and now you are the greatest friends for everyone and everypony great and small. You gained great love and admiration and friendship not just all over Equestria but from all of us as well. Also you had no idea Opaline would turn out this way. She had darkness in her heart from day one. She was practically born a rotten egg.

Princess Celestia: You're right on that. But thank you for telling us this J.D.

Me: You're welcome. I found out the info a few minutes ago and had to tell you.

Princess Luna: I'm glad you did.

My watch beeped.

Me: Oh Rescue time for Nico.

Twilight Sparkle: Well time for action.

Sunset Shimmer: Lets do it!

We were off.

Walking through the Cavern Zone of PokePark was Nico, The Ripping Friends, Ellie Singh, Evelyn Burmingham, Jen Tennyson, Eddy, Yugi, Tea, Jaden, Jesse Anderson, Allenby Beardsley Knudson, The Hernandez Sisters, Yost Magma, Rin Nohara, Woz, Bai Tza, Sabrina Lorelai the Despair from The Dark Gene-Slammer, Albedo, The 1983 D&D Gang, Donbrothers, Irina Krafla the Granity Gene-slammer, Kora Lexxington, Olivia Houou, Nataša Marečková, Nalanie Nanthavong The Vorash Gene-Slammer, Brynja, Sissi Delmas, Anna Anyanova the Destiny HERO Dark Angel Gene-slammer, Daring Do, Lizzie Strong the Great Blue Windrunner Gene-slammer, Emam Reynolds the Living Tsunami Gene-slammer, Wendy Sapphira, Reggie Hjorleifsstræti the Five Headed Dragon Gene-Slammer, Qin, Miku Yuuki, Princess Anita, Granity, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Hibiki Riders, Agito Riders, Kabuto Riders, Den-O, Kiva, Decade, W, OOO, Fourze, Wizard Riders, Blade Riders, Faiz Riders, Gaim Riders, Drive Riders, Ghost Riders, Ex-Aid Riders, Build Riders, Zi-

Me: Wow.

Nicole: Boy these caves are incredible.

Misty Tredwell: They sure are.

Nico: They remind me of how big the caves are on Urth in Primal Rage.

Lincoln: They sure do.

Reggie MacKenzie: They go on forever.

Xenia: They sure do.

Mulan: I think it's so awesome seeing all this.

Maiden of The Aqua: It sure is amazing seeing this here.

Camie: Yeah no kidding.

Jessica Shannon: I'm really excited for this one.

Nico: Jessica, I want to thank you, Dr. Polaris, and your teams for coming

Jessica Shannon: No problem Nico. This will be so fun.

Qin: It sure will.

Disk Wars Wasp: I'm really looking forward to this one too.

Varie: Same here.

Mulan: It sure will be good.

Nico: Mulan, are you honored to have Qin as a descendant?

Mulan: I sure am.

Qin: Me too. Just like I am the descendant of Emperor Han the Dragon Emperor.

Me: Boy Qin has an amazing Family History that dates back to over 2,000 years ago.

Laney: That is so awesome.

Camie: It sure is.

Sakura Knudson: Qin's history is so cool.

Me: It sure is. When Qin joined us we learned so much about her and how we found out that she is the direct Descendant of Mulan, the bravest hero woman in all of China's history and also Emperor Han, the most ruthless conqueror that ruled all of China back over 2,000 years ago.

Laney: That's true.

Qin: Yeah and it was so amazing.

Mulan: It sure was.

Nico: Even though she was Gene Slammed?

Mulan: Even though she was gene-slammed.

Nico: Wow. That is true family bonds there.

Me: It sure is.

Lola: Yeah.

Leeli: That is so amazing that she has an awesome history like that.

Me: All of China does. For thousands of years China has had an amazing history that stretches back for eons.

Twilight Sparkle: It sure does. We were amazed ourselves.

Eli: Yeah and the best part is now Shan Yu and Chi-Fu are gone.

Xenia: Yeah those jerks.

Lana: No kidding.

Nico: Yeah.

Xenia: This is so amazing seeing the Cavern Zone like this. It just goes on forever.

Lola: It sure does.

Me: And the Cake Zone was cool too.

Nico: So was the Cove Zone.

Pikachu 2: I'm just worried about Piplup though.

Poromon: Relax, Pikachu. We'll find Piplup, okay?

Nico: Yeah we'll find him.

Twilight Sparkle: Yeah and Dawn will get him out. He is essentially her starting Pokemon.

Nico: That's true. Piplup is her starting Pokemon. But this is a different version.

Me: Yeah but still a Piplup for her nonetheless.

Twilight Sparkle: Yeah.

Pikachu 2: Thanks guys.

Charmander: And you don't want me and Chikorita coming with you because?

Nico: Because the two of you need to make sure the zones on this end of the Pokepark don't get their Pokemon brainwashed.

Charmander: Good reason.

Qin: Yeah it sure is.

Me: But these zones are all amazing.

Xenia: Yeah they sure are.

Lola: Yeah.

Charmander: You can count on us.

Lola: Great.

Nico: Don't forget we need to find Shen Gong Wu.

Me: Right. And the Fist of Tebigong is here.

Nico: Nice.

Lola: We'll find it.

Nico: Now, where could it be?

Then a red laser shot out of the device and it was leading to the

Shen Gong Wu.

Me: Whoa!

Nico: It has a compass laser to find them! Cool!

We followed the laser deep into the cave and on a cave pedestal we saw the Fist of Tebigong!

Nico: There it is!

Laney: The Fist of Tebigong.

Lola: Wow!

I went over and picked it up and brought it over.

Xenia: Awesome.

Nico: Another Shen Gong Wu collected

Me: Yep.

Camie: Cool.

Xenia: That was easy too.

Apple Bloom: It sure was.

Twilight Sparkle: I thought so too.

Nico: Yep. J.D. is it true that Princess Celestia and Luna lead Opaline to being like that?

Me: Every word of it. Like Twilight, Sunset and Moondancer they didn't care about friendship and brushed her off. It lead to her descending into madness and powerhunger.

Xenia: Yikes.

Me: That was awful.

Nico: No kidding. But at least they learned from their mistakes.

Maria: We're not blaming them for anything.

Me: Me neither. This happened eons ago.

Rarity: Indeed. But after hearing this info, I feel bad for Opaline darlings.

Xenia: Yeah me too.

Applejack: Yeah all she wanted was a friend.

Misty Brightdawn: No kidding. Opaline showed me her past but I didn't know it was that bad.

Sunny Starscout: That was awful. But she really tore apart everything that Twilight Sparkle did.

Camie: I know. But at least she's gone.

Me: The Universe 666 version is with us and so is the X-Squad version for the M.O.E.

Lola: Yeah.

Nico: That's true.

Lisa: I will play the attraction here

Me: Okay Lisa.

Qin: What's the Attraction that is here in the Cavern Zone?

Charmamder: Bastiodon's Block Barrage.

Lisa Loud: Ah that will be interesting.

Bastiodon then came.

Bastiodon: It sure will be interesting.

Me: What does Lisa have to do in that one?

Bastiodon: I'm gonna roll the ball to her. And she needs to hit the wooden boards to get points.

Me: Like a pinball game.

Qin: Yeah that is amazing.

Bastiodon: Almost exactly like Pinball.

Camie: Yeah.

Lisa Loud: Challenging and good.

Lola: It sure will be.

Lisa Loud: Indeed. Lets get this going.

Bastiodon: Sure you're up for this? You seem more like the brainy type.

Lisa Loud: Just because I have all brains doesn't mean that I am capable of doing feats of agonizing musculoskeletal physical combat; Street Name combat and strength.

Bastiodon: I like your spunk. That's the spirit.

Nico: That's Lisa for you.

Anna Anyanova: Lisa has come a long way since we first met her.

Lola: Indeed she has.

Nico: Yep.

Bastiodon: Ready?

Lisa Loud: Does an ant ever quit working?

Bastiodon: Go!

He rolled the ball to her and Lisa was pushing and kicking it into the wooden planks and smashing them to pieces and got over 602,323 points and she was doing really well. When she was done she got over 1,342,352 points and won!

Xenia: YEAH!

Lisa Loud: HOOOHOHO! That was so much fun!

Lincoln: Lisa had fun on that one.

Anna Anyanova: She sure did!

Chikorita: Nice job!

Laney: That's our genius sister.

Lincoln: Lisa is very skilled in brains and in brawn too.

Xenia: She sure is.

Lola: That is for sure.

Lisa Loud: I never knew I was capable of being that strong.

Me: You grew a lot of muscle mass ever since you grew in terms of power as well as helping Lincoln and us out.

Lisa Loud: Indeed I sure did.

Nico: But it's brains that you mostly use

Lisa: I may use mostly my brains but I have the muscular power to accomplish great deeds.

Nico: That's true.

Qin: Yeah.

Laney: That was awesome though.

Eli: It sure was. And Nico I found the next Anothers. They are Icy, Stormy, Darcy, Kimeramon, Yost Magneto and Dr. Polaris.

We gasped!

Me: Whoa man! Kimeramon is now in the M.O.E.?

Xenia: Oh boy.

Lola: This is gonna be tough.

Camie: Yeah.

Nico: Oh boy. And Kimeramon is the reason why I killed Ken.

Camie: How come?

Nico: Ken used Devimon's power in Kimeramon and because of that I snapped and because of that I killed Ken. But I didn't realize that I was poisoned by MaloMyotismon's evil essence and it made me a guilt-ridden sadsack.

Maria: Who do we call for this?

Me: Hanika Kobaiyashi, Elasti-Girl of the Doom Patrol, X-Squad Cyclonus and Camille Izumi.

Nico: Whoa!

Maria: That one will be interesting.

Lola: Yeah.

Me: Camille Izumi is going to be in for a powerful challenge.

Camie: What does Kimeramon look like?

Me: Like this.

I showed a hologram of him.

Me: He's an artificial Digimon combined with the parts of different kinds of Digimon. He's an Ultimate Level Digimon. Not even the combined powers of 5 Armor Digimon can defeat him.

Nico: It's true.

Lola: Yeah. Ken made him to send the Digital World into Chaos.

Xenia: What a jerk back then.

Then in swirls of fire, darkness, elements and energy came Hanika Kobaiyashi, Elasti-Girl of the Doom Patrol, X-Squad Cyclonus and Camille Izumi.

Elasti Girl: Hey, guys!

Camille Izumi: This will be so fun. So I get Kimeramon the synthetic Digimon as my archenemy.

Xenia: Yep you sure do.

Lola: No kidding.

Camie: Yeah.

Eli: I sense that the Another Trix are all one person. Another Kimeramon is a gene-slammer and the rest are individual.

Qin: That's an interesting setup.

Lola: Yeah.

Eli: It sure is.

Xenia: Yep. So it's Hanika, Elasti-Girl and X-Squad Cyclonus first.

Nico: There they are!

Out came Another Icy, Stormy and Darcy!

Qin: Whoa!

Lola: This is gonna be awesome.

Hanika Kobaiyashi: It sure will be. And who are you three?

Another Icy: I believe that J.D. knows me.

Me: That voice.

They merged and she reverted back and was a girl with purple hair and she had blue eyes and blue clothes.

Me: (GASP) Elessar Gandalf!

Elessar Gandalf: Good to see you again J.D.

Me: Same here. Elessar is from Middle Earth and she is actually the daughter of Gandalf.

Nico: Whoa!

Lola: Awesome!

Camie: That is amazing.

Tsuyu: It sure is.

Elessar Gandalf: Yep and I heard you guys killed Sauron and destroyed him.

Me: We sure did and that was awesome.

Elessar Gandalf: Wow. And Gollum too. I'm glad you killed him.

Me: Same here. By the way are the rest of the Anothers friendly or hostile?

Elessar Gandalf: Friendly and the Another Kimeramon is a gene-slammer.

Eli: This will be interesting.

Nico: Gollum was a crazy piece of shit

Elessar Gandalf: You're not kidding. I'm glad he is gone.

Qin: Me too.

Hanika Kobaiyashi: Sorry we have to fight like this.

Elessar Gandalf: No worries.

Girl Jordan: But first lets separate you from the Anothers.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies outside had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

She glowed and was separated from all the Anothers.

Hanika Kobaiyashi: Nice. Lets get them.

They fired waves of fire, energy and darkness and blasted the Anothers and I caught the Wonder Ride Books.

Me: Awesome.

Camille Izumi: My turn. Another Kimeramon.

Lola: Oh boy.

Then we heard stomping and we saw a figure coming and out came ANOTHER KIMERAMON! HE WAS HUGE!

Me: Uh oh.

Qin: Oh boy.

Nico: Um… hi?

Another Kimeramon: (In a girls voice) Sorry to frighten you like this.

Me: (GASP) That voice.

She reverted back and was a girl with black hair and blue eyes and had the kanji for Heat in the middle of her forehead and she had pitch black angel wings and had a blue shirt and it had the no sign that was over The Digimon Emperor's face and it said Kill The Digimon Emperor. She had black skirt and vest and blue pants and shoes and an elemental sword.

Me: Layla Chimera! Whoa!

Layla Chimera: Awesome to see you again J.D.

Me: Yeah. And you guys are not going to believe this but Layla is also the Gene-Slammer of Kimeramon.

We gasped!

Nico: WHOA!

Xenia: The Gene-slammer of Kimeramon?

Qin: That is crazy and wicked cool.

Lola: It sure is.

Nico: Yeah.

Qin: That is amazing.

Nico: It actually fits you.

Layla Chimera: Maybe so but I want nothing more than to stab him in the heart, slash his head off and mount his head on a pike. You see I'm the leader of a faction called the Anti-Digimon Emperor Rebellion. It's a group of rebels of humans and Digimon that are out to kill the Digimon Emperor.

Lola: Wow!

Me: That is really interesting.

She gave me a business card for it.

Layla Chimera: Our mission is to destroy all the atrocities he did.

Me: Anti-Digimon Emperor Rebellion, Kill Ken and End his Tyranny or Your money Back.

Layla Chimera: That last part is a force of habit slogan.

Nico: I see.

Me: But Ken was brainwashed by Oikawa and MaloMyotismon. You know that right?

Layla Chimera: Yeah I do. But you guys have him in your prison.

Me: You can beat him up in there as many times as you want.

Nico: It's more satisfying to have him there alive

Lana: Yeah Nico put him in there to rot because he needed answers. It's part of his past.

Layla Chimera: That is a very good reason for it.

Me: Tell you what Layla. In the future we'll have a mission where we go to the Digital World and battle Ken and then you can REALLY let him have it.

Layla Chimera: I would like that very much.

Me: Awesome.

Camille Izumi: But it's good you want to put the Digimon Emperor in his place like that. Sorry we have to fight like this.

Layla Chimera: No worries.

Lincoln: Here.

He fired a wave of light and separated her from Another Kimeramon.

Camille Izumi: Now for this.

She teleported in front of him.

Camille Izumi: (ECHOING) MAGNA EXPLOSION!

She then unleashed a massive blast of energy and it enveloped Another Kimeramon and obliterated him in an instant!

Lola: WHOA!

Me: HOLY MACKEREL!

Xenia: What power!

Nico: Awesome!

Camille Izumi: YEAH!

Nico: Boy if the Digimon Emperor saw that he would be shitting his pants in fear.

I caught the Wonder Ride book.

Me: Awesome.

Mulan: It's my turn now.

Qin: Yep for Yost Magneto ancestor.

Mulan: That's right.

Me: Look!

Then out came a figure and it was ANOTHER YOST MAGNETO!

Lola: Oh boy.

Another Yost Magneto: (In a girls voice) This is gonna be fun.

Nico: That voice.

She reverted back and it was a girl with red hair and she had red eyes and had an incredible amount of energy.

Nico: (GASP) Abigail Lowenstein!

Me: Wait you mean the Daughter of Apocalypse!?

Nico: Yep.

Lola: Whoa! The daughter of the very first mutant!

Me: Not the Apocalypse we killed in the Yost Universe right?

Abigail Lowenstein: No. The Prime Universe version.

We gasped!

Me: We didn't know that he was your father. I hate to be the bearer of bad news but we're going to kill your father and banish him to the Black Gates.

Nico: Unless you hate your Dad.

Abigail Lowenstein: "Hate" is an understatement. I ABSOLUTELY LOATHE, DESPISE AND ABHORE MY FATHER with a vengeance!

We gasped!

Me: Whoa! That is the worst kind of hatred towards ANY PARENT good or bad.

Xenia: YEAH!

Me: But we are REALLY going to kill your father. We just need to pick a good time for it.

Nico: But we'll let you know when.

Abigail Lowenstein: Okay. I can wait.

Me: Sorry we have to battle.

Lincoln: First this.

Lincoln fired a wave of light and separated her and I Mulan and me fired a wave of light and fire and blasted down the Another and I caught the Wonder Ride Book.

Me: That was fun.

Nico: All that's left is Another Dr. Polaris

Jessica Shannon: Yep. WASP! D-SMASH!

She summoned Disk Wars Wasp!

Disk Wars Wasp: This is gonna be fun!

Me: You got that right Janet. It sure will.

Nico: And now, we just have to wait

Me: We don't have to wait long. LOOK!

Ouc came a figure and it was ANOTHER DR. POLARIS!

Me: Whoa! Another Dr. Polaris.

Nico: This is gonna be magnetically attractive.

Qin: Yep.

Another Polaris: (In a girls voice) It sure will be.

Camie: That voice!

She reverted back and it was a girl with dark blue hair and had blue eyes and she had purple clothes with a galaxy on the skirt and she had stars orbiting around her hands.

Sirius: (GASP) Oh my god! Hikari Shoto Takahara!

Hikari Shoto: Sirius, Camie, Tsuyu, Toru and Kaina! I thought I would never see you again!

Me: I take it you two know each other?

Sirius: We sure do. She went to U.A. Academy with us and she was a student that mysteriously disappeared.

Me: Weird. What powers do you have Hikari?

Hikari Shoto: My Quirk is called Stellar. It allows me to use the stars and I also have magnetic powers like those of Magnetar Stars and I can hurl disks in the forms of galaxies and I can fly with wings made of stars.

Me: Whoa!

Nicole: That is cool!

Xenia: It sure is.

Hikari Shoto: It sure is. My hero name is Galatea.

Nico: That's a cool name.

Himiko: It sure is.

Fiona Hernandez: I take it you heard about all of us destroying All For One right? As well as purifying Himiko here right?

Hikari Shoto: I sure have and that was so awesome.

Sougo: (gets out Donbrothers Ridewatch) Hope you also have a magnetic personality!

Geiz: (Gets out Zenkiager Ridewatch) Now you're starting to sound like Lodestar.

Sougo got DonMomotaroArmor while Geiz got ZenkaizerArmor.

Hikari Shoto: This will be fun.

She turned into Another Dr. Polaris!

Nico: Time to magnetize. (ACTIVATES DR. POLARIS AND YOST MAGNETO'S RIDEWATCHES)

He fired a wave of magnetic energy and smashed her down.

May: Time for some hate and games. (ACTIVATES UNIVERSE 666 CRONUS AND HATE MASTER'S RIDEWATCHES)

Her aura exploded out with incredible force and then she fired waves of energy and smashed her down.

May: WHOA! Hate Master's hate made me stronger!

Nico: Yep.

Maria: Now me. (ACTIVATES VECTOR AND MAD APPLE'S RIDEWATCHES)

She fired waves of light and apples and smashed her down.

Mulan: Time for this. (ACTIVATES YOST MAGNETO'S RIDEWATCH)

She fired waves of magnetic energy and smashed her down.

Then Patty & Selma, Mr. Fibb & Mr. Wink, Katherine, Ol Faceful, Lehvak and the Elemental Farting Bandits came.

Nico: Awesome team Patty & Selma!

Patty: Thanks Nico.

Selma: It sure is a fun one.

Lola: I'll say!

Then an Inteleon came!

Me: Cool an Inteleon!

Xenia: Neat!

Laney: This one is a master spy.

Inteleon: (In a girls voice) The Chameleon Strikes Quietly while blending in with the trees.

Nico: And the fly shall become its dinner while unsuspectingly being stalked by it.

Inteleon: Awesome to see you again Agent Nico.

Nico: Cindi Storm! Wow!

Qin: Another one of your spy buddies. Wow!

Nicole: That is cool!

Maria: By the way, Hikari, if you really want to know the real hero who helped kill All for One, it's Nanette.

Another Dr. Polaris: I heard. That is awesome.

Cindi Storm reverted back and she was a girl with green hair and had green eyes and had a blue hat and trench coat and clothes on.

Cindi Storm: I got this.

She fired a wave of energy and knocked her down and I caught the ridewatch and purified it and I brought Hikari over.

Me: Nice one!

Qin: Yeah!

Mulan: What's your favorite memory of Nico?

Cindi Storm: When me and Nico were on a case where we took down an evil group of Avocado Terrorists.

Me: Wait a second. I remember them! They were called The Order of The Avocado. They were another group of Agricultural Terrorists out to destroy the entire food supply by replacing it all with Avocados.

Xenia: That is really crazy.

Qin: Yep.

Nico: Just like S.U.S.P.E.N.S.E.

Xenia: Exactly.

Lola: Yep.

Cindi Storm: And we got those monsters sent to prison forever.

Lana: Good riddance.

Xenia: Yeah.

Nico and Cindi hugged.

Nico: I've really missed you Agent Cindi.

Cindi Storm: Me too Agent Nico.

We later went back home.

For Day 1, we're going after the first of The Shitōshin, Kyōra, and we're going to extinguish that powerful fire daiyōkai.

Lincoln: Whoa, we're here in Okinawa, Japan, and I know what we're going to do here, not only am I going to rescue the four girls here, but we got some bad news: The Shitōshin, Ryūra, Gōra, Kyōra, and Jūra, have come back from the dead, and they want revenge on Inuyasha and his friends for destroying them.

Inuyasha: Not them again, I thought we were rid of them for good.

Me: Looks like they've come back from the dead to get revenge on you and the others.

Nico: Those four demons just don't know when to quit, but we're going to put an end to them.

Lincoln: And it looks like they decided to go separate, so for Day 1, we're going after the first of The Shitōshin, Kyōra, and we're going to extinguish that powerful fire daiyōkai.

Eli: Yeah.

Sebastian: It won't be that easy though, I got word Kyōra also has the assistance of The Red Dragon Clan, one of the many enemies of The Earthrealm Defenders.

Jacqui Briggs: The Red Dragon Clan, I thought they were sent to The Black Gates when you guys got rid of Shao Khan.

Sebastian: That was only with Shao Khan, Quan Chi, Shang Tsung, and all those loyal to him, The Red and Black Dragon Clans were loyal only to Quan Chi and Shang Tsung only through appeasing to their desire for money and domination.

Cassie Cage: Great, now we got those two clans to deal with.

Lincoln: If we get rid of The Red Dragon Clan here and now, that's another enemy we'll be rid of.

Ant Man: Good idea, besides, they're out for one thing: revenge on you all for what happened to their benefactors.

Suddenly, we saw a massive army heading right for us: it was The Red Dragon Clan, one of the many enemies of The Earthrealm Defenders.

Lincoln: There they are, along with the leader of The Red Dragon Clan, Mavado, and his second-in-command, Hsu Hao.

Lincoln fired blasts of indigo energy which hit the troops of The Red Dragon Clan, and we then saw streams of indigo energy escape their eyes and mouths and as the streams of indigo energy flowed into Lincoln, the skin of the troops began to wither: Lincoln was absorbing their souls and life force and as soon as he was done, the soldiers of the Red Dragon Clan were drained of their life forces and left as desiccated corpses, and he banished the souls to The Black Gates after draining them. Then, we confronted Mavado and his second-in-command, Hsu Hao.

Lincoln: I never figured you'd ally with Kyōra, Mavado, but then again, you're willing to do anything to get revenge on us for killing your benefactors.

Hsu Hao came charging right at us until Lincoln fired a blast of rainbow energy which hit him in the chest and it not only destroyed his chest implant, but it also incinerated him and sent his corrupt soul to The Black Gates. Then, he turned to face Mavado who had his hook swords out.

Lincoln: Shao Khan and all those who served him paid the price, you are no different, all you desired was to take control of Earth, and that's something I'll never forgive.

Lincoln fired a massive lightning ball which hit Mavado and electrocuted him, and then, he summoned a Thunderbird which fired massive blasts of lightning which destroyed Mavado and sent him straight to The Black Gates.

Me: The Red Dragon Clan are finally finished, now we can get after Kyōra.

Suddenly, we saw a very beautiful and super sexy girl with brown hair and dark blue hairband, purple eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful white angel wings, she's dressed in a purple coat with a coat of arms on it, white short-sleeved shirt, necklace with pearls and purple gem for the pendant, black pants, white bridal gloves, black knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with knights, swords, magic, dragons, light, and angels on the coattails and on the back is Noble Knight Drystan, in her right hand is The Sword of Justice, and with her are the four girls.

Brown-Haired Girl: I hope I'm not too late, and I got the girls away from that fire demon before he could kill them.

Lincoln: No, you're not, Maria Tristian, you're just in time. In fact, we were just about to head after that scumbag.

?: You shall all pay for what you did in killing me, Inuyasha!

We then saw our target, Kyōra, and boy, was he pissed off big time!

Sylvester: If it isn't Kyōra, looks like the fight's about to heat up.

Then, Lincoln drove his massive greatsword into Kyora's stomach, and he began sucking out his vast dark and demonic powers, fire powers along with his red Sphere of Power, immense strength, speed, agility and reflexes, stamina, durability, superhuman regeneration factor, demonic magic, and demonic abilities, and he made them his own. Then, Lincoln proceeded to slice Kyōra into a million pieces with a Wind Scar he fired from his massive greatsword and the demon was shredded apart and his soul was sent to The Black Gates for good. We cheered as we holstered our weapons and powered down.

Lincoln: That's one of the Four Shitōshin put down, and three more to go. (To Maria Tristian) And it's so good to see you again, Maria Tristian.

Maria Tristian: You too, Linky, it's been a long time.

Lincoln went up to Maria Tristian and he hugged her, and Maria Tristian is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much stronger and muscular he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces soon went even deeper when they saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms and short stubble on his jawline, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Maria Tristian: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height and became a man, but you're still the same kind boy from long ago. Plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Maria Tristian, Gene-Slammer of Noble Knight Drystan, she's my Guardian Angel from Michigan and she's a very powerful wielder of magic and a very powerful swordswoman, and a member of The Royal Woods Knights of The Michigan Table. She trained me both in the art of swordsmanship and in magic, and he became a very powerful swordsman, and she also taught me much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those I love and hold dear to my heart, and never to let those with such malice and evil in their black hearts get away with their crimes.

Nico: That's awesome.

Lincoln: Plus, you're going to love hearing this: Maria Tristian is also a direct descendant of Tristian of Camelot, one of the skilled Knights of the Round Table and friend of Lancelot.

Me: Knew it.

Lincoln: I also made her a purple coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed me on the lips after our training, and Maria Tristian hates Flip with a very blazing passion.

Inuyasha: Oh great, what did that mutant do this time?

Lincoln: One day, Maria and I along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Flip, and he'd brought with him an army of thugs he hired. Maria Tristian and I went out there along with the rest of us, and she'd slain them with her greatsword. It drove Flip into a blood-crazed fury, but before he could unleash his wrath on us, we fired chains of light magic which bound Flip and tied him up. I called Luna, who showed up along with Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lily, and Mom and Dad, and when we told them of what Flip did, they were furious.

Lynn Sr.: We sure were, but Lincoln wasn't surprised that mutant would do this because of his many attempts to kill him, but in the end, his plan failed, and Flip got sent back to prison again, and Maria and Lincoln casted a spell to make sure he couldn't try to come after him for revenge after he got thrown back in jail.

Lincoln: Because messing with the descendant of Tristan of Camelot and one of the members of The Royal Woods Knights of The Michigan Table will have dire and disastrous consequences.

Me: Good-for-nothing mutant, he's just making things even worse for himself.

Lincoln: All the revelations we'd heard proved that he was nothing more than an embodiment of the sin of greed, and all his crimes could've gotten him sentenced to death, but humiliation for eternity, that's a worst fate that only we can give him, and now that you're here, Maria.

Lincoln went up to and hugged Maria Tristian in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Maria Tristian: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Maria Tristian's neck with purple gems on the gold lightning bolts and purple crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Maria Tristian: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Maria Tristian.

Maria Tristian had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them, then, we went up to the four girls, and when Lincoln saw who they were, they immediately recognized them. The four girls are Rimu Shirakawa, Maya Yumegasaki, Miyabi Yumeno, and Nadeshiko from Succu Ari Apart.

Lincoln: Oh wow, it's Rimu Shirakawa, Maya Yumegasaki, Miyabi Yumeno, and Nadeshiko from Succu Ari Apart.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Rimu Shirakawa: Yes, we're okay, thanks to you.

Then, when Rimu Shirakawa and the other three girls saw who it was that saved them from Kyōra, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third

Rimu Shirakawa: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Rimu Shirakawa: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Rimu Shirakawa, Maya Yumegasaki, Miyabi Yumeno, and Nadeshiko with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team was shocked to find out the villain we went was the first of The Shitōshin, the powerful fire daiyōkai, Kyōra, along with the Red Dragon Clan who wanted revenge on us for what we did to Shao Khan and his minions a year

ago.

But, when Lincoln showed what happened such as him draining the life forces out of the foot soldiers of The Red Dragon Clan and killing Mavado and his right hand man, Hsu Hao, and sending their souls to The Black Gates, and finally all of us beating Kyōra down, and then, Lincoln driving his massive greatsword into the stomach of Kyōra and sucking out his vast dark and demonic powers, fire powers immense strength, agility and reflexes, endurance, stamina, durability, demonic magic, and abilities, and he made them his own, and then, slicing him to ribbons with a Wind Scar that killed him and sent his spirit to The Black Gates forever, everyone cheered and hugged us and Lincoln's harem kissed him all over, and he had steam whistling out his ears. Lincoln and Maria Tristian have a lot of catching up to do, now that she's back in town.

Maria: Oh man, so not only did you guys go after Kyōra, but that fire demon also had the help of the Red Dragon Clan. I thought they got sent to The Black Gates after what you guys did to Shao Khan last year.

Lincoln: That's what we thought. But, Sebastian pointed out that they were still alive, and it's also possible that his Dark Side protected them after Shao Khan, along with Quan Chi, Shang Tsung, and those who swore eternal loyalty to him got sent to The Black Gates.

Me: His black magic had a hand in this big time.

Sebastian: It had to be, not even the dark magics of Quan Chi and Shang Tsung could do that, and we know it also helped in protecting The Black Dragon Clan as well. So, tomorrow, we're going after them along with the next of The Shitōshin.

Lincoln: And the next one will be Jūra.

---

After finally getting rid of Kyōra along with the Red Dragon Clan and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Maria Tristian saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Maria Tristian: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Maria, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Maria Tristian: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Maria Tristian: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Maria, what other memories did you have with Lincoln?

Maria Tristian: Oh man, I was hoping you'd ask that. Well, there was this one time, Lincoln and I went to Lake Michigan with the rest of The Royal Woods Knights of The Michigan Table for a time of rest and relaxation along with doing some more training and working out. But, then, we heard the sound of a scooter engine in the air, and we saw who it was: it was Scoots, Royal Woods' local troublemaker and one of the enemies of The Royal Woods Knights of The Michigan Table, and that old bat was out to kill us again, but Lincoln and I flew at that old goat and we beat her down and tied her up with chains of light. Then, Lincoln fired a ball of ice at Scoots and froze her in a block of ice, and then, Varie showed up with vans from the Lansing Maximum Security Nuthouse, and the men loaded up a frozen Scoots up and they took her back, and after she was unfrozen, they tied her back up in another straitjacket and threw her in a padded cell.

Me: That old goat always enjoyed causing trouble.

Nico: Yeah, but she got what she deserved in the end.

Lincoln: Getting thrown in The Black Gates for all the trouble she's caused and the pain and misery she has caused me.

Lori: She literally deserved it, she caused us enough trouble and grief.

We got a shower, and then, Lincoln, Ran, Rindo, Marguerite, Aphelandra, Kikyo, Belladonna, Daisy, Enishida, Nerine, and Poppy are heading to Sirena Beach.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Ran, Rindo, Marguerite, Aphelandra, Kikyo, Belladonna, Daisy, Enishida, Nerine, and Poppy are dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Ran, Rindo, Marguerite, Aphelandra, Kikyo, Belladonna, Daisy, Enishida, Nerine, and Poppy had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood and life energy, which made him go insane with anger, until Lincoln fired energy blasts at that mutant and more gold and jewels and treasures came out of that moron, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Ran: Wow, so this is Sirena Beach, this is really awesome!

Lincoln: It sure is, Ran, and it's perfect for our first date. Shall we?

Lincoln, Ran, Rindo, Marguerite, Aphelandra, Kikyo, Belladonna, Daisy, Enishida, Nerine, and Poppy dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Ran, Rindo, Marguerite, Aphelandra, Kikyo, Belladonna, Daisy, Enishida, Nerine, and Poppy got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Ran, Rindo, Marguerite, Aphelandra, Kikyo, Belladonna, Daisy, Enishida, Nerine, and Poppy and they hugged them in their abnormally massive and powerful muscular arms, and Ran, Rindo, Marguerite, Aphelandra, Kikyo, Belladonna, Daisy, Enishida, Nerine, and Poppy placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like someone really had a good time at Sirena Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ran, Rindo, Marguerite, Aphelandra, Kikyo, Belladonna, Daisy, Enishida, Nerine, and Poppy with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: And now, Ran, Rindo, Marguerite, Aphelandra, Kikyo, Belladonna, Daisy, Enishida, Nerine, and Poppy are in Linky's harem.

Nico: You know, it's been a while since any of Luffy's friends had joined Lincoln's harem as soon as they shared their feelings for him.

Lily Loud: Yeah.

Jenna: Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that good-for-nothing hairy mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for herself.

Rarity: And trying to kill Ran, Rindo, Marguerite, Aphelandra, Kikyo, Belladonna, Daisy, Enishida, Nerine, and Poppy, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and he should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that three butt-cheeked mutant cheapskate has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you fat hairy mutant cheapskate!

Nico: Even after we kicked Flip's miserable hide, that moron still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Pablo, Anderson, Billy McLean, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: Leave that to me. (YELLS AT THE TOP OF HIS LUNGS AT THE JERKS) SHUT YOUR HALF-WIT PIE HOLE, YOU JACKASS MUTANT CHEAPSKATE!

Suddenly, the Beads of Subjugation on Flip's neck and on the necks of the jerks glowed and the amplified gravity forced the jerks to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand them if they so much as get anymore dumb ideas again.

---

Later it was time for the next Super Mario Galaxy adventure.

Me: This will be fun.

Nico: Next is Space Junk Galaxy. Anyone want to come with?

Nanette: I will go.

Izuku: Ohh count me and Ochaco in too.

Nico: All right then.

Me: Good luck guys.

Nanette: Thanks.

Sydney: I'll go too as well for supervision.

Qin: Go for it.

Sydney went with them too.

They went into the simulator and Nicole activated it and they arrived at Space Junk Galaxy.

It looked like a galaxy full of well, junk and garbage.

Izuku: Are we in a junkyard?

Nico: In a way. But this is Space Junk Galaxy. It's called that because it's a graveyard of space junk.

Izuku: Wow this is crazy that all this is here.

Ochaco: Maybe we can bring all this stuff back to Earth and put it to good use.

Nico: Good idea Ochaco. Nothing a little recycling and ingenuity can't fix.

Sydney: I agree there.

Me: (On the radio) Mission control to Nico you are clear for launch over.

Nico: Roger that J.D.

Sydney: Who are we facing in this one?

Nico: Kamella.

Izuku: Awesome!

Nicole: (On the radio) You guys will like facing that one. I'll guide you through how to beat that one when you get there.

Nico: Okay. Lets go.

They got into a launch star and were off.

WHOOSH!

Ochaco: WEEEEEE!

Nanette: This is so fun!

Izuku: WOOHOO!

Nico: YEAH!

They got to a bunch of air ships.

Nico: Wow! We can rebuild these ships and make them better than ever.

Izuku: Good idea.

Nico: Keep an eye out.

They got to a big air ship and they were greeted by KAMELLA!

Nico: Kamella!

Ochaco: WHOA!

Izuku: This is gonna be tough!

He flared up his green lightning aura and green lightning was flickering all around him.

Nanette had a red aura and Sydney's aura was blue.

Kamella: Team Loud Phoenix Storm. Nice of you to come. TO YOUR DEMISE!

Nico: You can talk?

Kamella: Of course I can talk! Why?

Nico: Nothing. It's just that you couldn't do so before.

Kamella: Well just because I couldn't talk in the game doesn't mean I can't talk in reality. Now hold still so I can crush you!

Nico: Bring it on!

Kamella fired fireballs at them and they dodged them.

Nico: (gets out Magneto and Dr. Polaris' Ridewatches) Let me show you my magnetic personality!

Nico activated them and fired waves of magnetic energy and it pulled his staff out of his hands.

Kamella: That's mine!

Nico caught it!

Nico: Awesome!

Nicole: (On the radio) Hit him three times either with a shell or your powers.

Nico: You got it.

Nico fired waves of fire and they hit him and blasted Kamella.

Nico: Take that!

Kamella summoned a shell And he threw it.

Izuku: We got this!

Ochaco: YEAH!

Then Izuku and Ochaco kicked the shell and enhanced it with their powers and it hit Kamella and bashed him in the chest and he shrieked!

Nico: Take that!

Nanette: Nice one guys!

Sydney: How many more hits left?

Nico: One left.

Then a fireball appeared and it smashed into Kamella's back and burned him.

A Cinderace came and landed on the ship they were on!

Me: Whoa a Cinderace!

Qin: Nice!

Cinderace: (In a girls voice) Your shrieking is really giving me a headache!

Nico: June Wheeler!? Whoa!

Qin: Cool! Firestorm Kamehameha Master June!

Xenia: Awesome!

Cinderace: Awesome to see you again Nico.

Nico: Same here.

Sydney: Me and Nanette got this! Lets go!

Nanette: Yeah!

They fired a powerful blue and red energy blast and it hit Kamella and then he exploded!

BOOOOOMMM!

Nico: That did it! He will be perfect for the M.O.E.

Nico then shattered the staff and freed the star!

Nanette: There's the Power Star!

Nico: You and Izuku can get it Nanette.

Nanette: You got it!

They went and got it!

YOU GOT A STAR!

June Wheeler reverted back and she was a girl with red hair and had red eyes and the kanji for Fire in the middle of her forehead and she had red, orange and yellow clothes and had fire angel wings.

June Wheeler: That was so awesome.

Nico: It sure was!

They all high five!

Sydney: What's your favorite memory of Nico?

Nanette: Aww I was going to ask that.

Sydney: Sorry.

June Wheeler: My favorite is when Nico taught me how to do a Firestorm Kamehameha Wave. It's an advanced version of the Fire Kamehameha Wave and it's more powerful and possesses enough power to incinerate an entire city in a massive vortex of fire.

Me: WHOA That is powerful!

Lola: It sure is!

Goku: That is incredible!

Nico: That's how Qin gave her the Nickname, Firestorm Kamehameha Master June.

June Wheeler: I like that.

Nico and June hugged.

Nico: I've missed you.

June Wheeler: Me too Nico. Me too.

---

Later we were watching TV and I was doing research on elemental Alicorns. Fire Alicorns have peaked my curiosity ever since I found out that Opaline was one. I did more research and found out that there are Alicorns for Earth, Water, Lightning, Wind, Light and Darkness as well as Fire. Which is really amazing.

Chloe Bourgeois: The mascots have been pretty quiet right now.

She continued to read the newspaper before frowning.

Chloe Bourgeois: That usually means they're up to mischief.

Nico: Yeah no kidding.

Qin: Yep.

Me: Wow this is amazing. Alicorns of all the elemental forces of nature. Opaline was a Fire Alicorn that was rotten to the core.

I was doing more research and it was really amazing.

I came back.

Nico: Find out anything?

Me: I sure did. There are Alicorns of all the elemental forces of nature. Not just fire but water, earth, wind, lightning, light and darkness.

Nico: Wow.

Lola: That is amazing!

Me: Yeah. Anyway I heard you guys talking about the mascots and I have a feeling they are up to something.

Nico: Well, we might as well see what they've done now.

Chloe Bourgeois: Oh no and I think I found it!

She showed us a newspaper ad for a liquor store. It was called BEER FAIRY MASCOTS LIQUOR SHOP!

Zocks: Do any of you guys see this ending well?

Nico: Well lets go see anyway.

Me: I had a feeling the Mascots were going to try something like this.

We went down to the planet and about 300 yards from the estate we saw that the mascots have opened up an amazing Liquor store and shockingly it was doing REALLY WELL! There was a massive line of customers outside and they were coming out with boxes and boxes and boxes of beer and alcohol like you wouldn't believe!

Me: Holy mackerel is it doing well!

We went in.

Joe Swanson: ID Please. Oh hey guys.

Me: Joe? You work here as a security guard?

Joe Swanson: I sure do and it's good money. The mascots are paying me awesome money for this.

Me: That's awesome.

I showed my drivers license and we came in.

Joe Swanson: Thanks.

We saw SHELVES OF ALCOHOL stuffed to the brim and there was beer and wine that was amazing!

Me: Whoa this place is doing really well.

Nico: Boy no kidding!

Poromon: Hey, guys!

Poromon and the Mascots were really selling alcohol fast like you wouldn't believe and the money was REALLY PILING UP!

Me: This is amazing guys! You guys are awesome beer and liquor and wine salesmen.

Manaphy: We sure are!

May: Boy this is amazing that you guys are selling this much after you just opened up.

Lola: Yeah!

Poliwag: People are buying beer and liquor and wine for foods like cakes, chili, and gourmet dishes. Even Moe is buying more and more beer for his bar.

Xenia: Awesome!

Maria: How did you find time to do all this?!

Me: I was about to ask the same thing.

Horsea: We got a special work permit. Also Everyone loves Poromon as the Beer Fairy and they decided that we should open a liquor shop around that.

Me: (LAUGHS) That is awesome.

Lola: It sure is.

Me: I think this is so awesome and cool. And if any robbers come in we'll blast them.

Horsea: Also now that the Hitotsuki's are done we have a lot of free time.

Me: That does make sense.

Mixmaster:… there are drunks here now and then, aren't there?

Horsea: Yeah they go to the bar over there.

We saw a beer and drink bar. And the bartender is Moe.

Lola: Moe got an awesome job here too?

Poromon: He sure did and the pay is good.

Me: Boy you guys have made a really awesome business.

SpongeBob: You guys have the makings of awesome entrepreneurs like me and Patrick and Lily when we were traveling chocolate bar salesman.

Lily: That was an awesome adventure.

May: For a minute, we thought this would end badly!

Me: Boy no kidding but you guys are an amazingly massive success.

Poromon: We sure are.

Man: Yeah we got enough beer to cook our favorite foods. And also it's perfect for it because the Chili Cook Off is next week.

Me: Cool! You know we'll sign up for that. Good luck in it.

Man: Thanks J.D.

The customers were really piling in and getting alcohol for all the foods that we love.

Nico: Boy this is so awesome.

?: It sure is.

A Rillaboom came.

Me: Cool a Rillaboom.

Rillaboom: (In a girls voice) Poromon and the mascots hired me to help out with their inventory.

Nico: Sheila Leafla!? Whoa!

Qin: Nature Kamehameha Master Sheila! Wow!

She reverted back and was a girl with green hair and green eyes and had the kanji for nature in the middle of her forehead and had green clothes and leaf angel wings.

Sheila Leafla: Awesome to see you again Nico.

Jazz: What's your favorite memory of Nico?

Sheila Leafla: When Nico taught me the Nature Kamehameha Wave. It was really awesome. It contains enough power to turn an entire city into a massive forest in an instant.

Lola: Whoa that is powerful.

Qin: I'll say. It's how I gave her the nickname Nature Kamehameha Master Sheila.

Goku: Boy that is incredible.

Nico: No kidding Kakarot. I thought so too.

Nico and Sheila hugged.

Nico: I've missed you.

Sheila Leafla: Me too Nico.

Poromon: Sheila we need more beer in refrigerator 12.

Sheila Leafla: On it boss.

She went back to work.

Me: Boy she sure is efficient.

We saw her lift a huge pallet of beer down and then restocked the fridge fast.

Me: Whoa! I hope you guys don't run out on the first day.

Manaphy: Don't worry we have that.

We looked and saw a HUGE BEER AND LIQUOR AND WINE TREE and it was giving them an infinite supply of beer and alcohol.

Nico: Wow!

Me: A Beer and Alcohol tree? That is clever!

Manaphy: It sure is.

Then a few drunk men approached the Loud Sisters.

Man: (Slurred speech) (To Lori) Hey beautiful lets go behind that (HIC) dumpster and make love.

Man 2: (Slurred Speech) (To Luna) Yeah we'll make beautiful (Barney Gumble Belch) music together.

Man 3: (Slurred Speech) (To Luan) It'll be so (HIC) Fun.

Lori: Not interesting.

Luna: Yeah dude.

Luan: You guys stink.

Me: Okay you three. I think you had a little too much to drink. Lets go.

I went and brought them outside.

Me: You guys go home and rest that beer off.

I teleported them back to their homes.

I came back.

Me: (LAUGHS) That is funny.

Bobby was trying not to freak out

Me: Bobby amigo calm down. They were just drunk out of their minds and had no idea what they were doing.

Bobby: Sorry.

Lori: Besides I would never let them take me from you Bobby Boo Boo Bear.

Bobby: Thanks babe.

Luna: Same with me Sammy.

Luan: Or me Eddy.

Eddy: Awesome.

Sam S.L.: Thanks Lunes.

Me: Aww.

Qin: Yeah.

Me: Besides, Homer, Lenny, Carl, Barney and the guys already like this place.

Lola: Yep.

Homer, Lenny, Carl, Barney and Moe were talking and Bart was doing a dance for them. It was the Teddy Bear Dance.

Bart: Every teddy bear, that's good;

Is sure of a treat today;

There's lots of marvelous things to eat

And wonderful games to play;

Beneath the trees, where nobody sees;

They'll hide and seek as long as they please;

Today's the day the teddy bears have their picnic!

(SEASON 3 EPISODE 11)

They cheered for Bart.

Me: Boy that was awesome.

Lola: Yeah Bart does that for Moe and he loves it.

Nico: Boy I can tell.

Lola: Yeah.

Nico: Let's head on home

We did so.

We arrived at the estate.

Emerging Scorponok: Guys, I got a call from Pikachu 2. He and Oshawatt are in the Arbor Area right now and they just recruited a Snivy.

Me: A Snivy huh? Cool!

Lola: This will be fun.

Nico: It sure will.

Poromon: Let us come with too.

Poliwag: Like Nico we also have a contingency plan. We made clones of ourselves to help run the liquor shop.

Me: Smart thinking guys.

Nico: Awesome. You guys are learning from me all the time.

May: Yeah and me and Maria.

Lola: Yeah.

Then the previous group came.

Gator Ghoul: Can me, Six Gum Gang, Pied Piper, Griffin, Iceage, SkullMeramon, Mortal Kombat Scorpion, Count Spankulot, Seadramon and The Rowdyruff Boys go with you guys?

Lunk: For a minute, we thought the Liquor store was gonna end badly.

Poromon: How did you think it was gonna end?

Brick: In a bar brawl.

Me: Thank goodness it didn't.

Qin: Yeah.

Nico: And yes to answer your question you all can go with.

Lola: Yeah.

Arixam: Nico, which Gene Skammers do you think you'll meet next?

Runt: I hope it's three.

Me: We already did 3 of them.

Nico: I know that but it's the first of the month so it's 3 on odd days and 2 on even days.

Qin: Oh.

Me: Oh I get it.

Nico: Greedent, Corviknight and Orbeetle next.

Qin: Awesome choices.

Suddenly, Lincoln's deep sapphire eyes, his Crest of Miracles on his massive right pec, and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we're going to confront today: it was none other than Chandelure, the Hanging Chandelier Pokémon, and the Hanging Chandelier Pokemon is causing trouble in The Dance Zone in the Arbor Area. When we saw it, we knew it meant trouble.

Nico: Lincoln, what's wrong?

Lincoln: Nico, everyone, we've got trouble. I just had a vision and I saw who we're going to confront today: it's Chandelure, the Hanging Chandelier Pokémon, and the Hanging Chandelier Pokemon is causing trouble in The Dance Zone in the Arbor Area.

We gasped.

Me: No doubt sent by Gothorita.

Nico: We'll deal with her when June 6th arrives and take her down.

Lincoln: But first, we got to take down Chandelure. But, it won't be easy, Chandelure's a Fire/Ghost Type Pokemon and it has some pretty spooky and haunting abilities, so we need to take it down with some techniques

Nico: That will be awesome.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Ella Edwardson, one of the members of The Ghostrick Destroyers, and she's heading here to kill The Ghostrick Guardian Angels. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and we got news, Raven: as we guessed it, Ella Edwardson, one of The Ghostrick Destroyers is heading here to kill you all.

Lydia Anahita: Just as we expected, but we'll be ready for her, and she'll suffer the very same punishment back in the castle of The Michigan Supernatural Defense Force after we take care of Cofagrigus.

Crash Bandicoot: That blood-sucking fanatical religious zealot's already a dead vampire walking once she shows her ugly face.

Nico: You got that right. Alright, gang, let's go, we're heading to The Dance Zone in the Arbor Area in PokePark to battle Chandelure.

Lincoln: We're so going to enjoy taking that Hanging Chandelier Pokemon down, and once we get done taking Chandelure down, you're next, Ella Edwardson.

Lydia Anahita: You better be ready to die, Ella Edwardson, because you deserve no such mercy from any of us for trying to kill us seven years ago, nor do you even deserve to live a single second further, you religious fanatic and zealous heretical demon, after we deal with Chandelure.

Lincoln put up a rainbow energy field around The World Tree Estate and we headed to The Dance Zone in the Arbor Area in PokePark to battle Chandelure, The Hanging Chandelier Pokemon and once we got done with taking down Chandelure, Lincoln, Lydia Anahita, and Crash Bandicoot are going to destroy Ella Edwardson of The Ghostrick Destroyers and make her pay for her crimes.

But, unknown to us, we were being followed by two girls that Lincoln knows all too well.

Midnight Blue-Haired Girl: Lincoln's going to be so surprised to see us.

White-Haired Dog Earred Girl: You said it, and we're not going to let Chandelure continue to cause any trouble again, the same with Gothorita.

We were off to PokePark

---

We arrived in the Arbor Zone.

Wilbur: So this is the Arbor Area?

Griffin: It's so peaceful.

Me: Wow! It's so beautiful.

Fluttershy: Oh I think this is an absolutely amazing place.

Me: It's a perfect place to have an awesome picnic and enjoy the serenity of nature.

Laney: It's so magical.

Xenia: It sure is.

Youngblood: Pikachu! Oshawatt!

Pikachu and Oshawatt came.

Pikachu 2: You guys made it!

Oshawatt: Yeah you sure did.

Lola: Like we would miss this.

Camie: Yeah.

Me: Boy this part of the park is amazing.

Pikachu 2: It sure is.

Ash: I think this is so awesome.

Snivy then came.

Maria: You must be Snivy

Snivy: Yeah so what if I am. You want to make something of it.

Maria: Tch! Rude.

Me: To Quote Foghorn Leghorn: (Imitating Foghorn Leghorn) This Pokemon, I say, This Pokemon has a mouth that is as bad as a centipede in a toe counting contest.

EVERYONE LAUGHED

Foghorn Leghorn: That Snivy, I say, that Snivy is as cold as a Nudist on an iceberg.

We laughed.

Qin: (LAUGHS) Yeah!

Snivy: I also happen to be the Princess of the Arbor Area.

May: That must mean your mother Serperior is the Queen.

Snivy: That's right.

Diamond Tiara: You remind me so much of me when I was a snobby arrogant brat.

Snivy: Really?

Diamond Tiara: Yeah I was once like you and I always treated everyone like dirt and I thought I was so superior that I didn't care about anyone but me. I thought I was so much better than everyone because I came from such high class that I stepped on everyone to get what I wanted. But the one thing I didn't get at all was friendship. I learned that there are lots of things that high class lifestyles and money can never get you in life like love, friendship, power and happiness. You need to realize that just because you come from high society and are considered royalty doesn't mean that you can do whatever you want. You have to earn things and work hard for them like I have.

Me: I couldn't have said that better myself.

Xenia: Me neither.

Snivy: I… can't find anything to counter that argument.

Oshawatt: (laughs) Clap clap clap!

Me: Snivy maybe you can start by helping us out and showing how much you care for your subjects by showing how much you care from your heart and not by showing them how entitled you are.

Nico: Yeah.

Lola: I agree.

Snivy: Of course I care. That's why I'm helping to find the missing Pokémon. A majority of them come from here too.

Me: Then we better help out with that.

Xenia: Yeah.

Nico: I agree.

Snivy: They were taken to the Dance Zone by a Chandelure.

Brittney: That's my kind of Pokemon.

Zocks: And the Dance Zone is perfect for me because I love to dance.

Twilight Sparkle: Me too. Dancing is fun.

Zorua: Take me with you! My friend Zoroark went to Wish Park to get the missing Pokémon back! But she never came back!

Me: We'll gladly help you out.

Xenia: Yeah!

Qin: Besides it'll be awesome to see Zocks and Chloe show off their stuff in the Dance Zone.

Me: And maybe Piplup is there too.

Nico: Yeah.

Just then, a Bisharp and several Pawniard appeared.

Bisharp: Wait! I've gotten reports that several Pokémon that cross through that Portal never come back! You're all trying to kidnap the Princess! Princess, I will protect you!

Poromon: Hold on a minute!

Slinkman: Don't bother. We'll just have to beat some sense into them.

Me: Allow me.

I fired energy fists and smashed them down.

Nico: Nice one.

Qin: Yep.

Snivy: Sorry. But this is to show you I'm not being kidnapped

Nico: That's right. She's helping us retrieve the mission Pokemon.

Qin: Yeah!

Bisharp: Oh! My apologies, Princess!

Snivy: It's okay. Just don't do it again.

Qin: Yeah.

Laney: Yeah now we got to get to work

SkullMeramon: Let's see. We've got Bisharp, Pawniard, Karrablast, Cottonee, Whimsicott, Caterpie, Scyther, Zorua, Foongus, Amoongus, Tympole, Seismitoad, Magikarp, Oddish, Manley, Kalyan, Snorlax, Sewaddle, Excadrill, Stunfisk, Ducklett, Basculin, Dugtrio, Surskit, Skioom, Venipede, Whirlipede, Psyduck, Deerling, Lilligant, and Leavanny.

Me: Wow. Lots of them.

Qin: Yep.

Xenia: Yeah.

Count Spankulot: We need to think of wind to get this to open!

Me: Lets see.

I concentrated and then the winds spun around and then the portal opened to Wish Park's Dance Zone!

Nico: Wow!

RD Lucy: Shall we?

Nico: Lets shall.

We went through the Portal and we arrived in the Dance Zone.

Poliwag: This is way different then the Cake Zone!

Qin: It sure is.

Xenia: It sure looks like a perfect place for many kinds of dancers.

Laney: I agree there and I like dancing.

Me: You would definitely fit right in Laney.

Snivy: Everyone from the Arbor Area should be up head. Still, what's up with the tacky decor? The Pokemon who made this has terrible taste.

Zorua then saw Zoroark.

Zorua: Zoroark, I'm so glad you're safe!

Zoroark: (growls) None shall pass!

Zorua: What's wrong? You seem strange.

?: Zoroark doesn't recognize you.

Gothorita then teleported in.

Nico: Gothorita!

Me: Gothorita!

Gothorita: Yeesh. I can't believe you made it here. Zoroark, chase them off. I'd like to stay but I know I'm in for some pain if I do. (teleports away)

Zorua: Zoroark, it's me. Don't you recognize me?

Boomer: Zoroark doesn't seem to be all there right now.

Butch: Then, let's knock some sense into her!

Leeli: Let me do so.

Me: Go for it Leeli.

(YURGEN'S TUNE PLAYS)

Leeli: (SINGING DIVINELY AS FIREFLIES SWIRLED AROUND HER)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

The brainwashing on Zoroark vanished completely!

Then a powerful wave of energy swept across the area and the brainwashed Pokemon were freed! Then we saw Piplup come!

Me: Piplup!

Piplup: Guys!

He jumped into my arms.

Me: Thank goodness!

Dawn: (SIGHS) What a relief.

Xenia: Yeah!

Me: Well done Leeli.

Leeli: Thanks.

Seadramon: By the way, Poromon, nice job with the Liquor store today.

Poromon: Thanks! That was so fun.

Lola: Yeah.

Me: It's a huge success.

Piplup: You guys freed me. Thank you guys.

Pikachu 2: Yeah but thank Leeli for that. That was awesome.

Nico: Yeah.

Girl Jordan: That was great thinking there Leeli.

Leeli: Thanks.

Woody Woodpecker: Now we got to get after Chandelure.

Camie: I agree there.

Lola: Yeah.

Zorua: Zoroark, you're back to normal!

Zoroark: I'm sorry if I hurt you. And I see you brought Team Loud Phoenix Storm with you.

RD Lynn: Happy to help. Let's get out of here.

Zoroark: We can't. The Wish Bell hasn't been rung yet. To leave, you must clear Chandelure's attraction.

Zocks: And I have a feeling that it's to dance.

Chloe Bourgeois: That will be awesome.

Me: If dancing is involved it will be awesome for them.

Zoroark: Yes it's dancing.

Me: Awesome!

Nico: Lets go guys. Entrance time.

We went to the building Chandelure was in.

Chandelure was humming. Then the spirits of the Pokemon came in and then they swirled around it and then they converged and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above it and a phoenix cry was heard and we came out.

Chandelure: My stars! What brings you to the Dance Zone, kids? Oh, I've got it. You kids want to dance in my Attraction, Dance Inferno?

Snivy: Shut down this tacky, gaudy attraction and let us leave. We already undid your brainwashing!

Chandelure: TACKY! HOW DARE YOU DISRESCPECT MY GORGEOUS, FANTASTIC ATTRACTION?! Like I'd ever do that!

Me: (Whispers to Rarity) Boy no offense Rarity but she sure is worried about her looks as much as you are.

Rarity: (Whispers) None taken but yeah.

Chandelure: You may have undid the spell somehow but the only way to leave is by ringing the Wish Bell! And to do that, you have to clear my Dance Inferno!

Mortal Kombat Scorpion: Shouldn't be that hard.

Me: That sounds like something out of the 1970's Disco Era.

Chandelure: It sure does doesn't it.

Nico: I'll have you know that back in high school I was called… (SPINS AROUND)

Nico then emerged dressed up like Elvis and was a stud!

Nico: DISCO KING NICO! (Imitating Elvis) Thank you very much.

Hard Man: Snivy, how about you participate too?

Snivy: It will be my pleasure.

Chandelure: Oh goody! Lets dance!

Zocks: Lets shall!

Iceage: And Zocks and Chloe will participate too.

Chandelure: All right then.

Me: Lets get this party started!

EVERYBODY DANCE NOW!

Zocks, Chloe, Nico, Twilight Sparkle, Snivy, Will, and Lincoln Loud did all kinds of awesome dancing and it was awesome! They did it all: Russian dancing, Riverdance, Seadog dancing, Scottish Dancing, Irish Dancing, Disco Dancing and many more.

Chandelure was amazed by our dancing.

RD Luna: Look at them go, dudes!

Me: ROCK ON!

Qin: YEAH!

When it was done we won!

Lola: YEAH!

Nico: Thank you very much!

Lola: That was so fun!

Chandelure: (to Zocks) The others I get but your dance moves are off the charts! What the Hell are you?!

Pied Piper: You definitely don't know who he is.

Me: His name is Zocks Goldtsuiker and he is a pirate and is a member of the Zenkaigers and an awesome dancer that the mascots, Will and Chloe love.

Chandelure: Does it matter? You may have cleared my attraction. But the real battle STARTS NOW!

Marvel Loki: I knew it wouldn't be too easy.

Me: Now the REAL fun begins!

Qin: YEAH!

Lola: Lets get it on!

Chandelure: You think Boccowaus and Hawk Moth were bad? WAIT UNTIL YOU GET A LOAD OF ME!

Goof: We'll see about that!

Dixie: You remind me of Hades.

Eli: Just don't let me blow out your flames like I do with his hair.

Xenia: (LAUGHS) That is funny!

Qin: YEAH!

Brittney: You're the kind of Pokemon I like. As the leader of the Goths of Darkness, you would be a great member of our darkness.

Chandelure: I'm honored.

Brittney fired waves of darkness and spirits and blasted her all over.

Then Control Freak, Abomination, Chillyfish, Deadwood, Black

Lance, Magma, Oculous, Stonedozer, New Wave and David Cain came.

Nico: Control Freak, Abomination, Chillyfish, Deadwood, Black Lance, Magma, Oculous, Stonedozer, New Wave and David Cain.

Control Freak: Are you okay, Zoroark?

Zoroark: A little dizzy. But I'm fine.

Abomination: Getting brainwashed will do that to you.

Me: No kidding.

Snivy: Although knocking her out to snap her out of it came to mind.

Chillyfish: Either way, she would've been freed.

Me: Leeli's method worked great.

Deadwood: (to Nico) We heard you went to the Cavern Zone.

Nico: We sure did.

Black Lance: Was there a Cave in?

Nico: Nope. It was all smooth sailing.

Qin: Yep.

General Peluso came.

Me: Back for another round I see General.

General Peluso: I sure am.

Qin: Nice.

General Peluso: I honestly didn't expect the Liquor store to become a hit.

William: What were you expecting?

General Peluso: For some drunk idiots to sexually harass the Loud Sisters.

Me: I was expecting that too. But I got the drunks out of there before they could cause any harm.

Xenia: But thank goodness that didn't happen.

Camie: Yeah.

Poromon: But it's still an awesome store though.

Lola: It sure is.

We got the battles underway.

Scootaloo: I'll say!

---

Nico: Yep. So, Maria, what other memories did you have with Lincoln?

Maria Tristian: Oh man, I was hoping you'd ask that. Well, there was this one time, Lincoln and I went to Lake Michigan with the rest of The Royal Woods Knights of The Michigan Table for a time of rest and relaxation along with doing some more training and working out. But, then, we heard the sound of a scooter engine in the air, and we saw who it was: it was Scoots, Royal Woods' local troublemaker and one of the enemies of The Royal Woods Knights of The Michigan Table, and that old bat was out to kill us again, but Lincoln and I flew at that old goat and we beat her down and tied her up with chains of light. Then, Lincoln fired a ball of ice at Scoots and froze her in a block of ice, and then, Varie showed up with vans from the Lansing Maximum Security Nuthouse, and the men loaded up a frozen Scoots up and they took her back, and after she was unfrozen, they tied her back up in another straitjacket and threw her in a padded cell.

Me: That old goat always enjoyed causing trouble.

Nico: Yeah, but she got what she deserved in the end.

Lincoln: Getting thrown in The Black Gates for all the trouble she's caused and the pain and misery she has caused me.

Lori: She literally deserved it, she caused us enough trouble and grief.

FLASHBACK ENDS

Deadwood: Boy that is awesome! I'm glad Scoots is gone. She caused a tremendous amount of trouble to last an eternity.

Jimmy: It wasn't all that bad. Nico and team faced Kamella there and after defeating that one we took all the space junk in there and we put it in our garage for rebuilding and recycling.

But interfere any further and you won't like what happens. (to Girl Jordan and Leeli) Not even that song of yours will be able to save you.

Nico: NICE SHOT! And that's yet another Pokemon taken down and our second day of our six-day adventure in PokePark done and four to go.

Lydia Anahita: (Growls) I should've known there was no mistaking that voice from anywhere. Get out here right now, Ella Edwardson, before things get really ugly!

A girl with black hair, red hairband, red eyes, and dressed in a black coat, white bridal gloves, white shirt, necklace with red gem pendant, black pants, and black knee-high boots with butterfly buckles came out, and it was none other than Ella Edwardson, religious zealot and fanatical so-called vampire hunter of The Ghostrick Destroyers who was exposed as a murderous demon and heretic, and one of the twenty-two human-despising vampires from Transylvania.

Lydia Anahita: Ella Edwardson, I should've known you'd show up here! Lincoln warned you all to never to show your faces again after he kicked you all out of Royal Woods seven years ago.

Ella Edwardson: We will never stop, all of you shall be destroyed in the name of God!

Me: You really are a delusional religious fanatic!

Nico: And an infinite-times fucked up one for that matter!

Lincoln: I did say they were absolutely insane and driven only by religious delusions, and for that, I blame their parents for that one. But, the jig's up, Ella, Ophelia already exposed her true self, and that's being one of the twenty-two human-despising vampires from Transylvania.

Lydia Anahita: Indeed, and it's high-time we bring this delusional vampire down for good.

Suddenly, Lydia Anahita's red eyes turned neon red and she was surrounded by a black and dark blue energy aura with stars, darkness, light, water, ocean waves, music notes, soundwaves, shadows, sirens, and angels, she unholstered her massive Ghostrick Siren's Greek Siren Darkness Archangel Greatsword of Melodious Greek Darkness Siren Angel Justice from her back, and as she approached Ella Edwardson, she left black and dark blue energy, stars, darkness, light, water, ocean waves, music notes, soundwaves, shadows, sirens, and angels with every step.

Lydia Anahita: I can already see that time hasn't changed you, you're still the same religious fanatic and zealous so-called vampire hunter who was exposed as a murderous demon and heretic seven years ago along with being one of the twenty-two human-despising vampires from Transylvania. We thought we wouldn't have to deal with you ever again after Lincoln chased you all out of Royal Woods, but as always, you refused to learn your lesson, and you had the nerve to come back after you were explicitly warned. You now have nowhere to run to, Ella Edwardson, and now, you shall pay the price for your misdeeds with your own blood.

Suddenly, Lydia Anahita as surrounded by a massive vortex of black and dark blue energy with stars, light, darkness, water, ocean waves, music notes, soundwaves, and shadows surrounding the vortex, there are sirens, angels, and Ghostrick Siren flying around the vortex, and in the vortex is a red phoenix with blood red eyes glaring at Ella Edwardson: the red eyes of eternal death. Then, as the vortex faded, Lydia Anahita emerged, but she was changed forever.

Ella Edwardson's vampiric nature came out, and now, she was out for blood. Ella Edwardson ran at Lincoln, Lydia Anahita, and Crash Bandicoot, and she tried to attack them, but they dodge her attacks, and then, Lincoln drove his massive greatsword into Ella Edwardson's stomach, and he began sucking out her vast dark powers, immense strength, and vampiric abilities, and he made them his own. Then, he removed his massive greatsword from her stomach.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness,

Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, for the grand finale.

Lincoln put Ella Edwardson in a brutal bearhug, so she couldn't escape, and then, he began absorbing her into his body as her body was being broken down by the acid released by Lincoln's acidic cells and absorbed into his body, and then, he drained Ella Edwardson's soul of her life energy as we saw his rainbow energy fire aura and protective rainbow aura with mythological animals and elemental forces flare up and he was gaining a massive power boost. Then, as soon as he was done absorbing Ella Edwardson into his body and then draining her soul of her life energy, an energy card with Ella Edwardson's drained soul appeared in his left hand. We cheered wildly for what Lydia Anahita, Lincoln, and Crash Bandicoot did as they holstered their weapons and powered down, and Lydia Anahita's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long dark blue wolf tails, and massive black angel wings are permanent.

Lydia Anahita: That's one down and twelve of these monsters to go, and we're now pissing them off greatly. Thank you for helping us get rid of that religious fanatic and zealous heretical vampire, Linky, you too, Crash.

Lincoln: (Smiles Warmly) You're welcome, Lydia.

Crash Bandicoot: She did need to pay for what she did, and I'm always happy to help.

Crash Bandicoot went back to us, and suddenly, Lydia Anahita wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Lydia Anahita's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Ghostrick Siren flying in the air, and we saw a herd of Buffalo and many animals running across the field as sirens sang their divine song and we cheered wildly. Then, Lincoln and Lydia Anahita absorbed the elemental forces and they came back to us as the display vanished.

Nico: Whoa, oh man, now that's what I call a truly bewitching fight, Lincoln, Lydia, Crash, you showed that showed that vampire no mercy whatsoever, and sent her to her death.

Lincoln: She didn't deserve any mercy, I warned them never to show their faces again, but those fools never learn.

Me: And you used The Pillar Men's absorption on her, nice one.

Lincoln: And after I absorbed her body, I drained her soul of all its' life energy, now for the second part of her punishment.

Lincoln sent the soul of Ella Edwardson in a cage and he put the curse on her that gave her back her life energy, but once that happened, suction tubes came out and were attached onto her, and then, the suction tubes activated, and Ella Edwardson's life energy was being sucked out of her again: she was condemned to that punishment until all of The Ghostrick Destroyers are killed, and it flowed into Lincoln and The Michigan Supernatural Defense Force as they gained a massive power boost.

Nico: (Snickers) That Room of Tortured Souls is definitely a top-notch prison for some of Michigan's most dangerous thugs and criminals.

Lincoln: And the curse I put on them has continued to work for seven years, that way, they can suffer for all eternity of regaining their life energy only to have it drained out of them again and flowing into us. But, if any of them get a little out of hand, I put in a counter curse, should any of them get a little out of hand or try to escape, the counter curse will activate and the life energy they regain from the curse will not only be drained out of them forever, but they'll be sent to The Black Gates forever with help from our stone gargoyles and stone vampire bats perched outside the castle.

Ravenna Amaranth: And Lincoln also put up a new curse: once all the members of The Ghostrick Destroyers are destroyed and sent to The Prison of Tortured Souls and all their life energy has been drained, they will be sent to The Black Gates forever.

Me: Cool!

Nico: So, you'll keep them imprisoned inside the castle's prison until that day comes, nice one. So, Lincoln, which Noble Knight Gene-Slammer are you meeting tomorrow?

Lincoln: Ooh, I've got just the one: we'll be meeting the Gene-Slammer of Noble Knight Gawayn.

Melanie Artorgius: (Gasps) Awesome, and there's only one person who'd be Gene-Slammed into Noble Knight Drystan, Gina Gawain, and you guys will love meeting her, Gina Gawain is Lincoln's Guardian Angel from Michigan and she's a very powerful wielder of magic and a very powerful swordswoman, and a member of The Royal Woods Knights of The Michigan Table. She trained Lincoln both in the art of swordsmanship and in magic, and he became a very powerful swordsman and master of magic, and she also taught him much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those he loves and holds dear to his heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Gina Gawain is also a direct descendant of Gawain of Camelot.

We gasped.

Me: Gawain, one of the skilled Knights of the Round Table and nephew of King Arthur in the legends.

Katara Chevalierflamboyant: (French Accent) That's right, plus, Lincoln made her a white coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Gina Gawain hates Scoots with a very blazing passion. One day, Gina and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Scoot, and she'd brought with her an army of thugs she hired. Gina Gawain and Lincoln went out there along with the rest of us, and she'd slain them with her greatsword. It drove Scoots into a blood-crazed fury, but before she could try to run us over, Lincoln and Gina fired chains of light magic which bound Scoots and tied her up. Lincoln called Luna, who showed up along with Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lily, and the parents, and when we told them of what Scoots did, they were furious.

Nico: Should've known that old goat would do something like this.

Lincoln: I know, I wasn't surprised that old goat would do this because of her many attempts to kill me, but in the end, her plan failed, and Scoots got sent back to the nuthouse again, and Gina and I casted a spell to make sure she couldn't try to come after us for revenge after she got thrown back in the nuthouse.

Me: Yeah, messing with the descendant of Gawain of Camelot and one of the members of The Royal Woods Knights of The Michigan Table will have disastrous consequences.

Nico: That old goat really hated that her greatest "plan" was foiled once again, and she got into even more serious trouble.

Lincoln: She seriously doesn't even know when to quit. And now, for tomorrow, we're going to face off against Maya Drusilla.

Rachel Truaigheaingeal: (Scottish Accent) Yes, which means you and I will be facing her, Linky.

Crash Bandicoot: And I'll be joining in as well.

Ravenna Amaranth: That's right.

Inuyasha: So, aren't you going to introduce us to the two girls who attacked Gothorita, Lincoln?

Lincoln: I was just about to do so. The midnight blue-haired girl is Serenity Serenade, Gene-Slammer of The Lunalight Monsters, she's my Guardian Angel from Michigan and she is known by everyone as The Princess of The Moonlight Serenade because she has the powers of the crescent moon and she sings with a beautiful and divine voice that makes a beautiful sound like a haunting moonlight that can soothe the troubled souls of those who have trouble dwelling in their souls and her divine and beautiful singing and haunting moonlight melody can also harm even the darkest of souls as the haunting melody causes the guilt they harbor in their souls to finally consume them and force the guilty to confess under the pressure of the song.

Nico: Wow.

Lincoln: And you'll love hearing this: she's also a master of The Full Moon Madness Glare, the very power Luna Hikari knows about and she's also a very powerful master of The Moonlight Greatsword, a powerful weapon that she had in her possession and only The Princess of The Moonlight Serenade can use this weapon.

Luna Hikari: I thought that I was the only one who knew how to use The Full Moon Madness Glare, I never knew that. (Gasps) Now, I know who you are. Serenity Serenade, The Princess of The Crescent Moon. Legends say that she was born underneath a crescent moon, and that she was blessed with the powers of the moon.

We gasped.

Me: Double Wow!

Selene Emperyous: That's right, and she also taught Lincoln how to use the power of the Full Moon Madness Glare on any thugs that Lori, Lynn, Lola, Lisa, Luan, and his enemies have hired to kill him, and she also taught him how to use his divine singing in order to soothe the souls of the troubled people and cause the guilt of the darkest of souls to consume them and force them to confess. To show his thanks for everything, Lincoln took Serenity to Lake Huron and they kissed underneath the full moon as its beautiful light shined down upon them, and like me and The Sailor Soldiers in his harem, Serenity hates all of Lincoln's enemies with a brutal and a blazing passion and wants nothing more than to kill them all with her divine song and make them all pay for their crimes against Lincoln.

Eli: Wow, and I hate to find out how many fell victim to her song or to her Full Moon Madness Glare?

Lincoln: Many fell victim to her son and Full Moon Madness Glare, and many confessed their crimes to the police. And the white-haired girl is Melanie Inuyasha, she's my Guardian Angel from Japan and she's a very powerful and fierce Guardian Angel who's really defended me from the wrath of all my enemies and that also includes Lori, Lynn, Lola, Lisa, and Luan. She's a dog daiyōkai as pointed out by the white pointed dog ears on top of her head and the claws on her fingers, and she's an actual blood descendant of Inuyasha.

My jaw and Nico's jaw dropped to the floor.

CLANG!

Inuyasha picked our jaws up off the ground.

Inuyasha: You guys better stop or you're going to catch flies.

Nico: Sorry, Inuyasha. But, aren't you also surprised to find out you have an actual descendant of you?

Inuyasha: I was, it was seven years ago before any of us ever met. I went to Kagome's world, and we met Melanie while Kagome was visiting a friend in Michigan. She told me and Kagome everything about her, and when she revealed that she's my descendant, I had the same reaction as you two. Then, I saw her dog ears on top of her head along with claws and fangs, that's when it clicked in big time.

Me: So, you visited seven years ago, and none of us knew about it. What about…?

Inuyasha: Only Lincoln knew about it. Melanie and I heard a loud scream in the air, and we ran to see Lincoln getting viciously attacked by Lori, Lynn, Lola, Lisa, and Luan and they were cackling like a pack of demons, it made me really mad that I transformed and kicked them away. I almost wanted to scratch them with my claws, but Melanie held me back while Kagome treated Lincoln's wounds.

Michelle Emperyous: Inuyasha saved Lincoln from the wrath of those harpies and sent them running back to The Loud House only to get caught by an angry Luna, Leni, Laney, Lucy, Lana, and Lily who proceeded to mongrelize them badly.

Laniya Emperyous: And they got grounded for nineteen weeks for what they did and thrown into an iron cage.

Me: Jeez, so those injuries those five got were from Inuyasha, damn, now that was rough.

Melanie Emperyous: You got that right. Oh, and Melanie's a powerful swordswoman and blacksmith, she also forged her own version of Tessaiga and it also had all of the powers of Inuyasha's Tessaiga, and she knows how to wield it all too well and she knows all of the techniques of the Tessaiga along with all of Inuyasha's attacks. She has the personality of Inuyasha and Sesshōmaru's father, Tōga, she's calm and focused and she's also extraordinarily powerful and intelligent, but watch out when you anger her: when she gets really angry, she enters into the very same state as Inuyasha when the demon blood in his veins awaken as the sclera of her eyes turn deep red and the gold iris turn into teal slits with white pupils, the jagged purple stripes appear on her cheeks, and her fangs and claws lengthen.

Vorya Emperyous: Melanie has always kept her cool and she also doesn't resort to any outbursts like Inuyasha, and she was the one who taught Lincoln how to create the Beads of Subjugation and infuse the Beads with light magic in case he's dealing with dark beings, and he put the Beads of Subjugation on Lori, Lynn, Lola, Lisa, and Luan and the Beads were also imbued with light magic which was really bad news for The Dark Sides of Lori, Lynn, Lola, Lisa, and Luan, and she really hates Flip, Scoots, Lewis Travolta, Chandler and his goons, Lori, Luan, Lynn, Lola, Lisa, and all of Lincoln's enemies and all of our enemies with a brutal passion, and she really hated Naraku and all of Inuyasha's enemies for everything they've done.

Lincoln: Naraku paid the price for his crimes along with The Band of Seven, now we're dealing with The Shitōshin, and just this morning, we killed Kyōra. And now that you and Serenity are here.

Lincoln went up to and hugged Serenity Serenade in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, Lincoln went up to and hugged Melanie Inuyasha in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Serenity Serenade and Melanie Inuyasha with dark blue and red gems on the gold lightning bolts and dark blue and red crystal links from their merged Crystal Necklaces of The Buddha along with two Elemental Thunderbird Chokers of Eternal Love on their necks.

Serenity Serenade and Melanie Inuyasha knew what this meant, now they're part of his harem and one of his many future wives, they had a smile on their faces and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leaned down to each of theirs face and he kissed them passionately on the lips, and they also returned it, and we cheered for them.

Magma: Time to head back.

Piplup: No. I can't leave yet.

Oculous: Why not?!

Piplup: I have to tell the Pokemon who come here that Wish Park is a scary place. I feel it'll be easier for me to help if I stay here for now.

Stonedozer: But you might get brainwashed again!

Piplup: (smiles) I know you guys will be able to save me if that happens.

New Wave: Good point.

David Cain: We'll place a tracker on you just in case something happens. But please be careful.

Piplup: I will.

Me: Just in case…

I used a powerful spell and it was an anti-brainwashing spell. Not even the most powerful Pokemon of all can break it.

Lola: Nice.

Nico: That was so fun. But great job today guys.

Me: Yep.

Zocks: (to the viewers) No one messes with Pokemon like this.

Me: That's for sure.

We went back home and enjoyed the rest of the day and went to sleep.

TO BE CONTINUED…

Kaoruku: WHEW! Man it's hot here.

Wallflower Blush: I'll say! It's toasty.

Camie: Yeah it sure is.

Misty Tredwell: It sure is hot.

Carly Atlas: NO kidding there.

Me: I like it. It's perfect for me.

Nico: (LAUGHS) Yeah.

Mandee: This is an awesome place for Fire Pokemon.

Varie: No kidding.

Maria: I got plenty of water for us.

Nico: Thanks Maria.

Serenity Wheeler: This is gonna be fun.

Nico: Mandee, I want to thank you, Patty and Selma, and your teams for coming.

Mandee: Anytime Nico. This is gonna be so fun and awesome.

Lola: Yeah it sure will be.

Carol: I agree there.

Leni: O.M. Gosh this is totes going to be fun.

Mandee: You said it Leni.

Serenity Wheeler: I think so too.

Nico: Serenity, were you really blind before?

Serenity Wheeler: I sure was. Joey worked so hard for my eye operation and it was really brave of him to go to Duelist Kingdom to help out.

Eli: Boy father really was proud of him for such determination to help you out.

Me: That is the work of a true brother.

Lincoln: It sure is. If it were one of my sisters I would have done the exact same thing.

Nico: How much was the prize they were going for?

Serenity Wheeler: $3,000,000.00.

Me: WHOA! That is good money.

Lola: Yeah.

Me: That's small change compared to what we got though. But still I'm proud of your brother for doing that for you Serenity.

Serenity Wheeler: Same here.

Nico: And you're just as good as dueling as he is.

Serenity Wheeler: I sure am. I use a deck based around Goddess with The Third Eye.

Nico: Awesome theme.

Serenity Wheeler: It sure is. At first I was afraid to try it out because I didn't have interest in it but now I love it.

Me: That's awesome Serenity.

Serenity Wheeler: It sure is and Alexis, Tea and all the duelists have been teaching me and giving me some pointers.

Me: Glad they are pitching in to help out.

Serenity Wheeler: I am too.

Carly Atlas: We are glad to help out.

Misty Tredwell: Same here.

Nico: Yeah.

Me: Boy yesterday was an awesome one. And we freed most of the brainwashed Pokemon from the Dance Zone.

Leeli: Yeah we sure did and it was thanks to my song.

Girl Jordan: That was so awesome.

Nico: It sure was. Well done Leeli. And we rescued Piplup too.

Xenia: We sure did.

Charmander: So why is it that he's still there?!

Nico: It was his decision!

Me: But I put an anti-brainwashing spell on him to make sure that he doesn't fall victim to anymore brainwashing. It's so powerful not even this Master or the Gothitelle Trio can break it.

Nico: Good thinking there.

Qin: Yeah.

Lola: But Zocks and Chloe and most of us all got to show our stuff in dancing.

May: And Nico sure looked like a true stud in that Disco Suit.

We laughed!

Nico: (LAUGHS) I sure did.

Me: That was so fun though.

Nico: It's better than Piplup being brainwashed and us being forced to fight him.

Me: Yeah.

Brittney: And the look on Chandelure's face when he saw Zocks' dancing was priceless.

Nico: Yeah no kidding.

Lola: Lori posted a video about it all over Social Media and it went viral fast.

Nico: That is cool.

Lola: Yep.

Camie: That was still an awesome mission for us.

Tsuyu: It sure was.

Chikorita: Say the word and me and Charmander will join you guys!

Nico: You two are more important here.

Me: Absolutely.

Lola: Yeah.

Nico: But Zocks, Chloe, well done to both of you on that mission.

Zocks: Thanks Nico.

Nico: You're welcome.

Lola: I personally like it here.

Me: I do too. It's awesome.

Lola: Yeah it sure is.

Lana: Yep.

Xenia: It's still a fun place.

Laney: It sure is.

Nico: Maria, could we have some water?

Maria: Sure.

Maria spread wings of water and gave us all some water.

Me: (GULPING)

Nico: (GULPING)

Eli: (GULPING)

We gulped a lot down.

Me: Ahh. Thanks Maria.

Nico: Yeah thanks.

Maria: Anytime guys.

Lily: I'm amazed you can use water wings like that.

Maria: Me too and it gives me enough to give all of us water.

Nico: Clever.

Poliwag: I can use water too!

Me: We know.

May: So can Manaphy and Horsea.

Nico: And Tentacool.

Qin: Yep.

Charmander: You guys are going to love the attractions. Lynn and Lola especially.

Nico: Cool!

Me: What are they?

Charmander: Rhyperior's Bumper Burn and Blaziken's Boulder Bash.

Lola: Nice! I'll do the Bumper Burn.

Lincoln: And Lynn is going to do the Boulder Bash.

Charmander: You should do Bumper Burn first.

Lola: You got it Charmander.

Me: Lead the way there.

Charmander: I'll right.

Charmander: You should do Bumper Burn first.

Lola: You got it Charmander.

Me: Lead the way there.

Charmander: I'll right.

He lead the way and we saw Rhyperior.

Rhyperior: Awesome you guys came.

Nico: Awesome.

Me: What do we have to do here?

Rhyperior: To win, you have to bump as many Pokémon as you can out of the arena for points.

Lola: Cool!

Me: That's like bumper cars.

Lola: I like it.

Rhyperior: It sure feels like bumper cars doesn't it.

Lola: I'm ready for it.

Rhyperior: That's the spirit.

Lola got ready and she was on a buzzsaw top spinner.

He lead the way and we saw Rhyperior.

Rhyperior: Ready?

Lola: Ready!

GO!

Then Lola was really BUMPING THEM OFF!

BAM BAM BAM BAM BAM BAM BAMBAMBAMBAM!

Qin: Whoa! Lola is doing great!

Lola: YEAH!

Camie: Take that!

Lola: YEAH!

Lola even bashed Rhyperior off!

TIMES UP!

LOLA WON!

With 99,999 Points, she won!

Horsea: Nice job, Lola!

Nico: YEAH!

Lola: Thanks guys!

Xeniai: That was so fun and cool.

Lola: Yeah it was!

Nico: Now for Blaziken's challenge.

Nico: Let's call Lynn

Maria: On it.

Lynn then arrived in a swirl of lava.

Lynn: What up guys! Lynnsanity Jr. Is here.

Rainbow Dash: Aw yeah!

Lola: Yeah!

Nico: Yep.

We went to find Blaziken and we saw him.

Blaziken: Welcome Team Loud Phoenix Storm.

Nico: (bows) It's an honor, Blaziken.

Blaziken: You too Nico. (BOWS)

Lynn: This is gonna be so fun. I would like to participate in the Boulder Bash.

Blaziken: Excellent!

They got ready.

Golem: Me and Blaziken will control this machine which will spit out boulders. You have to smash or deflect them to gain points

Lynn: Awesome! This is gonna be fun.

Golem: I know it will be for you.

Blaziken: Shall we?

Lynn: You may fire when ready!

Blaziken: Fire!

They fired boulders and then Lynn smashed the boulders into dust!

SMASH! SMASH SMASH SMASH SMASH SMASH SMASH! SMASH!

Golem and Blaziken were floored by the amount of strength Lynn has for someone so young.

SMASH SMASH SMASH SMASH!

She was really doing well!

Golem: WOW!

Blaziken: She is really strong!

SMASH SMASH SMASH SMASH!

Lola: YEAH!

Nico: Lightning would love seeing this!

Me: He sure would!

Manaphy: Go Lynn!

May: YEAH!

SMASH SMASH SMASH SMASH SMASH SMASH!

TIME'S UP!

Lynn got 99,000 points!

Blaziken: Well done Lynn! You win!

We cheered for her!

Poliwag hopped on Lynn's head.

Lynn laughed!

Me: That's our athlete of the Loud's.

Xenia: YEAH!

Camie: Yeah!

Lincoln: Nice job!

Lynn Jr.: Thanks bro!

Qin: That was so fun and cool.

Me: Yeah no kidding.

Lola: Lynn sure knows how to smash boulders good.

Rainbow Dash: She sure does.

Me: Applejack would love smashing boulders like that.

Applejack: (LAUGHS) Yeah I sure would.

Nico: Yep.

Eli: And just in time too. I sense the Anothers here.

Nico: What are they this time?

Eli: We have Flam-O-Burgers, Big Food, Meaches, Foof N' Scoops, Reuben, Glumburger Cheese, Stinky Cheese (Chowder), Mr. Fibb & Mr. Wink and Patty & Selma.

Me: Whoa! Some of those are foods that Chowder would like.

Eli: They are.

Me: Whoa!

Nico: It was still very funny seeing those Meaches maul Truffles like that.

Qin: It sure was.

Me: And those Flam-O-Burgers really pack a really dangerously explosive bite to them. I loved those.

Nico: (LAUGHS) Yeah. And Glumburger Cheese must be really stinky.

Me: Oh IT SMELLS HORRIBLE! Chowder said that when he smelled it the stench melted his face off.

Lana: Cool! I would like to eat it.

Me: Yeah. And that Foof N' Scoops was disgusting. I almost hurled my guts out seeing that.

Nico: Me too.

Qin: Yeah.

Nico: Let's call him here!

Me: You got it.

Maria did so.

Chowder: Hey guys.

Me: Hiya Chowder. We got some funny archenemies for everyone including you to see.

Chowder: Really?

Me: Yep.

Maria: Who do we call in for these Anothers?

Me: Camille Rextopher, Stella Betelgeuse, Daffodil Flora, Hisui Gaim Takatsukasa, Aria Aristotle, Crimson Napalm and Yuji Kiba.

Nico: Cool!

Twilight Sparkle: Crimson Napalm just joined the Knights of the Friendship Table and he has an awesome mohawk and a tough attitude.

Nico: Ooh I like how he thinks.

Maria called them in and in swirls of elements came Camille Rextopher, Stella Betelgeuse, Daffodil Flora, Hisui Gaim Takatsukasa, Aria Aristotle and Crimson Napalm. Yuji Kiba was already with us.

Crimson Napalm: Hey, guys!

Nico: Gnarly Mohawk there Crimson.

Crimson Napalm: Thanks dude.

Stella Betelgeuse: This will be fun.

Daffodil Flora: Far out guys.

Eli: I sense that the Anothers minus Patty & Selma are all one person. Also this is a really interesting one. She is not only one of Lincoln's guardian angels but she is also a food gene-slammer.

Me: A Food Gene-slammer?

Qin: Bizarre.

Camie: This will be interesting.

Nico: Okay Anothers come and get us.

Me: Where are they?

Maria: Right there!

We saw the Anothers and they were Another Flam-O-Burgers, Big Food, Meaches, Foof N' Scoops, Reuben, Glumburger Cheese, Stinky Cheese (Chowder), and Mr. Fibb & Mr. Wink.

Me: Oh boy.

Qin: This will be funny and cool.

Lola: Yep.

Another Reuben: (In a girls voice) It sure will be fun.

Lincoln: That voice!

They merged and reverted back and it was a girl with green hair and she had yellow eyes and had the kanji for cheese in the middle of her forehead and she had an orange dress that had the pictures of one of each food from each of the 6 food groups on her skirt and she had red angel wings and had a sword of meat in her hands.

Lincoln: Fiona Foodon! Wow!

Fiona Foodon: Awesome to see you again Lincoln. You grew into an amazing young man.

Lincoln: I know. I haven't seen you since you were 16. Fiona is one of my guardian angels. But she was an ordinary girl that was caught in a terrible accident.

Me: What happened?

Lincoln: One of Lisa's experiments accidentally backfired and it hit her with her food transmogrification laser and merged all the foods in the city with her and it ended up giving her awesome food powers and it turned her into an amazing food gene-slammer.

Me: WHOA! That is crazy! When did this happen?

Lynn: It was long before you moved to Michigan. But you should see what she can do.

Fiona Foodon: Yep. Watch.

She fired a massive barrage of sausages from her hands and they went into my mouth and I ate them and they were hickory smoked barbecue sauce coated sausages.

Me: (EATING) MMM! Wow!

I was eating and then I swallowed.

Me: (GULPS) That was delicious! Wow you are like a walking all-you-can-eat buffet and restaurant!

Fiona Foodon: I know and I use my powers to feed the homeless and make good food for them.

Me: That is awesome and very charitable.

Nico: It sure is.

Fiona Foodon: I get that all the time.

Nico: Chowder, you can eat them when they've separated.

Chowder: That I can do.

Nico: And here is this.

She fired a wave of cheese from her hands into Nico's mouth and he was in euphoria!

He ate cheddar and gouda cheese!

Nico: (SLURPS) DELICIOUS AND AWESOME! I AM SO IN LOVE WITH YOU!

WE LAUGHED!

Poromon: Save the anothers for us!

Chowder: Lets all get them.

Crimson Napalm: Sorry we have to do this.

Me: By the way is the Another Patty & Selma friendly or hostile?

Fiona Foodon: Friendly. But you might not like this one. She ABSOLUTELY HATES HOMER.

Me: Uh oh. How come?

Fiona Foodon: She didn't say.

Me: Oh.

Girl Jordan: But first lets separate you from the Anothers.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies outside had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

She glowed and was separated from all the Anothers.

Crimson Napalm: LETS EAT!

They went at the Anothers and Ate them! Yuji blasted Another Rueben and Stella Betelgeuse blasted Another Foof N' Scoops because that one was a pile of garbage. BLECH!

They got the Wonder Ride Books and brought them over and they were covered in spit.

Me: (Grossed out) Thanks.

Crimson Napalm: That was fun.

Chowder then belched right in my face and his breath smelled like Glumburger cheese!

Chowder: Excuse me.

Maria: Now for backup! (TURNS DIAL) MAGNETIC STAR 6!

She summoned Dr. Polaris, Yost Magneto, Universe 666 Cronus, Hate Master, Vector and Mad Apple

Nico: YEAH!

Qin: That was awesome!

Fiona Foodon: That was really cool though.

Chowder: That was delicious!

Me: That was a tasty battle.

Fiona Foodon: It sure was.

Lola: Except for the Another Foof N' Scoops.

Nico: Yeah no kidding.

Lana: I would have eaten that one.

Me: Yeah you sure would Lana.

Lola: Yep.

Nico: Yeah.

Mandee: I wonder why this Another hates Homer so much?

Patty: We'll find out. Me and Selma hated Homer just as bad.

Selma: If not worse. But this will be interesting to hear about.

Lola: Yeah it sure will.

Nico: But she's friendly. So, hopefully we can reason with her.

Me: Yep. I hope it's not strangling Bart so much.

Lily: Yeah.

Nico: We'll find out now.

We saw Another Patty & Selma!

Nico: There they are.

Me: Whoa.

Mandee: Light a cigarette for you two?

Another Patty: Oh I don't smoke but thank you.

They merged and reverted back and it was a girl with blond hair and had brown eyes and blue clothes and she had a shirt on that said I HATE HOMER!

Me: Mandy Volannza! Whoa!

Mandy Volannza: Awesome to see you again J.D.

Me: Same here.

Nico: We heard that you hate Homer with a vengeance.

Me: That's right.

Nico: Explain to me why you hate Homer. Because he was not involved with Springfield's corruption.

Mandy Volannza: Why? I'll tell you why! BECAUSE HE IS A MENACE TO SOCIETY! He stole from Ned Flanders, strangled poor Bart, does all kinds of stupid things and I hate him more than all life itself!

Me: Come on you can't possibly mean that!

Patty: Yeah he wasn't involved in Springfield's corruption like most of the town was.

Selma: Sure he might have been an idiot but he still loved his kids.

Me: Yeah.

Patty: Yeah we hated Homer because we feared he was not the right guy for Marge.

Selma: We found out that Marge was actually brainwashed by Burns and was one of the co-conspirators that lead to Springfield's demise.

Me: So are we. The guy was practically giving us a headache.

Nico: Yeah.

Lola: Sorry we have to fight like this.

Mandee: But it's to save you.

Mandy Volannza: I know. Hit me with your best shot.

She turned into Another Patty & Selma!

Sougo: (Gets out Dynaman Ridewatch) Swartz must've realized that you had a grudge against Homer.

Geiz: (gets out Bioman Ridewatch) He must've been planning to use you to kill Homer, who's one of us.

Sougo got DynaRedArmor while Geiz got Red1Armor.

Another Patty: Yeah he must have.

Nico: I hope these don't make me smoke. (ACTIVATES PATTY & SELMA'S AND MR. FIBB & MR. WINK'S RIDEWATCHES)

He fired waves of fire and blasted her down.

May: (gets out Katherine's Ridewatch) Save some for me!

She activated it and then she turned into a voluptuous and sexy girl! HUBBA HUBBA!

She was in a black lace outfit and it revealed her curves and more.

May: WHOA! (Seductive pose) Nico like what you see?

Nico did a Tex Avery wolf call and it was funny!

Nico: (CATCALL) (WOLF HOWL) (CATCALLS)

Nico was pounding on a table with a chair and doing all kinds of funny gags.

WE LAUGHED!

Me: That was funny!

May: (gets out Ol Faceful's Ridewatch) Let's try this one!

May activated it and her stomach grumbled and she had a REALLY NASTY STENCH COMING OFF HER!

Me: Uh oh.

May's cheeks on her face puffed up and then…

May: (PROJECTILE VOMITING)

She threw up and the vomit splattered all over Another Patty & Selma!

Me: OH SICK!

Camie: That is disgusting!

Maria: (gets out Lehvak's Ridewatch) It's my turn now!

Maria activated it and fired waves of acid and Another Patty & Selma dodged the blasts.

Me: Whoa! That is potent acid.

Maria: Lets see what this does. (ACTIVATES ELEMENTAL FARTING BANDITS RIDEWATCH)

She farted waves of water, fire, earth and wind and smashed her down!

Me: Funny.

Serenity Wheeler: My turn! (ACTIVATES MR. FIBB & MR. WINK'S RIDEWATCH) Shall I get this going guys?

Mr. Fibb: Indeed you should wouldn't you agree Mr. Wink?

Mr. Wink: Indeed she shall Mr. Fibb.

Serenity fired waves of energy and smashed her down.

Then Angel, Angel (Fairy Tail), Kevin 11, Screaming Death, Contemptra and Blazing Skull appeared.

Nico: Awesome team Angel.

Angel: Thanks Nico.

Lola: Cool!

Maria: Yeah!

Xenia: This will be fun.

Angel: Honestly, hating Homer Simpson is like hating ice cream.

Me: I agree. You would have to be a lunatic to hate ice cream.

Qin: Yeah.

?: I agree there.

Then we saw a Greedent come out.

Me: Hey a Greedent.

Lola: Cool!

Greedent: (In a girls voice) Hating ice cream is not good.

Nico: Avery Doris! Wow!

She reverted back and was a girl that had brown hair and orange eyes and orange clothes and she had the kanji for squirrel in the middle of her forehead and she had brown fox ears on top of her head and had orange angel wings and had a squirrel tail.

Avery Doris: Awesome to see you again Nico. I got this.

She fired a wave of nuts and blasted down the Another and I caught the ridewatch and purified it and brought Mandy over.

Lola: That was awesome!

Serenity Wheeler: What's your favorite memory of Nico?

Avery Doris: When me and Nico made our own dessert spread. Chocolate Caramel Hazelnut Eden spread.

Qin then drooled buckets at the mere mention of that.

Nico: It's like Nutella and it's really good.

Qin: (Slurps) And it's the best ever. I loved it so much that I became hooked on it and ate it on my sandwiches with graham crackers.

Me: Boy you sure love that stuff.

Lola: Oh boy.

Nico: Yep.

Nico and Avery hugged.

Nico: I've missed my squirrel girl.

Avery Doris: Me too Nico. Me too.

We went back home.

Lincoln: Whoa, we're here in the palace ruins of Shang Tsung, and I know what we're going to do here, not only am I going to rescue the four girls here, but we're going to destroy the next member of The Shitōshin, Jūra, and we're going to destroy that powerful and violent tiger daiyōkai.

Inuyasha: So, we're going after Jūra, the next of the Shitōshin.

Sebastian Mendez: And he's located here in the palace ruins of Outworld's most treacherous sorcerer, Shang Tsung. Thank goodness you guys sent him and Quan Chi to The Black Gates when you guys destroyed Shao Khan last year.

Nico: Yeah, that soul-stealing sorcerer caused enough trouble for centuries.

Me: You got that right. Plus, we got word that Jūra also has the assistance of The Black Dragon Clan.

Lincoln: So, just like I did with The Red Dragon Clan yesterday when we went after Kyōra, I'll drain all of them dry of their life forces and souls.

Suddenly, we saw a massive army heading right for us: it was The Black Dragon Clan, one of the many enemies of The Earthrealm Defenders and one of Shao Khan's minions.

Lincoln: There they are.

Lincoln fired blasts of life-draining indigo energy which hit the troops of The Black Dragon Clan, and we saw the streams of indigo energy escape their eyes and mouths and the streams of indigo energy flowed into Lincoln's hand, the skin of the troops began to wither and their bodies dry up: Lincoln was absorbing their souls and life force. Suddenly, we saw two figures heading right at Lincoln, it was the two Black Dragon thugs, Kano and Kabal. Sebastian kicked them away.

Sebastian Mendez: You and Kabal aren't getting out of this, Kano. You still got to answer for what you did to Stryker.

Lincoln: Keep them alive, Sebastian, I'm almost done.

As soon as Lincoln was done, all the soldiers of the Black Dragon Clan were drained of their life forces and left as desiccated corpses, and he banished the souls to The Black Gates after draining them of their life energy. Then, he turned his attention to Kabal and Kano.

Kano: You've really made quite a mess and ruined our business deals with Shao Khan, now we got no choice but to waste you wankers.

Kabal: Your kids will also join you after we kill you and your bitches.

Lincoln: No one threatens my wives and my kids, Kabal, and that also includes you too, Kano.

Lincoln fired two blasts of indigo life-force draining energy which hit Kano and Kabal, and we saw the streams of indigo energy escape their eyes and mouths and flowed into Lincoln's hand, and their skin began to wither and their bodies began to dry up: Lincoln was absorbing their souls and life force. As soon as Lincoln was done, Kano and Kabal were drained of their life forces and they were both left as desiccated corpses, and he banished the souls to The Black Gates after draining them dry of their life energy and souls.

Jackie: Those thugs had some nerve threatening the lives of your kids and wives, Lincoln.

Lincoln: Once a thug always a thug. Now, let's get after Jūra.

Suddenly, we saw a very beautiful and super sexy girl with short light brown hair and golden yellow hairband, purple eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful white angel wings, she's dressed in a white coat with a coat of arms on it, white short-sleeved shirt, necklace with pearls and dark blue gem for the pendant, black pants, white bridal gloves, black knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with knights, swords, magic, dragons, light, and angels on the coattails and on the back is Noble Knight Gawayn, in her right hand is The Sword of Justice, and with her are the four girls.

Light Brown-Haired Girl: I hope I'm not too late, and I got the girls away from that tiger demon before he could kill them.

Lincoln: No, you're not, Gina Gawain, you're just in time. In fact, we were just about to head after that scumbag.

?: You shall all pay for what you did in killing me, Inuyasha!

We then saw our target, Jūra, and boy, was he pissed off big time!

Sylvester: If it isn't Jūra, looks like the fight's about to heat up.

axes, and mythological animals, and they exploded with incredible power as they hit him.

Then, Lincoln drove his massive greatsword into Jūra's stomach, and he began sucking out his vast dark and demonic powers, lightning powers along with his grey Sphere of Power, immense strength, speed, agility and reflexes, stamina, durability, superhuman regeneration factor, demonic magic, and demonic abilities, and he made them his own. Then, Lincoln proceeded to slice Jūra into a million pieces with a Wind Scar he fired from his massive greatsword and the demon was shredded apart and his soul was sent to The Black Gates for good. We cheered as we holstered our weapons and powered down.

Lincoln: That's the second of the Four Shitōshin put down, and two more to go. (To Gina Gawain) And it's so good to see you again, Gina Gawain.

Gina Gawain: You too, Linky, it's been a long time.

Lincoln went up to Gina Gawain and he hugged her, and Gina Gawain is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much stronger and muscular he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces soon went even deeper when they saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms and short stubble on his jawline, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Gina Gawain: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height and became a man, but you're still the same kind boy from long ago. Plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Gina Gawain, Gene-Slammer of Noble Knight Gawayn, she's my Guardian Angel from Michigan and she's a very powerful wielder of magic and a very powerful swordswoman, and a member of The Royal Woods Knights of The Michigan Table. She trained me both in the art of swordsmanship and in magic, and he became a very powerful swordsman, and she also taught me much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those I love and hold dear to my heart, and never to let those with such malice and evil in their black hearts get away with their crimes.

Nico: That's awesome.

Lincoln: Plus, you're going to love hearing this: Gina Gawain is also a direct descendant of Gawain of Camelot, one of the skilled Knights of the Round Table and nephew of King Arthur in the legends.

Me: Knew it.

Lincoln: I also made her a white coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed me on the lips after our training, and Gina Gawain hates Scoots with a very blazing passion..

Inuyasha: Oh great, what did that old goat do this time?

Lincoln: One day, Gina and I along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Scoots, and she'd brought with her an army of thugs she hired to kill us again. Gina and I went out there along with the rest of us, and she'd slain them with her greatsword. It drove Scoots into a blood-crazed fury, but before she could try to run us over, we fired chains of light magic which bound Scoots and tied her up. I called Luna, who showed up along with Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lily, and the parents, and when we told them of what Scoots did, they were furious.

Lynn Sr.: We sure were, but Lincoln wasn't surprised that old goat would do this because of her many attempts to kill him, but in the end, her plan failed, and Scoots got sent back to the nuthouse again, and Gina and Lincoln casted a spell to make sure she couldn't try to come after us for revenge after she got thrown back in the nuthouse

Lincoln: Because messing with the descendant of Gawain of Camelot and one of the members of The Royal Woods Knights of The Michigan Table will have dire and disastrous consequences.

Me: That old goat really caused a lot of trouble to all of Royal Woods.

Lincoln: All the revelations we'd heard proved that she was nothing more than a troublemaker and she had no remorse for everything she'd done. She heckled Lynn and everyone else around her, she caused people to fight for her own sick amusement, and on top of that, she always breaks the rules.

Varie: Which was the reason why that after Scoots got taken out of Sunset Canyon and placed in The Lansing Maximum Security Nuthouse years ago, I imposed a lifetime ban on her from Sunset Canyon.

Lincoln: And she was also banned from every single event in Michigan because of her habit of always starting trouble and heckling people, and now that you're here, Gina.

Lincoln went up to and hugged Gina Gawain in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Gina Gawain: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Gina Gawain's neck with purple gems on the gold lightning bolts and purple crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Gina Gawain: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Gina Gawain.

Gina Gawain had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them, then, we went up to the four girls, and when Lincoln saw who they were, they immediately recognized them. The four girls are Nanase Shukumi, Hinase Shukumi, Yuise Shukumi, and Jyuku Jyuku from Sewohayami.

Lincoln: Oh wow, it's Nanase Shukumi, Hinase Shukumi, Yuise Shukumi, and Jyuku Jyuku from Sewohayami.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Nanase Shukumi: Yes, we're okay, thanks to you.

Then, when Nanase Shukumi and the other three girls saw who it was that saved them from Jūra, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in

Nanase Shukumi: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln

and his clones, and we cheered wildly at the scene.

Nanase Shukumi: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Nanase Shukumi, Hinase Shukumi, Yuise Shukumi, and Jyuku Jyuku with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team was shocked to find out the villain we went was the next member of The Shitōshin, Jūra, the powerful and violent tiger daiyōkai, along with the Black Dragon Clan who wanted revenge on us for what we did to Shao Khan and his minions a year ago.

But, when Lincoln showed what happened such as him draining the life forces out of the foot soldiers of The Black Dragon Clan and doing the same to Kano and Kabal, and sending their souls to The Black Gates, and finally all of us beating Jūra down, and then, Lincoln driving his massive greatsword into the stomach of Jūra and sucking out his vast dark and demonic powers, immense strength, agility and reflexes, endurance, stamina, durability, demonic magic, and abilities, and he made them his own, and then, slicing him to ribbons with a Wind Scar that killed him and sent his spirit to The Black Gates forever, everyone cheered and hugged us and Lincoln's harem kissed him all over, and he had steam whistling out his ears. Lincoln and Gina Gawain have a lot of catching up to do, now that she's back in town.

Maria: Oh man, so not only did you guys go after Jūra, but that tiger demon also had the help of the Black Dragon Clan, another of Shao Khan's minions who also got protected from getting sent to The Black Gates last year by that deranged Dark Sebastian.

Lincoln: Yep, and they were at the ruins of Shang Tsung's palace. Plus, look what we also got.

Lincoln unsealed a scroll, and inside it were scrolls of dark magic, books on forbidden black magics, dark artifacts, and all sorts of other black magic spellbooks, artifacts, weapons, and scrolls.

Nicholette Torrington: This is quite a treasure trove even more than The Church of Necrom's, but the dark artifacts they have paled in comparison to Shang Tsung's.

Then, Lincoln fired a Supernova Ball which went through a portal to the palace ruins and it hit and it destroyed the ruins of Shang Tsung's palace.

Lincoln: There we go, now that we cleaned out Shang Tsung's palace, I also reduced it to rubble.

Sonnya Blade: Along with the bodies of the Black Dragon Clan, and that was a nice job in killing Kano and Kabal, those two deserved to die.

Jax: We couldn't forgive those two for everything they've done, and they deserved it.

Lincoln: They caused tons of trouble on Earth and in Outworld by serving Shao Khan, along with Quan Chi and Shang Tsung, now both the Red Dragon and Black Dragon clans are gone for good.

* * *

After finally getting rid of Jūra along with the Black Dragon Clan and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Gina Gawain saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Gina Gawain: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Gina, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Gina Gawain: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Gina Gawain: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Gina, what other memories did you have with Lincoln?

Gina Gawain: Oh man, I was hoping you'd ask that. Well, there was this one time, Lincoln and I went to Lake Michigan with the rest of The Royal Woods Knights of The Michigan Table for a time of rest and relaxation along with doing some more training and working out. But, then, we heard the sound of bellowing in the air, and we saw who it was: it was Hawk and Hank, the Hazeltucky Hockers and two of the enemies of The Royal Woods Knights of The Michigan Table, and those dumb gorillas were out to kill us again, but Lincoln and I flew at those jackasses and we beat them down and tied them up with chains of light. Then, Lincoln fired a ball of ice at Hawk and Hank and froze them in a block of ice, and then, Varie showed up with police vans, and the men loaded those frozen gorillas and they took them back to jail, and after they were unfrozen, they threw them back in prison.

Me: Those buttfaces got what they deserved for what they did.

Nico: Yeah, and their evil misdeeds got them the ultimate punishment along with Abby Sanchez and Ophelia Shroud.

Lincoln: Getting thrown in The Black Gates for all the trouble they each have caused us.

Lori: Abby Sanchez was a heartless homicidal monster who literally wanted Luan to suffer forever and Ophelia Shroud was a monster who wanted to take Dad's recipes and the secret of Lisa's inventions so she can take over the world, and Hawk and Hank were flat-out monsters.

Lincoln: Those good-for-nothing morons got what they deserved and they've done enough damage to us and to all of Royal Woods to last an eternity.

We got a shower, and then, Lincoln, Madam Shyarly, Camie, Kairen, Hirameri, Seira, Mero, Adele, Sora, Luca, Nautica, and Nightbird are heading to Lake Lamode.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Madam Shyarly, Camie, Kairen, Hirameri, Seira, Mero, Adele, Sora, Luca, Nautica, and Nightbird are dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Madam Shyarly, Camie, Kairen, Hirameri, Seira, Mero, Adele, Sora, Luca, Nautica, and Nightbird had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood and life energy, which made him go insane with anger, until Lincoln fired energy blasts at that mutant and more gold and jewels and treasures came out of that moron, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Kairen: Wow, so this is Lake Lamode, this is really awesome!

Lincoln: It sure is, Kairen, and it's perfect for our first date. Shall we?

Lincoln, Madam Shyarly, Camie, Kairen, Hirameri, Seira, Mero, Adele, Sora, Luca, Nautica, and Nightbird dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Madam Shyarly, Camie, Kairen, Hirameri, Seira, Mero, Adele, Sora, Luca, Nautica, and Nightbird got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Madam Shyarly, Camie, Kairen, Hirameri, Seira, Mero, Adele, Sora, Luca, Nautica, and Nightbird and they hugged them in their abnormally massive and powerful muscular arms, and Madam Shyarly, Camie, Kairen, Hirameri, Seira, Mero, Adele, Sora, Luca, Nautica, and Nightbird placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like someone really had a good time at Lake Lamode, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, eleven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Madam Shyarly, Camie, Kairen, Hirameri, Seira, Mero, Adele, Sora, Luca, Nautica, and Nightbird with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: And now, Madam Shyarly, Camie, Kairen, Hirameri, Seira, Mero, Adele, Sora, Luca, Nautica, and Nightbird are in your harem.

Jenna: Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that good-for-nothing hairy mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for herself.

Rarity: And trying to kill Madam Shyarly, Camie, Kairen, Hirameri, Seira, Mero, Adele, Sora, Luca, Nautica, and Nightbird, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and he should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that three butt-cheeked mutant cheapskate has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you fat hairy mutant cheapskate!

Nico: Even after we kicked Flip's miserable hide, that moron still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Pablo, Anderson, Billy McLean, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: Leave that to me. (YELLS AT THE TOP OF HIS LUNGS AT THE JERKS) SHUT YOUR HALF-WIT PIE HOLE, YOU JACKASS MUTANT CHEAPSKATE!

Suddenly, the Beads of Subjugation on Flip's neck and on the necks of the jerks glowed and the amplified gravity forced the jerks to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand them if they so much as get anymore dumb ideas again.

---

Later we were in the Simulator again.

Nico: It's back to Space Junk Galaxy!

Nicole: This time we're going to see you guys battle Tarantox.

Nico: Yep. Who wants to go with me on that one?

Ed: Me and Leni will go. (LAUGHS)

Leni: This will totes be fun Ed.

Loni: In that case I'll go too.

Nico: All right then.

They went in and Nicole got it underway and Nico and the group were back in Space Junk Galaxy.

Nico: We're here.

Ed: Where?

Nico: Here we are!

Ed: Oh.

Leni: This is totes an amazing place.

Loni: It sure is.

Ed: I'm the ice cream man.

Eddy: (on the radio) Shut up Ed.

Me: (On the Radio) Mission control to Nico you are clear for launch. Over.

Nico: Copy that mission control.

They got into a Launch Star and then…

WHOOSH!

They were off!

They were going to the big virus-shaped rock in the middle.

Nico: Stay alert, guys!

Ed: Okay.

Leni: Alert for what?

Nico: (FACEPALMS) Anything.

They went and smashed through the rock and then they saw a HUGE SPIDERWEB AND IT HAD A HUGE EGG! It hatched into TARANTOX!

It saw them.

Nico: Uhh nice spider.

Leni: Take this!

She shot bug spray at it in its eyes and it roared!

Nico: (gets out Vreedle Brothers' and Patty and Selma's Ridewatches) Let's start things off!

Nico activated them and fired beams of energy and blasted Tarantox!

Nico: YEAH!

Loni: Lets get this Spider!

Leni: YEAH! Good think I'm not scared of Spiders anymore!

Me: And you have Rhinosnorus and Nightmare to thank for that Leni.

Leni: I know!

Nico: Yeah!

Leni and Loni fired waves of Gravity Lightning and blasted Tarantox all over and it hit him a second time!

Qin: YEAH! Take that!

Xenia: That's number 2 on him!

Loni: One more to go!

Nico: Yeah!

Then an Orbeetle flew in!

Me: Cool an Orbeetle!

Xenia: Awesome!

Nico: Neat!

Orbeetle: (In a girls voice) This will be so fun!

Nico: Nina Cammiola! Whoa!

Qin: Awesome! Butterfly Queen Nina!

Me: You have cool nicknames for cool people Qin.

Qin: I sure do.

Orbeetle: I got one shot too.

She fired waves of energy and blasted Tarantox.

Ed turned into Edzilla!

Edzilla: ED SMASH SPIDER!

He bashed Tarantox and it released a final scream and then it exploded.

POOF!

The Power Star was freed!

Nico: There's the Power Star!

Nina Cammiola reverted back and she was a girl with pink hair and had red clothes and had rainbow butterfly wings and had the kanji for butterfly in the middle of her forehead.

Nina Cammiola: That was so fun!

Nico: It was!

Leni: Me and Loni got it!

Ed: Lets do it!

They went and got the star!

YOU GOT A STAR!

Nico: YEAH!

They went and High Five!

Leni: What's your favorite memory of Nico?

Nina Cammiola: When me and Nico pranked the Queen Bee girls. We pranked them by sprinkling their clothes with fairy dust from my wings and it caused them to break out in seafood allergy hives that were ugly and gross.

Nico: I remember that! They were called the Swollen Freaks of High School!

Qin: That was so funny! I even threw vinegar into their eyes and burned them really bad.

Laney: Ouch.

Nico and Nina hugged.

Nico: I've missed you Nina.

Nina Cammiola: Me too Nico.

---

Later Poliwag was watching TV.

Zangief: (Russian Accent) Here are your chores for today, Comrade Poliwag.

Poliwag: Comrade Poliwag. I like that. But I don't like chores.

Nico: (Big Dad Voice) Poliwag listen to Zangief.

Me: Whoa!

Nico: Sorry.

Poliwag: All right.

He saw the dishes piled up and the beds are a mess and more.

Poliwag: Oh boy. This will take all day. (Gets an idea!) I know!

Poliwag then went to Lisa's lab and got to work on an awesome robot.

Me and Nico were watching more TV.

Me: So far things have been very quiet.

Nico: Yep.

Sweetie Belle: Boy that is so good! Can I have more?

Fiona Foodon: Boy Sweetie Belle you sure are hungry. Okay.

She made more Buffalo Chicken Spaghetti.

Sweetie Belle was eating it all.

I went over.

Me: Boy Sweetie Belle you sure are hungry. That has to be the third bowl of pasta you've eaten.

Sweetie Belle: (Slurps) It's just so good.

We laughed!

Lincoln: (LAUGHS) You sure love Fiona's food. Fiona makes some of the best food ever next to dad and Mary.

Me: She sure does.

Fiona Foodon: I know. But I'm glad Sweetie Belle loves my awesome buffalo chicken spaghetti.

Lincoln: Boy no kidding.

Meanwhile in the lab, Poliwag was working on an awesome robot.

Poromon: Poliwag, what are you doing?

Poliwag: Making a robot that will do all our chores easily.

Poromon: Cool!

Poliwag: Yep. You'll love this.

Poromon: Lemme guess. A robot version of you?

Poliwag: Nope. Even better.

When it was finished Poromon and Poliwag saw Poliwag's work stand up.

Poliwag: IT'S ALIVE! (EVIL LAUGHTER)

THUNDERCLAP! THUNDERCLAP!

Later we were helping Sweetie Belle clean up when suddenly…

ZOOM!

We felt something zoom passed us with incredible speed.

Me: What was that!?

Big Slammu: Flash, was that you?

Flash: No I was helping Lincoln with some of his homework. He needed to know the distance between Gotham Royal York and

Nairobi, Kenya.

Me: Oh.

We went into the kitchen and we saw all the piles of plates all cleaned, sparkling and stacked up neatly.

Me: Whoa!

Nico: Whoa!

We went over and saw the dishes so clean and sparkly.

Me: Wow! All these dishes are really clean.

Then we heard cluttering and in the living room we saw everything put back and organized perfectly and more and everything was all shiny too.

Me: HOLY!

Nico: Wow!

Me: What in the world is cleaning up everything this fast?

Lola: GUYS!

We went into Lola's room and we saw a GEISHA GIRL ROBOT! She was moving with such incredible speed and cleaning everything with amazing speed and skill that it made it look like time was slowing down!

Nico: WHOA!

Me: Wow!

Nico: What the fuck is that?!

Me: That is one FAST MOVING ROBOT!

I looked at it with my Data Eyes and saw that it was a robot that was built for taking care of chores and cleaning up and it looked like a Japanese Geisha Girl!

Me: Wow! That robot was built for doing chores. Whoever built it had remarkable and awesome skill.

Poliwag: Hey guys! Like my new robot I made?

Me: Whoa Poliwag you made this robot?

Poliwag: I sure did.

G1 Shrapnel: You built this?!

Lola: Poliwag that is amazing!

Poliwag: Yep. Say hello to the Ninja Chore Geisha 2000. She looks like a Ninja Geisha girl from Japan and she gets chores done with amazing speed and detail down to the last bit.

Me: That is so cool!

Nico: Poliwag that is amazing that you did this.

Poliwag: She is a completely flawless robot and will never go rogue ever.

Me: I remember seeing robots do that on TV. That was crazy. But this is awesome that you built her.

Lisa Loud: Wow! Poliwag that is a most impressively well built creation!

Dr. Light: I agree too. Poliwag you did an amazing job on that.

Poliwag: Thanks.

Horsea: I thought you were gonna build a robot clone of yourself.

Poliwag: Actually that was my backup plan. I thought of this one out of the blue.

We saw how fast it moved and it got all the chores done in less than five minutes!

Me: WOW! Poliwag that robot you made is awesome! It got all the chores done in 4 minutes and 32 seconds.

Lola: No kidding!

Nico: But YOU were supposed to do those chores.

Poliwag: I know but I didn't want to do them because it would take all day and with our missions to PokePark that we were doing it would take too long.

Me: He does have a point.

Eli: Yeah PokePark is in a lot of trouble right now.

Nico: That is true. But still Poliwag you need to learn some responsibility yourself and not let others do things for you.

Poliwag: I know.

Maria: This robot is still cool.

Me: It sure is. Well done to you Poliwag.

Poliwag: Thanks. I just call her with this remote control should the need come.

Poliwag handed the remote to Nico.

Nico: I'll use this only when necessary.

The robot was put in a special docking station for her.

Me: Wow! You sure thought of everything.

Poliwag: Yep.

?: That robot was well made.

We saw a Corviknight.

Me: Cool a Corviknight!

Qin: Awesome!

Brittney: This is another one of my favorite Pokemon.

Morpheus: Mine too.

Corviknight: (In a girls voice) I saw the robot move really fast and it was amazing.

Nico: Shayla Corvus! Wow!

She reverted back and was a girl with black hair and blue eyes and black clothes and had pitch black angel wings and had a sword of darkness in her hands and she had the kanji for Crow in the middle of her forehead.

Shayla Corvus: That was so awesome that you built that robot Poliwag.

Poliwag: It was and awesome to see you again Shayla!

Shayla Corvus: Same to you Poliwag.

G1 Bumblebee: What's your favorite memory of Nico?

Shayla Corvus: When me and Nico went and took down an evil cult of Satanists. They were called the Dark Order of Belial.

Brittney: Whoa! I've heard of them. They were a satanic cult who was made to bring the demon Belial to Earth and plunge it into 10,000 years of darkness and pain by killing all of humanity.

Nico: That was horrible!

Me: Yeah!

Shayla Corvus: Yep and we destroyed them all.

Lola: Wow!

Nico: Yep.

Nico and Shayla hugged.

Nico: I've missed you.

Shayla Corvus: Same here.

Pacifica: Does the robot have weapons?

Poliwag: Nope. Only built for just cleaning and housework. No programming.

Me: Wow!

Roll: That's in every way like how I am. That is awesome.

Me: It sure is Roll. But you are just as effective in combat like Mega Man is.

Roll: True.

Nico: Yeah.

Poliwag: Now to put her away

Me: You already did that.

Poliwag: Oh sorry.

Me: No worries.

The previous group came in.

Control Freak: Wow! The whole estate is spotless and sparkling clean.

Chillyfish: This has NEVER been this clean before.

Me: Long story on that guys.

Deadwood: Can me, Control Freak, Abomination, Chillyfish, Black Lance, Magma, Oculous, Stonedozer, New Wave and David Cain go with you guys?

Nico: Yes you all can come with us.

Qin: Awesome.

Lola: Yep.

Needlenose: Nico, which Gene Slammers do you think you'll meet next?

Nico: Sly Cooper would love this one. Thieval and Eldegoss next.

Qin: Cool!

Sly Cooper: That is another one of my favorite kinds of Pokemon, Thieval.

Qin: Right up your ally too.

Me: I hope the next rescue is in the Haunted Zone for that one.

Shaggy: HAUNTED ZONE!? ZOINKS!

Me: I knew that would scare you Shaggy. Sorry we were in PokePark for Nico's rescue the first time and there is a zone there for Ghost Pokemon. I mentioned that it would scare the pants off of you.

Shaggy: Like wow! That is amazing.

Me: It sure is and it has a scary haunted house there. Not the kind that Mystery Inc. Would like.

Lola: Yeah it was creepy.

Shaggy: It sure is. But We would not go there!

Nico: This time, no one's forcing you to go.

Me: Nope it's not your turn for a rescue.

Qin: Yeah.

Shaggy: Like thank goodness.

Me: Anyway Nico did we receive a call from Pikachu over in PokePark?

Nico: Pikachu 2 and the others are in the Crag Area. They just recruited a Tepig.

Me: Cool!

Qin: Then lets head over there.

Nico: You got that right.

Suddenly, Lincoln's deep sapphire eyes, his Crest of Miracles on his massive right pec, and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we're going to confront today: it was none other than Haxorus, the Axe Jaw Pokémon, and the Axe Jaw Pokemon is causing trouble in The Crag Area in the Power Zone. When we saw it, we knew it meant trouble.

Nico: Lincoln, what's wrong?

Lincoln: Nico, everyone, we've got trouble. I just had a vision and I saw who we're going to confront today: it's Haxorus, the Axe Jaw Pokémon, and the Axe Jaw Pokemon is causing trouble in The Crag Area in the Power Zone.

We gasped.

Me: No doubt sent by Gothorita.

Nico: We'll deal with her when June 6th arrives and take her down.

Lincoln: First, we got to take down Haxorus. But, it won't be easy, Haxorus is a Dragon Type Pokemon with fairy and ice abilities, but we'll be ready for it.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Maya Drusilla, one of the members of The Ghostrick Destroyers, and she's heading here to kill The Ghostrick Guardian Angels. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and we got news, Raven: as we guessed it, Maya Drusilla, one of The Ghostrick Destroyers is heading here to kill you all.

Rachel Truaigheaingeal: (Scottish Accent) Just as we expected, but we'll be ready for her, and she'll suffer the very same punishment back in the castle of The Michigan Supernatural Defense Force after we take care of Haxorus.

Crash Bandicoot: That blood-sucking fanatical religious zealot's already a dead vampire walking once she shows her ugly face.

Nico: You got that right. Alright, gang, let's go, we're heading to The Crag Zone and the Power Zone in PokePark to battle Haxorus.

Lincoln: We're so going to enjoy taking that Ax Jaw Pokemon down, and once we get done taking Haxorus down, you're next, Maya Drusilla.

Rachel Truaigheaingeal: (Scottish Accent) You better be ready to die, Maya Drusilla, because you deserve no such mercy from any of us for trying to kill us seven years ago, nor do you even deserve to live a single second further, you religious fanatic and zealous heretical demon, after we deal with Haxorus.

Lincoln put up a rainbow energy field around The World Tree Estate and we headed to The Crag Zone in the Power Area in PokePark to battle Haxorus, The Axe Jaw Chandelier Pokemon and once we got done with taking down Haxorus, Lincoln, Rachel Truaigheaingeal, and Crash Bandicoot are going to destroy Maya Drusilla of The Ghostrick Destroyers and make her pay for her crimes.

We were off to PokePark.

---

We arrived in the Crag Area and it was a mountain landscape zone.

Qin: Wow!

Abomination: This is the Crag Area? My kind of place!

Me: It sure is cool.

Lola: I'll say!

Camie: So awesome!

We then saw Pikachu 2 and Oshawatt.

Acid Storm: Hey, Pikachu!

Pikachu 2: You guys made it!

Nico: Like we would miss this.

Xenia: Same here. This is so fun.

Lola: Yeah.

Izzy Moonbow: This is so amazing!

Lola: Yeah it is.

Snivy: Don't forget me!

Me: Sorry. Awesome you're here too Snivy.

Qin: Yep.

Snivy: Thanks.

Diamond Tiara: You're welcome.

Lola: Yeah.

Tepig then came.

Magma: You must be Tepig. Awesome to meet a fellow Fire user!

Tepig: I sure am and same here. Awesome honor to meet the famous Team Loud Phoenix Storm.

Nico: Same to you Tepig.

Ember (2023): It sure is awesome to meet a fire user.

Qin: Yep.

Tepig: Thanks. We could use your help.

Me: Something is going down in the Power Zone in Wish Park.

Tepig: How did you know?

Me: Lincoln's vision saw it.

Tepig: First, we need to fight Hydreigon in the Colosseum.

Bitstream: You think he's in cahoots with Haxorus?

Tepig: Oh he is.

Nico: Hydreigon is going to be in the M.O.E. For sure.

Xenia: Yep.

Qin: This will be awesome.

Tepig: Who gets to fight him?

Me: Natalie Griffin the Nine-Headed Dragon gene-slammer.

Qin: That's perfect.

Lola: Yeah!

We arrived at the Colosseum and it was all snowy.

Nico: This is the Colosseum? It's all snowy.

Tepig: This is it.

Qin: Wow nice place.

Natalie Griffin: I'm looking forward to this one.

Xenia: Okay Hydreigon come and get us!

Emboar: Let the Battle Tournament commence!

Hydreigon appeared.

Hydreigon: So, you guys came, huh? I was supposed to fight Scraggy. Whatever. No one's a match for me.

Natalie Griffin: I assure you I am stronger than I look!

Emboar: Let the Battle begin!

Stonedozer: Let's do this shit!

Natalie Griffin: Top this!

She fired 9 powerful elemental energy blasts and they were of fire, water, earth, wind, lightning, darkness, light, wood and metal and they hit Hydreigon and blasted him down and knocked him out in one blast!

Qin: WHOA! That was powerful!

Me: Awesome job Natalie!

Lola: YEAH!

Everyone in the stadium was flabbergasted! Natalie defeated Hydreigon like he was nothing!

Scraggy then appeared.

Scraggy: Serves you right! Everyone, listen! I saw it with my own eyes! Hydreigon was taking Pokemon through a strange portal!

Me: That portal leads to Wish Park!

Hydreigon: I can't believe I got caught. I was planning to get Victini's Favour by winning the Battle Tournament. But instead, I'll have to get it with brute force!

Haxorus then jumped down!

Me: Haxorus!

Ren Krawler: So, you two are working together?!

Linehalt: We knew it!

Me: Yeah!

Hydreigon punched a wall, revealing a Postor Portal.

Me: There!

Haxorus: We were originally supposed to take Victini ourselves. But Gothitelle decided to do the job herself!

Girl Jordan: What for?!

Haxorus: (to Girl Jordan) She saw what that song of yours did. So now, she's upping her game!

Haxorus and Hydreigon went through the portal and it closed.

Hydreigon: We're not running away scared! In fact, we'll tell you how to open the portal. That way, you can bring the fight to me. I'll take you on anytime! You need to imagine power to open it. You'd better find a lot of really big friends to help you!

Me: Oh we are bigger than you think!

Nico: Lets do it.

David Cain: For the Crag Area, we have Bastiodon, Darumaka, Darmanitan, Scraggy, Croagunk, Bonsly, Dwebble, Crustle, Primeape, Ferroseed, Gible, Garchomp, Druddigon, Aipom, Breloom, Mandibuzz, Cubchoo, Beartic, Sawk, Throh, Boldore, Delibird, Geodude, Rhyperior, Swoobat, and Braviary.

Nico: Wow lots of good ones.

Qin: Yeah.

Lola: Lets call them in and help.

Nico: Right.

We did so.

Sid Arkale: Listen up. You heard Hydreigon.

Rubanoid: We need to think of power to open the portal.

Me: Lets go!

We concentrated and thought of ultimate power and more and then the portal opened!

Me: Yeah!

Qin: That did it!

We went through the Portal!

We arrived in the Power Zone.

New Wave: So this is the Power Zone?

Me: It's overflowing with intense energy.

Nico: Yeah.

Me: I was expecting it to be an electric zone for lightning Pokemon.

Camie: Same here.

Qin: Yeah.

G1 Venom: There they are!

Gothitelle was with them.

Gothitelle: Team Loud Phoenix Storm. We meet again.

Hydreigon: Gothitelle. You remember, right? You promised to make us stronger if we helped you out!

Gothitelle: That's right. So, you need to defeat Team Loud Phoenix

Storm for that as well.

Me: HA! Good luck with that!

Snivy: To get stronger? So that's why they're helping out the Wish Park crew then.

Tepig: Hydreigon and Haxorus might be strong. But they don't like doing the work that you need to become stronger.

Oshawatt: No way are we losing to Pokemon like that!

Gothitelle teleported away.

Haxorus: If you want to fight us, you have to play the Attraction Gothitelle put me in charge of.

Me: And what pray tell is that!?

Haxorus: Power Bash. You have to defeat as many Pokemon as you can while avoiding bombs.

Oculous: Tepig can do that!

Me: Hey all of us can do that.

Bart: Except Homer because he is an Ape-Faced Butt Monster Who Eats Booger Sandwiches and also sucks. (LAUGHS) (750th Episode of the Simpsons)

Homer: WHY YOU LITTLE!

Homer strangled Bart and Lily tased him.

Haxorus: Hey! Break it up! Geez, how can we fight you guys if you're fighting each other?

Spinister: You… actually have a good point.

Me: Oh don't mind Bart and Homer. Its been like that for them for over 34 years.

Haxorus: Oh right! The iconic Homer strangling Bart gag. Sorry.

Me: Lets get this party started!

Haxorus: That's the spirit!

Black Lance: Let's do this!

Haxorus sent NUMEROUS POKEMON!

Most of them were Primeape!

Ash punched a Primeape!

Ash: That's for punching me all over the place and stealing my hat!

Ash kicked a few of them!

I kicked a bunch of Machamp!

Flywheels: I thought you were over that, Ash!

Ash: Some things I still have pent up rage for.

Me: Ape, Time for some Bananaquat Craziness!

Ape: You got it J.D.!

I pulled out a Bananaquat!

Me: FIRE IN THE HOLE!

I pulled the stem and threw it and it hit a bunch of Pokemon and exploded and covered them all over in seeds and they grew NUMEROUS BANANAQUAT PLANTS!

Ape: BANANAQUATS!

Ape went at the Pokemon and bashed and pulverized them and ate bananaquats left and right!

Nico: OH YEAH!

Tepig: What's with Ape?

Chillyfish: You want the short version or the long one?

Tepig: Short.

Me: Ape goes cuckoo bonkers when he eats Bananaquat. Banana like fruits that grow once every 3 years.

Tepig: OH!

Me: We call it our secret weapon.

Tepig: Cool!

Me: Yep.

Nico: Watch this too.

Numerous MACHAMP CAME.

Nico pulled out a can of baked beans and popped it open and then he ate it and then pointed his butt at them and then…

SUPER MASSIVE LOUD FART!

THE TOXIC GAS FROM HIS LOUD FART KNOCKED THEM ALL OUT!

Poromon: I see bombs!

Me: I see them!

Eli: Time to return them to sender!

Eli used the Force and threw the bombs back and they hit the Pokemon and exploded all over.

KRABBBBBBBOOOOOOOOMMM!
KRABBBBBBBBOOOOOOOOOMMMM!
KRABBBBBBBOOOOOOOOOOMMMMM!

The Pokemon were all knocked down and out!

Nico: Clever!

Gothitelle: I HATE THAT TEAM LOUD PHOENIX STORM!

Our auras flared up from her hate!

Qin: Thanks for the Power Boost!

Chomp Chest: Can I have some bananaquats too?

I gave him some and he went at the Pokemon and chomped them all over.

Qin: Take that!

Girl Jordan blasted the Gothitelle with water and Leeli blasted it all over!

Xenia: Take that!

Girl Jordan: That was for insulting us you clod!

Haxorus: Ok. So you cleared my Attraction. But you have to get past the two of us if you want to ring the Wish Bell!

Control Freak: I know just what to summon for this!

Control Freak then summoned Thardus from Metroid Prime Remastered!

Nicole: Thardus from Metroid Prime Remastered! Good choice.

Control Freak: Thanks.

Then Living Laser, Grizzly, Gearhead, Trapster, Batroc, Shade, Abra Kadabra, Ragdoll, Swordsman, and Trumbipular appeared.

Nico: Living Laser, Grizzly, Gearhead, Trapster, Batroc, Shade, Abra Kadabra, Ragdoll, Swordsman, and Trumbipular.

Living Laser: The Battle Tournament of the Crag Area sounds promising.

Me: It sure does.

Grizzly: We'll worry about that some other time.

Me: Yeah.

Gearhead: Saving the Pokepark comes first!

Qin: Yep.

Trapster: (to Nico) We heard you went to the Lava Zone.

Nico: We sure did.

Batroc: How hot was it?

Me: Not Valmorg hot but it was still fun.

Robo Blaze came.

Me: Robo-Blaze? But you already had your turn.

Robo-Blaze: I know that. But it's my turn for the Ranger Battle.

Qin: That makes sense.

Robo Blaze: Also, on my way here, I couldn't help but see a Dark Vortex above the Pokepark.

William: That doesn't sound good.

Me: Uh oh.

Qin: Hmm.

We got the battles underway.

Megan McCallister, Shugesh, Karla Grim - Ezekiel Rage's Daughter, Sailor Mustafar, Sailor Mon Calamari, Gina Carmilla, Saber Riders, Twilight Sparkle, Starshine Sparkle, Magic Skylanders, Pacifica Northwest and Sissi Delmas VS Living Laser, Raizen, Doll (Growl/ Runark), Universe 666 Chernabog, Universe 666 Trigon-Powered Slade, and Universe 666 Arthas the Lich King - Nico's rescue in the

Living Laser was first.

Living Laser: (to Megan) Nico's rescue was in the Lava Zone. I bet he was sweating like crazy!

Megan McCallister: Yeah they all were! It was really hot there. Not Valmorg hot but hot enough.

Shugesh: There was lava, fire and all kinds of hot things and Bokrua and team loved it.

Karla Grim: They sure did and Nico and team got through it all greatly.

Sailor Mustafar: They sure did and that was so fun.

Sailor Mon Calamari: It sure was and Lynn and Lola had an awesome time too with the attractions there.

Gina Carmilla: They sure did. Lynn especially because she was punching boulders from a boulder toss.

Touma: That was so cool seeing that happen.

Olivia Houou: It sure was!

Twilight Sparkle: Rainbow Dash said that was really awesome.

Starshine Sparkle: It sure was!

Spyro: But they won easily.

Living Laser: Wow! That was awesome! Lets do it!

Megan McCallister: ACTIVATE BEAST POWER!

She turned into a black ranger for the Screech Owl!

Megan McCallister: UNLEASH THE BEAST!

Megan summoned her keyblade and it was for the stars! It was called THE STARS OF CANDRAKAR! They fired waves of stars and magic and smashed them down.

Iron Man, Korra, Stella Copernicus, Infectious Lass, Selena Shub-Niggurath, Sailor Dwarf Woodlands, Megaforce Rangers, Rarity, Sweetie Belle, Water Skylanders, Komba O Charlie and Needlenose VS Grizzly, Grizzaka, Y2K Bug, Lord Peel, Manfish, and Sir Pantsalot of Dropseat Manor - Us battling Another Another Flam-O-Burgers, Big Food, Meaches, Reuben, Glumburger Cheese, Foof N' Scoops, Stinky Cheese (Chowder), Mr. Fibb & Mr. Wink and Patty & Selma.

---

Grizzly was next.

Grizzly: (to Iron Man) Nico, Mandee's team, Patty and Selma's team, and the others did good battling Another Another Flam-O-Burgers, Big Food, Meaches, Reuben, and Glumburger Cheese. And Another Foof N' Scoops, Stinky Cheese (Chowder), Mr. Fibb & Mr. Wink and Patty & Selma.

Iron Man: Boy they sure did and that was so fun. But we honestly did not expect the Another Patty & Selma to be a hater of Homer because he was an idiot.

Korra: Yeah she hated everything that Homer did and she didn't realize that it was all because of his father.

Stella Copernicus: That was crazy. But Homer had no hand in the corruption of Springfield. Also we were amazed to hear that the other Anothers were all a gene-slammer for a girl that was slammed inadvertently with all the kinds of food in the world.

Grizzly: What!? How in the world did that happen!?

Selena Shub-Niggurath: Leni was playing around with Lisa's Food Transmogrification ray and she ended up getting Fiona Foodon slammed with all the food in the world. She turned her essentially into a walking all you can eat buffet. She had to go on a trip around the world and learn how to master her powers from all sorts of places and masters.

Sailor Dwarf Woodlands: That is really amazing.

Troy Burrows: Albeit an accident it was still really awesome to see!

Rarity: It sure was darlings and Nico is loving her because of the awesome food she makes.

Sweetie Belle: No kidding! She made a bowl of Buffalo Chicken Spaghetti for me for lunch and man was it delicious.

Gill Grunt: That is an awesome angel of food for Lincoln.

Grizzly: Boy that is amazing! And she would make an awesome helper over at Lynn's Table and all kinds of great restaurants. Lets do it!

Iron Man: ACTIVATE BEAST POWER!

He turned into a brown ranger for the Kodiak Bear!

Iron Man: UNLEASH THE BEAST!

He summoned his Keyblade for Iron Man! It was called THE IRON AVENGER! They fired waves of water, ice, jewels and energy and smashed them down.

---

Batroc the Leaper was next.

Batroc: (to Captain America) I heard Lincoln's rescue was in the palace ruins of Shang Tsung. How was it?

Captain America: It was really awesome and we were there to destroy what was left of Shang Tsung's evil forces. We destroyed the Black Dragon Clan and made them a forgotten memory.

Hannah Montgomery: Yeah that was so awesome and cool.

Gaku Hoshikawa: It sure was and we all were amazed by that.

Terramar: Those cretins had it coming.

Sailor Io: That was so fun and awesome.

Queen Serenity: It sure was amazing.

Dante Vale: It sure was and everyone had fun on that one.

Sophie Casterwill: (British Accent) It was a really amazing adventure.

Zhalia Moon: That is for sure.

Sunset Shimmer: That was still a really fun adventure.

Pipsqueak: (British Accent) It sure was. We heard about what happened and J.D. really clobbered Shang Tsung years ago.

Sunburn: That was an amazing adventure. J.D. brutally overpowered him and his followers. They were no match for him.

Batroc: WOW! That is awesome! Lets do it!

Captain America: WILD ACCESS!

He turned into the Red, White and Blue Ranger for the American Bald Eagle! The Mascot and Symbol of the United States 🇺🇸

Captain America then summoned his Keyblade and it was for Captain America. It was called THE FIRST AVENGER!

They fired waves of fire and Red, White and Blue energy and

smashed them down.

Rocket Raccoon, Jasmine, Gloria Andrukhovych, Super Android 18, Maria Cranberry the Cyclone Dopant, Reika the Heat Dopant, Guardians of the Galaxy, Ninjago, Fluttershy, Tornado Bolt, Seabreeze, Life Skylanders, Bludgeon and Bitstream VS Trapster, Yost X 23, Yost Graviton, Ferocious Fins, Grim Reaper, and Bruiser Unversed - Meeting Gina Gawain

---

Trapster was next.

Trapster: (to Rocket) I heard you guys met Gina Gawain. What's she like?

Rocket: You would like her. She is the descendent of Gawain of Camelot, one of the skilled Knights of the Round Table and nephew of King Arthur in the legends.

Trapter: WOW! That is amazing!

Jasmine: And she is a powerful and skilled Swordsman and we all were excited to learn more about her.

Gloria Andrukhovych: We sure were and she is amazing at what she does.

Super Android 18: She sure is awesome.

Maria Cranberry: I agree there and her story is cool too.

Reika the Heat Dopant: Yeah it sure is.

---

Nico: Yep. So, Gina, what other memories did you have with Lincoln?

Gina Gawain: Oh man, I was hoping you'd ask that. Well, there was this one time, Lincoln and I went to Lake Michigan with the rest of

The Royal Woods Knights of The Michigan Table for a time of rest and relaxation along with doing some more training and working out. But, then, we heard the sound of bellowing in the air, and we saw who it was: it was Hawk and Hank, the Hazeltucky Hockers and two of the enemies of The Royal Woods Knights of The Michigan Table, and those dumb gorillas were out to kill us again, but Lincoln and I flew at those jackasses and we beat them down and tied them up with chains of light. Then, Lincoln fired a ball of ice at Hawk and Hank and froze them in a block of ice, and then, Varie showed up with police vans, and the men loaded those frozen gorillas and they took them back to jail, and after they were unfrozen, they threw them back in prison.

Me: Those buttfaces got what they deserved for what they did.

Nico: Yeah, and their evil misdeeds got them the ultimate punishment along with Abby Sanchez and Ophelia Shroud.

Lincoln: Getting thrown in The Black Gates for all the trouble they each have caused us.

Lori: Abby Sanchez was a heartless homicidal monster who literally wanted Luan to suffer forever and Ophelia Shroud was a monster who wanted to take Dad's recipes and the secret of Lisa's inventions so she can take over the world, and Hawk and Hank were flat-out monsters.

Lincoln: Those good-for-nothing morons got what they deserved and they've done enough damage to us and to all of Royal Woods to last an eternity.

FLASHBACK ENDS

Trapster: Boy those jerkwads practically were trouble incarnate!

Star Lord: Yeah they sure were but they got what they deserved.

Gamora: Boy that is for sure.

Drax: I agree there myself.

Groot: I am Groot!

Mantis: No kidding and lie on that one.

Kai (Ninjago): No kidding there.

Fluttershy: Yes I agree too on that one.

Tornado Bolt: I think it's so awesome that those jerkwads got what was coming to them.

Seabreeze: (Swedish Accent) Oh ja ja they sure did.

Stealth Elf: I agree there myself.

Trapster: Me too. Lets do it!

Rocket Raccoon: ACTIVATE BEAST POWER!

He turned human and then turned into the Black and Grey ranger for the Raccoon.

Rocket Raccoon: UNLEASH THE BEAST!

Trapster: WOW! A Raccoon ranger! But isn't that…

Rocket Raccoon: A little redundant being a Raccoon myself? Yeah it is but I'm cool with it.

He summoned his Keyblade and it was for the Guardians of the Galaxy! It was called THE RACCOON TRIGGERMASTER! They fired waves of energy, leaves, grass, flowers, fruit and vegetables and smashed them down.

---

Ragdoll was next.

Ragdoll: (to War Machine) Nico went back to Space Junk Galaxy to face Tarantox. Did he use a spider web?

War Machine: They sure did and they bashed that spider all over.

Thumbelina: It was really awesome.

Shirou Gou: You're not kidding there.

Rachel Truaigheaingeal: (Scottish Accent)(Growls) I should've known there was no mistaking that voice from anywhere. Get out here right now, Maya Drusilla, before things get really ugly!

A girl with black hair, red hairband, red eyes, and dressed in a black coat, white bridal gloves, white shirt, necklace with red gem pendant, black pants, and black knee-high boots with butterfly buckles came out, and it was none other than Maya Drusilla, religious zealot and fanatical so-called vampire hunter of The Ghostrick Destroyers who was exposed as a murderous demon and heretic, and one of the twenty-two human-despising vampires from Transylvania.

Rachel Truaigheaingeal: (Scottish Accent) Maya Drusilla, I should've known you'd show up here! Lincoln warned you all to never to show your faces again after he kicked you all out of Royal Woods seven years ago.

Maya Drusilla: We will never stop, all of you shall be destroyed in the name of God!

Me: You really are a delusional religious fanatic!

Nico: And an infinite-times fucked up one for that matter!

Lincoln: I did say they were absolutely insane and driven only by religious delusions, and for that, I blame their parents for that one. But, the jig's up, Maya, Ophelia already exposed her true self, and that's being one of the twenty-two human-despising vampires from Transylvania.

Rachel Truaigheaingeal: (Scottish Accent) Indeed, and it's high-time we bring this delusional vampire down for good.

Suddenly, Rachel Truaigheaingeal's pink eyes turned neon pink and she was surrounded by a black and pink energy aura with stars, darkness, light, shadows, succubi, and angels, she unholstered her massive Ghostrick Socuteboss' Scottish Succubus Darkness Archangel Greatsword of Seductive Scottish Darkness Succubus Angel Justice from her back, and as she approached Maya Drusilla, she left black and pink energy, stars, darkness, light, shadows, succubi, and angels with every step.

Rachel Truaigheaingeal: (Scottish Accent) I can already see that time hasn't changed you, you're still the same religious fanatic and zealous so-called vampire hunter who was exposed as a murderous demon and heretic seven years ago along with being one of the twenty-two human-despising vampires from Transylvania. We thought we wouldn't have to deal with you ever again after Lincoln chased you all out of Royal Woods, but as always, you refused to learn your lesson, and you had the nerve to come back after you were explicitly warned. You now have nowhere to run to, Maya Drusilla, and now, you shall pay the price for your misdeeds with your own blood.

Suddenly, Rachel Truaigheaingeal as surrounded by a massive vortex of black and pink energy with stars, light, darkness, and shadows surrounding the vortex, there are succubi, angels, and Ghostrick Socuteboss flying around the vortex, and in the vortex is a red phoenix with blood red eyes glaring at Maya Drusilla: the red eyes of eternal death. Then, as the vortex faded, Rachel Truaigheaingeal emerged, but she was changed forever.

Maya Drusilla: You… YOU! (Red Eyes turning Blood Red with slit pupils and vampire fangs grew) I WILL KILL YOU!

Maya Drusilla's vampiric nature came out, and now, she was out for blood. Maya Drusilla ran at Lincoln, Rachel Truaigheaingeal, Ursula Truaigheaingeal, and Crash Bandicoot, and she tried to attack them, but they dodge her attacks, and then, Lincoln drove his massive greatsword into Maya Drusilla's stomach, and he began sucking out her vast dark powers, immense strength, and vampiric abilities, and he made them his own. Then, he removed his massive greatsword from her stomach.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United

Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, for the grand finale. VAMPIRIC BLOOD LIFE ENERGY DRAIN!

Suddenly, all the gems embedded in the 7'6" massive, wide, double-edged golden blade of his Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds suddenly began glowing green, and then, Lincoln began draining Maya Drusilla of all her life energy and blood, and when he was done and he removed his massive greatsword from her stomach, Maya Drusilla was now a desiccated corpse drained of her vampiric powers, blood, and life energy, and as soon as her soul appeared, Lincoln fired a blast of energy from his massive greatsword and had her imprisoned inside an energy card. We cheered wildly for what Rachel Truaigheaingeal, Ursula Truaigheaingeal, Lincoln, and Crash Bandicoot did as they holstered their weapons and powered down, and Rachel Truaigheaingeal's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long pink wolf tails, and massive black angel wings and bat wings are permanent.

Rachel Truaigheaingeal: (Scottish Accent) That's one down and eleven of these monsters to go, and we're now pissing them off greatly. Thank you for helping us get rid of that religious fanatic and zealous heretical vampire, Linky, you too, Crash and Ursula.

Lincoln: (Smiles Warmly) You're welcome, Rachel.

Crash Bandicoot: She did need to pay for what she did, and I'm always happy to help.

Ursula Truaigheaingeal: (Scottish Accent) Same here, little sis.

Crash Bandicoot and Ursula Truaigheaingeal went back to us, and suddenly, Rachel Truaigheaingeal wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Rachel Truaigheaingeal's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Ghostrick Socuteboss flying in the air, and we saw a herd of Buffalo and many animals running across the field as and the sound of Celtic Music played behind them and we cheered wildly. Then, Lincoln and Rachel Truaigheaingeal absorbed the elemental forces and they came back to us as the display vanished.

Nico: Whoa, oh man, now that's what I call an awesome fight of succubi angels against a demonic and dangerous vampire, Lincoln, Rachel, Ursula, Crash, you showed that showed that vampire no mercy whatsoever, and sent her to her death.

Lincoln: She didn't deserve any mercy, I warned them never to show their faces again, but those fools never learn.

Me: And you used your Vampiric Life Drain on her, awesome!

Lincoln sent the soul of Maya Drusilla in a cage and he put the curse on her that gave her back her life energy, but once that happened, suction tubes came out and were attached onto her, and then, the suction tubes activated, and Maya Drusilla's life energy was being sucked out of her again: she was condemned to that punishment until all of The Ghostrick Destroyers are killed, and it flowed into Lincoln and The Michigan Supernatural Defense Force as they gained a massive power boost.

Nico: (Snickers) That Room of Tortured Souls is definitely a top-notch prison for some of Michigan's most dangerous thugs and criminals.

Lincoln: And the curse I put on them has continued to work for seven years, that way, they can suffer for all eternity of regaining their life energy only to have it drained out of them again and flowing into us. But, if any of them get a little out of hand, I put in a counter curse, should any of them get a little out of hand or try to escape, the counter curse will activate and the life energy they regain from the curse will not only be drained out of them forever, but they'll be sent to The Black Gates forever with help from our stone gargoyles and stone vampire bats perched outside the castle.

Ravenna Amaranth: And Lincoln also put up a new curse: once all the members of The Ghostrick Destroyers are destroyed and sent to The Prison of Tortured Souls and all their life energy has been drained, they will be sent to The Black Gates forever.

Me: Cool!

Nico: So, you'll keep them imprisoned inside the castle's prison until that day comes, nice one. So, Lincoln, which Noble Knight Gene-Slammer are you meeting tomorrow?

Lincoln: Ooh, I've got just the one: we'll be meeting the Gene-Slammer of Noble Knight Gwalchavad.

Melanie Artorgius: (Gasps) Awesome, and there's only one person who'd be Gene-Slammed into Noble Knight Gwalchavad, Gabrielle Galahad, and you guys will love meeting her, Gabrielle Galahad is Lincoln's Guardian Angel from Michigan and she's a very powerful wielder of magic and a very powerful swordswoman, and a member of The Royal Woods Knights of The Michigan Table. She trained Lincoln both in the art of swordsmanship and in magic, and he became a very powerful swordsman and master of magic, and she also taught him much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those he loves and holds dear to his heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Gabrielle Galahad is also a direct descendant of Galahad of Camelot.

We gasped.

Me: Galahad, one of the skilled Knights of the Round Table and known for his gallantry and purity as the most perfect of all knights in the legends.

Katara Chevalierflamboyant: (French Accent) That's right, plus, Lincoln made her a purple coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Gabrielle Galahad hates that unibrow bully pest, Becky Blickensderfer, with a very blazing passion. One day, Gabrielle and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Becky Blickensderfer, and she'd brought with her an army of thugs she hired. Gabrielle Galahad and Lincoln went out there along with the rest of us, and she'd slain them with her greatsword. It drove Becky Blickensderfer into a blood-crazed fury, but before she could try to run us over, Lincoln and Gabrielle fired chains of light magic which bound Becky Blickensderfer and tied her up.

Nico: Did he call his family and his sisters for this?

Lincoln: Not this time, I called Ronnie Anne and her family, and when we told them of what that pest tried to do to us, they were furious.

Me: Should've known that pest would do something like this.

Lincoln: I know, I was surprised that pest tried to kill me, but because of her many attempts to hurt Ronnie Anne and her friends, now she really crossed a huge line, but in the end, her plan failed, and we sent her flying back to Great Lakes City with a nasty punch we gave her, and to make sure that she didn't try to get revenge on us, Gabrielle and I casted a spell to prevent her from trying to come back to Royal Woods to hurt us.

Me: Yeah, messing with the descendant of Galahad of Camelot and one of the members of The Royal Woods Knights of The Michigan Table will have disastrous consequences.

Nico: That pest really hated that her greatest "plan" was foiled once again, and she got into even more serious trouble.

Lincoln: She seriously didn't even know when to quit, but her plan also earned her the vengeance of my family. And now, for tomorrow, we're going to face off against Scarlett Dragomir.

Ellie Elsher: Yes, which means you and I will be facing her, Linky.

Crash Bandicoot: And I'll be joining in as well.

Ravenna Amaranth: That's right.

?: Impressive.

We turned and gasped. There was a Darkrai there!

Me: Darkrai!

Nico: Darkrai! You're the boss of Wish Park?!

Darkrai: Very spirited. I can feel the power of your strong will. How about it? Would you like to join us? We will gather all of the Pokemon and create a perfect and eternal world.

Nico thought hard about his answer.

Nico: Darkrai, I know that you're doing all this just because you're lonely. And for that, I'm sorry. But making Pokemon stay here against their will isn't the answer. It's not too late though. Stop all this and we'll gladly be your friends.

Darkrai: An offer to counter my own. Tempting. But I can't stop my plans now. You may have the Crag Area Pokemon. However, an exchange must be made.

Darkrai revealed a captured Piplup.

Pikachu 2: Piplup!

Darkrai: Do not worry. He is unharmed. But to win him back, you must find your way to Wish Palace after clearing the final Zone.

Nico: We WILL do that. But my offer still stands.

Darkrai: As does mine. So, we're at a stalemate.

Darkrai then teleported away with Piplup.

Nico: All according to plan.

Me: So Darkrai is behind this. This isn't the Darkrai we know from when we battled Dialga and Palkia.

Nico: No this is different. But my plan is to stop Darkrai at Wish Palace. And Piplup is going to lead us to him.

Me: Very crafty.

Victini: Thanks for saving me!

Shade: But Darkrai has Piplup now.

Abra Kadabra: At least Piplup can't be brainwashed now.

Ragdoll: (sees Nico thinking) You okay, Nico?

Nico: I just can't help but feel bad for how lonely Darkrai is.

Me: I feel the same way for him.

Swordsman: Hey, I don't blame you. That's the reason why he's doing this.

Me: Yeah he just wants friends.

Trumbipular: (to Girl Jordan and Leeli) I know they threatened you two and all. But even you girls must feel sorry for Gothitelle, Gothorita, and Gothitelle. They're pretty much the only friends Darkrai has.

Girl Jordan: Yeah we feel the same way.

Leeli: But we'll find a way to help them.

Lola: We all will.

Nico: Yeah. For now lets head home. Great job today everyone!

Sunset Shimmer: (To the viewers) This was an awesome and fun adventure. Home you liked it.

Me: We all did.

We went back home and enjoyed the rest of the day and went to sleep.

Me: Boy this place gives me the creeps.

Qin: Me too.

Lola: Yeah. Scary.

Lucy: I like it. I think it's perfect for me and the Goths of Darkness.

Brittney: I was just about to say the same thing.

Camie: This place is a Ghost Pokemon haven.

Skyla: It sure is.

Eli: Too bad Danny Phantom isn't with us for this one.

Me: Yeah he would love it.

Varie: He sure would.

Skyla: Yeah.

Nico: Skyla, I want to thank you, Angel, and your teams for coming today.

Skyla: Anytime Nico. This will be so fun.

Rinka: It sure will.

Nico: Rinka, what do you like to do in your free time?

Rinka: I teach dance classes. I like dancing and think it's so awesome and graceful.

Laney: That is so awesome and cool.

Lola: It sure is.

Nico: That is an awesome idea to spend free time.

Lola: I agree.

Camie: Yeah.

Rinka: Dancing makes me feel free.

Poromon: We like to dance too.

Rinka: I know. It's so awesome.

Lola: It sure is.

Camie: Yeah. It sure is fun.

Qin: Dancing is always cool.

Fluttershy: It sure is great to dance.

Lola: I agree.

Nico: Yeah. Boy yesterday in the Power Zone was brutal.

Me: It sure was. But now we know who is behind all this. It's the legendary Darkrai.

Eli: Yeah no kidding.

Charmander: And you're saying Piplup is in his clutches?!

Me: I'm afraid so.

Nico: Yeah but it's part of my plan. We're going to have Piplup lead us to Darkrai.

Xenia: Yeah.

May: Nico told us and it will be perfect.

Chikorita: There's also that Dark Vortex that's above the Pokepark.

Me: It's a space-time rift. It's the result of Darkrai using those portals. It's going to destroy both PokePark and Wish Park.

They gasped!

Nico: Are you sure?

Me: Yes I am positive. I did an analysis on it and it's like a black hole.

Nico: Not good

Maria: It's not big enough to destroy Pokepark and Wish Park yet. But we'll find a way to stop it.

Me: I do have an idea but it's in the development stages. If we can fire a tachyon laser into that vortex we can stop the Schwarzschild Radius of the vortex and close it.

Nico: That just might work.

Me: Yeah. But one thing is for sure. We got to destroy all those portals.

Xenia: I agree.

Nico: I agree there. They are ripping holes into the fabric of time and space and causing an imbalance and we got to stop it.

Pikachu 2: Me, Oshawatt, Snivy, and Tepig will go to the Tech Area to see if we can find an alternative solution.

Me: Okay.

Lisa Loud: And I'll get the laser developed and ready to fire.

Nico: Okay. But first the rescue.

Qin: Oksy.

We arrived at the haunted house.

Me: Boy looks like this house hasn't been used in years.

Xenia: Yeah.

Brittney: I love a good haunted house.

Nico: There are 3 Attractions here. One is outside. Two are inside the house.

Me: Lets find out what they are.

Pikachu 2: You will like them.

Me: Brittney, Lucy and Haiku will do them.

Lola: Yeah.

Pikachu 2: The Attraction outside is Tangrowth's Swing-Along.

Laney: I'll do that one.

Nico: Okay.

Pikachu 2: You'll like that one Laney. Follow me.

We went and found Tangrowth.

Tangrowth: Team Loud Phoenix Storm welcome.

Qin: Awesome to meet you Tangrowth.

Tangrowth: All you have to do is swing with the vines and cross the finish line at a specific time.

Me: Like swinging on vines in the jungle.

Tangrowth: That's right.

Lola: Yep.

Laney: That will be easy. Here we go.

Laney got ready.

Pikachu 2: How about I go as well?

Laney: Sure.

Tangrowth: Okay.

They got ready.

Nico: Here we go.

Tangrowth: GO!

Laney swung fast and got to the finish line in 3.2 seconds!

Me: WHOA! That was fast!

Qin: WOW!

Laney: WOOHOO!

Pikachu 2 swung… but crashed into a Honchcrow!

CRASH!

Me: OOOH! Ouch!

Poromon: No kidding.

LANEY WINS!

Honchcrow: It's okay. Probably should've watched where I was flying.

Pikachu 2: No worries.

Laney: That was so fun!

Qin: It sure was.

Lola: Yeah!

Laney: That was cool though!

Nico: It sure was.

Pikachu 2: Alright. Let's go inside. Try not to freak out.

Me: Don't worry. We faced ghosts and monsters many times before.

Xenia: We sure have.

We went up to the door and it opened and we went in and it was an old run down house.

Me: Hello?

Eli: Anyone home?

We saw that it was an old place.

Me: Wow looks like no one has been in here for years.

Xenia: Yeah.

Lucy Loud: I'll do that one.

Me: Go for it.

We went and found Dusknoir.

Dusknoir: Team Loud Phoenix Storm. Welcome.

Lola: Awesome to be here.

Lucy Loud: This will be fun.

Dusknoir: All you have to do is cross the finish line in a specific amount of time.

We saw that she had to plow through walls too.

Lucy Loud: This will be easy.

Qin: It sure will.

Lola: Yep.

Dusknoir: I hope you're ready.

Lucy: I am.

Qin: This is gonna be good.

GO!

Lucy ran fast and then plowed through numerous walls and got to the finish line in 10 seconds!

Nico: Way to go Lucy!

Me: YEAH!

Lucy: Thanks guys.

LUCY WINS!

Me: Awesome Lucy!

Pikachu 2: The basement is where we'll find Rotom.

Me: Lets go.

We went down to the basement.

Xenia: Creepy.

Lola: Oh boy.

Nico: Hello?

We looked around.

Me: Anyone here?

We then saw a figure and it was Rotom!

Qin: Rotom!

Rotom: Welcome, Team Loud Phoenix Storm!

Me: Glad to be here Rotom.

Qin: Awesome place.

Rotom: Thanks.

Lincoln: Whatever Attraction you have, I'll play it

Rotom: Excellent!

Qin: Go for it Lincoln!

Me: Yeah!

Rotom: For my Spooky Shoot-'em-Up, you have to shoot at several Ghost Pokemon to gain points

Lincoln: That's perfect! I'm Going GHOST!

He turned into LINCOLN PHANTOM!

Nico: OH YEAH!

Lincoln: Lets do it!

Rotom: That's the spirit!

The challenge got underway.

Pikachu 2: Don't forget your electric powers!

Lincoln: Don't worry. I won't.

GO!

Lincoln fired ecto rays and lightning blasts at the Ghost Pokemon that appeared left and right and blasted them all over with great accuracy.

Xenia: YEAH!

Qin: GO LINCOLN!

Anna Anyanova: OH YEAH!

Lincoln fired blasts and REALLY Raked in the points. When it was done Lincoln got a score of 502,300 points!

LINCOLN WINS!

Xenia: YEAH!

Camie: YEAH! Nice one Lincoln!

Nico: Eli, sense for Swartz's creations.

Eli: Already did and we have interesting ones. We have Another Ghost Vultures, Guys In White, The Extreme Ghostbreakers, Masters Blasters and The Groovy Gang and Scaredy Cat, Angel (Fairy Tail) and Angel (Teen Titans)

We gasped!

Qin: Whoa! 4 Ghost Hunting Groups, Ghosts and 2 Angels.

Nico: Sounds confusing for the last 2.

Angel (Teen Titans): I know.

Maria: Who do we call in for the first five?

Me: Shayla Corvus, Riley Viola, Rachel Gothika, Zhalia Xemnas and Adrienne Camazotz.

Nico: All masters of Darkness. I like that. Fitting too.

Me: Yep. Guys in White are like Men in Black, The Extreme Ghostbreakers are like Ghostbusters, And the Groovy Gang and Scaredy Cat are like Scooby Doo and Mystery Inc.

Nico: That is crazy. And Masters Blasters from what I heard were made by Vlad Masters years ago during the Disasteroid fiasco.

Eli: Yep.

Nico: Yep. Also I'm amazed the M.O.E. Recruited the Guys in White. Years ago we took them down and got them arrested.

Me: Yeah we sure did. After they captured the ghost of one of the presidents.

Lola: Yeah.

Nico: That was awesome though.

Then in swirls of darkness came Shayla Corvus, Riley Viola, Rachel Gothika, Zhalia Xemnas and Adrienne Camazotz.

Rachel Gothika: Hey, guys!

Nico: You guys made it.

Me: Yeah.

Eli: Also I sense that All of the ANOTHERS minus Angel (Fairy Tail) Are one person!

We gasped!

Me: This will be interesting.

Qin: Yeah!

Lola: It sure will.

Eli: And they are both Lincoln's Guardian Angels.

Me: Whoa!

Qin: This will be interesting.

Nico: There they are!

Out came Another Ghost Vultures, Guys In White, The Extreme Ghostbreakers, Masters Blasters and The Groovy Gang and Scaredy Cat, and Angel (Fairy Tail).

Nico: WHOA!

Qin: This is gonna be good.

Me: It'll be just like old times.

Another Ghost Vulture: (In a girls voice) Except different.

Lincoln: Wait that voice!

They merged and reverted back and it was a girl with pitch black hair, pitch black clothes and blue eyes and had black angel wings and a sword of darkness and she had the kanji for darkness in the middle of her forehead.

Lincoln: Ashley Zeras! So the Zeras Twins are the Anothers.

Ashley Zeras: That's right. Me and my sister Allie are the Twins of Archlord Zeratos. I am the gene-slammer of Darklord Zeratos.

Nico: Whoa!

Lincoln: I haven't seen you both since you were 17.

Ashley Zeras: I know. It has been a while.

Lincoln: The Zeras Twins have protected me from Killjoy Huggins. He made Laney's life a nightmare and destroyed her book club, her art club and even destroyed Lana's handyman club.

We gasped!

Applejack: Why that low-down no good varmint!

Qin: Yeah!

Me: Damn Chase Young!

Lola: Yeah!

Ashley Zeras: I heard abut Chase Young doing all that. What a jerk.

Lola: No kidding.

Me: Yeah. Is the Another Angel of Teen Titans friendly or hostile?

Ashley Zeras: Friendly and it's my sister Allie as I'm sure you guessed.

Me: Yeah Lincoln gave the hint away.

Nico: Yeah.

Me: But it's cool.

Nico: Sorry we have to do this.

Girl Jordan: But first lets separate you from the Anothers.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies outside had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

She glowed and was separated from all the Anothers.

Then the girls blasted the Anothers and I caught the Wonder Ride Books.

Qin: Take that!

Xenia: Yeah!

Me: Another Angel of Teen Titans is next.

Lola: Yep.

Me: Lets head outside next.

We went outside.

Nico: I see something. Up in the sky!

We saw a figure and it was a dark version of Angel! It was ANOTHER ANGEL (Teen Titans)!

Me: Whoa! Another Angel!

Angel (Teen Titans): Boy this is awesome.

Lola: Yeah!

She landed.

Lincoln: Allie Zeras?

Another Angel: That's right Lincoln. Awesome to see you again.

She reverted back and was a girl with golden yellow hair, blue eyes and haad the kanji for light in the middle of her forehead and she had yellow angel wings and yellow and green clothes and had a sword of light.

Lincoln: Awesome to see you again Allie.

Allie Zeras: Same here.

Me: If I had to guess you are the gene-slammer of Archlord Zeratos.

Allie Zeras: That's right.

Ashley Zeras: I told them sis.

Me: Wow! The Zeratos Twins of Light and Darkness. That is cool.

Nico: It sure is.

Kaito: (Gets out Zyuranger Gear) Did Swartz promise you anything?

Zocks: (Gets out Jetman gear) Because we can grant it instead.

Kaito got a Mighty Morphin Sword and Zocks got a Jet Sword.

Allie Zeras: Actually no he didn't. He knew that me and Ashley had intense power as Lincoln's guardian angels and that we can tear him apart with ease.

Me: Even Swartz was terrified of the Divine Power of Lincoln's Guardian Angels.

Xenia: Yeah they are a true force to be reckoned with.

Anna Anyanova: Yeah we do have a tremendously strong level of power.

Allie Zeras: That is for sure.

Maria: First, backup! (TURNS DIAL) SMOKING FURY 6!

She summoned Patty & Selma, Mr. Fibb & Mr. Wink, Katherine, Ol Faceful, Lehvak and the Elemental Farting Bandits

Nico: OH YEAH!

Patty: This is gonna be awesome!

Lola: Yeah!

Me: Light you Patty & Selma?

Selma: Oh sure.

They got out cigarettes and I flicked my finger and formed a flame on my thumb and they lit their cigarettes and puffed them.

Allie Zera: This will be fun!

She turned into Another Teen Titans Angel.

Sougo: (gets out Mighty Morphin Gear) How do you like the Haunted Zone?

Geiz: (gets out Jetman gear) Is it too spooky for you?

Sougo got TyrannoMightyMorphinArmor while Geiz got RedHawkArmor

Another Angel: I have never been too fond of haunted houses like my sister has.

Me: I see.

Nico: Lets spread our wings! (ACTIVATES BOTH ANGEL'S RIDEWATCHES)

He grew white angel wings and fired waves of energy and blasted her down.

May: Time for some alien and dragon power! (ACTIVATES KEVIN 11 AND SCREAMING DEATH'S RIDEWATCHES)

She fired waves of energy and fire and smashed her down.

Maria: Time for some flaming love! (ACTIVATES CONTEMPTRA AND BLAZING SKULL'S RIDEWATCHES)

She fired waves of fire and hearts and smashed her down.

Rinka: Feel the wings of power! (ACTIVATES ANGEL (FAIRY TAIL'S RIDEWATCH)

She spread wings and fired waves of light from them.

Then Carly's team consisting of Bui, The Dino Patrol and King Rextopher, Dark Voltaik, J.P. Cubish and Gillmarda came!

Nico: Your team is awesome Carly.

Carly Atlas: Thanks! This will be fun.

Lola: It sure will.

Nico: Oh yeah!

Carly Atlas: I know. It's confusing that the Angels in our ranks have the same name

Angel (Teen Titans): Yeah it sure is. But my real name is Angel Lopez.

Angel (Fairy Tail): And my real name is actually Sorano.

Nico: That does make sense.

Qin: Yeah.

Then a figure swooped in and swiped something from Another Angel.

We saw that it was a Thievul!

Me: Cool! A Thievul!

Nico: Whoa!

Thievul: (In a girls voice) I actually like being a Thievul and it makes me swift and fast.

Nico: Remmie Rogan! Whoa!

Qin: Cool!

She reverted back and was a girl with black hair and had brown eyes and had dark brown clothes and had brown angel wings and had a brown scythe in her hands.

Remmie Rogan: Looks like my fun is about to be really good. Good to see you again Nico and you too Qin. I got this for my friend Lori.

She held up a jeweled Sheikh Cell Phone from Dubai Worth Thousands.

Remmie Rogan: And yes my friend is Lori Loud. I'll tell you more later.

She fired waves of energy and blasted Another Angel down and I caught the Ridewatch and purified it and we brought Allie Zeras over.

She had a headache.

Me: Wait a second. I thought you looked familiar. You're the most notorious cat burglar thief in the world next to the Cooper Clan.

Reggie Rogan: That's right. Like the Cooper Clan, I come from a long line of master thieves and my family stole from all kinds of dangerously powerful criminals all over the world and me and my ancestors amassed an amazing treasure of wealth on an uncharted island.

Lola: That is cool!

Nico: Yeah!

Reggie Rogan: Yep. For thousands of years my ancestors wrote down our adventures and thieving moves and styles in an ancient book like the Cooper's did and we always get the job done. And after we swipe the loot of the criminals we beat them up and deliver them to the cops. After all there's no challenge, no honor, no fun and no glory stealing from ordinary people.

Me: Wow! Just like how Sly Cooper and his family did it.

Camie: Awesome.

Me: But how do you know Lori Loud?

Nico: I was just about to ask the same thing.

Reggie Rogan: Me and Lori met in a chat room years ago and we became good friends. I told her about how I do all kinds of great jobs all over the world stealing from criminals and all that and how me and Nico did all sorts of awesome jobs taking them down.

Lola: That is cool!

Qin: It sure is.

Rinka: What's your favorite memory of Nico?

Reggie Rogan: When me and Nico went after a crook that stole the largest emerald in the world, The Colombian Empress.

Me: WHOA! That's the largest ever emerald ever found. It's as big as a car and it's a priceless emerald.

Nico: Yeah! We swiped it and busted the bad guys. You wouldn't believe how many bad guys me and Reggie busted together before I joined the team and how much of their loot we took.

Me: I can only speculate but that explains why so many jails all over the planet are full to the rafters.

Nico: Yep.

Nico and Reggie hugged.

Nico: I've missed you.

Reggie Rogan: Same here Nico. Same here.

We went back home.

Lincoln: Whoa, we're here in Manistee, Michigan, and I know what we're going to do here, not only am I going to rescue the eight girls here, but we're also going to destroy the next member of The Shitōshin, Gōra, and we're going to destroy that powerful turtle daiyōkai.

Inuyasha: Yeah, we'll make him pay.

Me: And we now have no interruptions from The Black and Red Dragon Clans.

Nico: We brought an end to those two along with the last of Shang Tsung's forces yesterday.

Lincoln: You got that right. But, we also got to watch it here in Manistee, this city also tends to have thugs here, but not as numerous as the gangs in Detroit, but they're still just as dangerous.

Zoe: Like the one heading right for us.

Suddenly, we saw a massive army local Manistee thugs heading right for us, and they were out for our blood.

Lincoln: Good eye, Zoe.

Lincoln fired blasts of life-draining indigo and blood red energy which hit the massive army of local Manistee thugs, and we saw streams of indigo and blood red energy escape their eyes and mouths and the streams of indigo energy flowed into Lincoln's hand, the skin of the troops began to wither and their bodies dry up: Lincoln was absorbing their souls and life force, along with their blood, and as soon as Lincoln was done, the army of Manistee thugs were drained of their life forces and blood and were left as desiccated corpses, and he banished all their souls to The Black Gates after draining them of their life energy and blood.

Sebastian Mendez: Jeez, I knew there were thugs who were just plain bad, but those out for blood, they are the worst.

Nico: Which is why we always need to strike them before they do, and we need you and Drakus to talk out your feelings.

Sebastian: I know. Drakus, I get that you tend to be crazy and do some insane things and I proved to be violent and remanding when you get some crazy ideas, but more to the point, we both are heroes and we have to work together to maintain peace.

Drakus: I get that I am rather insane and crazy, but you're right, we're heroes and we have to work together for the common good.

Lincoln: Wow, you guys resolved it, and none of you crossed fingers, nice one.

Me: They came to an understanding, but of course, Sebastian's still going to reprimand Drakus in the case he gets too crazy.

Suddenly, we saw a very beautiful and super sexy girl with long purple hair and blue hairband, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful white angel wings, she's dressed in a purple coat with a coat of arms on it, white short-sleeved shirt, necklace with pearls and purple gem for the pendant, black pants, white bridal gloves, black knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with knights, swords, magic, dragons, light, and angels on the coattails and on the back is Noble Knight Gwalchavad, in her right hand is The Sword of Justice, and with her are the eight girls.

Purple-Haired Girl: I hope I'm not too late, and I got the girls away from that turtle demon before he could kill them.

Lincoln: No, you're not, Gabrielle Galahad, you're just in time. In fact, we were just about to head after that scumbag.

?: You shall all pay for what you did in killing me, Inuyasha!

We then saw our target, Gōra, and boy, was he pissed off big time!

Sylvester: If it isn't Gōra, looks like the fight's about to heat up.

Sylvester unholstered his Sylvester's Blood-Soaked Vampiric Demon Darkness Greatsword of The Dracul and transformed into Super Angel-Cat-Vampire-Acme Dark Knight-Harmony Universal Eternal Celestial Xelnaga Darkness Looney Tune Feline Demonic Darkness Vampire Cat Angel of Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Justice and Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Death.

Then, Lincoln drove his massive greatsword into Gōra's stomach, and he began sucking out his vast dark and demonic powers, lightning powers along with his purple Sphere of Power, immense strength, speed, agility and reflexes, stamina, durability, superhuman regeneration factor, demonic magic, and demonic abilities, and he made them his own. Then, Lincoln proceeded to slice Gōra into a million pieces with a Wind Scar he fired from his massive greatsword and the demon was shredded apart and his soul was sent to The Black Gates for good. We cheered as we holstered our weapons and powered down.

Lincoln: That's the third of the Four Shitōshin put down, and now, only Ryūra remains. (To Gabrielle Galahad) And it's so good to see you again, Gabrielle Galahad.

Gabrielle Galahad: You too, Linky, it's been a long time.

Lincoln went up to Gabrielle Galahad and he hugged her, and Gabrielle Galahad is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much stronger and muscular he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces soon went even deeper when they saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms and short stubble on his jawline, He-Man's chest harness, and many other accessories, and she also met his

familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Gabrielle Galahad: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height and became a man, but you're still the same kind boy from long ago. Plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Gabrielle Galahad, Gene-Slammer of Noble Knight Gwalchavad, she's my Guardian Angel from Michigan and she's a very powerful wielder of magic and a very powerful swordswoman, and a member of The Royal Woods Knights of The Michigan Table. She trained me both in the art of swordsmanship and in magic, and I became a very powerful swordsman, and she also taught me much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those I love and hold dear to my heart, and never to let those with such malice and evil in their black hearts get away with their crimes.

Nico: That's awesome.

Lincoln: Plus, you're going to love hearing this: Gwalchavad is also a direct descendant of Gabrielle Galahad is also a direct descendant of Galahad of Camelot, one of the skilled Knights of the Round Table and known for his gallantry and purity as the most perfect of all knights in the legend.

Me: Knew it.

Lincoln: I also made her a purple coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed me on the lips after our training, and Gabrielle Galahad hates unibrow bully pest, Becky Blickensderfer, with a very blazing passion.

Inuyasha: Oh great, what did that pest do this time?

Lincoln: One day, Gabrielle and I along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Becky Blickensderfer, and she'd brought with her an army of thugs she hired to kill Lincoln. Gabrielle Galahad and I went out there along with the rest of us, and she'd slain them with her greatsword. It drove Becky Blickensderfer into a blood-crazed fury, but before she could try to run us over, we fired chains of light magic which bound Becky Blickensderfer and tied her up. I called Ronnie Anne and her family, and when we told them of what that pest tried to do to us, they were furious.

Nico: What a pest!

Lynn Sr.: Lincoln was surprised that pest tried to kill him, but because of her many attempts to hurt Ronnie Anne and her friends, now she really crossed a huge line and she also earned the vengeance of the entire Loud Family, but in the end, her plan failed, and they sent her flying back to Great Lakes City with a nasty punch they gave her, and to make sure that she didn't try to get revenge on them, Gabrielle and Lincoln casted a spell to prevent her from trying to come back to Royal Woods to hurt them.

Lincoln: Because messing with the descendant of Galahad of Camelot and one of the members of The Royal Woods Knights of The Michigan Table will have disastrous consequences.

Me: That little pest really caused a lot of trouble to all of Great Lakes City.

Lincoln: It's no surprise Ronnie Anne and her friends and family hated her, she was trouble with a capital T.

Ronnie Anne: And her friends were no better, they also caused trouble for everyone in Great Lakes City, Becky thought she could get away with whatever she wanted, but no. Principal Valenzuela made her choice to expel her and her friends last year after what they've done, and she repeatedly caused trouble on some of your rescues, Lincoln.

Lincoln: Which is why if she ever does try to break out again, that unibrow pest's getting that ugly eyesore of a unibrow ripped off her face and turned into a gold statue forever, and now that you're here, Gabrielle.

Lincoln went up to and hugged Gabrielle Galahad in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Gabrielle Galahad: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love

appeared on Gabrielle Galahad's neck with purple gems on the gold lightning bolts and purple crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Gabrielle Galahad: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Gabrielle Galahad.

Gabrielle Galahad had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them, then, we went up to the eight girls, and when Lincoln saw who they were, they immediately recognized them. The eight girls are Kiha Kyou, Sakura Morino, Sora Aoi, and Yuuna Takatani from Aoki Daichi and Riche Hayashi, Pai Kawahigashi, Izumi Tokutomi, and Nashiko Jippensha from The Way of Pon.

Lincoln: Oh wow, it's Kiha Kyou, Sakura Morino, Sora Aoi, and Yuuna Takatani from Aoki Daichi and Riche Hayashi, Pai Kawahigashi, Izumi Tokutomi, and Nashiko Jippensha from The Way of Pon.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Kiha Kyou: Yes, we're okay, thanks to you.

Then, when Kiha Kyou and the other seven girls saw who it was that saved them from Gōra, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True

Kiha Kyou: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made seven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Kiha Kyou: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Kiha Kyou, Sakura Morino, Sora Aoi, Yuuna Takatani, Riche Hayashi, Pai Kawahigashi, Izumi Tokutomi, and Nashiko Jippensha with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team was shocked to find out the villain we went was the next member of The Shitōshin, Gōra, the powerful turtle daiyōkai.

But, when Lincoln showed what all of us did in beating Gōra down, and then, Lincoln driving his massive greatsword into the stomach of Gōra and sucking out his vast dark and demonic powers, immense strength, agility and reflexes, endurance, stamina, durability, demonic magic, and abilities, and he made them his own, and then, slicing him to ribbons with a Wind Scar that killed him and sent his spirit to The Black Gates forever, everyone cheered and hugged us and Lincoln's harem kissed him all over, and he had steam whistling out his ears. Lincoln and Gabrielle Galahad have a lot of catching up to do, now that she's back in town.

Maria: Oh man, so you guys also took down Gōra who was in Manistee, wow.

Lincoln: Yep, now the only one left is Ryūra, and he won't go down without a fight.

Me: But, he won't have any choice left, we've killed three of his allies, and now, he has nowhere left to hide.

Nico: Soon, he will pay for everything he's done.

Lincoln: That he will.

* * *

After finally getting rid of Gōra and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Gabrielle Galahad saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells,

squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Gabrielle Galahad: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Gabrielle, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Gabrielle Galahad: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to

become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Gabrielle Galahad: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Gabrielle, what other memories did you have with Lincoln?

Gabrielle Galahad: Oh man, I was hoping you'd ask that. Well, there was this one time, Lincoln and I went to Lake Michigan with the rest of The Royal Woods Knights of The Michigan Table for a time of rest and relaxation along with doing some more training and working out. But, then, we heard the sound of vengeful screaming in the air, and we saw who it was: it was that unibrow bully pest, Becky Blickensderfer and one of the enemies of The Royal Woods Knights of The Michigan Table, and that rabid dog was out to kill us again, but Lincoln and I flew at that unibrow bully pest and we beat her down and tied her up with chains of light. Then, Lincoln fired a ball of ice at Becky Blickensderfer and froze them in a block of ice, and then, Ronnie Anne and her entire family showed up with police vans from Great Lakes City, and the men loaded that frozen gorilla and they took her back to Great Lakes City, and after she was unfrozen, she soon found herself grounded by her parents after what we told them.

Me: That unibrow bully pest really enjoyed pushing our buttons.

Nico: Yeah, she just doesn't even know when to quit.

Lincoln: I had to agree with Ace, that pest has a major problem with society and the world. But, she's a danger to practically everyone in her path.

Ronnie Anne: Danger doesn't even come close, she was a threat to everyone, if she kept this up, she would be looking at hard time in prison in the future.

Lincoln: With the way she's been behaving, prison may be the only future for her.

We got a shower, and then, Lincoln, Milky, Tristan, Conis, and Raki are heading to Sirena Beach.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Milky, Tristan, Conis, and Raki are dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Milky, Tristan, Conis, and Raki had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood and life energy, which made him go insane with anger, until Lincoln fired energy blasts at that mutant and more gold and jewels and treasures came out of that moron, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Tristan: Wow, so this is Sirena Beach, this is really awesome!

Lincoln: It sure is, Tristan, and it's perfect for our first date. Shall we?

Lincoln, Milky, Tristan, Conis, and Raki dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Milky, Tristan, Conis, and Raki got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set,

Lincoln made clones of himself and he and his clones went up to Milky, Tristan, Conis, and Raki and they hugged them in their abnormally massive and powerful muscular arms, and Milky, Tristan, Conis, and Raki placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like someone really had a good time at Sirena Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Milky, Tristan, Conis, and Raki with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now, Milky, Tristan, Conis, and Raki are in your harem.

Jenna: Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that good-for-nothing hairy mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for herself.

Rarity: And trying to kill Milky, Tristan, Conis, and Raki, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and he should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that three butt-cheeked mutant cheapskate has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you fat hairy mutant cheapskate!

Nico: Even after we kicked Flip's miserable hide, that moron still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Pablo, Anderson, Billy McLean, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: Leave that to me. (YELLS AT THE TOP OF HIS LUNGS AT THE JERKS) SHUT YOUR HALF-WIT PIE HOLE, YOU JACKASS MUTANT CHEAPSKATE!

Suddenly, the Beads of Subjugation on Flip's neck and on the necks of the jerks glowed and the amplified gravity forced the jerks to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand them if they so much as get anymore dumb ideas again.

---

We were walking through the city.

Lily Loud: So far, things have been quiet

Me: So far.

But the peace was short lived when we saw some of the city completely destroyed! We saw cars burning, buildings demolished and more!

We gasped!

Me: My god! What the fuck happened here!?

Nico: Oh man! Looks like a tornado hit this place!

Xenia: What could have caused this!?

Nico: There must've been a bunch of them that did this much damage!

Lola: Yeah!

Eli: No it wasn't a bunch of them. It was only one assailant.

We gasped.

Me: What!? Only one person did this!?

Eli: Yeah. I sense it.

Nico: But who could it have been?

Me: No idea.

Cammy: (British Accent) You think Darkrai's into us?

Eli: No this is not Darkrai's work.

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM

We heard an explosion at the park!

Nico: It came from the park! Lets go!

We went to the park and we got there and we were shocked to see a very unusual and horrible sight! We saw a girl that looked like an evil version of Lily Loud! She looked to be around 15 to 17 years old, had blond hair in a mohawk, a black jacket and had purple clothes and she was really tearing the place apart!

Me: What in the nine fucking levels of hell!?

Celica: That girl looks like…

Lily: That girl looks like me!

Bludgeon: What are we seeing right now?

Me: Oh dear god! That girl is what Mr. Lynn envisioned what Lily would turn into if she was a monster! A Sociopath!

Nico: What!? How do you know that?

Me: I saw Lynn Sr.'s thoughts as he was cowering in fear because of Lily eating all that parmesan cheese he had.

Lily: I remember that! That girl IS Me!

Nico: We got to stop her!

Lily then went to face her!

Teenage Lily was laughing like a fucked up lunatic as she was tearing the place apart!

Lily: HEY!

Teenage Lily saw her.

Teenage Lily: Who the fuck are you!?

Lily: Your polar opposite self! You are making me look bad!

Teenage Lily: And proud of it you bitch!

Lily: You are the little bitch! I'm going to pulverize your brains out!

Teenage Lily: Bring it on!

She gave Lily the middle finger.

Lily and Teenage Lily roared and went at each other and then they punched and kicked and pulverized each other in a vicious and extremely brutal and violent brawl! It was an EXTREMELY SAVAGE AND FEROCIOUS BATTLE! Lily punched her teenage self in the face and kicked her in her head and kicked her in the stomach and punched her in the mouth and Teenage Lily punched her in the face and kicked her and then grabbed a tree and smashed her with it and then she got up and Teenage Lily bashed her in the face and knocked out some of her teeth and Lily took a rock and bashed Teenage Lily's face with it and Teenage Lily punched her in the stomach with devastating force and punched her in the face and kicked her in the face and stomach and Lily belched out a huge amount of blood and then Teenage Lily kicked Lily and sent her crashing into a street light and she grabbed Lily and threw her into the ground and pile drove her and she belched out even more blood as her bones were being smashed and then Lily kicked her in the face and bashed her in the mouth and knocked her down and then Lily flipped her down and twisted her arm and broke it with the bone sticking out! Teenage Lily grabbed Lily and smashed her into a huge rock and bashed her in her head and threw her into a tree! Then Lily belched out a huge amount of blood!

Me: HOLY FUCKSHIT!

Nico: JEEZ!

Camie: THAT IS BRUTAL!

Maria: We have to help her!

Me: LETS DO IT!

?: Allow me to help mates!

A girl with red hair and orange eyes and had red and yellow and blue clothes came and she had rainbow angel wings.

Nico: Rina McArthur! Wow!

Rina McArthur: (Australian Accent) Great to see you again Nico! I got this mates!

Rina then flew in and bashed Teenage Lily all over and then Lily took a knife and stabbed Teenage Lily in the leg and then kicked her in the face and smashed her teeth out and then an Eldegoss flew in.

Nico: An Eldegoss!

Me: Neat!

Eldegoss: (In a girls voice) Holy cow did that girl do a number on you Lily!

Nico: Lillian Kale! Wow!

All three of them really roughed up Teenage Lily and Lily stood triumphant. Lily then fell over and blood poured out of her mouth and from wounds all over her body from the bruises and injuries.

We ran over to her and Varie called in the medical transport.

Sora: I'll heal her!

Me: HOLY SHIT!

Nico: That teenage version of Lily really mangled her up!

Qin: What a brawl!

Sora: I'll try and heal her. HEAL!

He used Curaga.

Lily was still in a lot of pain.

Lily: (COUGHS UP BLOOD)

Eldegoss: We got to get her to the infirmary. This is going to take more than Curaga.

We went and did so and Teenage Lily was taken with too and was placed in a body cast.

Maria Santiago ran a diagnostic on Lily.

Maria Santiago: Lily had sustained a nasty number of injuries. Her ribs and legs and arms took a nasty beating. She lost some of her teeth too. She got a lot of bruises too.

Me: Boy that's as bad as when I got my ass kicked by Trakeena.

Nico: I'll snap my fingers and she'll be good as new.

Nico did so.

Lily was better and healed up.

Lily: (Groans) That bitch.

Lola: Boy Lily you really took quite a beating.

Teenage Lily: AND I WILL KILL HER WHEN I GET OUT OF THIS!

Lily got up and went over to her.

Lily: You shut your trap!

POW!

She punched her and knocked her out.

Nico: Nice one.

Eldegoss: That's taking it to her!

She reverted back and was a girl with yellow hair and had green eyes and magenta and green clothes and had blue butterfly wings.

Rina McArthur: That bloke needs to shut her mouth mates.

Lillian Kale: That is for sure.

Lynn Sr.: I should give that version of Lily the Black Gates for what she did to the city and to my daughter!

Nico: Darn tootin! But she would be perfect for the M.O.E.

Qin: Yeah I agree.

Rina McArthur: Lets hope it doesn't bite you back mates.

Nico: Yeah.

Me: By the way Rina are you a gene-slammer like your sisters are?

Rina McArthur: I sure am mate. I'm the gene-slammer of all the Regi

Pokemon. I have all the powers of the Regis in me for each element.

Me: Wow!

Nico: Awesome!

Me: That is cool!

Rina McArthur: It sure is mates.

Lillian Kale: That sure is awesome.

G1 Ironhide: What's your favorite memory of Nico?

Rina McArthur: I'll tell you mine first. Mine is when me and Nico went into FernGully Forest and we took down a bunch of animal poachers. I've been taking people down like that since I was a wee nipper.

Nico: That is for sure. Rina is an animal conservationist and protection specialist.

Me: That is cool.

Laney: Yeah I'll say.

Lillian Kale: My turn. My favorite is when me and Nico were over in the mountains of southwestern Colorado and we made an awesome flower forest there.

Me: You mean the awesome Columbine Forest was made by you guys? That is amazing!

Nico: Yep.

Lillian Kale: That was amazing.

Nico hugged them both.

Nico: I missed you girls.

Rina McArthur: We missed you too Nico mate.

Lillian Kale: Same here Nico.

Slugfest: You okay, Lily?

Lily: I think so.

Nico: You took quite a beating.

Lola: Yeah no kidding.

Varie: But you did great.

Lola: Yeah.

Lily: Thanks guys.

Me: You're welcome. I fixed the city for everyone so it's okay.

Lily: Good.

Then the previous group came.

Grizzly: Can me, Living Laser, Gearhead, Trapster, Batroc, Shade, Abra Kadabra, Ragdoll, Swordsman, and Trumbipular go with you guys?

Nico: Yes you all can come with.

Living Laser: We saw the battle with Lily and that evil Teenage version of her! That was brutal!

Lola: Yeah it sure was! It was like a battle between Ben and Albedo!

Nico: No kidding there.

Rika Noralenshikov: (Russian Accent) That would have been a brutal battle of the Omnitrix bearers there.

Nico: Yeah no kidding.

Wingspan: Boss, which Gene Slammers do you think you'll meet next?

Nico: I'm hoping to go to Switzerland for these two. But I'm hoping for Wooloo and Dubwool as well as Drednaw and Boltun.

Me: Ooh! This will be fun.

Qin: I hope we go to Switzerland for Wooloo and Dubwool too.

Lola: Yeah I would like that.

Suddenly, Lincoln's deep sapphire eyes, his Crest of Miracles on his massive right pec, and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we're going to confront today: it was none other than Sigilyph, the Avianoid Pokémon, and the Avianoid Pokémon is causing trouble in The Flying Zone. When we saw it, we knew it meant trouble.

Nico: Lincoln, what's wrong?

Lincoln: Nico, everyone, we've got trouble. I just had a vision and I saw who we're going to confront today: it's Sigilyph, the Avianoid Pokémon, and the Avianoid Pokémon is causing trouble in The Flying Zone.

We gasped.

Me: No doubt sent by Darkrai.

Nico: We'll deal with him very soon.

Lincoln: First, we got to take down Sigilyph. But, it won't be easy, Sigilyph is a Psychic and Flying Type Pokémon with psychic abilities, but we'll be ready for it.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Scarlett Dragomir, one of the members of The Ghostrick Destroyers, and she's heading here to kill The Ghostrick Guardian Angels. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and we got news, Raven: as we guessed it, Scarlett Dragomir, one of The Ghostrick Destroyers is heading here to kill you all.

Ellie Elsher: Just as we expected, but we'll be ready for her, and she'll suffer the very same punishment back in the castle of The Michigan Supernatural Defense Force after we take care of Sigilyph.

Crash Bandicoot: That blood-sucking fanatical religious zealot's already a dead vampire walking once she shows her ugly face.

Nico: You got that right. Alright, gang, let's go, we're heading to The Flying Zone in PokePark to battle Sigilyph.

Lincoln: We're so going to enjoy taking the Avianoid Pokémon down, and once we get done taking Sigilyph down, you're next, Scarlett Dragomir.

Ellie Elsher: You better be ready to die, Scarlett Dragomir, because you deserve no such mercy from any of us for trying to kill us seven years ago, nor do you even deserve to live a single second further, you religious fanatic and zealous heretical demon, after we deal with Sigilyph.

Lincoln put up a rainbow energy field around The World Tree Estate and we headed to The Flying Zone in PokePark to battle Sigilyph, The Avianoid Pokémon and once we got done with taking down Sigilyph, Lincoln, Ellie Elsher, and Crash Bandicoot are going to destroy Scarlett Dragomir of The Ghostrick Destroyers and make her pay for her crimes.

We were off to PokePark for the Tech Zone.

---

We arrived at the Tech Area.

Me: WHOA!

Qin: This is the Tech Area!? Wow!

Lola: It's amazing!

Trapster: This must be the outside of the Tech area.

Nico: Yeah it sure is.

Lola: Amazing.

Lisa Loud: This is the kind of area that I would love.

We saw Pikachu and everyone.

Cindersaur: There you are, Pikachu!

Pikachu 2: You all made it guys.

Tepig: Yeah.

Qin: This place is amazing.

Lola: It sure is.

Pikachu 2: While waiting for you guys, we fixed the bridge here and made an entrance to the Unawarehouse

Nico: Cool!

Shade: That's good.

Pikachu 2: Follow us.

We went to the Unawarehouse.

Flamewar: How are we going to get to the Portal for this area?

Pikachu 2: We have to get to the Scientorium. It's up ahead.

Me: I think I see it. But we have to figure out a way to destroy those portals. They are the cause of that vortex.

Qin: Yeah. We got to stop them.

Lola: Yeah.

We went into the Scientorium.

Reunicles: Greetings! It's so rare that we get guests down here. I'm Reunicles. My hobby is the weird and wonderful!

Me: Awesome to meet you. We are Team Loud Phoenix Storm.

Reunicles: Wow! It's an honor.

Tepig: Does that mean you've been making the Poster Portals?

Reunicles: Why, of course! the Poster Portal is one of my marvelous inventions!

Me: Wow!

Snivy: Then I think you should be aware of what Darkrai and the rest of the Wish Park gang have been doing?

Reunicles: Wait a split second. Darkrai? I haven't seen him in considerable time. How is he doing? Indeed, is he doing well? It sure looks like Gothitelle has taken a shine to Wish Park!

Me: Whoa whoa whoa. One question at a time. In order he is causing problems and he is the cause of Wish Park.

Oshawatt: This isn't the time for chitchat! Pokepark's Pokemon are being taken to Wish Park!

Anemone: And the Dark Vortex has appeared above the Pokepark. This is a serious problem!

Reunicles: What do you mean?

Pikachu 2: There's a big dark swirl in the sky. If it gets big enough, it could swallow up the whole world!

Me: It's a black hole that is going to destroy PokePark and Wish Park.

Reunicles: And I almost missed it?! I simply cannot pass up a chance to study something so interesting!

Eddy: You're kidding me.

Reunicles: Wait. Could it be?! Tell me. Have the Wish Bells been ringing with regularity?

Nico: We've had no problems ringing them. Why?

Reunicles: The Wish Bells regulate time! If time stops, the warp in space grows, raising gravity to new levels! Oh, what's Darkrai thinking?

Me: Not much at all.

Maria: So, it's not the portals after all!

Nico: We'll help Darkrai see the error of his ways. First, we have to get to Wish Park's final zone.

Me: That's right.

Reunicles: Well, the prototype Portal is behind me. But it's broken. Can you get to the Lab and bring me the Psytron Collider? It should be nearby!

Me: Sure thing.

Reunicles: Thank you.

Ragdoll: So it wasn't the Posters causing the Dark Vortex at all. It was the Wish Bells not being rung!

Reunicles: Yes. The Wish Bells not being rung cause the dark vortex to form. It is actually a black hole like J.D. said that causes it.

Me: Then we got to tell Darkrai and get him to understand what he is doing.

Xenia: I agree too.

Nico: Right.

Pikachu 2: You guys let me, Oshawatt, Snivy, and Tepig get the Psytron Collider.

Grier: Good luck!

Me: I'll go with you guys in case the Gothitelle Trio tries anything.

Pikachu 2: Thanks.

I went with them.

We waited 10 minutes before me, Pikachu 2, Oshawatt, Snivy, and Tepig came back with the Psytron Collider.

Trumbipular: That was quick. Oh, Church. We want to thank you, Sarge, and your teams for coming.

Church: Anytime. Awesome to be with you guys.

Carolina: Yeah this will be fun.

Me: The Gothitelle Trio didn't try anything thank goodness.

Lola: Good.

Nico: Yeah.

We got the machine hooked up.

Reunicles: The Portal will open when everyone concentrates on their dreams.

Drag Strip: Simple enough.

Me: Okay.

Nico: We got to at least warn Darkrai and tell him what's going to happen so we can get through to him.

Camie: Yeah.

Swordsman: The Pokemon here are Gurdurr, Conkeldurr, Golett, Golurk, Zebstrika, Accelgor, Tyranitar, Murkrow, Honchcrow, Magmortar, Electivire, Garbodor, Abra, Scizor, Roggenrola, Gigalith, Mawile, Voltorb, Eevee, Solosis, Duosin, Reunicles, Joltik, Galavantula, Klink, Klang, Klinklang, Gengar, Sneasel, Duskull, and Dusknoir

Nico: Perfect.

Me: Here we go.

We concentrated and then the portal opened!

Me: Awesome.

Nico: Here we go guys.

We went through the portal and we arrived in the Flight Zone.

Cloud Man: This must be the Flight Zone.

Nico: Wow!

Rainbow Dash: This is awesome!

Me: Boy this is my kind of place.

Eli: Yeah it's perfect for both Flying Pokemon and Angels alike.

Xenia: It sure is.

Nico: Darkrai! We know you're here! We need to tell you something important! It's of urgency!

Then a swirl of darkness appeared and out came Darkrai!

Darkrai: If you really want Piplup back, you'll have to wait until tomorrow. Rest assured that he's unharmed. Though we can't seem to make him see things our way.

Nico: (playing dumb) Well, I guess that he's grown resistant to brainwashing.

Darkhai: Maybe.

Me: But that's not why Nico called you.

Nico: Darkrai listen to me. What you're doing will ultimately destroy the entirety of PokePark and all of Wish Park as well. By not ringing the Wish Bell you're going to create a terrible black hole that will devour both PokePark and Wish Park.

Darkrai: What!?

Me: He's not kidding Darkrai. This entire place is in danger.

Laney: Yeah that vortex is bad news. By not ringing the bell you are going to destroy this place and PokePark.

Darkrai: How do I know this isn't a trick?

Me: Do we look like we're lying here?

Nico: Would we ever lie? (snaps fingers) At the very least, I've managed to delay it until after we defeat you tomorrow. And we made sure it can't destroy the rest of the Multiverse.

Darkrai: I had no idea. But thank you for telling me.

Me: You're welcome and Nico's offer for you still stands.

Eli: That's right.

Darkrai: So does mine. That's why you are free to play Sigilyph's Attraction without me stopping you.

Me: Looking forward to it.

Darkrai: By the way J.D. is it true that you all helped another one like me and saved the entire universe from being torn apart by the battle of Dialga and Palkia?

Me: Every word of it. That happened over in Texas and that was an awesome battle.

Bastion: And I did the Banana Boat song and got on the nerves of Baron Alberto.

Me: That was really funny.

Darkrai: I'll have to see that in action sometime.

Me: You're in for a funny laugh.

Darkrai: I really do hope you clear the Attraction. That way, you can see Wish Palace for yourself.

Me: Oh we are always up for a challenge.

He disappeared.

Nico: This will be fun.

Lola: Now to find Sigilyph.

Abra Kadabra: I actually like how futuristic this zone is.

Rainbow Dash: It sure is amazing.

Me: I'll say. Reminds you of home doesn't it.

Abra Kadabra: That's right.

Nico: That is really cool.

Me: It looks like something out of the 41st or 31st Centuries.

Legion Superman: That is for sure.

Ed the Protector: That is awesome.

Sigilyph came.

Sigilyph: I don't know what you guys were talking about. But it sounds like you've finally managed to unnerve Master Darkrai.

Darkwing: Hey, even he gets like that.

Me: We were talking about that dark vortex that's over PokePark. Also I couldn't help but notice. You would make an awesome Pokemon for our M.O.E. Friend Rex Goodwin. He is very into knowing all about the Aztec and Incan cultures and you would be a perfect Pokemon partner for him.

Sigilyph: I'm truly honored that you think that.

Gearhead: What's the Attraction?

Sigilyph: Flight of Fancy. Fly through the sky, and collect lots of gems along the way!

Me: That's my kind of challenge!

Rainbow Dash: This will be so awesome!

Pikachu 2: It's my turn now.

Me: Awesome.

Lola: YEAH!

Batroc: Who else wants to go?

Skyla: You know I will.

Lightning Dust: Me and the Wonderbolts and Shadowbolts will go too.

Me: Yeah we're ready for this.

Sigilyph: Awesome!

Tails: And you know I will do so too. I do like to fly.

Lola: Go for it Tails.

Me: Yeah!

Nico: This will be fun.

Sigilyph: Ready?

Me: Ready!

We nodded.

Sigilyph: GO!

We spread our wings and flew out and we were collecting gems all over.

We did amazing flying. We were doing loops and stunts in the air.

Me: WOOHOO!

Nico: YEAH!

Me: (DOES A LOOP)

Rainbow Dash, Lightning Dust and the Wonder Bolts were leaving rainbow and lightning trails as they flew.

Sigilyph: WOW! You guys are great at flying!

Me: It's the only way to travel!

We were really doing all sorts of great stunts and tricks!

Thunderblast: This is so fun!

Nico: Yeah it is!

We saw lasers coming!

Me: Lasers at 9:00!

Peppy Hare: DO A BARREL ROLL!

We spun around and deflected the lasers and they hit the turrets and blasted them all over.

Me: YEAH!

Nicole: Nice save!

Sigilyph: The laser turrets were something extra I added. But great job!

Me: Thanks.

Horsea: Whee!

Lola: This is so fun!

Xenia: YEAH!

Sakura Knudson: YEAH! WOOHOO!

We collected gems all over and we won the challenge!

Me: THAT WAS AWESOME!

Nico: It sure was!

Me: Boy if this were an airplane air show we would easily win!

Rainbow Dash: We sure would! That was awesome!

Sigilyph: You guys are awesome natural born flyers! I'm proud of you guys!

Camie: Thanks!

Lola: That was so fun!

Sigilyph: Glad you guys had so much fun. Now you have to battle me!

Nico: Bring it on!

Living Laser: Our pleasure!

Sigilyph: By the way, how did you guys get so good at flying?

Me: We did it all to learn it all. We went to flight school, did airplane simulations and more and also we piloted lots of starships, airplanes, fighter jets, the works.

Sigilyph: That is cool!

Nico: Yep.

Me: Essentially we are practically one with the sky.

Sigilyph: Awesome! Lets dance!

We were ready! And we went after him and fired lasers and energy blasts.

We were letting him have it.

Poromon pecked him

POINK POINK POINK POINK!

Sigilyph: OUCH OUCH OUCH OUCH!

Then Multiplex, Black Spider, Cluemaster, Puppetmon, Machinedramon, Bronze Kneecap, Dodgeball Wizard, Xiao Fung, Enchantress and LaGrange appeared.

Nico: Multiplex, Black Spider, Cluemaster, Puppetmon, Machinedramon, Bronze Kneecap, Dodgeball Wizard, Xiao Fung, Enchantress and LaGrange.

Me: Awesome seeing you guys fly up here.

LaGrange: It sure is.

Multiplex: I think I saw Reunicles working on something on the way here.

Black Spider: It must've been that alternative solution Pikachu 2 was talking about.

Cluemaster: It might be the case.

Me: That is true.

Puppetmon: (to Nico) We heard you went to the Haunted Zone.

Nico: We sure did. It was a scary place.

Machinedramon: Good thing Shaggy and Scooby didn't come, huh?

Me: Boy no kidding! Those two chickens would be scared shitless.

Qin: Yeah.

Fury came for another round.

Me: Another round for you Fury?

Fury: Yep.

Me: Awesome.

Fury: (to Sigilyph) Can we have the usual battles on the ground?

Sigilyph: You sure can.

Me: Are you afraid of heights Fury?

Fury: No no it's just that I'm more comfortable on the ground.

Me: Oh.

They got to landing and the usual battles got underway.

Ellie Singh: It sure was awesome

---

Nico: Yep. So, Gabrielle, what other memories did you have with Lincoln?

Gabrielle Galahad: Oh man, I was hoping you'd ask that. Well, there was this one time, Lincoln and I went to Lake Michigan with the rest of The Royal Woods Knights of The Michigan Table for a time of rest and relaxation along with doing some more training and working out. But, then, we heard the sound of vengeful screaming in the air, and we saw who it was: it was that unibrow bully pest, Becky Blickensderfer and one of the enemies of The Royal Woods Knights of The Michigan Table, and that rabid dog was out to kill us again, but Lincoln and I flew at that unibrow bully pest and we beat her down and tied her up with chains of light. Then, Lincoln fired a ball of ice at Becky Blickensderfer and froze them in a block of ice, and then, Ronnie Anne and her entire family showed up with police vans from Great Lakes City, and the men loaded that frozen gorilla and they took her back to Great Lakes City, and after she was unfrozen, she soon found herself grounded by her parents after what we told them.

Me: That unibrow bully pest really enjoyed pushing our buttons.

Nico: Yeah, she just doesn't even know when to quit.

Lincoln: I had to agree with Ace, that pest has a major problem with society and the world. But, she's a danger to practically everyone in her path.

Ronnie Anne: Danger doesn't even come close, she was a threat to everyone, if she kept this up, she would be looking at hard time in prison in the future.

Lincoln: With the way she's been behaving, prison may be the only future for her.

FLASHBACK ENDS

Lincoln: Now, there's only one last thing to do, and one last loose end to tie up: Scarlett Dragomir of the Ghostrick Destroyers.

?: YOU FILTHY GHOSTRICK SCUM! YOU SHALL ALL BE DESTROYED IN THE NAME OF GOD!

Ellie Elsher: (Growls) I should've known there was no mistaking that voice from anywhere. Get out here right now, Scarlett Dragomir, before things get really ugly!

A girl with black hair, red hairband, red eyes, and dressed in a black coat, white bridal gloves, white shirt, necklace with red gem pendant, black pants, and black knee-high boots with butterfly buckles came out, and it was none other than Scarlett Dragomir, religious zealot and fanatical so-called vampire hunter of The Ghostrick Destroyers who was exposed as a murderous demon and heretic, and one of the twenty-two human-despising vampires from Transylvania.

Ellie Elsher: Scarlett Dragomir, I should've known you'd show up here! Lincoln warned you all to never to show your faces again after he kicked you all out of Royal Woods seven years ago.

Scarlett Dragomir: We will never stop, all of you shall be destroyed in the name of God!

Me: You really are a delusional religious fanatic!

Nico: And an infinite-times fucked up one for that matter!

Lincoln: I did say they were absolutely insane and driven only by religious delusions, and for that, I blame their parents for that one. But, the jig's up, Scarlett, Ophelia already exposed her true self, and that's being one of the twenty-two human-despising vampires from Transylvania.

Ellie Elsher: Indeed, and it's high-time we bring this delusional vampire down for good.

Suddenly, Ellie Elsher's blue eyes turned neon blue and she was surrounded by a black and white energy aura with stars, darkness, light, shadows, ghosts, and angels, she unholstered her massive Ghostrick Specter's Ghostly Darkness Archangel Greatsword of Ghostly Darkness Specter Angel Justice from her back, and as she approached Scarlett Dragomir, she left black and white energy, stars, darkness, light, shadows, ghosts, and angels with every step.

Ellie Elsher: I can already see that time hasn't changed you, you're still the same religious fanatic and zealous so-called vampire hunter who was exposed as a murderous demon and heretic seven years ago along with being one of the twenty-two human-despising vampires from Transylvania. We thought we wouldn't have to deal with you ever again after Lincoln chased you all out of Royal Woods, but as always, you refused to learn your lesson, and you had the nerve to come back after you were explicitly warned. You now have nowhere to run to, Scarlett Dragomir, and now, you shall pay the price for your misdeeds with your own blood.

Suddenly, Ellie Elsher as surrounded by a massive vortex of black and white energy with stars, light, darkness, and shadows surrounding the vortex, there are ghosts, angels, and Ghostrick Specter flying around the vortex, and in the vortex is a red phoenix with blood red eyes glaring at Scarlett Dragomir: the red eyes of eternal death. Then, as the vortex faded, Ellie Elsher emerged, but she was changed forever.

HAUNTING MUSIC PLAYS

Ellie Elsher grew from 6'5" to 7'5" in height, she has the body of a goddess, she has black highlights in the bangs of her long flowing white hair, she has neon blue eyes and a black and white energy aura with stars, darkness, light, ghosts, and angels surrounding her, she has the Dark Kanji in the hands of Ghostrick Specter emblazoned on her forehead and Third Eye with blue iris, she has on ghost earrings with blue gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands, she also has Ghostrick Specter with blue gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands on the bottom of her white ghost-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with white crystal links from her merged Crystal Necklace of the Buddha and white gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Ellie Elsher has on a sleeveless dark blue open blouse, sleeveless black crop top, black skirt, black pants, black knee-high high-heels, black fingerless gloves, and long white sleeveless trenchcoat with stars, darkness, light, ghosts, and angels on the coattails, and on the back is Ghostrick Specter and a ghost surrounded by stars, light, and darkness. Suddenly, Ellie Elsher felt a sharp pain on her back, and then, her massive black angel wings with white tips on the large black feathers grew much bigger for her new body and she now has eleven massive and long white wolf tails with black tips and black markings, she has on a Ring of The Phoenix with white gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Elle Elsher's massive Ghostrick Specter's Ghostly

Darkness Light Ghost Archangel Greatsword of Ghostly Darkness Ghost Angel Justice and all the other greatswords and swords she'd gotten began merging together and they're surrounded by a kaleidoscope of black and white energy, stars, darkness, light, ghosts, and angels, and when it emerged, it was transformed into Ellie Elsher's Ghostrick Specter Ghostly Darkness Light Ghost Angel Greatsword of Ghostly Darkness Ghost Angel Justice, it's a brand-new massive greatsword with embedded white gems and Ghostrick Specter etched on the 7'4" massive, wide, double-edged black blade, large white ghost heads for the crossguard, large white angelic faces built into both sides of the hilt with large blue gems embedded in their foreheads, longer midnight black handle, four large white ghost heads and below the white ghost heads is a large white angel head with blue gems for eyes and a blue gem in its mouth for the pommel, she has on her new brand-new large gold cuff Bracers of the Champions of The Universe with blue gems on her wrists and Dragon Ball Bracelet on her left large gold cuff Bracer, new large gold Belt of Elemental Bravery with a gold version of Ghostrick Specter's head with blue gems for eyes and a large pink gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. Ellie Elsher has transformed into SUPER ANGEL-GHOSTRICK SPECTER-GHOST-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA GHOSTLY DARKNESS LIGHT GHOSTRICK SPECTER ANGEL OF DIVINE CELTIC DARKNESS LIGHT GHOSTLY DARKNESS LIGHT GHOSTRICK SPECTER ANGEL JUSTICE AND DIVINE GHOSTLY DARKNESS LIGHT GHOSTRICK SPECTER ANGEL LOVE!

We were amazed by Ellie Elsher's Super Angel-Ghostrick Specter-Ghost-Harmony Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Scarlett Dragomir saw it, she fell into an even more darker and more insane rage and ran at Ellie Elsher with a knife to stab her in the heart to kill her, but Ellie Elsher fired a powerful barrage of black and white energy blasts, stars, darkness, light, ghosts, and angels at the insane vampire hunter and they exploded with incredible power as they hit her, and this really pissed them off.

Nico: Whoa, now that's really haunting, Ellie Elsher's transformed, that vampire is so done for.

Lincoln: No villain's ever been safe from The Ghost Angel of Michigan, be it ghost or human, she will hunt down the guilty.

Ellie Elsher: (Divine Godly Cosmic Voice of The Ghostly Darkness Light Ghostrick Specter Angel and Divine Ghostly Darkness Light Celtic Ghostrick Specter Angel Love) And bring them to justice. Now, let's rip her to shreds, Linky.

Crash Bandicoot: Don't start without me, guys.

Crash Bandicoot unholstered his massive Crash Bandicoot's Skylands Ten Elemental Wolf Draconic Bandicoot Greatsword of Ten Elemental Skylands Justice and Ten Eternal Elemental

Skylanders True Bravery from his back and he transformed into Super Angel-Bandicoot-Dragon-Elemental Skylander-Harmony United Friendship Universal Eternal Celestial Xelnaga Ten Elemental Knight Elemental Skylander Draconic Bandicoot Angel of Divine Ten Element Skylands True Hero Knight Draconic Bandicoot Angel Justice and Divine Ten Element Skylands True Hero Knight Draconic Bandicoot Angel Bravery.

Crash Bandicoot: (Divine Echoing Godly Voice of The Ten Skylanders Elemental Draconic Bandicoot Angel and Divine Godly Universal Ten Skylanders Elemental Draconic Bandicoot Angel Bravery) You now have nowhere to run to, you blood-crazed delusional bat.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Ellie Elsher and Crash Bandicoot.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) I warned you of the consequences should you and the rest of The Ghostrick Destroyers dare to show up again, Scarlett Dragomir, now it's time we put you down for good!

Ellie Elsher, Lincoln, and Crash Bandicoot went after Scarlett Dragomir, and they fired extremely powerful blasts of rainbow energy, black and white energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Scarlett Dragomir and they exploded with incredible power as they hit her.

Then, they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and firing energy slashes from his claws and he, Ellie Elsher, and Crash Bandicoot also attacked her with punches, kicks, and karate chops, along with elemental blasts, and this was really driving Scarlett Dragomir mad.

Scarlett Dragomir: You… YOU! (Red Eyes turning Blood Red with slit pupils and vampire fangs grew) I WILL KILL YOU!

Scarlett Dragomir's vampiric nature came out, and now, she was out for blood. Scarlett Dragomir ran at Lincoln, Ellie Elsher, and Crash Bandicoot, and she tried to attack them, but they dodge her attacks, and then, Lincoln drove his massive greatsword into Ellie Elsher's stomach, and he began sucking out her vast dark powers, immense strength, and vampiric abilities, and he made them his own.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, for the grand finale. VAMPIRIC BLOOD LIFE ENERGY DRAIN!

Suddenly, all the gems embedded in the 7'6" massive, wide, double-edged golden blade of his Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds suddenly began glowing green, and then, Lincoln began draining Ellie Elsher of all her life energy and blood, and when he was done and he removed his massive greatsword from her stomach, Ellie Elsher was now a desiccated corpse drained of her vampiric powers, blood, and life energy, and as soon as her soul appeared, Lincoln fired a blast of energy from his massive greatsword and had her imprisoned inside an energy card. We cheered wildly for what Ellie Elsher, Lincoln, and Crash Bandicoot did as they holstered their weapons and powered down, and Ellie Elsher's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long white wolf tails, and massive black angel wings are permanent.

Elle Elsher: That's one down and ten of these monsters to go, and we're now pissing them off greatly. Thank you for helping us get rid of that religious fanatic and zealous heretical vampire, Linky, you too, Crash.

Lincoln: (Smiles Warmly) You're welcome, Ellie.

Crash Bandicoot: She did need to pay for what she did, and I'm always happy to help.

Crash Bandicoot went back to us, and suddenly, Ellie Elsher wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Ellie Elsher's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Ghostrick Specter flying in the air, and we saw a herd of Buffalo and many animals running across the field and ghosts flying right behind them and we cheered wildly. Then, Lincoln and Ellie Elsher absorbed the elemental forces and they came back to us as the display vanished.

Nico: Whoa, oh man, now that's what I call one haunting and spooky fight, Lincoln, Ellie, Crash, you showed that showed that vampire no mercy whatsoever, and sent her to her death.

Lincoln: She didn't deserve any mercy, I warned them never to show their faces again, but those fools never learn.

Me: And you used your Vampiric Life Drain on her, awesome!

Lincoln sent the soul of Scarlett Dragomir in a cage and he put the curse on her that gave her back her life energy, but once that happened, suction tubes came out and were attached onto her, and then, the suction tubes activated, and Scarlett Dragomir's life energy was being sucked out of her again: she was condemned to that punishment until all of The Ghostrick Destroyers are killed, and it flowed into Lincoln and The Michigan Supernatural Defense Force as they gained a massive power boost.

Nico: (Snickers) That Room of Tortured Souls is definitely a top-notch prison for some of Michigan's most dangerous thugs and criminals.

Lincoln: And the curse I put on them has continued to work for seven years, that way, they can suffer for all eternity of regaining their life energy only to have it drained out of them again and flowing into us. But, if any of them get a little out of hand, I put in a counter curse, should any of them get a little out of hand or try to escape, the counter curse will activate and the life energy they regain from the curse will not only be drained out of them forever, but they'll be sent to The Black Gates forever with help from our stone gargoyles and stone vampire bats perched outside the castle.

Ravenna Amaranth: And Lincoln also put up a new curse: once all the members of The Ghostrick Destroyers are destroyed and sent to The Prison of Tortured Souls and all their life energy has been drained, they will be sent to The Black Gates forever.

Me: Cool!

Nico: So, you'll keep them imprisoned inside the castle's prison until that day comes, nice one. So, Lincoln, which Noble Knight Gene-

Slammer are you meeting tomorrow?

Lincoln: Ooh, I've got just the one: we'll be meeting the Gene-Slammer of Noble Knight Medraut.

Melanie Artorgius: (Gasps) Awesome, and there's only one person who'd be Gene-Slammed into Noble Knight Medraut, Melissa Mordred, and you guys will love meeting her, Melissa Mordred is Lincoln's Guardian Angel from Michigan and she's a very powerful wielder of magic and a very powerful swordswoman, and a member of The Royal Woods Knights of The Michigan Table. She trained Lincoln both in the art of swordsmanship and in magic, and he became a very powerful swordsman and master of magic, and she also taught him much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those he loves and holds dear to his heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Melissa Mordred is also a direct descendant of Mordred of Camelot.

We gasped.

Me: Mordred, one of the skilled Knights of the Round Table, but he's also Arthur's traitorous nephew.

Katara Chevalierflamboyant: (French Accent) That's right, but she's not a traitor. Plus, Lincoln made her a blood red coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Melissa Mordred hates Chandler and his minions with a very blazing passion. One day, Melissa and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Chandler and his goons, and they'd brought with her an army of thugs she hired. Melissa Mordred and Lincoln went out there along with the rest of us, and she'd slain them with her greatsword. It drove Chandler and his goons into a blood-crazed fury, but before they could get after us, Lincoln and Melissa fired chains of light magic which bound Chandler and his goons and tied them up.

Nico: Did he call his family and his sisters for this?

Lincoln: Yep, and needless to say, my sisters wanted Chandler's head on a pike!

Me: Should've known that stupid prick and his asshole moron herd would do something like this.

Lincoln: I know, but I wasn't surprised, Chandler's tried to kill me many times in the past, and the same went with his goons, but in the end, their plan failed, and we gave them to the cops and they got taken away to juvie, and to make sure that she didn't try to get revenge on us, Melissa and I casted a spell to prevent them from coming back to hurt us.

Me: Yeah, messing with the descendant of Mordred of Camelot and one of the members of The Royal Woods Knights of The Michigan Table will have disastrous consequences.

Nico: That prick really hated that his greatest "plan" was foiled once again, and he got into even more serious trouble.

Lincoln: He seriously didn't even know when to quit, and to make it worse, his plan also earned him the vengeance of my family. And now, for tomorrow, we're going to face off against Chloe Desikan.

Emilia Frankenstein: (German Accent) Yes, which means you and I will be facing her, Linky.

Crash Bandicoot: And I'll be joining in as well.

Ravenna Amaranth: That's right.

Bronze Kneecap: Sacre bleu! All of Wish Park has come together!

Dodgeball Wizard: That's because the Attractions have been cleared.

Xiao Fung: At least it'll stay like this when this mess is over

Reunicles: Tomorrow, come see me. I have just the thing to destroy the Dark Vortex.

Enchantress: Ok then.

LaGrange: I hope it's good.

Me: Oh it will be.

Qin: Yep.

Nico: Great job today everyone.

Rainbow Dash: Yeah! (To the viewers) This was so awesome!

Lola: Yeah it sure was.

We later went back home and enjoyed the rest of the day and went to sleep.

TO BE CONTINUED…

And we're going to meet gene-slammers for Wooloo and Dubwool and they are Hilda and Heidi Limburger and they are Limburger Cheese Powered Girls

The next match-up scene for the saga is Emilia Frankenstein, Gene-Slammer of Ghostrick Stein, Lincoln, and Crash Bandicoot VS. Chloe Desikan

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Missouri, and we're going to destroy the last member and leader of the Shitōshin, Ryūra, and we're going to destroy that powerful dragon daiyōkai. And we're going to meet the next Noble Knight Gene-Slammer, her name is Melissa Mordred, Gene-Slammer of

Noble Knight Medraut, she's Lincoln's Guardian Angel from Michigan and she's a very powerful wielder of magic and a very powerful swordswoman, and a member of The Royal Woods Knights of The Michigan Table. She trained Lincoln both in the art of swordsmanship and in magic, and he became a very powerful swordsman and master of magic, and she also taught him much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those he loves and holds dear to his heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Melissa Mordred is also a direct descendant of Mordred of Camelot, one of the skilled Knights of the Round Table, but he's also Arthur's traitorous nephew, but she's not a traitor. Lincoln made her a blood red coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Melissa Mordred hates Chandler and his minions with a very blazing passion. One day, Melissa and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Chandler and his goons, and they'd brought with her an army of thugs she hired. Melissa Mordred and Lincoln went out there along with the rest of us, and she'd slain them with her greatsword. It drove Chandler and his goons into a blood-crazed fury, but before they could get after us, Lincoln and Melissa fired chains of light magic which bound Chandler and his goons and tied them up. He called his family and his sisters for this, and needless to say, my sisters wanted Chandler's head on a pike, but Lincoln wasn't surprised, Chandler's tried to kill him many times in the past, and the same went with his goons, but in the end, their plan failed, and they gave them to the cops and they got taken away to juvie, and to make sure that she didn't try to get revenge on us, Melissa and Lincoln casted a spell to prevent them from coming back to hurt them because messing with the descendant of Mordred of Camelot and one of the members of The Royal Woods Knights of The Michigan Table will have disastrous consequences.

Get ready for the final part of the PokePark saga as we face Darkrai and get him to see the error of his ways and have him put into the

M.O.E.

See you next time.

# PokePark Part 5: Finale

Battle with Darkrai

---

In the early morning hours at 3:30 AM, Lincoln had a dream, and he saw three figures who was hiding out and living in the streets of Cusco, Peru. But, they were no three figures, they were Jessica Code, daughter of Lincoln's future wife, Giffany. Gabrielle Von Schweetz, daughter of Lincoln's future wife, Vanellope Von Schweetz. and Abby Muttonfudge, daughter of Lincoln's future wife, Taffyta Muttonfudge. Lincoln woke up from the dream, but he wasn't the only one, Giffany, Vanellope Von Schweetz, Taffyta Muttonfudge, Black Alpha, Nico, and I also had the same dream.

Lincoln: Same dream?

Black Alpha: We sure did, Lincoln.

Giffany: And not only that, it also means that we found out where our kids are at. Any ideas where are they at?

Me: They're at Cusco, Peru.

Nico: Oh man, that's not good. Even though Cusco, Peru, is a nice place, but not so much for little kids.

Lincoln: That's right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Black Alpha: We're on it, Lincoln.

As we whore about to go Cusco, Peru, to rescue Jessica Code, Gabrielle Von Schweetz, and Abby Muttonfudge, Then suddenly, there was a knock at the door.

Taffyta: (sighs and went to the door) Who would that be in the middle of the Night? We have importing mission to do.

Taffyta opened the door and found a fully futuristic metallic Hawk. But this is no ordinary hawk, It was the Live Action version of Airazor.

Live Action Airazor: Are you Giffany, Vanellope Von Schweetz, and Taffyta Muttonfudge?

Vanellope: Whoa, A metal bird.

Giffany: Yes, we are.

Taffyta: And who are you?

Live Action Airazor: My name is Airazor, from the Movie Universe.

Vanellope: The Live Action version of the Beast Wars character?

Live Action Airazor: Correct! And do these young kids belongs to you three?

The three kids that whore with Live Action Airazor, was a 13-years-old girl who has light tan skin, long straight hot pink hair with white stripes that she keeps tied up in a high ponytail tied back with a large pink, blue, and yellow computer ribbon cable-like bow, curled slightly at the ends. She wears a warm gray blazer fully buttoned and untucked, white sailor school uniform with a pink bow, dark blue pleated skirt, white thigh-high socks with two pink stripes near the top, and pink Mary Janes. A young 9-years-old girl who has fair skin, orange-rosy cheeks, long dark brown hair pulled back into low pigtails; it's decorated with a various assortment of small candies, and chestnut eyes. She wears a cream jacket, white shirt with three buttons, white gloves, cream skirt, cream leggings, candy corn colored leg warmers, and deep chocolate boots with reddish soles. And a young 9-years-old girl who has fair freckled skin, rosy cheeks, long platinum-blonde hair pulled back into low pigtails, and blue eyes. She wears a strawberry cap, pink hoodie with bright pink bootlace tassels, pink skirt with icing white wavy line, white and yellow candy cane like stockings, and chocolate brown shoes with little hearts. They are Jessica Code, Gabrielle Von Schweetz, and Abby Muttonfudge.

When Giffany, Vanellope, and Taffyta saw them, they were stunned.

Taffyta: (stunned) How?

Vanellope: (Stunned) How did you find them?

Live Action Airazor: I find them out on the streets in Cusco, Peru.

Giffany, Vanellope, and Taffyta ran up to Jessica Code, Gabrielle, and Abby, and they hugged, and they cried tears of happiness (especially Taffyta, Who cried so hard that the mascara she wears, is running down her face), Then, Lincoln joined in on the hug, along with me, Nico, and Black Alpha.

Me: Thanks, Airazor.

Live Action Airazor: You are welcome, J.D. (to Lincoln) Do you have something to say to the girls, Linky?

Lincoln: Course. (To Jessica Code, Gabrielle, and Abby) there's something you guys should know, Giffany, Vanellope, Taffyta, your mothers are one of my many future wives.

Jessica Code, Gabrielle Von Schweetz, and Abby Muttonfudge: That means… you're our father.

Lincoln smiled, and that filled Jessica Code, Gabrielle Von Schweetz, and Abby Muttonfudge with joy, as he picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Live Action Airazor's neck with brown gems on the gold lightning bolts and brown crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Live Action Airazor: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives,

Airazor.

Live Action Airazor had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them, And then, Lincoln told everyone what happened. and he then introduced Jessica Code, Gabrielle Von Schweetz, and Abby Muttonfudge to the rest of his siblings, who are now their aunts. We were proud of what Lincoln, and Live Action Airazor did in reuniting Giffany, Vanellope Von Schweetz, and Taffyta Muttonfudge with their kids, and they now have Lincoln as a loving, strong, brave, and caring father in their life.

Carly Atlas: It sure does and I think this part of the park is awesome.

Lincoln: I agree there too.

Camie: This place is amazing.

Qin: It sure is.

Lola: I'll say.

Nico: It sure is fun and awesome coming to PokePark.

Me: You said it Master Goku. I think it's so awesome myself.

Nico: Kakarot, you will always be the representative of the Saiyan Race.

Goku: (LAUGHS) I sure will and so are you Nico. And you have an awesome appetite like me.

Nico: (LAUGHS) You're not kidding there Kakarot. But it's awesome that our race is back and on the road to redemption now that Frieza is gone forever.

Goku: That's for sure.

Nico: That monster deserved it.

Laney: He sure did.

Lola: Yeah no kidding.

Sakura Knudson: What a jerk. I hate Frieza.

Me: No kidding. Frieza got what was coming to him.

Lola: Yeah he sure did.

Goku: What does that make Vegeta?

Nico: He can still be Prince. It's just that you've always been the main one to defend your world.

Goku: (LAUGHS) That is true. I did defeat many of our strongest enemies.

Me: Both you and Master Vegeta did it all. You started out as enemies, then rivals and now friends.

Camie: Boy no kidding. That is awesome.

Lola: Yeah.

Nico: I agree. Boy the Flying Zone yesterday was so awesome.

Lola: It sure was.

Rainbow Dash: That was so awesome to do all that flying.

Me: It sure was. That was the most fun we ever did in that one.

Laney: It sure was awesome. And those laser turrets added a lot of fun.

Nicole: They sure did. That was awesome.

Nico: Even Sigilyph had fun.

Me: He sure did.

Nico: And J.D. that will always crack me up, Bastion doing the Banana Boat Song to drive Baron Alberto nuts.

Me: (LAUGHS) Yeah but Darkrai brought that up and it was really funny.

Lola: (LAUGHS) Yeah it sure was.

Varie: (LAUGHS) That was funny seeing that back then when we were in Texas.

Eli: (LAUGHS) Yeah that was awesome

Nico: Are you going to show the clip of that J.D.?

Me: Like you even have to ask on that.

Nico: Nice.

Qin: That will be funny to see for him.

Nico: I hope whatever Reunicles is working on, it fucking works.

Me: Me too but I know it will work.

Laney: Yeah me too.

Xenia: That is for sure.

Wallflower Blush: We're not going to give up hope on that or anything.

Poromon: And if any of his minions come at us we'll show them the Blood and Honey trailer.

Poliwag: Yeah. Ambassador Missions will not just be what it'll limited to. We can use it on bad guys to make them scream in fright and vomit in disgust.

Lola: That's a good reason.

Nico: Just don't hurt them too badly.

Manaphy: We won't.

Nico: Good.

Lola: Yeah.

Maria: But PokePark is awesome.

Nico: Yep.

Pikachu 2: You'll like the Granite Zone. It's a really amazing Temple.

Me: It sure is. Wow. Is there any ancient treasure in here?

Pikachu 2: There are Attractions

Me: Cool.

Laney: What Attractions are here this time?

Nico: And whatever they are we're ready for them.

Charmander: Absol's Hurdle Bounce and Salamence's Aerial Ace

Me: Cool!

Qin: Lola: This will be fun.

Varie: Yeah!

Me: Just as long as I don't get nailed in the crotch like how Shawn did on Total Drama.

Lola: Ooh! OUCH! I remember seeing that one and that was painful.

Nico: Yeah. Lets go find Absol first.

Pikachu 2: Okay.

We went to find him.

Nico: Leni can do Absol's Hurdle Bounce.

Leni: Me? But I am not good at Hurling.

Lisa Loud: Leni it's called Hurdles. You jump over bars while running.

Leni: Oh right. I see what you're saying.

Nico: Okay.

We went to find Absol.

We found him.

Absol: Team Loud Phoenix Storm welcome.

Me: Awesome to meet you Absol.

Nico: Yeah.

Absol: You sense it too, don't you? The threat to the Pokepark.

Me: We know it's coming. It's a black hole caused by the actions of Darkhai.

Lola: Yeah.

Lana: It's a terrible force.

Absol: To clear my attraction, you must cross the finish line in a specific amount of time.

Leni: Like that will totes be easy.

Lola: Go for it Leni!

Xenia: Yeah!

Absol: All right then.

Nico: Here we go.

Absol: GO!

They ran and Leni jumped over lots of hurdles in a short amount of time and she crossed the finish line!

Me: WOOHOO! Go LENI!

CRUNCH!

I accidentally kicked Nico in the crotch as I was cheering.

Nico: (GROANS)

Me: (GASP) Oh my god! Sorry Nico.

Nico: (Squeaky voice) No worries!

He was back to normal in an instant.

Nico: Healing factor, remember?

Me: Sorry got caught up in the excitement.

Leni: But that was Totes fun!

Qin: It sure was! Awesome job Leni!

Lola: Yeah!

Lana: Awesome job sis!

Leni: Thanks guys!

Nico: Lori can do Salamence's Aerial Ace.

Me: All right then.

Maria: I'll call her in.

She did so and in a swirling vortex of wind came Lori Loud.

Lori: I'm literally here guys.

Xenia: Awesome Lori.

Lori: This place is literally amazing

Me: It sure is.

Nicole: Yeah it looks like a temple. It brings out the awesome explorer in all of us.

Qin: Yeah.

Nico: Anyway we called you here for the attraction of the area.

Lori: Really? What is it?

Chikorita: Salamence's Aerial Ace.

Lori: OMG I love to fly. This will be fun.

Lola: It sure will.

Nico: Yep.

Pikachu 2: Lets find him.

We went to find Salamence.

We went and found him.

Salamance: Team Loud Phoenix Storm. Awesome to meet you.

Lola: Same here.

Salamance: All you have to do is fly through the air and blast the targets

Lori: This will literally be fun.

Me: That's easy. Go for it Lori.

Nico: Yeah!

Lori was ready.

Salamance: Ready?

Lori: Ready.

Salamance: GO!

Lori flew and blasted numerous targets in seconds as she was flying.

Lori: WOOHOO!

Lori was blasting the targets.

Poromon: Go, Lori!

Lori won with a score of 59,878.

Lori: YEAH!

Qin: YAY LORI!

Then she won!

Poromon danced on Lori's head.

Lori laughed!

Qin: That was awesome!

Nico: Yeah!

Lola: Fun too.

Xenia: Yep.

Nico: Now that the fun is done lets get down to business.

Eli: And I already found the Anothers. We have Another Chaos (Primal Rage), French Onion Soup, Sauce Guru (TTG), Angry Volcano, Evil Hot Sauce (SpongeBob), Bui and Carly Atlas.

Lola: WHOA!

Lana: This will be good.

Lily: That Evil Hot Sauce is the Volcano Hot Sauce that Sandy likes.

Eli: Ooh!

Nico: I want to try the Evil Hot Sauce!

We laughed!

Lily: Okay.

Maria: Who do we call in for them?

Me: Well Chaos already has an archenemy, Emily Bathory. But I do have good ideas for 3 of them. I summon DARK MAGICIAN GIRL THE DRAGON KNIGHT, MAJESTIC RED DRAGON AND MAJESTIC STAR DRAGON!

I summoned said monsters!

Qin: COOL!

Nico: NICE!

Me: And lastly for Another Sauce Guru it'll be Fimena is the Blue Centaurette.

Maria: That blue hair one from Fantasia? Wow!

Nico: Nice.

Maria called her in.

Fimena: I'm here guys.

Me: Cool.

Eli: And I sense the Anothers minus Carly Atlas are one person. But this is interesting. She's one of Lincoln's guardian angels but is the avatar of all the Earthbound Immortals.

We gasped!

Qin: WHOA!

Carly Atlas: This will be awesome!

Emily Bathory came too.

Emily Bathory: Ready for this.

Nico: Awesome.

We then saw a bunch of figures!

Nico: There they are!

Out came Another Chaos (Primal Rage), French Onion Soup, Sauce Guru (TTG), Angry Volcano, Evil Hot Sauce (SpongeBob) and Bui!

Goku: Time for some action! (GOES SUPER SAIYAN!)

Me: YEAH

Qin: Awesome!

Another Chaos: (In a girls voice) This will be so awesome.

Lincoln: That voice!

They merged and she reverted back and it was a girl with black hair and had purple eyes and black angel wings and had the kanji for darkness in the middle of her forehead and she had a black dress and had the symbols of the Nazca Lines of the Dark Signers along her arm and she had a black blade sword with the symbols of the Nazca Lines on the blade.

Lincoln: Carla Nazca!

Carla Nazca: Awesome to see you again Lincoln and my goodness you grew into an awesome young man.

Lincoln: I know. I haven't seen you since you were 17. Carla is one of my guardian angels and she is also known as The Avatar of The Nightmare of The Earthbound Immortals. She she has all the powers of the Earthbound Immortals and the Dark Signers. She also has an intense burning hatred towards Flip.

Me: Uh oh. What did that mutant cheapskate do this time?

Carla Nazca: Tried to steal all the money from the country and the worlds global economy and send the world beck to the stone age!

We gasped!

Me: That mutant cheapskate is pure evil incarnate!

Qin: Yeah!

Me: Nico he really needs the Black Gates for his crimes!

Nico: I know but we made up our minds and that Humiliation Fodder was good enough for him.

Lola: Yeah.

Me: Anyway is the Another Carly Atlas friendly or hostile?

Carla Nazca: Friendly and Carly I think will be in for an amazing surprise when she sees her.

Nico: Okay.

Girl Jordan: But first lets separate you from the Anothers.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies outside had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

She glowed and was separated from all the Anothers.

Then the heroes blasted some of the Anothers and I caught the Wonder Ride Books.

Another Evil Hot Sauce: By the powers of naughtiness, I command this particular drop of hot sauce to be really, really hot!

Nico: (grabs him) Whatever.

Nico drank him down and he then belched out a HUGE JET OF FIRE and melted a huge hole in the rock wall.

Nico then started choking!

Me: UH OH!

I then kicked Nick hard in the butt and he spit out the Wonder Ride Book and I caught it.

Nico: Ahh! That's better! Thanks J.D.

Me: You're welcome.

Girl Jordan: You seriously drank him?!

Nico: I like hot stuff. What did you expect?

Me: We've known about that for a while. But that was awesome and funny.

Lola: Yeah.

Nico: Now for Another Carly Atlas.

Carly Atlas: I have a feeling this one is going to be interesting.

Maria: She'll be here any minute now.

Me: We don't have to wait long!

Out of a swirling vortex of orange and black fire with the Hummingbird Nazca Line came Another Carly Atlas!

Qin: Whoa!

Me: It's like looking at yourself in the mirror!

Carly Atlas: Boy it sure does feel like it!

Nico: Yeah!

Another Carly Atlas: My goodness Carly you have grown into an amazing young woman.

Carly gasped when she heard that voice!

Carly Atlas: It can't be! Mom?

She reverted back and to our shock and amazement it was Carly's mother Carmen Carmine!

Carmen Carmine: Its been a long time Carly.

Carly had tears stream down her face and she ran and hugged her mother for the first time in like ever.

Carly Atlas: MOM!

She went and hugged her and cried hard.

Me: Aww. Jack told me what happened with Carly's mother. She died when Carly was born and Carly's stepfather couldn't handle the grief so he committed suicide.

Nico: Oh no!

Me: Yeah. Carly was living in an orphanage for a while and she made it good as a journalist.

Nico: Poor Carly.

Maria: Carly step away from her now.

Nico: Maria let them have a reunion. Carly never even knew her mother once and she never even got to be with her. Let them have a nice talk.

Maria: Oh right. Like how I was when I lost dad.

Me: Yeah.

Carly Atlas: (Crying) Mom I missed you so much! A lot has happened to me.

Carmen Carmine: I know Carly. I saw everything that happened to you from Heaven and I am so proud of you. You have come a long way and found the amazing love of your life.

Carly Atlas: (Sniffles) Jack is an amazing man for me and has supported and helped me in my hours of darkness. Even when I turned into a Dark Signer.

Carmen Carmine: I know. And Jack is perfect for you. You made me very proud. Jack is so lucky to have you help him and more.

Me: He sure is Mrs. Carmine. Carly has come a long way ever since she started out and we're really proud of her.

Nico: We sure are.

Eli: All of us are.

Carmen Carmine: I know guys. You are all a great family for her.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Carmen Carmine: I think I already had my promise fulfilled and that is for Carly to be happy. But if it were anything it's that I would want to be with Carly to help her out.

Me: That is definitely a possibility.

Nico: Yep.

Lincoln: But we don't have to fight you as an Another.

Lincoln fired a beam of light and separated her from the Another.

Carly Atlas: That's better. Whoa!

Another Carly Atlas: I will have my revenge on Jack!

Carly Atlas: (GASP) I can't believe that this is what I was like when Aslla Piscu took over!

Me: Boy the amount of hatred and darkness and evil coming off of her is mindboggling!

Kaito and Zocks: Zenkaiju gear!

They donned their Zenkaiju Armor!

Lola: YEAH!

Carly Atlas: Mom get to my friends and stay with them. This is gonna get ugly.

Carmen Carmine: Okay.

She went with us.

Me: Lets get her!

Misty Tredwell: This is gonna be brutal.

Nico. (gets out Carly Atlas' Ridewatch) Time to use Aslla Piscu's power!

Nico activated it and flared up an orange fire aura and fired waves of fire and blasted her down.

Nico: You know I've always wanted to try out Bui's power. (ACTIVATES BUI'S RIDEWATCH)

Then a massive green energy aura exploded out of Nico and it was as strong as 600 Bui's!

Me: WHOA! WHAT POWER!

Laney: Incredible!

Bui: Nico is a natural at using my Battle Aura.

Me: That is for sure Bui.

Nico fired a wave of energy and it hit Another Carly and exploded!

Qin: WHOA!

Laney: What power!

May: (gets out Dino Patrol and King Rextopher's Ridewatch) Go dino!

May activated it and summoned dinosaurs and they went at Another Carly Atlas and smashed her all over.

May: Top this one! (ACTIVATES DARK VOLTAIK'S RIDEWATCH)

She fired waves of energy and smashed her down.

Me: YEAH!

Maria: (gets out J.P. Cubish's Ridewatch) My turn!

Maria activated it and then she fired waves of pies and cakes and splattered her all over and J.P. Cubish was laughing hysterically from it!

Me: (LAUGHS) The way he laughs is so funny and utterly contagious!

Xenia: (LAUGHS) SO FUNNY!

Maria: (LAUGHS) Yeah! (Activates Gillmarda's ridewatch) Have some fish!

She fired waves of fish and energy and smashed her all over the place!

Then See-More, Rainbow Raider, Nightmare (Metroid), Wolf Dogcatcher, Shadow Prove and Lunch Lady Ghost came.

Nico: Nice team See-More!

See-More: Thanks Nico!

Qin: This will be awesome.

Lola: Yep.

Goku: Lets get this going!

Me: You read my mind Master Goku!

Me and Goku: KAAAA MEEE HAAA MEEE HAAAAAAA!

MASSIVE AND POWERFUL FIERY EXPLOSION!

Nico: BOOM!

Qin: YEAH!

Lola: That was awesome!

Goku: Now for this! (ACTIVATES BUI'S RIDEWATCH)

He flared up a yellow version of Bui's Battle Aura and fired a wave of energy and smashed her down with a powerful explosion!

Nico: Nice one Kakarot!

Me: Yeah!

Camie: That was awesome!

Maria: Save some for the next Gene Slammer!

Nico: Cool a Wooloo and Dubwool!

Wooloo: (In a girls voice) (Swiss Accent) Oh ja! This will be fun ja.

Dubwool: (In a girls voice) (Swiss Accent) Ja ja it sure will.

Nico: Heidi and Hilda Limburger! Whoa!

They reverted back and they were both German Oktoberfest Beer Girls and had blond hair and German Beer Girl Clothes on.

Hilda Limburger: Good to see you again Nico ja.

Heidi Limburger: Ja und you are looking well.

Hilda Limburger: We got this ja.

They fired waves of energy and blasted Another Carly and I caught the Ridewatch and purified it.

Carmen Carmine: That was so awesome!

Carly Atlas: It sure was!

Varie: Boy Carly you and your mother have a tremendous amount of catching up to do.

Maria: Save some for the next Gene Slammer!

Then a Wooloo and a Dubwool came!

Nico: Cool a Wooloo and Dubwool!

Inuyasha: I knew this day was coming, now Ryūra is going to pay big time.

Melanie Inuyasha: You got that right. Oh, and later today, Fiona Foodon's going to tell you all of how she busted that fat cheapskate, Flip, when he tried to kill kill numerous customers to cash in on all their life insurance policies by putting Thallium in Lynn Sr.'s food at Lynn's Table, and I'll tell you guys of how I pulverized Flip, Scoots, Lewis Travolta, Chandler and his goons, Lori, Luan, Lynn, Lola, Lisa, and all of Lincoln's enemies when they tried to kill him in another blood-driven rage.

Nico: This I got to hear!

Lily: Lincoln told us of what that cheapskate tried to do, and Flip got what he deserved for that stunt, not to mention what Dad did to him, and it was the first time Dad did a violent beatdown on Flip in the same way Lincoln's Guardian Angels beat him, Scoots, Lewis Travolta, Chandler and his goons, Lori, Luan, Lynn, Lola, Lisa, and the rest of Lincoln's enemies into the ground.

Eli: Wait, what?!

Me: It's true, Eli, and Fiona's got the video on that to prove it.

Fiona Foodon: Yep, and it also proves: you mess with one of the many things he holds dear to his heart.

Lynn Sr.: And someone was going to be in for one bloody beatdown.

We also saw quite a storm raging in Missouri.

Maggie: That's some storm raging.

Lincoln: No doubt it's Ryūra, and those twin swords he has: Fūjinga and Raijinga.

Suddenly, we saw a very beautiful and super sexy girl with long red hair and purple hairband, purple eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful white angel wings, she's dressed in a blood red coat with a coat of arms on it, white short-sleeved shirt, necklace with pearls and purple gem for the pendant, black pants, white bridal gloves, black knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with knights, swords, magic, dragons, light, and angels on the coattails and on the back is Noble Knight Medraut, in her right hand is The Sword of Hope, and with her are the four girls.

Red-Haired Girl: I hope I'm not too late, and I got the girls away from that dragon demon before he could kill them.

Lincoln: No, you're not, Melissa Mordred, you're just in time. In fact, we were just about to head after Ryūra right now.

?: You shall all pay for what you did in killing me, Inuyasha!

We then saw our target, Ryūra, the leader of the Shitōshin, and boy, was he pissed off big time! And the lightning storm had gotten even stronger.

Sylvester: If it isn't Ryūra, looks like the fight's about to heat up and the storm's gotten stronger.

Then, Lincoln drove his massive greatsword into Ryūra's stomach, and he began sucking out his vast dark and demonic powers, lightning and wind powers along with his blue Sphere of Power, immense strength, speed, agility and reflexes, stamina, durability, superhuman regeneration factor, demonic magic, and demonic abilities, and he made them his own, and his massive greatsword also absorbed Ryūra's twin swords, Fūjinga and Raijinga. Then, Lincoln proceeded to slice Ryūra into a million pieces with a rainbow super lightning-infused Wind Scar that he fired from his massive greatsword and the demon was shredded apart and his soul was sent to The Black Gates for good. We cheered as we holstered our weapons and powered down.

Lincoln: That's the end of the Shitōshin once and for all. (To Melissa Mordred) And it's so good to see you again, Melissa Mordred.

Melissa Mordred: You too, Linky, it's been a long time.

Lincoln went up to Melissa Mordred and he hugged her, and Melissa Mordred is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much stronger and muscular he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces soon went even deeper when they saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms and short stubble on his jawline, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Melissa Mordred: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height and became a man, but you're still the same kind boy from long ago. Plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Melissa Mordred, Gene-Slammer of Noble Knight Medraut, she's my Guardian Angel from Michigan and she's a very powerful wielder of magic and she's a very powerful swordswoman, and a member of The Royal Woods Knights of The Michigan Table. She trained me both in the art of swordsmanship and in magic, and I became a very powerful swordsman and master of magic, and she also taught me much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those I love and hold dear to my heart, and never to let those with such malice and evil in their black hearts get away with their crimes.

Nico: Nice.

Lincoln: Plus, you're going to love hearing this: Melissa Mordred's also a direct descendant of Mordred of Camelot, one of the skilled Knights of the Round Table, but he's also Arthur's traitorous nephew.

We gasped.

Me: Mordred, the treacherous nephew of Arthur. His treachery had marked him for life as a traitor.

Nico: That was always the one thing that made him infamous in the legends, his treachery.

Melanie Artorgius: But unlike her ancestor, she's not a traitor, and Lincoln made her a blood red coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Melissa Mordred hates Chandler and his minions with a very blazing passion.

Inuyasha: Oh for the love of…? What did he do?

Melanie Artorgius: One day, Melissa and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Chandler and his goons, and they'd brought with them an army of thugs Chandler hired. Melissa Mordred and Lincoln went out there along with the rest of us, and she'd slain them with her greatsword.

Nico: That little prick and his two goons, I should've known they'd have a hand in this.

Melanie Artorgius: Yep, and it drove Chandler and his goons into a blood-crazed fury, but before they could get after us, Lincoln and Melissa fired chains of light magic which bound Chandler and his goons and tied them up. He called his family and his sisters for this, and needless to say, his sisters wanted Chandler's head on a pike, but Lincoln wasn't surprised, Chandler's tried to kill him many times in the past, and the same went with his goons, but in the end, their plan failed, and we gave them to the cops and they got taken away to juvie, and to make sure that prick didn't try to get revenge, Melissa and Lincoln casted a spell to prevent them from coming back to hurt them because messing with the descendant of Mordred of Camelot and one of the members of The Royal Woods Knights of The Michigan Table will have disastrous consequences.

Lily: Dark Chandler was such a homicidal little monster, he always tried to kill Lincoln, Laney, and everyone who got in his way.

Lana: Not to mention he caused everyone a whole lot of trouble in the past with a lot of his stunts and always being a rotten bully who smelled like a sewage plant.

Lincoln: Blame Dark Chase Young for that one, he was nothing more than a monster who wanted to make everyone suffer for his own twisted amusement.

Anna Anyanova: And what he did seven years ago turning Lori, Lynn, Lola, Lisa, Luan, and Principal Huggins into those monsters, we can never forget that nor forgive, he deserved to die for that.

Lincoln: Big time, Anna, and now that you're here, Melissa.

Lincoln went up to and hugged Melissa Mordred in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Melissa Mordred: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Melissa Mordred's neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Melissa Mordred: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Melissa Mordred.

Melissa Mordred had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them, then, we went up to the four girls, and when Lincoln saw who they were, they immediately recognized them. The four girls are Eimi Hino, Ria Nashiki, Shinoa Arima, and Yukio Sonohara from Anetomo.

Lincoln: Oh wow, it's Eimi Hino, Ria Nashiki, Shinoa Arima, and Yukio Sonohara from Anetomo.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Eimi Hino: Yes, we're okay, thanks to you.

Then, when Emi Hino and the other three girls saw who it was that saved them from Ryūra, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest,

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Eimi Hino: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Eimi Hino, Ria Nashiki, Shinoa Arima, and Yukio Sonohara with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team was shocked to find out the villain we went was the last member and leader of the Shitōshin, Ryūra, the powerful dragon daiyōkai.

But, when Lincoln showed what all of us did in beating Ryūra down, and then, Lincoln driving his massive greatsword into the stomach of Ryūra and sucking out his vast dark and demonic powers, immense strength, agility and reflexes, endurance, stamina, durability, demonic magic, lightning and wind powers and abilities and he made them his own, and Lincoln's massive greatsword also absorbs the twin swords, Fūjinga & Raijinga, and then, slicing him to ribbons with a Wind Scar that killed him and sent his spirit to The Black Gates forever, everyone cheered and hugged us and Lincoln's harem kissed him all over, and he had steam whistling out his ears. Lincoln and Melissa Mordred have a lot of catching up to do, now that she's back in town.

Maria: Oh man, so that storm that was in Missouri was Ryūra, and you guys did awesome destroying him.

Lincoln: Yep, now we're finally rid of the Shitōshin. Plus, not only did I suck out and absorb Ryūra's vast dark and demonic powers, lightning and wind powers, immense strength, agility and reflexes, endurance, stamina, durability, demonic magic, and abilities and I made them my own, but my massive greatsword also absorbed his twin swords, Fūjinga & Raijinga. Watch this.

Lincoln unholstered his massive greatsword.

Lincoln: LIGHTNING WIND SCAR BLADESTORM!

Lincoln swung his massive greatsword and fired lightning blades which struck and electrocuted the jerks, and they were really covered in soot, and they raged at us again, and we laughed as we saw it through a one-way window.

Nico: (Laughs) Serves you jackasses right!

Inuyasha: Next time, we'll do much worse to you!

Me: Oh, we can definitely think of much worse than that.

Inuyasha: That was one awesome lightning variant of the Wind Scar, Lincoln. Who knew there were elemental variations of the Wind Scar.

Lincoln: Thanks, Inuyasha.

---

After finally getting rid of Ryūra and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Melissa Mordred saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Melissa Mordred: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Melissa, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Melissa Mordred: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Melissa Mordred: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Fiona, what's the story on how you clobbered that mutant cheapskate, Flip, when you caught him trying to kill the customers at Lynn's Table by putting Thallium in their food so he can cash in on their life insurance policies, and how that also led to Mr. Lynn giving that mutant a bloody beatdown?

Fiona Foodon: Now, that's a story I've never forgotten.

Fiona Foodon put up the video of said incident and it played on the screen for all to see. We see Fiona Foodon, Lincoln, and Lynn Sr. working at Lynn's Table, and it was mega packed.

Past Lynn Sr.: Thanks for the help, Lincoln and Fiona, the restaurant's getting packed with tons of customers!

Past Fiona Foodon: No problem, Mr. Lynn.

Past Lincoln: It's always a pleasure helping out, Dad.

Kagome: Wow, there sure are a lot of customers.

Lincoln: Ever since Dad opened Lynn's Table years ago, it's drawn in tons of customers all over the sectors of Gotham Royal York.

Suddenly, we saw something in the shadows, and we knew who it was: Royal Woods' disgusting hairy fat mutant cheapskate, Flip, and he had some Thallium in his hand, and he knew there were a lot of customers with life insurance policies.

Past Flip: (Snickers) Enjoy your last meal, suckers!

We gasped as soon as we saw what he's about to do: FLIP WAS GOING TO PUT THALLIUM IN THEIR FOOD TO KILL THEM SO HE CAN CASH IN ON THEIR LIFE INSURANCE POLICIES!

Inuyasha: That mutant, he's going to poison them!

Suddenly, Fiona Foodon sensed that the food was in danger of getting laced with Thallium, and she also pressed the button sounding an alarm.

Past Fiona Foodon: FLIP, YOU FUCKING MUTANT! HOLD IT

RIGHT THERE!

The spotlight shined on Flip, and everyone saw that he had Thallium and he was about to put it on the food of the customers.

Past Flip: (SCREAMS) No! You morons are going to pay for that!

Flip was so mad, he ran at Fiona Foodon and Lincoln and was about to kill them until Lynn Sr. stepped in and punched him hard in his face!

POW!

The force of the punch was so powerful, it sent Flip flying out the door and he crashed into a pile of trashcans, and Lynn Sr. wasn't happy one bit.

Past Lynn Sr.: You've done some really low things in the past, Flip, from the disgusting and very gross things that happened at your toxic waste dump of your gas station to trying to con us with that boat ride that could've taken us to Skull Island to get us killed and numerous other things, but you crossed numerous big lines by trying to kill my children, Rita, myself, and our friends many times over and all for petty revenge, and to slake your insatiable greed.

Past Flip: ALL OF YOU ARE A BUNCH OF LOSERS WITH WALLETS OF CASH! I COULD'VE BEEN RICH IF YOUR STUPID SON HADN'T RUINED EVERYTHING! I'LL KILL YOU, YOUR STUPID KIDS, YOUR DUMB WIFE, AND EVERYONE AROUND YOU LIKE THAT IDIOT, DANIEL, DID TO YOUR STUPID DAD WHEN I HIRED HIM TO KILL YOUR DUMB DAD AND STEAL THE VAULT THAT HAS MONEY IN IT! (LAUGHING MANIACALLY)

What Flip said suddenly caused Lynn Sr. to see blood red.

Nico: Uh oh.

Lincoln: If you thought me seeing red when I was about to attack Lori, Lynn, Lola, Lisa, Luan, and my many enemies was bad, what Flip said that day really caused Dad to see blood red.

Suddenly, Lynn Sr.'s heart was pounding and his green eyes turned blood red, his canine teeth grew into long sharp fangs, his nails suddenly grew into long sharp claws, and then, Lynn Sr.'s abnormally massive upper and lower body muscles suddenly grew much bigger as he let his rage loose.

Lynn Sr.: So, all this time, all those years ago, it wasn't just Daniel Derek Monroe who murdered my Dad, but you… , (SUDDENLY GETTING EXTREMELY ANGRY) You were the one who orchestrated my dad's death, just so you can get your hands on our money…?! PHILLIP PHILLIPINNI, I'M GONNA RIP YOUR THROAT OUT, AND THEN, I'M GONNA RIP OUT AND FEED ALL YOUR MUTATED ORGANS TO THE VULTURES, AND THEN, I'M GONNA CUT YOUR UGLY HEAD OFF AND MOUNT IT ON A STAKE FOR THE BIRDS SO THEY CAN PICK YOUR EYES OUT! (ROARS WITH ANGER)

We gasped.

Lincoln: Yep, Dad was really really angry that day!

Lynn Sr. the beast out in him and Flip bellowed with rage and charged at Lynn Sr., but Lynn Sr. had punched him hard in his fat hairy gut and he lifted Flip up off the ground with his really immense and powerful superhuman strength and he threw him into a tree, and he attacked him with dangerous and extreme ferocity, and he was getting Flip's blood on his clothes with every punch he gave him.

Nico: YEAH! KICK HIS THREE-CHEEKED ASS, MR. LYNN!

Then, Lynn Sr. unholstered his sword, and he flew up into the air, and he came down with his blade raised, and then!

SLASH!

Lynn Sr. slashed off Flip's genitals and Flip screamed with extremely agonizing pain and left behind a massive pool of blood.

Past Lynn Sr.: THAT'S FOR MY DAD'S DEATH AND FOR TRYING TO KILL ME, MY WIFE, MY KIDS, AND MY FRIENDS AND CUSTOMERS, YOU BUTT-UGLY HAIRY MUTANT!

Lincoln tied Flip up in vines and the cops came.

Cop: Whoa, we saw the whole thing on video. You really gave it to Flip really good, Mr. Lynn.

Past Lynn Sr.: Get that filthy mutant out of here, officers.

Cop: Will do. This is the absolute last time we ever have to deal with you trying to escape from prison yet again, Flip.

The cops loaded a screaming and wrapped up Flip into the police van and it drove off, and Fiona gave him the finger and that caused Flip to bellow with rage and anger again as the van drove off and the video ended.

Nico: Oh man, I… I have no words to even describe what we just saw.

Nicole: What we just saw is pure rage unleashed. That mutant opened up his big fat mouth and he had said the whole thing, and that caused Mr. Lynn's anger and rage of that horrible incident decades ago to surface, and he sought bloody revenge on the mutant responsible for this whole mess.

Rita: Lincoln and Fiona told us all the whole thing, and when Lynn told me Flip's the one responsible for hiring that serial killer to kill his Dad all those years ago, I was at the same level of anger at Flip. Lynn got into the shower and got that mutant's blood off, and then, we gave him a group hug and he cried with so much pain and anguish.

Nico was literally red with so much anger.

Nico: (ENRAGED SCREAMING) FLIP, YOU REALLY ARE THE LOWEST OF THE LOW FOR WHAT YOU TRIED TO DO AND ALL FOR MONEY, YOU REALLY ARE NOTHING MORE THAN THE EMBODIMENT OF THE SIN OF GREED, IF I EVER SEE YOUR UGLY FACE AGAIN, I'LL THROW YOUR BLOATED BODY TO THE VULTURES!

Inuyasha: I'm still surprised you guys haven't decided to remove the curses and send him straight to The Black Gates after hearing all those revelations about him.

Lincoln: As much as we wanted to, we'd made up our minds not to, but the revelations serves as fuel to our determination to make Flip pay for everything he's done.

Melanie Inuyasha: You got that right. Okay, my turn.

Melanie Inuyasha pulled up a video, and it showed her and Lincoln out at Lake Huron along with the rest of his Guardian Angels and Leni, Luna, Laney, Lucy, Lana, Lily, Lynn Sr., and Rita. Suddenly, they heard and felt an earthquake made of stampeding footsteps, and they saw who it was that made it: it was Flip, Scoots, Lewis Travolta, Chandler and his goons, Lori, Luan, Lynn, Lola, Lisa, and all of Lincoln's enemies, and they were trying to kill Lincoln in another blood-fueled rage.

Past Rita: What the?! Okay, that's it, Lori, Lynn, Lola, Lisa, and Luan are so grounded when this mess is over with.

Past Melanie Inuyasha: I can't believe they're doing this again. Too many times they've tried to kill Lincoln, and no matter how many times they get beaten up, they always come back for more?! It's sickening!

Suddenly, we saw the sclera of Melanie Inuyasha's turn red, her gold eyes turned into teal slits with white pupils, her claws and fangs grew longer, and jagged purple stripes appeared on her cheeks, and she unholstered her Tessaiga from her back.

Melanie Inuyasha: You filthy vermin are going to get what's coming to you. You've had too many chances to stop this madness, but no. Now, you're about to experience the very pain you've dealt unto Lincoln infinite-fold.

Melanie Inuyasha went after Flip, Scoots, Lewis Travolta, Chandler and his goons, Lori, Luan, Lynn, Lola, Lisa, and all of Lincoln's enemies and she slashed at them with her claws and with her Tessaiga, and when she was done, Flip, Scoots, Lewis Travolta, Chandler and his goons, Lori, Luan, Lynn, Lola, Lisa, and all of Lincoln's enemies were lying on the ground and tied up by Selene Arcangela. Lincoln ran up to Melanie Inuyasha and he hugged her as she turned around, and when that happened, that sudden contact caused her to change back as her red sclera turned back to white, her teal slits with white pupils turned back to gold eyes, her claws and fangs shrank back to their normal size, and the jagged purple streaks had disappeared.

Past Melanie Inuyasha: Lincoln…?

Lincoln continued hugging her tightly, and she let him as she hugged him back as the video ended.

Inuyasha: Melanie.

Melanie Inuyasha: I'm sorry you had to see that again, Inuyasha. But, I couldn't just…

Inuyasha: I know. You weren't going to let anything bad happen to Lincoln being his Guardian Angel, and what we saw, it was further proof of Dark Chase Young's depravity, he has no humanity nor any remorse like Naraku.

Lincoln: They both committed crimes that were indeed unforgivable, and we couldn't let any of them live any longer.

Me: You got that right.

Nico: They were a bunch of monsters through and through.

We got a shower, and then, Lincoln, Arahime the Manifested Mikanko, Ha-Re the Sword Mikanko, Hu-Li the Jewel Mikanko, Ni-Ni the Mirror Mikanko, and Ohime the Manifested Mikanko are heading to Aquatic Ruin Zone.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Arahime the Manifested Mikanko, Ha-Re the Sword Mikanko, Hu-Li the Jewel Mikanko, Ni-Ni the Mirror Mikanko, and Ohime the Manifested Mikanko are dressed in the two-piece colored bikinis The

Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Arahime the Manifested Mikanko, Ha-Re the Sword Mikanko, Hu-Li the Jewel Mikanko, Ni-Ni the Mirror Mikanko, and Ohime the Manifested Mikanko had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood and life energy, which made him go insane with anger, until Lincoln fired energy blasts at that mutant and more gold and jewels and treasures came out of that moron, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Arahime the Manifested Mikanko: Wow, so this is Aquatic Ruin Zone, this is really awesome!

Lincoln: It sure is, Arahime, and it's perfect for our first date. Shall we?

Lincoln, Arahime the Manifested Mikanko, Ha-Re the Sword Mikanko, Hu-Li the Jewel Mikanko, Ni-Ni the Mirror Mikanko, and Ohime the Manifested Mikanko dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Arahime the Manifested Mikanko, Ha-Re the Sword Mikanko, Hu-Li the Jewel Mikanko, Ni-Ni the Mirror Mikanko, and Ohime the Manifested Mikanko got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Arahime the Manifested Mikanko, Ha-Re the Sword Mikanko, Hu-Li the Jewel Mikanko, Ni-Ni the Mirror Mikanko, and Ohime the

Manifested Mikanko and they hugged them in their abnormally massive and powerful muscular arms, and Arahime the Manifested Mikanko, Ha-Re the Sword Mikanko, Hu-Li the Jewel Mikanko, Ni-Ni the Mirror Mikanko, and Ohime the Manifested Mikanko placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like someone really had a good time at Aquatic Ruin Zone, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Arahime the Manifested Mikanko, Ha-Re the Sword Mikanko, Hu-Li the Jewel Mikanko, Ni-Ni the Mirror Mikanko, and Ohime the Manifested Mikanko with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now, Arahime the Manifested Mikanko, Ha-Re the Sword Mikanko, Hu-Li the Jewel Mikanko, Ni-Ni the Mirror Mikanko, and Ohime the Manifested Mikanko are in your harem.

Jenna: Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that good-for-nothing hairy mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for herself.

Rarity: And trying to kill Arahime the Manifested Mikanko, Ha-Re the Sword Mikanko, Hu-Li the Jewel Mikanko, Ni-Ni the Mirror Mikanko, and Ohime the Manifested Mikanko, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and he should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that three butt-cheeked mutant cheapskate has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you fat hairy mutant cheapskate!

Nico: Even after we kicked Flip's miserable hide, that moron still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Pablo, Anderson, Billy McLean, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: Leave that to me. (YELLS AT THE TOP OF HIS LUNGS AT THE JERKS) SHUT YOUR HALF-WIT PIE HOLE, YOU JACKASS MUTANT CHEAPSKATE!

Suddenly, the Beads of Subjugation on Flip's neck and on the necks of the jerks glowed and the amplified gravity forced the jerks to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand them if they so much as get anymore dumb ideas again.

* * *

Later we were in the simulator for another awesome adventure in the world of Super Mario Galaxy.

Nico: Rolling Green Galaxy is next.

Me: COOL! PallaPalla you would love that one.

Sailor Pallas: I sure would and it's perfect for me because I'm a ball rider.

Qin: That is true.

Nico: Who wants to go with on that one?

Qin: Me and Sailor Pallas.

Nico: All right then.

Sheila: I'll go as well.

Nico: Okay then. Lets head in.

They went in and Nicole activated the Simulator and they were at Rolling Green Galaxy!

Qin: WOW!

Nico: Rolling Green Galaxy.

Sheila: Looks like a golf course.

Sailor Pallas: But it's amazing.

Nico: It sure is.

Nicole: (On the radio) Okay in order to beat this one you have to roll the ball containing the power star inside it to the hole in the end. It's like a ball riding version of miniature golf.

Nico: That is awesome.

Nicole: It sure is.

Nico: There's the ball containing the star.

Sailor Pallas: Here we go.

She got on top of the ball and was running on it like a pro.

Xenia: Awesome riding.

Nico: Lets go.

Nicole: And there are Goombas there guys. So be careful.

Nico: Will do.

They got to rolling and they saw Goombas too coming at them!

Nico: (gets out Angel and Carly Atlas' Ridewatches) Don't let any of them attack the ball!

Nico activated them and fired orange fire blasts and fire feathers and blasted the Goombas all over.

Nico: Take that!

They got to the big green area and then a Boltund appeared in a bolt of lightning and was blasting the Goombas left and right.

Me: Cool a Boltund!

Nico: Awesome!

The Boltund fired waves of lightning and blasted the Goomas.

Boltund: (In a girls voice) You Goombas are putrid pukeeaters!

Nico: Shayla Raiden!? Whoa!

Qin: Awesome!

Boltund: Cool to see you guys again Nico and Qin.

Nico: Same here.

Qin and Sheila blasted the Goombas all over.

They got to the launcher and more goombas came and Sailor Pallas blasted them all over.

Nico: YEAH!

BOING!

Then she got launched and they followed! They got to the end and the ball shattered and the star was freed!

Sheila: There's the Power Star!

Nico: Yep.

Shayla reverted back and she was a girl with blond hair and had purple eyes and had yellow and purple clothes and had the kanji for thunder in the middle of her forehead and she had Yellow Angel Wings and a sword of lightning.

Qin: Lets get it together.

Sailor Pallas: Okay!

She, Qin and Sheila went and got the star!

YOU GOT A STAR!

Nico: YEAH!

They went and high five!

Nico: AWESOME!

Sheila: What's your favorite memory of Nico?

Shayla Raiden: My favorite is when me and Nico saw a bunch of Queen Bee girls belittling the nerds on the sports field and I used my lightning powers and electrocuted them and burned all their clothes off and they screamed as they were naked.

Qin: (LAUGHS) That was so funny! They were completely humiliated and expelled for that.

Shayla Raiden: That is funny and the best part is that me and Nico were hiding under the bleachers and they never saw us.

Nico: Yeah!

Nico and Shayla hugged.

Nico: I've really missed you.

Shayla Raiden: Same here Nico.

Sailor Pallas: Aww. But this was really easy.

Qin: Yeah and fun.

---

Later we were underwater and we were in Bikini Bottom at the Krusty Krab having lunch.

Natalia Semonoffekov: (Russian Accent) Another day at the Krusty Krab.

Me: Yep and we're having an awesome meal.

Tanya Anyanova: This is so cool that that you guys can breathe underwater like this.

Anna Anyanova: It sure is awesome.

Lola: Yep.

Customer: One Monster Krabby Patty please.

Squidward: SpongeBob, one Monster Krabby Patty.

SpongeBob: [gasps, shaking] Did you say a Monster Krabby Patty?!

Lily: UH OH!

Squidward: Uh, one Monster Krabby Patty.

Mr. Krabs: Huh?! Monster Krabby Patty?!

All of us: Monster Krabby Patty?!

Customers: Monster Krabby Patty?!

Customer #2: [in bathroom] Monster Krabby Patty?!

[A set of real hands drops a huge meat pile on the grill]

SPLAT!

SpongeBob: Oh, dear Neptune.

Squidward: Oh, boy.

Lily: Come on SpongeBob you can do it.

Poromon: Yeah you can do it.

Manaphy: Yeah.

SpongeBob: [puts his spatula under the meat] We can do this. At the count of 3, we flip. Ready? 1, 2, 3. [Attempts to flip; spatula breaks in half] Spat?

[SpongeBob screams and cries in front of everyone while showing that his old spatula is broken/not fixed, in front of Squidward, In front of customers, Mr. Krabs, including a baby crying, the Police and SpongeBob's reflection in the mirror. The scene cuts to SpongeBob with a therapist.]

Therapist: Mm-hmm. Mm-hmm. Go on. [SpongeBob cries once more.]

[SpongeBob is on a cliff, still crying. Patrick comes up and joins in crying]

Me: SPONGEBOB! Don't worry we'll fix it.

Lana: Yeah.

Lana got out a welding kit and a mask and she fixed it.

Lana: There.

SpongeBob: Thanks Lana.

Lily: Use this instead of a normal spatula.

She used a pizza spatula and flipped it.

Poromon: Can we help make Krabby Patties?

Lily: Sure.

Squidward: Lily, I hope you realize that if Nico didn't heal you yesterday, you wouldn't be here right now

Lily: I know. I took one nasty beating from that Teenage version of me.

Squidward: That was brutal.

Lily: It sure was.

Lily made a perfect Monster Krabby Patty.

Lily: Order up!

She gave it to the customer and he gave Squidward $500.00 + an awesome $500.00 tip to Lily.

Customer: Thank you.

Lily: You're welcome.

Nico: Awesome job Lily.

Lily: Thanks Nico.

Squidward: That was amazing though.

Lily: It sure is.

Nico: Yeah.

Lily then set up extra grills for the mascots.

But then NUMEROUS CUSTOMERS CAME IN! It was the lunch rushes of OTHER CITIES all over the ocean!

Lily: WHOA! Good thing we set up those extra grills! We got one massive lunch rush!

The mascots and Lily got to work fast!

Alice: You guys are doing surprisingly well.

Poliwag: Yeah.

Lily: Lets kick it into overdrive guys!

(TINY TIM'S LIVING IN THE SUNLIGHT LOVNG IN THE MOONLIGHT PLAYS)

Lily and the Mascots: Who's hungry?!

[A montage of Lily and the Mascots making and serving Krabby Patties plays. The Mascots land in a box of patties and shoots them with their eyes toward their grills.]

Tiny Tim: Things that bother you never bother me, I feel happy and fine, aha! Living in the sunlight, loving in the moonlight, having a wonderful time!

[Lily and the Mascots gleefully flies to the vegetable preparation desks, holding their spatulas with their mouths. Lily and the mascots are chopping onions, lettuce and tomato with their spatulas.]

Tiny Tim: Haven't got a lot, I don't need a lot, coffee's only a dime. Living in the sunlight, loving in the moonlight, having a wonderful time.

[Lily and the Mascots walks around a set of ingredients. They then step on the pump of mustard, ketchup and mayonnaise on buns.]

Tiny Tim: Just take it from me, I'm just as free as any daughter.

FART FART FART FART FART FART FART!

[Lily and the mascots dance around in a background with different colors]

Tiny Tim: I do what I like, just what I like and how I love it!

[Lily and the mascots become a number "1" followed by ascending numbers up to "4." They squeeze bottles of ketchup and mustard on Krabby Patty to form a smiley face. And they all add a patties and the rest of the toppings on top of the lower bun to form a bunch of Krabby Patties. The mascots and Lily serves their Krabby Patty. Some of the anchovies and creatures noticed, and one of them caught a Krabby Patty. All of the anchovies and creatures look toward the window to anticipate more Krabby Patties. Lily and the mascots then serves up Krabby Patty after Krabby Patty. They repeat chopping vegetables and serving yet more Krabby Patties. Numerous Krabby Patties are launched through the order window to the hungry anchovies and creatures.]

Tiny Tim: I'm right here to stay when I'm old and gray, I'll be right in my prime. Living in the sunlight, loving in the moonlight, having a wonderful time! [hums]

[More and more anchovies and creatures start eating the Krabby Patties tossed at them. Eventually, all of the anchovies and creatures are served and they leave on the buses happy. The bus doors close. Lastly, Poromon tosses the final Krabby Patty to the last anchovy. Lily blows the spatula.]

Me: WHEW!

We saw a massive amount of cash in a bunch of huge bags.

Mr. Krabs: That was really awesome lads!

Nico: Yeah!

Lola: That was cool!

Lily: Thanks.

SpongeBob: That's just like how I started out on my first day guys.

Me: That is cool SpongeBob.

Hook: I could've helped Ratchet heal you in the Medbay.

Lily: I know. But thank you guys.

Nico: Boy how many patties did you guys sell and make in that one awesome rush?

Lily: I counted 500,923,235,000.

CLANG!

Nico's jaw dropped and I put it back.

Me: Nico you're going to catch flies if you keep doing that.

Nico: Sorry.

Me: Wait there are no flies underwater.

Nico: But that was awesome guys!

?: Boy no kidding!

We saw a Drednaw!

Me: Cool a Drednaw!

Drednaw: (In a girls voice) I got some of the Krabby Patties and they were delicious and tasty.

Lily: Thanks.

Nico: Wait Mirai Aquos!? Whoa!

She reverted back and was a girl with aqua blue hair and had blue eyes and blue clothes and had blue angel wings and had the kanji for Water in the middle of her forehead.

Mirai Aquos: Awesome to see you again Nico.

Nico: Same here

Ratchet: What's your favorite memory of Nico?

Mirai Aquos: When me and Nico went to my home planet, the planet Aquos in the Lylat System and we battled some of evil mermaids there and it was fun and cool.

Fox McCloud: That is awesome that you are from Aquos.

Krystal: (British Accent) I agree there. That is amazing.

Me: It sure is.

Mirai Aquos: It sure is awesome.

Nico and Mirai hugged.

Nico: I've missed you.

Mirai Aquos: Same here.

Nico: But that was awesome that the mascots can make Krabby Patties like that.

Qin: It sure is.

Trixie Lulamoon: The great and powerful Trixie loves these mascot made Patties!

Me: Don't forget that Lily helped too.

Trixie Lulamoon: That's right. Lily and the Mascots make a really good team.

Nico: They sure do.

Mr. Krabs: Yeah lass that is true.

Me: That was the biggest lunch rush I've ever seen in any restaurant. I saw the citizens of Ukulele Bottom, Rock Bottom and many other places in the ocean come here.

Qin: Wow! They must've been really hungry.

Lola: Yeah!

Squidward: No kidding there.

Nico: Now we have to get ready for our next mission.

Me: Yep duty calls.

The previous group came.

Xiao Fung: Can me, Multiplex, Black Spider, Cluemaster, Puppetmon, Machinedramon, Bronze Kneecap, Dodgeball Wizard, Enchantress and LaGrange go with you guys?

Nico: Yes you all can come with us and this will be really awesome.

Me: Yep. We're going to face Darkrai today.

Qin: Yep.

Multiplex: Awesome! Boy we saw the huge lunch rush and Lily must've been cooking up a storm.

Me: It wasn't just Lily. It was Lily and the Mascots that did all that.

Multiplex: WOW! They did all that?

Me: Oh yeah. It was awesome.

Carly Atlas: Nico, which Gene Slammers do you think you'll meet next?

Nico: Coalossal and Flapple & Appletun.

Me: Ooh! 2 Apple Pokemon.

Applejack: YEEHAW! Those sound like my kind of Pokemon.

Woody Woodpecker: Boy they sure do.

Nico: Yep.

Woody Woodpecker: Lets get ready then. (Honks Nico's Nose)

HONK HONK!

Nico: HEY!

Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third

Eye glowed, and he had a vision and he saw who it was that we're going to confront today: it was none other than Darkrai. When we saw it, we knew it meant trouble.

Nico: Lincoln, what's wrong? Is it Darkrai?

Lincoln: Yep. The time's arrived to face Darkrai and get him to see the error of his ways.

Me: Yeah, and we also got the weapon ready.

Lisa got out the weapon ready.

Nico: Awesome. Now, let's head to PokePark and get Darkrai to see the error of his ways.

Me: We'll keep that weapon available in case the gizmo of Reunicles doesn't work.

Lisa Loud: Okay.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Chloe Desikan, one of the members of The Ghostrick Destroyers, and she's heading here to kill The Ghostrick Guardian Angels. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and we got news, Raven: as we guessed it, Chloe Desikan, one of The Ghostrick Destroyers is heading here to kill you all.

Emilia Frankenstein: (German Accent) Just as we expected, but we'll be ready for her, and she'll suffer the very same punishment back in the castle of The Michigan Supernatural Defense Force after we face Darkrai.

Crash Bandicoot: That blood-sucking fanatical religious zealot's already a dead vampire walking once she shows her ugly face.

Nico: You got that right. Alright, gang, let's go, we're heading to PokePark to face Darkrai.

Lincoln: Along with saving the world and get him to see the error of his ways, and once we get through to Darkrai, you're next, Chloe Desikan.

Emilia Frankenstein: (German Accent) You better be ready to die, Chloe Desikan, because you deserve no such mercy from any of us for trying to kill us seven years ago, nor do you even deserve to live a single second further, you religious fanatic and zealous heretical demon, after we deal with Darkrai.

Lincoln put up a rainbow energy field around The World Tree Estate and we headed to PokePark to battle Darkrai, and once we got done making Darkrai see the error of his ways and save the world, Lincoln, Emilia Frankenstein, and Crash Bandicoot are going to destroy Chloe Desikan of The Ghostrick Destroyers and make her pay for her crimes.

We were off to PokePark.

---

We arrived back in the Tech Area.

Qin: The Tech Area.

Black Spider: Here we are back in the Tech Area.

Nico: Yep.

Lola: This is gonna be so fun.

Nico: It always is when we come here.

Camie: It sure is.

We went to find Pikachu and the others.

St. Patricia: Pikachu! Are you there?

Pikachu 2 came.

Pikachu 2: You guys made it!

Qin: We sure did.

Lola: Are you doing good?

Pikachu 2: We sure are.

Brad Morton: There's no way we're sacrificing anyone! There has to be a way to alter this plan!

Lisa Loud: There just might be.

Me: What is it Lisa?

Lisa pulled out an Anti-Gravity Pad.

Lisa Loud: I can put the Light Polarizer on my Anti-Gravity Pad and send it into the Dark Vortex without having one of us kick the bucket.

Qin: That's perfect!

Me: That's genius Lisa! Good thinking!

Lisa Loud: Indeed.

Bronze Kneecap: That's all well and good. But you're forgetting about our Darkrai problem.

Me: Don't worry. We'll handle him.

Xenia: Yeah.

Lola: We just got to face him in Wish Palace.

Guyhawk: Good thing the rest of the Wish Park crew are in the Masters of Evil.

Nico: Except for the Gothitelle Trio.

Qin: Yeah.

Camie: We got to face them too.

Varie: Yep.

LaGrange: Is everyone ready to enter?

We were ready as we nodded.

Me: Lets do it.

Qin: Yeah!

We concentrated and the portal to Wish Palace opened.

King Stefan: (Scottish Accent) Shall we?

Nico: Lets shall.

We went through the portal and we arrived at the Wish Palace.

Me: Wow!

Camie: Wish Palace.

Xenia: Amazing.

DC Enchantress: Stay alert. We're in enemy territory now.

Me: That's right.

Nico: Lets go.

We went into the palace. There was no turning back now.

Ludwig Koopa: We need to find Piplup.

Me: We will.

We proceeded in.

Me: Wow this place is amazing.

Lola: It sure is.

Varie: Boy no kidding.

Camie: It's like a castle fit for a princess.

Lola: Or a castle of nightmares.

Dodgeball Wizard: Piplup, are you there?!

Piplup: HELP ME GUYS!

Me: That way!

We ran and got into a huge room and in the middle of the floor hanging in a cage was Piplup!

Piplup: Thank goodness!

Dodgeball Wizard: Thank goodness This is gonna be easy.

Me: Wait! Too easy. This could be a trap.

Nelson Muntz: Does it matter? Piplup needs us!

Me: Nelson calm down.

Hinata: Let me see. BYAKUGAN!

She activated her Byakugan and it was really a trap! She saw invisible lightning bear traps all over the floor.

Hinata: The floor has invisible lightning bear traps all over the floor! They are being covered by an illusion.

Eli: I got this.

Eli fired a blast of Force Lightning and all the traps were revealed and they all snapped!

Nico: WHOA! That was a close one!

Naruto: Nice job Hinata.

We went over and freed Piplup.

Piplup: Thanks guys! Good thinking there.

Cluemaster: Gothitelle, Gothorita, and Gothita must've put those there.

Me: I have that same feeling myself.

Lola: Me too.

Nico: But they underestimated the power of the Hyuga Clan Bloodline.

Qin: Yep.

Eli: And they are right there!

Eli fired a wave of Force Lightning and electrocuted three figures and it was Gothitelle, Gothorita, and Gothita!

Me: Caught you three red handed!

Gothitelle: I know you did something to Piplup!

Sinestro: Can you be more specific?

Gothitelle: I have been trying to get him under control. But nothing works! I was going to have him fight you all. But now, you've forced us to fight you personally!

Me: Oh you have me to thank for that. I used my magic on him that made all your brainwashing spells completely and utterly useless.

Gothitelle: WHAT!? YOU did that!?

Me: (Smirks) Yep!

Gothorita: You're all gonna get it now!

Machinedramon: Bring it on! Giga Cannon!

He fired waves of energy from his cannons and blasted the three

Pokemon all over the place.

Puppetmon: Take this! PUPPET PUMMEL!

KRABLAM!

He bashed all three of them with his hammer!

Camille Izumi: (Echoing) PUMMEL WHACK!

She fired a bash blast from her fist and bashed the three Pokemon!

Me: YEAH!

They were knocked out.

Me: Now for Darkrai.

Eli: He's in the next room.

Pikachu 2: It's through that door

Strut: Entrance time!

Nico: Lets go!

We went at the door.

Darkrai was looking at the world thinking. Then the spirits of all the Pokemon appeared and they swirled around him and then they converged and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted through the door and then a phoenix cry was heard and then we came in.

Me: Hello Darkrai.

Qin: Awesome to see you.

Nico: How have things been since the last encounter?

Darkrai: Boring.

Me: So we heard.

Darkrai: It seems your friendship got you this far. I know what I must do now.

Darkrai shot balls of darkness at Oshawott, Snivy, and Tepig to erase their memories but Nico took them attacks head on unscathed

Multiplex: Good try. But not good enough! Time to clone an army!

Nico: Yeah.

Multiplex made over 310 clones!

Nico: YEAH!

Poromon pecked Darkrai.

Darkrai: OUCH OUCH OUCH OUCH!

Me: Darkrai, let me show you something.

I pulled out my phone and showed him the video of Bastion and Chazz helping Darkrai in chapter 1408.

Bastion: Leave this to me, gents.

Bastion walks right between Baron Alberto and Darkrai.

Baron Alberto: Do you mind? I'm trying to save Alamos Town here!

Bastion took a deep breath. The next thing he said surprised us. At least, those of us not in chapter 607.

Bastion: Day-o! (everybody is shocked) Day-ay-ay-o! Daylight come and me wan' go home. (Kairi Yano's jaw drops) Day, me say day, me say day Me say day, me say day, me say Day-ay-ay-o. (to Chazz as Keiichiro's eye twitches) Everybody.

Chazz: (shrugs and joins in as Tsukasa face palms) Daylight come and me wan' go home

Bastion: (Sakuya's rolling on the floor laughing) Work all night for a drink a'rum.

Bastion and Chazz: Daylight come and me wan' go home.

Bastion: (Touma groans at this) Stack the banana till the morning come

Bastion and Chazz: Daylight come and me wan' go home.

Bastion: (Umika smiles and bobs her head to the rhythm of the song) Come, Mr. Tally Mon, tally me banana

Bastion and Chazz: Daylight come and me wan' go home.

While this was happening, Noel saw his chance, gave Darkrai an apologetic look and shot the ground in front of him with his X Changer. Darkrai nodded in understanding and fled.

Bastion: Lift six foot, seven foot, eight foot, bunch!

Baron Alberto: What the Hell are you two playing at?!

Noel: Darkrai is out of your reach now.

Baron Alberto: WHAT?!

Chazz: Nice job singing again, Bastion.

Bastion: Thank you.

We were rolling on the ground laughing our heads off!

Me: (LAUGHING HYSTERICALLY) OH THAT WAS SO FUNNY!

Twilight Sparkle: (Laughing)

Rainbow Dash: (Laughing Hysterically) OH THAT WAS FUNNY!

Qin: Man I haven't heard that song in like forever!

Eli: Me neither!

Applejack: What was that song?

Qin: It was called Day-O and it is also known as the Banana Boat Song. It's a Jamaican Ballad widely known over in Jamaica.

Kangor: (Jamaican Accent) That is a great song mon. I'm honored that you know that song.

Bastion: Thanks Kangor.

Baron Alberto: I hope you're happy. Thanks to your little musical, Darkrai got away!

Black Spider: You're just jealous because Bastion can sing better then you!

Bastion: (to Baron Alberto) Say what you will but I am not ashamed of the distraction I caused.

Baron Alberto: That was just pathetic.

The people of the town cheered for Chazz and Bastion.

Bastion and Chazz bowed.

Me: Take that you vomitchewing freak! (Gives Baron Alberto the Stink Eye)

Nico flipped the bird at him.

Noel: (To Darkrai) My apologies for shooting near you.

Supernova Zap: It was only so you could get away before Baron Alberto's Lickilicky could do anything bad to you.

Darkrai: And I appreciate that.

Me: Be careful. Help Arceus and Giratina all you can.

Darkrai: Right!

When it was done, Darkrai was laughing a lot!

Nico: (LAUGHS) That was funny!

Bastion: I am unashamed.

Darkrai: But that was very well done!

Qin: (LAUGHS) Yeah that was funny!

Laney: And an awesome epic battle.

Varie: Yep.

Me: Glad you liked that. But Darkrai you don't need to brainwash other pokemon and have them be your friends against their wills. True friendship comes from the heart.

Darkrai: I know. But I will not give up on my goals so easily.

Me: I had a feeling it wasn't going to be easy to get through to you.

Then Evil Seed, Felix Faust, Gameface, General Schwarz, Goro, Kerbero Gangan, Marluxia, Mirror Master, Saix and Xigbar came.

Nico: Evil Seed, Felix Faust, Gameface, General Schwarz, Goro, Kerbero Gangan, Marluxia, Mirror Master, Saix and Xigbar.

Evil Seed: I hope we still get to revisit Wish Park after this.

Felix Faust: I hope so too.

Me: I do too.

Gameface: But we all had fun Pokepark action.

Nico: It sure was fun too.

General Schwarz: (to Nico) Speaking of which, we heard you went to the Granite Zone.

Nico: Yep. We sure did.

Goro: How was it?

Me: It was awesome and fun.

Qin: Yep.

Then Marionette Shadow came!

Me: Marionette Shadow!? Your turn for the Ranger Battle?

Marionette Shadow: Yep. It sure is.

Me: Neat!

Marionette Shadow: This castle is something Emperor Z would like. Wouldn't you agree, General?

General Schwarz: I actually do.

Ink Rose: Same with me.

Qin: I agree.

Me: Yep.

## Margo, Arrowette, Charlotte Hazelrink, Vivi Nefertari, Marle, Orta, Get Ed, Pinkie Pie, Maud Pie, Featherweight, Tech Skylanders, Rotwood, and Brad Morton VS Gameface, Evil Desert Man, Vapor, Pirate Queen, Sumo Wrestler Army, and Bulldozer - Meeting Melissa Mordred

---

Gameface was next.

Gameface: (to Margo) I heard you guys met Melissa Mordred. What's she like?

Margo: She is a really formidable force of nature and is a powerful kight.

Arrowette: She sure is and she is also the descendant of King Arthur's illegitimate son, Mordred who was the most dangerous traitor of King Arthur.

Charlotte Hazelrink: We found out though that she is not like her evil ancestor at all thank goodness.

Vivi Nefertari: Yeah no kidding. But also we heard the stories of both Melanie Inuyasha and Melanie Inuyasha and let me tell you they are crazy!

Marle: Boy they sure are! We were floored.

Orta: We sure were.

Ed the Protector: And it was amazing!

---

Fiona Foodon: Now, that's a story I've never forgotten.

Fiona Foodon put up the video of said incident and it played on the screen for all to see. We see Fiona Foodon, Lincoln, and Lynn Sr. working at Lynn's Table, and it was mega packed.

Past Lynn Sr.: Thanks for the help, Lincoln and Fiona, the restaurant's getting packed with tons of customers!

Past Fiona Foodon: No problem, Mr. Lynn.

Past Lincoln: It's always a pleasure helping out, Dad.

Kagome: Wow, there sure are a lot of customers.

Lincoln: Ever since Dad opened Lynn's Table years ago, it's drawn in tons of customers all over the sectors of Gotham Royal York.

Suddenly, we saw something in the shadows, and we knew who it was: Royal Woods' disgusting hairy fat mutant cheapskate, Flip, and he had some Thallium in his hand, and he knew there were a lot of customers with life insurance policies.

Past Flip: (Snickers) Enjoy your last meal, suckers!

We gasped as soon as we saw what he's about to do: FLIP WAS GOING TO PUT THALLIUM IN THEIR FOOD TO KILL THEM SO

HE CAN CASH IN ON THEIR LIFE INSURANCE POLICIES!

Inuyasha: That mutant, he's going to poison them!

Suddenly, Fiona Foodon sensed that the food was in danger of getting laced with Thallium, and she also pressed the button sounding an alarm.

Past Fiona Foodon: FLIP, YOU FUCKING MUTANT! HOLD IT RIGHT THERE!

The spotlight shined on Flip, and everyone saw that he had Thallium and he was about to put it on the food of the customers.

Past Flip: (SCREAMS) No! You morons are going to pay for that!

Flip was so mad, he ran at Fiona Foodon and Lincoln and was about to kill them until Lynn Sr. stepped in and punched him hard in his face!

POW!

The force of the punch was so powerful, it sent Flip flying out the door and he crashed into a pile of trashcans, and Lynn Sr. wasn't happy one bit.

Past Lynn Sr.: You've done some really low things in the past, Flip, from the disgusting and very gross things that happened at your toxic waste dump of your gas station to trying to con us with that boat ride that could've taken us to Skull Island to get us killed and numerous other things, but you crossed numerous big lines by trying to kill my children, Rita, myself, and our friends many times over and all for petty revenge, and to slake your insatiable greed.

Past Flip: ALL OF YOU ARE A BUNCH OF LOSERS WITH WALLETS OF CASH! I COULD'VE BEEN RICH IF YOUR STUPID SON HADN'T RUINED EVERYTHING! I'LL KILL YOU, YOUR STUPID KIDS, YOUR DUMB WIFE, AND EVERYONE AROUND YOU LIKE THAT IDIOT, DANIEL, DID TO YOUR STUPID DAD WHEN I HIRED HIM TO KILL YOUR DUMB DAD AND STEAL THE VAULT THAT HAS MONEY IN IT! (LAUGHING MANIACALLY)

What Flip said suddenly caused Lynn Sr. to see blood red.

Nico: Uh oh.

Lincoln: If you thought me seeing red when I was about to attack Lori, Lynn, Lola, Lisa, Luan, and my many enemies was bad, what Flip said that day really caused Dad to see blood red.

Suddenly, Lynn Sr.'s heart was pounding and his green eyes turned blood red, his canine teeth grew into long sharp fangs, his nails suddenly grew into long sharp claws, and then, Lynn Sr.'s abnormally massive upper and lower body muscles suddenly grew much bigger as he let his rage loose.

Lynn Sr.: So, all this time, all those years ago, it wasn't just Daniel Derek Monroe who murdered my Dad, but you… , (SUDDENLY GETTING EXTREMELY ANGRY) You were the one who orchestrated my dad's death, just so you can get your hands on our money…?! PHILLIP PHILLIPINNI, I'M GONNA RIP YOUR THROAT OUT, AND THEN, I'M GONNA RIP OUT AND FEED ALL YOUR MUTATED ORGANS TO THE VULTURES, AND THEN, I'M GONNA CUT YOUR UGLY HEAD OFF AND MOUNT IT ON A STAKE FOR THE BIRDS SO THEY CAN PICK YOUR EYES OUT! (ROARS WITH ANGER)

We gasped.

Lincoln: Yep, Dad was really really angry that day!

Lynn Sr. the beast out in him and Flip bellowed with rage and charged at Lynn Sr., but Lynn Sr. had punched him hard in his fat hairy gut and he lifted Flip up off the ground with his really immense and powerful superhuman strength and he threw him into a tree, and he attacked him with dangerous and extreme ferocity, and he was getting Flip's blood on his clothes with every punch he gave him.

Nico: YEAH! KICK HIS THREE-CHEEKED ASS, MR. LYNN!

Then, Lynn Sr. unholstered his sword, and he flew up into the air, and he came down with his blade raised, and then!

SLASH!

Lynn Sr. slashed off Flip's genitals and Flip screamed with extremely agonizing pain and left behind a massive pool of blood.

Past Lynn Sr.: THAT'S FOR MY DAD'S DEATH AND FOR TRYING TO KILL ME, MY WIFE, MY KIDS, AND MY FRIENDS AND CUSTOMERS, YOU BUTT-UGLY HAIRY MUTANT!

Lincoln tied Flip up in vines and the cops came.

Cop: Whoa, we saw the whole thing on video. You really gave it to Flip really good, Mr. Lynn.

Past Lynn Sr.: Get that filthy mutant out of here, officers.

Cop: Will do. This is the absolute last time we ever have to deal with you trying to escape from prison yet again, Flip.

The cops loaded a screaming and wrapped up Flip into the police van and it drove off, and Fiona gave him the finger and that caused Flip to bellow with rage and anger again as the van drove off and the video ended.

Nico: Oh man, I… I have no words to even describe what we just saw.

Nicole: What we just saw is pure rage unleashed. That mutant opened up his big fat mouth and he had said the whole thing, and that caused Mr. Lynn's anger and rage of that horrible incident decades ago to surface, and he sought bloody revenge on the mutant responsible for this whole mess.

Rita: Lincoln and Fiona told us all the whole thing, and when Lynn told me Flip's the one responsible for hiring that serial killer to kill his Dad all those years ago, I was at the same level of anger at Flip. Lynn got into the shower and got that mutant's blood off, and then, we gave him a group hug and he cried with so much pain and anguish.

Nico was literally red with so much anger.

Nico: (ENRAGED SCREAMING) FLIP, YOU REALLY ARE THE LOWEST OF THE LOW FOR WHAT YOU TRIED TO DO AND ALL

FOR MONEY, YOU REALLY ARE NOTHING MORE THAN THE EMBODIMENT OF THE SIN OF GREED, IF I EVER SEE YOUR UGLY FACE AGAIN, I'LL THROW YOUR BLOATED BODY TO THE VULTURES!

Inuyasha: I'm still surprised you guys haven't decided to remove the curses and send him straight to The Black Gates after hearing all those revelations about him.

Lincoln: As much as we wanted to, we'd made up our minds not to, but the revelations serves as fuel to our determination to make Flip pay for everything he's done.

Melanie Inuyasha: You got that right. Okay, my turn.

Melanie Inuyasha pulled up a video, and it showed her and Lincoln out at Lake Huron along with the rest of his Guardian Angels and Leni, Luna, Laney, Lucy, Lana, Lily, Lynn Sr., and Rita. Suddenly, they heard and felt an earthquake made of stampeding footsteps, and they saw who it was that made it: it was Flip, Scoots, Lewis Travolta, Chandler and his goons, Lori, Luan, Lynn, Lola, Lisa, and all of Lincoln's enemies, and they were trying to kill Lincoln in another blood-fueled rage.

Past Rita: What the?! Okay, that's it, Lori, Lynn, Lola, Lisa, and Luan are so grounded when this mess is over with.

Past Melanie Inuyasha: I can't believe they're doing this again. Too many times they've tried to kill Lincoln, and no matter how many times they get beaten up, they always come back for more?! It's sickening!

Suddenly, we saw the sclera of Melanie Inuyasha's turn red, her gold eyes turned into teal slits with white pupils, her claws and fangs grew longer, and jagged purple stripes appeared on her cheeks, and she unholstered her Tessaiga from her back.

Melanie Inuyasha: You filthy vermin are going to get what's coming to you. You've had too many chances to stop this madness, but no. Now, you're about to experience the very pain you've dealt unto Lincoln infinite-fold.

Melanie Inuyasha went after Flip, Scoots, Lewis Travolta, Chandler and his goons, Lori, Luan, Lynn, Lola, Lisa, and all of Lincoln's enemies and she slashed at them with her claws and with her Tessaiga, and when she was done, Flip, Scoots, Lewis Travolta, Chandler and his goons, Lori, Luan, Lynn, Lola, Lisa, and all of Lincoln's enemies were lying on the ground and tied up by Selene Arcangela. Lincoln ran up to Melanie Inuyasha and he hugged her as she turned around, and when that happened, that sudden contact caused her to change back as her red sclera turned back to white, her teal slits with white pupils turned back to gold eyes, her claws and fangs shrank back to their normal size, and the jagged purple streaks had disappeared.

Past Melanie Inuyasha: Lincoln…?

Lincoln continued hugging her tightly, and she let him as she hugged him back as the video ended.

Inuyasha: Melanie.

Melanie Inuyasha: I'm sorry you had to see that again, Inuyasha. But, I couldn't just…

Inuyasha: I know. You weren't going to let anything bad happen to Lincoln being his Guardian Angel, and what we saw, it was further proof of Dark Chase Young's depravity, he has no humanity nor any remorse like Naraku.

Lincoln: They both committed crimes that were indeed unforgivable, and we couldn't let any of them live any longer.

Me: You got that right.

Nico: They were a bunch of monsters through and through.

FLASHBACK ENDS

Gameface: Flip is the ultimate personification of pure evil and greed! I can't believe he would do that! What a jerk!

Pinkie Pie: Yeah what a monster and a party pooper!

Erza Scarlet: They made a massive amount of them. We counted

500,923,235,000 of them.

Botan: (British Accent) That was the most patties ever made by anyone.

Denise Wellington: Yeah that was awesome to see though.

Emilia Frankenstein: (German Accent) (Growls) I should've known there was no mistaking that voice from anywhere. Get out here right now, Chloe Desikan, before things get really ugly!

A girl with black hair, red hairband, red eyes, and dressed in a black coat, white bridal gloves, white shirt, necklace with red gem pendant, black pants, and black knee-high boots with butterfly buckles came out, and it was none other than Chloe Desikan, religious zealot and fanatical so-called vampire hunter of The Ghostrick Destroyers who was exposed as a murderous demon and heretic, and one of the twenty-two human-despising vampires from Transylvania.

Emilia Frankenstein: (German Accent) Chloe Desikan, I should've known you'd show up here! Lincoln warned you all to never to show your faces again after he kicked you all out of Royal Woods seven years ago.

Chloe Desikan: We will never stop, all of you shall be destroyed in the name of God!

Me: You really are a delusional religious fanatic!

Nico: And an infinite-times fucked up one for that matter!

Lincoln: I did say they were absolutely insane and driven only by religious delusions, and for that, I blame their parents for that one. But, the jig's up, Chloe, Ophelia already exposed her true self, and that's being one of the twenty-two human-despising vampires from

Transylvania.

Emilia Frankenstein: (German Accent) Indeed, and it's high-time we bring this delusional vampire down for good.

Suddenly, Emilia Frankenstein's purple eyes turned neon purple and she was surrounded by a black and dark purple energy aura with stars, darkness, light, shadows, laboratory monsters, dark lightning, and angels, she unholstered her massive Ghostrick Stein's German Darkness Archangel Greatsword of German Darkness Stein Angel Justice from her back, and as she approached Chloe Desikan, she left black and dark purple energy, stars, darkness, light, shadows, laboratory monsters, dark lightning, and angels with every step.

Emilia Frankenstein: (German Accent) I can already see that time hasn't changed you, you're still the same religious fanatic and zealous so-called vampire hunter who was exposed as a murderous demon and heretic seven years ago along with being one of the twenty-two human-despising vampires from Transylvania. We thought we wouldn't have to deal with you ever again after Lincoln chased you all out of Royal Woods, but as always, you refused to learn your lesson, and you had the nerve to come back after you were explicitly warned. You now have nowhere to run to, Chloe Desikan, and now, you shall pay the price for your misdeeds with your own blood.

Suddenly, Emilia Frankenstein as surrounded by a massive vortex of black and dark purple energy with stars, light, darkness, dark lightning, and shadows surrounding the vortex, there are laboratory monsters, angels, and Ghostrick Stein flying around the vortex, and in the vortex is a red phoenix with blood red eyes glaring at Chloe Desikan: the red eyes of eternal death. Then, as the vortex faded, Emilia Frankenstein emerged, but she was changed forever.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, for the grand finale. VAMPIRIC BLOOD LIFE ENERGY DRAIN!

Suddenly, all the gems embedded in the 7'6" massive, wide, double-edged golden blade of his Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds suddenly began glowing green, and then, Lincoln began draining Chloe Desikan of all her life energy and blood, and when he was done and he removed his massive greatsword from her stomach, Chloe Desikan was now a desiccated corpse drained of her vampiric powers, blood, and life energy, and as soon as her soul appeared, Lincoln fired a blast of energy from his massive greatsword and had her imprisoned inside an energy card. We cheered wildly for what Emilia Frankenstein, Lincoln, and Crash Bandicoot did as they holstered their weapons and powered down, and Emilia Frankenstein's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long white wolf tails, and massive black angel wings are permanent.

Emilia Frankenstein: (German Accent) That's one down and nine of these monsters to go, and we're now pissing them off greatly. Thank you for helping us get rid of that religious fanatic and zealous heretical vampire, Linky, you too, Crash.

Lincoln: (Smiles Warmly) You're welcome, Emilia.

Crash Bandicoot: She did need to pay for what she did, and I'm always happy to help.

Crash Bandicoot went back to us, and suddenly, Emilia Frankenstein wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Ellie Elsher's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Ghostrick Stein flying in the air, and we saw a herd of Buffalo and many animals running across the field and dark lightning crashing behind them and we cheered wildly. Then, Lincoln and Emilia Frankenstein absorbed the elemental forces and they came back to us as the display vanished.

Nico: Whoa, oh man, now that's what I call one dark lightning electric fight, Lincoln, Emilia, Crash, you showed that showed that vampire no mercy whatsoever, and sent her to her death.

Lincoln: She didn't deserve any mercy, I warned them never to show their faces again, but those fools never learn.

Me: And you used your Vampiric Life Drain on her, awesome!

Lincoln sent the soul of Chloe Desikan in a cage and he put the curse on her that gave her back her life energy, but once that happened, suction tubes came out and were attached onto her, and then, the suction tubes activated, and Chloe Desikan's life energy was being sucked out of her again: she was condemned to that punishment until all of The Ghostrick Destroyers are killed, and it flowed into Lincoln and The Michigan Supernatural Defense Force as they gained a massive power boost.

Nico: (Snickers) That Room of Tortured Souls is definitely a top-notch prison for some of Michigan's most dangerous thugs and criminals.

Lincoln: And the curse I put on them has continued to work for seven years, that way, they can suffer for all eternity of regaining their life energy only to have it drained out of them again and flowing into us. But, if any of them get a little out of hand, I put in a counter curse, should any of them get a little out of hand or try to escape, the counter curse will activate and the life energy they regain from the curse will not only be drained out of them forever, but they'll be sent to The Black Gates forever with help from our stone gargoyles and stone vampire bats perched outside the castle.

Ravenna Amaranth: And Lincoln also put up a new curse: once all the members of The Ghostrick Destroyers are destroyed and sent to The Prison of Tortured Souls and all their life energy has been drained, they will be sent to The Black Gates forever.

Me: Cool!

Nico: So, you'll keep them imprisoned inside the castle's prison until that day comes, nice one. So, Lincoln, which Noble Knight Gene-

Slammer are you meeting tomorrow?

Lincoln: Ooh, I've got just the one: we'll be meeting the Gene-Slammer of Noble Knight Peredur.

Melanie Artorgius: (Gasps) Awesome, and there's only one person who'd be Gene-Slammed into Noble Knight Peredur, Penelope Percival, and you guys will love meeting her, Penelope Percival is Lincoln's Guardian Angel from Michigan and she's a very powerful wielder of magic and a very powerful swordswoman, and a member of The Royal Woods Knights of The Michigan Table. She trained Lincoln both in the art of swordsmanship and in magic, and he became a very powerful swordsman and master of magic, and she also taught him much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those he loves and holds dear to his heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Penelope Percival is also a direct descendant of Percival of Camelot.

We gasped.

Me: Mordred, one of the skilled Knights of the Round Table and the original hero in the quest for the Holy Grail.

Katara Chevalierflamboyant: (French Accent) That's right, plus, Lincoln made her a dark blue coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Penelope Percival hates Killjoy Huggins with a very blazing passion. One day, Penelope and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Killjoy Huggins, and he brought with him an army of thugs he hired. Penelope Percival and Lincoln went out there along with the rest of us, and she'd slain them with her greatsword. It drove that killjoy into a blood-crazed fury, but before he could get after us, Lincoln and Penelope fired chains of light magic which bound that dumb toupee wearing killjoy and tied them up.

Nico: Did he call his family and his sisters for this?

Lincoln: Yep, and needless to say, my sisters wanted that killjoy's head on a pike!

Me: Should've known that stupid killjoy would do something like this.

Lincoln: I know, but I wasn't surprised, that killjoy's tried to kill me many times in the past, but in the end, his plan failed, and we gave him to Superintendent Chen who immediately suspended him from his job for three months, and to make sure that he didn't try to get revenge on us, Penelope and I casted a spell to prevent him from coming back to hurt us.

Me: Yeah, messing with the descendant of Percival of Camelot and one of the members of The Royal Woods Knights of The Michigan Table will have disastrous consequences.

Nico: That toupee-wearing killjoy really hated that his greatest "plan" was foiled once again, and he got into even more serious trouble.

Lincoln: He seriously didn't even know when to quit, and to make it worse, his plan also earned him the vengeance of my family. And now, for tomorrow, we're going to face off against Amelia Daedalus.

Isabella Lupa: Yes, which means you and I will be facing her, Linky.

Crash Bandicoot: And I'll be joining in as well.

Ravenna Amaranth: That's right.

Suddenly, Raven Ghostrick was struck with a vision, and it wasn't good: she saw that Audrey Blade has freed the souls of her parents from the painting in The Ghostrick Museum and brought them back to life, and they now want one thing: revenge on Raven Ghostrick for killing them and to kill Lincoln.

Raven Ghostrick: Oh God, she didn't.

Lincoln: Raven, what's wrong?

Raven Ghostrick: We got big trouble: Audrey Blade freed the souls of my parents from the painting in The Ghostrick Museum and brought them back to life, and they want one thing: revenge on me for killing them and to kill Lincoln.

We gasped.

Lincoln: Why, that undead little… ! Raven, tomorrow on my rescue, we're going to kill your parents and send them to The Black Gates, and then, I'm going to curse Audrey with a curse I found in that grimoire Lucy gave me for my birthday.

Raven Ghostrick: That monster has crossed a huge line bringing my parents back after freeing them from the painting, when the time comes that we face her.

Ellie Elsher: Don't worry, Raven, you and Lincoln will make her pay for her crimes, and we may also join in as well, just like during Lincoln and Demona's fight against Dustin Keystone last year.

Lincoln: When all of us destroyed him once and for all. Good idea, Ellie.

Darkrai: I am very sorry about everything.

Goro: We understand.

Kerbero Gangan: All you were was lonely.

Marluxia: But… we would like to be your friends if you want.

Mirror Master: And you can join our ranks. Same goes with Gothita, Gothorita, and Gothitelle.

Saix: (chuckles) But just no more brainwashing Pokemon, okay?

Darkrai: I would like that very much.

Me: But at least you won't be alone anymore.

Xenia: Yeah.

Lola: Now you have all of us and the M.O.E. as both of your awesome friends.

Xenia: That's for sure.

Nico: Yep. And we saved the world from doom. Great job today everyone.

Lola: This was so fun.

Eli: Yeah!

Princess Luna: (To the viewers) Friendship comes in many forms but it mostly comes from the heart.

Me: That is right.

We went back home and celebrated and then enjoyed the rest of the day and went to sleep.

THE END

Me: Ahh. Boy it sure is beautiful out here.

Qin: It sure is

Lola: Ir's so peaceful.

Laney: It sure is.

Ash: I think its awesome.

Lola: Same here.

Nico: Ash, I want to thank you, See More, and your teams for coming.

Ash: No problem Nico and Serena and Pikachu and I love this place.

Serena: I came with because I wanted to spend time with Ash.

Me: No problem Serena. Awesome having you with.

Lola: Yeah.

Catherine Lancaster: (British Accent) It's so amazing here.

Me: It sure is Catherine.

Qin: Yep.

Nico: Catherine, remember when you first met Lincoln?

Catherine Lancaster: I sure do. It was back when he needed help in history class. He was working on a project for the Tower of London.

Qin: That is one of my favorite buildings.

Camie: It sure is awesome. Over 1,000 years of history there.

Nico: Yep.

Gwen: And England was home to the worst ever serial killer in all of Victorian London, Jack the Ripper.

Camie: Oh boy.

Me: Yeah he was a whacko. He terrorized all of Victorian London over 140 years ago.

Nico: No shit. He was insane.

Lola: Yeah.

Nico: Not to be confused with Jack the Zipper

We laughed!

Qin: That's funny. Jack the Zipper is an Anthropomorphic Zipper and Jack the Ripper was a monster.

Nico: Yeah.

Ash and Serena were making out and kissing a lot and it was so awesome.

Me: (In my head) Aww those two were absolutely made for each other. It's so adorable seeing them like this.

Eli: Boy I could lay here in the flowers of Flower Zone all day.

Nico: Me too. It's so peaceful. And the view of the clouds is breathtaking.

Qin: It sure is.

Lola: Too bad Sam can't do so. She has hay fever.

Me: I know. But for Luna that's okay.

Varie: Yeah.

Nico: Yesterday was still awesome though.

Me: It sure was and Reunicles Light Polarizer worked perfectly.

Lisa Loud: Indeed it did and no one had to sacrifice themselves thank goodness.

Lola: That's for sure.

Nico: We got Darkrai to see the error of his ways

Me: Yep and now he has all the awesome friends he could want in the M.O.E.

See-More: That is for sure. And he is loving it.

Xenia: That's great he is.

Lola: Yeah.

Varie: And Darkrai laughed at that funny video of Bastion doing the Banana Boat Song.

Lana: (LAUGHS) That was great!

Eli: Yeah it sure was!

Wallflower Blush: That was a really fun video too.

Nico: And now, we can go to Wish Park at any time

Me: We sure can. It's so awesome to see.

Lola: It sure is.

Camie: That is so cool too.

Nico: Yeah.

Rainbow Dash: The Flying Zone is perfect for me and the Wonderbolts to practice our flying moves and maneuvers there.

Pinkie Pie: And I can make any kind of cake I want in the Cake Zone.

Twilight Sparkle: And me we can dance in the Dance Zone all the time too.

Qin: Those are all amazing spots. Lynn said she wants to spar with all the fighting Pokemon in the Power Zone.

Camie: That is awesome.

Eli: It sure is.

Me: Zocks loves the Dance Zone too.

Zocks: I sure do. It's so awesome.

Zarya: That is for sure and we love it.

May: This zone is so lovely

Nico: It sure is.

Eli: I love it.

Camie: Me too.

Qin: The flowers are so beautiful.

Tsuyu: They sure are.

Fu: Ino would love this zone herself.

Me: She sure would.

Lola: Yeah.

Poromon sniffed some flowers.

Poromon: (Sniffs) Ahh so beautiful.

Nico: They sure are.

Poliwag: I'll say.

Misty Brightdawn: I'll say. They are so awesome out here.

Lola: Yeah.

Maria: Let's bring some home

Nico: Good idea.

Qin: Yeah.

Lola: It's so awesome.

Varie: The flowers here are so beautiful.

Nico: We have one last Attraction to play

Me: Ooh what is it?

Laney: I would like to know too.

Nico: Same here. Pikachu?

Pikachu 2: Rayquaza's Balloon Panic.

Girl Jordan: Cool!

Qin: Yeah.

Camie: Lets go find Rayquaza then.

Me: Who will participate in that one?

Nico: You should.

Me: Three words. BRING! IT! ON!

Nico: Yeah!

Pikachu 2: Lets find Rayquaza.

Me: Okay.

We then saw Rayquaza!

Nico: There he is!

Me: Wow!

Rayquaza: Team Loud Phoenix Storm. An honor to meet you all.

Me: Same here.

Qin: Yeah.

Rayquaza: For this attraction, you have to run across a balloon shaped like me passing through rings to gain points. At the same time, you must dodge Electrode and Voltorb, as well as avoid falling off the balloon itself. Once you have reached the other end of the balloon, Drifloon, Drifblim, and I will fly across the area, holding targets you must destroy.

Me: In two parts essentially.

Rayquaza: Exactly.

Me: This will be fun.

Nico: Yep.

Me: Lets do it!

I was ready. On a giant float balloon that looked like Rayquaza I was ready.

GO!

I ran fast and passed through numerous rings and then I got lots of points and then I fired at numerous targets including Rayquaza's targets and blasted them and blew them apart.

When it was done I got over 99,000 points!

WIN!

Rayquaza: Well done!

Me: That was fun!

Nico: Nice job!

Me: Thanks! That was fun and awesome!

Lola: I sure was!

May: That's all the Attractions cleared.

Me: Yep.

Nico: It sure is.

Qin: That was so fun.

Lola: Yeah.

Me: That sure was fun doing them.

Then in swirls of elements came Puma Paleozora, Water Princess, Ibaraki-Douji, Proto Man and Tso Lan.

Tso Lan: Am I late?

Me: Nope you made it just in time.

Lola: Yep.

Lana: Yep.

Nico: There they are!

We saw figures and they were Another Ice King, Fern, Maja (Adventure Time), Scorcher (Adventure Time), Magic Man (Adventure Time), and Rainbow Raider.

Me: Whoa!

Qin: This will be awesome.

Another Ice King: (In a girls voice) It sure will.

Lincoln: That voice.

They merged and reverted back and it was a girl with black hair and had purple eyes and she had the Steelswarm Crest in the middle of her forehead and she had grey angel wings and had black clothes and had the Steelswarm Crest on her skirt and had a quicksilver sword in her hands.

Lincoln: Irena Steelswarm! Awesome!

Irena Steelswarm: Awesome to see you again Lincoln and my goodness you grew into an amazing young man.

Lincoln: I know. I haven't seen you since you were 17. Irena is one of my guardian angels and she is also the gene-slammer for all the Steelswarm monsters and she also has a really nasty hatred towards Chandler.

Me: Oh boy. What did he do that time?

Irena Steelswarm: He dressed up like Girl Jordan and framed Rusty and got him suspended from school. It was part of a plan he had to get all of Lincoln's friends out of the way so he can get close to Lincoln and kill him.

We gasped!

Me: What a monster!

Girl Jordan: I remember that day! That was horrible!

Eli: You do?

Girl Jordan: I just got back from Vacation when I saw Lincoln and Irena fighting what looked like me and I came and ripped off the mask he had on and he sang like a bird.

Lola: Yeah.

Nico: Very clever and perfect timing!

Laney: No kidding and I knew something was up with Girl Jordan's behavior that day because she would never act like that.

Nico: Nice.

Proto Man: Sorry about this.

Irena Steelswarm: No worries.

Girl Jordan: But first lets separate you from the Anothers.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies outside had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

She glowed and was separated from all the Anothers.

Then they fired waves of energy and blasted the Anothers and I caught the Wonder Ride Books!

Qin: YEAH!

Lola: Awesome!

Maria: Time for backup! (TURNS DIAL) HUMMINGBIRD FIRE 6!

She summoned Carly's team with Bui, The Dino Patrol and King Rextopher, Dark Voltaik, J.P. Cubish, Gillmarda, Penpen, Fokkeru (Legend of Zelda), Owgulf (Kirby), and Humzee (Donkey Kong).

Nico: Nice!

Qin: YEAH!

Me: Oh right mandatory question. Is the Another See-More friendly or hostile?

Irena Steelswarm: Friendly. And she is a cool one.

Me: Wow.

Nico: And now, we wait.

Me: We don't have to wait long.

We saw a figure come and it was ANOTHER SEE-MORE!

Me: WHOA!

Qin: This will be good.

Another See-More: (In a girls voice) It sure will be fun.

Me: That voice!

She reverted back and it was a girl with black hair and had blue eyes and surprisingly she had a Jagan Eye in the middle of her forehead and she had a black Kimono and a deadly sword and pitch black fire angel wings.

Me: (GASP) Laura Jagan!

Nico: Whoa! She is a master of the Jagan too?

Me: Yep. She had the Jagan Eye given to her a long time ago.

Qin: Wow!

Me: Awesome to see you again Laura.

Laura Jagan: Same here.

Lola: Hiei is going to be honored to meet you.

Xenia: He sure is.

Kaito: (gets out Abaranger gear) Did Swartz promise you anything?

Zocks: (gets out Dekaranger gear) Because we can grant it instead.

Kaito got a Tyranno Staff and Zocks got a Delta Blaster.

Laura Jagan: No he took one look at the Jagan I have and knew what it was capable of and he was terrified of it and sent me out.

Me: The Jagan is known for having that kind of effect on people. But that is amazing.

Qin: Yep.

Laura Jagan: It sure is.

Me: Sorry we have to fight like this.

Laura Jagan: No worries.

She turned into Another See-More!

Sougo: (gets out Dino Thunder Ridewatch) You probably wouldn't have served him anyway.

Geiz: (gets out SPD Ridewatch) No one like Hiei would ever serve someone like Swartz!

Sougo got DinoThunderRedArmor while Geiz got SPDArmor.

Me: That's for sure.

Nico: EYE see colors all over. (ACTIVATES SEE-MORE AND RAINBOW RAIDER'S RIDEWATCHES)

He fired eyes and rainbows and blasted her all over.

May: These gravity wells will blast you. (ACTIVATES NIGHTMARE AND WOLF DOGCATCHER'S RIDEWATCHES)

She fired waves of energy and blasted her down.

Maria: Time for some lunch. (ACTIVATES SHADOW PROVE AND

LUNCH LADY GHOST'S RIDEWATCHES)

She fired waves of darkness and meat and blasted her down!

Catherine Lancaster: Taste the rainbow! (ACTIVATES RAINBOW RAIDER'S RIDEWATCH)

She fired a rainbow energy blast and blasted her down.

Then Tri-Klops, Eye Guy, Ripper Roo, Arachnid Woman, Wolf Prisoner Style and Amorbis came.

Nico: Nice team Tri-Klops.

Tri-Klops: Thanks.

Lola: Awesome!

Qin: Yeah!

?: YEEHAW! LETS HOGTIE HER!

Then a Flapple & Appletun came.

Me: Cool! A Flapple & Appletun.

Applejack: YEEHAW! My kind of Pokemon.

Lola: YEAH!

Flapple & Appletun: (In girls voices) Lets show this one what fer.

Nico: Goldie and Gala Macintosh! Wow!

They reverted back and were two twin girls that had red hair and green and red farm clothes and were wearing red hats.

Goldie Macintosh: Awesome to see y'all Nico!

Gala Macintosh: Same here. We got this.

They fired apples and smashed her down and I caught the ridewatch and purified it and I bbrought Laura over.

Nico: OH YEAH!

Catherine Lancaster: What are your favorite memories of Nico?

Goldie Macintosh: When Nico helped us harvest the entire orchard in less than 5 minutes.

Gala Macintosh: It saved a lot of time for all of us.

Nico: Yep and all it took awas a punch to the ground and that did it.

Lola: Awesome!

Me: I actually know the same method. That is cool.

Nico: Yep.

Nico hugged them both.

Nico: I've missed you girls.

Goldie Macintosh: We missed you too Nico.

We later went back hime.

But, not only are we going to destroy them and send them to The Black Gates, but Lincoln's going to curse Audrey with a curse he found in that grimoire Lucy gave him for his birthday.

Lincoln: Whoa, we're here in The Ghostrick Mansion.

Ellie Elsher: Oh man, we haven't been here in such a long time nor to The Ghostrick Mansion.

Lincoln: And I know what we're going to do here, not only am I going to rescue the four girls here, but we're also going to kill Raven Ghostrick's evil black magic-using and dark Occult-obsessed parents whose souls were freed from the painting she trapped them in years ago by Audrey Blade of The Ghostrick Destroyers and they were also brought back from the dead yesterday, and they want revenge on Raven for killing them and they still want to kill me.

Ursula Truaigheaingeal: (Scottish Accent) We were really pissed off by what that vampire just did.

Raven Ghostrick: Especially me, Ursula. But, not only are we going to destroy them and send them to The Black Gates, but Lincoln's going to curse Audrey with a curse he found in that grimoire Lucy gave him for his birthday.

Ellie Elsher: I saw most of the curses, and they are especially dark and horrific. (Smirks) And there may be one curse perfect for that delusional bloodsucking bat.

Suddenly, we saw Ghostrick Alucard, Ghostrick Angel of Mischief, Ghostrick Doll, Ghostrick Dullahan, Ghostrick Fairy, Ghostrick Ghoul, Ghostrick Jackfrost, Ghostrick Jiangshi, Ghostrick Lantern, Ghostrick Mary, Ghostrick Mummy, Ghostrick Nekomusume, Ghostrick Siren, Ghostrick Skeleton, Ghostrick Socuteboss, Ghostrick Specter, Ghostrick Stein, Ghostrick Warwolf, Ghostrick Witch, Ghostrick Yeti, and Ghostrick Yuki-onna appear before us and they bowed before The Ghostrick Gene-Slammers and Raven Ghostrick.

Nico: Wow!

Ellie Elsher: I don't know if Lincoln or any of us told you all this, but we're widely known among The Ghostrick Duel Monsters as we'd visited the Ghostrick Mansion and the Ghostrick Museum in the past, and basically, we're like celebrities to them because we saved them from The Ghostrick Destroyers so long ago.

Me: That's so awesome!

Raven Ghostrick: And when they heard of Audrey's return, they panicked, and they also found out of what that psycho did in freeing my evil parents.

Davis: We won't let any of them get away with this, Raven, we'll put an end to your evil parents and Lincoln will put that curse on Audrey Blade.

Lincoln: That we will, Davis.

Suddenly, we saw a very beautiful and super sexy girl with long white hair and dark blue hairband, purple eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful white angel wings, she's dressed in a dark blue coat with a coat of arms on it, white short-sleeved shirt, necklace with pearls and purple gem for the pendant, black pants, white bridal gloves, black knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with knights, swords, magic, dragons, light, and angels on the coattails and on the back is Noble Knight Peredur, in her right hand is The Sword of Hope, and with her are the four girls.

White-Haired Girl: I hope I'm not too late, and I got the girls away from Raven's piece of crap evil black magic-using parents before they could kill them in another black magic ritual.

Lincoln: No, you're not, Penelope Percival.

Raven Ghostrick: He's right, you're just in time, in fact, we were just about to get after those pieces of crap… right now!

?: YOU PATHETIC LITTLE WRETCH, YOU WILL PAY FOR KILLING US, AND WE WILL STILL KILL YOU, LINCOLN LOUD, IN THE NAME OF SATAN!

We then saw our targets: a man and a woman with black hair, black goth-themed clothes, jewelry, pale skin, and red eyes of hatred, it was Raven Ghostrick's evil black magic-using parents, and they were still out for blood.

Sylvester: If there's one thing I can't stand, it's a couple of evil dark magic-using sore losers!

Sylvester unholstered his Sylvester's Blood-Soaked Vampiric Demon Darkness Greatsword of The Dracul and transformed into Super Angel-Cat-Vampire-Acme Dark Knight-Harmony Universal Eternal Celestial Xelnaga Darkness Looney Tune Feline Demonic Darkness Vampire Cat Angel of Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Justice and Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Death.

You left Raven with those nightmares for years along with what you both did in blatantly betraying her and tried to kill Lincoln with that death curse, and Lincoln comforted her on that day after she threw your souls into a painting forever, you two pieces of shit.

Raven Ghostrick: And what that bloodsucking bitch, Audrey Blade, did in bringing you both back after she freed your souls, she has crossed one line too many. Now, it's time for you both to die once and for all, this time, stay dead!

Then, Lincoln drove his massive greatsword into the stomachs of Raven Ghostrick's evil parents, and he began sucking out their dark magic, and he made them his own. Then, Lincoln proceeded to slice them into a million pieces with his massive greatsword and he banished their dark souls to The Black Gates for eternity. We cheered as we holstered our weapons and powered down.

Lincoln: You two can consider yourselves uninvited to my wedding in the future.

Ellie Elsher: (Snickers) Well, we were never going to invite those two ever, not after what they tried to do to you with that death curse years ago. Now, to deal with Audrey Blade.

Lincoln: Right.

Suddenly, Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his back and pointed it to a one-way window open to Audrey Blade in her castle, and we saw a pentagram form below his feet, and he was surrounded by a black and purple energy aura with darkness and demons.

Lincoln: (Singing Divinely) I see a cold wind blowing through, I see days neither fun nor free, I see a future caused by you, I see a path not meant to be, The future should be filled with magic, Dreams and wishes brought to life, But the days ahead are dark and tragic, No time for hope when all is strife

Whatever might have been, All the dreams that ponies share, Because of you, Audrey Blade, Now the future is a cold nightmare.

Lincoln fired a powerful massive beam of black and purple energy from his massive greatsword and fired two massive and powerful beams of black and purple energy from his massive white angel wings and they went into the one-way window, and they hit Audrey Blade as she screamed with agonizing pain. Suddenly, we saw the Roman Numerals 1 to 22 appear on her back in a clockwise pattern, and the numerals 22, 21, 20, 19, 18, 17, 16, 15, 14, 13, 12, 11, 10, 9, 8, 7, 6, and 5 were glowing, and the one-way window closed.

Nico: Whoa, what was that curse?

Lincoln: That was one of the curses found in the grimoire Lucy gave me for my birthday.

Ellie Elsher: That curse is known as Hecate's Dark Numerical Death Curse, this curse acts as a signal that tells us of which of The Ghostrick Destroyers has been destroyed, and it also warns us of who's coming next. Once all of them are killed, the combination of Hecate's Dark Numerical Death Curse and the curse Lincoln put on them when he sent them to the castle of The Michigan Supernatural Defense Force will damn them to The Black Gates forever.

Nico: Wicked.

Ursula Truaigheaingeal: (Scottish Accent) So far, Chloe Desikan, Scarlett Dragomir, Maya Drusilla, Ella Edwardson, Emma Eleazar, Charlotte Eliodoro, Luna Enoch, Olivia Erasmus, Isabella Ezdemir, Sophia Fayez, Alice Gaspare, Carla Gobara, Scottie Ingrumangel, Aurelia Karayan, Maeve Kearne, Eloise Kieran, and Ophelia Lazarus were the only ones that've been destroyed.

Raven Ghostrick: And the ones that're yet to be destroyed are Audrey Blade, Abigail Callidora, Emily Constantia, Eleanor Cruorem, and Amelia Daedalus.

Lincoln: Isabella Lupa and I are going to destroy Amelia Daedalus later on today, so she's the next to go. (To Penelope Percival) And it's so good to see you again, Penelope Percival.

Penelope Percival: You too, Linky, it's been a long time.

Lincoln went up to Penelope Percival and he hugged her, and Penelope Percival is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much stronger and muscular he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces soon went even deeper when they saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms and short stubble on his jawline, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Penelope Percival: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height and became a man, but you're still the same kind boy from long ago. Plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Penelope Percival, Gene-Slammer of Noble Knight Peredur,, she's my Guardian Angel from Michigan and she's a very powerful wielder of magic and she's a very powerful swordswoman, and a member of The Royal Woods Knights of The Michigan Table. She trained me both in the art of swordsmanship and in magic, and I became a very powerful swordsman and master of magic, and she also taught me much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those I love and hold dear to my heart, and never to let those with such malice and evil in their black hearts get away with their crimes.

Nico: Nice.

Lincoln: Plus, you're going to love hearing this: Penelope Percival's also the descendant of Percival of Camelot, one of the skilled Knights of the Round Table and the original hero in the quest for the Holy Grail.

Me: I knew it.

Ellie Elsher: And Lincoln made her a dark blue coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Penelope Percival hates Killjoy Huggins with a very blazing passion.

Eli: What did that killjoy do to earn her wrath?

Ellie Elsher: I was afraid you'd ask that. One day, Penelope Percival and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at their castle, but then, the alarm triggered, and they saw who it was that had triggered the alarm: it was Killjoy Huggins, and he'd brought with him an army of thugs he hired. Penelope Percival and Lincoln went out there along with the rest of us, and she'd slain them with her greatsword. It drove that killjoy into a blood-crazed fury, but before he could get after them, Lincoln and Penelope fired chains of light magic which bound that dumb toupee wearing killjoy and tied him up.

Raven Ghostrick: Lincoln called his family and sisters and told them what happened, and needless to say, his whole family wanted that killjoy's head on a pike, but Lincoln wasn't surprised, that killjoy's tried to kill him many times in the past, but in the end, his plan failed, and they handed him over to Superintendent Chen who then immediately suspended him from his job for three months, and to make sure that he didn't try to get revenge on them, Penelope and Lincoln casted a spell to prevent him from coming back to hurt us because messing with the descendant of Percival of Camelot and one of the members of The Royal Woods Knights of The Michigan Table will have dire and disastrous consequences.

Nico: That killjoy dark side is such a… !

Lincoln: I know, but he had it coming, and now that you're here, Penelope.

Lincoln went up to and hugged Penelope Percival in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Penelope Percival: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Penelope Percival's neck with dark blue gems on the gold lightning bolts and dark blue crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Penelope Percival: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Penelope Percival.

Penelope Percival had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them, then, we went up to the four girls, and when Lincoln saw who they were, they immediately recognized them. The four girls are Haruka Shimizu, Miku Hidaka, Sanae Shiratori, and Misaki Kirishima from Happening Love!

Lincoln: Oh wow, it's Haruka Shimizu, Miku Hidaka, Sanae Shiratori, and Misaki Kirishima from Happening Love!

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Haruka Shimizu: Yes, we're okay, thanks to you.

Then, when Haruka Shimizu and the other three girls saw who it was that saved them from the evil black magic-using parents of Raven Ghostrick, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Emissary of The Cosmos and The Heavens, Ambassador of Harmony, Friendship, Purity, Hope, Courage, and

Haruka Shimizu: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Haruka Shimizu: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Haruka Shimizu, Miku Hidaka, Sanae Shiratori, and Misaki Kirishima with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team was shocked to find out the villains we went were Raven Ghostrick's evil black magic-using and dark Occult-obsessed parents whose souls were freed from the painting she trapped them in years ago by Audrey Blade of The Ghostrick Destroyers and were also brought back from the dead, and they wanted revenge on Raven for killing them and they still wanted to kill Lincoln.

But, when Lincoln showed what we all did, especially the Ghostrick Gene-Slammers, in beating down those two pieces of crap, and then, Lincoln driving his massive greatsword into their stomachs and sucking out their dark magic and he made them his own, and then, slicing them to ribbons and then banishing their spirits to The Black Gates forever and putting Hecate's Dark Numeral Curse on Audrey Blade for what she did yesterday, everyone cheered and hugged us and Lincoln's harem kissed him all over, and he had steam whistling out his ears. Lincoln and Penelope Percival have a lot of catching up to do, now that she's back in town.

Maria: Oh man, you guys really beat down those black magic-using pieces of crap.

Ellie Elsher: And Lincoln drove his massive greatsword into their stomachs and sucking out their dark magic and he made them his own and after that, he sliced them into little pieces and banished them to The Black Gates forever, and he put Hecate's Dark Numeral Curse on Audrey Blade for what she did yesterday.

Lincoln: And for that deal she made with Peter Griffin.

Nico: Yeah, and now, it won't be much longer before she suffers her fate.

Me: You got that right, this is going to be one awesome end to The Ghostrick Destroyers for every last one of their crimes.

---

After finally getting rid of Raven Ghostrick's evil black magic-using parents and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Penelope Percival saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells,

squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Penelope Percival: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Penelope, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Penelope Percival: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to

become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Penelope Percival: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Penelope, what memories did you have with Lincoln?

Penelope Percival: Oh man, I was hoping you'd ask that. Well, this one time, Lincoln and I along with the rest of The Royal Woods Knights of The Michigan Table were riding out on patrol looking for any sign of trouble and we also had the rest of his Guardian Angels with him, and Ellie Elsher contacted us and told us that Killjoy Huggins had gathered a massive army of thugs to kill Lincoln, that set us off, and they were on the move from an abandoned warehouse just north of Royal Woods Elementary School. We rode out there and we'd slain every last one of the thugs, then, we turned our attention to Killjoy Huggins, and we brutally thrashed him. Then, Lincoln chained him up with chains of light and we brought him before Superintendent Chen, and after we told her and showed her everything, she was absolutely livid at that killjoy, and she did the worst thing ever.

Nico: What was that?

Ellie Elsher: She pounced on and thrashed Killjoy Huggins herself, and even worse, she kicked him hard in the crutch and she was wearing her heels!

Nico: (WINCES) Oh man!

Me: Yeah, those heals really hurt! Thank goodness no one at school saw it.

Ellie Elsher: Thank goodness. Then, she called the cops on him and they took him to jail, and he was charged with the attempted murder of Lincoln, but instead of getting thrown in the nuthouse or the local prison where he belongs, the court ordered him to pay $900,000,000,000,000,000 in restitution to us.

Nico: OOH! There's nothing worse than getting hit with that: by that count, he'd be dead before he'd paid the full amount of restitution to Lincoln.

Me: Big time, and he refused to pay it and he even told off the judge and he tried to run at Lincoln with a pen so he can stab him with it. The bailiffs tackled him to the ground and handcuffed him, and the judge has had enough of his behavior. Because of what he and the jury had seen along with the rest of the people, the judge sentenced him to prison for five years, and the court paid the restitution amount to Lincoln by deducting it from his salary.

Rita: He deserved it.

We got a shower, and then, Lincoln, Marisa, Mozu, Kiwi, and Alice (Transformers Revenge of the Fallen) are heading to Seaside Hill.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Marisa, Mozu, Kiwi, and Alice (Transformers Revenge of the Fallen) are dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Marisa, Mozu, Kiwi, and Alice (Transformers Revenge of the Fallen) had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood and life energy, which made him go insane with anger, until Lincoln fired energy blasts at that mutant and more gold and jewels and treasures came out of that moron, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Marisa: Wow, so this is Seaside Hill, this is really awesome!

Lincoln: It sure is, Marisa, and it's perfect for our first date. Shall we?

Lincoln, Marisa, Mozu, Kiwi, and Alice (Transformers Revenge of the Fallen) dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Marisa, Mozu, Kiwi, and Alice (Transformers Revenge of the Fallen) got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Marisa, Mozu, Kiwi, and Alice (Transformers Revenge of the Fallen) and they hugged them in their abnormally massive and powerful muscular arms, and Marisa, Mozu, Kiwi, and Alice (Transformers Revenge of the Fallen) placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like someone really had a good time at Seaside Hill, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Marisa, Mozu, Kiwi, and Alice (Transformers Revenge of the Fallen) with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Marisa, Mozu, Kiwi, and Alice are in your harem.

Jenna: Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that good-for-nothing hairy mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for herself.

Rarity: And trying to kill Marisa, Mozu, Kiwi, and Alice, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and he should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that three butt-cheeked mutant cheapskate has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you fat hairy mutant cheapskate!

Nico: Even after we kicked Flip's miserable hide, that moron still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Pablo, Anderson, Billy McLean, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: Leave that to me. (YELLS AT THE TOP OF HIS LUNGS AT THE JERKS) SHUT YOUR HALF-WIT PIE HOLE, YOU JACKASS MUTANT CHEAPSKATE!

Suddenly, the Beads of Subjugation on Flip's neck and on the necks of the jerks glowed and the amplified gravity forced the jerks to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand them if they so much as get anymore dumb ideas again.

* * *

Later me and most of the team were having a contest. We were having a Pink Lemonade Drinking Contest.

Slippy: What are you guys doing?

Me: We're having a Pink Lemonade Drinking Contest.

Edward: I'm trying to see if I can do this like my brothers.

Lola: Your brothers may have been jerks but they loved to drink lemonade.

Eli: Yep.

Lazlo: Me and J.D. are up against him.

Me: Yep we sure are. (Gulps down a glass) Ahh. Refreshing.

Camie: Go J.D.!

Edward: Good effort. (GULPS DOWN BIG GLASS)

Lazlo gulped one down too.

Dawn: Save some for us!

Eli: Now now plenty for everyone.

Me: Yeah.

We were really drinking Pink Lemonade like crazy.

Me: (GULPS DOWN THREE BIG GLASSES) Ahh.

Poromon: Boy this is awesome. At least it's not a prune juice drinking contest.

Camie: (GULPS)

But then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive explosion!

Eli: What was that!?

Me: Oh that's just Nico and Sakura. He decided to take on Sakura as his own apprentice.

Eli: That's cool! So Nico decided to finally have a student of his own.

Laney: He sure did.

Me: Yep. (GULPING DOWN LEMONADE)

I drank more.

Poliwag drank some

Poliwag: Ahh! Refreshing.

Ash: It sure is.

Me: You said it.

Edward drank more. But then…

FWOMP!

He fainted!

Eli: J.D. and Lazlo win!

EVERYONE CHEERED!

Shockwave: I hope you understand what comes next?

Me: Yep we do.

Nico and Sakura came in and Sakura was panting like crazy and sweating up a storm and she was really EXHAUSTED!

Me: Have a nice training session guys?

Nico: We sure did.

Sakura Knudson fainted and she was dripping sweat like crazy.

Sakura Knudson: (Exhausted and tired) Nico is one brutal but great teacher. Did you save me any lemonade?

Eli: We have plenty.

Me and Eli helped her up and put her on a chair and we gave her some.

Sakura Knudson: Thanks guys. (GULPING DOWN A BIG GLASS) Ahh! Man I needed that.

Nico: You did great though Sakura.

Sakura Knudson: Thanks. It was awesome.

Nico: Who won the Lemonade Drinking contest?

Me: Me and Lazlo.

Nico: Wow! That was cool!

Horsea: We have plenty of lemonade for you Nico.

Nico: Thanks.

Manaphy: Shockwave isn't kidding.

Me: We know and you don't have to rub it in.

Manaphy: Sorry.

?: Save any lemonade for me?

A Coalossal came in.

Me: Whoa a Coalossal! This one is hot and sooty.

Qin: Yep.

Coalossal: (In a girls voice) I get that a lot.

Nico: Denise Windfall!? Whoa!

She reverted back and was a girl with black hair and red eyes and had black overalls and she had a blue shirt and had black soot stains on her face and arms and had lava angel wings.

Denise Windfall: Awesome to see you again Nico.

Laney: Here Denise.

She gave her some lemonade.

Denise Windfall: Thanks Laney.

She gulped it down.

Denise Windfall: Ahh!

Wheeljack: What's your favorite memory of Nico?

Denise Windfall: When me and Nico were doing in my family's coal mine and we found a huge vain of diamonds in it and it made my family filthy rich.

Nico: It was thanks to that accidental discovery that we found vast amounts of diamonds and it gave us an awesome fortune.

Qin: You should see the size of the mansion she has now. It's huge.

Me: We'll have to see it sometime.

Lola: Wow!

Nico: Yep.

Nico and Denise hugged.

Nico: I've missed you Denise.

Denise Windfall: Same here Nico.

Nico: Sorry I'm covered in sweat from training.

Denise Windfall: No worries. I'm covered in soot from my gene-slammer form and all that digging in coal.

Nico: Oh.

Trolling Thunder: Aren't there special Guests coming today?

Me: As a matter of fact yes there are. Come in guys!

In came The KING OHGERS!

Nico: WHOA! The King Ohgers!

Jason Lee Scott: Wow!

Gira Husty: It's an honor to be here with all of you to help you out.

Nico: It's an honor to have you all with us too.

Me: Thank you all for taking the time to come help out.

Rita Kaniska: It's a pleasure to be here.

Hymeno: We're truly honored.

Jeramie Brasieri: This is gonna be so fun.

Me: It sure will be. I also have more guests.

In came the 2012 Rangers the Unofficial Sentai Akibarangers!

Nico: Wow! The Akibarangers! An honor.

Nobuo Akagi: It's an honor to be here.

Yumeria Moegi: We're honored to be with you guys to help you all.

Mitsuki Aoyagi: This is gonna be fun.

Me: It sure is. I'm glad you all can come.

Nobuo: It's an honor.

Maria: Are you sure you guys are up to working together?

Hymeno: Believe me, we've had the lesson of teamwork hammered in the hard way.

Me: That's good. That's good.

Nico: I'm glad.

Me: And one more to help out. (SNAPS FINGERS)

I then had all the Kamen Rider Ryuki Riders come!

Nico: WHOA! The Ryuki Riders!

Me: Yep. And this for good measure.

I snapped my fingers again and then Shindo regained his memories of being a Kamen Rider!

Shinji Kido: What the? Team Loud Phoenix Storm!? Abyss!? What happened?

Me: Shinji it's a long story and we have a lot to tell you.

Abyss: You're back! Wow!

Ren Akiyama: (smirks): Ready for one last fight, Shinji?

Me: That's right I remember that Ren challenged Shinji.

Shinji: Ren!? Wow! Awesome to see you again. What happened?

Me: We have a lot to tell you and it's dark and bittersweet. But it's what lead to us meeting the American version of you guys.

Shinji: Really?

Me: Yeah.

We told them everything and how it lead up to him dying and more and how Natalia's missions were for the American versions of the Ryuki Riders and more and it was amazing.

When I was done he was shocked.

Ren Akiyama: I was actually referring to the mission you guys have today.

Me: We know that.

Ren: Oh.

Me: Sorry we just wanted to tell him what happened since 2002.

Shinji: Wow. How long has it been?

Me: 21 years. It's 2023.

Nico: Yep.

Shinji: Oh man.

Me: Yeah.

Shinji: And the American version of Shiro Kanzaki is Xaviax?

Me: Yep. And he and I have a nasty history. I helped out the American Version of you guys back 15 years ago and killed Xaviax the first time.

Nico: Yeah we were shocked by this revelation ourselves.

Me: Yeah.

Shinji: Wow! That is amazing! I didn't know you and Xaviax had such a brutal history.

Me: Oh yeah. And we're going to destroy him later on.

Qin: That is for sure.

Me: I'm sorry about everything you went through.

Shinji: It's okay.

Ren Akiyama: After the mission, me and Shinji are going to go to where Dutch Schaeffer is.

Shinji Kido: We're not ready to join you guys officially yet. But we need to prevent events like the Rider Fight from happening again. And make sure people like Jun Shibaura and Takashi Asakura don't have the power to hurt others ever again.

Me: Well we understand your reasons Shinji. But when you do decide to join us, you know where to find us.

Shinji: Thank you.

Then the previous group came.

Gira Husty: And it's an honor to help out as well.

Gameface: We're glad to help out too.

Gira Husty: Hey aren't you the American version of one of the Kyoryugers monsters?

Gameface: I sure am.

Me: You must mean Debo Akidamonne. That's the Japanese version of Gameface.

Nico: Gameface is the American version of him.

Gira Husty: I see.

Me: General Schwarz here is from the ToQgers from 2014. And Kerbero Gangan is from the LupinRangers VS PatRangers back in 2019.

Gira Husty: Wow! That is so cool!

Me: Yep. We have 47+ Years of rangers and monsters with us as well as 50+ Years of Riders and Kamen Riders Monsters too.

Gira Husty: That is awesome and amazing.

Lola: It sure is.

Paragus: Nico, which Gene Slammers do you think you'll meet next?

Nico: Sandaconda, Cramorant and Barraskewda.

Eli: Cool!

Qin: Awesome!

But then…

Me: Whoa!

I was holding myself.

Me: We better use the bathroom.

Nico: Okay bathroom break everyone!

ZOOM!

Gira Husty: When you got to go you got to go.

Nico: That is for sure.

We went into our bathrooms.

FLIES UNZIP

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM

WATER RUSHING OUT!

Everyone: (LONG RELIEVING SIGH)

Realistic waterfalls formed all over the screen as we were relieving ourselves.

When we were done we washed our hands.

Me: WHEW! That's better.

Nico: Yeah.

Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we're going to confront today: it was none other than the Pokemon Criminal Duo, Azure and Crimson, and they're causing trouble. When we saw it, we knew it meant trouble.

Nico: Lincoln, what's wrong?

Lincoln: We got some big trouble, Nico, where are Ash and the others?

Just then, Ash and his friends all came in.

Ash: We're here, Lincoln, what's the emergency?

Lincoln: Glad you all could make it, Ash. Okay, I just had a vision and I saw who it was that we're going to confront today: the figures I saw in the vision were none other than the Pokemon Criminal Duo, Azure and Crimson, and they're causing trouble.

Ash and his friends gasped.

Ash: Azure and Crimson?! We haven't seen those two in a long time, and now, they're back and they are causing trouble again.

Nico: Yep, but instead of sending them to prison, why don't we send them to The Masters of Evil.

Lincoln: Good idea, Nico. They'd be better in The Masters of Evil than sending them straight to jail.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Amelia Daedalus, one of the members of The Ghostrick Destroyers, and she's heading here to kill The Ghostrick Guardian Angels. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and we got news, Raven: as we guessed it, Amelia Daedalus, one of The Ghostrick Destroyers is heading here to kill you all.

Isabella Lupa: Just as we expected, but we'll be ready for her, and she'll suffer the very same punishment back in the castle of The Michigan Supernatural Defense Force after we face Azure and Crimson.

Crash Bandicoot: That blood-sucking fanatical religious zealot's already a dead vampire walking once she shows her ugly face, and I hope they go werewolf and rip her to shreds!

Nico: Since we know vampires and werewolves have quite a blood feud going back millennia, there's no doubt it's gonna get ugly. Alright, gang, let's go, we're heading out to battle Azure and Crimson.

Lincoln: This is going to be one awesome battle with those two, and after we take them down and put them in The Masters of Evil, you're next, Amelia Daedalus.

Isabella Lupa: You better be ready to die, Amelia Daedalus, because you deserve no such mercy from any of us for trying to kill us seven years ago, nor do you even deserve to live a single second further, you religious fanatic and zealous heretical demon, after we deal with Azure and Crimson. (HOWLS)

Nico: What was that?

Ellie Elsher: That howl you heard, to us, that's her battle cry, and when some idiot hears her howl, to them, that's the call of death! But, you should hear Lincoln's howl.

Me: Yeah, he's got quite a set of lungs to howl that loud.

Lincoln: Any who hear my howl, they know their butt's going to get kicked hard by me.

Rudina Adalwulf: To criminals and thugs, it's the howl of justice, and they basically have nowhere left to run.

Lincoln put up a rainbow energy field around The World Tree Estate and we headed out to battle the Pokemon Criminal duo, Azure and Crimson, and put them into The Masters of Evil, and once we get done battling Azure and Crimson, Lincoln and Isabella Lupa are going to destroy Amelia Daedalus of The Ghostrick Destroyers.

We were off to the Sinnoh Region in Saskatchewan, Canada.

---

We arrived.

Me: Saskatchewan, Canada.

Qin: Always beautiful coming here.

Lola: Yep.

Felix Faust: You guys okay now?

Me: Much better.

Lola: We had a lemonade drinking contest and J.D. and Lazlo won.

Me: Yeah.

Felix Faust: That makes sense.

Gira Husty: I heard about all those awesome contests and adventures you do. They are so cool.

Me: We do all sorts of fun adventures.

Camie: Yep.

Android 17: What do we got on Azure and Crimson?

Me: Lets see.

I pulled up their history.

---

Azure

Azure and his partner Crimson pretended to be participants of the fake Pokémon Hustle event that was created by Team Rocket. Team Rocket's plan was to steal the Poké Balls but they were stolen by Azure and Crimson before they were able to complete their plan. Team Rocket eventually found out that the Poké Balls were stolen but Officer Jenny was already following Azure and Crimson undercover when she attempted to capture them. Jessie, James and Meowth thought Azure and Crimson were members of Team Rocket as well and helped them with their escape. After Azure and Crimson told them they had never even heard of Team Rocket, Jessie, James and Meowth got mad at them and tried to recover the Poké Balls. Azure and Crimson were later captured and arrested by Officer Jenny with the help of Ash and his friends.

---

Me: Whoa! It says here that Ash and friends stopped them with the help of Officer Jenny in Greenstation Town.

Nico: Wow.

Ash: I remember that and it was awesome.

Dawn: It sure was.

Me: And believe it or not Greenstation town is right there!

We saw that we were in front of the town in Saskatchewan, Canada.

Nico: WOW! That is coincidental that we're here again.

Lola: It sure is.

Nico: What else does it say?

Me: Well it says that they are an independent criminal duo and they are not affiliated with any Pokemon Villain team and that thankfully they never heard of Team Rocket.

Jessie growled!

Jessie: (GROWLS) I HATE THOSE TWO! I remember them now!

General Schwarz: But how did they become criminals to begin with?

Gira: Every criminal has to have a background story.

Me: Lets see.

I pulled up their info and it said that they are both brother and sister and they are more like common thieves that steal the pokemon of villain teams and sell them on the black market to the highest bidder. They were abandoned by their parents and forced to live on the streets where they stole from other villains including their Pokemon to sell on the Black Market and that's how they became a well known and dangerous crime duo.

Me: Whoa! They are street thieves and they sell bad guys Pokemon on the worlds black market to the highest bidder.

Eli: WOW!

Nico: That explains why you hate those two Jessie.

Me: They tried to swipe your Pokemon.

Jessie: (GROWLS IN FURY) YEAH And they double crossed Team Rocket!

Sly Cooper: So in a way they are Pokemon Anti-Villains. They have no honor, no challenge and no fun stealing from ordinary people.

Qin: That is interesting.

Me: That is coincidental.

Nico: And that's not all in regards to them.

Supernova Zap: What do you mean?

Nico: Crimson has sent me emails since this morning.

Me: Did she really?

Nico: I'm not shitting you.

He showed me email he printed.

Me: (Reading) "Dear Nico, I think you are the cutest guy ever and the way you stomped out all the bad guys is great. In case you're wondering who I am, my name is Crimson and I have had a crush on you ever since I saw you on TV battling the bad guys. When you became leader of Team Loud Phoenix Storm, it was just a matter of time before I met you and I wanted to meet you at the right place so we can talk and if possible maybe go on a date with you if you want. I know that you are always available on the market with your massive harem and all that but let me just say that you have a great love life and I want to get to know you and maybe have me included to your harem. If that's all right with you. Sincerely, Crimson. P.S. If we battle I would like it to be in Greenstation Town." Wow! That is interesting.

Kerbero Gangan: I doubt that's the only one.

Yanma: (chuckles and pats Nico on the back) You got it bad, man.

Gira: Says the guy who was crushing on Hymeno within an hour of us knowing her.

Yanma: You have no proof of that!

Me: Hey hey hey. Nico always has been the luckiest guy ever. On many of our awesome rescues we meet many of his friends from his past who are also gene-slammers of Pokemon and many things.

Xenia: He's right on that.

Shinji: That is amazing.

Me: It sure is.

Ash: Guys, I think Pikachu wants some ketchup.

Inque: Can't it wait?

Pikachu shook his head.

Lily gave him a bottle of ketchup.

Lily: There you go.

Pikachu: Pika!

Nico: (LAUGHS) That is funny.

Me: Yeah. Shall we head into the town?

Xigbar: Sure can.

Nico: Lets go.

We went into the town.

Greenstation Town was a really awesome town.

Me: Wow.

Dawn: Greenstation Town is doing really great since the last time we were here.

Brock: It sure has come a long way.

Qin: I'll say.

Woody Woodpecker: This sure is a great town.

Nico: I'll say. Nice place for any kind of Pokemon and Pokemon battle.

Xenia: It sure is.

Me: Yep. (WHISTLES)

My Rapidash came and I got on.

Me: Want to make a fun and awesome law enforcement style impression.

Hitch Trailblazer: Like a sheriff of the law.

Me: Yep.

Fuse Man: Good thinking.

Me: Thanks.

We continued.

Lola: So far so good.

Nico: Yep.

Eli: Stay alert.

Me: Obviously Azure and Crimson haven't gotten the memo that all the Villain teams were destroyed.

N: And that most of the members are all either dead or in prison.

Gira: Isn't Giovanni the one who caused the majority of the Gene Slammers?

Saix: The same one.

Me: Thats right. It started out with the Paradigm Brothers. But they were quickly outclassed and surpassed by the atrocities of Giovanni and Team Rocket.

Lola: It's true.

Carolyn Hope: You wouldn't believe how many of us were gene-slammed by Team Rocket.

Layla Chimera: We were slammed with Pokemon, Digimon, Duel Monsters, Monsters Rancher Monsters, Magic The Gathering Monsters, Aliens from other planets, animals and so much more.

Lola: Yeah that was crazy.

Lily: You wouldn't believe what we found out.

Me: We raided the ruins of their base and found out about it.

Gira: Wow! That is crazy!

Yanma: It sure is.

Me: Yeah.

Shinji: No kidding.

Qin: But on the plus side, it gives us all amazing powers and we can do all kinds of things no one has even thought possible.

Deadpool: (to the viewers) Also, since Rita Kaniska's actor is a girl, we'll say that she's a girl here.

Rita Kaniska: Who is he talking to?

Me: Wade Wilson A.K.A. Deadpool has a habit of breaking the 4th wall and it helps people understand. It's what he does.

Rita Kaniska: Oh!

Me: We do it too but only when needed and at the end of missions.

Zixx: It's true. It's awesome.

Marluxia: Some Gene Slammers either end up naked or half naked.

Nicole: Yep and I warn all the boys in the group that if they peek at them while they are naked that I would smash their skulls in and leave them for dead.

Varie: That's where me and the Fashion Brigade come in.

Rarity: We make new clothes for them.

Qin: And the clothes we have from them are all really stylish and awesome.

Carolyn Hope: They are really stylish and amazing.

Gira: That is really cool.

Rita Kaniska: That is really amazing. And Nicole you must really hate perverts with a vengeance.

Nicole: That is an absolute understatement. I absolutely DESPISE And LOATHE all perverts to the point where I want to disembowel them and eat their manhoods off!

Me: Nicole has been like that ever since an incident befell her.

Qin: Yeah!

Nicole: Yep. Ever since then I made it one of my missions to enforce and protect the safety and dignity of all women. I formed the Anti-Pervert Patrol.

Nicole gave Gira a business card for it.

Gira: Wow! That is awesome Nicole.

Nicole: Thanks.

Gira: Well, I can assure you I'm not a pervert.

Tornado Man: That's good.

Nicole: It sure is. But there are people like that that are constantly under the monitors of us.

Naruto: Jiraiya of the Sannin. I call him Pervy Sage.

Gira: Really?

Me: Don't fucking ask.

Naruto: Yeah.

Me: Master Roshi is also one of them.

Lola: Yeah but not as bad as Jiraiya.

Me: Yep. And there's Kon.

Nico: Oh yeah. That lion stuffed toy.

Eli: Yeah he is a crazy one.

Goro: And there's also the bad perverts. Like Quagmire!

Gira: I've heard of him! I saw him get killed by you guys all over the news!

Me: Katherine Mulligan must've shown us doing that to you guys before you started.

Gira: Yep we saw it.

Me: Boy it spread like wildfire.

Rita Kaniska: But you guys did great destroying him.

Nico: Thanks. That was good we did.

Nokuo: I hated Quagmire. He got what he deserved. So did all of Quahog.

Nico: It sure did.

Xenia: Yeah.

Octopunch: But not before he raped several women and assaulted Brian in the past.

Yanma: So the slack jawed Tanuki is an animal abuser too?!

Laney: Hey thats a good name for him.

Yanma: Thank you Laney.

Me: Yeah he sure did assault Brian too.

Brian: Yep. But I'm glad he's gone.

Nico: That is for sure. But I wonder if the evil version of me from Universe 666 killed his worlds version of him.

Universe 666 Opaline: No he didn't Nico.

Nico: Oh. Oh boy.

Gameface: I see them up ahead!

We saw them running a phony grocery stand for Pokemon.

Me: A Phony dime-store Grocery stand for Pokemon.

Xenia: Even I know phony groceries when I see them.

Nico: Yep. Entrance time.

We went at them!

Crimson: Groceries!

Azure: Get your groceries!

Then the spirits of the Pokemon came and then they spun around them and then they converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above them and then a phoenix cry was heard and then we came out and landed in front of them.

Me: Nice day to run a business.

Azure: Team Loud Phoenix Storm!

Crimson: Oh hello Nico.

Nico: Oh hello there Crimson.

Gantu: You know Team Rocket is pretty much just Jessie, James, and Meowth now, right?

Azure: Is it really?

Me: You want the short version or the long one?

Azure: Short.

Me: Okay.

I told them everything and how Giovanni did it all and more and they were shocked and horrified!

Crimson: Giovanni is that evil!?

Nico: Yep. He was.

Me: We destroyed him and all of Team Rocket. Jessie, James and Meowth are all that's left.

Wobbuffet: Wobbuffet!

Evil Seed: And Nico got your love letter this morning!

Crimson: I'm glad he did!

Me: Nico is a lucky guy.

Nico: Oh stop. And Crimson I will gladly accept your date.

Crimson: (SQUEALS) THANK YOU!

Me: (LAUGHS) Nico you are one great guy.

Azure: Hurt her and Drowzee's gonna have a few words with you.

Me: Not if he gets this.

---

Nico: Yep. So, Penelope, what memories did you have with Lincoln?

Penelope Percival: Oh man, I was hoping you'd ask that. Well, this one time, Lincoln and I along with the rest of The Royal Woods Knights of The Michigan Table were riding out on patrol looking for any sign of trouble and we also had the rest of his Guardian Angels with him, and Ellie Elsher contacted us and told us that Killjoy Huggins had gathered a massive army of thugs to kill Lincoln, that set us off, and they were on the move from an abandoned warehouse just north of Royal Woods Elementary School. We rode out there and we'd slain every last one of the thugs, then, we turned our attention to Killjoy Huggins, and we brutally thrashed him. Then, Lincoln chained him up with chains of light and we brought him before Superintendent Chen, and after we told her and showed her everything, she was absolutely livid at that killjoy, and she did the worst thing ever.

Nico: What was that?

Ellie Elsher: She pounced on and thrashed Killjoy Huggins herself, and even worse, she kicked him hard in the crutch and she was wearing her heels!

Nico: (WINCES) Oh man!

Me: Yeah, those heals really hurt! Thank goodness no one at school saw it.

Ellie Elsher: Thank goodness. Then, she called the cops on him and they took him to jail, and he was charged with the attempted murder of Lincoln, but instead of getting thrown in the nuthouse or the local prison where he belongs, the court ordered him to pay $900,000,000,000,000,000 in restitution to us.

Nico: OOH! There's nothing worse than getting hit with that: by that count, he'd be dead before he'd paid the full amount of restitution to Lincoln.

Me: Big time, and he refused to pay it and he even told off the judge and he tried to run at Lincoln with a pen so he can stab him with it. The bailiffs tackled him to the ground and handcuffed him, and the judge has had enough of his behavior. Because of what he and the jury had seen along with the rest of the people, the judge sentenced him to prison for five years, and the court paid the restitution amount to Lincoln by deducting it from his salary.

Rita: He deserved it.

FLASHBACK ENDS

Nico: You two are under arrest!

Vypra then appeared.

Vypra: Nice one, guys.

Nico: Thanks, Vypra. Alright, awesome job, gang, we defeated Azure and Crimson.

Isabella Lupa: (Growls) I should've known there was no mistaking that voice from anywhere. Get out here right now, Amelia Daedalus, before things get really ugly!

A girl with black hair, red hairband, red eyes, and dressed in a black coat, white bridal gloves, white shirt, necklace with red gem pendant, black pants, and black knee-high boots with butterfly buckles came out, and it was none other than Amelia Daedalus, religious zealot and fanatical so-called vampire hunter of The Ghostrick Destroyers who was exposed as a murderous demon and heretic, and one of the twenty-two human-despising vampires from

Transylvania.

Isabella Lupa: Amelia Daedalus, I should've known you'd show up here! Lincoln warned you all to never to show your faces again after he kicked you all out of Royal Woods seven years ago.

Amelia Daedalus: We will never stop, all of you shall be destroyed in the name of God!

Me: You really are a delusional religious fanatic!

Nico: And an infinite-times fucked up one for that matter!

Lincoln: I did say they were absolutely insane and driven only by religious delusions, and for that, I blame their parents for that one. But, the jig's up, Amelia, Ophelia already exposed her true self, and that's being one of the twenty-two human-despising vampires from Transylvania.

Isabella Lupa: Indeed, and it's high-time we bring this delusional vampire down for good.

Suddenly, Isabella Lupa's orange eyes turned neon orange and she was surrounded by a black and orange energy aura with stars, darkness, light, shadows, moonlight, werewolves, and angels, she unholstered her massive Ghostrick Warwolf's Moonlight Darkness Archangel Greatsword of Moonlight Darkness Werewolf Angel Justice from her back, and as she approached Chloe Desikan, she left black and orange energy, stars, darkness, light, shadows, moonlight, werewolves, and angels with every step.

Isabella Lupa: I can already see that time hasn't changed you, you're still the same religious fanatic and zealous so-called vampire hunter who was exposed as a murderous demon and heretic seven years ago along with being one of the twenty-two human-despising vampires from Transylvania. We thought we wouldn't have to deal with you ever again after Lincoln chased you all out of Royal Woods, but as always, you refused to learn your lesson, and you had the nerve to come back after you were explicitly warned. You now have nowhere to run to, Amelia Daedalus, and now, you shall pay the price for your misdeeds with your own blood.

Suddenly, Isabella Lupa let out her howl of war as she was surrounded by a massive vortex of black and orange energy with stars, light, darkness, moonlight, and shadows surrounding the vortex, there are werewolves, angels, and Ghostrick Warwolf flying around the vortex, and in the vortex is a red phoenix with blood red eyes glaring at Amelia Daedalus: the red eyes of eternal death. Then, as the vortex faded, Isabella Lupa emerged, but she was changed forever.

PIPE ORGAN MUSIC PLAYS

Isabella Lupa grew from 6'5" to 7'5" in height, she has the body of a goddess, she has black highlights in the bangs of her short neck-length light brown hair and light brown wolf ears, she has neon orange eyes and a black and orange energy aura with stars, darkness, light, moonlight, werewolves, and angels surrounding her, she has the Dark Kanji in the hands of Ghostrick Warwolf emblazoned on her forehead and Third Eye with dark purple iris, she has on werewolf earrings with orange gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands, she also has Ghostrick Warwolf with orange gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands on the bottom of her brown werewolf-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with orange crystal links from her merged Crystal Necklace of the Buddha and orange gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Isabella Lupa has on a sleeveless dark blue open blouse, sleeveless black crop top, black skirt, black pants, black knee-high high-heels, black fingerless gloves, and long white sleeveless trenchcoat with stars, darkness, light, moonlight, werewolves, and angels on the coattails, and on the back is Ghostrick Warwolf and Werewolf surrounded by stars, light, moonlight and darkness. Suddenly, Isabella Lupa felt a sharp pain on her back, and then, her massive brown angel wings with black tips on the large brown feathers grew much bigger for her new body and she now has eleven massive and long light brown wolf tails with black tips and black markings, she has on a Ring of The Phoenix with orange gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Isabella Lupa's massive Ghostrick Warwolf's Moonlight Darkness Light Werewolf Archangel Greatsword of Moonlight Darkness Werewolf Angel Justice and all the other greatswords and swords she'd gotten began merging together and they're surrounded by a kaleidoscope of black and orange energy, stars, darkness, light, moonlight, werewolves, and angels, and when it emerged, it was transformed into Isabella Lupa's Ghostrick Warwolf Moonlight Darkness Light Werewolf Angel Greatsword of Moonlight Darkness Werewolf Angel Justice, it's a brand-new massive greatsword with embedded light brown gems and Ghostrick Warwolf etched on the 7'4" massive, wide, double-edged black blade, large werewolf heads for the crossguard, large white angelic faces built into both sides of the hilt with large orange gems embedded in their foreheads, longer midnight black handle, four large werewolf heads and below the werewolf heads is a large white angel head with orange gems for eyes and orange gem in its mouth for the pommel, she has on her new brand-new large gold cuff Bracers of the Champions of The Universe with orange gems on her wrists and Dragon Ball Bracelet on her left large gold cuff Bracer, new large gold Belt of Elemental Bravery with a gold version of Ghostrick Warwolf's head with orange gems for eyes and a large orange gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. Isabella Lupa has transformed into SUPER ANGEL-GHOSTRICK WARWOLF-WEREWOLF-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA MOONLIGHT DARKNESS LIGHT GHOSTRICK WARWOLF WEREWOLF ANGEL OF DIVINE MOONLIGHT DARKNESS LIGHT GHOSTRICK WARWOLF WEREWOLF ANGEL JUSTICE AND DIVINE MOONLIGHT DARKNESS LIGHT GHOSTRICK WARWOLF WEREWOLF ANGEL LOVE!

We were amazed by Isabella Lupa's Super Angel-Ghostrick Warwolf-Werewolf-Harmony Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Amelia Daedalus saw it, she fell into an even more darker and more insane rage and ran at Isabella Lupa with a knife to stab her in the heart to kill her, but Isabella Lupa fired a powerful barrage of black and orange energy blasts, stars, darkness, light, moonlight, werewolves, and angels at the insane vampire hunter and they exploded with incredible power as they hit her, and this really pissed them off.

Nico: Whoa, now that's really haunting, Isabella Lupa's transformed, that vampire is so done for.

Lincoln: No villain's ever been safe from the Werewolf Angel of Michigan, she will hunt down all those who are truly evil and kill them.

Ellie Elsher: And there's no mistaking that howl: the howl of death, now death's coming for that bitch.

Isabella Lupa: (Divine Godly Cosmic Voice of The Moonlight Darkness Light Ghostrick Warwolf Werewolf Angel and Moonlight Darkness Light Ghostrick Warwolf Werewolf Angel Love) Indeed it has. Now, let's rip her to shreds, Linky.

Crash Bandicoot: Don't start without me, guys.

Crash Bandicoot unholstered his massive Crash Bandicoot's Skylands Ten Elemental Wolf Draconic Bandicoot Greatsword of Ten Elemental Skylands Justice and Ten Eternal Elemental Skylanders True Bravery from his back and he transformed into Super Angel-Bandicoot-Dragon-Elemental Skylander-Harmony United Friendship Universal Eternal Celestial Xelnaga Ten Elemental Knight Elemental Skylander Draconic Bandicoot Angel of Divine Ten Element Skylands True Hero Knight Draconic Bandicoot Angel Justice and Divine Ten Element Skylands True Hero Knight Draconic Bandicoot Angel Bravery.

Crash Bandicoot: (Divine Echoing Godly Voice of The Ten Skylanders Elemental Draconic Bandicoot Angel and Divine Godly Universal Ten Skylanders Elemental Draconic Bandicoot Angel Bravery) You now have nowhere to run to, you blood-crazed delusional bat.

Lincoln let out a growl as white fur began growing on his massive and powerful muscular body and his abnormally massive and powerful upper and lower body muscles grew a little bit bigger, white fur also began growing on his massive and wide muscular pecs and eight pack abs, his nose changed to a wolf's nose and white wolf's muzzle, his deep sapphire blue eyes and the rainbow iris of his Third Eye remained the same, but his pupils turned into slits, along with the large white wolf ears with rainbow markings on his head, massive white angel wings with aurora and orange tips, his eleven massive and long and powerful white wolf tails with rainbow markings and rainbow tips and white rabbit's tail with rainbow markings above his white wolf tails, and he let out a powerful howl as he transformed into Lincoln The Nocturnal. Then, Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's

Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Isabella Lupa and Crash Bandicoot.

Lincoln: (Divine Beastly Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) I warned you of the consequences should you and the rest of The Ghostrick Destroyers dare to show up again, Amelia Daedalus, now it's time we put you down for good!

Isabella Lupa, Lincoln, and Crash Bandicoot went after Amelia Daedalus, and they fired extremely powerful blasts of rainbow energy, black and orange energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Amelia Daedalus and they exploded with incredible power as they hit her.

Then, they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and firing energy slashes from his claws and he, Isabella Lupa, and Crash Bandicoot also attacked her with punches, kicks, and karate chops, along with elemental blasts, and this was really driving Amelia Daedalus mad.

Amelia Daedalus: You… YOU! (Red Eyes turning Blood Red with slit pupils and vampire fangs grew) I WILL KILL YOU!

Amelia Daedalus' vampiric nature came out, and now, she was out for blood. Amelia Daedalus ran at Lincoln, Isabella Lupa, and Crash Bandicoot, and she tried to attack them, but they dodge her attacks, and then, Lincoln drove his massive greatsword into Amelia Daedalus' stomach, and he began sucking out her vast dark powers, immense strength, and vampiric abilities, and he made them his own.

Lincoln: (Divine Beastly Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, for the grand finale. VAMPIRIC BLOOD LIFE ENERGY DRAIN!

Suddenly, all the gems embedded in the 7'6" massive, wide, double-edged golden blade of his Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds suddenly began glowing green, and then, Lincoln began draining Amelia Daedalus of all her life energy and blood, and when he was done and he removed his massive greatsword from her stomach, Amelia Daedalus was now a desiccated corpse drained of her vampiric powers, blood, and life energy, and as soon as her soul appeared, Lincoln fired a blast of energy from his massive greatsword and had her imprisoned inside an energy card. We cheered wildly for what Isabella Lupa, Lincoln, and Crash Bandicoot did as they holstered their weapons and powered down, and Isabella Lupa's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long light brown wolf tails, and massive brown angel wings are permanent.

Isabella Lupa: That's one down and four of these monsters to go, and we're now pissing them off greatly. Thank you for helping us get rid of that religious fanatic and zealous heretical vampire, Linky, you too, Crash.

Lincoln: (Smiles Warmly)(Beastly Voice) You're welcome, Isabella.

Crash Bandicoot: She did need to pay for what she did, and I'm always happy to help.

Isabella Lupa: And don't change back yet.

Crash Bandicoot went back to us, and suddenly, Isabella Lupa wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face and muzzle, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Isabella Lupa's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Ghostrick Warwolf flying in the air, and we saw a herd of Buffalo and many animals running across the field and werewolves howling and moonlight shining down behind them and we cheered wildly. Then, Lincoln and Isabella Lupa absorbed the elemental forces and they came back to us as the display vanished, and Lincoln changed back to normal.

Nico: Whoa, oh man, now that's what I call one dark moonlight fight, Lincoln, Isabella, Crash, you showed that showed that vampire no mercy whatsoever, and sent her to her death.

Lincoln: She didn't deserve any mercy, I warned them never to show their faces again, but those fools never learn.

Me: And you used your Vampiric Life Drain on her, awesome!

Lincoln sent the soul of Amelia Daedalus in a cage and he put the curse on her that gave her back her life energy, but once that happened, suction tubes came out and were attached onto her, and then, the suction tubes activated, and Amelia Daedalus' life energy was being sucked out of her again: she was condemned to that punishment until all of The Ghostrick Destroyers are killed, and it flowed into Lincoln and The Michigan Supernatural Defense Force as they gained a massive power boost.

Nico: (Snickers) That Room of Tortured Souls is definitely a top-notch prison for some of Michigan's most dangerous thugs and criminals.

Lincoln: And the curse I put on them has continued to work for seven years, that way, they can suffer for all eternity of regaining their life energy only to have it drained out of them again and flowing into us. But, if any of them get a little out of hand, I put in a counter curse, should any of them get a little out of hand or try to escape, the counter curse will activate and the life energy they regain from the curse will not only be drained out of them forever, but they'll be sent to The Black Gates forever with help from our stone gargoyles and stone vampire bats perched outside the castle.

Ravenna Amaranth: And Lincoln also put up a new curse: once all the members of The Ghostrick Destroyers are destroyed and sent to The Prison of Tortured Souls and all their life energy has been drained, they will be sent to The Black Gates forever.

Me: Cool!

Nico: So, you'll keep them imprisoned inside the castle's prison until that day comes, nice one. So, Lincoln, which Noble Knight Gene-Slammer are you meeting tomorrow?

Lincoln: Ooh, I've got just the one: we'll be meeting the Gene-Slammer of Noble Knight Brothers.

Melanie Artorgius: (Gasps) Awesome, and there's only three people who'd be Gene-Slammed into Noble Knight Brothers, Adriana Agravain, Giselle Gaheris, and Grace Gareth, and you guys will love meeting them, Adriana Agravain, Giselle Gaheris, and Grace Gareth are Lincoln's Guardian Angels from Michigan and they're three very powerful wielders of magic and very powerful swordswomen, and members of The Royal Woods Knights of The Michigan Table. They trained Lincoln both in the art of swordsmanship and in magic, and he became a very powerful swordsman and master of magic, and they also taught him much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those he loves and holds dear to his heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Adriana Agravain, Giselle Gaheris, and Grace Gareth are also direct descendants of Sir Agravain, Sir Gaheris, and Sir Gareth of Camelot.

We gasped.

Me: Sir Agravain, Sir Gaheris, and Sir Gareth, three of the skilled Knights of the Round Table, but Sir Agravain had made attempts on the life of his brother, Gaheris, but they got killed by Lancelot.

Katara Chevalierflamboyant: (French Accent) That's right, plus, Lincoln made them dark blue coats with the coat of arms of Royal Woods' Knights of The Michigan Table along with beautiful necklaces, and to show her thanks, they each kissed Lincoln on the lips after their training, and Adriana Agravain, Giselle Gaheris, and Grace Gareth hate Lori, Lynn, and Lola with a very blazing passion. One day, Adriana Agravain, Giselle Gaheris, and Grace Gareth and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Lori, Lynn, and Lola, and they brought with them an army of thugs they hired. Adriana Agravain, Giselle Gaheris, Grace Gareth, and Lincoln went out there along with the rest of us, and they'd slain them with her greatsword. It drove those three bitches into a blood-crazed fury, but before he could get after us, Lincoln, Adriana Agravain, Giselle Gaheris, and Grace Gareth fired chains of light magic which bound those dumbasses and tied them up.

Nico: Did he call his family and his nice sisters for this?

Lincoln: Yep, and needless to say, Leni, Luna, Laney, Lucy, Lana, and Lily wanted their heads on a pike!

Me: Should've known they would do something like this.

Lincoln: I know, but I wasn't surprised, Lori, Lynn, and Lola tried to kill me many times in the past, but in the end, their plan failed, and Lori, Lynn, and Lola got grounded for eighteen weeks, and to make sure that they didn't try to get revenge on us, Adriana Agravain, Giselle Gaheris, Grace Gareth, and I casted a spell to prevent them from coming back to hurt us.

Me: Yeah, messing with the descendants of Sir Agravain, Sir Gaheris, and Sir Gareth of Camelot and three of the members of The Royal Woods Knights of The Michigan Table will have dire and disastrous consequences.

Nico: Those three monsters really hated that their greatest "plan" was foiled once again, and they got into even more serious trouble.

Lincoln: They seriously didn't even know when to quit, and to make it worse, their plan also earned them the vengeance of my nice sisters. And now, for tomorrow, we're going to face off against Eleanor Cruorem.

Alecto Shadowcall: Yes, which means you and I will be facing her, Linky.

Crash Bandicoot: And I'll be joining in as well.

Ravenna Amaranth: That's right.

Jessie: I'm still not over what you stole from us!

Crimson: We are not ashamed.

Snake: How about you agree to disagree?

Toad: Do you guys really got to go?

Ren: If by go, you mean me and Shinji joining Dutch Schaeffer, then yes.

Shinji Kido: It's to make sure what we went through never happens to everyone else.

Top: That makes sense.

Me: Yeah we understand.

Nobuo Akagi: We have to go too. Paradox gave us a second chance at life. We're not wasting it.

Kaguragi Dybowski: It pains me to say that we must go too.

Hymeno: Raculus and the Bugnarak are still out there.

Rita Kaniska: And we still have to punish them for their crimes

Jeremie Brasieri: But we still keep in touch.

Yanma: If you guys need any slack jawed tanukis to be punished, let us know.

Vortex: Will do!

Me: We well thank you.

Vulkanus: (to Gira) Next time you see Raculus, kick his ass for us!

Gira: You can count on that.

Me: Thanks for helping us guys.

Gira: Our pleasure.

We shook hands.

They teleported.

Nico: That was so fun though.

Qin: It sure was.

Me: And we have Azure and Crimson in the M.O.E.

Nico: Yep. Great job today everyone.

Twilight Sparkle: (To The Viewers) This was awesome having new people help out.

Me: It sure was.

We went back home and enjoyed the rest of the day and went to sleep.

The next match-up scene for the saga is Alecto Shadowcall, Gene-Slammer of Ghostrick Witch, Lincoln, and Crash Bandicoot VS. Eleanor Cruorem

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Vermont, and we got bad news: it appears that an old enemy of Lincoln's named Wyatt Garcia, has broken out of prison and he wants his revenge on him. Seven years ago, Wyatt Garcia was once a high school student who went to the same high school as Lori, Leni, Luna, and their friends, but he was no rule-following student, he was a brutal thug who had terrorized the students and teachers, he physically assaulted the teachers with such horrible rage and he did the same thing to the students. No one was able to do anything about him, and he had the school in an iron grip, that was until Lincoln and his Guardian Angels exposed his crimes to the world and the Guardian Angels gave him a brutal beatdown. Then, the school expelled him and the police arrested him, but before he was taken away, he swore one day he'd have revenge on Lincoln and his Guardian Angels. He was then sent to prison for the rest of his life, and now, years later, Wyatt Garcia has broken out and he intends to get his revenge, but not if Lincoln has anything to say about it. And we're going to meet the next Noble Knight Gene-Slammer,, their names are Adriana Agravain, Giselle Gaheris, and Grace Gareth, Gene-Slammer of Noble Knight Brothers, they're Lincoln's Guardian Angels from Michigan and they're three very powerful wielders of magic and very powerful swordswomen, and members of The Royal Woods Knights of The Michigan Table. They trained Lincoln both in the art of swordsmanship and in magic, and he became a very powerful swordsman and master of magic, and they also taught him much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those he loves and holds dear to his heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Adriana Agravain, Giselle Gaheris, and Grace Gareth are also direct descendants of Sir Agravain, Sir Gaheris, and Sir Gareth of Camelot, three of the skilled Knights of the Round Table, but Sir Agravain had made attempts on the life of his brother, Gaheris, but they got killed by Lancelot. Lincoln made them dark blue coats with the coat of arms of Royal Woods' Knights of The Michigan Table along with beautiful necklaces, and to show her thanks, they each kissed Lincoln on the lips after their training, and Adriana Agravain, Giselle Gaheris, and Grace Gareth hate Lori, Lynn, and Lola with a very blazing passion. One day, Adriana Agravain, Giselle Gaheris, and Grace Gareth and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm:

it was Lori, Lynn, and Lola, and they brought with them an army of thugs they hired. Adriana Agravain, Giselle Gaheris, Grace Gareth, and Lincoln went out there along with the rest of us, and they'd slain them with her greatsword. It drove those three bitches into a blood-crazed fury, but before they could get after them, Lincoln, Adriana Agravain, Giselle Gaheris, and Grace Gareth fired chains of light magic which bound those dumbasses and tied them up. Lincoln called his parents and his nice sisters, and needless to say, Leni, Luna, Laney, Lucy, Lana, and Lily wanted their heads on a pike! But Lincoln wasn't surprised, Lori, Lynn, and Lola tried to kill me many times in the past, but in the end, their plan failed, and Lori, Lynn, and Lola got grounded for eighteen weeks, and to make sure that they didn't try to get revenge on us, Adriana Agravain, Giselle Gaheris, Grace Gareth, and Lincoln casted a spell to prevent them from coming back to hurt them because messing with the descendants of Sir Agravain, Sir Gaheris, and Sir Gareth of Camelot and three of the members of The Royal Woods Knights of The Michigan Table will have dire and disastrous consequences.

It was to have Twilight Sparkle unleash the full extent of her power on Opaline for another shot at her.

Nico: Boy Queen Opaline territory.

Xenia: This place is a death sentence for all those in Equestria.

Lola: What she did was unforgivable.

Camie: No way are we going to let her get away with everything she did.

Twilight Sparkle: She caused so much damage and destroyed my accomplishments in Sunny's world.

Sunny Starscout: She sure did and I will not let her torment us anymore.

Tsuyu: I agree there.

Zick: Yeah she will pay for her crimes.

Nico: Zick, I want to thank you, Tri Klops, and your teams for coming.

Zick: No problem Nico. This will be so awesome and fun.

Xenia: It sure will.

Varie: Yeah.

Roshi: I'm really excited for this one.

Me: Me too Roshi. It will be so fun.

Lincoln: This is going to be so awesome, Twilight, not only are we going to get another shot at killing Opaline, but I sense it: you're going to transform into your most powerful and ultimate transformation, just like when J.D. and I ascended.

Twilight Sparkle: That's right, Linky, this is going to be so awesome! Plus, I want to make sure that monster pays for what she's done.

Nico: And that we will, Twilight.

Me: She will rue the day she ever crossed you.

Twilight Sparkle: That is for sure.

Roshi: It will be awesome facing Opaline and I can't wait to tear into her.

Laney: Yeah!

Me: Same here.

Nico: Roshi, what do you like to do in your free time?

Roshi: Haven't really given it much thought actually. But I'm thinking about becoming the sensei of my own genin team.

Me: That's awesome Roshi. You being a teacher to another generation of ninja is perfect.

Lola: I agree there.

Nico: After everything you went through in 150,000 years you more than earned the right to start a team like that.

Roshi: I sure do.

Me: Yeah.

Fu: I think that's great for a fellow Jinchuriki to start his own team too.

Me: I agree there.

Lola: Same here.

Nico: And do people confuse you with Master Roshi?

Roshi: (LAUGHS) No we may share the same name but we don't have the same age. I also haven't mastered energy waves like he has.

Qin: That's alright.

Nico: But it's cool that you know so many awesome powers of lava.

Xenia: Yeah.

Me: Also it's cool that Son Goku the 4-Tailed Monkey has the same name as Master Goku.

Nico: That is cool! And very coincidental.

Roshi: Boy it sure is. I thought it was awesome myself.

Me: I agree there.

Nico: Yeah. Man yesterday's mission was wild.

Me: It sure was and we battled Azure and Crimson.

Nico: And I found out that Crimson has a crush on me.

May: She sure does.

Lola: Yeah no kidding.

Nico: I did not know that she had a crush on me.

Me: Me neither.

May: None of us did.

Laney: But her letter said that she watched Nico the entire time he was promoted to leader and did it all.

Varie: That is true.

Roshi: I think it's awesome that Nico has a bunch of people that love him.

Lizzie Strong: I agree there myself.

Qin: Same here! That is so cool.

Lola: It sure is.

Camie: I do too. Just like J.D. knows so many awesome people himself.

Anna Anyanova: Same with Lincoln.

Nico: Yep.

May: I approve of her.

Lizzie Strong: So do I.

Maria: If they are okay with it then I am too.

Nico: Thanks girls.

Qin: That was still a fun mission though.

Varie: It sure was.

Eli: Yep.

Nico: And she and Azure are in the Masters of Evil.

Me: They sure are. Now we just have to find awesome archenemies for them.

Lola: We'll think of someone for them.

Camie: Yeah.

Eli: It sure is gonna be awesome.

Me: If I can date Cinder Fall from Universe 666 then Nico can do so with Crimson too.

Lola: Yeah that is true.

Camie: Yep.

We arrived at Queen Opaline's castle.

Me: Queen Opaline's castle.

Misty Brightdawn: A horrible place for me to call home.

Nico: I agree.

Maria: You think Opaline knows we're here?

Lincoln: No she doesn't I sense it.

Nico: Sense for her Lincoln.

Lincoln: Right. (Senses for Opaline) I see her, she's in her throne room.

Me: First we have to get passed her guards that she has.

Lincoln: And I should first take care of her guards.

Lincoln concentrated on Opaline's guards, and then, waves of red energy came right out of them and they screamed in agonizing pain, and the waves of red energy flowed into Lincoln and he was getting stronger and stronger and stronger still, and as soon as Lincoln was done, the guards were drained of all their energy and magic and were left as desiccated corpses drained of their life forces and their souls. Then, we set our sights on Queen Opaline herself.

Me: Lets go.

We went in.

Queen Opaline: Soon, all Friendship will cease to exist and all of Equestria will soon be mine along with all the magic!

Suddenly, energy Alicorns came out from nowhere as they flew around the throne room and they fire blasts of energy at the tyrannical Fire Alicorn and she was hit badly. Then, the energy

Alicorns had converged and they crashed onto the ground as lightning struck all over and a massive fiery explosion blasted out and a Thunderbird screech and Phoenix cry was heard and we appeared.

Queen Opaline: W-who are all of you fools!?

Twilight Sparkle: Why don't you take a look for yourself?!

Queen Opaline's eyes shrank in fury.

Queen Opaline: YOU!? NO! TWILIGHT SPARKLE! You have been a thorn in my side for far too long! Well, it's too late, your legacy of "Friendship" has been destroyed, and soon, I will destroy all traces of Friendship forever and rule all of Equestria! FRIENDSHIP WILL DIE FOREVER AND EVIL WILL REIGN FOREVER! (LAUGHING MANIACALLY AND INSANELY)

Lincoln: GO TO HELL, OPALINE, YOU PSYCHOTIC EXCUSE FOR AN ALICORN!

Lincoln fired a rainbow helix energy blast which hit Queen Opaline, and she got burned badly by the power of Friendship.

Twilight Sparkle: Nice shot, Linky!

Lincoln: Thanks!

Me: Opaline you are a heartless monster! You are nothing more than a powerhungry evil monster that doesn't care about anyone but yourself! You would rather make enemies instead of friends!

Nico: That makes you nothing but a monster that is pure evil incarnate! You only want power and nothing more!

Queen Opaline: I should have all the magic in Equestria all for myself! I want all that power! It should be mine!

Me: Magic is for everyone and everypony! It shouldn't belong to one person!

Laney: YEAH! That is for sure!

Me: All that powerlust and you care about no one but yourself. I pity you.

Queen Opaline: Save your pity for the weak when I kill you! And friendship is nothing but a disease! It's power that rules and all other things will be destroyed. Love, Friendship, Kindness and all that is nothing but a disease! POWER is where it's at! It lasts forever!

Me: You're fucking insane! Power is one thing but friendship and all that is forever!

I fired a wave of energy and blasted her all over!

Opaline: Don't you get it, Twilight Sparkle? I've won! All you've built is gone. There's nothing left!

Twilight Sparkle: You don't know how wrong you are!

Suddenly, something within Twilight Sparkle's mind had snapped as memories of what Queen Opaline had done thousands of years ago with her engineering the rise of The Doomsday 23 in her desire for power and to destroy all of Friendship forever rushed through her head and her moderate violet eyes turn neon moderate violet, and she was surrounded by a violet and pink energy aura with elemental forces, stars, magic, The Elements of Harmony, and Alicorns, she unholstered her massive Twilight Sparkle's Magic of Friendship Alicorn Greatsword of True Magical Friendship and True Magic Skylander Love from her back, and as she approached Queen Opaline, she left violet and pink energy, elemental forces, stars, magic, The Elements of Harmony, and Alicorns with every step.

Twilight Sparkle: You make me absolutely sick to my stomach, Opaline, at first, you may have wanted to know first hand what it meant to be friends with someone, but Princesses Celestia and Luna were right to have turned you away, you were born with nothing but pure darkness and pure evil within your heart and you were doomed to fall into darkness. (SUDDENLY GETTING EXTREMELY ANGRY AT QUEEN OPALINE) But, what you've done ever since your eternal fall into darkness can never ever be forgiven, you were also responsible for the dark events that we've had to deal with: which also included dividing all the ponies, everything I have accomplished and unleashing The Doomsday 23 and all for your selfish desires for power and to destroy Friendship in all of Equestria forever… , (CANTERLOT ROYAL VOICE) ***YOU HAVE COMMITTED A GRAVE SERIES OF TRULY UNFORGIVABLE ACTIONS THAT'VE PLAGUED EQUESTRIA FOR OVER 2,000 YEARS, AND YOU DO NOT DESERVE TO BE FORGIVEN FOR ANY OF THEM! QUEEN OPALINE ARCANA, THE CRIMES YOU'VE COMMITTED AGAINST THE LANDS OF EQUESTRIA CAN NEVER BE FORGIVEN, AND FOR THAT, YOU SHALL PAY THE ULTIMATE PRICE WITH YOUR LIFE!***

We gasped at the sudden extent of Twilight Sparkle's rage: Queen Opaline was now in extremely big trouble! NO! Not just extremely big trouble! I mean SO-ENORMOUSLY-BIG-THAT-IT'S-HARD-TO-COMPREHEND-EXTREMELY BIG TROUBLE!

Me: OH MAN!

Eli: Uh oh!

Nico: OH MAN, TWILIGHT SPARKLE'S EXPLODED WITH EXTREME RAGE!

Lincoln: And she also used the Canterlot Royal Voice for that one, and when that happens, you know that ultimately means extremely gigantic trouble!

Lincoln, Rainbow Dash, Rarity, Pinkie Pie, Fluttershy, Applejack, Starlight Glimmer, Sunset Shimmer, Trixie Lulamoon, Vinyl Scratch, Wallflower, The Canterlot 5, and the rest of Twilight Sparkle's Friends: STAND YOUR GROUND, GANG! SHE'S GOING TO BLOW!

We immediately stood our ground as Twilight Sparkle screamed with such extreme and violent rage and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive explosion of energy and she was screaming like a madwoman and the ground was shaking with extreme and violent fury! Lightning struck all over the place and Opaline was shaking in fright with extreme fear as she was seeing the extreme force of Twilight Sparkle's power be unleashed with incredible fury!

Me: (GASP) WHAT POWER!

Nico: INCREDIBLE!

Eli: UNBELIEVABLE!

Sunny Starscout: WOW! That is amazing!

Misty Brightdawn: AMAZING!

I fired a massive energy blast and it hit her and exploded!

Eli then slashed her and cut off her wings and she screamed in excruciating pain!

Twilight Sparkle then grabbed Opaline's horn and sucked out most of her fire magic and powers and absorbed it and made it all her own!

I kicked Opaline in her face and Nico blasted her all over.

Xenia fired an arrow and it went through Opaline's eye! She screamed in pain!

Xenia: YEAH!

Twilight Sparkle: Princess Celestia and Luna would have never accepted you with open arms! Now it's time for you to pay!

Me: **Lets get her!**

Lincoln drove his massive greatsword into Queen Opaline's stomach, and he began sucking out all of immense magic and fire powers, and he made them his own. When he was done, Queen Opaline was now rendered powerless.

Me: **Whoa, Lincoln literally sucked out all of her magic and fire powers, and now, she's been rendered powerless.**

Nico: Jeez!

Applejack: But, it's not done yet! There's still the matter of you know what!

Twilight Sparkle: **That's right, Applejack. If you would be so kind, Linky?**

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Of course, my Alicorn Princess of Friendship. VAMPIRIC LIFE DRAIN!**

Suddenly, all the gems embedded in the 7'6" massive, wide, double-edged golden blade of his Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds suddenly began glowing green, and then, Lincoln began draining Queen Opaline of all her life energy and blood, and when he was done and he removed his massive greatsword from her stomach, Queen Opaline was now a desiccated corpse drained of her powers, blood, and life energy, and as soon as her soul appeared, Lincoln fired a blast of black energy from his massive greatsword and it hit Queen Opaline and she was sent forever to The Black Gates.

Queen Opaline: NO! NO! DAMN YOU, TWILIGHT SPARKLE, DAMN YOU ALL, TEAM LOUD PHOENIX STORM! (SCREAMS IN ANGER AND INSANITY AS SHE FADES AWAY FOREVER)

We all cheered wildly for what Twilight Sparkle and Lincoln did as they holstered their massive greatswords and powered down, and Twilight Sparkle's new body, clothes, weapons, jewelry, Third Eye, longer dark purple and pink streak tail, and massive light violet angel wings are permanent.

Suddenly, Twilight Sparkle felt wobbly and almost fainted, but Lincoln caught her in his abnormally massive and powerful muscular arms.

Lincoln: Are you okay, Twilight?

Twilight Sparkle: I'm a little dizzy, but I'm okay.

Me: **Now, you know how we felt when we went through that, but that was so awesome! You and Lincoln both showed Queen Opaline absolutely no mercy whatsoever!**

Nico: And you both sent her to her ultimate doom.

Twilight Sparkle: Yeah, we did.

Suddenly, Twilight Sparkle turned to face Lincoln and she'd wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Twilight Sparkle's face, they kissed passionately as Twilight Sparkle moved her hands and placed them on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and an Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field with the elemental forces behind them and we cheered wildly. Lincoln and Twilight Sparkle then absorbed the elemental forces and they came back to us as the display vanished.

We were amazed!

Qin: Way to go guys!

Camie: YEAH!

Sunny Starscout: That is my hero!

Me: **Twilight is awesome and so is Lincoln.**

We powered down.

Nico: Yep.

Eli: That was so awesome and epic.

Me: It sure was!

Roshi: I'll say!

Eli: And I found the Anothers. We have Another Metal Knuckles, Metal Tails, Metal Shadow, Metal Rouge, Metal Amy, Eye Guy and Tri-Klops.

Nico: WHOA! This will be interesting.

Lola: Yeah.

Nico: Should we claim this castle now?

Me: That's a good idea.

Eli: Yeah. We can set it up in the park and make it better than ever.

Brittney: I agree.

I snapped my fingers and teleported the castle to the park.

Nico: Awesome. We're not done yet. We have the Anothers to face now.

Lola: Yep.

Nico: Who do we call for that?

Me: Hak Foo, Tsuki Serenade, Taiyou Hawkins, Adrienne Candelaria and Claire Callaghan.

Nico: Cool!

Maria: This will be awesome.

Lola: It sure will be.

Eli: And I sense that the Anothers minus Tri-Klops are one of Lincoln's Guardian Angels.

Qin: Wow! I wonder which one.

Lola: Ce'll find out.

Nico: Yep.

Maria called them in.

Taiyou Hawkins: We're here guys!

Maria: Thanks for coming.

Tsuki Serenade: No problem Maria. Awesome job battling Opaline like that! That was awesome!

Nico: It sure was! Twilight Sparkle really showed her stuff.

Lola: Yep.

Taiyou Hawkins: Yeah she sure did.

Hak Foo: I'm ready for this.

May: Here they come!

We saw 6 figures and they were Another Metal Knuckles, Metal Tails, Metal Shadow, Metal Rouge, Metal Amy and Eye Guy!

Nico: WHOA!

Me: Now Metal Sonic is no longer the only member like him in the M.O.E.

Lola: That is cool.

Me: Yep.

Another Metal Knuckles: (In a girls voice) I agree.

Lincoln: That voice.

They merged and she reverted back and it was a girl with red hair and she had red eyes and the symbol of the Shiranui duel monsters in the middle of her forehead and she also had red clothes and had fire angel wings and had the symbol of the Shiranui on her Skirt and had a fire sword.

Lincoln: Elise Shiranui!

Elise Shiranui: Awesome to see you again Lincoln and wow you grew a lot since we saw each other last.

Lincoln: I know. Elise is the gene-slammer of the Shiranui monsters and she is one of my guardian angels. She also has incredible fire powers and sword skills and she also has amazing skills any powerful samurai can dream of. Also she hates Lori with a vengeance.

Me: Uh oh. What did she do to warrant that level of hate?

Elise Shiranui: She tried to set the school on fire and blame Lincoln for it.

We gasped!

Me: That is nuts!

Qin: Yeah!

Hak Foo: Apologies for this.

Elise Shiranui: No worries. Oh and the Another Tri-Klops is friendly just so you know.

Me: Thanks for telling us.

Girl Jordan: But first lets separate you from the Anothers.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies outside had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD

FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

She glowed and was separated from all the Anothers.

Hak Foo: BLACK TIGER CRUSHES WHITE HAWK!

KRABLAM!

He smashed Another Metal Knuckles and smashed him into pieces and then the others blasted the Anothers and blew them apart!

Nico: YEAH!

I caught the Wonder Ride Books.

Me: Take that!

Hak Foo: That was good exercise.

Me: Yes it was.

Lola: Yep.

Me: Now for the Another Tri-Klops.

Zick: Yep. That's right.

Laney: This is gonna be awesome.

Girl Jordan: It sure will be.

Tri Klops: By the way, me and the other Core Members are getting our own Mascot Pokemon.

Me: Looking forward to seeing that!

Qin: Yeah me too!

Lola: This will be cool.

Nico: It sure will.

Me: That will be awesome.

Nico: Any minute now.

Me: How about right now.

Then out came ANOTHER TRI-KLOPS!

Me: Whoa!

Nico: This will be awesome.

Lincoln: Yep.

Another Tri-Klops: (In a girls voice) It sure will be.

Lincoln: (Gasp) That voice.

She reverted back and was a girl with purple hair and had purple eyes and had a third eye in the middle of her forehead and she had purple clothes and had purple angel wings and she had the kanji for Eye on her arm.

Lincoln: Eleanor Pegasus!

Nico: Whoa!

Me: Another one of your guardian angels?

Lincoln: Yep. Been a while Eleanor.

Eleanor Pegasus: Same here Lincoln.

Lincoln: Yep. Eleanor is the gene-slammer of Millennium Eyes Restrict and has amazing skill and power and can read minds and knows all about making Duel Monster Cards.

Nico: Cool!

Lincoln: Yep. But she has a hatred towards Lynn. Reason? She tried to Kill me by throwing me into a junkyard with a pack of ravenous dogs there.

Me: Geez!

Laney: Yeah.

Kaito: (gets out Flashman Ridewatch) Did Swartz promise you anything?

Zocks: (gets out Changeman gear) Because we can grant it instead.

Kaito got a Flash Sword and Zocks got a Change Sword.

Eleanor Pegasus: Just to be reunited with my father Maximillian Pegasus.

We gasped!

Me: Your father is Maximillian Pegasus? Wow!

Eli: That is so cool! Your father is an amazing duelist and a force to be reckoned with. And he made those really funny and cool Toon Monsters.

Camie: (LAUGHS) Yeah they crack me up.

Laney: Me too.

Eleanor Pegasus: I know. They sure are cool.

Me: Sorry we have to fight like this.

Eleanor Pegasus: No worries there.

Me: Good.

She turned into Another Tri-Klops.

Sougo: (gets out Flashman Ridewatch) Your dad gave Yugi a hard time before.

Geiz: (gets out Changeman Ridewatch) But he's gotten better.

Sougo got RedFlashArmor while Geiz got ChangeDragonArmor

Me: He sure has and he is now an awesome ally and friend.

Another Tri-Klops: I'm glad he is.

Nico: These eyes see everything. (ACTIVATES TRI-KLOPS AND EYE GUY'S RIDEWATCHES)

He summoned numerous eyes and blasted her all over with them.

May: And the Spider and Kangaroo to hop and web. (ACTIVATES RIPPER ROO AND ARACHNID WOMAN'S RIDEWATCHES)

She fired waves of bombs and webs and blasted her all over.

Maria: Time for darkness and comedy. (ACTIVATES WOLF PRISONER STYLE AND AMORBIS' RIDEWATCHES)

She fired waves of dark energy and blasted her down.

Roshi: Now for this! CORROSION STYLE: SCORCHING ROCKS JUTSU!

He fired a bunch of molten rocks and blasted her down.

Roshi: Awesome! And now this. (ACTIVATES EYE GUY'S RIDEWATCH)

He grew numerous eyes and fired waves of lava and lasers and blasted her down.

Then Rich Texan, Golden Gutt, Lego Thanos, Daffy Duck the Screwball, Ilioukhine and Chicken from Outer Space came.

Nico: Nice team Rich Texan!

Rich Texan: YEEHAW! Thank y'all!

BANG BANG BANG!

He fired his guns into the air.

Me: YEAH!

Maria: The next gene-slammer must be close.

?: You mean me?

A Sandaconda came.

Me: Whoa a Sandaconda!

Qin: Cool!

Sandaconda: (In a girls voice) (Brazilian Accent) But this will be fun.

Nico: Veronica Megs! Whoa!

She reverted back and was a girl with blond hair and purple eyes and had a jungle girl bikini on.

Veronica Megs: Awesome to see you again Nico. I got this.

She fired a wave of energy and blasted Another Tri-Klops and I caught the ridewatch and purified it and brought Eleanour over.

Veronica Megs: That was so fun!

Roshi: What's your favorite memory of Nico?

Veronica Megs: When me and Nico were in the jungle and we destroyed a tribe of cannibals that were about to eat an explorer and his wife.

Me: EW! That is gross.

Eli: Yeah no kidding.

Laneu: Yeah.

Veronica Megs: It was awesome though.

Nico: Yep.

Nico and Veronica hugged.

Nico: I've really missed you.

Veronica Megs: Same here Nico.

We went back home.

See, seven years ago, Wyatt Garcia was once a high school student who went to the same high school as Lori, Leni, Luna, and their friends, but he was no rule-following student, he was a brutal thug who had terrorized the students and teachers, he physically assaulted the teachers with such horrible rage and he did the same thing to the students. No one was able to do anything about him, and he had the school in an iron grip, that was until Lincoln and his Guardian Angels exposed his crimes to the world and the Guardian Angels gave him a brutal beatdown. Then, the school expelled him and the police arrested him, but before he was taken away, he swore one day he'd have revenge on Lincoln and his Guardian Angels. He was then sent to prison for the rest of his life, and now, years later, Wyatt Garcia has broken out and he intends to get his revenge, but not if Lincoln has anything to say about it.

Lincoln: Whoa, we're here in Vermont, and I know what we're going to do here, not only am I going to rescue the five girls here, but we got bad news: my old enemy, Wyatt Garcia, has broken out of prison and he wants his revenge on me.

Lori, Leni, Luna, and I gasped in shock along with Lincoln's Guardian Angels.

Ellie Elsher: Wyatt Garcia, that brutal thug's escaped?! I thought we made sure we wouldn't have to see his ugly ass again!

Lori: That moron literally doesn't know when to stay gone.

Suno: Whoa, it sounds like all of you know him.

Lincoln: And I really wish we hadn't, Suno. You see, seven years ago, Wyatt Garcia was once a high school student who went to the same high school as Lori, Leni, Luna, and their friends, but he was no rule-following student, he was a brutal thug who terrorized the students and teachers, he physically assaulted the teachers with such horrible rage and he did the same thing to the students. He was then sent to prison for the rest of his life.

Luna: And now, seven years later, Wyatt Garcia has broken out and he intends to get his revenge, but not if Lincoln has anything to say about it.

Lincoln: Yeah, I'm going to give that overgrown muscle-headed braindead moron the beatdown of his miserable life!

Thera Amihan: I hope you suck out his muscle mass, strength, and virility and make him as weak as a tree branch, Lincoln.

Ellie Elsher: I hope so too, Thera.

Suddenly, we saw three beautiful and super sexy girl with short light brown hair and dark blue hairbands, dark blue eyes, they were tall at 7'0" in height, they have the bodies of goddesses and large breasts, fair skin, they have massive and beautiful white angel wings, they're dressed in dark blue coats with a coat of arms on them, white short-sleeved shirts, necklaces with pearls and purple gem for the pendants, black pants, white bridal gloves, black knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoats with knights, swords, magic, dragons, light, and angels on the coattails and on the backs are Noble Knight Brothers, in their right hands are The Sword of Hope, The Sword of Justice, and The Sword of The OmniKnight, and with them are the five girls.

First Light-Brown Haired Girl: I hope we're not too late.

Second Light-Brown Haired Girl: But, we got the girls away from that overgrown muscle-headed moron.

Third Light-Brown Haired Girl: But, we pissed him off big time and he's stampeding his way here.

Lincoln: No, you're not, Adriana Agravain, Giselle Gaheris, and Grace Gareth.

Ellie Elsher: You three came in time, and you said that overgrown muscle-headed bull is stampeding his way here now? Uh oh.

?: (BELLOWING ROAR) LINCOLN LOUD, I WILL STOMP YOU INTO PASTE FOR RUINING MY LIFE!

We then saw our target: he was a massive brown-haired male with extremely massive upper and lower body muscles and eight-pack abs and he has red eyes full of hatred, it was Wyatt Garcia.

We cheered as we holstered our weapons and powered down.

Lincoln: That'll teach you, you moronic thug! (To Adriana Agravain, Giselle Gaheris, and Grace Gareth) And it's so good to see you all again, Adriana Agravain, Giselle Gaheris, and Grace Gareth.

Adriana Agravain, Giselle Gaheris, and Grace Gareth: You too, Linky, it's been a long time.

Lincoln went up to Adriana Agravain, Giselle Gaheris, and Grace Gareth and he hugged them, and Adriana Agravain, Giselle Gaheris, and Grace Gareth are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much stronger and muscular he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces soon went even deeper when they saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you three since you were seventeen, and as you can see, I really grew a lot since then.

Adriana Agravain: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness.

Giselle Gaheris: You've really really grown a lot and became a man, but you're still the same kind boy from long ago.

Grace Gareth: Plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic

radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know these three sexy hot mamas?

Lincoln: Indeed I do, J.D., these three girls are Adriana Agravain, Giselle Gaheris, and Grace Gareth, Gene-Slammers of Noble Knight Brothers, they're my Guardian Angels from Michigan and they're three very powerful wielders of magic and very powerful swordswomen, and members of The Royal Woods Knights of The Michigan Table.

Melanie Artorgius: They also trained Lincoln both in the art of swordsmanship and in magic, and he became a very powerful swordsman and master of magic, and they also taught him much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those he loves and holds dear to his heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Adriana Agravain, Giselle Gaheris, and Grace Gareth are also direct descendants of Sir Agravain, Sir Gaheris, and Sir Gareth of Camelot, three of the skilled Knights of the Round Table, but Sir Agravain had made attempts on the life of his brother, Gaheris, but they got killed by Lancelot.

Me: I knew it.

Ellie Elsher: And Lincoln made them dark blue coats with the coat of arms of Royal Woods' Knights of The Michigan Table along with beautiful necklaces, and to show her thanks, they each kissed Lincoln on the lips after their training, and Adriana Agravain, Giselle Gaheris, and Grace Gareth hate Lori, Lynn, and Lola with a very blazing passion.

Nico: What did they do to earn their wrath?

Melanie Artorgius: I was afraid you'd ask that. One day, Adriana Agravain, Giselle Gaheris, and Grace Gareth and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Lori, Lynn, and Lola, and they brought with them an army of thugs they hired.

Adriana Agravain, Giselle Gaheris, Grace Gareth, and Lincoln went out there along with the rest of us, and they'd slain them with her greatsword. It drove those three bitches into a blood-crazed fury, but before they could get after them, Lincoln, Adriana Agravain, Giselle Gaheris, and Grace Gareth fired chains of light magic which bound those dumbasses and tied them up. Lincoln called his parents and his nice sisters, and needless to say, Leni, Luna, Laney, Lucy, Lana, and Lily wanted their heads on a pike! But Lincoln wasn't surprised, Lori, Lynn, and Lola tried to kill him many times in the past, but in the end, their plan failed, and Lori, Lynn, and Lola got grounded for eighteen weeks, and to make sure that they didn't try to get revenge, Adriana Agravain, Giselle Gaheris, Grace Gareth, and Lincoln casted a spell to prevent them from coming back to hurt them because messing with the descendants of Sir Agravain, Sir Gaheris, and Sir Gareth of Camelot and three of the members of The Royal Woods Knights of The Michigan Table will have dire and disastrous consequences.

Nico: Sheesh, Lori, Lynn, and Lola were gluttons for punishment.

Lincoln: That's putting it mildly, Nico, and now that you're here, girls.

Lincoln first went up to and hugged Adriana Agravain in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, Lincoln went up to and hugged Giselle Gaheris in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Finally, Lincoln went up to and hugged Grace Gareth in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Adriana Agravain: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, three Elemental Thunderbird Necklace of Eternal Love appeared on the necks of Adriana Agravain, Giselle Gaheris, and Grace Gareth with dark blue gems on the gold lightning bolts and dark blue crystal links from their merged Crystal Necklaces of The Buddha along with three Elemental Thunderbird Choker of Eternal Love on their necks.

Adriana Agravain, Giselle Gaheris, and Grace Gareth: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Adriana Agravain, Giselle Gaheris, and Grace Gareth.

Adriana Agravain, Giselle Gaheris, and Grace Gareth had a smile on their faces and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leaned down to each of their faces and he kissed them passionately on the lips, and they also returned it, and we cheered for them, then, we went up to the five girls, and when Lincoln saw who they were, they immediately recognized them. The five girls are Sara and Yuki from 3 Jigen Shoujo o Hogo Shimasita and Suzume Mibuno, Nagisa Nakase, and Reiri Valencia Kuga from 3 People! ~Happy Wedding in Livingroom~

Lincoln: Oh wow, it's Sara and Yuki from 3 Jigen Shoujo o Hogo Shimasita and Suzume Mibuno, Nagisa Nakase, and Reiri Valencia Kuga from 3 People! ~Happy Wedding in Livingroom~

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Sara: Yes, we're okay, thanks to you.

Then, when Sara and the other four girls saw who it was that saved them from Wyatt Garcia, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and

Sara: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Sara: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Sara, Yuki, Suzume Mibuno, Nagisa Nakase, and Reiri Valencia Kuga with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team was shocked to find out the villain we went was Wyatt Garcia, the former high school student and brutal thug who seven years terrorized the students and teachers and no one stopped him until Lincoln and his Guardian Angels exposed his crimes to the world and the Guardian Angels gave him a brutal beatdown and the school expelled him and the police arrested him, but before he was taken away, he swore one day he'd have revenge on Lincoln and his Guardian Angels, and he was then sent to prison for the rest of his life, and seven years later, Wyatt Garcia had broken out and he intended to get his revenge.

But, when Lincoln showed what we all did in violently beating that musclebound stupid ape into the ground hard and then Lincoln grabbing him by the neck and sucked out his massive muscle mass, massive upper-body strength, and virility and made him thin as a rake and completely weak and he tied Wyatt Garcia back up and threw him in the Uranus Prison forever, everyone cheered and hugged us and Lincoln's harem kissed him all over, and he had steam whistling out his ears. Lincoln, Adriana Agravain, Giselle Gaheris, and Grace Gareth have a lot of catching up to do, now that they're back in town.

Maria: That musclebound stupid moron had no chance against

Lincoln, especially when he grabbed him by the neck and sucked out his massive muscle mass, massive upper-body strength, and virility and made him thin as a rake and completely weak.

Lincoln: He should've known better, but he was so stupid.

Me: He was dumber than a brick wall.

Luna: Nah, it's more like he's dumber than a truck tire, dude.

We laughed.

---

After taking down Wyatt Garcia and sending him back to prison and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Adriana Agravain, Giselle Gaheris, and Grace Gareth saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Adriana Agravain: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing

900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Giselle Gaheris: He's definitely been bodybuilding and working out for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the body that all bodybuilders could only dream of.

Grace Gareth: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Adriana Agravain: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Grace Gareth: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, girls, what memories did you have with Lincoln?

Adriana Agravain: Oh man, I was hoping you'd ask that. Well, this one time, Lincoln, Giselle Gaheris, Grace Gareth, and I along with the rest of The Royal Woods Knights of The Michigan Table were riding out on patrol looking for any sign of trouble and we also had the rest of his Guardian Angels with him, and The Ghostrick Gene-Slammers contacted us and they told us that Lori, Lynn, and Lola gathered a massive army of thugs to kill Lincoln, that set us off, and they were on the move from an abandoned warehouse just north of Royal Woods. We rode out there and we'd slain every last one of the thugs, then, we turned our attention to Lori, Lynn, and Lola, and we brutally thrashed them. Then, Lincoln chained them up with chains of light and we brought them before the rest of his family, and after we told them and showed them everything, Leni, Luna, Luan, Laney, Lucy, Lana, Lisa, Lily, and Mr. and Mrs. Loud were absolutely livid at those three, and Leni, Luna, Luan, Laney, Lucy, Lana, and Lisa all pounced on Lori, Lynn, and Lola, and they brutally beat them into the ground.

Nico: Jeez.

Lincoln: Then, Lori, Lynn, and Lola got grounded for eighteen weeks and we threw them in a metal prison container.

Ellie Elsher: Lori and Lola screeched at us and they swore revenge on us, and Lynn roared and she pounded on the door trying to get out, but we all gave her the finger through the window, and that set Lori and Lola off as they screamed and screeched at us again and Lynn roared like an animal and beat her chest like a gorilla again. What a dumb ape!

Raven Ghostrick: Lynn was a glutton for punishment, no matter how many times we told her to back off, she ignored it, and Lori and Lola were no better.

We got a shower, and then, Lincoln, Samantha, Sandra, Serena (Hoenn Region), and Sina are heading to Gelato Beach.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories,

and he had his weapons holstered in case of trouble.

And Samantha, Sandra, Serena (Hoenn Region), and Sina are dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Samantha, Sandra, Serena (Hoenn Region), and Sina had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood and life energy, which made him go insane with anger, until Lincoln fired energy blasts at that mutant and more gold and jewels and treasures came out of that moron, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Samantha: Wow, so this is Gelato Beach, this is really awesome!

Lincoln: It sure is, Samantha, and it's perfect for our first date. Shall we?

Lincoln, Samantha, Sandra, Serena (Hoenn Region), and Sina dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Samantha, Sandra, Serena (Hoenn Region), and Sina got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Samantha, Sandra, Serena (Hoenn Region), and Sina and they hugged them in their abnormally massive and powerful muscular arms, and Samantha, Sandra, Serena (Hoenn Region), and Sina placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like someone really had a good time at Gelato Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Samantha, Sandra, Serena (Hoenn Region), and Sina with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Samantha, Sandra, Serena (Hoenn Region), and Sina are in your harem.

Jenna: Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that good-for-nothing hairy mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for herself.

Rarity: And trying to kill Marisa, Mozu, Kiwi, and Alice, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and he should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that three butt-cheeked mutant cheapskate has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you fat hairy mutant cheapskate!

Nico: Even after we kicked Flip's miserable hide, that moron still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Pablo, Anderson, Billy McLean, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: Leave that to me. (YELLS AT THE TOP OF HIS LUNGS AT THE JERKS) SHUT YOUR HALF-WIT PIE HOLE, YOU JACKASS MUTANT CHEAPSKATE!

Suddenly, the Beads of Subjugation on Flip's neck and on the necks of the jerks glowed and the amplified gravity forced the jerks to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand them if they so much as get anymore dumb ideas again.

---

Later we were in the simulator getting ready for another awesome Super Mario Galaxy adventure.

Nico: Next is Battlerock Galaxy.

Me: Cool! That one is going to be awesome.

Nicole: Yep it sure is. And you guys are going to battle Topmaniac.

Xenia: They sure are.

Nicole: Who wants to go with Nico?

Lana: Me and Leif will no next.

Nico: All right then.

They went in and Nicole activated the Simulator and they were in

Battlerock Galaxy

Nico: Here we are!

Lana: Wow!

Leif: Battlerock Galaxy.

Nico: Yep.

Leif: This is gonna be tricky.

Nico: It sure will be.

Me: (On the radio) Mission control to Nico you are clear for launch, over.

Nico: Roger that Mission control.

They got into the launch star and were off to Battlerock.

WHOOSH!

Leif: WEEEE!

Lana: AWESOME!

They landed on a platform.

Lana: This place looks awesome!

Nico: It sure does.

Nicole: (On the Radio) Okay first you got to free the Lumite from that cage on that platform up there. Look to your right above you.

They saw it.

Nico: I see it. Lets go.

They flew over to it and saw a Top guard guarding a Lumite in a cage.

Nico: There's a guard.

Lana: I got this one.

Lana fired a wave of ice and spun him into an electric wall and it electrocuted him and destroyed him! The cage deactivated.

Lumite: Thank you!

He turned into a launch star.

Nico: Lets go.

They got into the launch star and then…

WHOOSH!

Lana: WEEE!

They went to the big rock.

Nicole: Now comes the tricky part. You have to navigate through a gravity maze that's changes. You'll see when you go in through the pipe.

Nico: Okay.

Nico found the pipe in a box and they went in it and then they came out to a place where the gravity was changed and they were walking upside-down on the ceiling!

Nico: Looks like this Galaxy is gonna be a little trickier then the others.

Lana: We're walking upside-down!

Nicole: Now you have to turn that green arrow to down.

Nico: Okay.

Nico kicked it and the gravity turned to down.

Nico: There.

Nicole: This room is a little like what happened in Gravity Man's stage. You have to navigate through it while going upside down and right-side up and vice-versa.

Nico: I think I get it.

Lana: Me too.

They went through some lifts and stuff and got to through some crushing presses and then got to a pipe and they got into a big room.

Nico: WHOA!

Nicole: Okay now you have to bounce on that shockwave spring in the middle and get to that big elevator circle in the middle on top.

Nico: Okay then.

They bounced on it and got to the ceiling and got onto an elevator.

Gravity Man: Good memories.

Nicole: It sure is.

They got to a room with two top guards.

Leif: I got these guys.

He fired a blast of ice and sent thrm into the electric walls.

Nico: A launch star!

They went and got in it.

WHOOSH!

They were launched and got out of there just as the whole room exploded!

KRABOOOOOMM! KRABBBBBBOOOOOMMM! KRABBBBBBOOOOOOOOMMM! KRABBBBBBBOOOOOOOMMM! KRABBBBBBOOOOOOOMMM!

Nico: WHOA!

They got to a big top platform.

Nico: Whoa! This must be the last part.

Nicole: It sure is. You have to get to the top of the platform and in the middle of an arena is where you'll face Topmaniac.

Nico: Okay.

They got to the top and saw the arena. They got in it and then TOPMANIAC CAME! He was a spinning top with an energy sawblade disk around him and had evil glowing eyes!

Nico: WHOA!

They were ready!

Nicole: Okay you have to stomp on that red button on top of him and then kick him into the electric wall.

Lana: Okay.

Nico: (gets out Tri Klops and See More's Ridewatches) That's an Eyesore!

He activated them and fired waves of energy and blasted Topmaniac.

Leif: Ladies first Lana.

Lana: Thanks!

She fired a wave of ice and it hit the top an she kicked him onto the electric wall!

Nico: YEAH!

Me: Do that 2 more times!

Nico: With pleasure!

Nico then fired a wave of energy and blasted the top and kicked him into the electric wall!

Leif: OH YEAH!

Nicole: One more time!

Then he summoned 2 guards!

Leif: Uh oh.

Then a Cramorant flew in!

Nico: Cool a Cramorant!

Cramorant: (In a girls voice) I'm really hungry for these!

Nico: Juliet Monroe!? Whoa!

She then gulped down the two guards and they exploded.

Lana: She sure has a huge appetite!

Leif: No kidding.

Nico: Yep. Lana, Leif get him together.

Lana: Right!

They bounced on Topmaniac and kicked him and then he exploded!

KRABBBBBBBBOOOOOOOOOOOOOMMMM!

The Power Star was freed!

Nico: There's the Power Star.

Lana: We'll get it.

Lana and Leif got it.

YOU GOT A STAR!

Nico: YEAH!

Juliet reverted back and she was a girl with blue hair and blue eyes and had blue angel wings and had the kanji for eat in the middle of her forehead and she had the body of a goddess and she had blue clothes and had a flaming marshmallow staff.

Juliet Monroe: Awesome to see you again Nico!

Nico: Same here.

They all high five.

Lana: What's your favorite memory of Nico?

Juliet Monroe: When me and Nico had an awesome eating contest. We had the all you can eat fire in the bowl chili contest and we won by eating 30 bowls.

Nico: It was so spicy and I couldn't stop farting for days.

Juliet Monroe: (LAUGHS) That was good chili though.

Lana: Awesome!

Nico: Yeah.

Juliet Monroe: Also I can't get fat. The reason is because I have a condition where the more I eat the thinner I get. No matter how much I eat I always get thinner.

Nico: It's true.

Lana: Wow! That is awesome.

Juliet Monroe: I know.

Nico and Juliet hugged.

Nico: I've missed you.

Juliet Monroe: Same here.

They left the simulator and we cheered for them.

That was a fun one.

---

Later we were watching TV and then we smelled something delicious cooking.

Me: (Sniffs) Mmm mmm mmm! I smell cookies cooking.

Nico: Me too!

Ed: I smell cookies! YUM YUM YUM!

Iris: Let's go check it out.

We went into the kitchen and we saw the mascots, Lynn Sr., Sunny Starscout and Pinkie Pie cooking all kinds of awesome cookies and they already made all kinds of great cookies.

Me: WHOA! You guys have been really busy!

Poromon: Yeah we sure have been.

Me: Wow! Look at all these cookies. Chocolate chip marshmallow cream sandwich cookies, cookies and cream ice cream cookies, orange creamsicle cookies, Kiwipaya Crystal Unicookies, Royal Banana Nut Bites, Grandma Figgy's good old fashioned marshmallow citrus crumblies, root beer float cookies and so much more!

Nico: WHOA! You guys made numerous kinds of awesome cookies.

Me: I'll say. What's the occasion?

Poromon: We're making them for a bake sale we're going to be having.

Skyla: Right now?

Poromon: Yep.

Me: This is an awesome idea guys.

Poromon: It sure is. And we have all these for you guys.

They showed a bunch of tins made with all the cookies they made for all of us.

Me: Wow! Thanks guys.

Poromon: Anytime.

Me: Need a hand getting the cookies ready?

Poromon: Sure.

We got to helping out.

We went down to the planet and got a stand set up. Everyone smelled the cookies and were drooling and then everyone came over.

Me: WHOA!

Nico: Wow!

Poromon: Now now plenty for everyone.

We were making the cookies fast and then we were selling them fast like hot cakes.

We were helping them all over with making lots of awesome cookies.

The money was piling in like an avalanche.

Eli: Wow!

We were really going fast with them.

Everyone was loving the cookies.

Brawl: Are there M&M ones?

Poromon: Yep.

Brawl: Cool!

Everyone loved all the cookies.

---

French Narrator: (French Accent) One enormous bake sale later.

---

We were panting like crazy.

Me: WHEW!

Nico: Wow! That was awesome!

Lola: Yeah! We sold all the cookies!

Poromon: Almost. One 1 tin left.

?: I'll have that one.

A Barraskewda came.

Me: Cool a Barraskewda!.

Nico: Awesome.

Barraskewda: (In a girls voice) I heard you guys were making cookies.

Nico: Admiral Connie Liechtenstein! Wow!

She reverted back and was a girl with blue hair and blue eyes and had a sailor hat on and had the kanji for sailor in the middle of her forehead and she had blue angel wings and blue clothes and she had a crab claw staff.

Admiral Connie Liechtenstein: Awesome to see ya again Nico.

Nico: Same here.

She gave the mascots some money and then she got the last tin.

Me: Boy you guys were great. We're officially sold out of them all.

Nico: That was awesome.

Laney: I'll say.

Admiral Connie Liechtenstein: It sure was. I saw everyone getting cookies and I just had to get some.

Qin: You got the last box before we sold out.

Lana: I'll say.

Poromon: Don't worry about the members coming for the usual battles. We made more than enough for them.

Me: Awesome. They will love it.

Nico: Yep.

Prowl: What's your favorite memory of Nico?

Admiral Connie Liechtenstein: When me and Nico were on our boat in the Arctic Sea and we were catching a bunch of king crab and blue-fin tuna and we also caught an extra bonus. We caught a treasure chest and it was from pirates that disappeared there years ago and it was full of gold and jewels and diamonds.

Nico: Yep and because of that she got filthy rich.

Eli: Awesome!

Lola: That is awesome.

Nico: Yep.

Nico and Admiral Connie hugged.

Nico: I've missed you.

Admiral Connie Liechtenstein: Me too Nico. Me too.

Mokuba: (to the mascots) I had no idea you guys could make cookies.

Poromon: Me and Poliwag did it with Ellie.

Ellie Singh: We made all sorts of cookies all the time.

Lola: They are really good cookies.

Nico: Yeah.

Me: Good job though guys. You did great.

Manaphy: Thanks.

Laney: Where did you get the recipes for these awesome cookies?

Poromon: Ellie, Lynn Sr., and Sunny Starscout gave them to us.

Me: Wow! That is cool!

Then the previous group came.

Dr. Destiny: Can me, Absorbing Man, Cargill, Count Nocturne, Ebon, Snake, Toad, Top, Vortex and Vulkanus go with you guys?

Nico: You sure can.

Qin: Awesome.

Me: It sure will be.

Riku: Nico, which Gene Slammers do you think you'll meet next?

Nico: Toxtricity (Low Key and Amped Forms) and Centiskorch.

Me: Cool!

Laney: This will be cool.

Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we're going to confront today: it was none other than a bunch of Genesect and they're trying to take over Pokemon Hills. When we saw it, we knew it meant trouble.

Nico: Lincoln, what's wrong?

Lincoln: We got some big trouble, Nico, where are Ash and the others?

Just then, Ash and his friends all came in.

Ash: We're here, Lincoln, what's the emergency?

Lincoln: Glad you all could make it, Ash. Okay, I just had a vision and I saw who it was that we're going to confront today: the figures I saw in the vision were none other none other than a bunch of Genesect and they're trying to take over Pokemon Hills.

Ash and his friends gasped.

Ash: Oh no, not again. This happened before because they saw humans as enemies.

Nico: So, we need to make them realize that Pokemon and humans are friends.

Lincoln: Good idea, Nico.

Then we heard ringing and then we saw all of our Cutie Marks glowing!

Twilight Sparkle: Wow! ALL of our cutie marks are glowing.

Me: Boy this is a massive first! The map has never called us all at the same time.

Nico: No kidding! Lets go check it out.

Cargill: The Map's just gonna have to take a raincheck. The Genesect are top priority.

Nico: Lets just go see what it is before we decide on it.

We went to the map room in Twilight's castle and we got there sure enough we saw that the Friendship Problem was located right in Pokemon Hills in Mongolia! A ring of all of our cutie marks was over it.

Ash: That's Pokemon Hills!

Cargill: Whoa! I was wrong! So the Friendship Problem is in Pokemon Hills.

Me: Then we better get over there then.

Eli: Yep.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Eleanor Cruorem, one of the members of The Ghostrick Destroyers, and she's heading here to kill The Ghostrick Guardian Angels. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and we got news, Raven: as we guessed it, Eleanor Cruorem, one of The Ghostrick Destroyers is heading here to kill you all.

Alecto Shadowcall: Just as we expected, but we'll be ready for her, and she'll suffer the very same punishment back in the castle of The Michigan Supernatural Defense Force after we face the bunch of Genesect.

Crash Bandicoot: That blood-sucking fanatical religious zealot's already a dead vampire walking once she shows her ugly face, and I hope they curse her for all eternity with a spell they have.

Nico: Now, that I'd like to see. Alright, gang, let's go, we're heading out to battle the Genesect.

Lincoln: We need to make them see that Pokemon and humans are friends and stop them from trying to take over Pokemon Hills, and after we take them down, you're next, Eleanor Cruorem.

Alecto Shadowcall: You better be ready to die, Eleanor Cruorem, because you deserve no such mercy from any of us for trying to kill us seven years ago, nor do you even deserve to live a single second further, you religious fanatic and zealous heretical demon, after we deal with the Genesect.

Ellie Elsher: Alecto never shows any mercy to any evil supernatural creature nor to any of the dark witches and wizards of Europe nor to any warlocks, and so many of them paid the price whenever she uses her magic to curse them, and now, Eleanor Cruorem is about to become her next victim.

Lincoln put up a rainbow energy field around The World Tree Estate and we headed out to battle the Genesect trying to take over Pokemon Falls and make them see that Pokemon and humans are friends, and once we get done battling the Genesect, Lincoln, Alecto Shadowcall, and Crash Bandicoot are going to destroy Eleanor Cruorem of The Ghostrick Destroyers.

We were off to Pokemon Hills in Mongolia.

---

We arrived in Pokemon Hills in New Tork City in Mongolia. We saw that it was a massive and beautiful park in the middle of a huge city.

Qin: Wow! So this is Pokemon Hills.

Me: Wow! It's like 50 times bigger than Central Park in New York City.

Lola: This is amazing!

Xenia: I'll say!

Ash: You guys are going to love seeing this place.

Zoe Paleozoic: Boy we sure are and if Genesect is here then we're going to be perfect friends. I am the gene-slammer of that Pokemon after all.

Camie: You sure are Zoe.

We got to walking around and it was really beautiful and amazing.

Luminous: Everything looks peaceful so far.

Me: Boy this place is really beautiful. Ash what can you tell us about this place?

Ash: Well this is where we helped stop the Genesect.

---

Pokémon Hills (Japanese: ポケモンヒルズ Pokémon Hills) is an anime-exclusive location in Unova, and one of the settings of Genesect and the Legend Awakened. It is a park located at the center of New Tork City specially constructed for the housing of Pokémon.

Pokémon Hills has a number of different environments that are suitable for the many kinds of Pokémon living there. It also has a hedge maze. According to Eric, the area surrounding Pokémon Hills has plants from all over the world.

During the movie, the Genesect Army invaded Pokémon Hills thinking the park was their home and forced all the Pokémon to leave so that they could build a giant nest. Later, the Pokémon from Pokémon Hills returned and had a big fight with the Genesect Army. The battle ended after Mewtwo took the Shiny Genesect to the atmosphere and explained that humans and Pokémon live together in the Pokémon world and are friends with them. After that, Ash found the perfect place for the Genesect Army to live in Absentia Natural Park, where Panna Lotuses-flowers that have been around since the Genesect were last alive-bloom in abundance.

---

When he was done we were amazed.

Lola: This is amazing!

Nico: Wow! I'll say.

Snake: Wait. This was their home before?

Ash: That's what they originally thought. But we got through to them peacefully.

Ash told us what happened because of the Red Genesect.

---

Prior to the events of the anime and sixteenth movie, the Red Genesect and its minions were created by Team Plasma in their laboratory. After the creation was a success, they all used Techno Blast at Team Plasma, causing them to retreat. The Red Genesect then led them out of the burning lab and then escape by attempting to return to their homeland. Though it did not appear in the anime series in person, it appeared many numerous times in flashbacks and are mentioned several times by Team Plasma Grunts.

The Red Genesect, alongside with its allies, appeared in person in the movie Genesect and the Legend Awakened. They are first seen flying around a snowy climate looking for their home, as they thought it was there. As the Red Genesect went to the top of the mountain, it got caught on an avalanche, while its teammates were saved by Mewtwo. After Mewtwo told the Genesect Army about how time had passed since they were alive, the Red Genesect escaped from the avalanche and Mewtwo then tried to convince it to join at her side. The Red Genesect refuses to listen at anyone's orders and calls Mewtwo a threat to the Genesect Army, whom it then attacked, but Mewtwo dodged this. The Red Genesect then controlled its teammates to attack Mewtwo and they then flew off.

The Red Genesect and the Genesect Army then arrived at New Tork City where they went to Pokémon Hills, in which they mistook it as their home and wander about. After seeing the Douse Drive Genesect with Ash Ketchum and his friends, it mistook that the Douse Drive Genesect is being attacked and then attacks Ash, alongside with the Shock Drive Genesect, thinking of them as a threat. It then controlled the Douse Drive Genesect to attack Ash and his friends, but they were saved by Mewtwo. After this, the Genesect Army retreated.

During the nighttime, it led its teammates to invade Pokémon Hills where they forced the Pokémon residing in the area to leave and then started building their nest atop of the power generator. A Feralitgatr living in the Pokémon Hills tried to stop them but ended up in a fight with the Shock Drive Genesect and Red Genesect, who manages to defeat the Feralitgatr with its Blaze Kick. Mewtwo then arrives and saves the Feralitgatr just in time and then tries to convince the Red Genesect to join them live peacefully. The Red Genesect refuses to listen to such "orders" and the two fought throughout New Tork City and then controls the Genesect Army fought Ash and his friends, who alongside with the Douse Drive Genesect and the Pokémon residing in Pokémon Hills. During the fight, Mewtwo then discovers that the Red Genesect refuses to listen to such reason and believes that the Genesect do not deserve to live in the modern world. After the fight throughout the city, the two then went back to Pokémon Hills, where the Red Genesect saved its teammates, who are defeated by the residing Pokémon and then controls the Genesect Army to attack all opposing Pokémon. When they are about to deliver their final attack, Ash stepped into the way to protect them. Before being hit by the blast, the Douse Drive Genesect stepped into the way to protected Ash and got badly hit. Thinking that the Douse Drive Genesect is dead, they attack they resident Pokémon in formation, who are then protected by Mewtwo. Afterwards, Mewtwo then took on the four Genesect alone.

The fight between Mewtwo and the four Genesect continued where the three-normal colored Genesect wrapped Mewtwo around a string web, who then manages to escape using Psystrike, sending the 3 down. The Red Genesect then continues its fight with Mewtwo. As the battle between Mewtwo and the Red Genesect went underway, Ash stepped in to stop them and told Mewtwo that he promised to give the Genesect Army a home and that no Pokémon is unneeded in the end. The Red Genesect then was about to hit Ash with its Techno Blast, only to be protected by the Douse Drive Genesect, alongside with the rest of the Genesect Army, who then realize their mistakes and the rest of the Pokémon residences. Feeling betrayed, the Red Genesect still did not care as he refuses to listen to everyone's reasons. Seeing that the Red Genesect stubbornly refuses to listen to their reason, Mewtwo then took the Red Genesect all the way up into the atmosphere to finish it off. It blacks out after flying so high that they both begin to freeze. A short time later, Mewtwo wakes up alongside the Red Genesect in the upper atmosphere. The Red Genesect is in awe of the planet, and Mewtwo explains that it is the planet where they were both born, that they exist for a reason, and that on this planet, they are all friends. The aggression fades from the Red Genesect's eyes, and it accepts the hand extended by Mewtwo as an invitation to return to their home. However, as they fall, Mewtwo blacks out again. The Red Genesect grabs Mewtwo and uses its power to send a signal to the other Genesect to "return home". The Genesect Army got this signal and then helped both Mewtwo and the Red Genesect from falling, aided by Ash's Charizard, Iris' Dragonite and the Pokémon residence of Pokémon Hills, who then created a huge sphere of water for the two to land. Ash then suggested to were the Genesect Army can stay: Absentia Natural Park. The Red Genesect and the Genesect Army are seen afterwards living peacefully in the natural park creating their nest.

---

When he was done we were shocked.

Me: Oh man! So they are lost and just want to go home.

Nico: Poor things.

Zoe Paleozoic: Yeah. Poor guys. But its been over 300 million years since they were home.

Lola: Yeah.

N: Oh this is all my fault. I can't believe that we would do this to such poor Pokemon. We never should have tried to turn them into our minions in the first place.

Buddy Pine: Hold on. How is any of this your fault?

N: It was all because of Team Plasma. We created them in our laboratory but they used Techno Blast on us and destroyed the lab. We found a 300 million year old fossil and recreated it and altered it to have a cannon on its back. Thus turning it into Genesect.

Me: You guys were really playing with fire.

Top: Well, for all we know, you specifically probably had nothing to do with it.

N: No it was a separate lab from us but it was still affiliated with Team Plasma so I feel partly responsible for it.

Me: N was originally the leader of Team Plasma before we destroyed it.

Nico: He's right on that.

Top: Oh boy.

Me: But N there's no way you could've known that this would happen.

Zoe Paleozoic: Yeah sure this was an accident but it lead to the creation of an awesome Pokemon.

Mewtwo: She's right. And like how I was created by Team Rocket from a fossil of Mew it lead to my creation.

Missy Rodgers: And how I was gene-slammed with Mewtwo.

Skalor: How strong is the Red Genesect?

Ash: Strong and a really good leader. But Mewtwo was able to get through to him and help him out.

Qin: That is amazing.

Mewtwo: It sure is.

Zoe Paleozoic: Maybe I can do the same thing to. He is what I am.

Nico: Yeah.

Me: Wait look.

We saw a little Red Genesect.

May: Wow a little Red Genesect.

Lola: Cool.

Zoe Paleozoic: Aww.

She went over to it.

Zoe Paleozoic: Hey little guy are you lost?

Red Genesect youngling: I… I sure am. I just want to go back home.

Vulkanus: This one doesn't seem too bad.

Ash: No that one is just a young one. A full grown one like that is bigger.

Zoe Paleozoic: It'll be all right. I know how you feel too.

Red Genesect youngling: You do?

Zoe Paleozoic: I sure do. I was sent back in time to 450 million years ago and I was stuck there for all those years. I lived for that long too with no way to get back.

Red Genesect youngling: Wow.

Zoe Paleozoic: I know. But I never gave up hope to be reunited with those I love.

Red Genesect youngling: That is amazing. And I feel that you are one of us somehow?

Zoe Paleozoic: I am because I am a gene-slammer of you. It's a long story.

Red Genesect youngling: That is amazing.

Zoe Paleozoic: It sure is.

Bleez: I can feel the anger of your fellow Genesect.

Red Genesect Youngling: That's because they are lost and just want to go home.

Nico: Well it's a very complicated story for you and your kind.

Red Genesect Youngling: What happened?

Mewtwo: Well it's best if I show you.

He showed it to him in memories.

The Red Genesect Youngling was shocked!

Red Genesect Youngling: Oh man! I have a lot to learn about this time. But it's amazing that humans and Pokemon are friends.

Nico: It sure is.

Lola: And they are awesome partners and a powerful force of good and friendship.

Vortex: Your fellow Genesect aren't gonna be understanding.

Red Genesect Youngling: Just do what you got to do.

Me: We will.

Lola: This is gonna be brutal.

Camie: Oh boy.

Nico: Yep. If we got to beat them to get them to listen to reason then so be it.

Nicole: This will be good.

Sonic: It sure will be.

Tsuki Serenade: Boy we're going to need some legendary power too.

Twilight Sparkle: We'll have to use the power of the Elements of Harmony on them.

G1 Bonecrusher: If someone built something over Cybertronian property, I'd be pissed too.

Nico: No kidding.

Me: Reminds me of Travis Knox. He is pissed because he claims that Fort Knox was built over his land that he claims is rightfully his.

Shaggy: Like yeah I remember that.

Camie: That is crazy. he doesn't own all that gold.

Me: Yeah it's property of the United States Military whether he likes it or not.

Camie: How much gold is in Fort Knox?

Me: TONS.

Nico: Yep. But the Genesect are top priority.

Toad: Even Genesect aren't immune to the Magic of friendship.

Nico: Nope they sure aren't.

Me: Yep.

Twilight Sparkle: This is gonna be fun.

Lola: It sure will be.

Alice Gehabach: They might be tough.

Hydranoid: But we're tougher.

Taiyou Hawkins: Lets see how they like the power of the gene-slammers of the legendary Pokemon.

Nico: Yeah!

Eli: I sense that they are 3 klicks to the west.

Nico: Lets get moving.

Ebon: I'll open up a portal near there.

Lily: Okay.

He went and did so.

We went through it and we were hiding outside the nest of the Genesect.

Me: (Whispers) Wow what a nest.

Wind Man: There they are!

Nico: Shh. We got to see what they are doing.

We saw that they were building a nest and the Red Genesect was telling them to build it and be ready.

Me: Wow look at that nest.

Count Nocturne: That's a lot of them!

Mevya: (shivers in fear) We're gonna die!

Nico: Shh. No we're not going to die.

Twilight Sparkle: It's like battling the Changelings all over again.

Zoe Paleozoic: It sure feels like it.

Me: But we've dealt with superior numbers like this before.

Lola: Yep.

Rumble: Entrance time!

Nico: Lets go.

We went at them.

Red Genesect: FASTER!

Then the spirits of all the Pokemon appeared and then they swirled around them and then they converged and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out above the next and fired fireballs and burned much of the nest and a phoenix cry was heard and then we came out.

Red Genesect: What the!?

Me: Stop this madness right now!

Red Genesect: Ahh the famous Team Loud Phoenix Storm! I heard many incredible things about you all and how you destroyed all the villain teams and beat them all.

Lola: That's right.

Me: You need to stop this madness right now and let us talk to you!

Red Genesect: Don't give ME ORDERS!

Me: That wasn't an order!

Absorbing Man: You know what? How about I absorb some of that armor?

He did so and was ready.

Nico: Yeah.

Red Genesect: Then we will make you submit!

He fired a Techno Blast and I fired a wave of energy and the blasts collided and exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion blasted him down.

Eli: YEAH!

Red Genesect got up.

Absorbing Man: Not easy fighting someone with your own armor, huh?

Red Genesect: I don't need armor to face you!

Me: You're going to wish you did.

Tsuki Serenade: Especially against this.

She fired a powerful Moonlight Blast and it hit Red Genesect and blasted him down.

Lola: YEAH!

Zoe Paleozoic: This madness needs to be resolved fast.

A few Genesect approached Mevya threateningly.

Kevin then turned into metal and formed mace ball hammer fists and smashed their faces in!

Kevin Levin: Pick on someone your own size!

Nico: YEAH!

Laney: That is for sure!

Then Grundy, Webstor, Angel, Red Ghost, Skalamander, Rich Texan, Steam Smythe, Black Adam, Puff, and Avalanche came.

Nico: Grundy, Webstor, Angel, Red Ghost, Skalamander, Rich Texan, Steam Smythe, Black Adam, Puff, and Avalanche.

Grundy: Grundy don't like look of Genesect.

Webstor: Being a spider, I don't mind.

Angel: Either way, we have a job to do.

Me: That's for sure.

Red Ghost: (to Nico) We heard you faced Opaline again.

Nico: We sure did.

Skalamander: Good thing she didn't have her backup.

Nico: No kidding. But we made sure she bit the dust.

Me: Twilight Sparkle transformed and we all really let her have it. First out of all the Powers of Harmony to do so.

Qin: Yep.

Nico: Awesome.

Then Hanayaida came.

Me: Up for round two I see Hanayaida.

Hanayaida: Yep. I sure am.

Me: Cool cool.

Hanayaida: It wasn't easy for the Core MOE members to get their Pokemon mascots. But it was worth it!

Me: This will be interesting to see.

Qin: It sure will.

We got the battles underway.

---

Nico: Yep. So, girls, what memories did you have with Lincoln

Adriana Agravain: Oh man, I was hoping you'd ask that. Well, this one time, Lincoln, Giselle Gaheris, Grace Gareth, and I along with the rest of The Royal Woods Knights of The Michigan Table were riding out on patrol looking for any sign of trouble and we also had the rest of his Guardian Angels with him, and The Ghostrick Gene-Slammers contacted us and they told us that Lori, Lynn, and Lola gathered a massive army of thugs to kill Lincoln, that set us off, and they were on the move from an abandoned warehouse just north of Royal Woods. We rode out there and we'd slain every last one of the thugs, then, we turned our attention to Lori, Lynn, and Lola, and we brutally thrashed them. Then, Lincoln chained them up with chains of light and we brought them before the rest of his family, and after we told them and showed them everything, Leni, Luna, Luan, Laney, Lucy, Lana, Lisa, Lily, and Mr. and Mrs. Loud were absolutely livid at those three, and Leni, Luna, Luan, Laney, Lucy, Lana, and Lisa all pounced on Lori, Lynn, and Lola, and they brutally beat them into the ground.

Nico: Jeez.

Lincoln: Then, Lori, Lynn, and Lola got grounded for eighteen weeks and we threw them in a metal prison container.

Ellie Elsher: Lori and Lola screeched at us and they swore revenge on us, and Lynn roared and she pounded on the door trying to get out, but we all gave her the finger through the window, and that set Lori and Lola off as they screamed and screeched at us again and Lynn roared like an animal and beat her chest like a gorilla again.

What a dumb ape!

Raven Ghostrick: Lynn was a glutton for punishment, no matter how many times we told her to back off, she ignored it, and Lori and Lola were no better.

FLASHBACK ENDS

along with our gems on our large gold Bracers of The Champions of the Universe and the Stones of Gelel that were embedded in the backs of our left hands were glowing, and that means we've got big trouble incoming, and the imps of The Fabled Gene-Slammers were already hissing with anger.

Alecto Shadowcall: (Growls) I should've known there was no mistaking that voice from anywhere. Get out here right now, Eleanor Cruorem, before things get really ugly!

A girl with black hair, red hairband, red eyes, and dressed in a black coat, white bridal gloves, white shirt, necklace with red gem pendant, black pants, and black knee-high boots with butterfly buckles came out, and it was none other than Eleanor Cruorem, religious zealot and fanatical so-called vampire hunter of The Ghostrick Destroyers who was exposed as a murderous demon and heretic, and one of the twenty-two human-despising vampires from Transylvania.

Alecto Shadowcall: Eleanor Cruorem, I should've known you'd show up here! Lincoln warned you all to never to show your faces again after he kicked you all out of Royal Woods seven years ago.

Eleanor Cruorem: We will never stop, all of you shall be destroyed in the name of God!

Me: You really are a delusional religious fanatic!

Nico: And an infinite-times fucked up one for that matter!

Lincoln: I did say they were absolutely insane and driven only by religious delusions, and for that, I blame their parents for that one. But, the jig's up, Eleanor, Ophelia already exposed her true self, and that's being one of the twenty-two human-despising vampires from Transylvania.

Alecto Shadowcall: Indeed, and it's high-time we bring this delusional vampire down for good.

Suddenly, Alecto Shadowcall's blue eyes turned neon blue and she was surrounded by a black and purple energy aura with stars, darkness, light, shadows, dark magic, witches, and angels, she unholstered her massive Ghostrick Witch's Dark Magic Darkness Archangel Greatsword of Dark Magic Darkness Witch Angel Justice from her back, and as she approached Eleanor Cruorem, she left black and purple energy, stars, darkness, light, shadows, dark magic, witches, and angels with every step.

Alecto Shadowcall: I can already see that time hasn't changed you, you're still the same religious fanatic and zealous so-called vampire hunter who was exposed as a murderous demon and heretic seven years ago along with being one of the twenty-two human-despising vampires from Transylvania. We thought we wouldn't have to deal with you ever again after Lincoln chased you all out of Royal Woods, but as always, you refused to learn your lesson, and you had the nerve to come back after you were explicitly warned. You now have nowhere to run to, Eleanor Cruorem, and now, you shall pay the price for your misdeeds with your own blood.

Suddenly, Alecto Shadowcall was surrounded by a massive vortex of black and purple energy with stars, light, darkness, dark magic, and shadows surrounding the vortex, there are witches, angels, and Ghostrick Witch flying around the vortex, and in the vortex is a red phoenix with blood red eyes glaring at Eleanor Cruorem: the red eyes of eternal death. Then, as the vortex faded, Alecto Shadowcall emerged, but she was changed forever.

PIPE ORGAN MUSIC PLAYS

Alecto Shadowcall grew from 6'5" to 7'5" in height, she has the body of a goddess, she has black highlights in the bangs of her short neck-length purple hair and purple cat ears, she has neon blue eyes and a black and purple energy aura with stars, darkness, light, dark magic, witches, and angels surrounding her, she has the Dark Kanji in the hands of Ghostrick Witch emblazoned on her forehead and Third Eye with purple iris, she has on witch earrings with purple gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands, she also has Ghostrick Witch with purple gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands on the bottom of her purple witch-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with purple crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Alecto Shadowcall has on a sleeveless black open blouse, sleeveless black crop top, black skirt, black pants, black knee-high high-heels, black fingerless gloves, and long white sleeveless trenchcoat with stars, darkness, light, dark magic, witches, and angels on the coattails, and on the back is Ghostrick Witch and Witch surrounded by stars, light, dark magic and darkness. Suddenly, Alecto Shadowcall felt a sharp pain on her back, and then, her massive purple angel wings with black tips on the large purple feathers grew much bigger for her new body and she now has eleven massive and long purple wolf tails with black tips and black markings, she has on a Ring of The Phoenix with purple gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Alecto Shadowcall has transformed into SUPER ANGEL-GHOSTRICK WITCH-WITCH-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA DARK MAGIC DARKNESS LIGHT GHOSTRICK WITCH WITCH ANGEL OF DIVINE DARK MAGIC DARKNESS LIGHT GHOSTRICK WITCH WITCH ANGEL JUSTICE AND DIVINE DARK MAGIC DARKNESS LIGHT GHOSTRICK WITCH WITCH ANGEL LOVE!

We were amazed by Alecto Shadowcall's Super Angel-Ghostrick Witch-Witch-Harmony Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Eleanor Cruorem saw it, she fell into an even more darker and more insane rage and ran at Alecto Shadowcall with a knife to stab her in the heart to kill her, but Alecto Shadowcall fired a powerful barrage of black and purple energy blasts, stars, darkness, light, dark magic, witches, and angels at the insane vampire hunter and they exploded with incredible power as they hit her, and this really pissed them off.

Nico: Whoa, now that's really haunting, Alecto Shadowcall's transformed, that vampire is so done for.

Lincoln: No villain's ever been safe from the Witch Angel of Michigan, her dark magic has more than once made villains who are beyond redemption pay for their transgressions.

Ellie Elsher: For those beyond redemption and have no place in this world, the only thing awaiting them is usually death from her curses, now death's coming for that bitch.

Alecto Shadowcall: (Divine Godly Cosmic Voice of The Dark Magic Darkness Light Ghostrick Witch Witch Angel and Divine Dark Magic Darkness Light Ghostrick Witch Angel Love) Indeed it has. Now, let's rip her to shreds, Linky.

Crash Bandicoot: Don't start without me, guys.

Crash Bandicoot unholstered his massive Crash Bandicoot's Skylands Ten Elemental Wolf Draconic Bandicoot Greatsword of Ten Elemental Skylands Justice and Ten Eternal Elemental Skylanders True Bravery from his back and he transformed into Super Angel-Bandicoot-Dragon-Elemental Skylander-Harmony United Friendship Universal Eternal Celestial Xelnaga Ten Elemental Knight Elemental Skylander Draconic Bandicoot Angel of Divine Ten Element Skylands True Hero Knight Draconic Bandicoot Angel Justice and Divine Ten Element Skylands True Hero Knight Draconic Bandicoot Angel Bravery.

Crash Bandicoot: (Divine Echoing Godly Voice of The Ten Skylanders Elemental Draconic Bandicoot Angel and Divine Godly Universal Ten Skylanders Elemental Draconic Bandicoot Angel Bravery) You now have nowhere to run to, you blood-crazed delusional bat.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Alecto Shadowcall and Crash Bandicoot.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) I warned you of the consequences should you and the rest of The Ghostrick Destroyers dare to show up again, Eleanor Cruorem, now it's time we put you down for good!

Alecto Shadowcall, Lincoln, and Crash Bandicoot went after Eleanor Cruorem, and they fired extremely powerful blasts of rainbow energy, black and purple energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Eleanor Cruorem and they exploded with incredible power as they hit her.

Then, they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and firing energy slashes from his claws and he, Alecto Shadowcall, and Crash Bandicoot also attacked her with punches, kicks, and karate chops, along with elemental blasts, and this was really driving Eleanor Cruorem mad.

Eleanor Cruorem: You… YOU! (Red Eyes turning Blood Red with slit pupils and vampire fangs grew) I WILL KILL YOU!

Eleanor Cruorem's vampiric nature came out, and now, she was out for blood. Eleanor Cruorem ran at Lincoln, Alecto Shadowcall, and Crash Bandicoot, and she tried to attack them, but they dodge her attacks, and then, Lincoln drove his massive greatsword into Eleanor Cruorem's stomach, and he began sucking out her vast dark powers, immense strength, and vampiric abilities, and he made them his own.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, for the grand finale. VAMPIRIC BLOOD LIFE ENERGY DRAIN!

Suddenly, all the gems embedded in the 7'6" massive, wide, double-edged golden blade of his Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds suddenly began glowing green, and then, Lincoln began draining Eleanor Cruorem of all her life energy and blood, and when he was done and he removed his massive greatsword from her stomach, Eleanor Cruorem was now a desiccated corpse drained of her vampiric powers, blood, and life energy, and as soon as her soul appeared, Lincoln fired a blast of energy from his massive greatsword and had her imprisoned inside an energy card. We cheered wildly for what

Alecto Shadowcall, Lincoln, and Crash Bandicoot did as they holstered their weapons and powered down, and Alecto Shadowcall's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long purple wolf tails, and massive purple angel wings are permanent.

Alecto Shadowcall: That's one down and three of those monsters to go, and we're now pissing them off greatly. Thank you for helping us get rid of that religious fanatic and zealous heretical vampire, Linky, you too, Crash.

Lincoln: (Smiles Warmly) You're welcome, Alecto.

Crash Bandicoot: She did need to pay for what she did, and I'm always happy to help.

Crash Bandicoot went back to us, and suddenly, Alecto Shadowcall wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Alecto Shadowcall's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Ghostrick Witch flying in the air, and we saw a herd of Buffalo and many animals running across the field and dark magic and elemental forces behind them and we cheered wildly. Then, Lincoln and Alecto Shadowcall absorbed the elemental forces and they came back to us as the display vanished.

Nico: Whoa, oh man, now that's what I call a fight of dark magic, Lincoln, Alecto, Crash, you showed that showed that vampire no mercy whatsoever, and sent her to her death.

Lincoln: She didn't deserve any mercy, I warned them never to show their faces again, but those fools never learn.

Me: And you used your Vampiric Life Drain on her, awesome!

Lincoln sent the soul of Eleanor Cruorem in a cage and he put the curse on her that gave her back her life energy, but once that happened, suction tubes came out and were attached onto her, and then, the suction tubes activated, and Eleanor Cruorem's life energy was being sucked out of her again: she was condemned to that punishment until all of The Ghostrick Destroyers are killed, and it flowed into Lincoln and The Michigan Supernatural Defense Force as they gained a massive power boost.

Nico: (Snickers) That Room of Tortured Souls is definitely a top-notch prison for some of Michigan's most dangerous thugs and criminals.

Lincoln: And the curse I put on them has continued to work for seven years, that way, they can suffer for all eternity of regaining their life energy only to have it drained out of them again and flowing into us. But, if any of them get a little out of hand, I put in a counter curse, should any of them get a little out of hand or try to escape, the counter curse will activate and the life energy they regain from the curse will not only be drained out of them forever, but they'll be sent to The Black Gates forever with help from our stone gargoyles and stone vampire bats perched outside the castle.

Ravenna Amaranth: And Lincoln also put up a new curse: once all the members of The Ghostrick Destroyers are destroyed and sent to The Prison of Tortured Souls and all their life energy has been drained, they will be sent to The Black Gates forever.

Me: Cool!

Nico: So, you'll keep them imprisoned inside the castle's prison until that day comes, nice one. So, Lincoln, which Noble Knight Gene-Slammer are you meeting tomorrow?

Lincoln: Ooh, I've got just the one: we'll be meeting the Gene-Slammer of Noble Knight Eachtar.

Melanie Artorgius: (Gasps) Awesome, and there's only one who'd be Gene-Slammed into Noble Knight Eachtar, Helena De Maris, and you guys will love meeting her, Helena De Maris is Lincoln's Guardian Angels from Michigan and she's a very powerful wielder of dark magic and a very powerful swordswoman and a member of The Royal Woods Knights of The Michigan Table. She trained Lincoln both in the art of swordsmanship and magic, and he became a very powerful swordsman and master of magic, and she also taught him much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those he loves and holds dear to his heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Helena de Maris is also a direct descendant of Hector de Maris of Camelot.

We gasped.

Me: Hector de Maris, one of the skilled Knights of the Round Table, the younger half-brother of Lancelot and cousin of Bors and Lionel.

Katara Chevalierflamboyant: (French Accent) That's right, plus, Lincoln made her a dark purple coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Helena De Maris hate Lori with a very blazing passion. One day, Helena and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Lori, and she brought with her an army of thugs she hired. Helena and Lincoln went out there along with the rest of us, and they'd slain them with her greatsword. It drove that bitch into a blood-crazed fury, but before she could get after us, Lincoln and Helena fired chains of dark magic which bound that bitch and tied her up.

Nico: Did he call his family and his nice sisters for this?

Lincoln: Yep, and needless to say, Leni, Luna, Laney, Lucy, Lana, and Lily wanted her head on a pike!

Me: Should've known she would do something like this.

Lincoln: I know, but I wasn't surprised, Lori tried to kill me many times in the past, but in the end, their plan failed, and Lori got grounded for eighteen weeks, and to make sure that she didn't try to get revenge on us, Helena de Maris and I casted a spell to prevent them from coming back to hurt us.

Me: Yeah, messing with the descendant of Hector de Maris of Camelot and one of the members of The Royal Woods Knights of The Michigan Table will have dire and disastrous consequences.

Nico: That Alpha Bitch, Dark Lori, really hated that her greatest "plan" was foiled once again, and she got into even more serious trouble.

Lincoln: She seriously didn't even know when to quit, and to make it worse, her plan also earned her the vengeance of my nice sisters. And now, for tomorrow, we're going to face off against Emily Constantia.

Thera Amihan: Yes, which means you and I will be facing her, Linky.

Crash Bandicoot: And I'll be joining in as well.

Ravenna Amaranth: That's right.

Red Genesect: We truly are sorry.

Rich Texan: Aw, no harm done.

Steam Smythe: You just wanted to go home.

Black Adam: If I were in your position, I would've done the same thing.

Me: I agree.

Puff: But please don't harm anymore humans.

Avalanche: Humans and Pokemon go well together.

Nico: That's right.

Zoe Paleozoic: You just want to go home.

Ash: But like before you can live Absentia Natural Park.

Me: Yeah.

Red Genesect: We would like that. Thank you.

We saw them leave. But the red Genesect Youngling decided to stay with Zoe Paleozoic.

Nico: That was awesome. Great job today everyone! This was fun.

Me: It sure was.

Twilight Sparkle: (To the viewers) This was so awesome and fun. Hope you all loved this one.

Me: I know we did.

We went back home and enjoyed the rest of the day and went to sleep.

Nico has a score to settle with him and also Layla Chimera is going to tear that monster apart. But also Applejack wants to get some shots in on him.

Me: This is gonna be good.

Nico: Yeah! I can't wait to bring that merciless tyrant to his knees.

Xenia: Yeah after everything he did he had this coming.

Lola: He sure did.

Nico: Yep.

Becky: This is gonna be so fun and cool.

Qin: You got that right. I can't wait to unleash the fury of the power of over 1,400 Digimon on him.

Nico: Me too.

Camie: This is gonna be awesome.

Clyde: You got that right.

Nico: Becky, I want to thank you, Rich Texan, and your teams for coming.

Becky: It's no problem Nico. This will be so fun and cool.

Eli: It'll be awesome.

Clyde: Boy it sure will!

Nico: Clyde, how exactly did you and Lincoln first meet?

Me: That's right I was wondering the exact same thing.

Clyde: We met 5 years before J.D. moved to Michigan and it was when Lincoln was chasing after Lynn, who was separated from their mother. During the chase, Lynn passed by me, and Lincoln ended up crashing into him, giving me a nosebleed.

Me: Oops. Ouch.

Eli: That must've hurt!

Nico: Yeah. But that is cool that you two have known each other for that long.

Me: That was right around the time you guys were in Kindergarten.

Lincoln: Yep. And we were best friends ever since.

Lola: That is so cool.

Varie: It sure is.

Nico: You'll always be Lincoln's best friend, Clyde. Never forget that.

Clyde: I never will. And it's always fun.

Lincoln: That's my brother.

We laughed!

Applejack: (LAUGHS) That is for sure.

Lola: Yeah. Can you believe that Clyde had a crush on Lori before?

Clyde: Yeah but it was just a crush.

Nico: (LAUGHS) I felt the same way years ago with someone else that was older than me. My teacher in school.

Me: (LAUGHS) That is quite common amongst students. It happened to me too.

Lincoln: Really? Me too?

Me: Right! I remember that.

Nico: Really?

Me: Yeah it was back when Lincoln was having trouble in school because of a substitute teacher Ms. DiMartino.

Nico: Oh man.

Me: Yeah. Yesterday's mission was so fun and cool though.

Qin: It sure was.

Camie: Yep.

Nico: So how's the little Genesect?

Eli: Doing really awesome. Zoe and the little Genesect are awesome friends and partners.

Lola: That is cool.

Lana: I agree there too.

Qin: Yeah.

May: It sure was awesome seeing Pokemon like that.

Camie: It sure was.

Nico: I don't blame the Genesect for being angry.

Me: Me neither. I would feel the same way if someone stole my home.

Xenia: Me too.

Lola: Yeah. That would be awful.

Eli: I would feel the same way too.

Varie: Yeah.

We all agreed.

Lily: Yeah what happened to them was awful even though it was a misunderstanding.

Lola: Yeah.

Nico: Hopefully, they'll be peaceful now.

Me: Yeah.

Qin: I know they will.

Nico: Yep.

We then saw the Digimon Emperor's flying base.

Me: Target Sighted at 12:00.

Nico: Never forget that horrible base.

Layla Chimera: I will always hate that atrocity he built!

Xenia: No kidding there.

Lincoln: This is going to be so awesome, Applejack, not only are we getting another shot at killing The Digimon Emperor, but I sensed it: just like Twilight, you're going to transform into your most powerful and ultimate transformation, just like when J.D. and I ascended.

Applejack: That's right, Linky, this is going to be so awesome! Plus, I want to make sure that monster pays for what he's done.

Nico: And that we will. I've had about enough of that fucked-up rotten bastard to last an eternity!

Me: Same here.

Layla Chimera: Me too, even though it's a Simulator version of him, it won't change the fact that he's still going to die here and now.

Lincoln: Right. (Senses for The Digimon Emperor) I see that little bastard, he's in his control room. Let's give him a nasty little surprise, but first, I should take care of his guards.

Me: I don't sense any guards. But he is definitely enraged. Lets give him a nasty surprise.

I fired waves of energy and blasted the control spires he made into oblivion.

Nico: Nice one.

Me: Yeah!

Nico: This is it guys we're going in.

We went at the base.

Digimon Emperor: (GROWLS) Those Digi-Destined are ruining everything, I swear I will destroy every last one of them if it's the last thing I ever do!

?: YOU'RE NOT GETTING THAT CHANCE EVER AGAIN FOR THAT MATTER, YOU HEARTLESS POWER-CRAZED ASSHOLE!

Suddenly, the spirits of 1,400 plus Digimon appeared out of nowhere as they flew around the throne room and they fire blasts of energy at the Digimon Emperor and he was hit badly. Then, the spirits converged and they crashed onto the ground as a Thunderbird screech and Phoenix cry was heard and we appeared, and when he saw us, he was absolutely pissed off big time.

Digimon Emperor: YOU!

Nico: That's right, you fucking prick, us! Hope you don't mind, but we're here to rip your fucking guts out and mount your head on a pike for everything you've done to The Digital World.

Digimon Emperor: I'LL FUCKING KILL YOU! NO ONE TALKS LIKE THAT TO YOUR EMPEROR!

The Digimon Emperor got out his whip and was about to hit Nico with it until Lincoln fired a rainbow energy blade which hit The Digimon Emperor and it slashed his hand and drew blood and he screams in pain.

Lincoln: That's for making Nico suffer, you prick!

Me: Oh man, Lincoln's drawn first blood!

Applejack: Nice shot, Linky!

Lincoln: Thanks.

Nico: And Ken?

POW!

Nico punched him square in the face and broke his nose!

Nico: That's for putting me through 12 years of pain and suffering you asshole!

Maria: Wait. Isn't there someone else who wants to beat him down as much as we do.

Nico: Oh right.

Layla Chimera: Me.

She went over to him.

Layla Chimera: I have a score to settle with you Digimon Emperor and I'm going to enjoy this!

She went over to the Digimon Emperor and then grabbed him by his shirt and then started bashing his face in mercilessly!

Layla Chimera: YOU LIKE THAT!? HUH?! YOU LIKE THAT!?

She threw him into the wall and he spit out some blood and teeth.

May: Time to use an Avatar gear!

Me: Lets see here. How about this.

I used the Zenkaiger Gear.

It turned my sword into a World and Ranger Gear Sword!

Me: COOL! The Legacy World Sword!

Nico: Awesome!

Me: Lets take this outside where we have more room.

Nico: Good idea.

We went outside.

We were on the sands of the desert.

Me: Lets try this!

I fired energy waves and they hit him and Ken was dressed in a diaper and had a binky!

Eddy: KEN!

WE LAUGHED HYSTERICALLY AT THAT ONE!

Eddy: YOU'LL GET A RASH IN THAT!

WE LAUGHED MORE!

Nico: (LAUGHS HYSTERICALLY!)

Magine: Look at the wittle baby!

Me: (LAUGHS HYSTERICALLY)

Eli: (LAUGHS HYSTERICALLY)

THAT WAS SO FUNNY! TOTAL HUMILIATION!

Then KEN EXPLODED IN A MASSIVE BURST OF RAGE AND FURY!

Me: That was too funny!

He went back to normal and went at us and I kicked him in his face.

Me: Lets see what this does.

I used the Time Force Gear and it turned it into a TIME SWORD!

Me: Cool!

I fired an energy wave it turned Ken into an Old Man! He looked like he was 120 years old and he had tattered clothes and a long beard and was in a rocking chair and had a cane.

Nico: Now, you're an old man!

Ken: (Elderly Voice) Huh? What did you say sonny? Cragnabit! I am an old man. I hate those kids.

He fell asleep.

Nico: Let's use another while he's like this!

Me: You got it.

I used the Samurai Gear and it formed into an Elemental Energy Katana!

Me: Cool!

I fired waves of energy and elements and blasted the elderly Ken and the explosion reverted him back to normal.

Qin: TAKE THAT!

Me: Nice one! Now for this.

I used the RPM Gear and got a sword of Apocalyptic Fire. It was called THE APOCALYPTIC ROBOT SWORD!

Me: COOL!

I fired gears of energy and blasted down the Digimon Emperor!

Nico: COOL!

Me: How about this?

I used the Operation Overdrive Gear and got a Speeding Lightning

Sword!

Me: NICE!

ZOOM!

I ran fast and kicked him all over the place.

Qin: Take that!

Nico: Sometime before we end him, let's separate him

Me: That's not a bad idea.

Layla Chimera: He is a brainwashed guy after all.

Eli: Okay then.

Me: Lets see what this does.

I used the SPD Gear and it formed my sword into a Red and Blue Siren Sword and I fired waves of energy and blasted him all over.

Lola: YEAH!

Rich Texan got out his guns.

BANG BANG BANG BANG!

He shot at him and made him dance like a sissy girl.

Rich Texan: YEEHAW! Dance!

Suddenly, something within Applejack's mind snapped as memories of The Digimon Emperor's crimes against The Digimon and the Digi-Destined along with putting Nico through all sorts of Hell during The 20 Days of Darkness rushed through her head and her green eyes turned neon green, and she was surrounded by an orange energy aura with stars, Earth, Alicorns, and Apples, she unholstered her massive Applejack's Earthquake Skylander Apple Alicorn Greatsword of Earthquake Honest Apple Bravery, and as she approached The Digimon Emperor, she left orange energy, stars, Earth, Alicorns, and Apples with every step.

Applejack: You make me absolutely sick to no end, you good-for-nothing snake in the grass, you've done some extremely low things to too many Digimon, you worked them as slaves and mistreated all of them all for your own selfish desires. (SUDDENLY GETTING EXTREMELY ANGRY AT THE DIGIMON EMPEROR) I can never forgive someone who would do such horrible things to the Digimon, none of them deserve that kind of atrocious mistreatment, but you don't even care one bit, you continued to harm and mistreat all the Digimon, just so you can continue to get your sick kicks from that malicious behavior… , (CANTERLOT ROYAL VOICE) YOU HAVE COMMITTED A TRULY GRAVE SERIES OF TRULY UNFORGIVABLE ACTIONS THAT'VE PLAGUED THE DIGITAL WORLD FOR FAR TOO LONG, AND YOU DO NOT DESERVE TO BE FORGIVEN FOR ANY OF THEM! DIGIMON EMPEROR, THE CRIMES THAT YOU'VE COMMITTED AGAINST THE DIGITAL WORLD AND EARTH CAN NEVER BE FORGIVEN, AND FOR THAT, YOU SHALL PAY THE ULTIMATE PRICE WITH YOUR LIFE!

We gasped at the sudden extent of Applejack's fury: The Digimon Emperor was now in extremely big trouble!

Me: OH MAN!

Eli: Uh oh!

Nico: OH MAN, APPLEJACK'S EXPLODED WITH EXTREME RAGE!

Lincoln: And she suddenly used the Canterlot Royal Voice for that one, and when that happens, you know that ultimately means extremely gigantic trouble!

Lincoln, Twilight Sparkle, Rainbow Dash, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, Sunset Shimmer, Trixie Lulamoon, Vinyl Scratch, Wallflower, The Canterlot 5, and the rest of Twilight Sparkle's Friends: STAND YOUR GROUND, GANG! SHE'S GOING TO BLOW!

We immediately stood our ground as Applejack screamed with such extreme and violent rage like a madwoman and then…

KRABBBBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive explosion of energy and power and we felt the ground shake extremely violently with lightning striking all over the place and she was surrounded by a massive vortex of orange energy with stars, Earth, and Apples surrounding the vortex, there's an Alicorn flying around the vortex, and in the vortex is a red phoenix with red eyes glaring at The Digimon Emperor: the red eyes of eternal death.

Suddenly, The Unity Crystals on my Universal Eternal Celestial Cosmic Elemental Wolf Moon Phoenix Greatsword of Universal Eternal Cosmic Elemental Wolf Moon Justice and The Unity Crystals on Lincoln Loud's massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds glowed with very intense brightness, and then, The Unity Crystals fired a beam of light into Applejack's Earthquake Skylander Apple Alicorn Greatsword of Earthquake Honest Apple Bravery, and then, her massive greatsword glowed, and then surrounding the massive vortex of orange energy with stars, earth and apples, surrounding it, there's an Alicorn flying around the vortex, and in the vortex is an apple red phoenix with red eyes glaring at The Digimon Emperor: the red eyes of eternal death was A MASSIVE VORTEX OF RAINBOW LIGHT AND ENERGY AND FIRE, ICE, WATER, WIND, LIGHTNING, EARTH, LAVA, LIGHT, DARKNESS, CRYSTALS, WOOD, STARS, TIME, NATURE, GRAVITY, BLOOD, MAGIC, MOONLIGHT, RAINBOW CRYSTALS, RAINBOW SUPER LIGHTNING, RAINBOW FIRE, SAND, BLUE FIRE, BUBBLES, STEAM, NEBULONIC GAS, SUNS, AURORA, LIGHT MAGIC, DARK MAGIC, BLACK MAGIC, SATANIC MAGIC, MOONLIGHT, EXPLOSIONS, AND ATOMIC RADIATION EXPLODED OUT OF HER AND HER POWER WAS REALLY AND RAPIDLY INCREASING AT AN EXPONENTIAL RATE AT A MASSIVE LEVEL!

THEN, THE WORLD TREE ESTATE, THE TREE OF HARMONY, AND ALL OF THE POWERFUL LANDS OF EQUESTRIA GLOWED AND THEIR ENERGY FLOWED INTO APPLEJACK! THEN, AS SOON AS THE VORTEX FADED, APPLEJACK EMERGED

FOREVER CHANGED!

We were truly amazed by Applejack's Super Angel-Honesty Alicorn Princess-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when The Digimon Emperor saw it, he went mad with rage.

Nico: You're in trouble now!

Digimon Emperor: DIE, YOU STUPID BITCH!

The Digimon Emperor got out his whip and tried to hit Applejack with it again, but Lincoln fired yet another rainbow energy blast which disarmed The Digimon Emperor again and it pissed him off once more, and Applejack fired a powerful barrage of orange energy blasts with stars, earth, crystals, apples, magic, and Alicorns, and it hit The Digimon Emperor and sent him flying into his throne and destroyed it, and he also got burned badly by the power of Honesty, he got up, but he was really furious now.

Nico: (TRULY AMAZED) Whoa… !

Me: (TRULY AMAZED) Incredible… !

Lincoln: (TRULY AMAZED BEYOND IMAGINATION) That's so awesome! Applejack has transformed into her Super Angel-Honesty Alicorn Princess-Harmony United Friendship Universal Eternal Celestial Xelnaga form, the second of The Princesses to do so, and The Digimon Emperor is now in mega big trouble now especially after he tried to hit my future wife with that stupid whip of his. I'm going to so enjoy tearing that tyrannical monster to shreds for this!

Applejack: (Divine Echoing Godly Voice of The Harmonious Elemental Honesty Magic Alicorn Princess Angel and Divine Harmonious Elemental Honesty Magic Alicorn Princess Angel Love) And he will pay for everything he's done. Shall we, Lincoln?

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Applejack, and so did we as we unholstered our weapons and transformed.

You will forever die as the monster that you've truly become!

Applejack and Lincoln went after The Digimon Emperor who continued to lash at them with his whip, but they dodged his whip, and they fired extremely powerful blasts of rainbow energy, orange energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at The Digimon Emperor and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws and firing energy slashes from his claws and he and Applejack attacked her with punches, kicks, and karate chops and they were mega-painful because of their superhuman strength, along with elemental blasts, and this was really driving The Digimon Emperor mad.

Digimon Emperor: I HATE EVERY LAST ONE OF YOU!

Our energy auras flared up as we'd gotten stronger thanks to his extremely massive hatred.

Nico: YEAH, FUCK YOU TOO, ASSHOLE!

I teleported and punched him in the face and bashed him down.

Maria: Let's use another Avatar gear!

Me: Okay! Top this!

I used the Mighty Morphin Gear and got a Dinosaur Fury Sword!

(Rainbow Energy Aura flares up) But, your hatred has made you blind and weak, you may have thought no one would ever get in your way, but you underestimated your opponents, and in the end, that's why you will fail.

Girl Jordan: Lets separate him from the Digimon Emperor.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea

dragons singing in the background.

Ken was separated from his Digimon Emperor half!

Xenia: WHOA!

Qin: AWESOME!

Nico: YEAH!

Lincoln drove his massive greatsword into The Digimon Emperor's stomach, and that caused The Digimon Emperor to belch out a massive amount of blood. Suddenly, we saw that The Control Spires The Digimon Emperor put up were suddenly destroyed along with the dark rings and dark spirals he used to control the Digimon and they were all freed and they Digivolved once more. Then, Lincoln removed his massive greatsword from The Digimon Emperor's stomach, leaving behind a rising pool of blood that The Digimon Emperor was kneeling in.

Me: Whoa!

Nico: Now, that was incredible! When Lincoln stabbed that monster in the stomach with his massive greatsword, it caused The Control Spires he put up to be destroyed and the dark rings and dark spirals he used to control the Digimon were also freed and they've Digivolved once more!

Twilight Sparkle: (Divine Echoing Godly Voice of The Harmonious Elemental Friendship Magic Alicorn Princess Angel and Divine Harmonious Elemental Friendship Magic Alicorn Princess Angel Love) But, it's not done yet! There's still the matter of you know what!

Applejack: (Divine Echoing Godly Voice of The Harmonious Elemental Honesty Magic Alicorn Princess Angel and Divine Harmonious Elemental Honesty Magic Alicorn Princess Angel Love) That's right, Twilight. If you would be so kind, Linky?

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Of course, my Alicorn Princess of Honesty. (Echoing Voice) BLAZING HELIX!

Lincoln fired a blazing orange and red energy helix with superhot flames at The Digimon Emperor, and it exploded as it hit him and he was incinerated. Then, as soon as his soul appeared, Lincoln fired a blast of black energy from his massive greatsword and it hit The Digimon Emperor and he was sent forever to The Black Gates.

Digimon Emperor: NO! NO! DAMN YOU ALL, DIGI-DESTINED, DAMN YOU ALL TO HELL, TEAM LOUD PHOENIX STORM! (SCREAMS IN ANGER AND INSANITY AS HE FADES AWAY FOREVER)

We all cheered wildly for what Applejack and Lincoln did as they holstered their massive greatswords and powered down, and Applejack's new body, clothes, weapons, jewelry, Third Eye, longer blonde tail, and massive orange angel wings are permanent.

Suddenly, Applejack felt wobbly and almost fainted, but Lincoln caught her in his abnormally massive and powerful muscular arms.

Lincoln: Are you okay, Applejack?

Applejack: I'm a little dizzy, but I'm okay.

Me: Now, you know how we felt when we went through that, but that was so awesome! You and Lincoln both showed that tyrannical monster absolutely no mercy whatsoever!

Nico: And you both sent him to his ultimate doom.

Applejack: Yeah, we did.

Suddenly, Applejack turned to face Lincoln and she'd wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Applejack's face, they kissed passionately as Applejack moved her hands and placed them on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and an Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field with trees with growing apples growing around them and we cheered wildly. Lincoln and Applejack then absorbed the elemental forces and collected the apples and they came back to us as the display vanished.

May: You okay, Ken?

Ken was really crying hard!

Ken Ichijouji: WHAT HAVE I DONE!? (CRYING AND WAILING SCREAMINGLY)

Ken was really crying hard!

Ken Ichijouji: I'm sorry guys! It's too late for me!

Nico: The Hell it isn't!

Ken was crying hard.

Ken Ichijouji: It's all my fault! I did all this because I was jealous of my brother! Because of me! I killed him!

Me: Ken you didn't kill your brother!

Nico: Yeah that was all an accident!

Ken Ichijouji: It was all my fault! I killed him because I wished he would disappear! It's all my fault! I was jealous of him! I came to the digital world to get away from all those memories and emotions but I just can't escape. (CRYING HARDER)

Qin: Oh man.

Seeing Ken cry like this really was making my heart hurt.

Me: Come on Ken don't talk like that.

He was still crying hard.

Nico: I've never seen him so broken.

Layla Chimera: Like hes completely lost a part of who he is.

Lola: Yeah.

Wormmon came up to Ken.

Wormmon: Ken it's going to be okay. Your brother didn't die like that because of you. You were just going through some hard times.

Ken: I can never forgive myself for everything I did! (Crying) It's all my fault!

Wormmon cuddled up to Ken.

Me: Ken it'll be alright. You still have Wormmon. You still have your family and you still have one thing that makes you who you are. Your heart.

Nico: Yeah. Ken can never be taken away from you.

Lola: Yeah.

Ken: Thank you. (Hugs Wormmon)

Me: Aww. But first there is something we have to do. Lisa?

Lisa Loud: Right. Hold still.

She used the matrix extractor and got the Dark Spore out of him and it was growing.

Nico: There.

Ken Ichijouji: What is that?

Me: Ugly story.

Nico: Yep.

Juran: Let's get you home.

I opened the portal and it lead him back home.

Me: What do we do with his flying base?

Nico: Keep it. We'll use it for our own purposes.

Eli: Okay then. Now for business. I found the Anothers here. We have Another Mask Scara, Elmer the Glue Monster, Abracadaver, Roach Coach, Boogie Man, Booger Monster, Prehistoric Caveman, White Cat, Golden Gut and Rich Texan.

Lola: Wow!

Nico: Who do we call for that?

Me: Aurora Tamara, C.H.Y.K.N., Xinnia Xaldin, Xenia Xigbar, Shayla Raiden, Remmie Rogan, Yesenia Yellowstone and Lillian Kale.

Nico: Cool!

Qin: This will be fun.

Maria called them in and in swirls of elements and energy they came.

Aurora Tamara: Hey, guys!

Cassidy: Wouldn't miss this for anything.

Halinor: We sure wouldn't.

Me: Awesome girls.

Eli: And you'll like this one. The Anothers minus Rich Texan are all one person and she is one of Lincoln's guardian angels. And she is a gene-slammer.

Me: Cool!

Qin: Wonder which one.

Nico: Is that them?

We saw a bunch of figures and they were Another Mask Scara, Elmer the Glue Monster, Abracadaver, Roach Coach, Boogie Man, Booger Monster, Prehistoric Caveman, White Cat and Golden Gut!

Nico: Whoa!

Lola: This is gonna be awesome.

Lana: I'll say! I hope I get to eat the roaches Another Roach Coach has.

Nico: After they seperate.

Another Roach Coach: (In a girls voice) You can have all the roaches with me.

Lincoln: That voice.

They merged and then reverted back and it was a girl with red hair, red eyes, and had a red kimono and red angel wings and she had the Shien Crest in the middle of her forehead and had a fire bladed katana in her hands.

Lincoln: Sayuri Shirahoshi!

Nico: Whoa!

Sayuri Shirahoshi: (Japanese Accent) Good to see you Lincoln. You have grown into an amazing young man.

Lincoln: Thanks. Sayuri is from Japan and she is also the gene-slammer of the Shien Monsters and she is a powerful sword master. Also she is known for teaching me fire attacks and sword moves around fire. And she has a powerful hatred towards Flip.

Me: Uh oh. What did our resident mutant cheapskate do this time?

Sayuri Shirahoshi: Tried to burn down all the libraries in the world along with all the books and blame the Loud's for them so they would become the most hated family in the world and get a bounty on them.

We gasped and TWILIGHT ROARED IN FURY!

Twilight Sparkle: NO ONE DOES THAT TO BOOKS! NICO WHEN WE GET BACK I WANT TO THRASH FLIP INTO NEXT WEEK!

Nico: Feel free to do that!

Me: But after we're done here.

Twilight Sparkle: Okay.

Me: By the way Sayuri is the Another Rich Texan friendly or hostile?

Sayuri Shirahoshi: Friendly and she is a force from Texas.

Nico: Neat.

Lincoln: Lets separate you first.

Lincoln fired a beam of light and separated her from the Anothers.

Lana: FEEDING TIME!

Lana went and ate the roaches!

The girls fired waves of energy and elements and blasted the Anothers and I caught the Wonder Ride Books!

Qin: Oh yeah!

Lola: YEAH!

Lana: (LOUD BELCH)

Nico: I hope she does that twin gun thing.

Me: Me too.

Maria: We'll find out now!

Out came a figure and it was ANOTHER RICH TEXAN!

Me: This is gonna be good!

Another Rich Texan: (In a girls voice) YEEHAW! This is gonna be fun!

Lincoln: That voice.

She reverted back and it was a girl with blond hair and had a cowboy hat and had green eyes and she had a red shirt and blue pants and had guns holstered on a belt and she had brown angel wings and had a crystal elemental sword.

Lincoln: Martha Jane Cannery IV!

Nico: WHOA!

Me: Wait isn't that Calamity Jane, the woman outlaw of the Old West?

Martha Jane Cannery IV: That's right pardner and that was my great great great grandmother.

Lola: Wow!

Martha Jane Cannery IV: Yep and I am also Lincoln's Guardian Angel and the gene-slammer of Starmon and Deputymon. And I hate those dastardly varments Pablo and Anderson with a vengeance.

Me: What did those psychopaths do this time?

Martha Jane Cannery IV: They destroyed numerous restaurants by burning them down and causing billions in property damages and they went after Lynn's Table and were going to burn it down but me and Lincoln nabbed them. I made them dance around like sissies with my guns at their feet and got them caught.

Me: WHOA!

Lincoln: Nice one!

Kaito and Zocks: Zenkaiju Gear!

They donned their Zenkaiju armor and Martha turned into Another Rich Texan.

Nico: Time for some Texas Fun! (ACTIVATES RICH TEXAN'S RIDEWATCH)

He pulled out guns and blasted her feet and made her dance.

Nico: Now for some sumo fun! HAI! (ACTIVATES GOLDEN GUTT'S RIDEWATCH)

He fired his gutt made of gold and bashed her down.

BLANG!

OUCH!

May: Watch this one. (ACTIVATES LEGO THANOS' RIDEWATCH)

She fired a beam of purple energy and blasted her down.

May: YOU'RE DETHPICABLE! (Activates Daffy Duck the Screwball's Ridewatch)

She fired waves of energy and made her like Daffy in Duck Amuck!

Maria: Time for some fun! (ACTIVATES ILIOUKHINE'S RIDEWATCH)

She fired energy and blasted her down.

Maria: Who wants eggs? (ACTIVATES CHICKEN FROM OUTER SPACE'S RIDEWATCH)

She fired waves of eggs and smashed her down.

Clyde: YEAH! Now here is this one. (ACTIVATES GOLDEN GUTT'S RIDEWATCH)

He bashed her down with a golden gutt!

Then Kalin, Superfriends Giganta, Unipastrami, Universe 666 Dark Mind Soul, Kyrosys and Meteor came.

Nico: Nice team Kalin!

Kalin: Thanks Nico!

Qin: Awesome!

Then a Centiskorch came!

Lola: Cool a Centiskorch!

Camie: Awesome!

Centiskorch: (In a girls voice) This will be one that burns.

Nico: Qin Pyra! Whoa!

Qin: AWESOME!

She reverted back and was a girl with red hair and red eyes and had orange clothes and she had a fire whip in her hands.

Qin Pyra: Awesome to see you Nico and you too Qin. I got this.

She fired a wave of fire and smashed her down and I caught the Ridewatch and purified it and brought Martha over.

Qin Pyra: That was fun!

Clyde: What's your favorite memory of Nico?

Qin Pyra: When me and Nico had an awesome time at the beach and I showed off my awesome bikini to him and he was head over heels for me and he wanted to make out with me that very second. So we did.

Me: Aww.

Lola: (LAUGHS) Funny.

Qin: Qin Pyra had a huge charm on him.

Nico: Yep.

Nico and Qin hugged.

Nico: I've really missed you.

Qin Pyra: Same here Nico. Same here.

We later left the simulator and then almost instantly TWILIGHT BURSTED INTO A MASSIVE FURY AND THEN ZOOMED OUT OF THE ESTATE AND WENT TO LYNN'S TABLE AND BASHED AND PULVERIZED AND SMASHED HIM INTO DUST AND RIPPED HIM TO SHREDS ALL TO KINGDOM-COME!

Lincoln: Whoa, we're here in Rhode Island, and I know what we're going to do here, not only am I going to rescue the thirteen girls here, but we got bad news: Asa Vajda, the evil Satanic vampiric witch from Black Sunday, has returned from the dead, and she wants revenge on us for destroying her two years ago, but this time, we're destroying her for good and this time, we're going to make sure she never ever comes back.

We gasped.

Me: Oh man, I certainly didn't expect to find out that vampiric witch and servant of Satan has come back from the dead once again.

Nico: Well, we did destroy her two years ago and send her to Oblivion, so we expected that she'd get pissed at us for this.

Dana: But, how did that vampiric witch come back?

Lincoln: I can already think of one person who could do this.

The Ghostrick Gene-Slammers: Audrey Blade.

Raven Ghostrick: Of course, leave it to that deranged vampire to bring that murderous vampire witch back from the dead. She's just making things even worse in the worst way imaginable.

Ellie Elsher: No kidding.

Suddenly, we saw a beautiful and super sexy girl with short light brown hair and dark blue hairband, dark purple eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful purple angel wings, she's dressed in a dark purple coat with a coat of arms on it, white short-sleeved shirt, necklace with pearls and purple gem for the pendant, black pants, white bridal gloves, black knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with knights, swords, magic, dragons, light, and angels on the coattails and on the back is Noble Knight Eachtar, in her right hand is The Sword of Hope, and with her are the thirteen girls.

First Light-Brown Haired Girl: I hope we're not too late, but I got the girls away from that Satanic evil witch.

Lincoln: No, you're not, Helena De Maris.

Ellie Elsher: You came in time, in fact, we're about to head after that black-hearted Satanic Vampiric Witch who should be coming after us right now!

?: I shall make you all pay for what you did to me, Team Loud Phoenix Storm! You shall all perish in the name of Satan.

We then saw our target, the Satan-worshipping vampiric witch, Asa Vajda, and she was out for blood.

Sylvester: Should've known you'd show up yet again, Asa Vajda.

Then, Lincoln drove his massive greatsword into Asa Vajda's stomach, and he began sucking out her vast dark powers, immense strength, and vampiric abilities, and he made them his own.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United

Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, for the grand finale. VAMPIRIC BLOOD LIFE ENERGY DRAIN!

Suddenly, all the gems embedded in the 7'6" massive, wide, double-edged golden blade of his Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds suddenly began glowing green, and then, Lincoln began draining Asa Vajda of all her life energy and blood, and when he was done and he removed his massive greatsword from her stomach, Asa Vajda was now a desiccated corpse drained of her vampiric powers, blood, and life energy, and as soon as her soul appeared, Lincoln fired a blast of black energy from his massive greatsword and it hit Asa Vajda and she was finally sent to The Black Gates forever. We cheered as we holstered our weapons and powered down.

Lincoln: This is the end for you, Asa Vajda, and this time, stay dead forever! (To Helena de Maris) And it's so good to see you again, Helena de Maris.

Helena de Maris: You too, Linky, it's been a long time.

Lincoln went up to Helena de Maris and he hugged her, and Helena de Maris is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Helena de Maris: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Helena de Maris, Gene-Slammer of Noble Knight Eachtar, she's my Guardian Angel from Michigan and she's a very powerful wielder of dark magic and a very powerful swordswoman and a member of The Royal Woods Knights of The Michigan Table. She trained me both in the art of swordsmanship and magic, and I became a very powerful swordsman and master of magic, and she also taught me much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those I love and hold dear to my heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Helena de Maris is also a direct descendant of Hector de Maris of Camelot, one of the skilled Knights of the Round Table, the younger half-brother of Lancelot and cousin of Bors and Lionel.

Me: I knew it.

Melanie Artorgius: Lincoln made her a dark purple coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Helena De Maris hate Lori with a very blazing passion.

Nico: What did she do to earn her wrath?

Melanie Artorgius: One day, Helena and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Lori, and she brought with her an army of thugs she hired. Helena and Lincoln went out there along with the rest of the Knights, and they'd slain them with her greatsword. It drove that bitch into a blood-crazed fury, but before she could get after us, Lincoln and Helena fired chains of dark magic which bound that bitch and tied her up. Lincoln called his family and his nice sisters to tell them what happened, and needless to say, Leni, Luna, Laney, Lucy, Lana, and Lily wanted her head on a pike! But, Lincoln wasn't surprised, Lori tried to kill him many times in the past, but in the end, her plan failed, and Lori got grounded for eighteen weeks, and to make sure that she didn't try to get revenge, Helena de Maris and Lincoln casted a spell to prevent her from coming back to hurt them because messing with the descendant of Hector de Maris of Camelot and one of the members of The Royal Woods Knights of The Michigan Table will have dire and disastrous consequences.

Nico: Okay, Dark Lori has gone from Alpha Bitch to Alpha Bitch To The Infinite Power, I can't believe she had the nerve to do something like this!

Me: We would, Lori was warned time and time again never to do this to Lincoln again, but it went from one ear out the other and she was trying yet again to kill Lincoln and his Guardian Angels again, but this time, Lori not only got in big trouble again, but she also a savage thrashing from Luna. But, Lori got so mad, she charged at Varie with a knife trying to stab her and laughing like a crazed vile demon, so I grabbed her arm and threw a mean punch and knocked her out.

I showed Nico the video of what I did to save Varie from Lori's psychotic rage, along with the shiner I left on her eye.

Nico: (WHISTLES) Oh man, that was quite a shiner, and Lori, you deserved that for what you tried to do to Varie in your psychotic rage. If any of us were involved, we'd personally haul your butt to jail for this.

Lincoln: In addition to getting hauled to prison, Lori would've been cut off from the family forever and be dumped for good by Bobby, but this was due to Chase Young's dark side along with Killjoy Huggins for doing so, so those two got what they deserved, and now that you're here, Helena.

Lincoln went up to and hugged Helena de Maris in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Helena de Maris: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Helena de Maris' neck with dark purple gems on the gold lightning bolts and dark purple crystal links from her merged

Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Helena de Maris: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Helena de Maris.

Helena de Maris had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them, then, we went up to the thirteen girls, and when Lincoln saw who they were, they immediately recognized them. The thirteen girls are Erisu Oumor, Kokoro Tooyama, Miyoshi Ishigami, Momiji Komiya, and Ringo Fujimura from Anonono and Naomi, Anna, Erika, Lisa, Kei, Sakurako Geishaflower, Sakurako Cherryblossom, and Karen from Tropical Liquor.

Lincoln: Oh wow, it's Erisu Oumor, Kokoro Tooyama, Miyoshi Ishigami, Momiji Komiya, and Ringo Fujimura from Anonono and Naomi, Anna, Erika, Lisa, Kei, Sakurako Geishaflower, Sakurako Cherryblossom, and Karen from Tropical Liquor.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Erisu Oumor: Yes, we're okay, thanks to you.

Then, when Erisu Oumor and the other twelve girls saw who it was that saved them from Asa Vajda, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and

Lincoln made twelve clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Erisu Oumor: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, thirteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Erisu Oumor, Kokoro Tooyama, Miyoshi Ishigami, Momiji Komiya, Ringo Fujimura, Naomi, Anna, Erika, Lisa, Kei, Sakurako Geishaflower, Sakurako Cherryblossom, and Karen with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team was shocked to find out the villain we went was Asa Vajda, the evil

Satanic vampiric witch from Black Sunday, has returned from the dead, and she wants revenge on us for destroying her two years ago.

But, when Lincoln showed what we did in viciously beating that undead vampiric Satan-worshipping evil witch into the ground and then, Lincoln stabbing her in the stomach with his massive greatsword and began sucking out her vast dark powers, immense strength, and vampiric abilities, and he made them his own, and then, using his Vampiric Life Drain, he drained Asa Vajda of all her life energy and blood, and when he was done and he removed his massive greatsword from her stomach, Asa Vajda was now a desiccated corpse drained of her vampiric powers, blood, and life energy, and as soon as her soul appeared, Lincoln fired a blast of black energy from his massive greatsword hitting Asa Vajda and she was finally sent to The Black Gates forever, everyone cheered and hugged us and Lincoln's harem kissed him all over, and he had steam whistling out his ears. Lincoln and Helena de Maris have a lot of catching up to do, now that she's back in town.

Maria: Oh man, I certainly wasn't expecting that witch, Asa Vajda, to return from the dead once again for revenge.

Lincoln: Same here, but Audrey Blade just had to go and mess that up for us.

Maria: That bitch is just making things worse for herself, I hope you guys stab her in the heart with a wooden stake.

Raven Ghostrick: Nah, too easy.

Ellie Elsher: Yeah, forget that, Lincoln stabbing them in the stomach with his massive greatsword and sucking out their vast dark powers, immense strength, and vampiric abilities and making them his own and using his Vampiric Life Drain to kill them is a better way.

Me: You got that right.

Nico: She's already losing her mind even more after what you guys have been doing to her minions.

Lincoln: She can regret her decision to come back for revenge in Hell for all I care, I warned them to never come back, but they ignored it, and now, they're getting what they deserve.

After finally getting rid of Asa Vajda and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Helena de Maris saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Helena de Maris: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Helena, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Helena de Maris: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Helena de Maris: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Helena, what memories did you have with Lincoln?

Helena de Maris: Oh man, I was hoping you'd ask that. Well, this one time, Lincoln and I along with the rest of The Royal Woods Knights of The Michigan Table were riding out on patrol looking for any sign of trouble and we also had the rest of his Guardian Angels with him. Suddenly, we heard a loud belch in the air, and we saw who it was coming after us: it was Lynn running on all fours like the four-legged monstrosity that she was, and she had a massive army of thugs with her and she was out to kill Lincoln again, that set us off. We rode out there and we'd slain every last one of the thugs, then, we turned our attention to Lynn, and we brutally thrashed her. Then, Lincoln chained them up with chains of light and we brought her before the rest of his family, and after we told and showed them everything, Leni, Luna, Luan, Laney, Lucy, Lana, Lisa, Lily, and Mr.

and Mrs. Loud were absolutely livid at Lynn, and Leni, Luna, Luan, Laney, Lucy, Lana, and Lisa all pounced on Lynn, and they brutally beat her into the ground.

Nico: Jeez.

Lincoln: Then, Lynn got grounded for eighteen weeks and we threw her in a metal prison container.

Ellie Elsher: Lynn roared and she pounded on the door trying to get out, but we gave her the finger through the window, and that set Lynn off again and she roared like an animal and beat her chest like a gorilla again. What a dumb ape!

Raven Ghostrick: Lynn was a glutton for punishment, no matter how many times we told her to back off, she ignored it. She was such a sore loser bitch and a wild animal, and we've asked ourselves too many times why we hadn't put her down, and we knew the reason: Lincoln still loved Lynn, despite all the childish and brutal horseshit she put him through.

We got a shower, and then, Lincoln, Yuyu Haya, Bibimi Kenranzaki, and Chikuchi Togeike are heading to Shangri-Spa.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Yuyu Haya, Bibimi Kenranzaki, and Chikuchi Togeike are dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Yuyu Haya, Bibimi Kenranzaki, and Chikuchi Togeike had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood and life energy, which made him go insane with anger, until Lincoln fired energy blasts at that mutant and more gold and jewels and treasures came out of that moron, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Yuyu Haya: Wow, so this is Shangri-Spa, it sure is beautiful.

Lincoln: It sure is, Yuyu, and it's perfect for our first date. Shall we?

Lincoln, Yuyu Haya, Bibimi Kenranzaki, and Chikuchi Togeike went to The Springs of Purification, Bliss, Sanctuary, Jungle Mist, and Rainbows, and they had quite a very relaxing time there, and the girls even gave Lincoln a full body massage which really soothed him and relaxed his muscles, and he also did the same by giving the girls a full body massage as well.

Then, they went to a workout area, and Yuyu Haya, Bibimi Kenranzaki, and Chikuchi Togeike got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Yuyu Haya, Bibimi Kenranzaki, and Chikuchi Togeike and they hugged them in their abnormally massive and powerful muscular arms, and Yuyu Haya, Bibimi Kenranzaki, and Chikuchi Togeike placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like someone really had a good time at Shangri-Spa, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love

appeared on the necks of Yuyu Haya, Bibimi Kenranzaki, and Chikuchi Togeike with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Yuyu Haya, Bibimi Kenranzaki, and Chikuchi Togeike are in your harem.

Jenna: Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that good-for-nothing hairy mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for herself.

Rarity: And trying to kill Yuyu Haya, Bibimi Kenranzaki, and Chikuchi Togeike, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and he should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that three butt-cheeked mutant cheapskate has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you fat hairy mutant cheapskate!

Nico: Even after we kicked Flip's miserable hide, that moron still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Pablo, Anderson, Billy McLean, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: Leave that to me. (YELLS AT THE TOP OF HIS LUNGS AT THE JERKS) SHUT YOUR HALF-WIT PIE HOLE, YOU JACKASS MUTANT CHEAPSKATE!

Suddenly, the Beads of Subjugation on Flip's neck and on the necks of the jerks glowed and the amplified gravity forced the jerks to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand them if they so much as get anymore dumb ideas again.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Emily Constantia, one of the members of The Ghostrick Destroyers, and she's heading here to kill The Ghostrick Guardian Angels. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and we got news, Raven: as we guessed it, Emily Constantia, one of The Ghostrick Destroyers is heading here to kill you all.

Thera Amihan: Just as we expected, but we'll be ready for her, and she'll suffer the very same punishment back in the castle of The Michigan Supernatural Defense Force after we face the bunch of Genesect.

Crash Bandicoot: That blood-sucking fanatical religious zealot's already a dead vampire walking once she shows her ugly face.

Nico: You got that right. Alright, gang, let's go, we may not have a mission for today, but we better get rid of Emily Constantia before that vampire bitch tries anything stupid to hurt the Ghostrick Gene-

Slammers again.

Lincoln: Yeah, we can't just let Emily Constantia be allowed to run free, not after what she and the rest of those Ghostrick Destroyers tried to do to my Ghostrick Guardian Angels, she must pay for this big time in the only way we know: violently.

Thera Amihan: You better be ready to die, Emily Constantia, because you deserve no such mercy from any of us for trying to kill us seven years ago, nor do you even deserve to live a single second further, you religious fanatic and zealous heretical demon.

Ellie Elsher: Thera never shows any mercy to any evil supernatural creature, especially to any bully who tries to hurt Lincoln and many of them were flattened badly by her because of how immensely strong she is, and now, Emily Constantia is going to pay for everything that she's done with her vile and miserable life.

Lincoln put up a rainbow energy field around The World Tree Estate and we headed out to the park to slay Emily Constantia of The Ghostrick Destroyers.

We arrived at the park to hunt down and destroy our target, Emily Constantia of the Ghostrick Destroyers.

Me: We've arrived at the park. Now, where is that blood-crazed human despising vampire hiding?

Lincoln: She's here somewhere, guys, I can smell the blood that's on her spilled clothes, no vampire can get away from me that easily.

?: YOU FILTHY GHOSTRICK SCUM! YOU SHALL ALL BE DESTROYED IN THE NAME OF GOD!

Thera Amihan: (Growls) I should've known there was no mistaking that voice from anywhere. Get out here right now, Emily Constantia, before things get really ugly!

A girl with black hair, red hairband, red eyes, and dressed in a black coat, white bridal gloves, white shirt, necklace with red gem pendant, black pants, and black knee-high boots with butterfly buckles came out, and it was none other than Emily Constantia, religious zealot and fanatical so-called vampire hunter of The Ghostrick Destroyers who was exposed as a murderous demon and heretic, and one of the twenty-two human-despising vampires from Transylvania.

Thera Amihan: Emily Constantia, I should've known you'd show up here! Lincoln warned you all to never to show your faces again after he kicked you all out of Royal Woods seven years ago.

Emily Constantia: We will never stop, all of you shall be destroyed in the name of God!

Me: You really are a delusional religious fanatic!

Nico: And an infinite-times fucked up one for that matter!

Lincoln: I did say they were absolutely insane and driven only by religious delusions, and for that, I blame their parents for that one. But, the jig's up, Emily, Ophelia already exposed her true self, and that's being one of the twenty-two human-despising vampires from Transylvania.

Thera Amihan: Indeed, and it's high-time we bring this delusional vampire down for good.

Suddenly, Thera Amihan's blue eyes turned neon blue and she was surrounded by a black and white energy aura with stars, darkness, light, shadows, snow, ice, yetis, and angels, she unholstered her massive Ghostrick Yeti's Dark Winter Darkness Archangel Greatsword of Dark Winter Darkness Yeti Angel Justice from her back, and as she approached Emily Constantia, she left black and white energy, stars, darkness, light, shadows, snow, ice, yetis, and angels with every step.

Thera Amihan: I can already see that time hasn't changed you, you're still the same religious fanatic and zealous so-called vampire hunter who was exposed as a murderous demon and heretic seven years ago along with being one of the twenty-two human-despising vampires from Transylvania. We thought we wouldn't have to deal with you ever again after Lincoln chased you all out of Royal Woods, but as always, you refused to learn your lesson, and you had the nerve to come back after you were explicitly warned. You now have nowhere to run to, Emily Constantia, and now, you shall pay the price for your misdeeds with your own blood.

Suddenly, Thera Amihan was surrounded by a massive vortex of black and white energy with stars, light, darkness, snow, ice, and shadows surrounding the vortex, there are yetis, angels, and Ghostrick Yeti flying around the vortex, and in the vortex is a red phoenix with blood red eyes glaring at Emily Constantia: the red eyes of eternal death. Then, as the vortex faded, Thera Amihan emerged, but she was changed forever.

We were amazed by Thera Amihan's Super Angel-Ghostrick Yeti-Yeti-Harmony Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Emily

Constantia saw it, she fell into an even more darker and more insane rage and ran at Thera Amihan with a knife to stab her in the heart to kill her, but Thera Amihan fired a powerful barrage of black and white energy blasts, stars, darkness, light, snow, ice, yetis, and angels at the insane vampire hunter and they exploded with incredible power as they hit her, and this really pissed them off.

Nico: Whoa, now that's really haunting, Thera Amihan's transformed, that vampire is so done for.

Lincoln: No villain's ever been safe from the Yeti Angel of Michigan, like Ellie said, she's smashed so many bullies and villains to the ground with her incredible yeti strength and sent them flying right into a dumpster.

Ellie Elsher: For those beyond redemption and have no place in this world, the only thing awaiting them is usually death from her Yeti's Winter Storm Fury, now death's coming for that bitch.

Thera Amihan: (Divine Godly Cosmic Voice of The Dark Winter Darkness Light Ghostrick Yeti Yeti Angel and Divine Dark Winter Darkness Light Ghostrick Yeti Angel Love) Indeed it has. Now, let's rip her to shreds, Linky.

Crash Bandicoot: Don't start without me, guys.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Thera Amihan and Crash Bandicoot.

Thera Amihan, Lincoln, and Crash Bandicoot went after Emily Constantia, and they fired extremely powerful blasts of rainbow energy, black and white energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Emily Constantia and they exploded with incredible power as they hit her.

Then, they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and firing energy slashes from his claws and he, Thera Amihan, and Crash Bandicoot also attacked her with punches, kicks, and karate chops, along with elemental blasts, and this was really driving Emily Constantia mad.

Emily Constantia: You… YOU! (Red Eyes turning Blood Red with slit pupils and vampire fangs grew) I WILL KILL YOU!

Emily Constantia's vampiric nature came out, and now, she was out for blood. Emily Constantia ran at Lincoln, Thera Amihan, and Crash Bandicoot, and she tried to attack them, but they dodge her attacks, and then, Lincoln drove his massive greatsword into Emily Constantia's stomach, and he began sucking out her vast dark powers, immense strength, and vampiric abilities, and he made them his own.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, for the grand finale. VAMPIRIC BLOOD LIFE ENERGY DRAIN!

Suddenly, all the gems embedded in the 7'6" massive, wide, double-edged golden blade of his Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds suddenly began glowing green, and then, Lincoln began draining Emily Constantia of all her life energy and blood, and when he was done and he removed his massive greatsword from her stomach, Emily Constantia was now a desiccated corpse drained of her vampiric powers, blood, and life energy, and as soon as her soul appeared, Lincoln fired a blast of energy from his massive greatsword and had her imprisoned inside an energy card. We cheered wildly for what Thera Amihan, Lincoln, and Crash Bandicoot did as they holstered their weapons and powered down, and Thera Amihan's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long white wolf tails, and massive purple angel wings are permanent.

Thera Amihan: That's one down and two of those monsters to go, and we're now pissing them off greatly. Thank you for helping us get rid of that religious fanatic and zealous heretical vampire, Linky, you too, Crash.

Lincoln: (Smiles Warmly) You're welcome, Thera.

Crash Bandicoot: She did need to pay for what she did, and I'm always happy to help.

Crash Bandicoot went back to us, and suddenly, Thera Amihan wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Thera Amihan's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Ghostrick Yeti flying in the air, and we saw a herd of Buffalo and many animals running across the field and snow falling and elemental forces behind them and we cheered wildly. Then, Lincoln and Thera Amihan absorbed the elemental forces and they came back to us as the display vanished.

Nico: Whoa, oh man, now that's what I call a fight of ice against darkness, Lincoln, Thera, Crash, you showed that showed that vampire no mercy whatsoever, and sent her to her death.

Lincoln: She didn't deserve any mercy, I warned them never to show their faces again, but those fools never learn.

Me: And you used your Vampiric Life Drain on her, awesome!

Lincoln sent the soul of Emily Constantia in a cage and he put the curse on her that gave her back her life energy, but once that happened, suction tubes came out and were attached onto her, and then, the suction tubes activated, and Emily Constantia's life energy was being sucked out of her again: she was condemned to that punishment until all of The Ghostrick Destroyers are killed, and it flowed into Lincoln and The Michigan Supernatural Defense Force as they gained a massive power boost.

Nico: (Snickers) That Room of Tortured Souls is definitely a top-notch prison for some of Michigan's most dangerous thugs and criminals.

Lincoln: And the curse I put on them has continued to work for seven years, that way, they can suffer for all eternity of regaining their life energy only to have it drained out of them again and flowing into us. But, if any of them get a little out of hand, I put in a counter curse, should any of them get a little out of hand or try to escape, the counter curse will activate and the life energy they regain from the curse will not only be drained out of them forever, but they'll be sent to The Black Gates forever with help from our stone gargoyles and stone vampire bats perched outside the castle.

Ravenna Amaranth: And Lincoln also put up a new curse: once all the members of The Ghostrick Destroyers are destroyed and sent to The Prison of Tortured Souls and all their life energy has been drained, they will be sent to The Black Gates forever.

Me: Cool!

Nico: So, you'll keep them imprisoned inside the castle's prison until that day comes, nice one. So, Lincoln, which Noble Knight Gene-Slammer are you meeting tomorrow?

Lincoln: Ooh, I've got just the one: we'll be meeting the Gene-Slammer of Noble Knight Bedwyr.

Melanie Artorgius: (Gasps) Awesome, and there's only one who'd be Gene-Slammed into Noble Knight Bedwyr, Belle Bedivere, and you guys will love meeting her, Belle Bedivere is Lincoln's Guardian Angels from Michigan and she's a very powerful wielder of light magic and a very powerful swordswoman and a member of The Royal Woods Knights of The Michigan Table. She trained Lincoln both in the art of swordsmanship and magic, and he became a very powerful swordsman and master of magic, and she also taught him much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those he loves and holds dear to his heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Belle Bedivere is also a direct descendant of Bedivere of Camelot.

We gasped.

Me: Bedivere, one of the skilled Knights of the Round Table, and who notably assumes Griflet's hitherto traditional role from French romances as the one who eventually returns Excalibur to the Lady of the Lake after Arthur's last battle.

Katara Chevalierflamboyant: (French Accent) That's right, plus, Lincoln made her a dark red coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Belle Bedivere hate Lola with a very blazing passion. One day, Belle and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Lola, and she brought with her an army of thugs she hired. Belle and Lincoln went out there along with the rest of us, and they'd slain them with her greatsword. It drove that little monster into a blood-crazed fury, but before she could get after us, Lincoln and Belle fired chains of light magic which bound that bitch and tied her up.

Nico: Did he call his family and his nice sisters for this?

Lincoln: Yep, and needless to say, Leni, Luna, Laney, Lucy, Lana, and Lily wanted her head on a pike!

Me: Should've known she would do something like this.

Lincoln: I know, but I wasn't surprised, Lola tried to kill me many times in the past, but in the end, their plan failed, and Lola got grounded for eighteen weeks, and to make sure that she didn't try to get revenge on us, Belle Bedivere and I casted a spell to prevent them from coming back to hurt us.

Me: Yeah, messing with the descendant of Bedivere of Camelot and one of the members of The Royal Woods Knights of The Michigan Table will have dire and disastrous consequences.

Nico: That little monster really hated that her greatest "plan" was foiled once again, and she got into even more serious trouble.

Lincoln: She seriously didn't even know when to quit, and to make it worse, her plan also earned her the vengeance of my nice sisters. And now, for Julia Carolina's mission tomorrow, we're going to face off against the second-in-command of The Ghostrick Destroyers, Abigail Callidora.

Miyuki Shirayuki: (Japanese Accent) Yes, which means you and I will be facing her, Linky. And then, it won't be long before you and Raven Ghostrick face off against Audrey Blade.

Lincoln: Yeah, and we'll make her pay for everything that she and her group has tried to do in killing The Ghostrick Guardian Angels and trying to destroy humanity.

---

Later we were watching TV.

Poromon: Nothing out of the ordinary so far.

Me: Yep.

But then…

LOUD FART!

Me: Uch! NICO!

Nico: It wasn't me!

LOUD FART!

Lincoln pointed to Lori.

Lori: I DID NOT FART! IT WAS MY SHOE!

Poliwag: You sure?

Lori: Yeah! See?

She tried to get the shoes to squeak but nothing happened.

Lori: Now it's not doing it.

LOUD FART!

Me: UCH! LORI!

Lori: IT WAS MY SHOE!

Lincoln: Lori that was you.

Camie: Has Lori always been like that?

Me: Don't fucking ask. For the last 7 years since I've known Lori she has had a really nasty flatulence problem and has always been in denial about it and was always blaming it on everything including her shoes.

Nico patted Lori's tummy.

LOUD SUPER FART!

Lori: Nico!

Me: Wait. Lori did you eat some bean chips when we weren't looking?

Lincoln: Lori we told you not to eat bean chips anymore! You know how you get with them.

Me: Yeah!

Camie: Does Lori get like that because of them?

Me: Yeah she loves eating bean chips but they give her really nasty gas and cause her temper problems. I've known about this for over 7 years and Lincoln's Guardian Angels can vouch for it too.

Anna Anyanova: It's true. We saw Lori eat them by the truckload and she gets really temperamental with them.

Lola: Yeah and her farts are so rank that not even a skunk would come near her! (To Pepe Le Pew) No offense Pepe.

Pepe Le Pew: (French Accent) None taken Lola mon cheri.

Nico still patted Lori's tummy.

Lori: Actually Nico that literally feels good.

Nico: Good. Bobby want to come help Lori out with me?

Bobby: Sure Amigo.

Nico and Bobby laid her on the sofa and they were patting her tummy.

LOUD FARTS!

Farts came out by the dozens.

Lori: (LAUGHS) That tickles!

Nico: Sorry. But it helps.

I opened a window.

Nico then started patting Lori's tummy hard.

Lori: Ow not so hard Nico.

Nico: Oh sorry.

Nico resumed patting but then there was a rumble.

Me: UH OH!

Eli: THERE'S A BIG ONE COMING!

Nico: DUCK AND COVER PEOPLE!

We ducked and covered and then…

SUPER LOUD EXPLOSIVE FART!

SHE RELEASED A MASSIVELY LOUD FART THAT WAS HEARD ALL OVER THE GALAXY!

We were shocked and Lori blushed in embarrassment.

Nico: Lori.

Me: Whoa that was a big one.

Eli: Wow.

Me: Are you okay Lori?

Lori: I think so.

Dexter: My goodness I haven't heard a release of flatulence that loud since the time I consumed that huge burrito.

Me: Me neither.

Nico continued patting her tummy.

Me: You didn't eat a huge burrito like that did you?

Lori: No I didn't. I had those bean chips like you said.

LOUD FARTS!

Me: Good thing the windows are opened.

Lincoln: I remember this one time Lori's farts got so bad we had to call in the HAZMAT division and we ended up staying at Aunt Ruth's house for 10 days for our house to be fumigated.

Nico: GEEZ!

Poromon: When was this?

Lincoln: It was about a month before J.D. moved to Michigan.

Laney: Yeah that was bad.

Anna Anyanova: I remember that all too well. Lori tried to say it was her shoe but Lori got grounded for it for that duration.

Lola: Yeah.

Laney: Then Lori farted again but it was really Lincoln.

Lincoln: Yeah sorry about that.

Laney: No worries bro.

Pumbaa: Boy and I thought my farts smell bad. (FARTS) Oops. Sorry.

Lana: No worries Pumbaa.

Nico: Boy we're all full of gas bags aren't we?

WE LAUGHED!

Lori: (LAUGHS) That is true.

Poromon hopped on her tummy

BOING BOING BOING BOING!

Lori: (LAUGHS) That is literally cute and funny.

Poromon: Thanks Lori.

The mascots all jumped on her.

BOINB BOING BOING BOING BOING BOING!

Lori: (LAUGHS)

Even the new mascots from yesterday hopped on her tummy.

Except for Genesect and the Pokemon that were too big.

Lori was laughing that the cute mascots were jumping.

Me: Lucille did Lori's ancestral version of her have the same issues back in the 17th century?

Lucille Loud: (Scottish Accent) Aye that she did. Every time she would release a fart it would smell worse than rotten haggis now.

Me: That is crazy. So it's hereditary.

Nico: Yeah.

Lucille Loud: Aye it is.

Poliwag: Whee!

Lori was laughing.

Me: That is funny.

?: Boy it sure is.

Then we saw 2 Toxtricity! One in Low Key and the other in Amped Form.

Qin: Cool!

Me: 2 Toxtricity!

Toxtricity (Amped): (In a girls voice) The Mascots are cute doing that.

Toxtricity (Low Key): (In a girls voice) They sure are.

Nico: Allison and Flores Valliance!

They reverted back and they were 2 girls. Both wearing pitch black goth clothes and 1 had neon blue hair and yellow eyes and the other had golden yellow hair with blue eyes.

Allison Valliance: Gnarly to see you again Nico!

Flores Valliance: Same to you bro!

Me: Awesome outfits girls.

Allison Valliance: Thanks. We're known as the Twins of Black Lightning.

Me: Cool!

Flores Valliance: Yeah we have black lightning powers. Watch.

They both fired streams of black lightning and it hit a flower pot and shattered it into a million pieces.

Me: WHOA! That was powerful!

Xenia: I'll say!

Lori: What's your favorite memory of Nico?

Allison Valliance: Mine is where we saw a fight with a bunch of bullies beating up a bunch of nerds and we electrocuted them and got them all expelled and sent to prison.

Flores Valliance: Mine is where the bullies abusive parents came after us and we sent them to prison too. It was 40 parents that were abusive.

Me: GEEZ! That explains what that huge arrest was that I saw all those years ago was.

Nicole: Boy no kidding there. That was amazing.

Me: Yep.

Nico: Yeah.

The 2 girls hugged Nico.

Nico: I missed you girls.

Allison Valliance: Same here Nico.

Flores Valliance: Yeah.

Then Sheila and Tom came in.

Me: Oh Sheila, Tom. What brings you here?

Sheila: We actually need the help of the mascots for this one.

Tom Lair: But first, Nico, what Gene Slammers do you think you'll meet next?

Me: Oh right the Mandatory Question.

Nico: Yep. Grapploct, Polteageist and Hatterene next. Lola will not like the Polteageist one because she is in to tea parties and all that.

Lola: You're right on that.

Stewie: Guys, have I ever told you about how me and Brian infiltrated a sex slave operation?

Me: Did you really guys?

Brian: We sure did.

Me: What happened?

They told us everything.

---

Meg's friend Ruth invites her to come study for a semester in Paris. Although a little reluctant at first due to the cost, Meg wins over her parents after she tells them she can afford it with money she saved. Upon arrival in Paris, they agree to share a ride with a stranger who phones in their location to his cohorts when they arrive. As they settle in and Meg calls her dad at home, she observes men breaking in and kidnapping Ruth. Meg tries to hide but is also caught. Peter speaks briefly with the kidnappers before they cut him off. When the FBI arrive, they give Lois the bad news that if Meg isn't found within ninety-six hours she might vanish forever but they are unable to act before that time is up. Brian overhears and pitches to Stewie that they should act themselves.

On their way to Paris, Stewie reveals he has a tape he made of the kidnapper's short conversation with Peter. Arriving at Ruth's aunt's house, they decide to use Google Earth to trace Meg and find a satellite image of their stranger rider with them. They return to the airport and spot their stranger. Confronting him with a picture of him with Meg and Ruth, he bolts but is hit and killed by a bus. Brian and Stewie check his wallet and discover an address. Disguising themselves as salesmen, they use voice recognition software to compare the recording with Peter and discover their man. After killing his companions and fighting him, Stewie gets him to reveal he keeps the girls upstairs. They rush up to discover rooms full of girls handcuffed to beds, but when they spot one wearing Meg's hat, she reveals that she was taken away to a sex slave auction.

Arriving at the auction, they slip inside with Stewie disguised as one of the victims but as they try to hide, Stewie is caught and entered into the auction. Stewie puts on a show, forcing Brian to buy him, but they are both discovered to be frauds when confronted to pay. Just as they are about to be taken away, they spot Meg in the auction. As Brian and Stewie are chained in a basement, Brian manages to break loose and strike his captor with the pipes they are chained to while Stewie finishes him off. As they exit, they spot Meg being rushed away and try to intercept but the kidnappers evade them and rush Meg onto a yacht. Knocking out a henchman and stealing his car, they use the car chase GPS to follow until they manage to leap aboard from a bridge. Stewie arms Brian with a gun and silencer and he takes out several of the bad guys, as well as a passing waiter of another boat until he runs out of bullets but before he can be shot, the passing boat returns and picks off his would-be executor. Meg finds herself delivered to a rich, fat Arab and puts up a show of defiance, but he reveals he bought her to be his handsome son's wife. He makes a heartfelt proposal, offering to send her home if she wishes but proposes marriage which Meg gladly accepts. But as they start to kiss, Stewie picks off the suitor with his own silencer-equipped gun. Stewie blanks out Meg's memory of his involvement, leaving her to only remember her dead suitor while Lois reveals that Ruth had her tongue ripped out.

---

When it was done we were amazed and shocked!

Qin: Whoa! That is amazing!

Lola: Yeah!

Me: Wait that was you guys!? I was trying to bust that operation for years. You saved me a lot of trouble bringing them down.

Brian: Yeah that was awesome.

Stewie: Although some of the guys might have gotten away.

Me: Yeah I did find most of them dead and no idea who caused it all and I rescued most of the people held captive there. I found one girl with her tongue ripped out.

Laney: Yuck.

Me: Yeah. But INTERPOL now has put out bounties on all those that are still at large.

Tom Lair: It's funny you brought that up.

Me: Is it really?

Tom Lair: Yeah. Because we have reason to believe that these are the same guys that are part of that operation and did this before.

Me: Wow.

Lola: That is crazy.

Qin: And you need the Mascots to go undercover and bring them down for good.

Tom Lair: That's right.

Stewie: I hope you guys are careful!

Poliwag: We will be.

Me: Where were they last seen?

Sheila: Gotham Royal York Baby Powder Factory.

Me: That place has been abandoned for years. Must be a perfect hideout.

Poromon: We're on our way.

Horsea: Wish us luck!

Me: We'll be ready just in case.

They were off.

Nico: There goes the bravest mascots ever.

Me: Yep.

The mascots were ready for this.

Horsea: I'm glad that we're getting to slowly meet other fellow mascots.

Poromon: Me too.

Sheila: That is so cool that you're starting to do so.

Tom Lair: Same here guys.

Horsea: It's so fun.

Sheila: It sure is

They arrived at the station and in the office of Tom Lair it was for a briefing on the operation.

Tom Lair: Now, we need to track down one of the people operating the sex slave operation and make him tell us what he knows.

Poromon: Do we have any leads on one of them?

Sheila: Yes he is in this hotel room.

She pulled out a room key for it and it was at the Gotham Royal York Comfjordable Inn.

Sheila: Very awesome 5 Diamond Hotel. Wally Walrus owns it. He's in room 582.

Poromon: Okay.

Poliwag: We're on it. We'll use our cuteness to get him to talk.

Manaphy: We also have to free the girls being used as sex slaves!

Sheila: Exactly. If there are any, have Varie bring the medical transport for them.

Tentacool: You got it.

Sheila: Be careful guys.

Poromon: Will do. We'll head out right away.

They did so.

At the Gotham Royal York Comfjordable Inn the mascots got to room 582. It was a penthouse suite.

Poromon: Nice place.

Poromon pecked on the door.

Poromon: Pizza delivery.

No one answered.

Manaphy: No one's there. We'll have to go in.

Horsea: Okay.

Manaphy used the master key and they went in and it was a really nice room and place.

Manaphy: Nice room. He sure has good tastes.

Horsea: No kidding.

Poliwag: We have to make sure we're not spotted.

Poromon: We're in luck though. Wally said that the man in the room won't be back for 3 more hours.

They got to searching.

Manaphy: Newspaper articles about missing girls.

Poromon: Wow. Probably being kept as trophies.

They went into another room and found LOADS AND LOADS of stacks of cash and gold.

Manaphy: Look at all the money.

Horsea: No way all that is used to by stuff.

Tentacool then found another bedroom and it was locked.

Tentacool: It's locked.

Manaphy: Anyone got a key?

Poromon used his beak and pecked the door open.

Manaphy: Awesome.

They went in and found 5 girls in their underwear and they were handcuffed to the bed and looked like they hadn't eaten in days!

Poromon: Oh my god!

Girl 1: (Weak) Help us.

Girl 2: (Weak) We've been here for days.

Manaphy: Hold on girls.

They freed them.

Horsea: I'll radio for Varie.

Horsea did so and they freed the girls.

Jirachi: I bet Nicole won't be happy about this!

Nicole: No I sure won't.

She came in with Varie.

Nicole: Boy these girls are close to death.

Varie and the Medical unit came and they took the girls to the infirmary.

Manaphy: Nicole I found this.

She pulled out an ID she found and it was a drivers license of the man that did it. He had black hair and blue eyes and a black shirt.

Nicole: Terrance Salazar. I've heard of this guy. He's wanted in 16 countries for sex trafficking and selling girls on the black market as sex slaves.

Girl 1: (Weak) That's the man that kidnapped us. We were here on vacation and he took us and held us here for 3 days.

Nicole: Oh man.

Poromon: With any luck, he's probably doing the same process to sell sex slaves.

Nicole: It says here that he has a really nasty criminal history. He is wanted in 16 countries for doing this.

Me: I'll have the satellites find places for his operations.

I got to work and found out that he had 5 hideouts. They were in the abandoned dog food factories and I relayed the locations to the police and they went there to search them.

Poliwag: You think he remembers Stewie and Brian?

Nicole: No doubt he probably does.

Manaphy: Now we have enough info and evidence to bring him down.

Nicole: Yep.

Poliwag then heard something.

Poliwag: The guy's come back!

Nicole: Lets vamoose!

They used Instant Transmission and got out of there fast.

The man came back and went into the room and saw that the girls were gone!

Terrance Salazar: NO! NOOOOOO! I WILL KILL WHOEVER DID THIS AND I WILL FUCKING ENJOY IT!

Brian: Now, whatever you guys do, don't be fooled by the music going on when the bidding starts!

Stewie: Come on. Admit it! California Girls by Katy Perry is an awesome song!

Poromon: It is. But we will not fall for it.

Manaphy: We may be cute but we are not that gullible.

Brian: Good.

They were off.

They later arrived at the pier and saw the warehouse and went in and hid. In it was a bunch of guys looking at a bunch of girls in skimpy clothes and more and bidding on them.

California Girls by Katy Perry was playing.

Uh oh.

Manaphy: There's the song.

Poromon: It may be catchy but we're not going to fall for it.

The mascots shook their heads for no.

They showed us on the video camera what was going on and it was sick.

Me: That is really sick.

Eli: No kidding.

Nico: I think we've seen enough guys. Lets get them.

Poromon: Let's take some of their guns to use for ourselves.

Manaphy: Good idea.

Poliwag: Time for this party to be crashed.

Poromon: You got it.

Just as the bidding was going on…

Poromon: (Echoing) LIGHTNING JAVELIN!

A massive blast of lightning hit the thugs and electrocuted them until they were paralyzed.

Thug: WE'RE UNDER ATTACK!

But then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted through the roof of the warehouse and a phoenix cry was heard and then we blasted in!

Me: Okay you dirtclods! You're under arrest!

Terrance Salazar: Team Loud Phoenix Storm! KILL THEM!

We blasted them all over and Nicole blasted them in their crotches.

Terrance saw Stewie and Brian!

Stewie: Sup, buddy?

Terrance Salazar: YOU! YOU WILL PAY FOR THIS!

He pulled out a gun and I then slashed his hand off!

HE SCREAMED IN PAIN!

He then clutched the stub of his hand.

I then kicked him in the face and we blasted the thugs all over and freed the girls.

We had all the thugs and men being loaded into vans.

Nicole: Have a nice life in the stony lonesome you fuckers.

Terrance Salazar: I WILL GET MY REVENGE! NO PRISON IS STRONG ENOUGH TO HOLD ME!

Stewie: Oh, you can have fun in the local jail here… while we determine which of our prisons we send you to!

Me: And you're going to Butcher Bay.

Terrance Salazar: NO!

They were taken away.

Riddick: Butcher Bay. He is not going to like that one.

Qin: No he isn't.

Lola: Yep.

Sheila: Nice job guys!

Poromon: Thanks! That was so fun!

Xenia: It sure was!

Nico: We're very proud of you guys!

Tom Lair: We sure are. And these guys are probably going to give us all more dirt on more operations around the world.

Nico: Yep.

Manaphy: Aww it was nothing.

Lola: But it was still fun though for you guys.

Lori: It literally was great.

Lynn: I'll say.

Nico: How about we head to Lynn's Table to celebrate before Julie's big mission tomorrow?

We cheered!

Meg: Also, the girl who got her tongue ripped out was my friend Ruth.

Me: I remember that.

Nico: Ouch. Lets go guys.

We went to Lynn's Table for some grub.

Terrance Salazar was found guilty of his crimes and he was sentenced to Eternity in Butcher Bay. He was sent to the Triple Max section of the prison. No way he will be getting out anytime soon.

All his thugs sang like birds and the FBI, CIA, INTERPOL, Scotland Yard and all the law enforcement agencies sprang into action and got all the sex slave operations stopped and arrested and all the girls were saved.

Meanwhile on Ringworld, Sarge, Church, Carolina and team were getting ready for our arrival to help them destroy Chrovos once and for all.

Carolina: I'm ready to destroy Chrovos forever.

Sarge: Same here and it will be good.

Church: You got that right.

Sarge: And Julie will be awesome for this. Lets move out!

They got ready and went to the screen and it froze.

TO BE CONTINUED!

For Lincoln's rescue tomorrow, Lincoln and his group are heading to McWolf's Castle in Austria, but we also got some really bad news: earlier today, McWolf had gotten news from Vypra that Audrey Blade, leader of The Ghostrick Destroyers, had brought back Mileena, the half Tarkatan-half Edenian clone made by Shang Tsung, and even worse, she'd made an alliance with the rogue Edenians, Rain and Tanya, along with more remnants of Shao Khan's army: D'Vorah, Skarlet, Reiko, Sektor, Motaro, Kollector, along with the fallen Elder God, Shinnok, and the Titan of Time, Kronika, in an attempt to still get revenge on us for what we'd been doing to her fellow Ghostrick Destroyers, but too bad for her, McWolf caught onto her scheme, and although he captured the rogue Edenians, Rain and Tanya, along with D'Vorah, Skarlet, Reiko, Sektor, Motaro, Kollector, the fallen Elder God, Shinnok, and the Titan of Time, Kronika, Mileena escaped to Outworld, but we'll deal with her later in time. But, those ten villains, for their crimes against Earth and Outworld along with the many lives lost because of these individuals, no mercy will ever be shown to to any of them, the only thing awaiting them is death and that's exactly what we're going to give them. And we're going to meet the next Noble Knight Gene-Slammer, her name is Belle Bedivere, Gene-Slammer of Noble Knight Bedwyr, she's Lincoln's Guardian Angels from Michigan and she's a very powerful wielder of light magic and a very powerful swordswoman and a member of The Royal Woods Knights of The Michigan Table. She trained Lincoln both in the art of swordsmanship and magic, and he became a very powerful swordsman and master of magic, and she also taught him much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those he loves and holds dear to his heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Belle Bedivere is also a direct descendant of Bedivere of Camelot, one of the skilled Knights of the Round Table, and who notably assumes Griflet's hitherto traditional role from French romances as the one who eventually returns Excalibur to the Lady of the Lake after Arthur's last battle. Lincoln made her a dark red coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Belle Bedivere hate Lola with a very blazing passion. One day, Belle and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Lola, and she brought with her an army of thugs she hired. Belle and Lincoln went out there along with the rest of us, and they'd slain them with her greatsword. It drove that little monster into a blood-crazed fury, but before she could get after us, Lincoln and Belle fired chains of light magic which bound that bitch and tied her up. Lincoln called his family and his nice sisters and told them what happened, and needless to say, Leni, Luna, Laney, Lucy, Lana, and Lily wanted her head on a pike! But Lincoln wasn't surprised, Lola tried to kill him many times in the past, but in the end, their plan failed, and Lola got grounded for eighteen weeks, and to make sure that she didn't try to get revenge, Belle Bedivere and Lincoln casted a spell to prevent her from coming back to hurt them because messing with the descendant of Bedivere of Camelot and one of the members of The Royal Woods Knights of The Michigan Table will have dire and disastrous consequences.

Me: I hope this food planet is going to be just as fun and awesome as the others.

Xenia: Me too.

Qin: This will be so fun and awesome.

Xenia: It sure will.

Lola: Yep.

Morpheus: We're really excited for this.

Zuria: Going to all these food planets is so fun.

Camie: It sure is.

Nico: Morpheus, I want to thank you, Kalin, and your teams for coming.

Morpheus: It's our pleasure Nico.

Kalin: This will be so fun and awesome.

Lola: Yep.

Varie: I agree.

Giganta: I'm excited for this one.

Nico: Giganta, whenever you grow, do you tend to bust open the roofs of buildings?

Giganta: Yeah it's a nasty habit. I couldn't help it.

Me: Well your growth powers are awesome.

Leeli: They sure are.

Fiona Hernandez: I think they are too.

Me: Ginormica had the same problem herself when she got her powers too.

Lola: Yeah she sure did.

Giganta: Boy she and I both have so much in common.

Nico: Yeah.

Camie: I agree there too.

Nico: That really isn't healthy for the buildings.

Giganta: I know. But now when I grow I go outside and grow.

Me: Good.

Lola: That's a relief.

Maria: It sure is.

Nicole Hernandez: It sure is.

Fiona Hernandez: I'm sure Mount Lady felt the same way.

Camie: Me too.

Nico: Yeah. Boy the Mascots did amazingly well in that case!

Nicole: Boy they sure did!

Nico: I was worried that they would get caught.

Qin: Me too. But they came through and brought all those jerks to justice.

Nicole: Boy they sure did and we sent them to the stony lonesome.

We laughed!

Lola: Yeah we sure did! We sent that jerk to Butcher Bay.

Lana: Hope he likes it there.

Nico: Yeah.

Varie: What a jerk.

Nicole: But this gives me an idea. We'll have some of the worst sex traffickers go there and build a separate prison there for them. A Quadruple Max prison for the worst Sex-Traffickers.

Nico: Good thinking Nicole.

Eli: I agree.

Me: Yeah.

Nicole: Surprisingly it's also the same guy that Stewie shot and slipped away.

Eli: Yeah no kidding.

Varie: But at least all the girls are safe and we found many of them.

Nico: And they had the nerve to use a Katy Perry song?!

Zuria: I know and I love Katy Perry!

Xenia: YEAH! But at least the Mascots didn't dance to it.

Lola: Yeah. Thank goodness. But at least they stopped the operation.

Me: And a massive and huge manhunt is underway for all those operations.

Lola: Yeah no kidding.

Varie: Soon the Black Market will be gone.

Lana: Yeah.

Nicole: But all in all it was a good day for the mascots.

Nico: Imagine if they got sold as sex slaves.

May: I would kill any animal trying to do that to Manaphy!

Maria: Same here for Horsea!

Qin: I would feel the same way for ANY of our mascots!

Eddy: Lumpy would feel the same way if that happened to Leni

Leni: He sure would. And so would you Eddy for Luan.

Eddy: You're right on that Leni.

Nico: I would tear the entire planet apart to find May if that happened.

Me: Me too if it happened to any of my future wives!

Lola: Oh boy.

Me: Sorry. It's true. I would feel the same way.

Nico: Shows how big our hearts are for many people.

Me: Yep.

Maria: We're here.

We saw that it was a brown planet and it looked like a mountain planet.

Me: Looks like a mountain planet from up here.

Xenia: It sure does.

Nico: Let's see what it is.

We went down to the planet and we landed and we were shocked! We saw that it was a chocolate candy bar planet! It had Hersheys chocolate bars, crunch bars, Cookies and Cream, 100 Grand Bars, Butterfinger, Milky Way, 3 Musketeers, Twix, Reeses Peanut Butter Cups, Snickers, and so much more!

Me: WHOA! A Chocolate Candy Bar planet!

Laney: And all my favorites too!

Zuria: Boy these are awesome.

Nico looked like he was about to go crazy!

Nico: IT'S A CHOCOLATE BAR PLANET!

Laney: And all wrapped in wrappers too!

Me: Oh boy!

I got to eating a butterfinger bar.

Me: (Eating) Crispity and chocolatey.

Lana: Boy I haven't had 100 Grand bars in forever.

She ate one and it was chocolatey and crunchy and full of caramel.

Lola: (eating a Crunch Bar) Mmm!

Nico: Must eat!

Nico got to eating a Tree of Cookies and Cream bars!

Me: Boy 3 Musketeers Bars!

I ate one.

Me: Mmm! (Eating) Boy I haven't had these in forever.

Camie: Cool Kit-Kats!

Camie opened one and it was a good chocolatey crunch.

Laney: Wow! Reeses Peanut Butter Cups.

She opened one and ate one and it was awesome.

Laney: MMM! Awesome!

Me: Oh my god! The Worlds Hottest Chocolate Bar too!?

Nico: You're shitting me!

Me: No I'm not. I saw it on the internet and this little bar packs 9 million Scoville units.

THEY GASPED!

Tsuyu: That little chocolate bar is that hot!?

Sirius: That is brutal!

Nico: Go try it.

Me: Here goes.

I went and ate one and then…

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

I had a massive and powerful fiery aura around me and then I fired a blast of fire out of my mouth and it hit Nico and burned him all over.

Nico: Ow.

Nico healed up.

Me: Sorry Nico.

Nico: No worries. Accelerated Healing.

Maria ate some.

She had a Worlds Hottest Chocolate Bar and then she turned into her water form and bubbled and was boiling inside and she screamed and then covered her mouth and then a ball of water came out and floated over to Nico and then it popped into steam and screamed in his face!

Maria was coughing up steam.

Me: GEEZ! Maria are you okay?

Maria: (COUGHING) Yeah. Now I know how Wade Ripple feels.

We laughed!

Lola: (LAUGHS) That is so funny!

Lana: Yeah!

May ate some too.

She had a Butterfinger Bar.

May: (EATING) MMM! Crispity and chocolatey and delicious.

Nico: It sure is.

Camie: Boy all this candy is amazing. Lets bring some home to the mascots and for everyone.

Lola: Good idea.

Nico: I agree there.

We gathered dumptrucks full of candy bars not just for everyone but for the Kids Next Door, the Mascots and more.

Xenia: Awesome!

Nico ate a few more.

He then stopped after that.

Nico: Boy that was awesome.

Lola: It sure was!

Nico: This is one of my favorite planets.

Xenia: Mine too.

Qin: Yep.

Me: Now onto business. I found out from Mr. Lynn that the conniving queen bee bitch that Sam, Clover and Alex hate MANDY has escaped from the restaurant and is out for revenge.

WE GASPED!

Maria: Are you kidding me?!

Me: I assure you I am not kidding.

Nico: Oh man!

Qin: Yeah!

Lincoln: I can't believe that conniving queen bee bitch, Mandy, escaped from Lynn's Table! Now, she's really pushing her luck and our patience big time, but, this is going to be so awesome, not only are we going to beat that conniving monster into oblivion, but I sense it, Rarity, just like Twilight and Applejack, you're going to transform into your most powerful and ultimate transformation, just like when J.D. and I ascended.

Rarity: That's right, Linky.

Sam, Clover, and Alex arrived.

Sam Simpson: I can't believe that conniving little monster escaped from her post at Lynn's Table!

Clover: If I see that monster again, I'm going to beat her into a coma!

Alex: Save some for me too, I'm not letting Mandy get out of this alive!

Nico: The more the merrier.

Me: Yeah, we'll make sure that bitch gets the beating of a lifetime.

Lincoln: Right. (Senses for Mandy) Aha, I caught her. The bitch is only 200 clicks north of our location and she's really pissed off at us. And she's also got armed thugs looking for us, no doubt thanks to that mutant, Flip.

Anna Anyanova: And me and the guardian angels are going to rip Flip apart!

Xenia: Yeah!

Nico: Lets go then.

Lincoln: Let's give her a nasty little surprise, but first, I'll take care of Flip's musclebound thugs.

Me: Okay buddy.

Lincoln concentrated on Flip's armed musclebound thugs, and then, waves of red energy came right out of them and they screamed in agonizing pain, and the waves of red energy flowed into Lincoln and he was getting stronger and stronger and stronger still, and as soon as Lincoln was done, the thugs were drained of all their energy and were left as desiccated corpses drained of their life forces, muscle mass, virility, strength, and souls, and he sent them to The Black Gates. Then, we set our sights on Mandy, who was now extremely and absolutely pissed off mega ferociously!

Mandy: (SCREAMS ANGRILY) THOSE STUPID LOSERS! WHEN I GET MY HANDS ON THOSE THREE BITCHES, SAM, CLOVER, AND ALEX, ALONG WITH THOSE STUPID TEAM LOSER PHOENIX STORM, I WILL KILL EVERY LAST ONE OF THEM!

?: OH, GO TO HELL, BITCH!

Suddenly, the spirits of the 10,000 Duel Monsters appeared out of nowhere as they flew around the place and they fire blasts of elements and energy at Mandy and she was hit badly. Then, the spirits converged and they crashed onto the ground as a

Thunderbird screech and Phoenix cry was heard and we appeared, and when she saw us, she was absolutely pissed off big time and she went crazy.

Mandy: YOU!

Nico: That's right, us. You thought you could just slip out of your post without anyone knowing about it, bitch?!

Mandy: I'LL FUCKING KILL YOU, YOU MONKEY-TAILED FREAK LOSER! AND THEN, YOU THREE AND THAT FREAKAZOID ARE NEXT!

Mandy ran right at Nico and got out a knife to stab him with, but Lincoln fired a blast of rainbow fire at Mandy and not only did that disarm her, but she got hit hard and more gems, jewels, gold coins, and other currencies exploded out of her! She got back up, but now she was even more mega pissed off and now completely out of her mind!

Rarity: My word, nice shot, Linky.

Sam Simpson: You deserved that, you little monster bitch!

Me: YEAH! You are nothing but a two-faced buttnosed loser and a selfish queen bee whore!

EVERYONE GASPED AT ME!

Nico: Whoa.

May: Yeah, you slut!

Nico: YOU TELL HER!

Mandy then screamed in rage and she went at May hoping to snap her neck!

May just punched her.

KRABLAM!

May sent her flying into a tree and it smashed onto her!

Qin: OUCH!

Eddy: I got an idea! J.D. curl into a ball and get into my hands. Mandy is going to get hit with 500,000 pounds of lump!

Me: Oh I get it!

I curled into a tight ball and jumped into his hands.

Me: Like this?

Eddy: Yep.

KRABANG!

Eddy then fired me into the air and then I flew down and I went at her faster than a bullet fired from a gun and Mandy got up and then…

KRASMASH!

I SMASHED HER INTO THE GROUND WITH A THUNDEROUS CRASH!

Eli: NICE!

Nico: WHOA! Nice shot Eddy!

Luan: That was awesome!

Rainbow Dash: Boy great smash J.D.!

Me: Thanks!

I got up and Mandy got up and she was mangled.

Me: Well what do you know. Pitted Bitch! Allow me to introduce you to my fists!

Eddy: And my knuckles!

Me: Pick a body part Eddy.

GUNS COCK!

We then beat Mandy up all over the place in a brutal fight cloud!

HORSE WINNIES! PIG SQUEALS! CAR HONKS! CAT CALL! CHICKEN CLUCKS!

BAM POW SMASH WHAM BIFF CRACK WHOMP THONK THWACK KATOW ZONK BAM!

We were smashing her all over the place and piles and piles and piles of jewels came flooding out of her and Nico was collecting them.

Eddy: Like that?!

THE BEATDOWN CONTINUED!

We stopped 25 minutes later!

Eli: HEY BITCH! LOOK AT ME!

He bent over and mooned her!

Leni: WHOAHOHO! I am turning into a werewolf Eli!

Eddy: (LAUGHS HYSTERICALLY!)

WE LAUGHED HYSTERICALLY AND MANDY'S FACE TURNED GREEN BEING GROSSED OUT AND SHE THREW UP NUMEROUS PILES OF GOLD COINS!

Nico: Leni, you're still you.

Me: (LAUGHS) No Ed is rubbing off on her.

Eddy: (LAUGHS) Ed said the same thing when I mooned Kevin. What a jughead.

Me: That was funny though.

Rarity: And I have had it!

Suddenly, something within Rarity's mind snapped as memories of Mandy's cruelty and conniving evil ways along with putting Sam, Clover, and Alex through hell rushed through her head and her dark blue eyes turned neon dark blue, and she was surrounded by a white and purple energy aura with stars, water, ocean waves, magic, jewels, and Alicorns, she unholstered her massive Rarity's Maelstrom Water Alicorn Greatsword of Magical Generosity and Water Skylander Justice from her back, and as she approached Mandy, she left white and purple energy, stars, water, ocean waves, magic, jewels, and Alicorns with every step.

Rarity: You make me absolutely sick to no end, Mandy, you've done some extremely low things to Sam, Clover, Alex, Caitlin, Dominique, and too many people, you've humiliated and tortured everyone who got in your way and you don't even care at all, not to mention that you kidnapped Sam, Clover, and Alex and had them brainwashed by The Inventor and had them turned into slaves! Lincoln told me all about that, it's no wonder he was that pissed off and wanted nothing more than to tear your black heart out and eat it for that rotten stunt you pulled! (SUDDENLY GETTING EXTREMELY ANGRY AT MANDY) I can never forgive someone who would do such horrible things to the people around the likes of you, no one deserve that kind of atrocious mistreatment, but you don't even care one bit, you continued to harm and mistreat anyone who got in your way, just so that you can continue to get your sick kicks and claim to still be popular… , (CANTERLOT ROYAL VOICE) YOU HAVE COMMITTED A TRULY GRAVE SERIES OF TRULY UNFORGIVABLE ACTIONS THAT'VE PLAGUED THE STATE FOR FAR TOO LONG, AND YOU DO NOT DESERVE TO BE FORGIVEN FOR ANY OF THEM! MANDY, THE CRIMES THAT YOU'VE COMMITTED AGAINST EARTH CAN NEVER BE FORGIVEN, AND FOR THAT, YOU SHALL PAY THE ULTIMATE PRICE WITH YOUR LIFE!

We gasped at the sudden extent of Rarity's fury: Mandy was now in extremely big trouble!

Me: OH MAN!

Eli: UH OH!

Nico: OH MAN, RARITY'S EXPLODED WITH EXTREME RAGE!

Lincoln: And she suddenly used the Canterlot Royal Voice for that one, and when that happens, you know that ultimately means extremely gigantic trouble!

Lincoln, Twilight Sparkle, Rainbow Dash, Applejack, Pinkie Pie, Fluttershy, Starlight Glimmer, Sunset Shimmer, Trixie Lulamoon, Vinyl Scratch, Wallflower, The Canterlot 5, and the rest of Twilight Sparkle's Friends: STAND YOUR GROUND, GANG! SHE'S GOING TO BLOW!

We immediately stood our ground as Rarity screamed with such extreme and violent rage and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive explosion and she was surrounded by a massive vortex of white and purple energy with stars, water, ocean waves, magic, and jewels surrounding the vortex, there's an Alicorn flying around the vortex, and in the vortex is an aqua blue phoenix with red eyes glaring at Mandy: the red eyes of Judgement Day.

Suddenly, The Unity Crystals on my Universal Eternal Celestial Cosmic Elemental Wolf Moon Phoenix Greatsword of Universal Eternal Cosmic Elemental Wolf Moon Justice and The Unity Crystals on Lincoln Loud's massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds glowed with very intense brightness, and then, The Unity Crystals fired a beam of light into Rarity's Maelstrom Water Alicorn Greatsword of Magical Generosity and Water Skylander Justice, and then, her massive greatsword glowed, and then surrounding the massive vortex of white and purple energy with stars, water, ocean waves, magic, and jewels surrounding it, there's an Alicorn flying around the vortex, and in the vortex is an aqua blue phoenix with red eyes glaring at Mandy: the red eyes of Judgement Day was A MASSIVE VORTEX OF RAINBOW LIGHT AND ENERGY AND FIRE, ICE, WATER, WIND, LIGHTNING, EARTH, LAVA, LIGHT, DARKNESS, CRYSTALS, WOOD, STARS, TIME, NATURE, GRAVITY, BLOOD, MAGIC, MOONLIGHT, RAINBOW CRYSTALS, RAINBOW SUPER LIGHTNING, RAINBOW FIRE, SAND, BLUE FIRE, BUBBLES, STEAM, NEBULONIC GAS, SUNS, AURORA, LIGHT MAGIC, DARK MAGIC, BLACK MAGIC, SATANIC MAGIC, MOONLIGHT, EXPLOSIONS, AND ATOMIC RADIATION EXPLODED OUT OF HER AND HER POWER WAS REALLY AND RAPIDLY INCREASING AT AN EXPONENTIAL RATE AT A MASSIVE LEVEL!

THEN, THE WORLD TREE ESTATE BACK ON EARTH, THE TREE OF HARMONY, AND ALL OF THE POWERFUL LANDS OF EQUESTRIA GLOWED AND THEIR ENERGY FLOWED INTO RARITY! THEN, AS SOON AS THE VORTEX FADED, RARITY EMERGED FOREVER CHANGED!

We were really amazed by Rarity's Super Angel-Generosity Alicorn Princess-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Mandy saw it, she went absolutely mad with rage and insanity. Nico: You're gonna get it now!

Me: Big time!

Mandy: DIE, YOU STUPID BITCH LOSER!

Me: You first bitch!

Mandy ran at Rarity with a knife to stab her in the chest and kill her, but Lincoln fired yet another rainbow energy blast which disarmed Mandy again and it pissed her off once more and drove her even more mad, and Rarity fired a powerful barrage of white and purple energy blasts with stars, water, ocean waves, gems, magic, and Alicorns, and it hit Mandy and sent her flying into a wall of chocolate, and she also got burned badly by the power of Generosity, she got up, but she was really furious now and now completely insane with rage and revenge.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You should be lucky that we're not going to kill you, Mandy. But, you still need another thrashing after what you did in breaking out of your post again, and we're also going to make your punishment is even more painful than it already is!

Rarity and Lincoln went after Mandy who had now gone absolutely ballistic and insane with rage and revenge on us, and they fired extremely powerful blasts of rainbow energy, white and purple energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Mandy and they exploded with incredible power as they hit her.

Then, they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and firing energy slashes from his claws and he and Rarity attacked her with punches, kicks, and karate chops and they were mega-painful because of their superhuman strength, along with elemental blasts, and this was really driving Mandy mad.

Mandy: I HATE EVERY LAST ONE OF YOU!

Our energy auras flared up as we'd gotten stronger thanks to her extremely massive hatred.

Nico: YEAH, FUCK YOU TOO, BITCH!

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Hate us all you want, but in the end, your hatred just makes us even stronger! (Rainbow Energy Aura flares up) But, your hatred has made you blind and weak, you may have thought no one would ever get in your way, but you underestimated your opponents, and in the end, that's why you will fail like the loser that you have rightfully become.

MANDY WENT ABSOLUTELY BALLISTIC AND ABSOLUTELY INSANE TO THE INFINITE POWER!

Mandy: YOU FUCKING LOSERS! (SCREAMS WITH ABSOLUTE INSANITY AND RAGE)

But, Rarity and Lincoln punched Mandy hard in the face, and they pounced on and proceeded to beat the living shit out of Mandy with clubs and other blunt instruments. Lincoln whacked her hard in the head with a bat and Rarity hit Mandy hard in the stomach with another club. Then, Lincoln put Mandy in the stocks, and his massive greatsword turned into a steel paddle with sharp spikes on it, and he took aim, winded back, and then, he swung the steel paddle!

WHAM!

It hit Mandy on her butt, and the sharp points punctured her butt, and she screamed with agony and pain! Then, it changed back into his massive greatsword.

Nico: (WINCES) Ooh, that's going to leave a mark!

Me: Nice!

Sam: Not as much as this will!

She then got Mandy on her leg and then.

WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP!

She gave her a REALLY NASTY SPANKING!

Qin: Mandy is getting a spanking!

We laughed!

Xenia: (LAUGHS) That is funny!

Nico: Boy that's gonna sting!

Me: Big time, Nico! And I didn't know that your massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds can change into different weapons, Lincoln.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf

Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You never asked.

Girl Jordan: Touché, but still, you guys really are laying quite the beatdown on her!

Me: We sure are. Albeit a really funny and awesome one!

Rarity: I think I know how we can make it even more painful for her.

Rarity made a dodgeball of pure solid diamond, and she threw it and hit Mandy in her face and that knocked out her teeth.

SMASH!

Me: OOH! OUCH!

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Nice one, Rarity. My turn.

Lincoln made dodgeballs of pure solid crystals of shimmering beautiful colors and he threw them and they hit Mandy not only in her face, but also, all over her body!

Rarity: Beautiful, Linky. Now, let's deliver our grand finale!

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) On it, my Alicorn Princess of Generosity.

Lincoln and Rarity made two balls of water with gems surrounding them, and Mandy, not liking this, was frozen with fear.

Lincoln and Rarity: CRYSTAL GEM MAELSTROM DODGEBALL TSUNAMI!

Lincoln and Rarity fired the balls of water with surrounding gems, and they hit Mandy and she was drenched in water and she was flat on her butt and soaking wet. That caused Mandy to cry like a broken and battered baby as she ran away into a portal that led back to her post at Lynn's Table where she was immediately chained back to her post with Neutronium Chains lined with rainbow energy.

Me: Yeah you better run you bitch!

We all cheered wildly for what Rarity and Lincoln did as they holstered their massive greatswords and powered down, and Rarity's new body, clothes, weapons, jewelry, Third Eye, longer purple tail, and massive white angel wings are permanent.

Suddenly, Rarity felt wobbly and almost fainted, but Lincoln caught her in his abnormally massive and powerful muscular arms.

Lincoln: Are you okay, Rarity?

Rarity: I'm a little dizzy, but I'm okay.

Me: Now, you know how we felt when we went through that, but that was so awesome! You and Lincoln both showed that queen bee bitch absolutely no mercy whatsoever!

Nico: And you both sent her crying like a little baby back to Lynn's Table and she's been chained back to her post with Neutronium Chains lined with rainbow energy!

Rarity: That should teach that conniving little monster never to come after us ever again.

Suddenly, Rarity turned to face Lincoln and she'd wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Rarity's face, they kissed passionately as Rarity moved her hands and placed them on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and an Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field with gems appearing around them and ocean waves crashing behind them and we cheered wildly. Lincoln and Rarity then absorbed the elemental forces and collected the gems and they came back to us as the display vanished.

Nico: Nice job!

Me: That had to be the most dazzling and fun beatdowns we did.

Lola: Yeah that was awesome and funny.

Lana: I'll say!

Xenia: (LAUGHS) Yeah.

Nico: Let's have more candy.

Me: As much as we want to we have a job to do.

Eli: Yeah I found the Anothers and we have Another Tim Scam, Dr. Vomosa, Inga Bittersweet, Macker, Carla Wong the Lady Dragon, Shelly Junglelove, Milan Stilton, Bertha Bombshell, Superfriends Giganta and Kalin.

We gasped!

Qin: WHOA!

Nico: So the M.O.E. decided to put more of Sam, Clover and Alex's enemies in with their ranks.

Qin: Including Carla's mom! Awesome!

Me: And we beat some of them before after Sam, Clover and Alex joined us.

Nico: Who do we call?

Me: Well Noriko Furya has Shelly Junglelove for her archenemy. But I got just the archenemies for the rest. I summoned LUNALIGHT YELLOW MARTEN, CRIMSON FOX, EMERALD BIRD, BLUE CAT, PURPLE BUTTERFLY, BROWN BAT AND KALEIDO CHICK!

In swirls of rainbow moonlight came the Lunalight Monsters!

Nico: AWESOME!

Lunalight Crimson Fox: So we get a chance this time.

Lunalight Emerald Bird: This is gonna be fun.

Lunalight Purple Butterfly: It sure will be.

Maria called in Noriko Furya.

Noriko: Candy bars!

Me: I know. It's planet made of Candy Bars.

Lola: That's right.

Noriko Furya: That is cool!

Camie: How about you tell us all about these guys and what they did?

Me: Well they are some of Sam, Clover and Alex's enemies and we faced them a long time ago. Tim Scam was a monster that tried to take over WOOHP, Dr. Vomosa was a former employee of WOOHP and he shrunk himself down to cellular size and controlled Jerry. Inga Bittersweet made really great cookies that Mary loved and Alex ended getting uhhh.

Alex: Fat and overweight.

Me: Yeah. Macker made clones of the girls to frame them. Carla Wong is Nico's friend Carla Wong III's mother and she is a video game designer.

Noriko Furya: Shelly wanted the world to be the ultimate jungle and she made mutant Venus Fly Traps to do that.

Me: Yep. Milan is the heiress of a hotel chain and Bertha is Jerry's ex-girlfriend.

Qin: Yep.

Camie: WHOA! That is crazy!

Me: Yep.

We told them about what they were going to do and more and it was nuts!

Camie: GEEZ!

Eli: And I sense that the Anothers minus Another Kalin are all one person and they are someone J.D. knows.

Me: Cool!

Nico: This is gonna be good.

Qin: Yep.

Nico: There they are!

We saw a bunch of figures and they were Another Tim Scam, Dr. Vomosa, Inga Bittersweet, Macker, Carla Wong the Lady Dragon, Shelly Junglelove, Milan Stilton, Bertha Bombshell and Superfriends Giganta!

Lunalight Crimson Fox: WHOA! This will be awesome.

Another Dr. Vomosa: (In a girls voice) It sure will be.

Me: That voice!

They merged and reverted back and it was a girl with blond hair and blue eyes and she had the Lunalight Crest in the middle of her forehead and she had moonlight angel wings and had blue clothes and she had the Lunalight Crest oh her skirt and she had a rainbow moonlight sword in her hands.

Me: (GASP) Serena Lunalight!

Serena Lunalight: Awesome to see you again J.D. And I see you have some of my fellow Lunalights with you.

Lunalight Yellow Marten: You must be the gene-slammer of all of us right?

Serena Lunalight: That's right Yellow Marten. I sure am.

Me: She is also a girl that I have known for a long time. Ever since I helped save her family from the wrath of mad scientists.

Nico: WOW!

Me: By the way Serena is the Another Kalin friendly or Hostile?

Serena Lunalight: Friendly and she is a strong one.

Me: Neat.

Maria: Sorry we gotta do this.

Girl Jordan: First lets separate you.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep
O holoré lay thee low
Holoél dark in the Deep
Down beneath the earth you go
Go holoré fast to sleep
Fast to sleep
Fast to sleep
Dark holoré in the Deep
Rise again holoré now
Spring abundant holoél

Raise the rock
Spring abundant holoél

She glowed and was separated from the Anothers and the

Lunalights and Noriko blasted the Anothers and I caught the Wonder Ride Books.

Nico: Nice!

Me: Now for Another Kalin.

Maria: Time for backup! (TURNS DIAL) EYE FORCE 6!

She summoned Tri-Klops, Eye Guy, Ripper Roo, Arachnid Woman, Wolf Prisoner Style and Amorbis!

Nico: YEAH!

Lola: Awesome!

Nico: Yep.

Maria: Now we wait.

Me: We don't have to wait long!

A figure came out and it was ANOTHER KALIN!

Me: Whoa Another Kalin.

Kalin: Like looking at myself in the mirror.

Qin: It sure feels like it.

Another Kalin: (In a girls voice) This will be fun though.

Me: That voice!

She reverted back and it was a girl that was over 20 feet tall and she had blue hair and blue clothes and she had blue angel wings and had the kanji for giant in the middle of her forehead.

Nico: WHOA! You're a tall one!

Me: Wow! Abigail Ginormica!

Abigail knelt down.

Abigail Ginormica: Awesome to see you again J.D. Sorry you have to see me like this.

Me: No worries. It's good to see you too. Abigail was hit by a ray gun that mutated her and gave her growth powers. But she is stuck like this at 20 feet tall. She has clothes that shrink and grow with her.

Nico: WOW!

Abigail Ginormica: I think I'm the second biggest Another you met next to Bunyan.

Me: I know.

Nico: By the way are you related to Ginormica?

Abigail Ginormica: Actually no I'm not. I may have the same powers as she does but we are in no way related.

Nico: That's okay.

Kaito: (gets out King Ohger Gear) Did Swartz promise you anything?

Zocks: (gets out King Ohger Gear as well) Because we can grant it instead.

Kaito and Zocks got King OhGer swords.

Abigail Ginormica: Just to be back to my normal height. But I crushed him before he finished the offer. I accidentally stepped on him and broke every single bone in his legs.

Nico: OUCH!

Sakura Knudson: That explains why he was out for over a year after that.

Xenia: YIKES.

Me: But no worries. We can do that for you and give you your normal height back.

Abigail Ginormica: Thanks guys.

Me: Anytime. Sorry we have to fight like this.

Abigail Ginormica: No worries. After this I'm hungry for some chili dogs.

Me: You can have all the chili dogs you want after this.

She turned into another Kalin!

Sougo: (gets out King Ohger Ridewatch) I bet you stayed outdoors all this time.

Geiz: (gets out King Ohger Ridewatch too) Just goes to show you that being big isn't always great.

Sougo and Geiz both got KuwagataOhgerArmor.

Another Kalin: No it isn't and I missed being indoors.

Qin: I can tell.

Nico: Time for some giant fire! (ACTIVATES KALIN'S RIDEWATCH)

Nico fired waves of blue fire and smashed her down.

Nico: Time for me to be living large! (ACTIVATES SUPERFRIENDS GIGANTA'S RIDEWATCH)

Nico grew to 50 feet tall!

Nico: Attack of the 50 Foot Nico!

Nico then knelt down and flicked her down.

May: And this! (ACTIVATES UNIPASTRAMI AND UNIVERSE 666 DARK MIND SOUL'S RIDEWATCHES)

She fired waves of energy and smashed her down.

Maria: And this too! (ACTIVATES KYROSYS AND METEOR'S RIDEWATCHES)

She fired waves of fire and energy and smashed her down.

Giganta: Time for some giant power. Sounds redundant though. (ACTIVATES SUPERFRIENDS GIGANTA'S RIDEWATCH)

She grew to 40 feet and knocked her down with a flick.

Me: YEAH!

Then Ebon, Nightshade, Junk Food Monster, Fire Women, Jackster and Melissa Bergman came.

Nico: Nice team Ebon!

Ebon: Thanks Nico! It's awesome.

Lola: Awesome!

Then a tea pot appeared by Lola.

Lola: Hey nice tea pot. I can have amazing tea parties with this.

But then the lid popped up and it was really a Polteageist.

Polteageist: (In a girls voice) (British Accent) Hello.

Lola had wide eyes and then…

Lola: (SCREAMS IN FRIGHT)

Me: WHAT!? Whoa a Polteageist!

I picked it up.

Nico: Wow that one scared Lola.

Lola: I was about to drink you?!

Polteageist: Sorry about that.

Nico: Elizabeth Victoria! Wow!

Me: Wait the Dark Angel of London!? Wow!

She reverted back and was a girl with black hair, purple eyes, black angel wings, had the symbol for Corvus the Crow on her right arm and had black clothes and had the kanji for Crow in the middle of her forehead and had a night sword.

Elizabeth Victoria: Good to see you again Nico my good chap.

Nico: You too.

Elizabeth Victoria: I got this.

She fired a wave of darkness and smashed down Another Kalin and I caught the ridewatch and purified it and I snapped my fingers and Abigail was given her normal height and she can grow at will. I brought her over and she was dizzy and tired.

Me: Awesome.

Elizabeth Victoria: Great performance.

Giganta: What's your favorite memory of Nico?

Elizabeth Victoria: When me and Nico stopped a bunch of thieves from breaking into Buckingham Palace and stealing the queen's jewels and crown.

Nico: Yep.

Me: WOW! That is amazing.

Lola: Yeah.

Nico and Elizabeth hugged.

Nico: I've missed you.

Elizabeth Victoria: Same here chap.

We went back home.

Earlier today, McWolf had gotten news from Vypra that Audrey Blade, the deranged leader of The Ghostrick Destroyers, had brought Mileena, the half Tarkatan-half Edenian clone made by Shang Tsung, back from the dead, and even worse, she'd made an alliance with the rogue Edenians, Rain and Tanya, along with more remnants of Shao Khan's army: D'Vorah, Skarlet, Reiko, Sektor, Motaro, Kollector, along with the fallen Elder God, Shinnok, and the Titan of Time, Kronika, in an attempt to still get revenge on us for what we'd been doing to her fellow Ghostrick Destroyers.

But too bad for her, McWolf caught onto her scheme, and although he captured the rogue Edenians, Rain and Tanya, along with D'Vorah, Skarlet, Reiko, Sektor, Motaro, Kollector, the fallen Elder God, Shinnok, and the Titan of Time, Kronika, Mileena escaped to Outworld, but we'll deal with her later in time. But, those ten villains, for their crimes against Earth and Outworld along with the many lives lost because of these individuals, no mercy will ever be shown to to any of them, the only thing awaiting them is death and that's exactly what we're going to give them.

Lincoln: Ah, we're here in Austria, and I know what we're going to do here, not only am I going to rescue the four girls here, but McWolf wanted us to meet him at his castle.

Nico: I wonder what's up.

Me: Same here.

Then, the rest of the team came with us.

Maria: There's something up if McWolf called us for something.

Raiden: The last time this happened, McWolf had captured Quan Chi and we destroyed him two years ago.

Lincoln: That's correct, Lord Raiden. So, something big must've happened.

Bertrand: Indeed.

We arrived at McWolf's castle in Austria, and we were met not only by McWolf, but also, by Vypra and the rest of The Masters of Evil.

Me: Whoa, this is quite a gathering. What happened?

Vypra: We've got big trouble, J.D. McWolf, tell them what we found out.

McWolf: Right. Earlier this morning, it appears that Audrey Blade had done the absolute worst thing no one could ever imagine: she'd brought back Mileena, the half Tarkatan-half Edenian clone back from the dead.

We gasped in shock.

Lincoln: Mileena has returned? Audrey, there's certainly no line that you're willing to cross!

Kitana: For Audrey Blade to bring Mileena back from the dead, she certainly is a monster who was willing to cross any line and all for her desire to destroy humanity.

McWolf: It gets worse than that, Princess Kitana. We also captured some more familiar faces.

McWolf took us to the center of the room that had talisman cards in the four corners and we saw ten figures chained up, and when we saw them, they were indeed familiar to Raiden and the others: the ten figures McWolf captured were the rogue Edenians, Rain and Tanya, along with the Kytinn Queen, D'Vorah, Skarlet, Reiko, Sektor, Motaro, Kollector, the fallen Elder God, Shinnok, and the Titan of Time, Kronika.

Kitana: Rain, Tanya, D'Vorah, Skarlet, Reiko, Motaro, Sektor, and Kollector.

Raiden: Shinnok and Kronika. Why did you all capture them if I may ask?

McWolf: We also found out that Audrey Blade had also made an alliance with Rain, Tanya, D'Vorah, Skarlet, Reiko, Motaro, Sektor, Kollector, Shinnok, and Kronika, the last remnants of Shao Khan's cronies.

We gasped, and we were really pissed off at Audrey Blade for what she did.

Raven Ghostrick: Why, that little… ! When tomorrow comes, she will die for this! But, wait, where's Mileena?

Vypra: Mileena escaped back to Outworld, but we didn't go back empty handed.

McWolf: Yeah, even though Mileena escaped, I captured Rain, Tanya, D'Vorah, Skarlet, Reiko, Motaro, Kollector, Sektor, Shinnok, and Kronika and as soon as we brought them to my castle, the talisman cards had kept them from using their powers. So, what do you suggest we do with them?

Nico: Even though we should kill them all, I actually have a better idea. We'll destroy Rain, Tanya, Skarlet, Reiko, Motaro, Sektor, Kollector, Shinnok, and Kronika and send them to the Book of Vile Darkness. The reason? Because I honestly would like a chance to fight them in the future.

Me: Good thinking.

Lincoln: So, the only one we should kill and send to The Black Gates is D'Vorah. Sheeva, Jacqui, and Cassie told me that D'Vorah is a devious backstabber who nobody likes, and there's also the fact that she's creepy.

Sheeva: You'll be doing Outworld a favor getting rid of her, Lincoln.

Lincoln: Yeah, but first.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and he drove his massive greatsword into Kronika's stomach, and he began sucking out all of Kronika's Chronokinesis, Psammokinesis, Geokinesis, Pyrokinesis, Divine Magic, Summoning, Teleportation, Levitation, Zoopathy, Telekinesis, Superhuman Durability, and Timecraft and he made them his own, and her power also was given to us as well. Suddenly, her crown, The Crown of Kronika and The Amulet of Kronika, turned into a white choker collar with gold accents and Thunderbird pendant and it was put onto Lincoln's neck and we also got white choker collars with gold accents with our favorite mythological animals for the pendants. He then destroyed Kronika and sent her soul to The Book of Vile Darkness.

Then, Lincoln did the very same thing to Rain, Tanya, Skarlet, Reiko, Motaro, Kollector, Sektor, and Shinnok, as he drove his massive greatswords into their stomachs, and he began sucking out their powers and abilities and he made them his own, and he destroyed them and sent them to The Book of Vile Darkness. Then, we turned our attention to D'Vorah.

D'Vorah: Even if you destroy This One, you will all be destroyed by Mileena.

Lincoln: Not a chance, D'Vorah, we'll put an end to Mileena in the future. But, you, you won't live to see another day. Today, your race dies here and now.

?: You and the rest of those minions of Shao Khan deserve it, you creepy bug.

Suddenly, we saw a beautiful and super sexy girl with short light brown hair and yellow hairband, gold eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful purple angel wings, she's dressed in a dark red coat with a coat of arms on it, white short-sleeved shirt, necklace with pearls and purple gem for the pendant, black pants, white bridal gloves, black knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with knights, swords, magic, dragons, light, and angels on the coattails and on the back is Noble Knight Bedwyr, in her right hand is The Sword of Hope, and with her are the four girls.

Light-Brown Haired Girl: I hope we're not too late.

Lincoln: No, you're not, Belle Bedivere, you're just in time.

Ellie Elsher: Yeah, we're about to destroy D'Vorah once and for all. Let's get her!

Sylvester: We're gonna need a huge flyswatter for her.

Then, Lincoln fired extremely powerful blasts of rainbow energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at D'Vorah, and they overwhelmed her and she was destroyed.

Then, as soon as her spirit appears, Lincoln fired a blast of black energy from his massive greatsword and it hit D'Vorah and she was finally sent to The Black Gates forever. We cheered as we holstered our weapons and powered down.

Lincoln: This is the end for you, D'Vorah, and this time, stay dead. (To Belle Bedivere) And it's so good to see you again, Belle Bedivere.

Belle Bedivere: You too, Linky, it's been a long time.

Lincoln went up to Belle Bedivere and he hugged her, and Belle Bedivere is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Belle Bedivere: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Belle Bedivere, Gene-Slammer of Noble Knight Bedwyr, she's my Guardian Angel from Michigan and she's a very powerful wielder of light magic and a very powerful swordswoman and a member of The Royal Woods Knights of The Michigan Table. She trained me both in the art of swordsmanship and magic, and I became a very powerful swordsman and master of magic, and she also taught me much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those he loves and holds dear to his heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Belle Bedivere is also a direct descendant of Bedivere of Camelot, one of the skilled Knights of the Round Table, and who notably assumes Griflet's hitherto traditional role from French romances as the one who eventually returns Excalibur to the Lady of the Lake after Arthur's last battle.

Me: I knew it.

Melanie Artorgius: Lincoln made her a dark red coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Belle Bedivere hate Lola with a very blazing passion.

Nico: What did she do to earn her wrath?

Melanie Artorgius: One day, Belle and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Lola, and she brought with her an army of thugs she hired. Belle and Lincoln went out there along with the rest of us, and they'd slain them with her greatsword. It drove that little monster into a blood-crazed fury, but before she could get after us, Lincoln and Belle fired chains of light magic which bound that bitch and tied her up. Lincoln called his family and his nice sisters and told them what happened, and needless to say, Leni, Luna, Laney, Lucy, Lana, and Lily wanted her head on a pike! But Lincoln wasn't surprised, Lola tried to kill him many times in the past, but in the end, their plan failed, and Lola got grounded for eighteen weeks, and to make sure that she didn't try to get revenge, Belle Bedivere and Lincoln casted a spell to prevent her from coming back to hurt them because messing with the descendant of Bedivere of Camelot and one of the members of The Royal Woods Knights of The Michigan Table will have dire and disastrous consequences.

Nico: Ugh, Lola was on another one of her rampages again?!

Me: Yep, whenever that happens, Lola becomes a rampaging monster and no one's safe from her.

Lincoln: We were the only ones who could stop Lola's violent rampages, Nico. No one was safe from her rampage and she didn't know any mercy nor stopping whatsoever. There was only one way for us to stop her: restrain her and let my parents handle her. And now that you're here, Belle.

Lincoln went up to and hugged Belle Bedivere in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Belle Bedivere: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Belle Bedivere's neck with dark red gems on the gold lightning bolts and dark red crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Belle Bedivere: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Belle Bedivere.

Belle Bedivere had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them, then, we went up to the four girls, and when Lincoln saw who they were, they immediately recognized them. The four girls are Ibuki Kurata, Akira Miyauchi, and Karen Yakushima from Maiden

Infringement Play and Eve from Living With Maid.

Lincoln: Oh wow, it's Ibuki Kurata, Akira Miyauchi, and Karen Yakushima from Maiden Infringement Play and Eve from Living With Maid.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Ibuki Kurata: Yes, we're okay, thanks to you.

Then, when Ibuki Kurata and the other three girls saw who it was that saved them from Rain, Tanya, D'Vorah, Skarlet, Reiko, Sektor, Motaro, Kollector, Shinnok, and Kronika, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of

Ibuki Kurata: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Ibuki Kurata: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ibuki Kurata, Akira Miyauchi, Karen Yakushima, and Eve with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, but now, we know the truth: Mileena was brought back by Audrey Blade, and she also made an alliance with Rain, Tanya, D'Vorah, Skarlet, Reiko, Sektor, Motaro, Kollector, Shinnok, and Kronika. But, we'd dealt a crippling blow by sending Rain, Tanya, Skarlet, Reiko, Sektor, Motaro, Kollector, Shinnok, and Kronika to The Book of Vile Darkness after Lincoln sucked out all their powers and abilities and he'd destroyed them and we destroyed D'Vorah and sent her to The Black Gates.

Lincoln: We've dealt quite a crippling blow by sending Rain, Tanya, Skarlet, Reiko, Sektor, Motaro, Kollector, Shinnok, and Kronika to The Book of Vile Darkness after I sucked out all their powers and abilities and destroyed them and we destroyed D'Vorah and sent her to The Black Gates.

Jacqui Briggs: We'll deal with Mileena in the future, but Rain, Tanya, Skarlet, Reiko, Sektor, Motaro, Kollector, Shinnok, and Kronika, we'll run into them once more.

Sheeva: And when they do return, no mercy shall be shown.

Lincoln: None whatsoever.

After sending Rain, Tanya, Skarlet, Reiko, Sektor, Motaro, Kollector, Shinnok, and Kronika to The Book of Vile Darkness and sending D'Vorah to The Black Gates, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Belle Bedivere saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Belle Bedivere: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Belle, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Belle Bedivere: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Belle Bedivere: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Belle, what memories did you have with Lincoln?

Belle Bedivere: Oh man, I was hoping you'd ask that. Well, this one time, Lincoln and I along with the rest of The Royal Woods Knights of The Michigan Table were riding out on patrol looking for any sign of trouble and we also had the rest of his Guardian Angels with him. Suddenly, we heard a loud vile screech in the air, and we saw who it was coming after us: it was Lola running at us like the monster that she was, and she had a massive army of thugs with her and she was out to kill Lincoln again, that set us off. We rode out there and we'd slain every last one of the thugs, then, we turned our attention to Lola, and we brutally thrashed her. Then, Lincoln chained them up with chains of light and we brought her before the rest of his family, and after we told and showed them everything, Leni, Luna, Luan, Laney, Lucy, Lana, Lisa, Lily, and Mr. and Mrs. Loud were absolutely livid at Lola, and Leni, Luna, Luan, Laney, Lucy, Lana, and Lisa all pounced on Lola, and they brutally beat her into the ground.

Nico: Jeez.

Lincoln: Then, Lola got grounded for eighteen weeks and we threw her in a metal prison container.

Ellie Elsher: Lola screamed and swore that we'd pay for it, but then, I opened a portal and threw a pie at her, and as I got out of there, she screamed and screeched like crazy.

Raven Ghostrick: We were warned about Lola's violent rampages not to mention her anger issues, but we triumphed every single time and we always put a stop to her for good.

We got a shower, and then, Lincoln, Miki Kurosaki, and Megumi Shirakawa are heading to Jolly Rodger Bay.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Miki Kurosaki and Megumi Shirakawa are dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Miki Kurosaki and Megumi Shirakawa had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood and life energy, which made him go insane with anger, until Lincoln fired energy blasts at that mutant and more gold and jewels and treasures came out of that moron, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Miki Kurosaki: Wow, so this is Jolly Rodger Bay, this is really awesome!

Lincoln: It sure is, Miki, and it's perfect for our first date before Julie Carolina's big mission to help Sarge and team destroy Chrovus. Shall we?

Lincoln, Miki Kurosaki, and Megumi Shirakawa dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Miki Kurosaki and Megumi Shirakawa got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made a clone of himself and he and his clone went up to Miki Kurosaki and Megumi Shirakawa and they hugged them in their abnormally massive and powerful muscular arms, and Miki Kurosaki and Megumi Shirakawa placed their hands on the massive pecs of Lincoln and his clone, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like someone really had a good time at Jolly Rodger Bay, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Miki Kurosaki and Megumi Shirakawa with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Miki Kurosaki and Megumi Shirakawa are in your harem.

Jenna: Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that good-for-nothing hairy mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for herself.

Rarity: And trying to kill Miki Kurosaki and Megumi Shirakawa, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and he should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that three butt-cheeked mutant cheapskate has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you fat hairy mutant cheapskate!

Nico: Even after we kicked Flip's miserable hide, that moron still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Pablo, Anderson, Billy McLean, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: Leave that to me. (YELLS AT THE TOP OF HIS LUNGS AT THE JERKS) SHUT YOUR HALF-WIT PIE HOLE, YOU JACKASS MUTANT CHEAPSKATE!

Suddenly, the Beads of Subjugation on Flip's neck and on the necks of the jerks glowed and the amplified gravity forced the jerks to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand them if they so much as get anymore dumb ideas again.

---

We were in the simulator for another awesome galaxy adventure.

Nico: Next up is Hurry Scurry Galaxy.

Nicole: That one is simple but tricky.

Nico: Yep. Lily and Leon? Want to go with?

Lily: We sure do.

Leon: YEAH!

Nico: Lets go.

They went into the simulator.

It activated and they were in the Hurry Scurry Galaxy!

WELCOME TO THE GALAXY!

Nico: Here we are.

Leon: From what I remember, the platforms disappear, right?

Nico: Yes they do. So we're going to have to move fast.

?: I'll help too guys.

They saw a Grapploct!

Nico: Cool a Grapploct!

Grapploct: (In a girls voice) Awesome to see you again Nico.

Nico: R.J. Davenport! Awesome! Don't revert back yet.

Grapploct: Don't worry I won't until the end.

Nico: Good.

Nicole: (on te radio) Okay you need to get to the end and destroy that black hole by collecting those notes around it.

Nico: Okay.

Lily: And I see something extra too.

They saw Goombas!

Nico: And there are Goombas in the way.

Lily: We're ready.

Nico: Lets go!

They ran fast and stuck together and as they ran the platforms shrank and disappeared and they continued on and got to the launch star.

Me: (On the radio) Mission control to Nico you are clear for launch, Over.

Nico: Roger that.

They got into the launch star and then…

WHOOSH!

They were off!

Nico: (gets out Kalin and Rich Texan's Ridewatches) Time to clear a path!

Nico activated them and he fired waves of blue fire and bullets and blasted the goombas. Lily and Leon blasted the rest and Grapploct collected all the notes and then the black hole vanished and the power star appeared!

Lily: There it is!

Leon: Lets get it!

They went and got it!

YOU GOT A STAR!

R.J. reverted back and she was a girl with black hair and blue eyes and had dark blue clothes and black angel wings.

R.J. Davenport: That was fun!

Nico: Yeah!

They high five!

Leon: What's your favorite memory of Nico?

R.J. Davenport: When me and Nico had an awesome ramen eating contest and it was great. We ate 40 bowls of the spiciest ramen ever.

Nico: Yep and it was awesome.

Nico and R.J. Hugged.

Nico: I missed ya.

R.J. Davenport: Same here Nico.

They then came back.

---

Later we were watching TV and we saw the mascots heading somewhere.

Sandy: (to the mascots) Where are you guys going?

Poromon: To hang out with Lori.

Poliwag: Yeah we want to have some fun and games with her.

Me: Okay. Have fun guys.

Nico: Yeah.

They went to Lori's room and knocked on her door.

Lori: Come in!

The mascots went in.

Lori: Oh hey guys.

Manaphy: Hey Lori.

Poromon: What are you doing?

Lori: Playing Angry Birds on my phone. Want to play?

Poromon: Sure.

Squirrel girl and her squirrels came in with some apple juice.

Squirrel Girl: Apple Juice Lori and Mascots?

Lori: Oh thank you.

Poromon: Sure.

They got some juice.

Poliwag: Thank you.

Squirrel Girl: You're welcome. Have fun!

The squirrels chittered.

They were playing.

It was fun and cool.

Manaphy: Yeah this is fun.

Armada Starscream checked on them 45 minutes later and the mascots were giving Lori a pedicure and polishing her nails.

Armada Starscream: Enjoying yourselves?

Lori: Literally the best Starscream.

Manaphy: Yeah this is awesome.

Armada Starscream: I'm glad you are.

He left.

Lori: Great job with the nails guys.

LOUD FART!

Lori: (TOINK)

Horsea: Oh sorry! That was me.

They laughed!

Lori: At least it wasn't me this time!

They laughed some more.

?: Mind if I have some fun with you guys too?

A Hatterene came in.

Lori: Cool a Hatterene.

Poromon: Awesome!

Hatterene: Oh sorry. My name is Carlina Mystique.

Poromon: Wow! Awesome to see you again!

She reverted back and she was a girl with pink hair and had a pink hat, pink eyes, and had blue and pink clothes and had blue butterfly wings.

Carlina Mystique: I was looking for Nico and I got lost in this big estate.

Poromon: No worries.

Jetfire: Oh sorry couldn't help but listen. Nico's in the living room. It's down the hall.

Carlina Mystique: Oh thanks.

Jetfire: What's your favorite memory of Nico?

Carlina Mystique: When me and Nico tried on all sorts of hats that my family makes.

Lori: Wait you're literally the famous hat maker in all of Leni's fashion magazines!

Carlina Mystique: I sure am. I make all kinds of awesome hats.

She put a beautiful jeweled acorn hat on Lori's head.

Carlina Mystique: I call this one the Oak of Jewels.

Jetfire: Boy that hat is amazing mate.

Lori: It's literally beautiful.

Carlina Mystique: Thanks.

Poromon: But you make amazing hats Rarity and Leni would love.

Carlina Mystique: I'm glad you like them. I'll go see Nico.

Horsea: Okay!

She left and went to the living room.

Carlina Mystique: Hey there.

Nico: (GASP) Carlina Mystique!

Me: Wait the famous hat maker!? Wow!

Leni: O.M. GOSH! It's like totes amazing you're here!

Me: I saw you all the time in Leni's fashion magazines and you make amazing hats.

Carlina Mystique: I know. I gave one to Lori. I was trying to find you guys but I got lost in this big place.

Me: Sorry about that. We should have a map up here.

We laughed.

Nico: Yeah.

Nico and Carlina hugged.

Nico: I've missed you.

Carlina Mystique: Same here Nico.

Me: That is so cool that you and Nico know each other.

Carlina Mystique: It sure is.

Bright Man: Can we have hats too?

Carlina Mystique: I made hats for all of you and you will love them.

Carlina then pulled out an awesome wardrobe and it had thousands and thousands of awesome hats in them! We got to trying them on! I had an awesome phoenix hat that looked like Zamigo Delma's had.

Me: WOW!

Nico: Next to Zamigo's blasters, his hat was really badass too.

Me: Boy no kidding. I think Zamigo's hat is cool too.

Nico: Yep.

Pipp Petals had an awesome jeweled hat.

Pipp Petals: Oh my glitter! This hat is so amazing.

She took lots of selfies with it.

Carol: Boy these hats are awesome.

Me: They sure are Carol.

Rarity: Oh darlings these are all amazing hats.

Nico: They sure are.

The previous group came.

Puff: Can me, Grundy, Webstor, Angel, Red Ghost, Skalamander, Rich Texan, Steam Smythe, Black Adam, and Avalanche go with you guys?

Nico: You sure can.

Angel: Awesome hats guys.

Me: Thanks. Nico's friend Carlina Mystique gave them to us.

Nico: We were trying them on and they were cool.

Lola: They sure are.

Nico: Yep.

Razorclaw: Boss, which Gene Slammers do you think you'll meet next?

Nico: Grimmsnarl and Obstagoon next.

Me: Ooh the Galarian Zigzagoon's evolved form. Interesting.

Nico: Yep.

Qin: This will be awesome.

Nico: w for Julie's big day mission today.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Abigail Callidora, one of the members of The Ghostrick Destroyers, and she's heading here to kill The Ghostrick Guardian Angels. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and we got news, Raven: as we guessed it, Abigail Callidora, one of The Ghostrick Destroyers is heading here to kill you all.

Miyuki Shirayuki: (Japanese Accent) Just as we expected, but we'll be ready for her, and she'll suffer the very same punishment back in the castle of The Michigan Supernatural Defense Force after we destroy Chrovus.

Crash Bandicoot: That blood-sucking fanatical religious zealot's already a dead vampire walking once she shows her ugly face.

Nico: You got that right. Alright, gang, let's go, we're heading off to help Sarge and his team and put an end to Chrovus once and for all.

Lincoln: Chrovus' time has done, now we shall bring an end to her once and for all, and once we get done destroying Chrovus, you're next, Abigail Callidora.

Miyuki Shirayuki: (Japanese Accent) You better be ready to die, Abigail Callidora, because you deserve no such mercy from any of us for trying to kill us seven years ago, nor do you even deserve to live a single second further, you religious fanatic and zealous heretical demon.

Ellie Elsher: Miyuki never shows any mercy to any evil supernatural creature, especially to any bully who tries to hurt Lincoln and many of them were flattened badly by her because of how immensely strong she is, and now, Abigail Callidora is going to pay for everything that she's done with her vile and miserable life.

Lincoln put up a rainbow energy field around The World Tree Estate and we headed out to Ringworld to help Sarge and team to destroy Chrovus and end her once and for all, and once we get done destroying Chrovus once and for all, Lincoln, Miyuki Shirayuki, and Julie Carolina are going to destroy Abigail Callidora of The Ghostrick Destroyers.

We were off to Ringworld.

---

We arrived at the Ringworld Colony.

Camie: Wow! The Ringworld Colony is amazing and beautiful.

Tsuyu: It sure is!

Me: I'm amazed it was all built like this.

Nicole: Yeah me too.

Grundy: Grundy excited to meet color named teams!

Nico: Me too Grundy!

Lola: All of us are.

Camie: Yeah.

We saw the base of the Reds & Blues.

Me: There it is.

We went in.

Commander Mars: Hey, guys!

Sarge: Hey welcome everyone!

Carolina: You guys made it!

Me: Like we would miss this for anything.

Donut: You guys sure know how to show up.

Hunter: (German Accent) Oh ja ja. We sure do.

Me: You guys hungry for pizza?

Sarge: We found a friend of yours.

Angel: Who?

Church: Someone called the Phantom Ranger.

The Phantom Ranger came out!

Me: Phantom Ranger! Whoa!

Nico: Awesome!

Phantom Ranger: An honor to meet the famous Team Loud Phoenix Storm and TJ and everyone good to see you again.

TJ: You too.

Carlos: Glad you could make it.

Ransack: We wanna say thanks for taking care of Ardos.

Me: Yeah we owe you big for that.

Church: It was nothing.

Sarge: Really was looking forward to fighting his Pokemon though. My team was gonna fight the Throh while the Blues fought the Sawk!

Me: That was awesome though. Phantom Ranger, we just want to know. Who are you? We never saw who you were at the end of the Turbo Rangers.

Phantom Ranger: You have a right to know.

He took off his helmet and we were shocked to see that it was Justin's father Doug!

WE GASPED!

Nico: No way!

Me: Doug Stewart!

Justin Stewart: Dad!? You're the Phantom Ranger!?

Doug Stewart: I sure am son. I saw you as the Blue Turbo Ranger and I was really proud of you for it. You see, my boss was really the Black Morphin Master and he had me turned into the Black Phantom Ranger.

Me: Wow!

Nico: This is amazing!

Me: I can tell that this is an amazing shock for not just us but Justin too. You must have a lot to talk about.

Doug Stewart: I sure do.

Me: Okay.

Skalamander: You guys want some cherries with the pizza?

Carolina: Sure.

We went and talked about a lot of stuff.

Me: It was awesome you guys helped us during some of our missions.

Carolina: It sure was fun.

Camie: Yep.

Carolina: Great job destroying Burns and Crocker though.

Me: Looks like it reached here to Ringworld too.

(DANCE OF THE SUGAR PLUM FAIRY PLAYS)

Poromon came out in a fairy costume with 1 bottle of beer.

Poromon: (to the Reds and Blues) Hello there! I'm the beer fairy! Come to give you guys 1 bottle of beer!

Jinx: (laughs) You guys probably heard of this by now!

Church: (LAUGHS) Yeah Poromon dressing up like this is awesome. I could use a beer though.

He took it.

Church: Thanks.

Poromon: You're welcome.

Me: Poromon dresses up like a fairy and he calls himself the Beer Fairy. It's really adorable.

Carolina: (LAUGHS) That is so cute.

Blossom Z: We all thought it was adorable too.

Donut: It sure is.

Poromon: (dances happily) Yay! Church loves my beer!

Steam Smythe: Yes, do enjoy yourself, Poromon. Oh, and Dark Eddy's dead.

Eddy: You have me to thank for that.

Me: Eddy used the line from Terminator after blowing a hole through his heart and head.

Eddy: Yep. (Puts on Sunglasses) Hasta La Vista baby.

Me: Yep.

We laughed!

Carolina: (LAUGHS) Awesome.

Me: Yep. Nico's curse finished him too.

Lola: Eddy wanted to use the line from Lethal Weapon but Dark Eddy didn't set him up for that.

Carolina: Darn.

Me: Yeah. Darn.

Carolina: We also see the beautiful view of the World Tree Estate from here. That is one awesome tree.

Me: I know. It sticks out of the planet like a sore thumb but the view of the planet at that height is absolutely incredible. You can see pretty much half of the entire planet from at that height.

Church: That is cool.

Donut: It sure is.

Church: So, what's Gotham Royal York like?

Miranda: (W.I.T.C.H) Oh, it's got lots of great stuff.

Me: (Through my teeth) You probably shouldn't have asked that.

Poromon: And lots of not so great stuff. LIKE THE BLOOD AND HONEY MOVIE! (shows trailer close to Church's face) HERE! LOOK AT IT! IT'S UGLY, ISN'T IT?!

Church: WHAT THE FUCK IS THAT!?

Mevya: (shows trailer close to Sarge's face) YOU LOOK AT IT!

Sarge: OH SHIT ON A FUCKING STICK!

Manaphy: (shows trailer close to Tucker's face) YOU LOOK AT IT!

Tucker: WHAT THE FUCKING SHIT!

Poliwag: (shows trailer close to Simmons' face) LOOK AT IT!

Simmon: THAT IS SO FUCKING DISGUSTING!

Horsea: (shows trailer close to Caboose's face) LOOK AT IT!

Caboose: WHAT THE FUCKING HELL!

Me: HEY! That's my line!

Jirachi: (shows trailer close to Grif's face) LOOK AT IT!

Grif: WHAT THE FUCKING NUTS!

Tentacool: (shows trailer close to Texas' face) LOOK AT IT!

Texas: WHAT A HORRIBLE ABOMINATION!

Eevee: (shows trailer close to Donut's face) LOOK AT IT!

Donut: WHAT THE FUCKING WHAT!?

Mascots: LOOK AT IT! LOOK AT IT! LOOK AT IT! WE WANT ALL OF YOU… TO FUCKING LOOK AT IT!

They were shocked beyond all words!

Carolina: That is not a good sight to see for them.

Maria: You want the short version or the long version?

Carolina: Short.

Me: It's a dark version of Winnie the Pooh where Pooh and Piglet become ruthless killing machines after Christopher Robin leaves and never returns. They kill several people and all that.

Nico: They even cannibalized Eeyore and the rest of the friends fates are unknown.

Church: This is an abomination to all things Winnie the Pooh!

Avalanche: Hey, you don't hear me complaining about it!

Me: Nope. Also we vowed to never watch that movie even if you paid us.

Qin: Yeah or held a gun to our heads and threatened to blow our brains out.

Nico: Yeah.

Lola: Yep.

Lynn: Yeah that was a horrible movie.

Carolina: Why can't you guys just give those people that made it the black gates.

Me: Believe me we get asked that every time and we tell everyone that we will never do it. The reason is because A) The movie is not real and it never happened. And B) Those people are innocent and our code prohibits us from killing the innocent.

Sarge: Actually, I was gonna ask that you fire a rocket launcher at the sick fucks who made this.

Hard Man: Oh. Well, different question. Same response.

Me: Yeah. Like I said, they are innocent and we would never do that.

Qin: Yeah.

Me: And it's our job to PROTECT the innocent and never do the opposite.

Qin: Yeah.

Sarge: I see your point.

Me: But anyway we should tell you why we are here and that is to destroy Chrovos.

Lola: Yep.

Black Adam: What can you tell us about Chrovos?

Donut: You are not going to like this girl one bit.

He went over her history.

---

Genkins, later Chrovos, is the primary antagonist of The Shisno Trilogy (Seasons 15-17) in the Red vs Blue series, serving as the unseen overarching antagonist of Season 15, the main antagonist of Red vs Blue: The Shisno Paradox and the secondary antagonist of Red vs Blue: Singularity. It is the "God of Time" who manipulates weak-minded individuals into trying to free it.

Chrovos is voiced by Ray Schilens as a male and by Lee Eddy as a female.

A long time ago, Chrovos existed alongside several other gods who created AI fragments known as the Cosmic Powers to enforce their will. The Cosmic Powers, however, rebelled against their makers, and while several Titans were killed, Chrovos was imprisoned. Many years later, however, Chrovos had somehow manipulated Loco of the Blues and Reds into building a time machine which set in motion the events of the Shisno Paradox.

After Donut was transported away by Loco's time machine, Chrovos pulled him out of the space-time continuum. He manipulates Donut into believing that he is God and that he must fix the past to save the future. Chrovos gives him time travel guns for Donut to give the other Reds and Blues to travel through time, setting them against the Cosmic Powers.

The effects of the time travel eventually revert Doc into his O'Malley persona, betraying Grif and stealing his time gun. Doc/O'Malley strands Grif in the past and, due to Doc's weak mind, becomes an Agent of Chrovos.

After Donut later fails to convince his friends to further continue their time travel escapades, he is summoned by Chrovos, who is further manipulated into thinking his friends are on the wrong side. Chrovos offers to spare them if Donut does 'one thing' for him.

After Donut later retrieves the Hammer used to reseal Chrovos' prison, Chrovos commends Donut and pressures him to surrending the Hammer to him. However, Donut slowly comes to the realization that not only does he still care about his friends, but that it was Chrovos who killed him to begin with, planning from the beginning to use Donut and his friends to free him from his imprisonment. Donut goes to reseal him away until O'Malley engages him in combat. After their fight, Donut returns to use the Hammer. Although he succeeded in resealing the barrier keeping Chrovos at bay, the Reds and Blues' actions cause a paradox that resets the timeline.

However, Chrovos is still able to resume his true form before Genkins asks him to take on a more 'human' form, transforming himself into a female form referred to as 'Vengeance'. Chrovos orders Genkins to continue his work while taunting Donut from behind the barrier, revealing that every change Genkins makes to their past adventures creates more alternate timelines, weakening the barrier. Eventually, enough timelines will break the barrier and truly free Chrovos for good. Chrovos taunts Donut as he runs off to stop Genkins.

Chrovos would continue playing mind games with Donut until he and Washington eventually broke their friends free of the Everwhen. After enough of Genkins' failures, Chrovos is persuaded by him to lend him some of her power. Chrovos refuses at first, until Genkins points out that with her shared power, he would be able to kill the Reds and Blues and their power would be transfered to her, thus making her the more powerful of the two once again. Chrovos agrees and gives him most of her power. However, Genkins reveals he merely wanted the power for himself, and that the power from the Reds and Blues would simply be taken for himself. Chrovos curses Genkins as she watches him leave with her power.

In an attempt to stop Genkins and reclaim her power, Chrovos aids the Reds and Blues with breaking free of the Labyrinth that Genkins has trapped them in. Presumably, Chrovos would have reclaimed the power Genkins stole from her once he was defeated. But once Genkins deliberately fell into the black hole to the beginning of the universe, Donut returned to her with a startling revelation; Chrovos is actually Genkins' future self. Genkins went completely mad inside the black hole, proclaiming himself as Chrovos in front of the other Cosmic Powers, where they proceeded to seal him/them inside their prison. Startled by the revelation that she and Genkins were the same being, the Reds and Blues leave to fix the original paradox that started the whole mess, thus presumably keeping Chrovos/ Genkins imprisoned for all eternity.

---

When he was done we were shocked and horrified!

Qin: WHOA!

Nico: So she's a time deity.

Qin: Yeah.

Me: But she is no god at all. She is just a monster.

Ravager: One that we're helping to put down.

Nico: Yep.

Qin: She deserves to be destroyed.

Me: After I strip her of her powers.

Xenia: Yep.

Me: Her powers are too dangerous for the entire universe. And I have a strong feeling that she will try to get us to travel back in time to destroy all evil with the black gates. But that offer is getting to be really a bother and it's really old. Whenever it involves time travel it's always that.

Clyde: You guys can strip her of her powers right before the Megazord battle.

Rich Texan: Why?

Clyde: Because I want to show her in person what my own time powers can do!

Me: You are more than welcome to do so Clyde. Show her what a true master of time can do.

Clyde: With pleasure.

Varie: Yeah.

Lincoln: Go for it.

We had a good meal with the pizza.

Me: Ahh.

Snaptrap: Man, that's good pizza!

Nico: It sure is.

Lola: Yeah.

Qin: It sure was tasty.

Red Ghost: Let'd get the usual battles started.

Me: Okay then.

Qin: You guys are in for a good show.

Nico: Yep. Maria call them in.

Maria: Right.

May: Church, you can participate too.

Church: All right!

Me: Go for it.

Maria called them in and then Roquefort, Ssserpent, Demyx, Duskmon, Dark Laser, Roman Goodwin, Abomination, Blizzard, Scorcher, and Gizmo came.

Nico: Roquefort, Ssserpent, Demyx, Duskmon, Dark Laser, Roman Goodwin, Abomination, Blizzard, Scorcher, and Gizmo.

Roquefort: Looks like we know the identity of the Phantom Ranger.

Ssserpent: I was betting on Zordon's son.

Demyx: I wasn't betting on anything.

Me: Me too. But it was a lot of speculation.

Duskmon: (to Nico) We heard you went to a Candy Bar planet.

Nico: We sure did.

Dark Laser: Did you get one for Flipsie?

Me: Lots of bars for everyone times 100.

Nico: Yep.

?: That is cool.

A figure came out and it was IKARGEN!

---

With Madakko, Ikargen was sent to Earth by Don Armage in order to eliminate the insurgent Kyurangers, arriving following the loss of Karo Eriedrone. On the district of Daikaan Denvil, the pair passed by Stinger and asked him if he had seen the Kyurangers. Stinger answered the assassins by meeting them in battle as Sasori Orange. Quickly finding both of them to be more than a match, Stinger was forced to escape, successfully eluding the pair who he realized were a force to be reckoned with. Though they would soon after witness the fall of Denvil at the hands of KyurenOh, the pair lost no confidence in their vow to eliminate the Kyurangers.

The arrival of the assassins was disclosed to the Kyurangers on the ORION by Stinger. Recognizing them, Shou Ronbou warned that they were a vicious duo and that the Kyurangers were to retreat if they were to meet them. Soon after, Ikargen and Mardakko intercepted the team of five Kyurangers including Stinger who were sent to fight Toome. Proving to be more than a match for five Kyurangers together, the pair's appearance led Shou to order the Kyurangers to retreat in their Kyutamas. Later on, Stinger and Lucky faced Space IkadevilIcon-crosswiki of ShockerIcon-crosswiki, a monster whom the former confused for Ikargen.

Death

The Kyurangers figure out Ikargen's foresight weakness, but cannot figure out a way to beat it until Shou Ronpo's operation sends them to test out his theory. Just when they do, Ikargen defeats them with ease until he is bested by Lucky and has his foresight crystals destroyed. The Kyurangers go all out and defeats Ikargen, both on ground and in robot.

Post-mortem

In order to avenge Ikargen's death at the hands of the Kyurangers, Madakko would offer her services to Scorpio.

---

Spada: Ikargen!

Ikargen: Been a while rangers!

Me: I remember you! You were sent to Earth to destroy the Kyurangers after Eriedrone's defeat.

Ikargen: That's right. Good memory.

Me: Yep.

Ikargen: So this is Ringworld? I thought it was a myth.

Nicole: Oh it's real. It's from the Halo Game series and it's a giant planet ring size colony.

Me: It's like the Stanford Torres Space Colony and that is cool.

Ikargen: Nice.

Nico: Yep.

We got the battles underway.

---

Igawa Asagi: Rarity and Lincoln made her run back into the restaurant bawling like a little baby.

Kurumu: That was so funny and awesome!

Lady Tsunade: It sure was funny to hear about.

Princess Luna: We got an awesome thrill out of that.

Moondust: Yeah it was funny and awesome.

Snowdrop: It sure was.

Gari: Yeah it sure was and we even got it posted all over social media and we turned Mandy into even more of a laughingstock.

Blackout: Yeah that was awesome.

Roquefort: That is awesome! Lets do it!

Raven had an Umbreon out and she had the Limburger Sisters, Chef Pepperjack and Kora Lexxington with her.

Raven, Limburger Sisters, Chef Pepperjack and Kora Lexxington: FUSION HA!

They fused and they turned into an awesome girl that had blue hair and yellow and black clothes and she had cheese angel wings. She was called DAME RAVEN THE SMOKED GOUDA MASTER!

Dame Raven: (In Raven, Limburger Sisters, Chef Pepperjack and Kora's voices) Hello there. I'm Dame Raven of Smoked Gouda.

Roquefort: Wow! That is awesome!

Dame Raven: Thanks. I have good cheese powers.

She fired melted gouda cheese and drenched his cheese ninjas.

Roquefort: Awesome! Now this.

He merged with Cheese Crocker, Dancing Diablo peppers and 2 new villains called the Reaper of Cheese and The Flaming Spicy Chicken as well as a Raticate. They formed into NACHO CHEESE SHOGUN!

Well, this one time, Lincoln and I along with the rest of The Royal Woods Knights of The Michigan Table were riding out on patrol looking for any sign of trouble and we also had the rest of his Guardian Angels with him. Suddenly, we heard a loud vile screech in the air, and we saw who it was coming after us: it was Lola running at us like the monster that she was, and she had a massive army of thugs with her and she was out to kill Lincoln again, that set us off. We rode out there and we'd slain every last one of the thugs, then, we turned our attention to Lola, and we brutally thrashed her. Then, Lincoln chained them up with chains of light and we brought her before the rest of his family, and after we told and showed them everything, Leni, Luna, Luan, Laney, Lucy, Lana, Lisa, Lily, and Mr. and Mrs. Loud were absolutely livid at Lola, and Leni, Luna, Luan, Laney, Lucy, Lana, and Lisa all pounced on Lola, and they brutally beat her into the ground.

Nico: Jeez.

Lincoln: Then, Lola got grounded for eighteen weeks and we threw her in a metal prison container.

Ellie Elsher: Lola screamed and swore that we'd pay for it, but then, I opened a portal and threw a pie at her, and as I got out of there, she screamed and screeched like crazy.

Raven Ghostrick: We were warned about Lola's violent rampages not to mention her anger issues, but we triumphed every single time and we always put a stop to her for good.

Chrovos: So you must be the Superfriends version of Lex Luthor. My plan actually is one that will put the plan of your Prime version to shame.

Superfriends Lex Luthor: What do you mean by that?

Chrovos: I don't want to spoil the surprise.

Then the spirits of the Halo World came and swirled around Chrovos and then they blasted her all over and then converged and then…

A massive fiery explosion blasted off above her and then a phoenix cry was heard and we came out!

Nico: This ends right now Chrovos!

Chrovos: The famous Team Loud Phoenix Storm. How nice of you to drop by. I would have boiled some tea and make some cookies but I'm afraid I have other plans.

Nico: Let me guess. Your plan involves trying to get us to go back in time and use the Black Gates to destroy all evil. (Chrovos laughs) What's so funny?

Chrovos: Not exactly. You see, Void Queen's plan had the right idea. But she was thinking too small. No, after I kill you all, I'm going to use my powers to make sure there's no heroes in the multiverse. And the best part? I get to sit back and watch as villains everywhere fight to be the ruler of the Multiverse.

Me: YOU'RE FUCKING INSANE!

Sarge: You crazy bitch! You think we're just gonna let you carry out this crazy ass plan of yours?!

Me: YEAH! No way are we going to let you do that!

Chrovos: Oh, don't worry. When my plan unfolds, it's like you fools won't even exist.

Iron Boy: (fires repulsors at Chromite) Crap! What do we do?!

Julie got an idea.

I fired waves of lightning and blasted the Chromites.

Julie Carolina: (to everyone watching) Everyone out there! Lend the Reds and Blues your strength! They get stronger with your support! When I give the signal, share your energy with the Reds and Blues! Okay? Ready… go!

Everyone in the audience began sharing their energy with the Reds and Blues. And soon, Church and Sarge found the strength to get up.

Church: We're not gonna just lay down and take this, will we, Sarge?

Sarge: No, we won't!

With that, Church and Sarge fired their blasters at the Chromites, knocking them down.

Chrovos: WHAT!?

Church: Thanks for the help, everyone.

Sarge: I knew the Reds were popular!

Caboose: You meant to say Reds and Blues, right?

Soji and Arata: (Holding their beetles aloft) Henshin!

With that, Soji and Arata slide their beetles onto their belts, causing them to become Drivers of some form.

Kabuto and Gatack Zecters: Henshin!

HENSHIN!

As the Zecters repeat the battle cry, armor begins to form over the two Riders in hexagonal energy patterns. From this Sojigains silver and black armor with red accents and a giant blue visor, while Arata summons blue and silver armor with a segmented red visor and shoulder mounted guns. But just as the two form their armor, each modifies their Zecter, Soji by pulling the bettle horn back, and Arata by pulling apart the stag beetle's horns. This causes the armor they just summoned to start begins to segment and pull apart from their main suits)

Soji and Arata: Cast Off!

With that, the two completely alter the Zecters, Soji putting the horn on the complete opposide side, opening part of a panel on the Zecter, and Arata bending the horns completely against the Zecter's body.

Kabuto Zecter: Cast Off! Change, Beetle!

Gatack Zecter: Cast Off! Change, Stag Beetle!

With these announcements happening, the armor explodes from Soji and Arata's suits, reveaing Soji's red chestplate and Arata's shoulder swords while folding horns resembling the beetles they use into place on their helmets.

Sasword Zecter: Standby!

So and Shun pressing a button on the top of their belts, causing a track to be revealed behind the silver plate as each catches their Zecters, and as this happens, each Rider grabs their Zecters save Daisuke, who's Zecter just settles into the gun grip, Shun and So slide their Zectors onto their belts, and Tsurugi places his onto his sword

Hiyori, Shun, So, Daisuke, and Tsurugi: Henshin!

Zecters: Henshin.

With that, each Rider starts generating armor like Soji and Arata did earlier, only Shun and So are already battle ready, in suits if silver and brown with yellow eyes for Shun and silver and green with red eyes for So, but with both having a golden extender resembling a grasshopper leg, on Shun's arm and So's leg

Hopper Zecter 1: Change: PunchHopper!

Hopper Zecter 2: Change: KickHopper!

(While Shun and So transform, the armor forms completely for the rest: Tsurugi in a purple and brown armor covered in what look like hydraulic tubes, Daisukein some sort of aviation gear. Daisuke pulls the hammer on his now finished gun while Tsurugi lifts up the tail on his scorpion.

Tsurugi and Daisuke: Cast Off!

Zecters: Cast Off!

And just as with Soji and Arata before them, the armor on these riders starts to break apart before exploding off. Tsurugi reveals a more purple armor as he slams the tail of his scorpion back down, revealing a scorpion tail headpiece over green eyes and generally purple and silver armor. And Daisuke reveals his blue and silver armor with dragonfly wing visor. Hiyori turned into her Firefly rider form.

Drake Zecter: Change: Dragonfly!

Sasword Zecter: Change: Scorpion!

Firefly Zecter: Change: Firefly!

Tsukasa: Time for some knight power!

Kamen Rider: Kuwagata Ohger

Kamen Rider: Tonbo Ohger

Kamen Rider: Kamakiri Ohger

Kamen Rider: Hachi Ohger

Kamen Rider: Pàpilon Ohger

Kamen Rider: Spider Kumonos

Tsukasa turned into Kuwagata Ohger and Daiki summoned clones of the King Ohgers!

Nico: YEAH!

Julie Carolina: Alright, that is it, I've had it up to hear with you to last an eternity, Chrovos.

Suddenly, Julie Carolina's red eyes turned neon red and she was surrounded by a blood red and black energy aura with stars, blood, darkness, flames, and Nombyiotes, she unholstered her greatsword from her back, and as she approached Chrovus, she left blood red and black energy, stars, blood, darkness, flames, and Nombyiotes with every step.

Julie Carolina: You make me sick to no end, Chrovos, you've not only caused Sarge and his team too much trouble, but you've not only escaped your imprisonment, but you tried to cause a time paradox and restart the beginning of time from the start so you can impose your rule of tyranny. Now you want to destroy all heroes in the multiverse so evil can reign supreme!? You are no worse than Kronika and many other tyrants who tried to cause a time paradox for their own selfish ambitions. Too many lives have been lost because of you, and now, I will see to it that you die here and now.

Suddenly, Julie Carolina was surrounded by a massive vortex of blood red and black energy with stars, blood, darkness, and flames surrounding it, there's an Nombyiote running around the vortex, and in the vortex is a black phoenix with red eyes glaring at Chrovos: the red eyes of eternal death. Then, as the vortex faded, Julie Carolina emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Julie Carolina grew to 7'4" in height, she has the body of a goddess, she has blood red and black highlights in the bangs of her long blue hair, she has neon blood red eyes and a blood red and black energy aura with stars, blood, darkness, flames, and Nombyiotes surrounding her, she has a Nombyiote emblazoned on her forehead and Third Eye with blood red iris, she has spider earrings with blood red gems for eyes and holding the Blood, Darkness, Fire, and Eternity Kanjis in its legs, she has on her Crystal Necklace of The Buddha with blood red gems embedded in the gold metal flame links and blood red crystal links and blood red spider-shaped Element of Harmony and on the bottom of The Element of Harmony is a Nombyiote with blood red gems for eyes and holding the Blood, Darkness, Fire, and Eternity Kanjis in its hands for the pendant, she has on a blood red open sleeveless blouse, blood red sleeveless crop top, blood red skirt, blood red stockings, blood red legwarmers, blood red sneakers, and long white sleeveless trenchcoat with stars, blood, darkness, flames, and Nombyiotes on the coattails and on the back is a Nombyiote surrounded by blood, fire, stars, and darkness. Suddenly, Julie Carolina felt a sharp pain on her back, and then, massive blood red angel wings with black tips, grew and sprouted out from her back and she now has eleven blood red wolf tails with black tips and black markings, Julie Carolina has on her Ring of the Phoenix with large blood red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Julie Carolina's massive greatsword and all the other greatswords and swords began to merge together and they're surrounded by a kaleidoscope of blood red and black energy, stars, blood, darkness, flames, and Nombyiotes, and when it emerged, it was transformed into Julie Carolina's Dark Blood Underground Inferno Greatsword of Dark Blood Nombyiote Justice, it's a brand-new massive greatsword with embedded black gems and a Nombyiote etched on the 7'4" massive, wide, double-edged blood red blade, large blood red Nombyiote heads for the crossguard, large white angel faces built into both sides of the hilt with blood red gems embedded in the foreheads, longer midnight black handle, four large blood red Nombyiote heads and on the bottom is a large white angelic head with blood red gems for eyes and a blood red gem in its mouth for the pommel, she has on her new large gold cuff Bracelets of The Champions of The Universe with blood red gems on her wrists, her Belt of Elemental Bravery with a gold Nombyiote head with blood red gems for eyes and blood red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a blood red kanji below the Nombyiote that said, "Julie Carolina, Gene-Slammer of The Nombyiote Race, Member of The Underground City Girl, Master of Blood, Darkness, and Fire, Destroyer of Ch'Rell and The Shredder's Foot Clan, Loving Sister of Sarge and Team, Archenemy of Superfriends Lex Luthor, Destroyer of Chrovos, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Master of Blood, Darkness, Fire, and Nombyiotes"

ジュリー・カロリーナ、ノンビヨーテ種族のジーン・スラマー、アンダーグラウンド・シティ・ガールのメンバー、血、闇、炎のマスター、チェレルとシュレッダーズ・フット・クランの破壊者、サージとチームの愛する妹、スーパーフレンズの大敵レックス・ルーサー、クロヴォスの破壊者、悪の破壊者でありスレイヤー、狂った、殺人的、冷酷でサディスティックなろくでなし、驚くべき強力な教師の驚くべき強力な生徒、血、闇、火、および非寄生虫のマスター

Julie Carolina has transformed into SUPER ANGEL-NOMBYIOTE-HARMONY CELESTIAL ETERNAL XELNAGA DIVINE UNDERGROUND BLOOD DARKNESS INFERNO NOMBYIOTE ANGEL OF DIVINE UNDERGROUND BLOOD DARKNESS INFERNO NOMBYIOTE ANGEL JUSTICE AND DIVINE BLOOD DARKNESS INFERNO NOMBYIOTE ANGEL LOVE!

We were amazed by Julie Carolina's Super Angel-Nombyiote-Harmony Celestial Eternal Xelnaga transformation, but when Chrovos saw it, he went mad with rage and fired a blast of energy to kill her, but Julie Carolina fired a powerful barrage of blood red and black energy, stars, blood, darkness, fire, and Nombyiote matter which overwhelmed the energy blast fired by Chrovos and the barrage hit Chrovos and exploded with incredible power as they hit him, and this angered him even more.

Sarge: Incredible!

Julie Carolina: (Divine Echoing Cosmic Voice of The Underground Bloody Darkness Inferno Nombyiote Angel and Divine Underground Blood Darkness Inferno Nombyiote Angel Love) This is only my Phase 1 transformation to kill Chrovos, my Phase 2 transformation's coming up soon against is coming up soon, and against an old enemy of The Ghostrick Gene-Slammers.

Lincoln explained to them about The Ghostrick Destroyers and they were horrified by their crimes.

Sarge: That's just awful.

Me: And they're also twenty-two of the most vicious, evil, and sadistic vampires from Transylvania.

Nico: They hate all humans and want nothing more than to destroy them all, along with The Ghostrick Gene-Slammers, they say they're doing this in the name of God.

Lincoln: When in reality, they're merely being driven by bloodlust and a desire for destruction, plus, they've committed too many blasphemies against God, so there was only one punishment for them: death.

Raven Ghostrick: So far, we have killed Emily Constantia, Eleanor Cruorem, Amelia Daedalus, Chloe Desikan, Scarlett Dragomir, Maya Drusilla, Ella Edwardson, Emma Eleazar, Charlotte Eliodoro, Luna Enoch, Olivia Erasmus, Isabella Ezdemir, Sophia Fayez, Alice Gaspare, Carla Gobara, Scottie Ingrumangel, Aurelia Karayan, Maeve Kearne, Eloise Kieran, and Ophelia Lazarus, and now, Lincoln, Julie Carolina, and Miyuki Shirayuki are going to kill the second-in-command of The Ghostrick Destroyers, Abigail Callidora.

Me: And tomorrow, the final showdown against its leader, Audrey Blade.

Raven Ghostrick: I will never forgive any of her actions seven years ago along with what she and her group tried to do in destroying mankind centuries ago, but what that lunatic did earlier today in resurrecting Mileena and forging an alliance with Rain, Tanya, D'Vorah, Skarlet, Reiko, Sektor, Motaro, Kollector, Shinnok, and Kronika, she has officially marked herself with the dark mark of death, and we will make her pay for what she's done with her own blood.

Twilight Sparkle: Now it's time for you to meet the ultimate force of friendship.

Twilight had all her friends stand in a circle and they joined hands and Twilight was in the middle. Then they chanted an incantation and glowed and merged with Twilight Sparkle! Then in a massive flash of light she emerged as an awesome fusion! She had a rainbow hair and had purple and blue clothes and had rainbow angel wings and she had a horn in the middle of her forehead and she had pony ears and she had a rainbow tail and she had a sun with all the cutie marks of her friends and Twilight.

Celestial Friendship: I am Celestial Friendship, Ultimate Fusion of Twilight Sparkle and her friends and I am the inheritor of the Powers of the Elements of Harmony.

Me: WHOA!

Nico: Her power is completely unreal! That is amazing!

Xenia: Boy no kidding!

Celestial Friendship: And we're going to destroy this monster.

I then went SUPER ANGEL EBONWU UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA COSMIC ELEMENTAL WOLF MOON PHOENIX!

Soji: Hyper Cast Off!

With his battle cry known, Soji presses the lever horn on his second Zecter!

Hyper Zecter: Hyper Cast Off! Change Hyper Beetle!

As the announcement is made, Soji's armor changes, turning from entirely red to red and silver on the chest plate, with the displaced red moving to his knees and around his legs as his horn changes to be a bit wider. This was Kamen Rider Kabuto Hyper Form.

We blasted and smashed Chrovos all over the place.

Lincoln fired a red energy blast and as it hit Chrovos, Lincoln began sucking out all of Chrovos' vast cosmic powers, control over time, and shapeshifting and he made them his own!

Nico: YEAH!

Sarge: Alright! We did it! Chrovos is finally gone forever!

Nico: You got that right, Sarge. Alright, gang, awesome job, we're finally rid of Chrovos for good.

Lincoln: Now, there's only one last thing to do and one last loose end to tie up: Abigail Callidora, the second-in-command of The Ghostrick Destroyers.

?: YOU FILTHY GHOSTRICK SCUM! YOU SHALL ALL BE DESTROYED IN THE NAME OF GOD!

Miyuki Shirayuki: (Japanese Accent) (Growls) I should've known there was no mistaking that voice from anywhere. Get out here right now, Abigail Callidora, before things get really ugly!

A girl with black hair, red hairband, red eyes, and dressed in a black coat, white bridal gloves, white shirt, necklace with red gem pendant, black pants, and black knee-high boots with butterfly buckles came out, and it was none other than Abigail Callidora, religious zealot and fanatical so-called vampire hunter of The Ghostrick Destroyers who was exposed as a murderous demon and heretic, and one of the twenty-two human-despising vampires from Transylvania.

Miyuki Shirayuki: (Japanese Accent) Abigail Callidora, I should've known you'd show up here! Lincoln warned you all to never to show your faces again after he kicked you all out of Royal Woods seven years ago.

Abigail Callidora: We will never stop, all of you shall be destroyed in the name of God!

Me: You really are a delusional religious fanatic!

Nico: And an infinite-times fucked up one for that matter!

Lincoln: I did say they were absolutely insane and driven only by religious delusions, and for that, I blame their parents for that one. But, the jig's up, Abigail, Ophelia already exposed her true self, and that's being one of the twenty-two human-despising vampires from Transylvania.

Miyuki Shirayuki: (Japanese Accent) Indeed, and it's high-time we bring this delusional vampire down for good.

Suddenly, Julie Carolina's red eyes turned neon red and she was surrounded by a blood red and black energy aura with stars, blood, darkness, flames, and Nombyiotes, she unholstered her Julie Carolina's Dark Blood Underground Inferno Greatsword of Dark Blood Nombyiote Justice from her back, and as she approached Abigail Callidora, she left blood red and black energy, stars, blood, darkness, flames, and Nombyiotes with every step.

Julie Carolina: You're indeed everything Raven, The Ghostrick Gene-Slammers, and Lincoln have said you are: irredeemable, unrepentant, remorseless, sadistic, and having a disregard for the lives of humanity. You claim that you were doing this in the name of God, but even I can sense a lie when I see it, you weren't doing this in the name of God, you were doing this because of your hatred for all of humanity, and that is an inexcusable crime that I cannot overlook. Abigail Callidora, your crimes against mankind and the world can never be forgiven, I hope you're ready to be turned to ash by the sun.

Suddenly, Julie Carolina was surrounded by a massive vortex of blood red and black energy with stars, blood, darkness, and flames surrounding it, there's an Nombyiote running around the vortex, and in the vortex is a black phoenix with red eyes glaring at Chrovos: the red eyes of eternal death. Then, as the vortex faded, Julie Carolina emerged, but she was changed forever.

Suddenly, Julie Carolina felt a sharp pain on her back, and then, her massive blood red angel wings with black tips grew much bigger for her new body and she now has eleven massive and long blood red wolf tails with black tips and black markings, Julie Carolina has on her Ring of the Phoenix with large blood red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

We were amazed by Julie Carolina's Super Angel-Nombyiote-Harmony Celestial Eternal Xelnaga transformation, but when Abigail Callidora saw it, she fell into a demonic rage and ran at her with a knife to kill her, but Julie Carolina fired a powerful barrage of blood red and black energy, stars, blood, darkness, fire, and Nombyiote matter at Abigail Callidora, and they exploded with incredible power as it hit her, and the positive energy burned that delusional vampire badly, and this really pissed her off now as we saw her red eyes turn blood red and her fangs grew longer.

Sarge: Incredible!

Julie Carolina: (Divine Echoing Cosmic Voice of The Underground Bloody Darkness Inferno Nombyiote Angel and Divine Underground Blood Darkness Inferno Nombyiote Angel Love) Yep, this is my Phase 2 transformation, Sarge, to get rid of that crazy vampire.

Miyuki Shirayuki: (Japanese Accent) I hope you're not planning on keeping me and Lincoln away from this conflict, because we've got more than a few words to give to that delusional vampire.

Suddenly, Miyuki Shirayuki's blue eyes turned neon blue and she was surrounded by a black and arctic blue energy aura with stars, darkness, light, shadows, snow, ice, yuki-onna, and angels, she unholstered her massive Ghostrick Yuki-Onna's Japanese Winter Darkness Archangel Greatsword of Japanese Dark Winter Darkness Yuki-Onna Angel Justice from her back, and as she approached Abigail Callidora, she left black and arctic blue energy, stars, darkness, light, shadows, snow, ice, yuki-onna, and angels with every step.

Miyuki Shirayuki: (Japanese Accent) I can already see that time hasn't changed you, you're still the same religious fanatic and zealous so-called vampire hunter who was exposed as a murderous demon and heretic seven years ago along with being one of the twenty-two human-despising vampires from Transylvania. We thought we wouldn't have to deal with you ever again after Lincoln chased you all out of Royal Woods, but as always, you refused to learn your lesson, and you had the nerve to come back after you were explicitly warned. You now have nowhere to run to, Abigail Callidora, and now, you shall pay the price for your misdeeds with your own blood.

Suddenly, Miyuki Shirayuki was surrounded by a massive vortex of black and arctic blue energy with stars, light, darkness, snow, ice, and shadows surrounding the vortex, there are yuki-onna, angels, and Ghostrick Yuki-Onna flying around the vortex, and in the vortex is a marine blue phoenix with blood red eyes glaring at Abigail Callidora: the red eyes of eternal death. Then, as the vortex faded, Miyuki Shirayuki emerged, but she was changed forever.

Miyuki Shirayuki has transformed into SUPER ANGEL-GHOSTRICK YUKI-ONNA-YUKI-ONNA-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA JAPANESE DARK WINTER DARKNESS

LIGHT GHOSTRICK YUKI-ONNA ANGEL OF DIVINE JAPANESE DARK WINTER DARKNESS LIGHT GHOSTRICK YUKI-ONNA ANGEL JUSTICE AND DIVINE JAPANESE DARK WINTER DARKNESS LIGHT GHOSTRICK YUKI-ONNA ANGEL LOVE!

We were amazed by Miyuki Shirayuki's Super Angel-Ghostrick Yuki-Onna-Yuki-Onna-Harmony Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Abigail Callidora saw it, she fell into an even more darker and more insane rage and ran at Miyuki Shirayuki with her knife again, this time, to stab her in the heart to kill her, but Miyuki Shirayuki fired a powerful barrage of black and marine blue energy blasts, stars, darkness, light, snow, ice, yuki-onnas, and angels at the insane vampire hunter and they exploded with incredible power as they hit her, and this really pissed her off.

Nico: Whoa, now that's really chilling, Miyuki Shirayuki's transformed, that vampire is so done for.

Lincoln: No villain's ever been safe from Japan's Legendary Yuki-Onna, like Ellie said, she defended me many times from bullies and from Lori, Lynn, Lola, Lisa, and Luan.

Ellie Elsher: For those beyond redemption and have no place in this world, the only thing awaiting them is usually death from her Yuki-Onna's Winter Storm Fury, now death's coming for that bitch.

Miyuki Shirayuki: (Divine Godly Cosmic Voice of The Japanese Dark Winter Darkness Light Ghostrick Yuki-Onna Angel and Divine Japanese Dark Winter Darkness Light Ghostrick Yuki-Onna Angel Love) Indeed it has. Now, let's rip her to shreds, Linky.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious

Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Miyuki Shirayuki and Julie Carolina.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) I warned you of the consequences should you and the rest of The Ghostrick Destroyers dare to show up again, Abigail Callidora, now it's time we put you down for good!

Miyuki Shirayuki, Lincoln, and Julie Carolina went after Abigail Callidora, and they fired extremely powerful blasts of rainbow energy, black and marine blue energy, blood red and black energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Abigail Callidora and they exploded with incredible power as they hit her.

Then, they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and firing energy slashes from his claws and he, Miyuki Shirayuki, and Julie

Carolina also attacked her with punches, kicks, and karate chops, along with elemental blasts, and this was really driving Abigail Callidora mad.

Abigail Callidora: You… YOU! (Red Eyes turning Blood Red with slit pupils and vampire fangs grew) I WILL KILL YOU!

Abigail Callidora's vampiric nature came out, and now, she was out for blood. Abigail Callidora ran at Lincoln, Miyuki Shirayuki, and Julie Carolina, and she tried to attack them, but they dodge her attacks, and then, Lincoln drove his massive greatsword into Abigail Callidora's stomach, and he began sucking out her vast dark powers, immense strength, and vampiric abilities, and he made them his own.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, for the grand finale. VAMPIRIC BLOOD LIFE ENERGY DRAIN!

Suddenly, all the gems embedded in the 7'6" massive, wide, double-edged golden blade of his Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds suddenly began glowing green, and then, Lincoln began draining Abigail Callidora of all her life energy and blood, and when he was done and he removed his massive greatsword from her stomach, Abigail Callidora was now a desiccated corpse drained of her vampiric powers, blood, and life energy, and as soon as her soul appeared, Lincoln fired a blast of energy from his massive greatsword and had her imprisoned inside an energy card. We cheered wildly for what Miyuki Shirayuki, Lincoln, and Julie Carolina did as they holstered their weapons and powered down, and Julie Carolina's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long marine blood red wolf tails, and massive blood red angel wings are permanent., Miyuki Shirayuki's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long marine blue wolf tails, and massive marine blue angel wings are permanent.

Miyuki Shirayuki: (Japanese Accent That's one down and one more to go, and we're now pissing them off greatly. Thank you for helping us get rid of that religious fanatic and zealous heretical vampire, Linky, you too, Julie.

Lincoln: (Smiles Warmly) You're welcome, Miyuki.

Julie Carolina: She did need to pay for what she did, and I'm always happy to help.

Julie Carolina went back to us, and suddenly, Miyuki Shirayuki wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Miyuki Shirayuki's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Ghostrick Yuki-Onna flying in the air, and we saw a herd of Buffalo and many animals running across the field and snow falling and elemental forces behind them and we cheered wildly. Then, Lincoln and Miyuki Shirayuki absorbed the elemental forces and they came back to us as the display vanished.

Nico: Whoa, oh man, now that's what I call a fight of ice against darkness, Lincoln, Miyuki, Julie, you showed that showed that vampire no mercy whatsoever, and sent her to her death.

Lincoln: She didn't deserve any mercy, I warned them never to show their faces again, but those fools never learn.

Me: And you used your Vampiric Life Drain on her, awesome!

Lincoln sent the soul of Abigail Callidora in a cage and he put the curse on her that gave her back her life energy, but once that happened, suction tubes came out and were attached onto her, and then, the suction tubes activated, and Abigail Callidora's life energy was being sucked out of her again: she was condemned to that punishment until all of The Ghostrick Destroyers are killed, and it flowed into Lincoln and The Michigan Supernatural Defense Force as they gained a massive power boost.

Nico: (Snickers) That Room of Tortured Souls is definitely a top-notch prison for some of Michigan's most dangerous thugs and criminals.

Lincoln: And the curse I put on them has continued to work for seven years, that way, they can suffer for all eternity of regaining their life energy only to have it drained out of them again and flowing into us. But, if any of them get a little out of hand, I put in a counter curse, should any of them get a little out of hand or try to escape, the counter curse will activate and the life energy they regain from the curse will not only be drained out of them forever, but they'll be sent to The Black Gates forever with help from our stone gargoyles and stone vampire bats perched outside the castle.

Ravenna Amaranth: And Lincoln also put up a new curse: once all the members of The Ghostrick Destroyers are destroyed and sent to The Prison of Tortured Souls and all their life energy has been drained, they will be sent to The Black Gates forever.

Me: Cool!

Nico: So, you'll keep them imprisoned inside the castle's prison until that day comes, nice one. So, Lincoln, which Noble Knight Gene-Slammer are you meeting tomorrow?

Lincoln: Ooh, I've got just the one: we'll be meeting the Gene-Slammer of Noble Knight Pellinore.

Melanie Artorgius: (Gasps) Awesome, and there's only one who'd be Gene-Slammed into Noble Knight Pellinore, Penelope Pellinore, and you guys will love meeting her, Penelope Pellinore is Lincoln's Guardian Angels from Michigan and she's a very powerful wielder of light magic and a very powerful swordswoman and a member of The Royal Woods Knights of The Michigan Table. She trained Lincoln both in the art of swordsmanship and magic, and he became a very powerful swordsman and master of magic, and she also taught him much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those he loves and holds dear to his heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Penelope Pellinore is also a direct descendant of Pellinore of Camelot.

We gasped.

Me: Pellinore, one of the skilled Knights of the Round Table, and the king of Listenoise in Arthurian legend, and in the tradition from the Old French prose, he is associated with the Questing Beast and is the slayer of King Lot. His many children include the sons Aglovale, Lamorak, and Percival, and the daughter Dindrane.

Katara Chevalierflamboyant: (French Accent) That's right, plus, Lincoln made her a dark purple coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Penelope Pellinore hate Lola with a very blazing passion. One day, Penelope and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Luan, and she brought with her an army of thugs she hired. Penelope and Lincoln went out there along with the rest of us, and they'd slain them with her greatsword. It drove that little monster into a blood-crazed fury, but before she could get after us, Lincoln and Penelope fired chains of light magic which bound that bitch and tied her up.

Nico: Did he call his family and his nice sisters for this?

Lincoln: Yep, and needless to say, Leni, Luna, Laney, Lucy, Lana, and Lily wanted her head on a pike!

Me: Should've known she would do something like this.

Lincoln: I know, but I wasn't surprised, Luan tried to kill me many times in the past, but in the end, their plan failed, and Luan got grounded for eighteen weeks, and to make sure that she didn't try to get revenge on us, Penelope Pellinore and I casted a spell to prevent them from coming back to hurt us.

Me: Yeah, messing with the descendant of Pellinore of Camelot and one of the members of The Royal Woods Knights of The Michigan Table will have dire and disastrous consequences.

Nico: That insane pranking monster really hated that her greatest "plan" was foiled once again, and she got into even more serious trouble.

Lincoln: She seriously didn't even know when to quit, and to make it worse, her plan also earned her the vengeance of my nice sisters. And now, for tomorrow, the time to destroy Audrey Blade has finally come at long last.

Raven Ghostrick: Yes, it has. For seven years, she and her Ghostrick Destroyers have tried and failed to destroy us and all for their "religious duty to God" when in reality, they want nothing more than to destroy humanity, and then, watch the world burn. We have slain Abigail Callidora, Emily Constantia, Eleanor Cruorem, Amelia Daedalus, Chloe Desikan, Scarlett Dragomir, Maya Drusilla, Ella Edwardson, Emma Eleazar, Charlotte Eliodoro, Luna Enoch, Olivia Erasmus, Isabella Ezdemir, Sophia Fayez, Alice Gaspare, Carla Gobara, Scottie Ingrumangel, Aurelia Karayan, Maeve Kearne, Eloise Kieran, and Ophelia Lazarus, and now, Audrey Blade is all that remains. Soon, she will pay for the crimes that she has committed for centuries, and she and her undead group will be sent to eternal Oblivion for good.

Blu flew at the Meta.

And pecked it all over and then Matau knocked him out.

Matau: I'll call Calamitous to have him reprogram the Meta's mental problems out of him.

Blu: All right then.

We went back.

Caboose: In space, no one can hear you scream as you die.

Roman Goodwin: We just took out Chrovos and that's all you say?

Caboose: It's true.

Abomination: Either way, the timeline and the Multiverse are safe.

Nico: That's for sure.

Blizzard: (to Blu and his friends) You guys helped too.

Blu: We sure did!

Me: We owe you big time guys.

Church: See you guys in 7 days.

Blu: Looking forward to it.

Church shook Blu's wing with his hand.

Gizmo: I wonder if the rest of the pizza's gotten cold.

Scorcher: I can always heat it up.

Me: Good idea.

Nico: And that's Julie's missions done.

Julie Carolina: It sure is.

Me: Yep.

Nico: This was awesome. Great job today everyone.

Carolina: (To the viewers) Hope you all loved this mission.

Me: I know we did.

We later went back home after celebrating and got the Red VS Blue team settled in and went to sleep after enjoying the rest of the day.

Me: They sure are.

Nico: Yep. And also the one that scared the living shit out of me was Pennywise the Clown.

Me: I know. The ones from both 1986 and 2017 were both scary as hell.

Lola: They sure were.

Brittney: I wasn't scared by those clowns one bit.

Nico: We know.

Lily: But this will be awesome. We didn't give the Pennywise the Black Gates. Now we have a chance to finish some unfinished

Business.

Qin: That's for sure!

Nico: Yep.

Ebon: It will be fun.

Lily: It sure will.

Nico: Lily, I want to thank you, Ebon, and your teams for coming.

Lily: No problem Nico.

Ebon: Are you doing all right after you were beaten up by that teenage rebel version of you?

Lily: I sure am. Much better than ever.

Nico: Good good.

Lola: Yeah.

Nightshade (Skylanders): That is good that you are much better after that Lily my good girl.

Lily: It sure is and that was awesome facing my teenage self.

Me: It sure was scary seeing that.

Nico: Nightshade, what's the best thing you've ever stolen?

Nightshade: That would have to be the Dark Eye of Tomorrow from the Midnight Museum.

Brittney: Wow! I remember that place. That was the very spot where the Dark Skylanders made their debut.

Princess Luna: Indeed it is and that is really interesting.

Nico: That is so cool.

Lola: It sure is.

Nightshade: Indeed it is. And that was my most amazing adventure.

Me: You are an amazing thief and you gained an incredibly notorious reputation as Skylands Most Notorious Thief.

Nightshade: Indeed. Not to brag about it but it sure is an amazing sight.

Nico: Have you stolen anything from Gotham Royal York?

Nightshade (Skylanders): I'm going to set my sights on this.

He pulled out a newspaper article and it was for a big beautiful blue diamond crystal egg wrapped in beautiful gold and adorned with emeralds and malachite and rubies and sapphires.

Me: (WHISTLES) That is a beautiful egg.

Nicole: That's the Emperor's Diamond Egg of Ivan the Terrible. It was made back in Russia back in the 16th century as a birthday present for the First Tsar of Russia Ivan IV Vasilyevich.

Nico: Ivan the Terrible.

Nicole: Yep. It's a very priceless egg that was put into the Smithsonian Institution and was stolen three years ago by this man.

She pulled out a wanted poster of a gangster thief.

Nico: Quincy "The Fox" Gunnerson!? Whoa I've heard about him. He is one of the most notorious gangster bosses in all of the United States. Before I joined the team I was after him for years. I made it my last mission to catch him before I joined you guys.

Me: We didn't know that Nico.

Lola: Yeah.

Applejack: That is amazing that you were trying to catch him.

Nico: Yep. Maybe you guys can help me on that mission for a rescue.

Me: We would be honored.

Nico: It was fun helping the Reds and Blues yesterday.

Me: Boy it sure was and it was amazing seeing Ringworld again.

Nico: It sure was.

Lola: Yep. And we got rid of Chrovos forever.

Laney: We sure did.

Nico: Yep.

Lola: But Chrovos' plan was horrible to the Infinite Nth Degree.

Nico: The one thing worse than a multiverse with no evil is a multiverse without any heroes.

Me: That is absolutely fucking insane! A Multiverse with no heroes is what I call the ultimate fate worse than 500 Quadrillion Hells.

Nico: Yeah that is very well put.

Me: Like I keep saying, Good can't exist without Evil and like that, Villains can't exist without Heroes.

Camie: That's right.

Himiko: I agree there. I was a villain myself and Ochaco stopped me numerous times before.

Nico: Wow.

Fiona Hernandez: That's right and Good VS Evil is a never-ending and constant eternal battle.

Nico: How about we bring Georgie back while we're here.

Me: Good idea.

Qin: That repulsive clown is going to get it big time.

Lincoln: This is going to be so awesome, not only are we going to get another shot at killing Pennywise again, but I sense it, Pinkie, just like Twilight, Applejack, and Rarity, you're going to transform into your most powerful and ultimate transformation, just like when J.D. and I ascended.

Pinkie Pie: This is going to be so incredible!

Me: You got that right.

Nico: That demon clown from another dimension's going down once more and at the hands of a true master of laughter.

Me: Yeah, we'll make sure that monster gets the beating of a lifetime.

Lincoln: Right.

Nico: This is gonna be good.

May: Bring back Georgie is a good idea?

Nico: May, Pennywise killed Georgie and it devastated his brother Bill big time.

Laney: Yeah no way are we going to get away with that.

Camie: What can you tell us about Pennywise?

Me: He is a pure evil demon clown.

I went over his history.

---

Like the novel, It was part of the disasters that occurred every 27 years in the very town of Derry. It is presented as a ravenous cosmic entity with eldritch attributes instead of the enemy of Maturin, who is totally absent from this universe.

October 1988

It first appears to Georgie and talks friendly with him to gain his trust.

It reveals Its true colors when Georgie was about to get back his boat, by ripping off his arm and dragging him into the sewer to finish him.

June 1989

Mike, escaping from Henry Bowers's gang runs off into an alley and as he walks through a locked door, he hears screaming and pounding. The door opens a little and several burned hands start to come out alongside the cries for help from Mike's parents (who died in a fire when Mike was little). A little later, the hands were hidden and the screaming stopped, but suddenly the door swings open and Mike watches Pennywise murdering a sheep behind plastic curtains.

Stanley is in a synagogue studying for his bar mitzvah. As he walks through the rabbi's office, he observes a painting showing a woman with a deformed face in the style of Amedeo Modigliani. The paint falls off, and when Stan picks it up, the woman is no longer there. When Stanley turns, "It" manifests as the woman and smiles at him with her fangs, but Stanley manages to run away.

Ben is in the library looking for Derry's story. From a series of articles, he learns that Derry's children have been disappearing under mysterious circumstances for centuries. The book contains a representation of Pennywise and the head of a missing boy in a tree. After observing a red balloon floating towards the library corridor, Ben follows him only to discover an Easter egg that begins to follow the trail down the hall to the basement. When Ben goes down to the basement, he is suddenly chased by Pennywise turned into a headless boy, then the librarian appears to ask Ben what he is doing in the basement, while Pennywise disappears without a trace, leaving Ben totally scared.

It appears when Mike is bullied by Henry Bowers and his gang behind trees, eating a blooding arm. He salutes him by making greetings movements with the arm. Mike is pursued by Patrick Hocksetter in the sewers. The latter, separated from the rest of his friends, gets lost and meets some demonic-looking children who make him run, but he reaches a dead end. A red balloon appears before him with the phrase: "I love Derry", when it explodes reveals Pennywise with a bloody mouth. Pennywise immediately brutally murders Patrick.

Later, Eddie is walking back home when he passes an abandoned house on Neibolt Street, he is suddenly frightened by "It" disguised in a leper, causing Eddie to run around the courtyard of the house. Upon reaching a fence, Pennywise tries to lure him with balloons but a horrified Eddie runs under the fence and escapes.

Pennywise then attacked Beverly from the bathroom, by making voices of some children coming from the bathroom and when she goes to observe, the strands of her hair come out of the bathroom and hold her by the neck before a source of blood shoots out of the washbasin and stains the entire bathroom.

Bill is sleeping inside his house when he sees Georgie running to the basement. Surprised, he enters the basement, which is flooded. Georgie appears and invites Bill to join him saying, "We all float here." Georgie repeats the words "You'll float too" until he screams and decomposes. So, Pennywise emerges from the water and tries to catch Bill, but he runs outside.

The children go to Bill's garage where they observe Derry's map through a projector. They discover that all the sewers in the town are attached to the Neibolt Street house, where they believe It lives. The projector then begins to show images of Bill and Georgie with their parents, but with Pennywise's face appearing above their mother. Mike kicks the projector in order to turn it off, but it continues to display images until Pennywise (with a giant size and a very terrifying and disturbing smile) comes off the screen and tries to attack them. But they manage to get out of the garage before the creature can harm them.

The Losers Club goes to the Neibolt house to confront Pennywise. It first attacks Eddie, again in the form of the leper, causing Eddie to fall in the kitchen of the house, breaking his arm in the process. Meanwhile, Bill and Richie try to help him but Richie finds a door, revealing a room full of clown dolls. Richie observes a coffin where he finds a doll of himself. After closing the coffin, Pennywise jumps out of it and utters the phrase, "Beep Beep Richie," attempts to attack him, but Richie manages to flee the room with the help of Bill causing Pennywise to turn his attention back to Eddie, who sees

Pennywise exit from a refrigerator and try to attack it. Meanwhile Bill and Richie try to go help him, but they find three doors in which the following bloody phrases are written: "Not scary" in the first, "Scary" in the second and "Very scary" in the third. These choose to open the first door, revealing a girl with no legs. After this Richie panics, but Bill tries to calm him by saying that none of it is real, when they open the second door they discover the clear hallway and hear Eddie's screams in the kitchen asking for help and they run to help him. They get to where Pennywise and Eddie meet and prevent the clown from murdering him. The clown reveals to Bill that he was Georgie's killer, tries to kill them, and suddenly, Beverly appears and sticks a spear into Pennywise's head. However, all three are cornered while Pennywise is willing to murder them. He manages to hurt Ben and runs away from the place.

Henry finds a red balloon in his mailbox. Inside, he finds a box with his father's knife, sent by It. Henry enters his house, where he finds his father sleeping with the television on. A woman with children (all victims of It) appears on the screen, prompting Henry to kill her father. He does so by driving the knife into his neck and letting him bleed to death. Then the kids on TV start singing, "Kill them! Kill them! Kill them!" being followed by Pennywise with a macabre smile.

After that, Pennywise kidnaps Beverly after she killed her father. It writes on the wall with blood: "You die if you try". Bill, entering Beverky's house, realizes that Pennywise kidnapped Beverly, so he decides to repair his friendship with Richie, Stanley, Ben, and Mike to rescue her.

Beverly wakes up in the sewer and observes a mountain of objects and all the children killed by Pennywise floating. She tries to leave the place until Pennywise appears dancing, she finds a way out, but the clown catches her and Beverly admits not being afraid of him. Unfortunately, Pennywise opens his mouth, revealing the Deadlights inside (if heard correctly, people can be heard screaming "Help!" "Help!") and this causes Beverly to go into a kind of trance.

As the Losers walk down the sewers, Stanley is attacked by It in the guise of the misshapen woman. She bites her head, but the children manage to push her away from him while comforting a traumatized Stanley.

Finally, the children find Pennywise's lair: where they discover all the children that "It" once murdered floating in daylight under some kind of trance. The group finds Beverly floating and throws her down while Ben kisses her to free her from the trance. Bill watches Georgie emerge from the shadows. Georgie tells Bill that he missed him and that he was waiting for him to come and rescue him. Bill hugs his brother, but he knows he really isn't Georgie and shoots him in the head with Mike's nail gun. Georgie's body writhes on the floor until it becomes Pennywise. The clown attempts to kill all seven children, but the children fight him until Pennywise catches Bill. Pennywise gives them the option to leave and let him murder Bill or have everyone die together. Bill tells them to run away, but Richie decides not to leave his best friend and runs against Pennywise to attack him. All the children start beating Pennywise (he also fights with them transforming himself into their worst nightmares) with metal things until leaving him powerless and unable to hurt them because they no longer fear him. But Pennywise becomes scared of the Losers Club itself, as it crawls back trying to get away from them, but Bill tells Pennywise that he now knows why he didn't kill Beverly and declares he'll starve. Before Bill can deliver the final blow, the head of a badly wounded Pennywise begins to crack and the creature whispers: "Fear" before retreating into darkness. Unknown if it's dead or alive.

All of the children killed by Pennywise begin to float down as Bill finds Georgie's waterproof jacket. He realizes that his younger brother really is dead and cries while his friends hug him to comfort him for his loss.

1 month later after their eventual triumph against It, Beverly informs the group of a vision she had while catatonic, where she saw them fighting It as adults. The Losers form a blood oath that if this evil that is It should ever revive, they will return to Derry in 27 years and destroy him once and for all. After the other Losers depart one by one, Beverly tells Bill that she is moving to live with her aunt in Portland, Oregon the following morning.

27 years after the events of the first film, It resurfaces when a group of homophobic teenagers beat up and toss a gay man named Adrian Mellon off the bridge. It then slaughters Adrian in front of his

lover before presumably using his blood to write a message to Mike about Its return. As such, It wasted no time in hunting the children of Derry, such as when It uses empathy to lure a young girl named Victoria into getting closer to It under the false assumption that It'd help make the birthmark on her face disappear. To further torment Bill, It sends him a skateboard, explicitly letting him know that It was going to go after the young Dean next. Realizing that Dean was heading to the carnival, he chases after him into the hall of mirrors. Unfortunately, It gets the upper hand and gruesomely kills the young boy in front of him. Horrified to have lost another young boy after Georgie, Bill decides to head to the Neibolt house to personally kill It after Henry wounds Mike and Eddie.

After each member of the Losers Club went down their own quests to retrieve artifacts from their pasts to complete the Ritual of Chud, the ritual seems to work when it traps Its Deadlights inside of the vase, but it goes awry. A giant version of Pennywise emerges, revealing that the 7 members of the original natives known as the Shokopiwah tribe who had performed the ritual were immediately slaughtered by It. This version of It is a combination of Its default form Pennywise the Dancing Clown and the Giant Spider as described in the book. It then warps the Losers Club into different nightmarish scenarios, but they inevitably overcome their fears. It traps Richie in Its Deadlights, forcing Eddie to grab the pole Beverly gave him earlier and attacks Pennywise with it under the belief that it could kill It. Unfortunately, Pennywise impales Eddie with one of Its spider-like appendages, swings him around like a ragdoll, and tosses him, leaving him with a large wound in his abdomen.

This one-act proves to be its undoing, however, when the Losers Club realize that in order to defeat It, they had to make It believe that It was smaller. Despite Its insistence that It was the "eater of worlds", the remaining Losers insult the clown repeatedly until It is forced into a smaller, infantile form. It attempts to lash out at Mike but is too weakened. To It's horror, Mike reaches into its chest and grabs It's beating heart. It tries to grab it to no avail and is left crying like a baby, It's final words being "Look at you… you've all grown up!" with weak laughter.

The Losers each mutually take a hold of the heart and crush it slowly. It reacts in pain until the heart exploded into a pasty substance, killing It and avenging everything It has caused. It falls silent as Its body turns to ash and the Deadlights vanishes, erasing It from existence. The Deadlights disappearing implies heavily that the Deadlights were Its true form. After It's death, Richie tries to coerce Eddie's corpse awake, not accepting that he was truly gone till near the film's end after jumping into the lake with his partners. His attempts of taking the body with him, but fail when Its lair and the Neibolt house start to crumble and collapse in response to It's demise. The Losers are forced to leave Eddie's body in Its lair and the Neibolt house collapses on itself, sinking into a hole in the ground. After Richie accepts Eddie's death, he writes R and E on this fence shortly later in memory of Eddie.

Much like the 1990 miniseries, It is depicted as not having eggs implying that It was the only creature of this caliber to exist (unless the book implied that It asexually reproduces). Also, unlike the novel where Derry is nearly destroyed immediately following the supposed death of It, the Neibolt house is the only casualty. It also does not enlist Tom Rogan with abducting Bill's wife Audrey as both characters had minimal appearances. It also manipulates Henry into murdering his father while speaking through some hostess while It never used someone in the book nor miniseries to make Henry end his father's life.

Also, It's true form (in the 2017 and 2019 films of It) is three rotating orbs of concentrated energy rather than anything remotely resembling a mass of orange crawling lights or an arachnid. Although It takes on the shape of a drider, this is not Its true form and instead, a form that's best equipped to deal with an attack from multiple opponents. It also dies for good this time, and there is no implication suggesting It may be still alive. Bill Skarsgård added new layers to Its personality, explaining that the clown got a thrill from being defeated and experiencing fear, and believed the clown subconsciously wanted to be killed or to cease existing. In that respect, It won. However, it is debatable if this is canon or not and if Andy Miscuietti also shared this interpretation. If it is true, it only applies to the recent continuity and not the miniseries or the novel.

When I was done everyone that hadn't heard about was horrified!

Nico: Yeah and he is pure evil

May: I meant to say that bringing back Georgie is a good idea. Sorry!

Nico: Oh. No worries.

Eli: Either way it's time to rid the world of that repulsive clown forever.

Nico: Well, might as well bring back Georgie now.

Me: Right. (SNAPS FINGERS)

I snapped my fingers and then the skies had light shine down and the divine singing of angels was heard and then we saw a figure come down and it was Georgie! He was brought back!

Georgie: What? What happened? I'm back?

Me: You sure are Georgie.

Nico: What's the last thing you remember?

Georgie: This clown I saw in the sewer and he gave me my paper boat back and then next thing I new I was being mauled by this clown.

Me: That was not a clown. That was a monster from another dimension. He's called It.

Nico: Ugly story.

Laney: Yeah.

Georgie: Where is Billy!?

Nico: In very big trouble!

Lincoln: (Senses for Pennywise) Aha, I caught him, he's 200 clicks north of our location and he's cornered The Losers' Club.

We headed on over and went into the sewers, and before Pennywise could kill them, suddenly, the spirits of all those who were killed by Pennywise since 1908 appeared out of nowhere as they flew around the place and they fire blasts of elements and energy at Pennywise and he was hit badly. Then, the spirits all converged and they crashed onto the ground as a Thunderbird screech and Phoenix cry was heard and we appeared, and The Losers Club went to join us, and when Pennywise saw us, he was indeed furious we ruined his dinner.

Pennywise: You! You've ruined my dinner!

Nico: Sorry to intrude, but you're done snacking and killing innocent people, clown!

Me: And you are going to pay for each one of them!

Pennywise ran at us to kill us, but Lincoln fired a blast of rainbow energy and fire at Pennywise and it sent him flying into a wall, he got back up, but this angered him even more.

Pinkie Pie: Nice shot, Linky.

Nico: Now, the fun's about to begin! Say your prayers, clown!

Nico: How about a knuckle sandwich?!

KRABLAM!

He punched him square in the face.

Bill: We're not afraid of you anymore! WELCOME TO THE LOSERS CLUB ASSHOLE!

Me: And your final meal is death you motherfucking assholelipped shitchewer!

I fired a wave of light and blasted him all over and May, Maria and Eli fired waves of lightning, ice and water and blasted Pennywise all over!

Me: And another thing, Welcome to the 21st Century Motherfucker!

I fired waves of energy and elements and blasted him all over the place!

Pinkie Pie: AND I HAVE HAD IT WITH THIS CLOWN!

Suddenly, something within Pinkie Pie's mind snapped as memories of Pennywise's murderous spree of death going back to the early 1900s rushed through her head and her light blue eyes turned neon light blue and she was surrounded by a pink energy aura with stars, confetti, balloons, magic, gears, and Alicorns, she unholstered her massive Pinkie Pie's Tech Skylander Alicorn Greatsword of Comedic Laughter and Magical Tech Friendship from her back, and as she approached Pennywise, she left pink energy, stars, balloons, confetti, gears, magic, and Alicorns with every step.

Pinkie Pie: You make me absolutely sick to no end, Pennywise, you used the fears of all the innocent children of Derry to drive them insane so you can eat them, and you've done this sort of thing every 27 years, it's completely unforgivable. (SUDDENLY GETTING EXTREMELY ANGRY AT PENNYWISE) And for what you have done to poor little Georgie all those years ago and traumatized his older brother, and the added fact that you have absolutely no remorse at all… , (CANTERLOT ROYAL VOICE) YOU HAVE COMMITTED A TRULY GRAVE SERIES OF TRULY UNFORGIVABLE ACTIONS THAT'VE PLAGUED DERRY FOR FAR TOO LONG, AND YOU DO NOT DESERVE TO BE FORGIVEN FOR ANY OF THEM! PENNYWISE THE CLOWN, THE CRIMES THAT YOU'VE COMMITTED AGAINST EARTH CAN NEVER BE FORGIVEN, AND FOR THAT, YOU SHALL PAY THE ULTIMATE PRICE WITH YOUR LIFE!

We gasped at the sudden extent of Pinkie Pie's sudden fury: Pennywise was now in extremely big trouble!

Me: OH MAN!

Eli: UH OH!

Nico: OH SHOOT! THE CLOWN'S IN EXTREMELY GIGANTIC TROUBLE NOW!

Lincoln: You'd never expect that sort of thing from Pinkie, but what Pennywise just did, now he's in huge trouble now!

Lincoln, Twilight Sparkle, Rainbow Dash, Applejack, Rarity, Fluttershy, Starlight Glimmer, Sunset Shimmer, Trixie Lulamoon, Vinyl Scratch, Wallflower, The Canterlot 5, and the rest of Twilight Sparkle's Friends: STAND YOUR GROUND, GANG! SHE'S GOING TO BLOW!

Me: HIT THE DIRT KIDS!

Everyone ducked and covered and We immediately stood our ground as Pinkie Pie screamed with such extreme and violent rage and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive explosion of energy and she was surrounded by a massive vortex of pink and blue energy with stars, balloons, magic, gears, and confetti surrounding the vortex, there's an alicorn flying around the vortex, and inside the vortex is a light blue phoenix with red eyes glaring at Pennywise: the red eyes of eternal death.

But, when Pennywise saw it, he transformed into his true form: a gigantic spider and tried to rush at her to kill her, but Pinkie Pie fired a massive barrage of pink energy, stars, gears, balloons, confetti, magic, and Alicorns at Pennywise, and it hit him and sent him flying into another wall, and he also got burned badly by the power of Laughter, he got up, but he was really furious now and he roared with anger.

Eli: That is an understatement!

Nico: This clown gives all clowns EVERYWHERE a bad name!

Pinkie Pie and Lincoln went after Pennywise, and they fired extremely powerful blasts of rainbow energy, pink energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Pennywise and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws and firing energy slashes from his claws and he and Pinkie Pie attacked him with punches, kicks, and karate chops and they were mega-painful because of their superhuman strength, along with elemental blasts, and this was really driving Pennywise mad.

Maria: Whatever you do, don't drown us!

Pennywise: Good idea!

Pennywise turned into water.

Maria: Sucker!

Maria used the water against him and drenched him all over!

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws and firing energy slashes from his claws and he and Pinkie Pie attacked him with punches, kicks, and karate chops and they were mega-painful because of their superhuman strength, along with elemental blasts, and this was really driving Pennywise mad.

Pennywise: I HATE EVERY LAST ONE OF YOU!

Our energy auras flared up as we'd gotten stronger thanks to his extremely massive hatred.

Nico: YEAH, FUCK YOU TOO, UGLY!

Me: You're just a pathetic clown!

That one hurt him! BAD!

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Hate us all you want, but in the end, your hatred just makes us even stronger! (Rainbow Energy Aura flares up) But, your hatred has made you blind and weak, you may have thought no one would ever get in your way, but you underestimated your opponents, and in the end, that's why you will die here like the monster that you really are.

Lincoln ran at Pennywise and then he drove his massive greatsword into Pennywise's stomach, and he began sucking out Pennywise's Control over the Deadlights, high intellect, mastery of disguises, manipulation, trickery, cunning, vast exceptional powers, Essokinesis, shapeshifting, mind control, Megethoskinesis, Immortality, Parafrosýnikinesis, Possession, Somnipathy, superhuman strength, superhuman speed, superhuman flexibility, universal psychic powers, regeneration, teleportation, partial invisibility, chlorokinesis, telekinesis, telepathy, near-invulnerability, illusions, lumokinesis, and nigh-omnipotence and he made them his own. Then, he removed his massive greatsword from that clown's stomach.

Pinkie Pie: Nice one, Linky. Now, let's end this monster for good.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) On it, my Alicorn Princess of Laughter.

Lincoln and Pinkie Pie made two pink energy balls with balloons, gears, confetti, stars, and magic surrounding them, and Pennywise, not liking this, was frozen with fear.

Lincoln and Pinkie Pie: LAUGHTER'S FURY MEGABLAST!

Lincoln and Pinkie Pie fired the balls of pink energy with surrounding balloons, gears, confetti, stars, and magic, and they hit Pennywise and not only did they explode with such incredible power, but the energy blasts hurt him REALLY BAD!

Then I used my psychic powers and then it took his arm and then…

CRUNCH!

Pennywise: Aah! Oh… (I WAS TWISTING HIM AROUND AND BREAKING MANY OF HIS BONES!) Oh! I can't start over! (BONES BREAKING AND TWISTING AND SNAPPING) Oh! What would that even look like? ( whimpers ) (I WAS BENDING AND TWISTING AND SNAPPING HIM ALL OVER LIKE A CONTORTIONIST) Dancing for followers on TikTok? ( groans ) I haven't written a joke since 1647. Aah! And that material has not… ( exclaiming, grunting ) Aged… well.

I TIED HIM UP IN REALLY BIG AND BAD KNOTS!

Pennywise: Oh… I blame cancel culture.

Pennywise turned into water again.

Maria: You idiot! I bet you can't keep yourself together as a liquid!

But then Pinkie Pie fired a wave of energy and obliterated him and also sent him straight to The Black Gates forever! NEVER AGAIN WILL PENNYWISE RISE AGAIN TO KILL TO SLAKE HIS HUNGER!

We all cheered wildly for what Pinkie Pie and Lincoln did as they holstered their massive greatswords and powered down, and Pinkie Pie's new body, clothes, weapons, jewelry, Third Eye, longer pink curly tail, and massive pink angel wings are permanent.

Suddenly, Pinkie Pie felt wobbly and almost fainted, but Lincoln caught her in his abnormally massive and powerful muscular arms.

Lincoln: Are you okay, Pinkie?

Pinkie Pie: I'm a little dizzy, but I'm okay.

Me: Now, you know how we felt when we went through that, but that was so awesome! You and Lincoln both showed that monster absolutely no mercy whatsoever!

Nico: And that combo you guys used on that monster definitely sent him straight to The Black Gates for good!

Pinkie Pie: That monster had it coming.

Suddenly, Pinkie Pie turned to face Lincoln and she'd wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Pinkie Pie's face, they kissed passionately as Pinkie Pie moved her hands and placed them on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and an Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field with balloons appearing behind them and we cheered wildly. Lincoln and Pinkie Pie then absorbed the elemental forces and they came back to us as the display vanished.

Me: That was so awesome!

Georgie: Yeah it was!

Bill: Thank you so much guys!

Beverly Marsh: That was so awesome!

Me: Aw it was nothing.

Beverly Marsh: How did you do that to him?

Me: I can do anything. We all can.

Maria: That's what happened to the Masked Mutant before. He could only turn back from a solid.

Nico: Yep.

Bill: That was clever.

Georgie: It sure was.

Qin: Yeah!

Me: That was awesome though.

Maria: Who do we have?

Eli: I sense that we have Another Clutching Foot, Weremole, Spirit of The Harvest Moon, Freaky Fred, Great Fusilli, Stitch Sisters, King Ramses, Jeeves Weavil, McPhearson Phantom, Bushwick, Violin Girl, Nightshade and Ebon.

We gasped!

Me: WHOA! So mostly all of Courage's enemies.

Nico: Yeah!

Lola: This is gonna be awesome.

Nico: It sure is.

Laney: Yeah and I remember seeing them too.

Lana: Me too.

Bai Tza: Especially the Clutching Foot with Big Toe and his gang.

Me: No kidding.

Me: Lets see.

I formed and pulled out a list of them.

Alex VS Clutching Foot

No archenemy for Weremole

Elizabeth (Seven Deadly Sins) VS Spirit of The Harvest Moon

Takashi VS Freaky Fred.

No Archenemy for Great Fusilli

Kerfuffle VS Stitch Sisters

Naori Uchiha for the Ghost of King Ramses

No archenemy for the Jeeves Weevil

No Archenemy for the McPherson Phantom

No Archenemy for Bushwick

No Archenemy for the Violin Girl

Me: That's funny. We haven't picked archenemies for Weremole, Great Fusilli, McPhearson Phantom, Bushwick, Violin Girl or Jeeves Weevil.

Nico: Oh.

Me: Luckily I do have awesome choices picked. I summon LaMoon, Amazon of The Seas, Ice Water, Dark Witch, Dunames Dark Witch and Water Girl!

I summoned said monsters!

LaMoon: We're ready guys!

Qin: Cool!

Then in swirls of elements and energy came Alex, Elizabeth (Seven Deadly Sins), Takashi, Kerfuffle and Naori Uchiha.

Takashi: Hey, guys!

Me: Glad you could make it.

Qin: Yeah!

Lola: Yep.

Eli: I sense that all of them minus Another Ebon are one person.

Qin: Wow.

Nico: There they are!

We saw the figures and they were Weremole, Spirit of The Harvest Moon, Freaky Fred, Great Fusilli, Stitch Sisters, King Ramses, Jeeves Weavil, McPhearson Phantom, Bushwick, Violin Girl and Nightshade (Marvel).

Nico: Whoa! This will be fun.

Lola: Yep.

Another Weremole: (In a girls voice) But it's going to be fun.

Me: That voice.

They merged and reverted back and it was a girl with black hair, blue eyes and had black clothes and pitch black angel wings.

Me: Malaria Gotham! Whoa!

Brittney: The Queen of Darkness herself! Wow!

Malaria Gotham: That's right my empress. I am the Queen of Darkness.

Me: Malaria is a goth girl I met in school and defended.

Nico: Wow!

Me: Sorry we have to fight like this. By the way is the Another Ebon friendly or hostile?

Malaria Gotham: Friendly and she is a powerful darkness master.

Nico: Neat.

Girl Jordan: First lets separate you.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

She glowed and was separated from the Anothers.

The minute Another Freaky Fred was separated, Takashi shot him with a gun

BANG!

He was dead!

They blasted the Anothers and I caught the Wonder Ride Books!

Qin: YEAH!

Maria: Time for backup! (TURNS DIAL) BLUE FLAME GIANT 6!

She summoned Kalin, Superfriends Giganta, Unipastrami, Universe 666 Dark Mind Soul, Kyrosys and Meteor!

Nico: NICE!

Qin: YEAH!

Me: And here it comes!

We saw Another Ebon!

Me: WHOA!

Nico: Another Ebon!

Xenia: Oh boy.

Another Ebon: (In a girls voice) Awesome seeing you all here.

Me: That voice!

She reverted back and was a girl with black hair and blue eyes and purple clothes.

Me: Amelia Simone!? Whoa!

Amelia Simone: Awesome to see you again J.D.

Me: Same here. Amelia is a girl I know that has awesome darkness powers and she can form portals with her darkness too.

Eli: Wow!

Kaito: (gets out Ohranger gear) Did Swartz promise you anything?

Zocks: (gets out Carranger gear) Because we can grant it instead.

Kaito got a Zeo Sword and Zocks got a Turbo Sword.

Amelia Simone: No he didn't. I used a portal and got out before he could say anything.

Me: Whoa.

Qin: Crafty.

Nico: Yeah.

Me: He should know better than to mess with someone who can do portals like that.

Nico: Yeah.

Amelia Simone: That's for sure.

Me: Sorry we have to fight.

Amelia Simone: No worries.

She turned into Another Ebon!

Sougo: (gets out Zeo Ridewatch) Ebon used to be Maria's boss back in the old days.

Geiz: (gets out American Turbo Ridewatch) And a damn good one.

Sougo got ZeoRedArmor while Geiz got AmericanRedTurboArmor.

Another Ebon: So I see.

Me: Yep.

Nico: Time for some darkness.

He activated Ebon and Nightshade's ridewatches and fired waves of darkness and smashed her down.

May: Time for some Junk Fire.

She activated Junk Food Monster and Fire Women's ridewatches and fired junk food and fire and blasted her down.

Maria: And now this.

She activated Jackster and Melissa Bergman's ridewatches and fired a blast of energy and smashed her down.

Nightshade: That was well done. I believe it's my turn.

He activated Marvel Nightshade's ridewatch and fired waves of darkness and smashed her down.

Then Shade, Owl, Carnom, Evil Genie Woman, Fat Bandit and Typeface came.

Nico: Awesome team Shade!

Shade: Thanks Nico.

Nico: Yep.

Then an Obstagoon came!

Lola: Cool an Obstagoon!

Qin: Yeah!

Obstagoon: (In a girls voice) But this is gonna be fun and cool.

Nico: Ivy Rosa! Wow!

She reverted back and was a girl with green hair, green eyes and had brown Hawaiian clothes on.

Ivy Rosa: Awesome to see you again Nico. I got this.

She fired waves of energy and blasted down Another Ebon and I caught the ridewatch and purified it and I brought Amelia over.

Me: Yeah!

Nightshade: What's your favorite memory of Nico my good lady?

Ivy Rosa: When me and Nico were talking to some of my friends in the forest and a bunch of hunters came and Nico sent them running.

Me: Boy you are an amazing charmer.

Fluttershy: You and I have so much in common. I love talking to animals too.

Ivy Rosa: That is awesome Fluttershy.

Nico: Yep.

Nico and Ivy hugged.

Nico: I've missed you.

Ivy Rosa: Same here Nico.

We left the simulator.

But, we can't let this killing spree go on any further, we're heading there to put an end to that death-seeking creation of Quan Chi and we'll be sending him straight to The Book of Vile Darkness.

Lincoln: Wow, we're here in Eternia, and I know what we're going to do here, not only am I going to rescue the eight girls here, but we also got bad news, Sub-Zero's brother, the undead shadow wraith and creation of Quan Chi, Bi-Han, is running loose in Eternia and is killing people left and right.

We gasped in shock, and we saw the piles of dead bodies that death-obsessed wraith has left behind.

Nico: Sub-Zero told us about his evil brother, that guy is literally the embodiment of dishonor and evil to the core.

Suddenly, Sub-Zero appeared, along with Raiden and the other Earthrealm Warriors, and He-Man and The Masters of The Universe also arrived with them.

Sub-Zero: Indeed I have. I never thought Bi-Han would be running loose once more. But, ever since we destroyed Shao Khan two years ago and sent him and all those who followed him blindly to The Black Gates which also included Quan Chi and Shang Tsung, I knew one day he'd be running loose once more.

Raiden: And with no one controlling him, he's now continuing with his spree of death and destruction.

He-Man: And he's started right here in Eternia. But, we can't let this killing spree go on any further, we're going to put an end to that death-seeking creation of Quan Chi, but what do we do with him?

Nico: I get that Bi-Han has done a lot of truly despicable things when he was alive and when he was turned into a wraith by Quan Chi and we all want to send him straight to The Black Gates and finally be done with him for good, but just like with Rain, Tanya, Skarlet, Reiko, Motaro, Sektor, Kollector, Shinnok, and Kronika, I'll fight him in the future.

Lincoln: So, we'll be sending him straight to The Book of Vile Darkness then, but not after we give him the well-deserved beating he deserves.

Leon: Right.

Suddenly, we saw a beautiful and super sexy girl with short white hair and purple hairband, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful purple angel wings, she's dressed in a purple coat with a coat of arms on it, white short-sleeved shirt, necklace with pearls and purple gem for the pendant, black pants, white bridal gloves, black knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with knights, swords, magic, dragons, light, and angels on the coattails and on the back is Noble Knight Pellinore, in her right hand is The Sword of Hope, and with her are the eight girls.

White-Haired Girl: I hope I'm not too late, I managed to get the girls away from that monster and I blinded him with a blast of light I fired at him.

Lincoln: No, you're not, Penelope Pellinore, you're just in time.

?: You shall all join the ranks of the undead, Team Loud Phoenix Storm.

We then saw a figure appear from a portal of darkness and it got out a sickle, it was Bi-Han, Sub-Zero's older brother and one of Quan Chi's creations.

Sylvester: So, you've finally arrived, you death-seeking masterpiece of Quan Chi.

Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Blue Fire, Sand, Bubbles, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit him.

Then, Lincoln drove his massive greatsword into Bi-Han's stomach and he began sucking out all of the shadow wraith's umbrakinesis and black magic and made it his own. Then, when Lincoln removed his massive greatsword from Bi-Han's stomach, he was suddenly exposed to the sunlight and he burned to ashes being a creature of darkness and all that was left were his clothing, and then, Lincoln sealed his soul into The Book of Vile Darkness. We cheered as we holstered our weapons and powered down.

Lincoln: Your days of killing people to increase the ranks of the undead are over, Bi-Han. (To Penelope Pellinore) And it's so good to see you again, Penelope Pellinore.

Penelope Pellinore: You too, Linky, it's been a long time.

Lincoln went up to Penelope Pellinore and he hugged her, and Penelope Pellinore is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Penelope Pellinore: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Penelope Pellinore, Gene-Slammer of Noble Knight Pellinore, she's my Guardian Angel from Michigan and she's a very powerful wielder of light magic and a very powerful swordswoman and a member of The Royal Woods Knights of The Michigan Table. She trained me both in the art of swordsmanship and magic, and I became a very powerful swordsman and master of magic, and she also taught me much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those I love and hold dear to my heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Penelope Pellinore is also a direct descendant of Pellinore of Camelot, one of the skilled Knights of the Round Table, and the king of Listenoise in Arthurian legend, and in the tradition from the Old

French prose, he is associated with the Questing Beast and is the slayer of King Lot, and his many children include the sons Aglovale, Lamorak, and Percival, and the daughter Dindrane.

Me: I knew it.

Melanie Artorgius: Lincoln made her a dark purple coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Penelope Pellinore hate Luan with a very blazing passion.

Nico: What did she do to earn her wrath?

Melanie Artorgius: One day, Penelope and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Luan, and she brought with her an army of thugs she hired. Penelope and Lincoln went out there along with the rest of us, and they'd slain them with her greatsword. It drove that little monster into a blood-crazed fury, but before she could get after us, Lincoln and Penelope fired chains of light magic which bound that bitch and tied her up. Lincoln called his family and his nice sisters and told them what happened, and needless to say, Leni, Luna, Laney, Lucy, Lana, and Lily wanted her head on a pike! Lincoln wasn't surprised though, Luan tried to kill him many times in the past, but in the end, her plan failed, and Luan got grounded for eighteen weeks, and to make sure that she didn't try to get revenge, Penelope Pellinore and Lincoln casted a spell to prevent her from coming back to hurt them because messing with the descendant of Pellinore of Camelot and one of the members of The Royal Woods Knights of The Michigan Table will have dire and disastrous consequences.

Nico: Luan was just on another one of her rampages again? Sheesh.

Me: Yep, Luan enjoyed causing trouble with her pranking rampages and no one was unable to stop her.

Nico: Jeez.

Lincoln: We were the only ones who could stop Luan's pranking rampages, Nico. No one was safe from her rampage and she didn't know any mercy nor stopping whatsoever. There was only one way for us to stop her: restrain her and let my parents handle her. And now that you're here, Penelope.

Lincoln went up to and hugged Penelope Pellinore in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Penelope Pellinore: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Penelope Pellinore's neck with purple gems on the gold lightning bolts and purple crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Penelope Pellinore: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Penelope Pellinore.

Penelope Pellinore had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them, then, we went up to the eight girls, and when Lincoln saw who they were, they immediately recognized them. The eight girls are Hidemi Mita, Kayo Aikawa, Momoko Nakamura, Mutsumi

Yoshikawa, and Tetsuko Yamazaki from Hissatsu Shikokiya Kagyou and Lara Raider, Maria Pepenshi, and Kaa Bocha from Illusion Island.

Lincoln: Oh wow, it's Hidemi Mita, Kayo Aikawa, Momoko Nakamura, Mutsumi Yoshikawa, and Tetsuko Yamazaki from Hissatsu Shikokiya Kagyou and Lara Raider, Maria Pepenshi, and Kaa Bocha from Illusion Island.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Hidemi Mita: Yes, we're okay thanks to you.

Then, when Hidemi Mita and the other seven girls saw who it was that saved them from Bi-Han, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The

Hidemi Mita: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made seven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Hidemi Mita: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Hidemi Mita, Kayo Aikawa, Momoko Nakamura, Mutsumi Yoshikawa, Tetsuko Yamazaki, Lara Raider, Maria Pepenshi, and Kaa Bocha with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate and the rest of the team was shocked to find out the villain we went after was Sub-Zero's brother, the undead shadow wraith and creation of Quan Chi, Bi-Han, who was running loose in Eternia and is killing people left and right.

But, when Lincoln showed what we all did in beating down that shadow wraith and Lincoln driving his massive greatsword into Bi-Han's stomach and sucking out his umbrakinesis and black magic and making them his own and him getting destroyed by the sunlight and Lincoln sending him to The Book of Vile Darkness, everyone cheered as they hugged us and Lincoln's harem kissed him and he had steam whistling from his ears. Lincoln and Penelope Pellinore have a lot of catching up to do now that she's back in town.

Maria: Jeez, I can't believe what that shadow wraith had been doing in Eternia killing people left and right.

Lincoln: And all to grow the ranks of the undead. Quan Chi is gone forever and he's never coming back after we gave him The Black

Gates. Now, to undo the damage that he caused.

Lincoln snapped his fingers and heavenly lights shined down on the dead bodies and all of them came back to life.

Nico: That wraith really caused a whole lot of trouble, but when we face him in the future, he will get The Black Gates.

Lincoln: Along with Rain, Tanya, Skarlet, Reiko, Sektor, Motaro, Kollector, Shinnok, and Kronika for all their crimes as well.

* * *

After sending Bi-Han to The Book of Darkness, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Penelope Pellinore saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Penelope Pellinore: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Penelope, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Penelope Pellinore: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Penelope Pellinore: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Penelope, what memories did you have with Lincoln?

Penelope Pellinore: Oh man, I was hoping you'd ask that. Well, this one time, Lincoln and I along with the rest of The Royal Woods Knights of The Michigan Table were riding out on patrol looking for any sign of trouble and we also had the rest of his Guardian Angels with him. Suddenly, we heard the sound of deranged laughter in the air, and we saw who it was coming after us: it was Luan, and she had a massive army of thugs with her and she was out to kill Lincoln again, that set us off. We rode out there and we'd slain every last one of the thugs, then, we turned our attention to Luan, and we brutally thrashed her. Then, Lincoln chained them up with chains of light and we brought her before the rest of his family, and after we told and showed them everything, Lori, Leni, Luna, Laney, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, and Mr. and Mrs. Loud were absolutely livid at Luan, and Lori, Leni, Luna, Lynn, Laney, Lucy, Lana, Lola, and Lisa all pounced on Luan, and they brutally beat her into the ground.

Nico: Jeez.

Lincoln: Then, Luan got grounded for eighteen weeks and we threw her in a padded room container and she was wrapped in a straitjacket.

Ellie Elsher: Luan was laughing like a deranged lunatic and we heard her insane laughter.

Raven Ghostrick: We were warned about Luan's prank rampages not to mention that she was really insane, but we triumphed every single time and we always put a stop to her for good.

We got a shower, and then, Lincoln, Tempest Magician, Splendid Rose, Psychic Lifetrancer, Guardian Angel, Silver Sable, Windstorm, Noi, Bloo, Lemony Gem and Diamond Mint, Pacific Glow, Azure Velour, Flashdancer, Sea Swirl, and Rosette Nebula are heading to Wave Ocean.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Tempest Magician, Splendid Rose, Psychic Lifetrancer, Guardian Angel, Silver Sable, Windstorm, Noi, Bloo, Lemony Gem and Diamond Mint, Pacific Glow, Azure Velour, Flashdancer, Sea Swirl, and Rosette Nebula are dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Tempest Magician, Splendid Rose, Psychic Lifetrancer, Guardian Angel, Silver Sable, Windstorm, Noi, Bloo, Lemony Gem and Diamond Mint, Pacific Glow, Azure Velour, Flashdancer, Sea Swirl, and Rosette Nebula had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood and life energy, which made him go insane with anger, until Lincoln fired energy blasts at that mutant and more gold and jewels and treasures came out of that moron, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Tempest Magician: Wow, so this is Wave Ocean, this is really awesome!

Lincoln: It sure is, Tempest Magician, and it's perfect for our first date. Shall we?

Lincoln, Tempest Magician, Splendid Rose, Psychic Lifetrancer, Guardian Angel, Silver Sable, Windstorm, Noi, Bloo, Lemony Gem and Diamond Mint, Pacific Glow, Azure Velour, Flashdancer, Sea Swirl, and Rosette Nebula dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Tempest Magician, Splendid Rose, Psychic Lifetrancer, Guardian Angel, Silver Sable, Windstorm, Noi, Bloo, Lemony Gem and Diamond Mint, Pacific Glow, Azure Velour, Flashdancer, Sea Swirl, and Rosette Nebula got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set,

Lincoln made a clone of himself and he and his clone went up to Tempest Magician, Splendid Rose, Psychic Lifetrancer, Guardian Angel, Silver Sable, Windstorm, Noi, Bloo, Lemony Gem and Diamond Mint, Pacific Glow, Azure Velour, Flashdancer, Sea Swirl, and Rosette Nebula and they hugged them in their abnormally massive and powerful muscular arms, and Tempest Magician, Splendid Rose, Psychic Lifetrancer, Guardian Angel, Silver Sable, Windstorm, Noi, Bloo, Lemony Gem and Diamond Mint, Pacific Glow, Azure Velour, Flashdancer, Sea Swirl, and Rosette Nebula placed their hands on the massive pecs of Lincoln and his clone, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like someone really had a good time at Wave Ocean, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, fifteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Tempest Magician, Splendid Rose, Psychic Lifetrancer, Guardian Angel, Silver Sable, Windstorm, Noi, Bloo, Lemony Gem and Diamond Mint, Pacific Glow, Azure Velour, Flashdancer, Sea Swirl, and Rosette Nebula with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Tempest Magician, Splendid Rose, Psychic Lifetrancer, Guardian Angel, Silver Sable, Windstorm, Noi, Bloo, Lemony Gem and Diamond Mint, Pacific Glow, Azure Velour, Flashdancer, Sea Swirl, and Rosette Nebula are in your harem.

Jenna: Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that good-for-nothing hairy mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for herself.

Rarity: And trying to kill Tempest Magician, Splendid Rose, Psychic

Lifetrancer, Guardian Angel, Silver Sable, Windstorm, Noi, Bloo, Lemony Gem and Diamond Mint, Pacific Glow, Azure Velour, Flashdancer, Sea Swirl, and Rosette Nebula, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and he should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that three butt-cheeked mutant cheapskate has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you fat hairy mutant cheapskate!

Nico: Even after we kicked Flip's miserable hide, that moron still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Pablo, Anderson, Billy McLean, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: Leave that to me. (YELLS AT THE TOP OF HIS LUNGS AT THE JERKS) SHUT YOUR HALF-WIT PIE HOLE, YOU JACKASS MUTANT CHEAPSKATE!

Suddenly, the Beads of Subjugation on Flip's neck and on the necks of the jerks glowed and the amplified gravity forced the jerks to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand them if they so much as get anymore dumb ideas again.

---

Later at the table me and the Loud Kids were having a Soda Drinking and Belching Contest.

Me: (GULPING DOWN SODA)

We were gulping down Mega Fizzy Juice.

Rigby: Look at all this soda!

Nico: It's Mega Fizzy Juice. Cosmo made it.

Cosmo: All the nutrition of juice and all the fun of fizz.

Lori: It's literally good.

Me: (GULPING) Ahh. (LOUD BELCH!)

Qin: Nice one!

Mordecai: Save some for us!

Cosmo: I made plenty for all of us.

Laney: (LOUD BELCH)

Me: Nice one Laney.

Laney: Pardon me.

Me: No worries. (GULPS DOWN SODA) (LOUD BELCH!)

I belched and it turned some salt and pepper shakers into a pile of twinkies.

Megan Kiraton: OH BOY Twinkies!

Megan got to eating them.

Megan Kiraton: Strawberries and cream filled! Yummy!

Wanda: Cosmo where does the fizz come from?

Cosmo: Where it usually does. (Eating a bean burrito with green chili sauce.) Your cooking! (LOUD FART!)

We laughed!

Swindle: Get your soda here! Only 10 dollars!

Camille Izumi: 10 bucks for soda!? Highway robbery!

Nico: That's Swindle for you. He's a con man.

Mr. Krabs: (LAUGHS) That is true lad.

Swindle: Sorry boss. It's in my nature and my programming.

Nico: Yeah.

Lola: (LOUD BELCH)

She got a huge basket of fruit on her head.

Lola: (LAUGHS) That is awesome.

Lori: (LOUD BELCH)

Lori belched and turned Lola's fruit into an ice cream sundae!

Lola ate it.

Me: (LAUGHS) That's funny. (LAUGHS)

Swindle: At least I'm not making it expensive

Plankton: I once sold chum for 10 dollars in the Chum Colosseum like that.

Lily: I remember that Plankton. And the people still hate chum like that.

Sakura Knudson: (Eating Chum) Oh come on it's not that bad.

Plankton gave Sakura a big bowl of chum.

Plankton: At least Sakura likes my chum.

Me: Yeah.

Luna: (LOUD BELCH!)

Her belch turned Luan's scrunchy into a jeweled blue diamond scrunchy.

Luna: Oops pardon me dude.

Luan: No worries Luna. (LOUD BELCH!)

She belched and turned Luna's shirt into a rainbow diamond shirt!

Luan: Now that one DAZZLES! (LAUGHS) Get it?

We laughed at her joke!

Me: (LAUGHS) That was a good one!

Poromon was drinking soda.

Poromon: (GULPING)

Nico: Poromon is really thirsty.

Poromon: Ahh! (LOUD BELCH)

He turned a small rug into mini Mr. Mind noodles.

Mr. Mind Rug: NO! I WILL DESTROY YOU TEAM LOUD PHOENIX STORM!

Poromon: OH BOY! Lunch!

Rug: NO! NOT AGAIN!

He ate the rug and was stuffed!

Me: (LAUGHS) That was funny!

We laughed!

Maria: How did you do that?

Me: It's the burps. They are magic. (LOUD BELCH)

I belched and turned Carol's hair band into an amethyst jeweled one.

Carol: Cool!

Maria: That is awesome!

Timmy Turner's mom then came in and she was crying hard.

Me: Mrs. Turner?

Timmy Turner: Mom?

Me: What's the matter?

Nico: Yeah Mrs. Turner what's wrong?

Mrs. Turner: My husband says I'm a terrible cook! I can't do anything right!

Me: Oh come on Mrs. Turner down say that. (LOUD BELCH!)

I accidentally belched in her face and then she got her awesome chef powers again!

Mrs. Turner: Wait I can cook amazingly again!

Me: That's the spirit! Oops sorry about that Mrs. Turner. But wait this happened before?

Timmy: Yeah I wished for Mom to be an amazing cook and she made some of the most awesome food ever.

Me: Wow!

Nico: Mrs. Turner and Lynn Sr. can go into business together.

Me: Good idea Nico. What do you think Mrs. Turner?

Mrs. Turner: I'll do it!

Lynn Sr.: Awesome!

Me: Cool! By the way Timmy what did your mom do back then with those awesome powers?

Timmy Turner: She made an awesome breakfast.

He told us everything.

---

After watching a cooking contest with the 3 best cooks in the world: Hal Apeño, Sue Shi and Crepe Suzette, Mom wishes to be one of them and then she announces dinner time, with a horrible-looking squid casserole. Dad plan to eat Chinese meal takeout and throw Mom's squid casserole in a trap door under the kitchen table, but she catches them and they go inside the trap door. When Mom knows that Timmy and Dad throw all Mom's cooking into the Trap Door Basement, Mom goes crying. Mom's meatloaf, which became alive, caught Dad. Timmy goes back to his room where Wanda made dinner and wishes his Mom was the best cook in the world. At first it's great, she made an awesome breakfast with pancakes, weenies, bacon, waffles, syrup, etc. But after school, Timmy finds out that Mom turned the house into a restaurant called IHOM (International House of Mom), and wouldn't let him eat because he didn't book a reservation. At the kitchen, Cosmo tells him to eat the house because Mom cooked it.

---

Me: WOW! She made an awesome 5 star restaurant from the house? That's incredible. Mrs. Turner and Lynn Sr. are really going to be awesome partners. In fact. (SNAPS FINGERS)

I used my powers to make Lynn's Table's Employees and Lynn Sr., and the workers and Lori and the kids the greatest chefs ever.

Qin: It sure is.

Poliwag was drinking soda.

Poliwag: (GULPING)

Me: Poliwag is thirsty huh?

Nico: Yep.

Poliwag: Can you blame me?

Me: Not one bit.

Poliwag: (LOUD BELCH)

He turned our entertainment center into an awesome CRYSTAL DIAMOND ENTERTAINMENT CENTER!

Wanda: WOW! That is really cool!

Me: It sure is.

Rarity: I must say that is amazing darlings.

Me: Boy it sure is. I'll be right back. I'm going to have a really stern talk with Mr. Turner.

Nico: Okay.

I took some fizzy juice with me and went down to talk to him,

Demeter: You know that's not the only thing he's caused.

Mariah Demeter: I know mother. It's because he and Mrs. Turner were neglectful to Timmy and gave him Icky Vicky as his babysitter and that was terrible on his part. And he did all kinds of terrible things. But it was not done out of spite. He was an idiot. He didn't know what he was doing. Mr. & Mrs. Turner didn't realize that Vicky would turn out to be so dangerous and that she would want nothing more than to see the entire planet burn and hate all kids till they are all dead.

Me: The point is Lady Demeter I think it's time to bury the hatchet and let this go.

Demeter: And how many of your friends feel this way?

Then surprisingly all of us came. Including Timmy Turner and Mrs.

Turner.

Nico: We all do Lady Demeter.

Demeter: Oh you're right. Mariah, I'm proud of you for sticking up for your friends and even for those that did wrong. I will undo the curse. On three conditions

Mariah Demeter: What is it mother?

Demeter: That Mr. Turner starts behaving like a real parent and that he sees the kind of animal Icky Vicky is and that he loves Timmy with all his heart and stops his hatred towards Dinkleberg.

Mariah Demeter: Fair enough mother.

Demeter snapped her fingers and then Mr. Turner's curse was removed and his garden came back to life STRONGER than ever and the super seeds that were destroyed and all the plants he killed came back stronger than ever.

Demeter: Happy planting.

Mariah Demeter: Thank you mother.

Nico: We can't promise he'll stop hating Dinkleberg.

Demeter: I know. It's worth a shot. Farewell.

Mariah Demeter: Goodbye mother.

She left.

Mr. Turner was so happy.

We went to talk to him.

Me: Mr. Turner we need to have a talk. We talked to Lady Demeter and we removed the curse for you. But she said that you need to clean up your act.

Maria: If it weren't for you, Icky Vicky wouldn't have hurt Timmy

Mr. Turner: Really?

Me: Really.

Mr. Turner: (Crying) Oh man. Timmy I am so sorry! I can't believe I was such a fool to you for all these years! Icky Vicky was a monster! And that curse was not given to me because of spite it was because of me! I was a bad parent to you!

Timmy Turner: I know dad and I forgive you.

Mr. Turner: I was a… (Realizes something) Wait what?

Timmy Turner: I said I forgive you. I'm glad you're starting to change and also mom is too. And Icky Vicky is now Humiliation Fodder at Lynn's Table.

Nico: It's true.

Nico: You can still hate on Dinkleberg. No real consequences for that.

Mr. Turner: Oh thank you! DINKLEBERG!

Me: Good. You are more than welcome to smash Icky Vicky's face in.

Nico: Yeah.

Mr. Turner: Oh thank you!

Horsea was still drinking soda throughout all this.

Horsea: That was a great forgiving act.

Me: It sure was.

?: Boy I'll say.

Then a Grimmsnarl came!

Me: Cool a Grimmsnarl!

Nico: Wow!

Grimmsnarl: (In a girls voice) I saw the great act forgiveness.

Nico: Mariah Thor!? Wow!

She reverted back and was a girl that had blond hair and blue eyes and had a lightning bolt in the middle of her forehead and she had blue clothes and blue angel wings and had a warhammer of lightning in her hands.

Mariah Thor: Awesome to see you again Nico.

Me: Are you the daughter of Thor, God of Thunder?

Mariah Thor: I sure am.

Qin: Wow!

Sunstreaker: What's your favorite memory of Nico?

Mariah Thor: When me and Nico stopped Loki from unleashing the evils of the Underworld into Asgard.

Nico: That was epic.

Eli: Wow!

Loki (Marvel): (British Accent) I actually remember that one.

Nico: Wow.

Me: Amazing.

Nico and Mariah hugged.

Nico: I've missed you,

Mariah Thor: Back at ya Nico.

Masker Mind: (to Thor) You never told us about her.

Thor: Thou never asked about it.

Masker Mind: Oh.

Me: But it was awesome too.

Lola: It sure is.

Qin: Yeah.

Manaphy was still drinking soda

Manaphy: (GULPING) (LOUD BELCH)

Her belch turned Rarity's dress into a jeweled dress.

Rarity: (GASP) Oh my this is amazing darlings.

Manaphy: Pardon me Rarity.

Me: But that dress is beautiful.

The previous group came.

Roquefort: Can me, Ssserpent, Demyx, Duskmon, Dark Laser, Roman Goodwin, Abomination, Blizzard, Scorcher, and Gizmo go with you guys?

Nico: You all sure can.

Demyx: We saw what happened with Demeter and that was awesome.

Lola: It was.

Demyx: That was really golden hearted of you guys to lift the curse from Mr. Turner.

Lola: Yeah it was.

Me: Want some soda guys?

Demyx: Sure.

I gave him some Fizzy Juice and he drank it.

Demyx: Mmm! (GULPING) (LOUD BELCH) Oh pardon me!

Me: No worries. It's good stuff though.

Wallflower: Nico, which Gene Slammers do you think you'll meet next?

Nico: Perrserker, Cursola and Sirfetch'd.

Me: Cool!

Qin: Yep.

Back in the estate, Lincoln was watching TV when Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we're going to confront today: it was none other than the Turbo Rangers' dangerous enemy, Divatox, and she's back to get revenge on The Turbo Rangers. When we saw it, we knew it meant trouble.

Lincoln: OH NO!

Lincoln ran down and got to us.

Lincoln: GUYS! We have huge trouble!

Me: What's wrong?

Nico: Lincoln, what's wrong?

Lincoln: We got some big trouble, Nico, where are Tommy and the other Turbo Rangers?

Then, Tommy and the other Turbo Rangers arrived.

Tommy Oliver: We're here, Lincoln, what's up?

Lincoln: Glad you all could make it, Tommy. Okay, I just had a vision and I saw who it was that we're going to confront today: the figure I saw in the vision is none other than your old enemy, Divatox, and she's back to get revenge on you all.

The Turbo Rangers gasped.

We gasped!

Me: Divatox! I remember her!

Tommy Oliver: Divatox is back?! Oh man, I hoped never to see her again!

T.J. Johnson: Same here. I thought we were done with her for good. If we find out Lord Zedd brought her back, there's going to be blood.

Lincoln: This wasn't Lord Zedd's doing, T.J., she's doing this on her own. But, either way, we need to destroy her once and for all, and we'll send her to The Book of Vile Darkness and into prison for the rest of her life.

Me: I agree there.

Xenia: Yeah! I was hoping we would send her to the Black Gates but that works.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Audrey Blade, the last and leader of The Ghostrick Destroyers, and she's heading here to kill The Ghostrick Guardian Angels. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and we got news, Raven: as we guessed it, Audrey Blade, the last and leader of The Ghostrick Destroyers is heading here to kill you all.

Raven Ghostrick: Finally, the time has come at long last. Now, we will finally be rid of Audrey Blade and her ilk once and for all, never again will that undead spiteful vampire be free to cause havoc on the world once again.

Ellie Elsher: That's right, and now, at long last, we'll be rid of her once and for all, after we deal with Divatox.

Nico: You got that right. Alright, gang, let's go, we're heading off to destroy Divatox once and for all.

Lincoln: Divatox's revenge shall be brought to an end, now we shall bring an end to her once and for all, and once we get done destroying Divatox, you're next, Audrey Blade.

Raven Ghostrick: You better be ready to die, Audrey Blade, because you deserve no such mercy from any of us for trying to kill us seven years ago, nor do you even deserve to live a single second further, you religious fanatic and zealous heretical demon.

Ursula Truaigheaingeal, Tiana Masina, Ramona Alucard, Claire Allaire, Sarah Dullahan, Aisha Arian, Winter Icyin, Ramona Qingzhao, Autumn Aluma, Mary Adelberte, Dina Mabrouk, Makoto Haruki, Morrigan Dabria, Lyra Anahita, Rachel Truaigheaingeal, Ellie Elsher, Emilia Frankenstein, Isabella Lupa, Alecto Shadowcall, Thera Amihan, and Miyuki Shirayuki: Never again will we have to deal with you blood-crazed human despising vampires ever again, and now we will see to it that you die here for good, Audrey Blade!

Me: We better get ready to take the fight to her.

Camie: Who is Divatox?

Me: The enemy of the Turbo Rangers. She's a space pirate.

I went over her history.

---

Divatox was a space pirate and the main antagonist of Turbo: A Power Rangers Movie and Power Rangers Turbo, as well as a minor antagonist in Power Rangers In Space.

She was played by Hilary Shepard Turner and later by Carol Hoyt who also played Dimitria in Turbo.

Divatox was raised as the adoptive daughter of Mama D, an infamous sea hag who raised her to be evil. After gathering an crew of alien cutthroats that included her nephew Elgar, Rygog, and Porto, Divatox began travelling throughout space stealing numerous riches to satisfy her greed. She also became an acquaintance of Rita Repulsa at some point. An unknown amount sgo, Divatox's Crew was forcibly annexed into the United Alliance of Evil because Divatox feared Dark Specter but were allowed to continue thier conquests.

A year after the destruction of the Machine Empire, in 1997, Divatox takes a break from piracy and begins seeking the wizard, Lerigot, to gain access to the lost island of Muranthias. By doing so, she hopes to marry the Malachian's demonic god, Maligore, so she can gain his power. Divatox captures Jason and Kimberly to use them as sacrifices for the demon and manages to use them to make the Power Rangers give up Lerigot but doesn't turn over Jason and Kimberly. With Lerigot in her hands, Divatox's Subcraft is able to travel through the Nemesis Triangle to the island of Muranthias. However, she soon becomes aware that the Zeo Rangers (having now become the Turbo Rangers) are following her so she calls Rita Repulsa for advice on how to take care of the Rangers only to be told that she should flee. After destroying the Ghost Galleonm, she manages to awaken Maligore but the Power Rangers crash the ceremony and destroy the demon with the Turbo Megazord. Divatox becomes furious and swears vengeance on the Rangers but has to flee Muranthius as the volcano's eruption completely destroys the island.

Sometime after the movie, Divatox rallies her entire army on another planet so that she can destroy or conquer the Earth and kill the Turbo Rangers as revenge for slaying Maligore. Divatox comes to Earth, landing her Subcraft in Angel Grove as a base and manages to find out who the Rangers really are and tries to sabotage their graduation ceremony but is unsuccessful. Divatox then sends bombs to constantly destroy Angel Grove whilst using monsters to distract the Rangers but all of the bombs are either disarmed, destroyed harmlessly or the effects are undone.

When the Blue Senturion comes to Earth and informs her that he has a message for Dimitria, the space pirate poses as the mentor to hear the message and is shocked by what she sees. In the future, Divatox will ally herself with Rita Repulsa, Lord Zedd, and the Machine Empire, defeat all the Power Rangers, and conquer the universe then divide it up amongst themselves. However, the idea of dividing the universe's riches is something Divatox doesn't like and later receives help from Mama D and General Havoc with the latter helping her to steal the Turbo Megazord and the Phantom Ranger's power ruby which she uses to take control of the Megazord. Divatox sends it into battle against the Rangers' Rescue Megazord but they regain control of it.

Divatox later sends the powerful monster Goldgoyle who manages to destroy both of the Rangers' Megazords at the cost of his life. Later, Rygog and Elgar manage to discover the location of the Power Chamber so Divatox sends her forces in an all-out assault on it. After having explosives planted inside, she detonates them and destroys the entire Power Chamber. After the dust settles, Divatox has her forces search the rubble to make sure that the Rangers really are gone but she receives a summons to the Cimmerian Planet for a meeting of the United Alliance of Evil. Though Divatox refuses the summons since she is on the verge of conquering Earth, she immediately listens when she find out that the summons came from Dark Specter and immediately packs up and leaves.

During the United Alliance of Evil's meeting on the Cimmerian Planet, Divatox is the talk of the conference for destroying the Turbo Rangers. She has a run in with Rita where she brags about destroying the Power Rangers but the Red Space Ranger is discovered spying on the meeting and escaped, Divatox is tasked with hiding Zordon until Dark Specter can completely drain his power. She first brings him to planet Hercuron but has to take him elsewhere after the Phantom Ranger discovers him there. Later, when Storm Blaster escapes, she contacts Astronema to see if she's seen it but ends up losing both vehicles to the Power Rangers with help from the Blue Turbo Ranger.

After Dark Specter initiates his conquest of the universe, Divatox attacks Gratha where she battles and defeats the Aquitarian Rangers. She is shocked and outraged when Astronema is announced as the new Queen of Evil. After Zordon's Energy Wave sweeos across the universe, she tries to flee the wave even as it annihilates her army but is caught anyway. However, she is purified and turned human but what happened to her after this is unknown.

---

When I was done everyone that hadn't heard about it was shocked!

Camie: That is crazy!

Qin: Yeah no kidding!

Me: I thought that after 25 years we thought it was the end of her.

Lola: Yeah.

Ssserpent: Let's go to Angel Grove for this.

Nico: Right. Lets go.

Lincoln put up a rainbow energy field around The World Tree Estate and we headed out to Angel Grove to destroy Divatox and end her once and for all, and once we get done with Divatox, Lincoln and Raven Ghostrick are going to destroy Audrey Blade of The Ghostrick Destroyers.

We were off.

---

We arrived in Angel Grove.

Anastasia (Cinderella): Here we are!

Me: Angel Grove.

Qin: Yep.

Lola: Awesome.

Me: If Divatox wants a fight she will get one.

Demyx: Let's head to the Youth Center first.

Me: Okay then.

Nico: Lets go.

We went to the Youth Center.

Manterror: Ernie runs this place, right?

Nico: Yes he does.

Qin: That's right.

Laney: Sure is an awesome place though.

Tommy Oliver: It sure is.

Duskmon: Good to be home, huh?

TJ: Yep. This is where the early Ranger battles took place.

Me: That's right. Started here 30 years ago.

Qin: Amazing.

Zayto: That sure is cool.

Me: Yep and many of the rangers greatest battles took place here.

Nico: I can't wait for us to destroy Rita and Lord Zedd once and for all.

Me: Yeah they were asking for this for over 25 years.

Azula: Got anything to eat around here?

TJ: Plenty to eat.

We went to the cafeteria and saw burgers being cooked on the grill.

Dark Laser: Burgers! Now we're talking!

Chef: Hey Team Loud Phoenix Storm! Welcome.

Me: Thank you. Boy those burgers look awesome.

Chef: They sure do.

Qin: Yeah

Dirge: Mind if we have some?

Chef: Sure! On the house.

Me: Awesome!

We got a bunch of tables.

We later got good burgers and we were eating them.

Me: MMM! Delicious.

Bai Tza: I like mine with just cheese on the patty

Nico: Everyone has their own tastes.

Bai Tza: I know.

Lola: Yeah.

Varie: But it's still awesome.

Abomination: (eating lots of burgers at once) I bet I'm eating more than you guys!

Me: (LAUGHS) You sure are hungry.

Ripster: You're on! (EATING LOTS OF BURGERS AT ONCE)

Camp Kidney campers: GO GO GO GO GO GO GO GO GO GO GO GO GO GO GO GO!

They were really eating.

Top Man: Who's winning?

Ripster was winning.

Ripster: I WIN!

We cheered for him!

Me: (LAUGHS) That was awesome!

Qin: That was cool!

Nico: Yep

Blizzard: Nice job! And just in time too!

Nico: Time to get to work and bring down Divatox.

Me: This is gonna be good.

Xenia: Time for a nasty buttkicking.

Eli: I sense that she is 50 klicks to the north.

Scorcher: (to Jason) Thanks for letting me visit your hometown here.

Jason: No problem. This is gonna be so fun.

Qin: It sure is.

Me: It sure is fun coming here.

Lola: Yep.

Blitzwing: Let's get a move on!

Nico: You read my mind!

We were off to face Divatox.

Me: This is what she gets for messing with Earth.

We were flying.

Slobber Trap: (to the Turbo Rangers) You should do the entrance with your roll call.

TJ: Good idea!

Me: Yeah!

In a clearing we saw DIVATOX!

Nico: Target sighted.

TJ: It's action time!

Me: And entrance time.

Divatox was fuming.

TJ: Divatox! It's time to send you packing!

Divatox: RANGERS You will pay for what you did to me!

TJ: You're the one that will pay!

Cassie Chan: And it will hurt big time!

Rangers: SHIFT INTO TURBO!

They transformed!

Justin Stewart: "Mountain Blaster Turbo Power!"

Carlos: "Desert Thunder Turbo Power!"

Ashley: "Dune Star Turbo Power!"

Cassie: "Wind Chaser Turbo Power!"

TJ: "Red Lightning Turbo Power!"

Blue Senturion: "I am the Blue Senturion, Defender of Intergalactic Law!"

All: "Power Rangers Turbo!"

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off behind them and a phoenix cry was heard as they were ready and then we came out.

Me: Divatox!

Divatox: Team Loud Phoenix Storm!

Me: That's right! You will pay for your crimes!

Divatox: Did you Rangers think you could move onto fighting Zedd and Rita and leave ME behind? Guess again! This time, things are gonna be differen

Gizmo: You're right, barfbrain. Because we're helping TJ and the rest take you down properly!

Me: And this time we're not going to leave and piece of you standing bitch!

DIVATOX ROARED AND WENT AT ME AND SHE UNSHEATHED HER SWORD!

I then unsheathed my sword and me and Divatox clashed brutally!

CLANG CLANG CLANG CLANG CLANG!

SLASH SLASH SLASH SLASH!

I slashed her all over and cut her good!

I then cut her face!

Divatox: (GAH) MY FACE!

Nico: Is that it? There's a reason you're just going to jail. You're not even as tough as Rita and Zedd were.

Me: Yeah compared to Rita and Zedd you are just pathetic.

Divatox: I'LL SHOW YOU!

She went at us more.

And I kicked her and slashed her across her stomach!

Qin: Take that!

TJ: Lightning Sword!

He fired a blast of lightning and electrocuted her.

Me: Also you completely didn't expect that the Turbo Rangers are in the help of the most powerful force in the entire universe. US!

Nico: That's right.

Vegeta: And that was your last mistake that you will ever make.

TJ: This time, our powers ain't going anywhere!

Nico: That's right!

Me: Yeah!

Then Shendu, Selene, Amora, Spymaster, Larxene, Electrocutioner, Hydro Man, Pyro, Grumblemon, and Hsi Wu came.

Nico: Shendu, Selene, Amora, Spymaster, Larxene, Electrocutioner, Hydro Man, Pyro, Grumblemon, and Hsi Wu.

Shendu: (to Timmy) It's good that you forgave your parents.

Selene: Though you probably forgave your mom before your dad.

Amora: Either way, it's good that you're not holding a grudge.

Timmy Turner: You're right on that.

Mariah Demeter: And my mother lifted the curse on Mr. Turner.

Qin: Yep.

Spymaster: (to Nico) We heard you went to Derry.

Nico: We sure did.

Larxene: How was it?

Me: It was really awesome and we destroyed that monster Pennywise the Clown.

Lola: Yeah it was awesome!

?: That is amazing!

A figure came out and it was Dogranio's right hand man DESTRA MAJJO!

---

Destra Majjo is a major antagonist in Kaitou Sentai Lupinranger VS Keisatsu Sentai Patranger. He is one of the top two members of Interdimensional Crime Group Gangler alongside Goche Ru Medou and Dogranio Yaboon's personal bodyguard.

He was voiced by Yūji Ueda.

Destra Majjo is Dogranio's Dilophosaurus-themed right-hand man and bodyguard who is armed with a war hammer with a built-in 4-tube missile pod called the Destlauncher. The two golden safes built into Destra's shoulders originally held two Lupin Collection items: the "Au loin" (Far off) slingshot which increases his firing range and the "Le coup de chance" (The stroke of luck) device which gives a homing effect to his missiles.

Destra made his first appearance while accompanying his boss Dogranio Yaboon when he seized one of the Lupin Collections. After returning back in the Gangler mansion with Dogranio, Destra believed he need to physically restrained the gang members and physician Goche Ru Medou to wish Dogranio a happy 999th birthday. Although, Dogranio told Destra it was alright for Goche to be close to him.

Witnessing Namero Bacho sculpt a statue of Dogranio, Destra disputed Goche's favoring his blatant method only for Dogranio to share her sentiment. To their shock, the statue was later destroyed in Namero's battle with PatKaiser, leaving only the feet.

When Goche asked Dogranio to purchase some of the human subjects acquired by Rabroom Jaws for her, Destra scornfully told her to buy her own. Dogranio, however, abidded as such trades were part of running a gang.

Growing curious about the Lupin Collection, Destra realized that there was some difference between the treasures possessed by the Gangler with that of the humans. Learning from an informant that the GSPO was transporting two pieces to their Japan Branch, Destra sought to investigate them and so summoned his old henchman Bundorute Peggy to intercept them behind Dogranio's back. When confronted by Goche on the matter, Destra divulged his plan and scoffed at the thought he could betray his master. However, the two pieces, Cyclone Dial Fighter and Trigger Machine Biker, fell into the possession of Patren 1gou and Lupin Red respectively, at which point Destra came to Earth to confront Peggy for his failure before engaging the remaining Patrangers 2gou and 3gou with Lupinrangers Blue and Yellow. Though easily a match for all four of them, Destra found that his opportunity was lost as Peggy had abandoned him while Lupin Red made off with both Collection pieces. Before returning to the Back World, Destra summoned a giant Goram to reclaim the pieces.

---

Kairi Yano: Destra Majjo!

Destra Majjo: Been a long time rangers!

Me: I remember you! You were Dogranio's right hand man and you packed onoe nasty explosive punch.

Destra Majjo: I sure do and awesome memory.

William: Dogranio missed you, you know.

Destra: I can tell that he did. Is it true that Goche-

Nico: Helped Mr. Mind? Yep. But she's now in our custody.

Destra: Wow!

Nico: Yep. That was a fun adventure though.

We got the battles underway.

Nico: Yep. So, Penelope, what memories did you have with Lincoln?

Penelope Pellinore: Oh man, I was hoping you'd ask that. Well, this one time, Lincoln and I along with the rest of The Royal Woods Knights of The Michigan Table were riding out on patrol looking for any sign of trouble and we also had the rest of his Guardian Angels with him. Suddenly, we heard the sound of deranged laughter in the air, and we saw who it was coming after us: it was Luan, and she had a massive army of thugs with her and she was out to kill Lincoln again, that set us off. We rode out there and we'd slain every last one of the thugs, then, we turned our attention to Luan, and we brutally thrashed her. Then, Lincoln chained them up with chains of light and we brought her before the rest of his family, and after we told and showed them everything, Lori, Leni, Luna, Laney, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, and Mr. and Mrs. Loud were absolutely livid at Luan, and Lori, Leni, Luna, Lynn, Laney, Lucy, Lana, Lola, and Lisa all pounced on Luan, and they brutally beat her into the ground.

Nico: Jeez.

Lincoln: Then, Luan got grounded for eighteen weeks and we threw her in a padded room container and she was wrapped in a straitjacket.

Ellie Elsher: Luan was laughing like a deranged lunatic and we heard her insane laughter.

Raven Ghostrick: We were warned about Luan's prank rampages not to mention that she was really insane, but we triumphed every single time and we always put a stop to her for good.
